GRAMMAR

The Focus of This Lesson Is about (이)나 That We Use When Expressing Listing Nouns (= Choices/Options) and a Lack of Preference.
Nan san-ina badana sang-gwan-eopsseo.
난 산이나 바다나 상관없어.
"I don't mind if we go to either a mountain or the beach."

Noun + (이)나 [(i)na]: there are many usages of (이)나 in Korean.
This expression, noun + (이)나, has two main usages:

1. to list nouns (= choices or options)
2. to not discriminate between things, people, or places, meaning "any-," "wh-ever," or "every..."

Throughout this lesson, you will learn about those two main usages of "noun + (이)나" only.

First, let's have a look at the conjugation rules.

Conjugation Rule

Noun + 나 (na)/Noun + 이나 (ina)
Noun ending in a vowel (without a 받침) / Noun ending in a consonant (with a 받침)

For Example:

1. **바다 + 나 = 바다나**
   "the sea or..."
2. **주스 + 나 = 주스나**
   "juice or..."
3. **사과 + 나 = 사과나/산 + 이나 = 산이나**
   "an apple or..."/"a mountain or..."
4. **물 + 이나 = 물이나**
   "water or..."
5. **귤 + 이나 = 귤이나**
   "a tangerine or..."

Two Usages (Most Commonly Used) of "Noun + (이)나"

---

1. To list nouns (= choices or options)
A(이)나 B(이)나 C(이)나... "a choice [between two or more things]" or [something]"

For Example:

Noun(s)	*Noun + (이)나*	"English"
산 ("a mountain") 바다("the sea") 도시 ("a city")...	**산이나 바다나 도시나...**	**"a mountain, the sea, or a city..."**

사과("an apple") 귤("a tangerine") 바나나("a banana")...	**사과나 귤이나 바나나나...**	**"an apple, a tangerine, or a banana..."**
한국 ("Korea") 일본 ("Japan") 미국 ("America") 중국 ("China")...	**한국이나 일본이나 미국이나 중국이나...**	**"Korea, Japan, America, or China..."**

* Note: We can interchange the expression **"Noun + (이)나**" with "**Noun + (이)든지."**

For Example:

1. 난 바다나 산이나 상관없어 = 난 바다든지 산이든지 상관없어.
   Nan badana sanina sang-gwaneopsseo. = Nan badadeunji sanideunji sang-gwaneopsseo.
   "I don't mind if we go to either a mountain or the beach."
2. 난 귤이나 바나나나 사과나 다 좋아 = 난 귤이든지 바나나든지 사과든지 다 좋아.
   Nan gyurina bananana sagwana da joa. = Nan gyurideunji bananadeunji sagwadeunji sang-gwaneopsseo.
   "I like all of those-a tangerine, a banana, or an apple."
3. 한국이나 일본이나 미국이나 중국이나, 어디든 가자! = 한국이든 일본이든 미국이든 중국이든, 어디든 가자!
   Hangugina ilbonina migugina jungugina, eodideun gaja! = Hangugideunji ilbonideunji migugideunji jungugideunji, eodideun gaja!
   "Let's go anywhere-Korea, Japan, America, or China!

2. Not to discriminate against a thing/person/time/place: A (이)나 "wh-ever," "any-," or "every"

For Example:

Noun(s)	Noun + (이)나	Becomes...	"English..."
누구 ("who")	누구 + 나	누구나...	"whoever, anyone..."
무엇 ("what")	무엇 + 이나	무엇이나...	"whatever, anything..."
커피 ("coffee")	커피 + 나	커피나...	"(without discriminating against) something like coffee..."
물 ("water")	물 + 이나	물이나...	"(without discriminating against) something like water..."

For Example:

1. 이것은 **누구나** 할 수 있는 일입니다.
   Igeoseun nuguna hal su itneun il-imnida.
   "This is a job that anyone can do."
2. 난 **무엇이나** 다 잘 합니다.
   Nan mu-eosina da jal hamnida.

"I can do anything well."

3. 너는 우선 **커피나** 마셔.
   Neonuen u-seon keopina masyeo.
   "You should (without any discrimination) first drink coffee."

4. (넌) 먼저 **물이나** 마셔.
   (Neon) meonjeo murina masyeo.
   "(You) should (without any discrimination) first drink a cup of water."

* Note: We have also learned about one of the usages of -(이)나, which could also mean "as many as" or "as much as."

For Example:

1. 열 번이나
   "as many as five times"

2. 세 시간이나
   "as much as three hours," etc.

Examples from This Dialogue

CULTURAL INSIGHT

What's more, the rest stops sell various types of food, snacks, drinks, and you can even enjoy the beautiful scenery.

VOCABULARY PHRASE USAGE

1. Person (name / Noun) 꺼 [*kkeo*] "'s"
This word, 꺼 [*kkeo*], is often used when to express "something that belongs to someone", or the possessives of nouns.
This word, - 꺼 [*kkeo*], is a shortened form of - 의 것 [*ui geot*].

☞ **Formation: Person (Name / Noun) + 꺼**

For Example:

1. 이 과자는 철수꺼(야) = 철수의 것(이야).
   I gwajaneun Cheol-su-kkeo(ya) = cheol-su-ui geot(iya).
   "This snack belongs to Cheol-su. = This snack is Cheol-su's (snack)."
2. 저 주스는 팀꺼입니다 = 팀의 것입니다.
   Jeo juseuneun timkkeo-imnida = timui geot-imnida.
   "That juice belongs to Tim. = That juice is Tim's (snack)."
3. 그것은 팀꺼, 저것은 철수꺼, 그리고 이것은 내꺼!
   Geugeoseun Timkkeo, jeogeoseun Cheolsukkeo, geurigo igeoseun naekkeo!
   "That one is Tim's, that is Cheol-su's, and this is mine!"

2. (내가) 쏠게! [*(naega) ssolkke*] "It's on me!"
This phrase, 내가 쏠게 [*naega ssolkke*] "it's on me", is often used when someone wants to pay for an expense.
내가 쏠게 is a common slang term of 내가 낼게! [*naega naelkke*] "I'll pay (for everything)!" or 내가 살게! [*naega salkke*] "I'll buy (everything)!".
Let's break the phrase down...

- 내가 [*naega*] "I"
- **쏘**다 [*ssoda*] "to shoot"
- **쏘 "verb stem" + ㄹ게 "will do" = 쏠개** "(I) will do shoot"
- Therefore, 내가 쏠게 literally means "I will shoot!", which we can translate it as "I will buy or pay for everything" = "It's on me".

For Example:

1. 오늘 저녁은 제가 쏘겠습니다.
   Oneul jeonyeokeun jega ssogetseumnida.
   "Today's dinner is on me!"
2. 저번 저녁은 너가 쐈으니까 오늘 저녁은 내가 쏠게.

VOCABULARY PHRASE USAGE

1. 후렌치 레볼루션 (*Hurenchi lebolusyeon*) "The French Revolution" and 바이킹 (*Baiking*) "Viking"

- 후렌치 레볼루션 "The French Revolution" is the name of a roller coaster ride in 롯데월드, which is "Lotte World."

Here is a related video clip: http://il.youtube.com/watch?v=5htgjqbXMJw&feature=related.

- 바이킹 (*baiking*) "Viking" is one of the scariest rides you can easily find at any amusement park in Korea.

2. 간 떨어지다 (*Gan tteoreojida*)/숨 넘어가다 (*Sum neomeogada*) "to be frightened"/"to be terrified out of one's senses" = "I was scared to death."
We often use both phrases, 간 떨어지다 and 숨 넘어가다, when describing our frightened or terrified condition after experiencing a tremendous amount of horror, terror, or fright.

Let's break both phrases down:

☞ **간 떨어지다 (*Gan tteoreojida*)**
- 간 (*gan*) is a noun that means "the liver."
- 떨어지다 (*tteoreojida*) is a verb that means "to drop."
Therefore, 간 떨어지다 literally means "the liver dropped," which contextually (culturally) means "I was scared to death" in English.
간이 콩알만 해지다 (*gani kong-alman haejida*) "The size of my liver became the size of a bean" is a synonym of 간 떨어지다 (*gan tteoreojida*).

☞ **숨 넘어가다 (*Sum neomeogada*)**
- 숨 (*sum*) is a noun that means "breath"/"breathing"
- 넘어가다 (*neomeogada*) is a verb that means "to swallow."
Therefore, 숨 넘어가다 literally means "to swallow one's breath," which contextually (culturally) means "I was scared to death" in English.

3. 넌 죽었다 (*Neon jugeotda*) "You're dead." = "You're dead meat."
We often use the phrase 넌 죽었다 between close friends, when describing one's hopeless situation or challenges that he/she is about to face within the near future.

Let's break the phrase down:
- 넌 (*neon*) is a shortened form of 너는 (*neoneun*) "you are."
- 죽었다 (*jugeotda*) is a verb that means "to die."
Therefore, 넌 죽었다 literally means "you're dead," which contextually means "you're dead meat" (slang) in English.

GRAMMAR

The Focus of This Lesson Is about -ㄹ/을 뻔하다, meaning to "Come Close to Something" or to "Come Close to Doing Something."
나 진짜 간 떨어질 뻔했어.
Na jinjja gan tteorojil ppeonhaetseo.
"I came close to dying."

We use VST + ㄹ/을 뻔하다 to express "something almost happened (but actually has NOT happened)."

We often use the expression ㄹ/을 뻔하다 with overexaggerated phrases or sentences in the past.
First, let's take a look at the word...뻔하다 (*ppeonhada), meaning* "something almost happened or came close to something."
- 뻔 (*ppeon)* is a dependable noun that indicates "close," "nearly," or "almost."
- 하다 (*hada)* is a verb that means "to do."
Therefore, 뻔하다 (*ppeonhada*) literally means "nearly do something" or "something is nearly done," which contextually means "an event/an outcome came close to something/to doing something."

Second, now let's take a look at the conjugation rules.

☞ Conjugation Rule

Present or Past Verb Stem + ㄹ/을 뻔하다 (*ppeonhada)* "(almost) came close to something"/"came close to doing something (but actually has NOT happened)"

{Rule #1} - We attach **ㄹ 뻔하다** to verb stems ending in a **vowel (without a 받침).**

{Rule #2} - We attach **을 뻔하다** to verb stems ending in a **consonant (with a 받침).**

Present / Past Verb Stem	Verb Stem + ㄹ/을 뻔하다	Becomes...	"English"
1. **죽**다 "to die" {Rule #2}	**죽** + 을 뻔하다	**죽을 뻔하다**	"I came close to dying"
2. **만나**다 "to meet" {Rule #1}	**만나** + ㄹ 뻔하다	**만날 뻔하다**	"I came close to meeting [someone]"
3. **주**다 "to give" {Rule #1}	**주** + ㄹ 뻔하다	**줄 뻔하다**	"I came close to giving [something]"
4. **받**다 "to recieve" {Rule #2}	**받** + 을 뻔하다	**받을 뻔하다**	"I came close to receiving [something]"

* Note: We very often use 아(서) + 죽을 뻔하다 to overexaggerate and describe one's condition.

For Example:

1. 저는 저번주에 배가 고파서 죽을 뻔했습니다.
   "I almost died from hunger last week."
2. 나 정말 힘들어서 죽을 뻔했어.
   "I almost died from being tired."
3. 심심해서 죽을 뻔했습니다.
   "I almost died from boredom."

GRAMMAR

The Focus of This Lesson Is about 마음 같아서는/생각 같아서는, Meaning "I Really Feel Like/I Want...But..."
생각 같아선 혼내주고 싶지만 내가 참는다.
Saeng-gak gataseon hon-naejugo sipjiman naega chamneunda.
"I really feel like/I want to punish (him), but I'll control myself/hold back."

We often use **noun + 같아서는** (*gataseoneun*) right after nouns such as 마음 "mind"/"heart" or 생각 "feeling"/"idea"/"intention."

For Example:

1. 마음 같아서는
   ma-eum gataseoneun
   "I (my heart) wants (feels)... but..."
2. 생각 같아서는
   saeng-gak gataseoneun
   "(I think) I want... but..."

Let's take a deeper look at the word 같아서는 (*gataseoneun*).

First, let's break down the word **같아서는 (*gataseoneun*)**. **같-** (*gat*) "to be the same," "to be like," "to be alike," "it seems (= looks) like/as if." **아서** (*aseo*) is a postpositional word indicating "so" or "therefore." **는** (*neun*) is a postpositional word indicating "but," "however," or "by the way." Therefore, all together, we have **같- + -아서 + -는 = 같아서는 (*gataseoneun*)** "so I really feel like... but..."

Second, the word 같아서는 (*gataseoneun*) often follows after 마음 "mind"/"heart" or 생각 "idea"/"opinion"/"feeling."

For Example:

1. **마음 + 같아서는 = 마음 같아서는...**
   "I (my heart) wants (feels)... but..."
2. **생각 + 같아서는 = 생각 같아서는...**
   "(I think) I want... but..."

Third, **같아선 (*gataseon*)** is a shortened form of **같아서는 (*gataseoneun*).**

Now let's take a look at the conjugation rule.

Conjugation Rule

Noun	***Noun + 같아서는***	***Becomes...***	**"English"**
1. 마음 "the mind"/"the heart"	마음 + 같아서는	마음 같아서는	"I (my heart) wants (feels)... but..."
2. 생각 "a feeling"/"a thought"/"an opinion"	생각 + 같아서는	생각 같아서는	"(I think) I want... but..."
3. 기분 "a feeling"/"a mood"	기분 + 같아서는	기분 같아서는	"(I feel) I want... but..."

For Example:

1. 마음 같아서는 지금이라도 당장 가고 싶은데, 내가 지금 일하는 중이야!
   Ma-eum gataseoneun jigeumirado dangjang gago sipeunde, naega jigeum ilhaneun jung-iya!
   "I really want to be there right now, but (I can't because) I am in the middle of work!"
2. 마음 같아선 당장이라도 먹고 싶지만 내가 지금 다이어트 중이라...

   "I (my heart) really want to eat right now, but (I can't because) I am on a diet..."
3. 생각 같아서는 당장이라도 그만 두고 싶은데, 난 돈이 필요해!
   Saeng-gak gataseoneun dangjang-irado geuman dugo sipeunde, nan doni piryohae!

4. 생각 같아선 한 대 때리고 싶지만 내가 참는다!

1. 토끼다 (*tokkida*) "to run away"
토끼 (*tokki*) is a noun that has the literal meaning of "a rabbit." 토끼 "a rabbit" has a distinctive quality that it can run and move fast. Therefore, 토끼 + 다 = 토끼다 (*tokkida*) becomes a verb that means "to run away."

GRAMMAR

The Focus of This Lesson Is about Noun + 대로 "as (Noun) Is/Was/Were" or VST + ㄴ/는 대로 "as VERB + -ing."
그럼 계획한 대로 춘천으로 가볼까...
Geureom gyehoekhan-daero chuncheon-euro gabolkka...
"Then let's go to Chuncheon as planned..."

계획대로 (*gyehoekdaero*) "like the plan" & 계획한 대로 (*gyehoekan dearo*) "as planned"

The focus of this lesson is about the two applications of 대로 (*daero*) "as..." We generally use -대로 (*daero*) as both a 조사 (*josa*), meaning a "post-positional particle," and a 의존명사 (*uijon-myeongsa*), meaning a "bound noun."

Depending on its application (either 조사 (*josa)* "post-positional particle" or 의존명사 (*uijon-myeongsa*) "bound noun"), its conjugation rule is also different.

Let's take a look at the two applications of 대로...

Two Applications of 대로 (*Daero*) "As..."

	1. 조사 (*josa*) "post-positional particle"	2. 의존명사 (*uijon-myeongsa*) "bound noun"
Can It Be Dependent?	**No!** Therefore, it needs a noun or a pronoun before it.	**Yes!** Therefore, it does not need a noun or a pronoun before it (but it needs VST instead)
How to Use	**Noun/pronoun + 대로**	*** VST + ㄴ/는 대로** (sometimes VST + ㄹ/은 대로)
Example	**계획** "a plan" + **대로** = **계획대로** "like the plan"	**계획하**다 "to plan" + **ㄴ** or **는 대로** = **계획한 대로** "as we planned" 계획하는 대로 "as we plan"

*Note: VST + ㄴ 대로 generally indicates "a certain state/circumstance/situation [past tense of verb] in the past"
However, VST + 는 대로 generally indicates "Verb + ing as soon as a certain state/circumstance/situation appears in the present"

First Application of 대로 (*Daero*) as a 조사 (*Josa*) "Post-Positional Particle"

Just like another 조사 "post-positional particle," it is followed right after a noun or a pronoun, meaning "like (the NOUN)..."

* NOTE: HOWEVER, its best English translation would be "as verb + ed"; that is, "as planned," "as promised," etc..."

Formation: Noun/Pronoun + 대로

Noun	*Noun + 대로*	*Becomes...*	"English"
1. 계획 "a plan"	계획 + 대로	계획대로	"like the plan"
2. 약속 "a promise"	약속 + 대로	약속대로	"like the promise"
3. 법 "the law"	법 + 대로	법대로	"by the law"
4. 제멋 "one's own way"	제멋 + 대로	제멋대로	"as one pleases"
5. 평소 "usual"	평소 + 대로	평소대로	"as usual"

For Example:

1. 그럼 **계획대로** 해 볼까?
   Geureom gyehoekdaero hae bolkka?
   "Then should we do it like the plan?"
2. 우리 **약속대로** 한국에 가자...
   Uri yaksokdaero hanguge gaja...
   "Let's visit Korea like we promised..."
3. **법대로** 하자, **법대로**!
   Beopdaero haja, beopdaero!
   "Let's go by the law, by the law!"
4. 제발 **제멋대로** 행동하지마! (제멋 "one's own feeling/taste" + 대로 = 제멋대로 "as one's own feeling/taste")
   Jebal jemeotdaero haengdonghajima!
   "Please do not behave as you please!" (=as you like/feel)
5. **평소대로** 하세요... (평소대로 "as usual")
   Pyeongsodaero haseyo...
   "Please do as you usually would...(=normally)..."

Second Application of 대로 (*Daero*) as a 의존명사 (*Uijon-Myeongsa*) "Bound Noun"

When we use it as 의존명사 "bound noun," it is attached to the verb stem, meaning "as VERB + -ed/as VERB + -ing"/"as (the subject) verb..."

Formation: VST + ㄴ/는 대로 (Sometimes VST + ㄹ/은 대로)

Verb	*Verb Stem + ㄴ/는 대로*	*Becomes...*	"English"
1. 말하다 "to talk," "to speak," "to discuss"	말하 + ㄴ 대로	말한 대로	"as discussed"
2. 계획하다 "to plan," "to schedule"	계획하 + ㄴ 대로	계획한 대로	"as planned"
3. 약속하다 "to promise"	약속하 + ㄴ 대로	약속한 대로	"as promised"
4. 물어보다 "to ask," "to question"	물어보 + ㄴ 대로	물어본 대로	"as asked"/"as questioned"

For Example:

1. 그럼 우리 아까 **말한 대로** 하자!
   Geureom uri akka malhan daero haja!
   "Then let's do it as we discussed earlier!"

2. 그럼 우리 아까 **계획한 대로** 합시다.
   Geureom uri akka gyehoekhan daero hapsiha.
   "Then let's do it as we planned earlier."

3. 이제 아까 **약속한 대로** 그거 주세요...
   Ije akka yaksokhan daero geugeo juseyo...
   "Please give me that as you agreed (=promised) earlier..."

4. 저기요. **물어본 대로** 답해 주세요...
   Jeogiyo. Mureobon daero dapae juseyo...
   "Excuse me. Please answer according to the question..." (=as I asked you...)

VOCABULARY PHRASE USAGE

1. 여친 (*yeochin*) "girlfriend"

GRAMMAR

The Focus of This Lesson Is about VST + -다시피, Meaning "As You + Verb..."
너희도 알다시피 요즘 고은이가 많이 바쁘잖아.
Neohuido aldasipi go-euniga mani bappeujana.
"As you know, Goeun is really busy nowadays."

알다시피 (*Aldasipi*) "As You Know..."

The focus of this lesson is about VST + 다시피 (*dasipi*), which we often use with:

1. **Perceptional verbs** such as 알다, meaning "to know"; 이해하다, meaning "to understand"; 감지하다, meaning "to sense"; and so on.
2. **Sensory verbs** such as 보다, meaning "to see"; 듣다, meaning "to listen"; 냄새를 맡다, meaning "to smell"; 말하다, meaning "to speak"; 만지다, meaning "to touch"; 느끼다, meaning "to feel"; and so on.

Therefore, we can translate this pattern of expression "as you know," "as you see," "as you can feel," and "as you (can) VERB..."

First, let's take a look at its conjugation rules.

Conjugation Rule

Verb Stem + 다시피 (*dasipi*) "as you (can) [verb]..."

3. **느끼**다 (*neu-ggida*) "to feel"	**느끼** + 다시피	**느끼다시피**	"as you (can) feel"
4. **말했**다 (*malhaetdda*) "said"/"spoke"	**말했** + 다시피	**말했다시피**	"as I said (earlier)"

* Note: Present Verb Stem + -다시피 is interchangeable with Verb Stem + 는 바와 같이 (*bawa gachi).*

VOCABULARY PHRASE USAGE

마음에 담아 놓다 (*ma-eume dama nota*) "to take (what someone says) to heart"
Let's break down the phrase:
- 마음에 (*ma-eume*) is a phrase that means "to heart"
- 담아 (*dama*) came from 담다, which means "to put into"
- 놓다 (*nota*) is a verb that means "to place"/"to keep"/"to set"/"to put"

Therefore, 마음에 담아 놓다 literally means "to put (something/object) in the heart" and contextually means "to take what someone says to heart."

For Example:

1. 나한테 함부로 말하지 마! 난 마음에 다 담아 놔...
   Nahante hamburo malhaji ma! Nan ma-eume da dama nwa...
   "Be careful what you say to me! I usually take what someone says to heart..."
2. 내가 하려는 말들 마음에 담아 놓지 마...
   Naega haryeoneun maldeul ma-eume dama nochi ma...
   "Please do not take what I'm trying to say to you to heart..."

이상형 (*i-sang-hyeong*) "ideal type (of person)"
Let's break down the word:
- 이상 (*i-sang*) is used as a noun meaning "an ideal"
- 형 (*hyeong*) is a noun that means "a type"
- Therefore, 이상형 (*i-sang-hyeong*) means "ideal type (of person)"

For Example:

1. 당신의 이상형을 말해 주세요...
   Dangsinui isang-hyeong-eul malhae juseyo...
   "Tell me who your ideal is..."
2. 내 이상형은 재밌는 사람입니다.
   Nae isanghyeongeun jaemineun saram-imnida.
   "My ideal type is someone with a sense of humor."

충성하다 (*chung-seong-hada*) "to be loyal" or "to be faithful"
Let's break down the word:
- 충성 (*chung-seong*) is a noun that means "loyalty toward" or "being loyal to..."
- 하다 (*hada*) is a verb that means "to do"
- Therefore, 충성하다 (*chung-seong-hada*) means "to be faithful to" or "to be loyal to..."

For Example:

1. 전 국가에 충성을 다하는 군인입니다.
   Jeon gukka-e chung-seong-eul dahaneun gunin-imnida.
   "I am a soldier who loyally serves my country."
2. 내 남친은 언제나 나한테 충성이야!
   Nae manchineun eonjena nahante chung-seong-iya!
   "My boyfriend is always faithful to me!"

GRAMMAR

The Focus of This Lesson Is about VST + 지 않으면 안 되다, Meaning "Shouldn't NOT Do Something" = "Have to"/"Must Do It."
팀은 나한테 잘하지 않으면 안 돼.
Timeun nahante jalhaji aneumyeon an doe.
"Tim must treat me well."

-지 않으면 안 돼 (*-ji aneumyeon an doe*) "have to (= must) [verb]"

The focus of today's lesson is about **VST + 지 않으면 안 되다(돼), which we often use** to emphasize or stress the need for [verb].

We translate this expression as **"have to [verb] or must [verb],"** which is implicit in duty, obligation, or responsibility, etc.

First, let's break down the phrase:

- **않으면 (*aneumyeon*)** is a phrase that uses the verb 않다 (*anta*) "isn't"/"don't"/"doesn't do" + 으면 (*eumyeon*) "if... (then...)"; therefore, 않으면 literally means "if you don't do it"
- **안 (*an*)** is an adverb meaning "NOT"
- **되다 (*doeda*)** is a verb meaning "to be" or "to become"

Therefore, all together, **않으면 안 되다 (*aneumyeon an doeda*)** literally means "if you don't do it, it does NOT do/work/become," which contextually means "if you don't do it, it won't be good for you" = "you have to" or "must do it."

Conjugation Rule

Verb stem + -지 않으면 안 되다 (*ji aneumyeon an doeda*) "shouldn't not + (verb)" = "have to/must + (verb)"

Verb	Verb Stem + 지 않으면 안 되다	Becomes...	"English"

2. **말(을) 듣**다 (*mareul deutta*) "to obey"	**말을 듣 + 지** 않으면 안 돼	말을 듣지 않으면 안 돼	"If you do not obey (my words), it won't be good." = "You have to obey (my words)."
3. **잘하**다 (*jalhada*) "to treat (a person) well"/"to be kind to (a person)"	**잘하 + 지** 않으면 안 되다	잘하지 않으면 안 되다	"If you do not treat (a person) well, it won't be good (for you)." = "You have to treat (a person) well."
4. **조심하**다 (*josimhada*)	**조심하 + 지** 않으면 안 돼	조심하지 않으면 안 돼	"If you are not careful, it won't be good." = "You must/have to be careful."

"to be careful "/"beware of"/"to watch out"

For Example:

1. 군인은 명령에 **충성하지** 않으면 안 됩니다. (**1. 충성하 + 지 않으면 안 되다**)

Here are some general rules to follow when dating in Korea:

1. **No going Dutch!** Males are always expected to treat the females. Korean males are expected to pay for everything when they go on a date: the meal, movie tickets, drinks, etc. (This attitude has been changing a bit recently though.)
2. **Dress up!** Korean females expect males to look nice and wear something other than jeans and a t-shirt when they are on a date.
3. **Mind your manners!** Many Korean females like to meet someone with good etiquette and manners.

GRAMMAR

The Focus of This Lesson Is about Noun(을/를) + 할지 모르다 and Verb Stem + 어야/어야/여야 할지 모르다.
여기 춘천인데 지금 가야 할지, 자고 내일 가야 할지 몰라서요...
Yeogi chuncheon-inde jigeum gaya halji, jago nae-il gaya halji molraseoyo...
"I'm at Chuncheon right now. I don't know whether or not I should go back home or spend the night here and return home tomorrow..."

We often use the expression **noun + 할지 모르다 and verb stem + (어/아/여)야 할지 모르다** in order to indicate **doubt** about a future prediction the speaker(s) assumes.
Therefore, this expression often shows some degree of **worry, doubt, fear, or hesitation**.

Throughout this lesson, we'll learn learn about the **two usages of -할지 모르다 (*halji moreuda*)**. They are:

1. Noun (을/를) + 할지 모르다, meaning "not know whether or not [subject] would do [noun]"

2. Verb Stem + (어/아/여)야 할지 모르다, meaning "not know whether or not to [verb]"

Let's have a look at its first usage.

☞ Noun (을/를) + 할지 모르다 (*halji moreuda*) "not know whether (subject) would do (noun)"

This expression shows doubt about the [noun] the subject predicts.

For Example:

1. 아빠가 **허락**(을)할지 모르다
   appaga heorak(eul) halji moreuda
   "Not sure whether or not my dad will give me **permission.**"

Noun	Noun (을/를) + 할지 모르다	Becomes...	"English"
1. 허락 (*heorak*) "permission"	허락(을) + 할지 모르다	허락을 할지 모르다	"not know whether or not (subject) will give me permission"
2. 수업 (*su-eop*) "a lesson"/"class"	수업(을) + 할지 모르다	수업을 할지 모르다	"not sure whether or not (subject) will start a lesson"
3. 판매 (*panmae*) "sales"	판매(를) + 할지 모르다	판매를 할지 모르다	"not know whether or not (subject) will go on sale"

For Example:

1. 아버지가 **허락(을)**할지 모르겠네...
   Abeojiga heorak(eul)halji moreugetne...
   "I don't know whether or not my father will give me permission..."
2. 지금 선생님께서 **수업(을)**할지 몰라...
   Jigeum seonsaengnimkkeseo su-eop(eul) halji mol-la...
   "I am not sure whether or not a teacher will start a lesson now..."
3. 그 잡지를 **판매**할지 안 할지 모르겠네...
   Geu japjireul panmaehalji an halji moreugetne...
   "I do not know whether or not the magazine will go on sale..."

☞ Verb Stem + 어야/아야/여야 할지 모르다 "not know whether or not to VERB"

This expression shows doubt about the action (=verb) the subject will/would do.

For Example:

1. **가야** 할지 모르다
   gaya halji moreuda
   "not sure whether or not I should **go**"

Verb	Verb + (어/아/여)야 할지 모르다	Becomes...	"English"
1. 돌아가다 (*dolagada*) "to return"/"to go back"	돌아가 + 야 할지 모르다	돌아가야 할지 모르다	"do not know whether or not I should return (go back)"

2. 보다 (*meokda*) "to see"/"to watch"	보+ 어야 할지 모르다	봐야(보아야) 할지 모르다	"do not know whether or not I should watch it"
3. 하다 (*hada*) "to do"	하 + 어야 할지 모르다	해야(하어야) 할지 모르다	"do not know whether or not I should do it"

CULTURAL INSIGHT

Changes in the Korean Parental Roles

In the era when Korea was developing economically, fathers had to make all decisions for their family. It gave them a lot of responsibilities and also earned their family's respect. For this reason, Korean family members followed what their father decided to do. As you can see in the conversation between four friends, you had to ask your father whether or not you can go out to drink.
These days, mothers have much more power. Although fathers still have a lot of responsibilities for their family, all decisions are usually made by mothers. They gather information from their friends and trusted sources and make decisions. They do not follow their instinct. They decide something based on facts and reality. Then, they ask their family to follow their decision, which is not easy to say no to since mothers have a lot of resources supporting their decision. That's how mothers get their power among family members.
If you are Korean, your mother will be the first person to ask if you want to get married. She will research everything for you and your marriage, then make the decision about whether or not you can get married. If she says no, it will be not easy to get married. This is true of not only the big issues: young Koreans also ask their mothers about many personal things to get their permission. That's why Cheolsu asked his mother for permission to stay outside.

VOCABULARY PHRASE USAGE

1. 탈진 (*taljin*) "exhaustion," "being drained"
탈진 (*taljin*) is a noun meaning "exhaustion," "being drained," "being fatigued," or "being wiped out." In order to make it a verb, add 하다 (*hada*) "to do" right after 탈진 (*taljin*) so it becomes 탈진하다 (*taljinhada*) "to be exhausted."

Let's take a look at some examples used in a sentence.

For Example:

1. 그는 심한 탈진증세로 병원에 실려갔다.
   Geuneun simhan taljinjeungsero byeongwone silryeogatta.
   "He was taken to the hospital for exhaustion."

주사 (*jusa*) is a noun that literally means "an injection" or "a shot." 맞다 (*matta*) is a verb that literally means "to be hit," "to be struck," or "to be beaten." Therefore, all together, 주사를 맞다 (*jusareul matta*) means "to have or get a shot."

For Example:

1. 주사를 맞으면 좀 나아질 거에요...
   Jusareul majeumyeon jom na-ajil geo-eyo...
   "If you get a shot, you will feel better..."
2. 심한 탈진으로 엉덩이에 주사를 맞아야 해요...
   Simhan taljineuro eongdeong-i-e jusareul majaya haeyo...
   "You have to have an injection in a buttock for a severe exhaustion..."

3. (Name of body parts) + 에 힘을 빼다 (*e himeul ppaeda*) "to relax or to easy up one's (body parts)"
힘 (*him*) is a noun that literally means "strength," "force," or "energy." 빼다 (*ppaeda*) is a verb that literally means "to pull out," "to remove," or "to take out." Therefore, all together, 에 힘을 빼다 (*e himeul ppaeda*) means "to relax or to loosen one's (body parts)."

For Example:

1. 엉덩이에 힘을 빼세요.
   Eongdeong-ie himeul ppaeseyo.
   "Relax and loosen up your buttocks."

진실 게임 (*jinsil geim*) **"Truth or Dare (Lie)"** is a game in which participants **speak the truth or the fact** in response to someone's question.
Let's break the word down...
진실 (*jinsil*) is a noun that means **"the fact," "the truth," or "honesty."**

VOCABULARY PHRASE USAGE

1. 일박 이틀(이일) 동안 (*ilbak iteul(i-il) dong-an*) "for one night and two days"

일박 (*il-bak*) is "an overnight stay."
이틀 (or 이일) (*iteul* (or *i-il*)) means "two days."
동안 (*dongan*) is a preposition meaning "for" or "during."
Therefore, all together, 일박 이틀(이일) 동안 means "for one night and two days."

For Example:

1. 우리는 일박 이틀 동안 여행을 무사히 마쳤습니다.
   Wurineun ilbak iteul dongan yeohaengeul musahi machyeosseumnida.
   "We have safely completed a trip of one night and two days."

   Timeun iteul dongan amugeotto an meokko itsseumnida.
   "Tim has not tasted anything for two days."

   "Tim and Debbie parted after promising to meet again."

3. 뭉치다 (*mungchida*) "to get together"

For Example:

1. 우리 다음에 또 뭉치는 거지?
   Wuri da-eume tto mungchineun geoji?
   "Are we getting together some other time again, right?"
2. 우리 다음에는 데비 집에서 뭉치자!

GRAMMAR

The Focus of This Lesson Is Verb Stem + ㄹ/을 때, Meaning "When...," or "While..."
난 '삼계탕'을 먹을 때하고 '삼.육.구' 게임을 할 때...
Nan 'samgyetang'eul meogeul ttaehago 'sam.yuk.gu' geimeul hal ttae...
"(When we were) eating the ginseng chicken soup and playing "three.six.nine" afterward..."

We use **Verb Stem + ㄹ/을 때 (*r/eul ttae*)** when we want to express the time or duration when an action was or is ongoing. We can directly translate this expression, Verb Stem + ㄹ/을 때, as "when" or "while" in English.

There are three ways of dealing with this expression.

They are:
#1 - Noun + 때 "in the time period of [NOUN]"
#2 - Past tense + 을 때 "when [the subject] DID something [in the past]"
#3 - Present tense + ㄹ/을 때 "when [the subject] DOES something"

Let's take a look at them one by one.

1. NOUN + 때 (*ttae*) "When (or While) [NOUN]"

We can translate this expression, NOUN + 때, as [in the time period of [NOUN]].

2. 난 이번 휴가 때 한국으로 갈 거야!
   Nan ibeon hyuga ttae hangukeuro gal kkeoya!
   "I am going to visit Korea on this vacation!"

2. Past Verb Stem + 때 Means When (the Subject) DID Something: 았/었을 때 (*at/eot eul ttae*)

When we use it with the past tense, it indicates the time or duration in the past.

For Example:

Past Tense	Past Verb Stem + 을 때	Becomes...	"English"
1. **먹**다 => **먹었**다 (*meokta* => *meogeoktta*) **"to eat"** => **"ate"**	**먹었** + 을 때	**먹었을 때**	"when I ate something,"

3. (Present) Verb Stem + ㄹ/을 때 Means When (the Subject) DOES Something

When we use it with the present tense, it indicates the time or duration when an action is ongoing.

GRAMMAR

In today's lesson, two very commonly used grammatical structures were introduced.

Grammar Point #1 - I Think... - ㄴ/은 것 같다 ----------

This grammatical structure introduces a way for one to be a little indirect when speaking, which is an important aspect of Korean culture. This grammatical structure is roughly equivalent to the English "I think ..." or "It seems like ..." This structure is used in conjunction with descriptive verbs and the copula 이다 (ida).

▷ Construction

(a) Descriptive Verb Stem ending in a consonant + 은 것 같다 (b) Descriptive Verb Stem ending in a vowel + ㄴ 것 같다

For example: (a) 좋다 --> (좋다 = 좋+다) --> 좋 + 은 것 같다 --> 좋은 것 같다. to be good -> good + I think... -> I think it's good. (b) 비싸다 --> (비싸다 = 비싸+다) --> 비싸 + ㄴ 것 같다 --> 비싼 것 같다. to be expensive -> expensive + I think... -> I think it's expensive

An example of indirectness. (a) 비싸다 - it's expensive (b) 비싼 것 같다 - I think it's expensive.

In this specific example, example (a) is quite direct, whereas example (b) is a bit more indirect. Therefore it's softer language, and more appreciated.

▷ In This Dialog

(6)성민: 몰라요. 기분이 안 좋은 것 같아요. (6)Seongmin : mollayo. gibun-i an joheun geot gatayo.
(6)Seongmin: I don't know. I don't think she's feeling to well.

♣ More Examples ♣

1.아저씨 집은 비싼 것 같아요. (ajeossi jip-eun bissan geot gatayo.) Mister, your house seems to be expensive.

2.성민은 수줍어 한 것 같아. (seongmin-eun sujubeo han geot gata) Seongmin seems to be shy.

3.현철은 바쁜 것 같다. (hyeoncheol-eun bappeun geot gatta). HyeonCheol seems to be busy.

(Negation)

4.오스틴은 아픈 것 같지 않다. (oseutin-eun apeun geot gatchi Austin does not seem to be hurt.

5.오스틴은 아프지 않은 것 같다. Austin seems like he is not hurt.

☞ remember ☜

The resulting ending (같다) can be conjugated according to politeness level or tense, just like any verb.

같다 (gatta) is an independent word, which expresses “to be like,” and “to be similar.”

The negation (-지 않다) can be expressed in both the final verb (같다) or the main verb with –ㄴ(은).

Grammar Point #2 - but, however, so - ㄴ/는데 ----------

-ㄴ/는데 is a grammatical structure, which can be translated in several different ways, according to circumstances. It can be translated as "and," "but," however," or "so." It can be used as a sentence ending, or a non-final ending. As the translation suggests, it is used when one wishes to introduce another sentence.

▷ Construction

(a) -는데 is added to a verb stem. (b) -ㄴ데 to a descriptive verb stem that ends in a vowel, (c) -은데 to a descriptive verb stem that ends in a consonant.

Example: (a) 한국어를 공부한다 + 그런데 = 한국어를 공부하는데 (b) 키가 크다 + 그런데 = 키가 큰데 (c) 키가 작다 + 그런데 = 키가 작은데

But the verb 이다 becomes '인데' Example: 나는 학생이다 + 그런데 ... = 나는 학생인데, ...

▷ In This Dialog

(10)소연: 엄마.... 나 오늘 지갑 잃어 버렸어요. 그 안에 중요한 물건 다 있는데... 나 어떡해요... (10)Soyeon : eomma... na oneul jigap ilheo beoryeosseoyo. geu an-e jungyohan mulgeon da itneunde... na eotteokhaeyo... (10)Soyeon: (waa) Mom... I lost my wallet today. All my important things were in there... What am I supposed to do...

♣ More Examples ♣

저는 이 학교 다녔는데, 별로 좋아하지 않았어요. I attended this school, but I didn't particularly like it.

저는 이 학교 다녔는데 (I attended this school, but) - this sentence is an introduction to the main clause: 별로 좋아하지 않았어요. (I didn't particularly like it.)

오늘 추운데, 모자 써. It's cold today, so wear a hat.

오늘 추운데 (It's cold today so,) - this sentence is an introduction to the main clause: 모자 써. (wear a hat.)

If this structure is used as a sentence ending, then it is implying another idea after that. Here are a few examples:

나 오늘 바쁜데. (못 만나.) I'm busy today so. (I can't meet.)

여기 밥 많이 안 주는데. (다른 데 가자.) They don't give a lot of food here so. (let's go somewhere else.)

These must be inferred from context.

☞ remember ☜

This grammatical structure originally comes from "-다 + 그런데", and 그런데 means 'but' or 'however'. Therefore, -은데 or -는데 means "...., but". But -는/는데 can also mean that something is expected after this. You can hear a lot of sentences in Korean finishing with -는/는데, and this mean the speaker is indicating a different idea or another possibility, or it can be a signal for feedback. ("맛있는데." can mean "It is delicious but..." but it can also mean "I think it's delicious, and what do you think?")

Grammar Point #3 - Doing Something Unintentionally - 버리다 ----------
---

The verb 버리다 originally means "to throw away", but when it is combined with another verb stem that precedes it, it means "to do something that wasn't intended" or "to do something completely, or totally".

(a) 말해 버리다. = to ending up saying something that should not have been said (b) 가 버리다. = to go away completely (c) 나는 그 책을 사 버렸다. = I didn't mean to, but I ended up buying that book. (d) 그는 나를 잊어 버렸다. = He has completely forgotten about me. (e) 누군가가 나를 봐 버렸다. = Somebody saw me, although I was hoping that nobody would.

Grammar Point #4 - What Am I to Do? - 어떡해 ----------

This phrase is used in times of distress when one does not know what to do. This phrase is used more often by females than males. This phrase, 어떡해 comes from '어떻게 해', which means 'What should I do? or What am I supposed to do?'

CULTURAL INSIGHT

If you drop or forget something in the subway or on a bus in Korea, chances are rare that it would go unnoticed by anyone before it reaches the end of the bus/subway route. But if it does end up being found by the driver of the bus/subway train, you can call the bus/subway companies and ask if they have your lost item in their lost and found center. But in case someone picks it up and gives you a phone call, it is stated in the law the founder can ask the owner for a compensation of 5~20% of the item's worth. But the usual rate that people give and take is around 10% of the item's worth (or if it's your wallet that you had lost, the amount of money that you had in the wallet.) And if you've picked up somebody's wallet and you don't know how to return it to the person, you can just put it into a nearest postbox, and the postman will safely deliver it to the owner.

GRAMMAR

Grammar Point #1 - Assumption of Agreement - 잖아 ----------

This grammatical structure is used as a sentence ending to indicate that both the speaker and listener know the same information. It is also used in situations when the speaker assumes the listener agrees with the speaker, or used in situations when the speaker wants to reconfirm facts with the listener. It is similar to the English 'you know,' 'isn't it?,' or 'right?'

▷ Construction

This sentence ending is added onto the end of verbs. To construct this, simply take the verb stem and add 잖아(요).

Verb Stem + 잖아(요)

Example:

덥다 (deopda) - to be hot 덥 - verb stem 덥 + 잖아요 덥잖아요 - It's hot, you know?

봤다 (bwatda) - to have seen (simple past tense infinitive) 봤 - verb stem 봤 + 잖아 봤잖아 - You know I saw (it), right?

▷ In This Dialog

---

(8)인성: 뭐? 내가? 왜 내가 돌려 줘? 니가 주웠잖아. (8)Inseong: mwo? nae-ga? wae nae-ga dollyeo jwo? ni-ga juwotjanha. (8)Inseong: What? Me? Why should I return it? You're the one who picked it up.

(9)민호: 하하하. 내가 여자들 앞에서 말을 잘 못 하잖아 (9)Minho: hahaha. nae-ga yeojadeul ap-eseo mal-eul jal mot hajanha. (9)Minho: Hahaha. You know that I can't talk well in front of women.

♣ More Examples ♣

Here are a few examples of the structure's usage:

(a)춥잖아 (chupjanha) - It's cold, you know? (The speaker is assuming the listener agrees with the speaker)

(b)유지가 재밌잖아요 - Yuji is fun, right? (The speaker assumes the listener knows the same information, or is assuming the listener agrees.)

(c)오늘 내 생일이잖아. - You know today is my birthday. (The speaker is reconfirming a fact with the listener.)

(d)어제 너한테 말했잖아. - I told you yesterday, didn't I? (The speaker is reconfirming a fact with the listener.)

(e)너 시간 많잖아. - You have a lot of time, don't you? (The speaker is reconfirming a fact with the listener.)

☞ remember ☜

'-잖아' is originally the shortened form of '-지 않아' which is the basic negative form for verbs and adjectives in informal speech. This structure is actually a question asking if the listener agrees with you (ex: 하지 않아?).

Example: (a) 크다(to be big) - 크지 않다(to be not big) --> '크지 않아'(informal) (b) 먹다(to eat) - 먹지 않다(do not eat) --> '먹지 않아'(informal)

Grammar Point #2 - Not Particularly, Not Especially - 별로 ----------
---
The letter '별' in '별로' means 'particular' or 'special', so 별로 should (and used to) mean 'particularly' or 'especially.' But now it is only used to mean 'not particularly' or 'not especially,' as it must be followed by a negative component.

▷ Construction

There are two ways to use 별로 with a negative component.

1. Used with a negative adverb (안, 못)

별로 + (negative adverb) + verb 안 - negative adverb (not) 바쁘다 (descriptive verb) - to be busy 별로 + 안 + 바쁘다 별로 안 바쁘다 = not very busy, not especially busy, not particularly busy

별로 + (negative adverb) + verb 못 - negative adverb (can't) 하다 (action verb) - to do 별로 + 못 + 하다 별로 못 하다 = can't particularly do (not particularly good at), can't especially do (not especially good at)

2. Used with a negative sentence ending. 별로 (verb) + negative ending 크다 (descriptive verb) - to be big - 지 않다 (negative sentence ending) 별로 + 크다 + 지 않다 별로 크지 않다. = Not especially big, not particularly big.

▷ In This Dialog
---
(12)인성: 이 사진 때문이야? 별로 안 예뻐서 만나기 싫어? (12)Inseong: i sajin ttaemuniya? byeollo an yeppeoseo mannagi silheo? (12)Inseong: Is it because of this picture? You don't want to meet her because she's not that pretty?

♣ More Examples ♣

(a) 별로 크지 않다. - It is not particularly big. (The negative component is 않다)

(b) 이 책은 별로 비싸지 않아요. - This book is not too expensive. (The negative component is 않아요)

(c) 저는 시간이 별로 없습니다. - I don't have much time. (The negative component is 없습니다)

(d) 그 사람은 친구가 별로 없어요. - He doesn't have many friends. (The negative component is 없어요)

☞ remember ☜

In colloquial situations, 별로 is often used alone to indicate negative opinions or feelings.

Example: (e)A: 영화 재미있었어? (Was the movie good?) B: 별로. (Not particularly.) (f)이것은 별로입니다. (This is not particularly good.) (g)그 사람은... 별로야. (That person is ... just so-so.)

Grammar Point #3 - Don't Want To - -기 싫다 ----------

This structure is used to express that one doesn't want to (or like to) do something, that something being an action verb.

▷ Construction

There is another important grammatical construction behind this. Most Korean action verbs can be nominalized by taking the verb stem and attaching -기 at the end. This nominalization is very important to remember since it is used with many other grammatical structures in Korean too.

(동사)기 + 싫다 (Verb)기 + 싫다 Nominalized verb + 싫다

Example: (d) 걷다 (to walk - the infinitive) - 걷기 (to walk - when used as a noun) (e) 쓰다 (to write - the infinitive) - 쓰기 (to write - when used as a noun) (f) 듣다 (to listen - the infinitive) - 듣기 (to listen - when used as a noun) (g) 달리다 (to run - the infinitive) - 달리기(to run - when used as a noun)

Therefore '-기 싫다' is actually a form of 'noun + 싫다' (noun + to hate, do not want).

▷ In This Dialog

(12)인성: 이 사진 때문이야? 별로 안 예뻐서 만나기 싫어? (12)Inseong: i sajin ttaemuniya? byeollo an yeppeoseo mannagi silheo? (12)Inseong: Is it because of this picture? You don't want to meet her because she's not that pretty?

♣ More Examples ♣

(a) 학교에 가기 싫다. (I don't want to go to school.) - The action verb here is 가 - to go. (b) 혼자서 영화를 보기 싫어요. (I don't want to watch a movie by myself) The action verb here is 보다 - to see. (c) 날마다 햄버거를 먹기 싫습니다. (I don't want to eat hamburgers everyday.) The action verb here is 먹다 - to eat.

Grammar Point #3 - Irregular Conjugation for 'ㅂ' *Verbs* ----------

With irregular 'ㅂ' verbs, the verb stem ends with 'ㅂ.' If this is followed by a construction which starts with a vowel, then the ㅂ is changed to 오 or 우 (mostly, ㅂ is changed to 우). The conjugation then affects 오 or 우.

▷ Construction

The last consonant of the verb stem (which is ㅂ) is changed to either 우 or 오. The conjugation then affects 오 or 우.

덥다 (deopda) - to be hot 덥 (deop) - verb stem 더우 (deou) - irregular verb stem 더우 + (verb conjugation that starts with a vowel).

▷ In This Dialog
---
(7)민호: 응... 어제 주웠어. (7)Minho: eung... eoje juwosseo. (7)Minho: Yeah, I picked it up yesterday.

Original verb: 줍다 - to pick up

♣ More Examples ♣

(a)춥다 - to be cold 춥 (verb stem) ㅂ (changes to 우) 추우 + conjugation

추우 + (어) - simple present tense conjugation 추워

(b)줍다 - to pick up 줍 (verb stem) ㅂ (changes to 우) 줍우 + conjugation

주우 + (어) - simple present tense conjugation 주워

☞ remember ☜

This 'ㅂ' conjugation is actually common, but is called an irregular conjugation because it doesn't follow typical conjugation rules.

Grammar Point #4 - A Favor - 부탁 ----------

부탁 means 'favor.' However, 부탁 is used much more often in Korean than its English counterpart. And depending on what form it takes, it has different nuances.

♣ Examples ♣

The following are a few different ways 부탁 is used:

(a)부탁하다 is used to ask something of someone. (-을/를 부탁하다 and -라고 부탁하다)

(1) 친구에게 조언을 부탁했어요 = I asked my friend for advice. (2) 친구에게 도움을 부탁할 거예요. = I will ask my friend for help. (3) 친구에게 오라고 부탁했어요. = I asked my friend to come. (4) 친구에게 도와 달라고 부탁했어요. = I asked my friend to help me.

부탁 드리다 is the polite form of 부탁하다.

(b)부탁이 있다 means "I have a favor to ask."

(1)미안한 부탁이 있어. = I have a favor to ask of you but I'm sorry that I'm asking you to do this for me. (2)급한 부탁이 있어. = I have an urgent favor to ask of you. (3)부탁이 있는데... = I have a favor to ask of you, but (can you do it for me?)

▷ In This Dialog

GRAMMAR

In this conversation we explore two extremely important and extremely useful conversational grammatical structures. In addition, we cover a very common irregular verb conjugation.

Grammar Point #1 - Volitional - -ㄹ/을까요?

The volitional form is used to express intention on the part of the speaker or to invite someone to do something in informal situations. Specifically it is used when asking someone if one would like to do something with the speaker, or with a group that includes the speaker. This can be translated in English as "Shall we...?"

In addition to inviting someone, it is also used to ask for one's opinion, view, or appraisal about a certain fact. In this specific usage it can be translated as "Will it be (verb)"

This form is a sentence ender.

Construction:

-ㄹ/을까요? - (-l/eulkkayo) - Standard Politeness Level -ㄹ/을까? - (-l/eulkkayo) - Intimate Politeness Level

(a) -ㄹ까요? (-lkkayo?) is used with verbs that end in vowels.

보다 (boda) - to see, to watch 보 - verb stem 보 + ㄹ까요? (bo + lkkayo) 볼까요? (bolkkayo?) - Shall we watch? (Standard Politeness Level) 볼까? (bolkka?) - Shall we watch? (Intimate Politeness Level)

(b) -을까요? (-eulkkayo?) is used with verbs that end in consonants.

재미있다 (jaemiitda) - to be fun, to be interesting 재미있 (jaemiit) - verb stem 재미있 + -을까요 (jaemiit) + (-eulkkayo?) 재미있을까요? (jaemiisseulkkayo?) - Will it be fun? (What do you think?) - Standard Politeness Level 재미있을까? (jaemiisseulkka?) - Will it be fun? (What do you think?) - Intimate Politeness Level

Sample Sentences:

1.우리 오늘 영화 볼까요? (uri oneul yeonghwa bolkkayo?) - Standard Politeness Level Shall we see a movie today?

2.숙제를 했을까요? (sukje-reul haesseulkkayo) - Standard Politeness Level Will (he) have done the homework? (What do you think?)

3.이 책이 재미있을까? (i chaek-i jaemiisseulkka?) - Intimate Politeness Level Will this book be interesting? (What do you think?)

4.광주로 갈까? (gwangju-ro galkka?) - Intimate Politeness Level Shall we go to Gwangju?

Grammar Point #2 - Intentional - -ㄹ/을게요

The intentional form is used to indicate a persons intention or plan. It is a sentence-final ending construction used with action verbs and the verb of existence 있다 (itda).

-ㄹ/을게요 - (-l/eulge) - Standard Politeness Level -ㄹ/을게 - (-l/eulge) - Intimate Politeness Level

Construction:

(a) -ㄹ게요 (-lgeyo) is used with verbs that end in vowels.

사다 (sada) - to buy 사 (sa) - verb stem 사 + -ㄹ게요 (sa + lgeyo) 살게요 (salgeyo) - (I) will buy (it). - Standard Politeness Level 살게 (salge) - (I) will buy (it). - Intimate Politeness Level

(b) -을게요? (-eulgeyo) is used with verbs that end in consonants.

있다 (itda) - to be 있 (it) - verb stem 있 + 을게요 (iss + eulgeyo) 있을게요 (isseulgeyo) - (I) will be (here). - Standard Politeness Level 있을게 (isseulge) - (I) will be (here). - Intimate Politeness Level

Sample Sentences:

1.그 친구를 만날게요. (geu chingu-reul mannalgeyo.) I will meet that friend.

2.열심히 공부할게. (yeolsimhi gongbuhalge.) I will study hard.

3.밥 먹어. 내가 살게. (bap meogeo. nae-ga salge.) Eat. I'll buy.

4.빨리 와. 여기 있을게. (ppari wa. yeogi isseulge.) Come quickly. I'll be here.

Note: The pronunciation of 게 (ge) in -ㄹ/을게요 (-l/eulgeyo) is often pronounced as 께 (kke). Both pronunciations are acceptable, however, 게 (ge) is used quite often.

Grammar Point #3 - Irregular '으' Verbs.

Verbs that end with the vowel '으' are conjugated differently than other verbs when the conjugation starts with a vowel. Essentially, 'ㅡ' is replaced with the vowel that starts the conjugation. When the conjugation starts with a consonant, the verb is conjugated as normal. The conjugation must start with a vowel. In addition, the verb must end with the '으' vowel, and not with a consonant for this irrgular conjugation to take place (e.g. 늦다 (neutda) to be late - this verb is conjugated as normal).

In addition, there is an irregular conjugation when the verb that is being conjugated has two or more syllables and the vowel in the syllable immediately preceding the '으' syllable is either '아' or '오.' The preceding syllable affects the conjugation and instead of determining which conjugation to use according to 으 (which would be typically be a 어 conjugation), the verb is conjugated as if '아' or '오' was the determining vowel (which would be typically be a 아 conjugation).

Construction:

1. 쓰다 (sseuda) + 아/어/여 conjugation - to write + Intimate Simple Present Tense conjugation 쓰 (sseu) + 아/어/여 conjugation - verb stem + Intimate Simple Present Tense conjugation ㅆ + 아/어/여 conjugation - verb stem (with the vowel 으 removed) + 어 (this conjugation is used because there is no 아 or 오 vowel to affect the conjugation) 써 (sseo) - to write (Intimate Politeness Level simple present tense conjugation)

2. 끄다 (kkeuda) + 아/어/여 conjugation - to turn off + Intimate Simple Present Tense conjugation 끄 (kkeu) + 아/어/여 conjugation - verb stem + Intimate Simple Present Tense conjugation ㄲ + 아/어/여 conjugation - verb stem (with the vowel 으 removed) + 어 (this conjugation is used because there is no 아 or 오 vowel to affect the conjugation) 꺼 (kkeo) to turn off (Intimate Politeness Level simple present tense conjugation)

3. 바쁘다 (bappeuda) + 아/어/여 conjugation - to be busy + Intimate Simple Present Tense conjugation 바쁘 (bappeu) + 아/어/여 conjugation - verb stem + Intimate Simple Present Tense conjugation 바ㅃ (bapp) + 아/어/여 conjugation - verb stem (with the vowel 으 removed) + 아 (this conjugation is used because 아 influences the conjugation) 바빠 (bappa) - to be busy (Intimate Politeness Level simple present tense conjugation)

Examples:

1. 저를 불렀어요? (jeo-reul bulleosseoyo?) - Did you call? Verb - 부르다 (bureuda) - to call

2. 내 핸드폰을 썼어? (ne handeupon-eul seosseo?) - DId you use my cell phone? Verb 쓰다 (sseuda) - to use

3. 바빠서 숙제를 못 했어요. (bappaseo sukje-reul mot haesseoyo.) - I was busy, so I couldn't do my homework. Verb 바쁘다 (bappeuda) - to be busy

Note: There are "regular" conjugations, which are much more uncommon than this "irregular" conjugations.

GRAMMAR

Grammar Point #1 - in order to - (으)러

(으)러 is a non-final ending for action verbs. It is used to convey the purpose of an action. It is used in conjunction with movement verbs and shows the purpose of that 'movement.' These movement verbs are typically in the form of either 오다 (oda) - to come, or 가다 (gada) - to go, and their variations.

This structure can be translated as 'in order to.'

Construction: [Verb1] verb stem + (으)러 + [Verb2] movement verb -러 is used for verb stems ending in vowels. -으러 is used for verb stems ending in consonants (except verb stems which end with the consonant ㄹ)

Construction: 1.사다 (sada) - to buy - the verb of purpose [Verb1] 가다 (gada) - to go - movement verb [Verb2]

Verb1 stem + 러 + Verb 2 사 + 러 + 가다 사러 가다

2.먹다 (meokda) - to eat - the verb of purpose [Verb1] 오다 (oda) - to come - movement verb [Verb2]

Verb1 stem + 으러 + Verb 2 먹 + 으러 + 오다 먹으러 오다

Tense, and/or negation are inflected in Verb2, the movement verb.

Sample Sentences: 1.만나러 가요. (mannareo gayo.) (I)'ll go (in order) to meet (him.)

2.공부 하러 왔어요. (gongbu hareo wasseoyo.) (I) came (in order) to study.

3.점심 먹으러 왔어요. (jeomsim meokeureo wasseoyo.) We came (in order) to eat.

4.책 사러 학교 간다고 했어. (chaek sareo hakgyo gandago haesseo.) He said he was going to school (in order) to buy a book.

In today's conversation: 네... 지갑 찾으러 왔어요. (ne... jigap chajeureo wasseoyo.) I came (in order) to find my wallet.

그래서 받으러 왔어요. (geuraeseo badeureo wasseoyo.) So I came (in order) to receive (it).

Grammar Point #2 - you see, because... - 거든요

-거든요 (-geodeunyo) is a sentence final-ending used to give an explanation for something under discussion.

Sentence 1. Sentence 2 -거든요.

Sentence 2 is providing an explanation for whatever was discussed in Sentence 1.

Using this grammatical structure also implies that the listener is expected the understand the correlation between sentence 1 and sentence 2.

Construction: Verb Stem + 거든요.

Tense and/or intention is inflected in the root verb.

먹다 (meokda) - to eat 먹 (meok) - verb stem 먹 + 거든요 먹거든요 (meokgeodeunyo) - you see, because (he) eats

봤다 (bwatda) - to have seen 봤 (bwat) - verb stem 봤 + 거든요 봤거든요 (bwatgeodeunyo) - you see, because (I) saw

Sample Sentences: A: 왜 같이 안 가요? (wae gati an gayo?) - Why aren't you coming? B: 그 영화를 봤거든요. (geu yeonghwa-reul bwatgeodeunyo) - You see, because I saw that movie.

GRAMMAR

Grammar Point #1 - so, because of - -아/-어/-여서

-아/-어/-여서 (-a/-eo/-yeoseo) is used to indicate cause or reason. In this usage it almost always requires a descriptive verb before -서 (-seo). This can be translated as '(Verb1) so (Verb2).' or (Verb2), because (Verb1). Verb1 provides the cause or reason for Verb2's action.

Tense and negation are expressed in (Verb 2).

Construction:

1.-아서 (-eoseo) - used with verbs that have either the vowel ㅗ (o) or ㅏ (a) in the verb stem's final syllable. example: 작다 (jakda) - to be small 작 (jak) - verb stem

note: -아 (-a) in -아서 (-aseo) is often fused into verb stem if the verb stem doesn't end in a consonant.

2.-어서 (-aseo) - used with verbs that have any vowel other than the vowels ㅗ (o) or ㅏ (a) in the verb stem's final syllable. example: 늦다 (neutda) - to be late 늦 (neut) - verb stem

note: -어 (-eo) in -어서 (-eoseo) is often fused into verb stem if the verb stem doesn't end in a consonant.

3.-여서 (-yeoseo) is used with 하다 (hada) verbs. *note:* -여 (-yeo) in -여서 (-yeoseo) is fused into 하 (ha) - the verb stem of 하다 (hada). This results in 해 (hae).

Sample sentences:

1.피곤해서 집에 갔어요. (pigonhaeseo jib-e gasseoyo.) - I was tired so I went home. (I went home because I was busy.) (피곤하다) + (가다) - (pigonhada) + (gada) - to be tired + to go 피곤하 (pigonha) - verb stem 피곤하 + 여서 (pigonha + yeoseo) 피곤해서 (pigonhaeseo) + 가다 (gada) - to go 피곤해서 집에 갔어요. (pigonhaeseo jib-e gasseoyo.) - I was tired so I went home. (I went home because I was busy.)

2.추워서 옷을 많이 입었어. (chuwoseo os-eul manhi ibeosseo.) - It's cold so I wore a lot of clothes. (춥다) + (입다) - (chupda) + (ipda) - to be cold + to wear 춥 (chup) - verb stem 춥 + -어서 (chup + eoseo) 추워서 + 입다 (chuwoseo + ipda) 추워서 옷을 많이 입었어. (chuwoseo os-eul manhi ibeosseo.) - It's cold so I wore a lot of clothes.

In this conversation: -아/-어/-여서 다행이다

다행이다 (dahaengida) - to be lucky, to be fortunate, to be a relief.

This word is commonly used in conjunction with the grammatical structure -아/-어/-여서 (-a/-eo/-yeoseo), which is used to express a reason. As this is the case, the grammatical structure provides a reason for which there is reason to be fortunate, relived, or lucky.

In this conversation: (17)지혜: 진짜? 그래도 받아서 다행이야! - it's a relief that you received it.

In this sentence, the grammatical structure -아/-어/-여서 provides a reason for relief.

Grammar Point #2 - even - 까지

까지 (kkaji) is used to express 'up to,' 'until' usually in conjunction with the particle 부터 (-buteo). However, when used in a different context, 까지 (kkaji) is translated as "even." It is used when something exceeds the speakers expectations.

Example: 저 사람이 많이 먹었어요. 수인이 것까지 먹었어요. (That person ate a lot. She even ate Suin's.) - The amount that the person ate exceeded the person's expectation.

In this conversation:

(16)소연: 응. 받았어. 카드까지 그대로 있었어. - Yes, I received it. Even the cards were there as they were.

Here, the speaker (소연) expected the cards to be out of place, removed or stolen; exceeding her expectation, the cards were still there.

(19)지혜: 친구까지 만났어? ... - You even met his friend?

The speaker (지혜) expected 소연 (soyeon) to meet the person who picked up her wallet. It exceed her expectation that 소연 (soyeon) even met that person's friend.

Vocabulary Breakdown #1 - to rest - 쉬다

In addition to the actual act of resting, the verb 쉬다 (swida) is used for holidays, non-working days, or non-school days - anytime a daily routine is not performed on a certain day. This is typically referred to as 쉬는 날 (swi-neun nal) - resting days.

Example: 저는 원래 운동을 하는데, 오늘은 쉬는 날이에요. I usually work out, but today is a resting day.

Vocabulary Breakdown #2 - to come into existence - 생기다

생기다 (saenggida) is the verb "to come into existence." It is used in conjunction with the subject marking particle -이/가 (-i/ga). The subject marking particle marks what 'came into existence.'

Example: 남자친구가 생겼어. I got a boyfriend. 시간이 생기면 전화해. (I know you don't have time now, but) if you find some time, call me.

GRAMMAR

Grammar Point #1 - Reported Speech - -고

-고 (-go) is used in reported speech and acts as quotation marks. The statement of question that is being reported comes before -고 (-go). The sentence that is being reported is not taken verbatim, but takes different endings, according to the sentence type being reported. What follows after that is typically a speaking or listening verb.

Examples:

(1)-고 말하다 - "said..." (2)-고 하다 - "said..." (3)-고 말씀하시다 - "said..." (honorific) (4)-고 듣다 - "heard..." (5)-고 묻다 - "asked"

The listening/speaking verb inflects the tense, mood, negation or politeness level.

Construction: The verb of the sentence being reported generally takes a different form according to the sentence type being reported.

Reporting a Statement: Intimate declarative form + 고 (Speaking/Listening Verb)

Statement: 학교 안 갔어요. (I didn't go to school) Verb in declarative form: 갔다 학교 안 갔다 + 고 말하다. 학교 안 갔다고 말했어요. (He) said (he) didn't go to school.

Reporting a Question: Intimate interrogative form + 고 (Speaking/Listening Verb)

Question: 누구예요? (Who are you?) Verb in intimate interrogative: 누구냐? 누구냐 + 고 묻다. 누구냐고 물었어요. (She) asked who (I) am?

Reporting a Propositive: Intimate Propositive form + 고 (Speaking/Listening Verb)

Proposition: 라면 먹자. (Let\'s eat ramyun.) Verb in intimate propositive: 먹자 먹자 + 고 하다. 라면 먹자고 해요. (She) says let's eat ramyun.

Reporting an Imperative statement: [-(으)라] Intimate Imperative statement + 고 (Speaking/Listening Verb)

Imperative: 식사 하세요! (Eat food!) Verb in Intimate Imperative: 하라 하라 + 고 말하다 식사 하라고 말 합니다. (He) says 'eat.'

Sample Sentences: (1)우리 엄마는 내가 예쁘다고 말했어. (My mother said that I am pretty.)

- 예쁘다 (pretty - intimate declarative) + -고 (Speaking/Listening Verb) - (말하다 - to say) - 예쁘다고 말하다 (to say that (she) is pretty)

(2)지혜는 네가 아프다고 말했어. (Jihye said that you were sick.)

- 아프다 (sick - intimate declarative) + -고 (Speaking/Listening Verb) - (말하다 - to say) - 아프다고 말하다 (to say that (you) are sick)

-하다 (-hada) *is a shortened version of* 말하다 (malhada).

(3)민수는 지금 공부한다고 했어. (Minsu said he's studying now.)

- 공부한다 (study - present tense of "to study") + -고 하다 (to say) - 공부한다고 하다 (to say that (he) studies)

(4)엄마가 부산에서는 어제 비가 왔다고 했어. (My mother said it rained yesterday in Busan.)

- 비가 왔다 (it rained - past tense declarative) + -고 하다 (to say) - 비가 왔다고 하다 (to say that it rained)

Grammar Point #2 - Negative Imperative - -지 마

-지 말다 (-ji malda) is the negative imperative sentence ending and can be translated as "don't..." The verb in this construction, 말다 (malda), when used as an independent verb, means "to stop," "to discontinue," "to cease." This construction is preceded by an action verb and is used to prohibit or dissuade someone from taking an action.

This construction can also be used as a negative proposition. Proposition, in addition to tense, mood and politeness level, is indicated in the verb 말다 (malda).

Construction: Verb Stem + 말다

Sample Sentences: 1.하다 (hada) - to do 하 - verb stem 하 + 지 말다.

하지 말다. - don't do (negative imperative) 하지 마 - intimate politeness level 하지 마요 - standard politeness level 하지 마세요 - standard politeness level (honorific) 하지 마십시오 - formal politeness level

2.울다 (ulda) - to cry 울 - verb stem 울 + 지 말다.

울지 말다 - don't cry (negative imperative) 울지 마 - intimate politeness level 울지 마요 - standard politeness level 울지 마세요 - standard politeness level (honorific) 울지 마십시오 - formal politeness level

3. 웃다 (utda) - to laugh 웃 - verb stem 웃 - 지 말다.

웃지 말다 - don't laugh (negative imperative) 웃지 마 - intimate politeness level 웃지 마요 - standard politeness level 웃지 마세요 - standard politeness level (honorific) 웃지 마십시오 - formal politeness level

4. 팔다 (palda) - to sell 팔 - verb stem 팔 + 지 말다.

팔지 말자 - let's not sell (it) (negative propositive) 팔지 말자 - intimate politeness level 팔지 말죠 - standard politeness level

*Note:*말다 (malda) has an irregular conjugation (refer to 'ㄹ' verbs in the grammar bank for an in depth explanation). Colloquially, however, the irregular conjugation also applies to 말다 (malda) where it traditionally shouldn't (intimate/standard present tense conjugation).

Traditional (Irregular) Conjugation: 말다 + 아(요) Verb stem + 아(요) 말 + 아(요) 말아 (mala) - intimate politeness 말아요 (malayo) - standard politeness

Colloquial Conjugation: 말다 + 아(요) Verb stem + 아(요) 마 + 아(요) [ㅏ + ㅏ = ㅏ] 마아 (maa) --> 마 (ma) - intimate politeness 마아요 (maayo) --> 마요 (mayo) - standard politeness

Both the irregular conjugation and colloquial conjugation are acceptable in speech.

Vocabulary Breakdown #1 - to be wrong - 틀리다

The verb 틀리다 (teullida) is commonly misused in place of the verb 다르다 (dareuda) - to be different. It is technically incorrect, but is used often in this manner.

Example: There are 2 apples of the same kind, but of different prices. 가격이 왜 틀려요? (gagyeog-i wae teullyeoyo?) Why are the prices different? (Literally: Why are the prices wrong?)

GRAMMAR

Grammar Point #1 - Supposition, Conjecture - 겠다

-겠다 (-getda) is used to express probability as a conjecture or supposition. When the speaker takes some information from his or her surroundings and wishes to make a supposition, this suffix is used. It must be used in the declarative, and solely with descriptive verbs. This grammatical structure is regarded as in the intimate politeness level.

As this structure indicates the speaker's supposition, it is never used to make a supposition of oneself.

This structure can be translated as "must be," "is probably," "I guess."

Construction: Verb Stem + 겠다

Example: 덥다 (deopta) - to be hot 덥 (verb stem) 덥 + 겠다 (deop + getda) 덥겠다 (deopgetda) - (You) must be hot.

Sample Sentences: 1.오늘 피곤하겠다. (oneul pigonhagetda.) (You) must be tired today.

2.저 사람 힘들겠다. (jeo saram himdeulgetda). That person must be tired.

3.와! 저 케이크 맛있겠다! (wa! jeo keikeu masitgetda!) Wow, that cake must be delicious! (I bet that cake is delicious!)

Note: -겠다 (gaetda) comes from the future indicative suffix 겠 (get). These two are related as making a supposition involves guessing into the future.

Grammar Point #2 - Speech Softener - 좀

좀 (jom) is an abbreviated form of the word 조금 (jogeum). These both literally mean "a little" or "a bit." However, 좀 (jom) is often used as a speech softener when asking someone to do something. Indirectness is often paralleled with politeness, and 좀 (jom) is often used in conjunction with the sentence ending -주다 (-juda), which is used for requests.

Example: 1. 물 좀 주세요. (mul jom juseyo.) Please give me water. --> In this context, 좀 (jom) doesn't literally mean "a little," but is used as a speech softener to be more polite.

2. 저 좀 도와 주세요. (jeo jom dowa juseyo.) Please help me. --> 좀 softens the speech and makes it more polite than just saying '저 도와 주세요.' which can sound very direct.

CULTURAL INSIGHT

Indirectness is appreciated in Korean culture. Being too direct can make people feel uncomfortable when being asked certain questions. When asking someone to do something, it can be be seen as forceful when being too direct.

GRAMMAR

Grammar Point #1 - Obligation - 야 돼

This grammatical construction expresses obligation in Korean. It is used with all verbs (both action and descriptive) to express what one must do or must be. This grammatical structure is often translated as "have to (verb)," "must (verb)."

The final verb 되다 (doeda) - usually means "become" but it can also mean: "work out smoothly," "go without problem," "be able to achieve." The final verb 되다 (doeda) can often be replaced with the verb 하다 (hada) as the final verb and still hold the same exact meaning.

Construction: Verb stem + (아/어/여)야 되다 Verb stem + (아/어/여)야 하다

아 (a) - is used with verbs stems with the final vowels ㅏ (a) or ㅗ (o) 어 (eo) - is used with verb stems with any other final vowels 여 (yeo - is used with 하다 (hada) verbs

Example: 준비하다 (junbihada) - to prepare 준비하 (junbiha) - verb stem 준비하 + (여)야 되다 - 여 (yeo) conjugation is used with 하다 (hada) verbs 준비해야 되다 (junbi haeya doeda) - to have to prepare

Sample Sentences: 1.전화하지 마. 나 일해야 돼. (junhwahaji ma. na il haeya dwae.) Don't call me. I have to work.

2.시끄럽게 하지 마. 나 공부해야 돼. (sikkeureopge hajima. na gongbuhaeya dwae.) Don't be loud. I have to study.

3.무슨 일 생겨도, 이 전화를 받아야 해요! (museun il saenggyeo-do, i jeonhwa-reul badaya haeyo!) Whatever happens, you must answer this phone!

Note: The final verb -되다 (-doeda) cannot inflect the past tense. Instead the past tense must be inflected using the verb 하다 (hada) - in place of 되다 (doeda).

Grammar Point #2 - Intention/Purpose - (으)러 가다.

(으)러 is a non-final ending for action verbs. It is used to convey the purpose of an action. It is used in conjunction with movement verbs and shows the purpose of that 'movement.' These movement verbs are typically in the form of either 오다 (oda) - to come, or 가다 (gada) - to go, and their variations.

This structure can be translated as 'in order to.'

Construction: [Verb1] verb stem + (으)러 + [Verb2] movement verb -러 is used for verb stems ending in vowels. -으러 is used for verb stems ending in consonants (except verb stems which end with the consonant ㄹ)

Example: 1.사다 (sada) - to buy - the verb of purpose [Verb1] 가다 (gada) - to go - movement verb [Verb2]

Verb1 stem + 러 + Verb 2 사 + 러 + 가다 사러 가다

2.먹다 (meokda) - to eat - the verb of purpose [Verb1] 오다 (oda) - to come - movement verb [Verb2]

Verb1 stem + 으러 + Verb 2 먹 + 으러 + 오다 먹으러 오다

Tense, and-or negation are inflected in Verb2, the movement verb.

Sample Sentences: 1.만나러 가요. (mannareo gayo.) (I)'ll go (in order) to meet (him.)

2.공부하러 왔어요. (gongbuhareo wasseoyo.) (I) came (in order) to study.

4.책 사러 학교에 간다고 했어. (chaek sareo hakgyo-e gandago haesseo.) He said he was going to school (in order) to buy a book.

CULTURAL INSIGHT

Part-time jobs in Korea Most young people in Korea start their first part time job after they graduate from high school and enter college, mainly because in high school they are too busy preparing for college entrance exams. Therefore, while doing a part-time job is a source of income for many young people, a lot of them also take part-time jobs in order to gain work experience. And as the competition for good jobs gets more and more intense toward the 4th year of college, more and more freshmen students now plan well in advance for the next four years to come. So while college students in the past generally used to do just any kind of part-time job that they found and liked, nowadays younger students are focusing more on the part-time jobs related to their career. Some of the most common part-time jobs as a university student in Korea are: private teaching (English, Math, Korean), convenience store, fast food restaurants, and part-time jobs at college offices. Most college students will still receive support from their parents for the tuition fees because they are usually too expensive for students to pay by working part-time, and Korean parents usually take it for granted to pay for the tuition fees for college and the housing fees in case their children have to move to a different city to attend school.

GRAMMAR

Grammar Point #1 - Somewhere, Something, Someone - 어딘가, 누군가, 뭔가

These words are often contracted to simply their interrogative forms in speech. In the context of a sentence, they are nearly indecipherable from their interrogative counterparts because they have the same pronunciations. However, they can be differentiated from the different stresses in a sentence.

어딘가 --> 어디 (somewhere --> where) 누군가 --> 누구 (someone --> who) 뭔가 -->뭐 (something --> what)

Examples:

1.뭐 마실래요? (with stress on 뭐) - What do you want to drink?
2.뭐 마실래요? (with stress on 마실래요) - Do you want to drink something? [뭔가 마실래요?]

1.누구 왔어요? (with stress on 누구) - Who came?
2.누구 왔어요? (with stress on 왔어요) - Did somebody come? [누군가 왔어요?]

1.어디 가세요? (with stress on 어디) - Where are you going?
2. 어디 가세요? (with stress on 가세요) - Are you going somewhere? [어딘가 가세요?]

Note: 언젠가 (sometimes) is not abbreviated to its interrogative equivalent.

Grammar Point #2 - Because - 서

This grammatical structure indicates cause or reason for a consequence. It is a non-final ending, and thus a consequential sentence is typically introduced after this structure. However, it is commonly used as a sentence ending, because many times, the consequential sentence can be inferred. It is used mostly with descriptive verbs (some action verbs are exceptions).

Sentence1 서, Sentence 2 Sentence 1 = (the reason) Sentence 2 = (consequence) Sentence 1 provides reason for Sentence 2.

바빠서, 못 왔어요. - I was busy, so I couldn't come. 바빠서 - I was busy (reason) 못 왔어요 (consequence). 바빠서 (I was busy) is the reason for the consequence, 못 왔어요 (I couldn't come).

Construction: Verb stem + -아/어/여 서

Verb - 좋다 (jota) - to be good
좋 (joh) - Verb Stem
좋 + 아서 (johaseo)
좋아서... (johaseo) - because it's good...

술이 좋아서, 어제도 술 마셨어요.
(Because alcohol is good, I drank again yesterday.)

A situation where the consequential sentence must be implied:
아버지: 왜 늦게 왔어? (Why did you come late?)
아들: 차가 막혀서... (Because there was traffic...)
The ending of the sentence should be: 늦었어. (I was late.)

GRAMMAR

Grammar Point #1 - Intentional -려고 하다

-려고 하다 (-ryeogo hada) is an intentional sentence ending used with action verbs and the verb of existence, 있다 (itda). This express the subjects intention or determination of the subjects actions. It can be used with all persons (first person, second persons, and third persons), whereas other intentional sentence endings are limited.

This grammatical structure can be translated as "intend to (verb)," "going to (verb)," "plan to (verb)."

Mood, tense, negation, and politeness levels are expressed in the latter part of the grammatical structure, 하다 (hada).

Construction: Verb Stem + -(으)려고 하다 [Conjugation differs slightly [according to the verb stem.]

1.Verb Stem that ends in a vowel + 려고 하다 쉬다 (swida) - to rest 쉬 (swi) - verb stem 쉬 + 려고 하다 쉬려고 하다 - to intend to rest. 저 는 쉬려고 해요. (I intend to rest./I'm going to rest./I plan to rest.)

2.Verb Stem that ends in a consonant + 으려고 하다 받다 (batda) - to receive 받 (bat) - verb stem 받 + 으려고 하다 받으려고 하다 - to intend to receive 제가 받으려고 합니다. (I intend to receive it.)

Sample Sentences: 1.친구 집에서 영화 보려고 해. (chinju jib-eseo yeonghwa boryeogo hae.) I'm going to watch a movie at a friend's house.

2.내일 교수님을 만나려고 합니다. (naeil gyosunim-eul mannaryeogo hamnida.) Tomorrow, I'm going to meet my professor.

3.한국어를 공부 하려고 해. (hangukeo-reul gongbu haryeogo hae.) I plan on studying Korean.

In This Conversation (본문에서는): (7)지혜: ...생일 파티를 하려고 하는데... (saengil pati haryeogo haneunde) I'm planning on having a birthday party.

Notes: Many times this grammatical structure is shorted. The following are a few different colloquial variations of this grammatical structure:

Original Construction: -(으)려고 하다 자다 (jada) - to sleep 자 (verb stem) 자 + 려고 하다 자려고 하다. - to intend to sleep. 자려고 해. - (to intend)

Abbreviate/Shortened Variations: 1.-(으)려고 하다 is removed from the construction - as 하다 is removed from this construction, there is no way to inflect politeness level - generally speaking, to end a sentence in this manner makes it is closer to the intimate politeness level.

자다 (jada) - to sleep 자 (verb stem) 자 + 려고 자려고. - I intend to sleep.

2.-ㄹ/을라구 The construction itself has been changed, in addition to 하다 being removed. This is closest to the intimate politeness level.

자다 (jada) - to sleep 자 (verb stem) 자 + ㄹ라구 잘라구. - I intend to sleep.

Grammar Point #2 - Whether... or not - -ㄴ/는지

-ㄴ/는지 (-n/neunji) is a grammatical structure which can be translated as "whether or not." This construction is used in contexts of gaining information, or conveying information gathered.

When used in an interrogative context, it is used to discover new information. When used in the imperative context, it is used to discover information. When used in the affirmative context, it is used to convey information gathered.

It attaches to verbs (both descriptive and action) and is typically followed cognitive verbs (알다 - to know, 모르다 -to not know), information verbs (확인하다 - to check, 조사하다 - examine, etc.), or speaking verbs (묻다 - to ask, 말 하다 - to say).

Typically this construction is applied twice to a single verb/noun and another option (which is typically the opposite). However, often, the other option is dropped, and implied.

Construction:

Verb Stem + -ㄴ/는지 + [cognitive/speaking/information verb] [Conjugation differs slightly [according to the verb stem.]

1.Verb Stem that ends in a vowel + ㄴ지

바쁘다 (bappeuda) - to be busy 바쁘 - verb stem 바쁘 + ㄴ지 + [cognitive/speaking/information verb] 바쁜지 + [cognitive/speaking/information verb] 바쁜지 안 바쁜지 알아? (bappeunji an bappeunji ara?) Do you know whether (he) is busy or not?

2.Verb Stem that ends in a consonant + 는지

괜찮다 (gwenchanta) - to be alright 괜찮 - verb stem 괜찮 + 는지 + [cognitive/speaking/information verb] 괜찮는지 + [cognitive/speaking/information verb] 괜찮는지 안 괜찮는지 몰라요. (gwenchanhneunji an gwenchanhneunji mollayo.) I don't know whether (it) is good or not.

3.Nouns + 인지 책 (chaek) - book 책 + 인지 + [cognitive/speaking/information verb] 이거 책인지 잡지인지 알아봐. (igeo chaek-inji japji-inji arabwa.)

With nouns, 인지 *(inji) is actually the copula* 이다 *(ida) conjugated by construction #1.*

Sample Sentences:

1.그 사람 좋은지 안 좋은지 몰라. I don't know whether that person is good or not.

2.그 사람 좋은지 몰라 . I don't know whether that person is good (or not).

GRAMMAR

Grammar Point #1 - May I... - 도 돼요?

-도 되다 (do doeda) is a grammatical construction that asks for, or gives permission to conduct a certain activity. This construction can be translated as "May I... (verb)?" or "Is it alright to (verb)," when it is used as a question. When it is used to give someone permission, it can be translated as "You may (verb)" or "It's alright if you (verb)." It is used in conjunction with action verbs. The final verb, 되다 expresses tense and politeness level.

Construction:
Action Verb Stem + 아/어/여 Conjugation + 도 되다

☞ remember ☜
The conjugation of 되다 *in different politeness levels*
- Intimate : 되 + 어 = 돼
- Standard : 되 + 어 + 요 = 되어요 = 돼요
- Formal : 되 + ㅂ니다 = 됩니다. (됍니다 X)

자다 (jada) - to sleep
자 + 아 + 도 되다
자 + 도 되다 (아 + 아 = 아 - contraction)

(This can also be translated as "Is it alright if I come?"

(15)소연: 선물은 안 사도 돼요.
(15)Soyeon: You don't have to buy a present.

Vocabulary Focus #1 - 혹시 - By Any Chance

1.혹시 (hoksi) is a speech softener that is often used to approach a stranger. It is seen as a less direct approach to a person, and thus seen as more polite. Typically what follows 혹시 (hoksi) is a question (i.e. asking for directions, asking for the time.).

2.It can also be used in situations where one sees someone on the street that they think they may know. Instead of approaching that person and saying their name, using this speech softener acts as a safety net, and is less direct, just in case that person is not who they think they are. Or just in case that person is not on familiar terms with the speaker.

3.Another usage of this word is when a statement is made by someone, and the speaker wishes to take a guess about that statement.

This word always comes at the front of a statement or question, and in all three situations, can be translated as "by any chance."

♣ Sample Sentences

1.혹시 현대 아파트 어디 있는지 아세요?
(By any chance, do you know where Hyundai Apartment is?)

2.혹시, 지민경 씨 맞아요?
(By any chance, are you Ji Min Kyeong?)

3.혹시, 이 길 아니야?
(By any chance, is it this street?)

CULTURAL INSIGHT

It is common for a Korean person to have numerous birthday parties for their single birthday. This is because each party is dedicated to each group of friends an individual may have. Typically, groups of friends (who all know each other) from one group (university, high school, junior high school, work, family, etc.) will have a birthday party on one day, then another group of friends (who all know each other) from another group will have another birthday party. It is not common for a person to have several birthday parties for one day out of the year.

GRAMMAR

Grammar Point #1 - Plain Declarative

A plain declarative sentence is used to make a neutral statement about a fact. It can be a statement about a speaker's observation or thought. It is much like thinking to oneself, out loud. Statements in this form are about the speaker's observation or thought in the present. This is inflected through the verb of the sentence.

It is not directed towards anyone in particular (including oneself), thus it cannot be categorized according to politeness level. However, it is closer to the intimate politeness level than to the other politeness levels because it is much like thinking out loud.

▷ Construction - -ㄴ다/-는다/-다

Conjugation of these verbs differ according to the type of verb (descriptive or action).

☞ Descriptive Verb Stem + 다
(This turns out to be exactly the same as the dictionary form.)
바쁘다 (bappeuda) - to be busy
바쁘 (bappeu) - verb stem
바쁘 + 다 = 바쁘다 (bappeuda) - busy (plain declarative form)

☞ Action Verb Stem + -ㄴ다/-는다
Action Verb Stems that end in vowels use -ㄴ다 (-nda).
오다 (oda) - to come
오 (o) - verb stem
오 + -ㄴ다 = 온다 (onda) - come (plain declarative form)

Action Verb Stems that end in consonants use -는다 (-neunda)
닫다 (datda) - to close
닫 (dat) - verb stem
닫 + -는다 = 닫는다 (datneunda) = close (plain declarative form)

GRAMMAR

Grammar Point #1 - Identification/ Reported Speech - 라고 하다

This grammatical structure is utilized to identify or clarify a noun. This usage is used to identify a person, place or thing by name.

It also serves a dual purpose and reports speech as well. When it is used to report speech, it is often used to emphasize by repeating what someone has said before. It is also used when one has not heard correctly, or when the speaker cannot believe what the speaker has said. In many cases it is also used as a form of the imperative, repeating what was said before to emphasize the order or request.

If it is used to identify or clarify a noun, it can be translated as "...is called." If it is used to report speech, this grammatical structure can be translated as "(I/he/you/she/we/they) said..."

Note:-라고 하다 originally comes from -라고 말하다, but this construction, can function with or without 말 (mal).

▷ Construction

When this structure is attached to nouns or question words it simply attaches to nouns.
(Noun/Question word) + 라고 하다
뭐 - (question word) - what
뭐라고 했어? - What did you say?

When this construction is used with action verbs, conjugated in tense,
(Verb Stem) + (으)라고 하다
가 - to go
가라고 해요. - Tell (someone) to go.

▷ In This Dialog
---
(1)민호: 안녕하세요. 유민호라고 합니다.
(2)유리: 안녕하세요. 이유리라고 합니다.

(1)Minho: Hi. My name is Minho Yu.
= I call myself 유민호.
= People call me 유민호.
= My name is 유민호.
(2)Yuri: Hi. I'm Yuri Lee.

☞ remember ☜

When this something is unknown, you can use 뭐 (what), with this grammatical construction to ask a question.

*Example:*뭐라고 하다 --> 뭐라고 해요? (What do you call this?)

한국어로 뭐라고 해요? (How do you say that in Korean?) '일요일'은 영어로 뭐라고 해요? (How do you say "일요일" in English?)

Grammar Point #2 - Intentional - -ㄹ래

This grammatical structure (ㄹ/을래) is used to convey one's desired intention for the future. It does not express one's actual intention, but one's desired intention of the future. It is often translated as "want to (verb)."

This grammatical construction is in the intimate politeness level. The standard politeness level adds the politeness particle -요 (ㄹ/을래요). This structure is used in colloquial situations. There is no formal politeness conjugation.

▷ Construction

Verb stem + -을/ㄹ래

ㄹ래 is used for verb stems ending vowels
주다 (juda) - to give
주 + ㄹ래
줄래(요) - I want to give (something).

을래 is used for verb stems ending in consonants.
잡다 (japda) - to grab
잡 - verb stem
잡 + 을래
잡을래 (요) - I want to grab.

♣ Examples ♣

자다 ▶ 자 + -을/ㄹ래 --> 잘래 (I want to sleep)
뛰다 ▶ 뛰 + -을/ㄹ래 --> 뛸래 (I want to run)
입다 ▶ 입 + -을/ㄹ래 --> 입을래 (I want to wear)

▷ In Today's Dialog

In this dialog, the intentional is combined with the honorific infix -시- and made into a question to make the sentence a polite question.

(7)민호: 유리 씨, 뭐 드실래요?
(7)Minho: Yuri, what would you like to have?
Note: 드시다 is the honorific form of the word 먹다

(13)민호: ...저랑 영화 보러 가실래요?
(13)Minho: ...Do you want to go to the movies with me?

가다 ▶ 가시다 ▶ 가시 + -을/ㄹ래 ▶ 가실래+요 ▶ 가실래요? (Do you want to go?)
먹다 ▶ 드시다 ▶ 드시 + -을/ㄹ래 ▶ 드실래+요 ▶ 드실래요? (Do you want to eat?)

♣ More Examples ♣

GRAMMAR

Grammar Point #1 - Thanks for -ing - -줘서 고맙다

This grammatical structure expresses appreciation, and is used very often in Korean for thanking someone. This construction has two grammatical entities in one. The verb 주다 (to give) is used as the requestive and is combined with (아/어/여)서, which is used to express cause or reason. This construction can be translated as "Thanks for (Verb)ing."

The verb 고맙다 (to be thankful) expresses the tense, negation, and politeness level. This verb can also be replaced with the verb 감사하다 (to be thankful), which would express the same things.

☞ Construction ☜

주(다) + (아/어/여)서 + 고맙다
주어서 고맙다
줘서 고맙다

▶ 주어서 can include the honorific infix "시" to increase the politeness. 주어서 → 주셔서.

▷ In This Dialog
---
(3)지혜: 다들 와 줘서 고마워! (Everyone, thanks for coming.)
(5)지혜: 인성 오빠도 와 줘서 정말 고마워요. (Inseong, thanks a lot for coming, too.)

♣ More Examples ♣

- 도와 줘서 고마워. (Thanks for helping me.)
- 말해 줘서 고마워. (Thanks for telling me.)
- 들어 줘서 고마워. (Thanks for listening to me.)
- 도와 주셔서 고마워요. (Thank you for helping me.) - honorific
- 말씀해 주셔서 고마워요. (Thanks for telling me.) - honorific
- 들어 주셔서 고마워요. (Thanks for listening to me.) - honorific

▶ 고마워요 and 고맙습니다 (polite speech) can also be replaced with 감사합니다 in all of the examples above.

Grammar Point #2 - to look, to seem - -(아/어/여) 보이다

This grammatical structure is used to express judgment or assumption after looking at or hearing someone or something. This is used in conjunction with descriptive verbs. It is the equivalent to the English expression "to look/to seem + (adjective)".

보이다 is the verb "to seem," "to look" and is the verb that expresses tense, negation, and politeness level.

☞ Construction ☜

Descriptive Verb + (아/어/여) 보이다

행복해 보이다.
= Seems happy. (Subject is inferred here).
▷ Literally "happy, seems."

If a subject is used:

그 사람이 행복해 보이다.

The subject/topic does not take the object marking particle. It takes the subject marking particle, 이/가, -은/는 when you want to contrast, or the auxiliary particle, -도, which means "tooL, or, "also." When the particles 이/가/은/는 are used, it's often dropped in conversation.

▷ In This Dialog

(9)지혜: (Opening the present)... 근데 이거 비싸 보이는데? (But this looks expensive.)

♣ More Examples ♣

- 어려워 보여. = It looks difficult.
- 높아 보여요. = It looks high.

GRAMMAR

Grammar Point #1 - It's Been... Since - -ㄴ/은 지... 되다 ----------
---

This grammatical pattern is used to mark the amount of time since one has or has not done a certain activity. It is used in conjunction with action verbs and time words and can be translated as "It's been (time) since..."

Mood, tense, negation, and politeness levels are expressed in the final verb 되다 (doeda).

▷ Construction

Action Verb stem + -ㄴ/은 지 + time word + 되다

- 자다 (jada) - to sleep
- 자 (ja) - verb stem
- 자 + ㄴ 지 + (time word) + 되다
- 잔 지 3일 됐어. (jan ji 3il doaesseo.) - It's been three days since I've slept.

▷ In This Dialog
---
(7) 저도 영화 본 지 오래 됐어요. (It's been a long time since I saw a movie, too.)

♣ More Examples ♣

- 여기에서 일한 지 3달 됐어요. (It's been three months since I started working here.)
- 한국에 온 지 오래 됐어요. (It's been a long time since I came to Korea.)
- 담배 끊은 지 1주일 됐어요. (It's been one weeks since I quit smoking.)

☞ remember ☜

1.The time word used in this construction must indicate a length of time either specific (i.e. 3 hours, 2 days, 12 years) or non-specific (i.e. a while, a few days). The time word cannot be a point in time (3 o'clock, April 2nd).

2.Since this construction is used to express an amount of time since one has done something, the final verb (되다) is almost always conjugated into the past tense.

Grammar Point #2 - -ㄹ/을 것 같다 - Presumptive Future

The presumptive future takes a guess as to what the future will be, or what it seems like it will be like. This grammatical structure essentially takes the intentional (ㄹ/을 것이다), and presumptive (것 같다), and combines these two grammatical structures together.

As '같다' literally means 'to be like' or 'to be similar to,' this entire grammatical structure can be translated as "(I) think (I) will..." "(I) think (I)'m going to..." "(It) seems like (it) will be..."

▷ Construction

- 쉬다 (swida) - to rest
- 쉬 + ㄹ 것 같다
- 쉴 것 같다 - (I) think (I) will rest.

▷ In This Dialog
---
(7)인성: ...재미있을 것 같은데요? (I think it'll be fun.)

♣ More Examples ♣

- 오다 ▶ 저는 내일도 올 것 같아요. (I think I'm going to come tomorrow as well.)
- 닫다 ▶ 이 카페 곧 닫을 것 같아요. (I think this cafe is going to close soon.)
- 있다 ▶ 5시에도 여기에 있을 것 같아요. (I think I'll still be here at 5.)
- 없다 ▶ 6시에는 여기에 없을 것 같아요. (I think I won't be here at 6.)

** A very common and useful way of agreeing with someone in Korean using this structure is "그럴 것 같아요" which means "I assume so." or "I guess it will be so."

☞ remember ☜

In all the cases above, 것 is often replaced with 거 (just as the case is with the intentional).

GRAMMAR

Grammar Point #1 - Exclamation Sentence Ender - -ㄴ/는데 / 은데

-ㄴ/은데/-는데 (-n/eunde/-neunde) is a grammatical structure which ends a sentence for several different purposes. This grammar note explains this structure's use for exclaiming exclamation, astonishment, surprise, or interest.

This structure is used to illicit a response from the listener, while at the same time expressing the speaker's own astonishment, exclamation, bewilderment, surprise or interest. It can be used in situations when the speaker is responding to something (a comment, an observation, etc.).

All structures can be made polite by adding the politeness particle -요 (-yo).

▷ Construction

-ㄴ/은데 (-n/eunde) is used for descriptive verb stems and the copula, 이다 (ida), in the present tense.

-ㄴ데 (-nde) is used for descriptive verb stems ending in a vowel. It is also used with the copula 이다 (ida).
바쁘다 (bappeuda) - to be busy (descriptive verb)
바쁘 (bappeu) - verb stem (ending in vowel)
바쁘 + ㄴ데 = 바쁜데
내일 바쁜데! - I'm busy tomorrow! - (expressing exclamation) (implication: so I can't do it!).

이다 (ida) - to be (copula)
이 - verb stem
이 + ㄴ데 = 인데 (inde)
나 선생님인데! - I'm a teacher! (exclamation, "But I'm a teacher!")

-은데 (-eunde) is used for descriptive verb stems ending in a consonant.
좋다 (jota) - to be good (descriptive verb)
좋 (joh) - verb stem (ending in consonant)
좋 + 은데 = 좋은데
좋은데! - It's good! - (expressing exclamation) - (implication: what do you think?)

-는데 is used for all other cases regardless of what the verb stem ends in (action verbs, past tense for both action and description verbs, other sentence ending)
먹다 (meokda) - to eat (action verb)
먹 (meok) - verb stem
먹 + 는데 = 먹는데!
한국 음식 먹는데요! - I eat Korean food! - (expressing exclamation) (implication: So I can eat this!)

작았다 (jagatda) - to have been small (descriptive verb - past tense)
작았 (jagat) - past tense verb stem
작았 + 는데 = 작았는데
이 학교 더 작았는데! - This school was smaller! (expressing bewilderment) (implication: what happened to the school?)
Note: Here, although this is a descriptive verb, -는데 is used instead of -ㄴ/은데 because it is in the past tense. -ㄴ/은데 is only used for descriptive verbs in the present tense.

Grammar Point #2 - Verb Nominalization -는 것

Verbs can be nominalized in a number of ways. One way is to use the grammatical construction -는 것 (-neun geot). This structure is used to to nominalize action verbs and indicates 'the act of (verb)ing.' It stresses the fact or manner of "(verb)ing." It can be translated as "(verb)ing."

Often times, 것 (geot) is changed to 거 (geo) to make pronunciation easier, and for speech to flow more easily. 거 (geo) is used in spoken Korean. When 거 (geo) is used with the subject marking particle, 게 (ge) is often used in its place.

것이 = 게

When 거 (geo) is used in conjunction with the object marking particle, 를 (reul), it becomes 거를 (geo-reul). But this is often contracted to 걸 (geol) in speech.

것을 = 거를 = 걸

▷ Construction

This verb nominalization is only used with action verbs.

Verb Stem + 는 것
가다 (gada) - to go
가 (ga) - verb stem
가 + 는 것 = 가는 것
학교 가는 것을 싫어해요. (hakgyo ganeun geos-eul silheohaeyo.)

만나다 (mannada) - to meet
만나 (manna) - verb stem

GRAMMAR

Grammar Point #1 - Consecutive Actions with Go and Come - -고 가다/오다

This grammatical phrase contains the particle -고, which is used to link consecutive actions in a sentence. This particle is translated as "and." The verbs "to go" (가다) and "to come" (오다) are used quite frequently in conjunction with the particle -고. When used with these verbs, this grammatical pattern can be translated as "(Verb), and go," or "(Verb) and come."

Grammar Point #2 - Once a (Month) - 에 -씩

This grammatical pattern is used to reflect the number or amount of time one does something for a specific period of time. The first particle -에 (-e) is the time particle, the second particle 씩 (ssik), is the distribution particle. The time particle -에 (-e) attaches to time words that refer to a length of time (i.e. one day, two weeks, three years, four hours, five minutes). The distribution particle -씩 (-ssik), generally attaches to a number followed by a noun of frequency (i.e once, twice, three times, four times, etc.) or to a number followed by a time noun (i.e. an hour, 5 minutes, 30 seconds, 1 month, etc.). Finally an action verb comes at the end of the entire phrase.

CULTURAL INSIGHT

TOEIC is a very popular English proficiency test in Korea.This test is held every month in many different places in Korea. Most of Korean university students take this test at least once. TOEIC stands for Test Of English for International Communication. Most companies in Korea require a certain score on this for their hiring standards. Some universities require this test score for graduation standards. TOEIC is also popular among young male college students who have yet to do their military service because if they have a TOEIC score of 700 points, they can apply for random draw for KATUSA. KATUSA is the Korean Augmentation Troop to the United States Army, where the military service is considered less intense and therefore less stressful than the regular Korean Army. It also includes more vacations and guaranteed leave.

GRAMMAR

Grammar Point #1 - Would You? - -ㄹ래? ----------

This grammatical structure (ㄹ/을래) is used to convey one's desired intention for the future. It does not express one's actual intention, but one's desired intention of the future. It is often translated as "want to (verb)." This construction is used with action verbs.

This grammatical construction is in the intimate politeness level. The standard politeness level adds the politeness particle -요 (ㄹ/을래요). This structure is used in colloquial situations. There is no formal politeness conjugation.

When used in the form of a question, the question is sometimes is sometimes used as a request. It is an indirect way, thus a politer way, to ask someone to do something. -ㄹ/을래, when translated literally, is "Do you want to (verb)?" However, when used as a requestive question, it is better translated as "Would you (verb)?"

▷ Construction

Verb Stem + ㄹ/을래 ㄹ래 is used for verb stems ending vowels 주다 (juda) - to give 주 + ㄹ래 줄래(요) - I want to give (something). 줄래(요)? - Would you please give me (something)?

GRAMMAR

Grammar Point #1 - Confirmation or Agreement - 지(요)

-지(요) [-ji(yo)] is a final sentence ending particle which changes the nuance of a sentence. It can be used in statements, questions, suggestions, or commands, and is often used to invite confirmation or agreement. In some instances it is used to show insistence or reassurance. The differences between nuances can be found in different intonations. This construction can be translated differently according to the nuance the speaker wishes to convey.

1.When -지(요) [-ji(yo)] is used to invite confirmation or agreement, and is used as a question, it can be translated as "right?", "is it?," "are you?," "is he?" (It can also be used as a rhetorical question.)

2.When -지(요) [-ji(yo)] is used to invite confirmation or agreement, and is used as a statement of suggestion, it can be translated as "I suppose," "I bet," "it seems to me," "you see," "I'd say."

3.When -지(요) [-ji(yo)] is used to show insistence it can be translated as "I'm telling you," or "I'm warning you"
When -지(요) [-ji(yo)] is used to show reassurance, it can be translated as "Of course," or "I assure you."

Because this is a final sentence ending, it can no longer be conjugated according to politeness level. Politeness levels, however, can be expressed with the politeness particle 요 (yo) at the end. Often -지요 (-jiyo) is contracted to simply -죠 (-jyo). Tense and negation can be expressed before -지(요) [-ji(yo)] is added onto the end of the sentence.

In the context of this conversation, it was used to invite confirmation in the form of a question.

▷ Construction

하지 (haji)
한국어 하지 (hangukeo haji) - Of course I speak Korean. (Used for reassurance.)

GRAMMAR

Grammar Point #1 - Or -(이)(라)니

This construction adds onto the end of reported phrases and is often used to reiterate a statement out of astonishment, bewilderment, surprise, or disbelief. It is used to report the listener's speech back to them, and is presented as a form of a question. This reported speech cannot be used to quote someone outside of the conversation. Because of the nuance this construction contains, this construction can be translated as "What do you mean (quote)?"

Depending on the tone of voice, this phrase can be somewhat confrontational, and therefore, caution is necessary when using this pattern. But when the context is appropriate and safe to convey this kind of message, attaching -요 at the end can make the sentence more polite.

▷ Construction

The construction of this grammatical structure depends on whether a non-verb word is quoted or a phrase(or verb) is quoted.

1. Non-verb word + -(이)라니
-이라니 is attached when the word ends in a consonant and -라니 when the word ends in a vowel.

갑자기(adverb) - gapjagi - suddenly
갑자기 + 라니 - gapjagi-rani - What do you mean 'suddenly'? (intimate)
갑자기 + 라니 + 요 - gapjagi-raniyo (standard)

큰 일(adjective + noun) - keun il - big trouble
큰 일 + 이라니 - keun il-irani - What do you mean 'big trouble'? (intimate)
큰 일 + 이라니요 - keun il-iraniyo (standard)

2. Verb Plain Form + -니

가다 - gada - to go
간다 - ganda - plain declarative - I go/you go/he goes/etc.
간다 + 니 - ganda-ni - What do you mean 'you're going'? (intimate)
간다 + 니 + 요 - ganda-niyo (standard)

☞ remember ☜

The plain declarative form of a verb is used to make a neutral statement about a fact. It can be a statement about a speaker's observation or thought. It is much like thinking to oneself, out loud. Statements in this form are about the speakers observation or thought in the present. This is inflected through the verb of the sentence.

▶ Contruction of the Plain Declarative
Conjugation of these verbs differ according to the type of verb (descriptive or action).

Descriptive Verb Stem + 다
(This is exactly the same as the dictionary form.)
바쁘다 (bappeuda) - to be busy
바쁘 (bappeu) - verb stem
바쁘 + 다 = 바쁘다 (bappeuda) - busy (plain declarative form)

Action Verb Stem + -ㄴ다/-는다
Action Verb Stems that end in vowels use -ㄴ다 (-nda).
오다 (oda) - to come
오 (o) - verb stem
오 + -ㄴ다 = 온다 (onda) - come (plain declarative form)

Action Verb Stems that end in consonants use -는다 (-neunda)
닫다 (datda) - to close
닫 (dat) - verb stem
닫 + -는다 = 닫는다 (datneunda) = close (plain declarative form)

▷ In Today's Dialog

☞ remember ☜

When attaching -요 at the end of this construction to make the sentence politer, often times, -니요 becomes -뇨 for pronunciation convenience.

Grammar Point #2 - Agreement - -기로 하다

-기로 하다 (-giro hada) is a sentence ending, used for agreements. It is often used in situations to make plans with someone, agreeing on a way or method of doing something, or making a resolution to oneself. This can be translated as "agreed to (verb)" or "made plans to (verb)."

This construction is used with action verbs. The final verb 하다 (hada) is where the verb is conjugated according tense, negation, or politeness level.

GRAMMAR

Grammar Point #1 - Casual Male Speech - 냐

This speech pattern is often used by men among their closest friends. It is not exclusive to men, but it is used most often by men. And more often than not, it is used with friends that have been friends for a long time.

When this sentence-ender is used, it often portrays the speaker to be crass (thus, the reason it is used more often by men). This can be considered less polite than the intimate politeness level.

This sentence-ender is only used when asking questions.

▷ Construction

---

1. Present Tense: verb stem + 냐

주다 (juda) - to give
주 (ju) - verb stem
주 + 냐 = 주냐? (junya?) - Are you giving it?

여자친구가 밥 주냐? (yeoja chingu-ga bap junya?)
Does you girlfriend give you food?

2. Past Tense: verb stem + 아/어/여 conjugation + ㅆ냐?

오다 (oda) - to come
오 (o) - verb stem
오 + 아 + ㅆ - 왔
왔 + 냐 = 왔냐? (watnya?) - Did you come?

왜 이렇게 빨리 왔냐? (wae ireotke ppalli watnya?)
Why did you come so early?

Grammar Point #2 - Reported Speech - 더니

This reported speech is used when the outcome of something is contrary, or is something unexpected to what the listener had thought or believed. Because it is contrary to the speaker's thoughts or beliefs, it can be translated as "Didn't you say (reported speech)."

This reported speech is used with people on casual speaking terms.

▷ Construction

The speech that is being reported, must be changed to the plain declarative (if the reported speech ends in a verb).

* for an explanation of the plain declarative, please refer to the Grammar Bank in the Premium Learning Center - this lesson is also linked to that grammar bank entry.

(Plain Declarative version of the reported speech) + 더니
"나 호주가기 싫어." (I don't want to go to Australia.)
호주 가기 싫어 (present tense, intimate politeness level)
호주 가기 싫다 (plain declarative)
호주 가기 싫다 + 더니

호주 가기 싫다더니. (hoju gagi silta-deoni).
Didn't you say you didn't want to go to Australia?

When reporting nouns that end in consonants, the construction is as follows:
Noun (ending in consonant) + 이라더니

처음 (cheoeum) - first time
처음 + 이라더니
처음이라더니 (cheoeumiradeoni)
Didn't you say it was your first time?

When reporting nouns that end in vowels, the construction is as follows:

GRAMMAR

Grammar Point #1 - 다고 하니까 ----------

This is a grammatical phrase, which combines reported speech with a casual conjunction. The reported speech comes from 다고 (dago), and the conjunction is expressed through 니까 (nikka). Because this pattern uses a conjunction, a 2nd clause is needed to complete the grammatical phrase.

As this uses both reported speech and a conjunction, this grammatical pattern can be translated as "I said..., and ...", "Because I said..., (2nd clause)" or "Since I said..., (2nd clause)." The politeness level is expressed through the final clause of the sentence.

The reported speech used in this construction is often taken from what the speaker has said, rather than taken from someone else's mouth (though it is not exclusive to the speakers own words).

▷ Construction

[Plain Declarative of Reported speech]-고 하니까 (2nd clause) **The plain declarative of a verb always ends in* 다

1."나 집에 갈 거야."
내가 집에 간다고 하니까, 데려다 줬어.
I said I was going home, and she drove me home.

2."오늘 영화 보러 갈 거야."
오늘 영화 보러 간다고 하니까, 좋은 영화를 추천해 줬어.
Since I said I was going to go watch a movie, he recommended me a good movie.

3."돈이 없어요."
돈이 없다고 하니까, 돈을 빌려 줬어.
I said I didn't have any money, and she lent me some money.

GRAMMAR

Should/Must/Have to: 아/어/여야 되다/하다
왔으니까, 밥 먹고 가야 돼.
"Since you're here, you have to eat before you go."

아/어/여야 되다/하다 (*a/eo/yeoya doeda/hada*) is a sentence ending that means "should, must," or "have to." The last verb 되다 (*doeda*) literally means "to become" and 하다 (*hada*) means "to do" but here, combined with the -아/어/여 (*a/eo/yeo*) + 야 (*ya*) conjugation, it means "should/must/have to." 되다 (*doeda*) and 하다 (*hada*) are usually interchangeable, but we use 되다 (*doeda*) more often in colloquial situations.

In This Dialogue

수영: 나도 *알바 구해야 돼.*

진경: 여기도... 알바생 구해야 되는데...
Jingyeong: yeogi-do... albasaeng guhaeya doeneunde...
Jingyeong: "We have to find a part-timer over here too."

진경: 밥 먹고 가야 돼.
Jingyeong: bab meokgo gaya dwae.
Jingyeong: "You have to eat before you go."

☞ **Examples**☜

Korean	***Romanized***	**"English"**
집에 가야 돼요.	*jibe gaya dwaeyo.*	"I have to go home."
언제까지 해야 돼요?	*eonje-kkaji haeya dwaeyo?*	"When do you have to finish it by?"
꼭 해야 돼요?	*kkok haeya dwaeyo?*	"Do you really have to do it?"
저는 뭐 해야 해요?	*jeo-neun mwo haeya haeyo?*	"What do I have to do?"
서둘러야 돼요.	*seodulleoya dwaeyo*	"You need to hurry up."

Don't Have to, Don't Need to: 안 -아/어/여도 되다
돈은 안 내도 돼.
"You don't have to pay money."

안 -아/어/여도 되다 (*an -a/eo/yeodo doeda*) is a structure that means "don't have to" or "don't need to." The first word 안 (*an*), which means "not," comes before the verb and you attach -아/어/여도 되다 (*-a/eo/yeodo doeda*) at the end of the verb stem. Here, 되다 (*doeda*) means "it is okay" or "it is fine," and 안 (*an*) + -아/어/여도 (*-a/eo/yeodo*) means "even if + not." Therefore, all together this structure literally means "even if you don't do X, it is okay." We can replace 되다 (*doeda*) with 괜찮다 (*gwaenchanta*), which means "it's okay."

Example:

안 가도 돼요? (*an gado dwaeyo?*)
= 안 가도 괜찮아요? (*an gado gwaenchanayo?*)

Construction

안 + Verb Stem + -아/어/여도 되다

하다 (*hada*) "to do"
하 (*ha*) - verb stem
안 (*an*) + 해도 (*haedo*) + 되다 (*doeda*)
안 해도 되다. (*an haedo doeda*) - "don't have to do it"
오늘 안 해도 돼요. (*oneul an haedo dwaeyo*)
"You don't have to do it today."

In This Dialogue

진경: 너는 알바 안 해도 되잖아.
Jingyeong: neo-neun alba an haedo doejana.
Jingyeong: "But you don't have to do any part-time job, do you?"

진경: 돈은 안 내도 돼.
Jingyeong: don-eun an naedo dwae.
Jingyeong: "You don't have to pay money."

☞ **Examples**☜

Korean	*Romanization*	"English"
지금 안 해도 돼. [하다]	*jigeum an haedo dwae*	"I don't have to do it now."

선생님한테 안 물어봐도 돼? [물어보다]	*seonsaengnim-hante an mureobwado dwae?*	"You don't have to ask your teacher?"
제가 안 도와줘도 돼요? [도와주다]	*je-ga an dowajeodo dwaeyo?*	"I don't need to help you?"
저녁 안 먹어도 괜찮아요?	*jeonyeok an meogeodo gwaenchanayo?*	"You don't have to eat dinner?"
이 책은 안 읽어도 괜찮아요.	*i chaek-eun an ilgeodo gwaenchanayo*	"I don't have to read this book."

☞ **Remember** ☜
To say "don't have to" more literally, you can also use the structure -ㄹ/을 필요가 없다 (*l/eul piryo-ga eopda*). 필요 (*piryo*) means "necessity" so this literally means "there isn't/don't have the necessity to." However, it is still more common to say 안 + verb stem + -아/어/여도 되다.

Example:

청소하다 (*cheongsohada*) = "to clean"
청소 안 해도 돼요. (*cheongso an haedo dwaeyo*) = "I don't have to clean."
= 청소 할 필요가 없어요. (*cheongso hal piryo-ga eopseoyo*) = "It's not necessary to clean."

CULTURAL INSIGHT

The most common types of part-time jobs for young people in Korea are working in convenience stores, working in fastfood restaurants or cafes, or working at universities. These are similar in other countries, but in Korea, private tutoring among university students, and particularly students from better known universities, is much more common than in other countries. Private tutoring is usually provided to middle school and high school students, and the fees range from 300,000 won a month up to 1,000,000 won a month, or even more in some cases, for about 8 or 9 classes in a month which last for 2 hours each time. Therefore it is usually the most prefered part-time job, and there are a lot of university students mainly depending on the income from private tutoring. There are many other options for parents of the students taking these lessons to choose from, but a lot of parents are still willing to pay quite a bit of money to ensure private attention of a teacher to their child.

GRAMMAR

Someone/something which + past tense -았/었/였던 + noun
너 기억나? 내가 바람둥이라고 했던 사람.
"Do you remember the person that I said was a playboy?"

In Korean, -았/었/였 (*at/eot/yeot*) is the basic suffix for verb conjugation for the past tense. Followed by -던 (*deon*), -았/었/였던 (*at/eot/yeotdeon*) becomes a verb ending that makes the verb an adjective that can modify the noun that follows. This form takes the meaning of "something/someone that + past tense." The noun that comes after this verb ending can be either the subject of the verb or the object of the verb, but it's often very clear from the context. Another verb ending that has a similar meaning is -ㄴ/은 (*n/eun*). The difference is that -았/었/였던 (*at/eot/yeotdeon*) expresses a clear discontinuation between the present and the past.

Construction

Verb Stem + 았/었/였 + 던 + Noun

For example:

1. 보다 (*itda*) "to see, to watch"
   보 (*bo*) - verb stem
   보 + 았던 = 보았던 (*boatdeon*)
   어제 보았던 영화 (*eoje boatdeon yeonghwa*) "the movie that I saw yesterday"
   어제 우리가 보았던 영화 (eoje uri-ga boatdeon yeonghwa) "the movie that we saw yesterday"
   어제 같이 보았던 영화 (eoje gachi boatdeon yeonghwa) "the movie that we saw together yesterday"
2. 말하다 *(mal*hada) "to talk, to say"
   말하 (*malha*) - verb stem
   말하 + 였던 = *말하였던* = 말했던 (*malha*etdeon)
   내가 말했던 책 (nae-ga malhaetdeon chaek) "the book I was talking about"
   아까 말했던 사람 (*akka malhaetdeon saram*) "the person who spoke earlier"/ "the person I talked about earlier"

In This Dialogue

수영: 아까 니가 오빠라고 불렀던 사람.
Suyeong: akka ni-ga oppa-rago bulleotdeon saram.
Suyeong: "The person who called *Oppa earlier*."

진경: 아... *아니.. 너 기억나? 내가 바람둥이라고* 했던 사람.
Jingyeong: a... ani... neo gieokna? nae-ga baramdungi-rago haetdeon saram.
Jingyeong: "Oh no. Do you remember? The person that I said was a playboy."

수영: 응. 소개팅 20번 했던 사람? 설마...
Suyeong: eung. sogaeting isip-beon haetdeon saram? seolma...
Suyeong: "Yeah, the guy who had twenty blind dates?"

진경: 응. 소개팅 20번 했던 사람이 우리 사촌 오빠야.
Jingyeong: eung. sogaeting isip-beon haetdeon saram-i uri sachon oppa-ya.
Jingyeong: "Yeah, the guy who had twenty blind dates is my cousin."

☞ **Examples**☜

Korean	*Romanized*	"English"
어렸을 때 살았던 집	*eoryeosseul ttae saratdeon jip*	"the house that we lived in when I was little"
전에는 몰랐던 기쁨	jeon-eneun mollatdeon gippeum	"a joy that I didn't know before"
작년에 입었던 옷	jaknyeon-e ipdeon ot	"the clothes that I used to wear last year"
아침에 먹었던 음식	achim-e meogeotdeon eumsik	"the food that I ate this morning"
밤에 내렸던 비	bam-e naeryeotdeon bi	"the rain that fell overnight"

☞ How is -았/었/였던 different from -ㄴ/은? ☞

-ㄴ/은 (*n/eun*) is also a past adnominal suffix, which works as a modifier in the past tense. The difference is that while -ㄴ/은 (*n/eun*) only represents a plain fact, -았/었/였던 (*at/eot/yeotdeon*) shows a clear distinction between the past and the present actions/states.

Example:

1. 어제 읽은 책 (*eoje ilgeun chaek*) "the book that I read yesterday" (plain fact)
   어제 읽었던 책 (*eoje ilgeotdeon chaek*) "the book that I read yesterday (but not anymore)" (discontinuation)
2. 자주 간 식당 (*jaju gan sikdang)* "the restaurant that I often went to" (plain fact)
   자주 갔던 *식당 (jaju gatdeon sikdang*) "the restaurant that I used to go to often" (discontinuation)

☞ How is -았/었/였던 different from -던? ☜

You can also express almost the same thing without the -았/었/였 part because both 았/었/였 and 던 express the past. But without the 았/었/였 part, the sentence changes its meaning a little bit. It still expresses discontinuation between the past and the present, but it expresses more continuation of a past state or an action.

Example:

1. 비가 온 날 (*bi-ga on nal*) "the day when it rained" (plain fact)
   비가 왔던 날 (*bi-ga watdeon nal*) "the day when it rained" (It was raining on that day, but not anymore.)
   비가 오던 날 (*bi-ga odeon nal*) "the day when it was raining" (It was raining when X happened.)
2. 친구랑 마신 커피 (*chingu-rang masin keopi*) "the coffee that I drank with my friend" (plain fact)
   친구랑 마셨던 커피 (*chingu-rang masyeotdeon keopi*) "the coffee that I drank with my friend"
   친구랑 마시던 커피 (*chingu-rang masideon keopi*) "the coffee that I would sometimes drink with my friend" (a repeated action in the past)

GRAMMAR

As Soon As: -자마자
만나자마자 느낌이 왔어요! 오빠 우리 사귀어요!
"I got this feeling as soon as we met. Be my boyfriend!"

-자마자 (*-jamaja*) is a verb ending that takes the meaning of "as soon as" or "right after." We often use this structure with the word 바로 (*baro*), which means "right after" or "directly." It is often interchangeable with -고 바로 (*-go baro*) or -서 바로 (*-seo baro*), but -자마자 (*-jamaja*) has the nuance of being a little more urgent and pressing.

For Example:

1. 먹다 (*meokda*) "to eat"
   먹자마자 (*meokjamaja*)
   "as soon as I ate" = 먹고 바로 (*meokgo baro*)
2. 집에 가다 *(jib-e gada*) "to go home"
   집에 가자마자 (*jib-e gajamaja*)
   "as soon as I went home" = 집에 *가서 바로 (jib-e gaseo baro*)

Construction

Verb Stem + 자마자

1. 보다 (*boda*) "to see"
   보 (*bo*) - verb stem
   보 + 자마자 = 보자마자 (*bojamaja*) "as soon as I saw"
   이메일을 보자마자 전화했어요. (*imeil-eul bojamaja jeonhwahaesseoyo*)
   "I called you as soon as I saw the email."
2. 들어오다 *(de*ureooda) "to come in"
   들어오 *(deureoo)* - verb stem
   들어오 + 자마자 = 들어오자마자 (*deureoojamaja*) "as soon as I came in"
   제가 들어오자마자 비가 내렸어요. *(je-ga deureoojamaja bi-ga naeryeosseoyo*)
   "As soon as I came in, it rained."

GRAMMAR

As if That's Not Enough / To Not Be Satisfied With and: Noun + -도 모자라서
과외 하는 것도 모자라서 아르바이트를 또 해?
"You do another part-time job as if private tutoring isn't enough for you?"

-도 모자라서 (*-do mojaraseo*) is a conjunctive verb ending that takes the meaning of "as if X wasn't enough" or "to not be satisfied with Y." This pattern originally comes from the verb 모자라다 (*mojarada*), which means "to lack" or "to not be enough." Here, -도 (*-do*) means "even when you have it" or "even with that" and 모자라서 (*mojaraseo*) means "because it's not enough." So the entire pattern literally means, "because it's not enough even when you have X." Since 모자라다 (*mojarada*) has the same meaning as the verb 부족하다 (*bujokhada*), we can use -도 부족해서 (*-do bujokhaeseo*) to replace -도 모자라서 (*-do mojaraseo*), depending on the certain speaker's preference.

Since only a noun or a noun group can come before the particle -도 (*-do*), we change verbs to nominal forms by adding -ㄴ/은/는 것 (*n/eun/neun geot*).

Construction

Verb Stem + ㄴ/은/는 것 (nominalization) + 도 모자라서

오다 (*oda*) "to come"
오 (*o*) - verb stem
오 + ㄴ 것 = 온 것 (*on geot*) "having come" (past tense)
늦게 온 것 (*neutge on geot*) "having come late"
늦게 온 것도 모자라서 (*neutge on geot-do mojaraseo*) "as if coming late wasn't enough"
늦게 온 것도 모자라서, 제일 먼저 집에 갔어? (*neutge on geot-do mojaraseo, jeil meonjeo jib-e gasseo?*)
"As if coming late wasn't enough, you went home the earliest?"

Noun + 도 모자라서

고양이 (*goyangi*) "cat"
고양이 + 도 모자라서 = 고양이도 모자라서 (*goyangi-do mojaraseo*) "as if a cat wasn't enough"
고양이도 모자라서 개를 또 샀어? (*goyangi-do mojaraseo gae-reul tto sasseo?*)
"As if a cat wasn't enough, you bought a dog again?"

In This Dialogue

1. 진경: 과외 하는 것도 모자라서 아르바이트를 또 해?
   Jingyeong: gwaoe haneun geot-do mojaraseo areubaiteu-reul tto hae?
   Jingyeong: "You do another part-time job as if private tutoring isn't enough for you?"
2. 진경: 오토바이 있는 것도 모자라서 자동차를 또 사?
   Jingyeong: otobai itneun geot-do mojaraseo jadongcha-reul tto sa?
   Jingyeong: "You're going to buy a car, as if having a motorcycle isn't enough for you?"
3. 정우: 엄마한테 잔소리 듣는 것도 모자라서 너한테도 잔소리 들어야 돼?
   Jeongu: eomma-hante jansori deutneun geot-do mojaraseo neo-hante-do jansori deureoya dwae?
   Jeongu: "Do I have to hear preaching from you as if it's not enough to hear my mom's preaching?"

☞ **Examples**☜

Korean	*Romanization*	"English"
이것도 모자라서 저것까지 살 거야?	*igeot-do mojaraseo jeogeot-kkaji sal geo-ya?*	"You're going to buy that one as well, as if this one isn't enough?"
니 형도 모자라서, 너까지 이럴 거야?	*ni hyeong-do mojaraseo, neo-kkaji ireol geo-ya?*	"Are you going to act like this, as if your brother doing the same wasn't enough?"
아르바이트 두 개도 모자라서, 하나 더 구해?	*areubaiteu du gae-do mojaraseo, hana deo guhae?*	"As if having two part-time jobs wasn't enough, you're looking for one more?"
매일 수영 하는 것도 모자라서, 테니스를 배우고 싶어?	*maeil suyeong haneun geot-do mojaraseo, teniseu-reul baeugo sipeo?*	"As if swimming everyday wasn't enough, you want to learn tennis?"
디지털 카메라도 모자라서 필름 카메라도 샀어?	*dijiteol kamera-do mojaraseo pilleum kamera-do sasseo?*	"You also bought a film camera as if a digital camera wasn't enough?"

☞ **Examples**☜

Since -도 모자라서 (*-do mojaraseo*) has the nuance of "you even do X" or "you do as much as Y," note that this structure is often followed by particles 까지 (*kkaji*), meaning "as much as, until" or 도 (*do*), meaning "also, even," in the phrase that follows.

GRAMMAR

I said/I told you - : -다니까/-라니까
거짓말 아니라니까!
"I told you that it's not a lie!"

-다니까/-라니까 (*-danikka/ranikka*) is a structure that emphasizes a fact or a statement by being added to the end of a sentence that the speaker wants to make sure that it is understood and accepted. It can be translated to English as "I said," "I told you," or even "I asked you." When meaning "I asked you," the ending changes slightly to 냐니까 (*nyanikka*). This is different from the ending -니까 (*nikka*) which means "because, owing to." You can add 요 (*yo*) at the end to sound a little more polite, but this is not a very polite expression even in polite language, because it has the nuance of talking back and criticizing the other's thought/statement/judgement.

-다니까 (*danikka*) originally comes from the expression -다고 (말)하니까 (*-dago hanikka*), which is closer to the English translation "I said" or "I told you." The letter 고 (*go*) was dropped and 말하니까 (*malhanikka*) or 하니까 (*hanikka*) became shorter, so the whole expression became -다니까 (*danikka*).

-라니까 (*ranikka*) comes from -라고 (말)하니까 (*-rago hanikka*), and -냐니까 (*nyanikka*) comes from -냐고 (말)하니까 (*-nyago hanikka*).

A similar structure is -다고/라고/냐고 (*dago/rago/nyago*), and this can replace the structure -다니까/라니까/냐니까 (*danikka/ranikka/nyanikka*) most of the time, but it does not sound as strong and acusing as -다니까/라니까/냐니까 (*danikka/ranikka/nyanikka*).

GRAMMAR

The focus of this lesson is the Honorific Subject Marker
사장님께서 좋아하실 것 같네요.
"I think the president will like you."

You can usually make your language polite by adding -요 (*yo*) at the end of your sentences. However, sometimes when you want to be respectful of the person that you are talking to, or even someone that you are talking about, you can use the honorific speech. People often expect you to use the honorific speech when you are talking about someone that is older or higher in social status than you. In this case, you use a different subject marker than usual.

The Honorific Subject Marker

When you are using the honorific speech, the usual subject marker, -이 (*-i*) or -가 (*-ga*) becomes -께서 (*-kkeseo*). When you start a sentence with the honorific subject marker, you also have to use the honorific suffix in the verb for the sentence.

Examples:

1. 선생님께서 그렇게 말씀하셨어요.
   seonsaengnim-kkeseo geureoke malsseumhasyeosseoyo.
   "The teacher said so."
2. 할아버지께서 기다리셔요.
   harabeoji-kkeseo gidarisyeoyo.
   "My grandfather is waiting."

Note: It is correct to use the honorific speech and the honorific subject marker when you're talking to or about someone that you have to be very respectful to. However, if you're talking about someone who is older than you are, but still younger or lower than the person that you're talking to, you should not use the honorific speech or the honorific subject marker.

For example, let's consider you are talking to the president of your company about your section chief. Even if your section chief is someone you have to use polite language to, since you're talking about him or her in front of the president, you can't use the honorific speech about your section chief.

Incorrect example:

1. (To the president)
   과장님께서 그렇게 말하셨습니다.
   gwajangnim-kkeoseo geureoke malhasyeosseumnida.
   "The section chief said so."

Correct example:

1. (To the president)
   과장이 그렇게 말했습니다.
   gwajang-i geureoke malhaesseumnida.
   "The section chief said so."

Examples from This Dialogue

1. 저희 아버지께서 미국으로 발령 나셔서, 초등학교 때부터 해외에서 살았습니다.

   "My father was posted in America in his job, so I've lived abroad since I was in elementary school."

2. 사장님께서 해외 경험이 많은 인재를 찾고 계세요.
   sajangnim-kkeseo haeoe gyeongheom-i maneun injae-reul chatgo gyeseyo.
   "The president is looking for people with talent who have a lot of overseas experiences."
3. 저희 부모님께서는 제가 어렸을 때부터 다른 사람들의 의견을 존중해야 한다고 말씀하셨습니다.

   "Since I was very little, my parents told me that I have to respect other people's opinions."

GRAMMAR

The Focus of This Lesson is "with / using" -을/를 가지고
이 자료 가지고, 보고서를 만들어.
"With this data, write a report."

We use -을/를 가지고 (*-eul/leul gajigo*) to mean "with/from" or "using" as in using a tool or material. We can use many other expressions to mean the same thing in Korean, but this is the most commonly used expression in colloquial situations. We can drop the object marker, 을/를. The second part of the structure, 가지고 (*gajigo*) comes from the verb 갖다 (*gatda*) which means "to have." This structure literally means, "while having something" or "with something in possession." In colloquial situations, we can also shorten 가지고 (*gajigo*) to 갖고 (*gatgo*).

Construction

Noun + (-을/를) 가지고

Examples:

1. 책 + -을 가지고 = 책을 가지고, 책 가지고 or 책 갖고
2. 돈 + -을 가지고 = 돈을 가지고, 돈 가지고 or 돈 갖고
3. 나 + -를 가지고 = 나를 가지고, 나 가지고 or 나 갖고

3. 이 돈 가지고 점심 도시락을 30개 사 와.
   i don gajigo jeomsim dosirak-eul samsipgae sa wa.
   "With this money, buy thirty lunch boxes and bring them here."

GRAMMAR

The Focus of This Lesson is Saying, "If You Weren't" / "Only If It Weren't"

너는 뭐야! 너... 과장만 아니면 내가 한 대 때렸어.
"Who are you? If only you weren't my section chief, I would have given you a punch!"

When you want to suggest that you would or would have done something differently "if only" something had been in a different way, you use this grammatical structure. It comes from the verb -가 아니다 (*-ga anida*), which means "to not be" something, and we add it to the end of a noun to literally mean "only if it weren't + noun" or "if only it hadn't been + noun" to make the phrase conditional.

To add the nuance of "only if" to the expression, you add -만 (*man*), which means "only." So the entire structure becomes -만 아니면 (*-man animyeon*).

Examples

Korean	*Romanization*	"English"
학생만 아니면	*haksaeng-man animyeon*	"If only I/you weren't a student"
친구만 아니면	*chinguman animyeon*	"If only you weren't my friend"
오늘이 내 생일만 아니면	*oneul-i nae saeng-il-man animyeon*	"If only it weren't my birthday today"

Note: Since this is a conditional phrase, the ending part of the entire sentence is usually in the past tense or an assumption.

Examples

Korean	*Romanization*	"English"
학생만 아니면, 너도 초대했어.	*haksaeng-man animyeon, neo-do chodaehaesseo.*	"If only I/you weren't a student, I would have invited you, too."
친구만 아니면, 안 봤을 거야.	*chinguman animyeon, an bwasseul geo-ya.*	"If only you weren't my friend, I wouldn't have seen you again."
오늘이 내 생일만 아니면, 너한테 이런 부탁 안 했어.	*oneul-i nae saeng-il-man animyeon, neo-hante ireon butak an haesseo.*	"If only it weren't my birthday today, I wouldn't have asked you for such a favor."

GRAMMAR

The Focus of This Lesson is "To Have Thought That, To (Not) Know That" -는 줄 알다/모르다
태훈 씨가 그렇게 술을 못 마시는 줄 몰랐어.
"I didn't know you were so weak with alcohol."

When you want to express whether you know about a method or a fact, you can use this grammatical structure. The ending verb is usually 알다 (*alda,* "to know") or 모르다 (*moreuda,* "do not know") and it follows -ㄴ/은/는 줄 (*n/eun/neun jul*). The entire structure means "to know/not know that..." or "to think/not expect that...."

Construction

Verb stem + ㄴ/은/는 줄 알다/모르다 (*n/eun/neun jul alda/moreuda*)

For the past tense, use -ㄴ/은 줄 알다/모르다.

For Example:

1. 저를 기다린 줄 몰랐어요.
   jeo-reul gidarin jul mollasseoyo.
   "I didn't know you had waited for me."

For the present tense, use -는 줄 알다/모르다.

For Example:

1. 저를 기다리는 줄 몰랐어요.
   jeo-reul gidarineun jul mollasseoyo.
   "I didn't know you were waiting for me."

♣ More Examples ♣

Korean	*Romanized*	"English"
내일이 일요일인 줄 몰랐어요.	*naeil-i ilyoil-in jul mollasseoyo.*	"I didn't know it was Sunday tomorrow."
어제가 일요일인 줄 몰랐어요.	*eoje-ga ilyoil-in jul mollasseoyo.*	"I didn't know it was Sunday yesterday."
어제가 일요일인 줄 알았어요.	*eoje-ga ilyoil-in jul arasseoyo.*	"I thought it was Sunday yesterday."
두 사람이 같이 가는 줄 몰랐어요.	*du saram-i gachi ganeun jul mollasseoyo.*	"I didn't know the two of them were going together."
두 사람이 같이 가는 줄 알았어요.	*du saram-i gachi ganeun jul arasseoyo.*	"I thought the two of them were going together."
두 사람이 같이 간 줄 몰랐어요.	*du saram-i gachi gan jul mollasseyo.*	"I didn't know the two of them had gone together."

Note

When using -ㄴ/은 줄 알다 in the past tense, it is mostly translated as "I thought it had been..." or "I thought it was...." When you want to say "I knew it was..." or "I knew it had been" more clearly, you can say -ㄴ/은 줄 알고 있다, although it can still mean either one depending on the intonation of the speaker.

For Example:

1. 내 생일인 줄 알았어?
   nae saeng-il-in jul arasseo?
   "Did you think it was my birthday?"

2. 내 생일인 줄 알고 있었어?
   nae saeng-il-in jul algo isseosseo?
   "Did you know that it was my birthday?"

GRAMMAR

The Focus of This Lesson is Saying, "It would be a different story if..." / "It would be no problem if..." -으면 몰라도
영어나 일본어면 몰라도, 독일어는...
"Maybe if it were English or Japanese that we need, but German..."

When you are making an assumption that you would or would not do something if the circumstances were different, you can use this grammatical structure. -(으)면 몰라도 (-(*eu*)*myeon mollado*) literally means "you don't know if..." and it implies that you don't know what would happen or what it would be like if things were different. So we often use -으면 몰라도 (-*eumyeon mollado*) when we are refusing something or making negative statements, although we use it for other types of statements as well. If you translate it more naturally it means, "It wouldn't be a problem if..." or "It would be different if...."

Construction

You add -(으)면 몰라도 (-(*eu*)*myeon mollado*) at the end of a verb stem.

- 가다 (*gada*) - "to go"
- 가 (*ga*) - verb stem
- 가 + 면 몰라도 = 가면 몰라도 (*gamyeon mollado*)
- 오늘 가면 몰라도, 내일은 못 가.
  oneul gamyeon mollado, naeil-eun mot ga.
  "I would be able to go if we were to go today, but I can't go tomorrow."

Note

We change the copula -이다 to -(이)면 or -(이)라면 and it is followed by 몰라도.

GRAMMAR

The Focus of This Lesson is "It would have been nice if..." / "I should have..." -았/었/였으면 좋았을 텐데
그래도 어제 술만 조금 덜 마셨으면 좋았을 텐데...
"But I should have drunk a little less yesterday."

When you have regrets, and wish that you or someone had or had not done something in the past, you can use this grammatical structure, -았/었/였으면 좋았을 텐데 (*-as/eos/yeosseumyeon joasseul tende*). The last part, 좋았을 텐데 (*joasseul tende*) comes from 좋았을 터인데 (*joasseul teo-inde*). 터 (*teo*) refers to a situation or a state, but we also use it to express assumption or intention. In this structure, -았/었/였으면 (*as/eo/yeosseumyeon*) expresses the condition of "if it had been in a certain way" or "if someone had done something," and 좋았을 텐데 (*joasseul tende*) means, "it would have been nice." So all together, -았/었/였으면 좋았을 텐데 (*-as/eos/yeosseumyeon joasseul tende*) takes the meaning of "it would have been nice if..." or "should have...."

Construction

Verb stem + -았/었/였으면 좋았을 텐데(요)

- 가다 (*gada*) - "to go"
- 가 + -았/었/였으면 좋았을 텐데(요) = 갔으면 좋았을 텐데(요)

Note

The nuance of this structure however, is not as strong and imposing as that of -았/었/였어야 했어 or -해야 했어 since you are just making an assumption that it would have been nice.

You can't form a formal sentence ending in -ㅂ니다 using this structure. In that case, people usually add 말입니다 (*mar-imnida*) at the end.

For Example:

1. 좋았을 텐데 말입니다.
   joasseul tende mar-imnida.

GRAMMAR

The Focus of This Lesson is How to Say "Even though..." and "...but still" in Korean -ㄴ/는데도
연습을 많이 했는데도 너무 떨리네요.
"I've practiced a lot but I'm still nervous."

When you want to say "Even though...still..." or "...but still" in Korean, you can use the structure -ㄴ/는데도 (*-n/neundedo*). You can use simple words like 그런데 (*geureonde*), 그래도 (*geuraedo*) and 하지만 (*hajiman*) to connect two sentences and show contrast, but using the structure -ㄴ/는데도 (*-n/neundedo*) shows a stronger contrast and emphasizes the nuance of "even though."

We can combine -ㄴ/는데도 (*-n/neundedo*) with 그렇다 (*geureota*), meaning "to be so," to form 그런데도 (*geureondedo*), which can work like 그런데 (*geureonde*), 그래도 (*geuraedo*) and 하지만 (*hajiman*) at the beginning of a new sentence. And for the past tense, you can use 그랬는데도 (*geuraetneundedo*).

To deliver a neutral nuance of contrast, -ㄴ/는데 (*-n/neunde*) without the '도' (*do*) part is enough. However, by adding 도 (*do*) you can make it stronger and emphasize it more.

Examples

1. 보다 (*boda*) - "to see"
   보는데도 (*boneundedo*) - "even though I see"
   봤는데도 (*bwatneundedo*) - "even though I saw"
2. 말하다 (*malhada*) - "to say"
   말하는데도 (*malhaneundedo*) - "even though I say"
   말했는데도 (*malhaetneundedo*) - "even though I said"
3. 쓰다 (*sseuda*) - "to write"
   쓰는데도 (*sseuneundedo*) - "even though I write"
   썼는데도 (*sseotneundedo*) - "even though I wrote"

GRAMMAR

The Focus of This Lesson Is How to Say "in spite of" or "despite"
노력했는데, 제 노력에도 불구하고 부모님은 남자친구를 싫어하세요.
"I've tried, but despite my efforts, my parents hate my boyfriend."

When you want to describe a situation where something happens "despite" something, or when you do something "in spite of" something, you can use the expression, -에도 불구하고 (*-edo bulgohago*). 불 means "not" and 구 means "restraining" or "captured," so 불구하고 literally means "without being captured" or "without being restrained." We attach this expression to the end of a noun, so if you want to use a verb with this expression, you need to change the verb into a noun form.

Construction

Noun + -에도 불구하고 (*-edo bulguhago*)

With verbs, first you need to change them into noun forms, but most commonly, you can add -ㄴ/는 데 (*-n/neun de*) for the present tense, and -았/었/였음 (*-as/eos/yeosseum*) for the past tense to the verb stem and add -에도 불구하고 (*-edo bulguhago*) at the end.

GRAMMAR

The Focus of This Lesson is Saying "it all depends on how..." / "the most important thing is how..."
모든 일은 노력하기 나름이에요.
"Everything depends on how hard you try."

This is a common way to express the meaning of "it all depends on..." or "the most important thing is...." When you want to emphasize the deciding factors or the most important factor in a matter, you can use the structure -기 나름이다 (*-gi nareum-ida*) and this structure is often used together with the verb 하다 (*hada*).

Construction

Verb stem + 기 나름이다

For Example:

- 생각하다 (*saenggakhada*) - "to think"
- 생각하 + 기 나름이다 = 생각하기 나름이다 (*saenggakhagi nareum-ida*) - "to depend on the way one thinks"
- 생각하기 나름이에요. "It depends on the way you think about it."

Noun + 나름이다

For Example:

- 사람 (*saram*) - "person"
- 사람 + 나름이다 = 사람 나름이다 (*saram nareum-ida*) - "to depend on the person"
  그건 사람 나름이에요. "That depends on the person."

GRAMMAR

The Focus of This Lesson Is How to Say "If I Have to..., I Would Rather..."
밖으로 나가느니 집에서 먹자.
"Rather than going out, let's eat at home."

When you are talking about something that you do not particularly feel like doing, or something that you would not gladly do because you think it is not the best idea to do so, you can use the structure, -느니 (*-neuni*). You add -느니 after what you do not want to do, and add the part saying what you would rather do after that.

Construction

Verb Stem + -느니

가다 (*gada*) = "to go"
가 + 느니 = 가느니 (*ganeuni*)
지금 집에 가느니, 여기서 잘게요. (*jigeum jib-e ganeuni yeogiseo jalgeyo.*) "Rather than going home now, I will just sleep here."

-느니 (*neuni*) is often used together with the verb ending -겠다, which expresses intention, but we can use other types of verb endings with it.

GRAMMAR

The Focus of This Lesson Is How to Emphasize or Give Background Information for What You Are Saying.
나 음식도 못하고, 사람들이 욕한단 말이야.
"I am not good at cooking, and people will speak badly of it."

There are times when it is difficult to emphasize a certain part of your sentence just by using a different intonation. In that case, a common sentence ending that Korean people use is 말이다 (*mal-ida*). Since 말이다 literally means 말 ("language," "word," "story") + 이다 ("to be"), this sentence ending takes the meaning of "I'm saying" or "What I'm saying is."

말이다 (*mal-ida*) becomes:

Korean	*Romanization*	Politeness Level
말이야	*mal-iya*	intimate
말이에요	*mal-ieyo*	standard
말입니다	*mal-imnida*	formal

Construction

When you use it with nouns or adverbs alone, [Noun/Adverb + 말이다] emphasizes or introduces which topic you are talking about.

For Example:

1. 저 말이에요.
   "I'm talking about myself."

When you use it with active or descriptive verbs, in the form of [Verb stem + -ㄴ다는 or (-ㄴ단) 말이다], it emphasizes or introduces what you are trying to say to the other person.

For Example:

1. 어제도 갔단 말이에요.
   "I went there yesterday too!"

When you use it in the question form, it shows that you want to make sure that you understood the other person or the situation correctly.

GRAMMAR

The Focus of This Lesson Is How to Say "While..."

내가 공부하는 사이에 넌 뭐 했어?
"While I was studying, what did you do?"

When you want to say "while someone does something" or "while something is happening" in Korean, there are a few expressions that you can use. In this lesson, we are introducing -ㄴ/는 사이에 (*-n/neun sa-i-e*). 사이 (*sa-i*), which literally means "interval," "gap," or "between," so -ㄴ/는 사이에 means "in the gap" or "between the beginning and the end of the action," so it has the meaning of "while" something happens.

Similar expressions are -ㄴ/는 동안에 (*-n/neun dong-an-e*) or -ㄹ/을 때 (*-l/eul ttae*), and -ㄴ/는 동안에 is almost always interchangeable with -ㄴ/는 사이에, and -ㄹ/을 때 does not convey the same kind of nuance. We usually use this structure to show two different actions taking place at the same time.

Construction

Verb stem + -ㄴ/는 사이에

For Example:

1. 자다 (*jada*) = "to sleep"
   자 + 는 사이에 = 자는 사이에 (*janeun sa-i-e*)

   자는 사이에 영화가 다 끝났어요.
   janeun sai-e yeong-hwa-ga da kkeutnasseoyo.
   "The movie was over while I was sleeping."

Koreans usually only express the tense in the last verb of the sentence, so you don't always have to change the verb stem in front of -ㄴ/는 사이에 to the past tense, but sometimes you can change the tense in order to have a more accurate nuance.

For Example:

1. 자는 사이에 = 자고 있는 사이에

For the past tense, we can change -ㄴ/는 사이에 to -던 사이에, as well as use it as is.

For Example:

1. 자는 사이에 + past tense = 자던 사이에 + past tense

The Focus of This Lesson Is How to Say "Considering.../For..."
50살 치고는 젊어요.
"He's young, for being fifty years old."

When you want to express your opinion about something in relation to a certain fact, you can use the expression 치고는 (*chigoneun*). 치고는 has the meaning of "when you consider...," "if you think about...," or "for...," and you can use it when what you see or find is different from what you would normally expect.

For Example:

1. "This is a laptop computer." + "It's very heavy." + "I thought it would be light since it's a laptop computer. "
   = "This is heavy, for a laptop computer."
   노트북 컴퓨터**치고는** 무겁네요.

GRAMMAR

The Focus of This Lesson Is How to Say "to have wrongly thought that..."

죽는 줄 알았어요.
"I thought I was going to die."

When you want to say that you have wrongly thought you were going to do something or that something was happening or going to happen, you can use this structure, 줄 알았다 (*jul aratda*). But we can also use this structure to mean "to have known something," so the meaning changes depending on the intonation of the sentence in which we use this structure.

Basic Formation

Verb stem + -ㄴ 줄 알다 (past tense)
Verb stem + -는 줄 알다 (present tense)
Verb stem + -ㄹ/을 줄 알다 (future tense)

For example, we can translate 집에 있는 줄 알다 in two different ways. When the emphasis is on 알다 ("to know"), the sentence means that "to know that he/she is at home," and when the emphasis is on 집에 있는 ("to be at home"), the sentence means that "to wrongly think that he/she is at home." So it is important to pay attention to the intonation of the sentence when you use this structure.

Examples from This Dialogue

Korean	*Romanization*	"English"
요리사가 한 음식인 줄 알았어요.	*yorisa-ga han eumsik-in jul arasseoyo.*	"I thought a professional cook made it."

시험이 어려울 줄 알았어요.	*siheom-i eoryeo-ul jul arasseoyo.*	"I thought the exam would be difficult."

Notes

We can replace 알다 with 모르다 ("to not know") to mean "do not know that..."

For Example:

Korean	"English"
시험이 어려울 줄 알았어요.	"I thought the exam would be difficult."
시험이 어려울 줄 몰랐어요.	"I didn't know the exam would be difficult."
시험이 어려울 줄 알았어요. (with emphasis on 알았어요)	"I knew the exam would be difficult."
시험이 어려울 거라고 생각 안 했어요.	"I didn't think the exam would be difficult."

GRAMMAR

The Focus of This Lesson Is How to Say "should not" or "must not" in Korean.
혼자 가면 안 돼요.
"You should not go there alone."

When you want to say that one should not do something or must not do something, you can use the structure -(으)면 안 되다 (*-(eu)myeon an doeda*). The part 안 되다 (*an doeda*) literally means "to not become," but this phrase also has the meaning of "to be unable to do something" and "to be not supposed to do or happen." In everyday life, when we use it with the verb ending -(으)면 (*-(eu)myeon*) that indicates a condition, it almost always means "should not" or "must not."

Formation

Verb stem + -(으)면 안 되다

For Example:

1. 가다 (*gada*) - "to go"
   가 (*ga*) - verb stem
   가 + 면 안 되다 = 가면 안 되다 (*gamyeon an doeda*) - "should not go"
   가면 안 돼요. (*gamyeon an doeyo*) "You should not go."

GRAMMAR

The Focus of This Lesson is How to Say "until," "so that...," or "almost to the point of..." in Korean
아휴... 내가 머리 아프도록 교육시켰는데, 뭐가 문제야?
"I trained you until my head hurt, and what's your problem?"

When you are talking about the way that you do a certain action "so that" something happens or "to the point where" something happens, you can use this structure. But the meaning changes slightly depending on the context. -도록 (*dorok*) usually takes the meaning of "so that" something happens, or "in order for something to happen" but it can also express the degree in which you do a certain action.

For Example:

1. 심심하지 않도록, 책을 빌려줄게.
   simsimhaji antorok, chaek-eul billyeojulge.
   "So that you don't get bored, I will lend you this book."
2. 팔이 아프도록 글씨를 썼어요.
   pal-i apeudorok geulssi-reul sseosseoyo.
   "I kept writing until my arm started hurting."

**Note that in the second example, -도록 does not mean "in order to" or "so that."

GRAMMAR

The Focus of This Lesson Is Learning a Way to Express the Connection between Two Actions.
내일 다시 올 테니까, 내일 이야기하자.
"I'll come back tomorrow, so let's talk tomorrow."

The structure -ㄹ/을 테니까 expresses a connection between two actions, one being a reason/background/condition for the other. There are many other ways to say "so" and "therefore," but you use this structure when you want to say that you will do something or something will take place, so you want the other person to do something accordingly, or you want something else to happen as a result.

For Example:

1. 기다릴 테니까 전화해.
   "I'll wait, so call me."
2. 나 여기 있을 테니까, 빨리 돌아와.
   "I'll be here, so come back soon."

The word 터 means "place," "condition," "position," or "status," so the entire structure literally means "things are in a status where..." or "things are in a way that _____ something, therefore you do _____." So you can use this structure when you want to express that you are doing or going to do something as a result or in reaction to something else or that you want someone to do something in reaction to something.

Formation

For Example:

1. 오다 - 오 + ㄹ 테니까 - 올 테니까
   "I'll come here, so..."
2. 전화하다 - 전화하 + ㄹ 테니까 - 전화할 테니까
   "I'll call you, so..."

GRAMMAR

The Focus of This Lesson Is How to Say "So That You Won't" or "to Prevent Something from Happening."
다치지 않도록 조심하세요.
"Be careful so that you don't get hurt."

When you are talking about something that had better not happen, you can use the structure -지 않도록 (*-ji antorok*), and the sentence can take the meaning of "so that you won't" or "to prevent something from happening." Sentences using this grammatical structure can sound a bit formal depending on the situation and the context, and a more casual way to say the same thing is to change -지 않도록 to -지 않게 (*-ji anke*). But Koreans very commonly use this structure both in everyday conversations and in formal statements, so it is important to know both of them.

Formation

Verb stem + -지 않도록 (*-ji antorok*)

For Example:

1. 떨어지다 (*tteoreojida*) "to fall down"
   떨어지 + -지 않도록 = 떨어지지 않도록 (*tteoreojiji antorok*)

떨어지지 않도록 조심하세요. (*tteoreojiji antorok josimhaseyo.*) "Be careful not to fall down." = 떨어지지 않게 조심하세요. (*tteoreojiji anke josimhaseyo*)

GRAMMAR

The Focus of This Lesson Is How to Say "More or Less..." or "on the...Side" Using -ㄴ/은 편이다.
싼 편이에요.
"It's on the cheaper side." / "It's more or less cheap."

When you want to describe a characteristic of a person or an object in a somewhat broad and vague way, you can say that someone or something is "more or less" in a way or "on the...side." You can say this using the structure -ㄴ/은 편이다 (*-n/eun pyeon-ida*). The word 편 (*pyeon*) literally means "side": therefore, the structure has the literal meaning of "it is on the ... side."

For Example:

1. 크다 (*keuda*) "to be big"
   크 + -ㄴ 편이다 = 큰 편이다

keun pyeon-ida
"to be on the bigger side"

2. 작다 (*jakda*) "to be small"
   작 + -은 편이다 = 작은 편이다
   jageun pyeon-ida
   "to be on the smaller side"

올해엔 (*olhae-en*, “this year”)

In spoken Korean, people shorten particles with two syllables. So, for example, the particle 엔 (*en*.) It should actually be pronounced 에는 (*eneun*) as in 올해에는 (*olhae-eneun*.) But for spoken Korean or on social media, it sounds more natural to say 올해엔 (*olhae-en*) and use the particle in a shortened form.

제발 좀! (*jebal jom*!, “please!”)

Here, we have the word 제발 (*jebal*.) By itself, it means "please", but if you add the adverb 좀 (*jom*) meaning "more", it emphasizes that you really want something to happen.

VOCABULARY PHRASE USAGE

장(長) (jang) "leaders"

In Korean, the word 장 (jang,長) means "leader." You can use it by itself to identify a leader, but in most cases it's combined with the name of a department or group. For example, you can use 부장 (bujang,部長) for someone who is the "head of the department": 부 (bu, 部), meaning department. In the same way, the "leader of a team" 팀 (team) is a 팀장 (timjang), and the "CEO of a company" (사, sa,社) is a 사장 (sajang,社長). And the "leader of a 회, president" (會, meaning "association or the company itself") is a 회장.

보고드리다' (bogodeurida) "to report"

보고 (報告) is a report you give at work so that your supervisor can understand the process behind or the outcome of a project. The basic verb is 보고하다, but you can replace 하다 with 드리다, the humble form of 주다 ("to give"), to make the expression more polite especially to the boss or '장'.

겸(gyeom) "as well as"

When you go somewhere to do more than one thing, you can use 겸 (兼) to show that you're killing two birds with one stone. Use it in the format A도하고 B도할겸 ("to do A as well as B").

For Example:

1. 쇼핑도 하고 저녁식사도 할 겸 백화점에 갈거야.
   Syopingdo hago jeonyeoksiksado hal gyeom baekhwajeome galgeoya.
   "I will go to the department store for shopping as well as for having dinner."

GRAMMAR

The Focus of This Lesson Is Idiomatic Expressions That Use the Word 물, Meaning "Water."
옆 회사에 물 먹다.
"We've been failed by the other company."

You can see many idiomatic expressions using the word 물 (mul), meaning "water," in both positive and negative forms. We consider 물 as "failure" when metaphoring to have no taste as in negative term, while we also used it as a "good atmosphere" in positive terms.

Point 1: "Water" Meaning "Failure"

When you can use the word 물 (mul), meaning "water," for the meaning of "failure," you can use the verb 먹다 (meokda), meaning "to drink," together.

물먹다 (mulmeokda) "to drink water"

Literally, this word simply means "to drink water." But when you use it as an idiomatic expression without using the object-marking particle 을 (eul), it means "to fail." You can use this expression in the situation that you have failed because of situations or beaten by someone else.

Water doesn't have any taste, and we might consider it as doing something meaningless. That's why you can say 물먹다 (mulmeokda) to mean "to have failed" since there is nothing good back to you.

You can also use it as 물먹게 하다 (mul meokge hada) to mean "to make someone drink water" or "to make someone fail."

For Example:

1. 우리 팀은 그 팀 때문에 이번 경쟁에서 물 먹었다.
   Uri timeun geu tim ttaemune ibeon gyeongjaengeseo mul meogeotda.
   "We failed this competition because of that team."
2. 그 팀은 우리팀을 물 먹게 했다.
   Geu timeun uritimeul mul meokge haetda.
   "The team beat our team."

Point 2: "Water" Meaning "Good Atmosphere"

Water can have a meaning of a "good atmosphere" or a "good mood." In this case, you can use the verb 좋다 (jota), meaning "to be good," with the word 물 (mul).

물좋다*. (muljota)* "The water is good."

Literally, it means "the water is good." When people started using this idiom, they only use this expression when talking about bars or some social places where they serve alcohol. Originally, the water is meant to be an alcohol. Even now, people mostly use this term when talking about places with alcohol such as bars, karaoke bars, or clubs.

You can also use this phrase as an adverb with nouns. In this case, you can conjugate the verb 좋다 to 좋은 and use it as we show below.

물좋은 + Noun

For Example:

1. 물좋은 바
   muljoeun ba
   "a bar with a nice atmosphere"
2. 나는 친구와 함께 물좋은 바를 찾았다.
   Naneun chinguwa hamkke muljoheun bareul chajatda.
   "I found a bar with a nice mood with my friend."

Examples from This Dialogue

1. 옆 회사에서 벌써 같은 상품을 개발했다고 하더라고. 이번에도 또 물 먹게 됐네.
   Yeop hoesaeseo beolsseo gateun sangpumeul gaebalhaetdago hadeorago. ibeonedo tto mul meokge dwaetne.
   ""Another company already developed the same product. We've been beaten again!""
2. 이 근처에 물 좋은 바도 있었어? 물 좋은 클럽은 알고 있었지만.
   I geuncheoe mul joheun bado isseosseo? mul joheun keulleobeun algo isseotjiman.
   "Was there any nice bar around? I knew there were some nice clubs."

Sample Sentences

1. 이번 마라톤에서 태희에게 물 먹었다.
   Ibeon maratoneseo taehuiege mul meogeotda.
   "I got beaten on this marathon by Taehee."
2. 물 좋은 클럽에는 늘 사람들이 많다.
   Mul joeun keulleobeneun neul saramdeuri manta.
   "Clubs with a nice atmosphere always have a lot of people."

CULTURAL INSIGHT

Three Rounds to Release Stress in Korea

When Korean people get stressed from work or home, they usually go to three places: restaurants, bars, and clubs. After getting off from work, they go to restaurants to have grilled meats like *galbi* and strong drinks like *soju* together. After getting full and drunk, they move to the nearest bar and have some beers. This is called the second round, as Kim and Lee did in the script. For the final round, they go to clubs to dance or go to Karaoke to sing and burn calories.

VOCABULARY PHRASE USAGE

주식(株式) (*jusik*) "stocks"
주 (*ju*, 株) is from the Chinese character 株 meaning "trees." These days, it also means "stocks." 주식 (*jusik,* 株式) meaning "general stocks." When it combines with other words such as 가 (*ga,* 價) meaning "prices," or 관련 (*gwan-ryeon,* 関連), meaning "related," you can only use the word 주 (*ju*, 株) and combine it with them. For example, you can say 주가 (*juga,* 株價) to mean "stock prices" and 관련주 (*gwanreyonju,* 関連株) to mean "related stocks."

-률 (예: 수익률) /[-*ryul* (e.g., *suingryul*)] (*suilrul*) "rate" (e.g., "earning rate")
The suffix 률 (率) means "rate, or percentage %" as in how fast something happens or how effective it is. You can attach it to 성공 (成功), meaning "success" to get 성공률, meaning "success rate," or to 성장 (成長), meaning "growth," to get 성장률, meaning "growth rate," among others.

For Example:

1. 이 주식은 수익률이 높아.
   I jusigeun suingnyuri nopa.
   "This stock has a high stock rate."

'짭짤하다' (*jjapjjalhada*) "to have higher benefits"
The basic root of the verb 짭짤하다 is 짜다, which is "to be salty." However, Koreans also use this verb when they want to say "to have higher benefits or decent ones to fill up their pocket."

For Example:

1. 이번 투자 결과가 짭짤하다.
   Ibeon tuja gyeolgwaga jjapjjalhada.
   "The investment result for this time is pretty good."

GRAMMAR

The Focus of This Lesson Is Idiomatic Expressions That Use the Word 떡, Meaning "Rice Cakes."
돈 없는 저한테는 그림의 떡인데
"For poor guys like me, that's like a rice cake on paintings."

Rice is the main meal for Korean people, so rice cakes also have been with Korean history. For this reason, you can see many phrases using the word 떡 (*ddeok*), which means "rice cakes." To make a comparison in English, it would be 'pie in the sky'.

Point 1: 그림의 떡, Meaning "A Rice Cake on Paintings"

It means "the thing that you cannot do anything with." It means the same as "a pie in the sky" in English. In general, people use this expression in this way:

Subject + 에게 Object + 은/는 '그림의 떡'이다. ("to subject, object is a pie in the sky")

In some cases, you cannot do it because of some barriers such as financial issues or other restrictions, although you can see something or you know what to do about (that's why the word 'painting' is used in this idiom). In this case, you can use this expression.

For Example:

1. 나에게 그 여자는 그림의 떡이다.
   Naege geu yeojaneun geurimui tteogida.
   "To me, she is a pie in the sky."

2. 다이어트 중인 내 동생에게 그 케이크는 그림의 떡이다.
   Daieoteu jungin nae dongsaengege geu keikeuneun geurimui tteogida.
   "To my younger brother trying to lose weight, the cake is a pie in the sky."

Point 2: 남의 떡이 커 보인다 Meaning "Other People's Rice Cakes Always Look Bigger Than Mine."

It means "What others have always seems better than yours." Although they are the same thing, sometimes it seems like you have less than others. In this case, you can use this idiomatic expression. You can use this phrase in this way.

남의 떡이 커보인다'고 하더니 + Sentence ("It is said what others have always seems bigger/better than yours, and [sentence].")

For Example:

1. 남의 떡이 커보인다고 하더니 너도 그 친구를 부러워하는구나?
   Namui tteogi keoboindago hadeoni neodo geu chingureul bureowohaneunguna?
   "It is said what others have seems always better/bigger than yours, and I can see that you are jealous of him, right?"

Point 3: 떡고물이 떨어지다 Meaning "Getting Bean Flour for Rice Cakes"

It means "getting a benefit thanks to someone." 떡고물 means "bean flour covering rice cakes." If you consider rice cakes are the main part, you can see the bean flour as the byproducts. When someone gets small benefits from other people thanks to the person's success, you can use this phrase.

For Example:

1. 형의 일을 열심히 도우면 떡고물이 떨어지지 않을까?
   Hyeongui ireul yeolsimhi doumyeon tteokgomuri tteoreojiji aneulkka?
   "If I put my effort toward my brother's work, can I get the bean flour for rice cakes?"

Examples from This Dialogue

1. 그런 높은 수익률. 돈 없는 저한테는 그림의 떡인데...
   Geureon nopeun suingnyul. don eopneun jeohanteneun geurimui tteoginde...
   "With earning rates being that high? For poor guys like me, that's like a pie in the sky."
2. 남의 떡이 커보인다고, 조금 성급하신 건 아닐까요?
   Namui tteogi keoboindago, jogeum seonggeupasin geon anilkkayo?
   "What others have always seems better than yours. Don't you think you're being a little bit impatient?"
3. 잘 돼서 저한테도 떡고물 좀 *생기면 좋겠지만, 다시 한 번 잘 생각해보세요.*
   Jal dwaeseo jeohantedo tteokgomul jom saenggimyeon joketjiman, dasi han beon jal

saenggakhaeboseyo.
"It will be great if it goes well and I get some benefits as well(get bean flour for rice cakes) , but I think you should consider again."

Sample Sentences

1. 아무리 좋은 음식이어도 먹지 못하면 그림의 떡이다.

CULTURAL INSIGHT

Korean Employees Investing Their Money in Stocks

You'll be surprised to learn how many Korean employees invest their money on stock market: more than eighty percent! Although people like to get their paychecks regularly, they are willing to take risks. They usually share information about the stock market with their co-workers as well. Even though some people lose their money, they keep investing money on the market with the hope of making enough to quit their jobs.

DIALOGUE - KOREAN

MAIN

1. (바에서)

2. 이대리 : 옆 회사에 크게 물 먹었으니, 이제 어떻게 하죠? 다음 주에 당장 신제품 아이디어 내기엔 무리인데.. 프리젠테이션은 또 누가 하구요?

3. 김팀장 : 이대리가 한 번 총대 메볼래? 매번 내가 프리젠테이션 하는 것도 재미없잖아.

4. 이대리 : 에이. 팀장님 술을 많이 드셨다고 하지만, 전 무리예요.

5. 김팀장 : 한 번 해봐. 이 기회에 능력도 인정 받고.

6. 이대리 : 그보다는, 김팀장님이 총대를 메고 부장님께 조금만 시간을 달라고 하시는게 어떠세요?

7. 김팀장 : 그게 나을까? 사실 일주일 안에 새로운 아이디어 내기는 조금 무리긴 하지.

8. 이대리 : 그러니까요. 뭐.. 부장님 성격에 옆 부서 부장님처럼 머리에 총 맞았냐고 구박할 분은 아니니까요.

9. 김팀장 : 우선 좀 생각해보고. 사실 내가 아는 회사 사장님께 의견을 좀 물어봤어. 테스트 제품 써보시고 의견 주신다니 그것도 좀 기다려보지 뭐. 가지고 있는 총알이 전혀 없으니까.

ENGLISH

1. (at a bar)

2. Lee : We have been beat by another company (We've got a big bottle of water), so what should we do? It might be impossible to come up with a new product idea by next week. Who'll be doing the presentation?

3. Kim : Lee, would you like to take responsibility (take a gunstock?) I've done it a lot, so I know it'll be boring.

4. Lee : Eh? I know you've had a lot to drink. It is beyond my ability.

5. Kim : Try it once. This is an opportunity for your abilities to be recognized.

6. Lee : Instead of that, why don't you take responsibility (take a gunstock) and ask the director to give more time?

7. Kim : Would that be better? Actually, it is not possible to get a new idea within a week.

8. Lee : That's what I'm talking about. Well...he is not like the director of the other team, who'd be rude enough to say "Are you out of your mind? (Have you got a gunshot in your brain?)".

9. Kim : Let me think about it more. Actually, I've already asked a CEO whom I know for his opinion. Let's see what he says after testing the product; after all, we don't have any solutions (don't have any bullets).

VOCABULARY PHRASE USAGE

프리젠테이션을 하다 (*Peurijenteisyeon-eul hada*) "to give a presentation"
For the activity of standing in front of people and giving a presentation, you can say 프리젠테이션을 하다 (*peurijenteisyeoneul hada*). This usually involves Microsoft's PowerPoint program. They often shorten up as PPT.

For Example:

1. 프리젠테이션을 어떻게 할 계획이야?
   Peurijenteisyeoneul eotteoke hal gyehoegiya?
   "What plans do you have for the presentation?"

'무리(無理) (*Muri*) "impossible," "beyond one's ability"
The noun 무리 (無理) means "impossibility," and we often use it as an adjective to mean "impossible." You can say [noun] 은 무리이다 to express that something is impossible or beyond your ability. It's not rude to use this word to your supervisors.

For Example:

1. 이 프로젝트는 무리입니다.
   I peurojekteu-neun muri-imnida.
   "This project is impossible (to finish)."

총대, 총알, 총부리 (*Chongdae, Chong-al, Chongburi*) "gunstocks," "bullets," "the tip of rifles"
Military service is a fact of life for many Koreans, so it's not surprising that a lot of gun-related vocabulary have crept into the language. These words have become so universal that even women can use this them without any problem. Interestingly, some bird-related words have perched on the word 총 (銃 "rifle") to describe various parts of the gun. For example, the word 알 ("egg") pairs with 총 to make 총알 ("bullets"), and 부리 ("beak") makes 총부리 ("tip of a rifle").

GRAMMAR

메The Focus of This Lesson Is Idiomatic Expressions That Use the Word 총, Meaning "Gun" or "Rifle."
내가 총대를 메다.
"Let me take the responsibility."

Point 1: 총대를 메다 Meaning "to Tie Gunstocks"

A gunstock is the belt that you can attach a rifle to. If you say 총대를 메다, which literally means “to tie the gunstock,” it also means “to take responsibility.” You can consider gunstocks as responsibilities in this idiomatic expression. You can use this expression as we have in the sentences below.

A+가 B+에 대한 총대를 메다. "A takes responsibility for B."

For Example:

1. 이번 프리젠테이션에 대한 총대는 누가 멜까?
   Ibeon peurijenteisyeone daehan chongdaeneun nuga melkka?
   "Who is going to take responsibility for this presentation?"
2. 그 사람은 총대를 잘못 메서 회사에서 해고되었다.
   Geu sarameun chongdaereul jalmot meseo hoesaeseo haegodoeeotda.
   "The man took the wrong responsibility, so he has been fired."

Point 2: 머리에 총 맞다. Meaning "to be out of one's mind, to be crazy (Lit. to get a gun shot on your head)"

It sounds extreme, but many people use this expression for informal cases. It's less rude than saying "Are you crazy?" directly. If someone seems to be out of his or her mind or mindless, you can use this expression to describe his or her condition yet it could still be offensive others. Keep this in mind when using it with someone else.

Point 3: 총알이 없다. Meaning "to Have Nothing to Achieve Something, No Talents, or No Methods" (Literally, "to Have No Bullets")

You cannot do anything without bullets. Bullets are the important item or solutions to accomplish your mission. If you have any other things like bullets for your work, you can use this idiomatic expression 총알이 없다 (*chong-al-i eopda*) to mean "to have nothing to achieve."

For an example, you can use this expression when you don't have any special ideas for an upcoming meeting.

For Example:

1. 아이디어가 모두 없어졌어. 이제 더 이상 총알은 없다.
   Aidieoga modu eobeojyeosseo. ije deo isang chongareun eopda.
   "I have no more ideas. I'm out of bullets."

Examples from This Lesson

1. 이대리가 한 번 총대 메볼래?
   Idaeriga han beon chongdae mebollae?
   "Lee, would you like to take the responsibility?"
2. 부장님 성격에 옆 부서 부장님처럼 머리에 총 맞았냐고 구박할 분은 아니니까요
   Bujangnim seonggyeoge yeop buseo bujangnimcheoreom meorie chong majatnyago gubakhal buneun aninikkayo
   "He is not like the director of the other team, who'd be rude enough to say 'Are you out of your mind?' to others."
3. 테스트 제품 써보시고 의견 주신다니 그것도 좀 기다려보지 뭐. 가지고 있는 총알이 전혀 없으니까.
   Teseuteu jepum sseobosigo uigyeon jusindani geugeotdo jom gidaryeoboji mwo. gajigo itneun chongari jeonhyeo eopseunikka.
   "Let's see what he says after testing the products; after all, we don't have any other solutions anyway. (don't even have any bullets left)."

CULTURAL INSIGHT

Military Culture at Work

All Korean men have to join the army for at least two years. Since more than eighty percent of male employees are veterans, you can often hear them talking about their army experiences at social gatherings and even lunch hours. Because the army is all guys' first career, it's their only fodder for conversation. So if you want to be more friendly with your Korean co-workers, I'd recommend that you learn more military words in Korean. Then they'll be happy to invite you to their gatherings and tell you their army stories.

화난김에 모든 이야기를 다 말했어. *Hwanangim-e modeun iyagi-reul da mal-haesseo.* "Carried away by my anger, I told everything."	

VOCABULARY PHRASE USAGE

-김에 (-*gime*) "under the influence of" (e.g., alcohol)
김 (*gim*) is a suffix meaning "under the influence of" something. If you're under the influence of alcohol, you're in 술김 (*sulgim*). In the same way, 기분 좋은김에 (*gibun joeun gime*) means "under the influence of a good mood." You can also attach this suffix to a verb stem or after a participle, as in 화난김 (*hwanangim*), meaning "under the influence of anger."

For Example:

1. 화난김에 모든 이야기를 다 말했어.
   Hwanangim-e modeun iyagi-reul da mal-haesseo.
   "Carried away by my anger, I told everything."

이야기를 꺼내다' (*iyagireul ggeonaeda*) "to spill a story"
Usually, you can simply say 이야기를 하다 for "to tell a story." If for some reason your story takes some effort to tell (perhaps it's a secret), you can change 하다 to 꺼내다, meaning "to pull [something] out," to show that bit of effort you have to put in.

인쇄(印刷)' (*insoe*) "print"
As in China, many computer terms have been translated into Korean for use on software menus. Loanwords from English abound, but you can also see plenty of native and Sino-Korean words. Here are a few:

Korean	*Romanization*	"English"
열기	*yeolgi*	"open"
저장	*jeojang*, 貯藏	"save"
인쇄	*insoe*, 印刷	"print"
닫기	*datgi*	"close"
다른 이름으로 저장	*darun ireumeuro jeojang*	"save as"
찾기	*chatgi*	"find"
즐겨찾기	*jeulgye-chatgi*	"favorites," "bookmarks"
창	*chang*, 窓	"window"

Note that while we describe many common computer actions with verbs in English ("save," "print," etc.), we write these actions as nouns in the Korean translation. We leave loanwords from Chinese (like 저장 and 인쇄) as nouns without adding 하다, and we use native Korean words (like 열다 and 닫다) as nouns in their gerund form with -기.

GRAMMAR

The Focus of This Lesson Is the Phrase 방금/막+ 참이다, which Means "to Be about to Do Something."
방금 막 클라이언트와 회의를 하려는 참이다.
Banggeum mak keullaieonteuwa hoeuireul haryeoneun chamida.
"I was about to have a meeting with the clients."

When you didn't do something that you're supposed to do, but you have plans to do it soon, you can use this expression.

방금 A가 [Verb Stem] + (으)려는 참이다.
"[A] is about to do [verb]."

참이다 means "to have plans to do something."

If the verb stem finishes with 받침 (the last consonant), you can add -으려는 to the verb stem to complete the sentence. If it doesn't have 받침, you can just add the particle -려는.

For Example:

1. 방금 나가려는 참이다. (Verb: 나가-다, in the case that the verb stem ends without 받침)
   Banggeum nagaryeoneun chamida.
   "I was about to go out."
2. 막 그 음식을 먹으려는 참이다. (Verb: 먹-다, in the case that the verb stem ends with 받침)
   Banggeum geu eumsigeul meogeuryeoneun chamida.
   "I was about to eat the food."

Examples from This Dialogue

1. 안 그래도 방금 말하려던 참이었는데, 그거 잊지 말고 꼭 일주일 안에 내
   An geuraedo banggeum malharyeodeon chamieotneunde, geugeo itji malgo kkok iljuil ane nae.
   "I was about to tell you that. Don't forget to bring in the proposal within a week."
2. 다 만들고 이제 막 인쇄하려던 참이었습니다.
   Da mandeulgo ije mak inswaeharyeodeon chamieotseupnida.
   "I've completed all the reports, and I was just about to print them out."

Sample Sentences

1. 방금 막 클라이언트와 회의를 하려는 참이다.
   Banggeum mak keullaieonteuwa hoeuireul haryeoneun chamida.
   "I was about to have a meeting with the clients."
2. 이제 막 회사에 가려던 참이다.
   Ije mak hoesae garyeodeon chamida.
   "I was about to go to work."

CULTURAL INSIGHT

"I Can Make the Impossible Possible!"

You hear many Korean employees saying "I can make this possible although it is impossible." Even if you think you can't make the deadline, you'd better say you can if you're at a Korean company. In Korea, confidence is the key. People trust their employees resolutely, especially if those employees are new. So what if you fail? You don't have to lie about it. If you honestly say you weren't able to make the deadline even though you'd told your boss you could, your boss will encourage you to boost your confidence anyway.

VOCABULARY PHRASE USAGE

-고 하네 (*-go hane*) "It is said that..."
When you mention what others said or stories you heard from somewhere else, you can use the particle -고 하네 (*go hane*) in informal conversation and 고 하네요 (*gohaneyo*) in formal conversation.

To use the particle, start with a sentence about a story you heard. This sentence should be in the past tense. Then attach -고 하네 to the sentence's -았/었/였다 ending.

For Example:

1. **그 뉴스는 진짜였다고 하네.**
   Geu nyuseu-neun jinjja-yeotdago hane.
   "It's said that the news was true."

난다긴다 (*nandaginda*) "to be an expert"
You can break this adverb into two verbs, 난다 and 긴다. 난다 comes from the verb 날다, meaning "to fly," and 긴다 means "to crawl." An animal that can fly through the air AND crawl on the ground is a good image to use to describe someone who can do almost everything or who is really good at something.

뾰족한 수 (*ppyojok-han su*) "power play"
Having a big problem you need to solve in one shot? You need a 뾰족한 수. The adjective 뾰족하다 means "sharp," and 수 (手) strays a bit from its original sense of "hand" to mean "strategy" or "method." So a 뾰족한 수 punctures a problem as quickly and decisively as a needle to pop a balloon.

GRAMMAR

The Focus of This Lesson Is the Phrase 조차 + 없다, Which Means "Even [Noun] Doesn't/Can't Do Something."
유능한 의사선생님조차 어떻게 해야할지 방법을 찾지 못했다.
Yuneunghan uisaseonsaengnimjocha eotteoke haeyahalji bangbeobeul chatji mothaetda.
"Even excellent doctors could not find any way to solve the problem."

조차 is the particle meaning "even."
If someone with excellent skills cannot do some tasks related to his or her talents, you can use this phrase.

For Example:

1. 전쟁터에서 장군조차 총알이 없다.
   Guninjocha chongari eopda.
   "Even the generals don't have bullets in the combat field."

You can also combine the particle +ㄹ(final consonant) 수가/할 수가 with the verb stem and use it in this phrase.

고치 ("to cure") + ㄹ(final consonant) 수가

For Example:

1. 의사조차 고칠 수가 없다.
   Uisajocha gochil suga eopda.
   "Even doctors cannot cure it."

CULTURAL INSIGHT

Why Korean People Go to University Hospitals for Serious Illness

The best doctors can be found at university hospitals. In the early 1900s, many universities were established by foreigners who introduced Western treatments and surgeries at those colleges' hospitals. Private hospitals also have been established as the economy surged, but they couldn't catch up with the university hospitals. That's why people still believe that you should go to university hospitals for the best doctors.

VOCABULARY PHRASE USAGE

최소한 / 최대한 (*choesohan*/*choedaehan*) "minimum"/"maximum"
최소 (*choeso*, 最小) means the smallest or minimum, and 최대 (*choedae*, 最大) means the biggest or maximum. 최 (choi, 最) means "the most/least." You can combine it with many characters that express size or extent.

For Example:

1. 소 (*so*, 小), meaning "small" à최소, meaning "the smallest"
2. 대 (*dae*), meaning "big" à최대, meaning "the biggest"
3. 고 (*go*, 高), meaning "high" à최고, meaning "the highest"
4. 저 (*jeo*, 低), meaning "low" à 최저, meaning "the lowest"

최고 also means "the best," so you can compliment your chef with 이 음식이 최고다! ("This food is the best!")

레지던트 (의사) *rejideonteu (euisa)* "resident (doctor)"
At university hospitals, you can see interns, who have just graduated from medical schools, and residents, pre-doctors at the next level of experience. Koreans approximate the English pronunciations of "intern" and "resident" with 인턴 and 레지던트, respectively.

통 (*tong*) "at all"
통 is a quick way to say "ever" or "at all" with a negative verb. For example, if you've gone a long time without speaking to someone, you could say 연락이 없었다, but if that's not emphatic enough, add 통: 연락이 통 없었다 ("There've been no calls at ALL").

GRAMMAR

The Focus of This Lesson Is the Phrase -경우라면 가능하다 to Show Conditional Agreement.
한달 전에 예약을 한 경우에만 가능하다.
Handal jeone yeyageul han gyeongueman ga neunghada.
"It's possible in the case you reserve it a month in advance."

경우 is the noun meaning "case" or "example." To connect this noun with verbs, you should change the verbs to nouns with special particles.
To make this phrase, you should combine the verb stem describing the condition with the particle ㄴ/은/는. Then you can add 경우라면 meaning "in the case."

For Example:

1. 청소를 하다 -> 청소를 하+ㄴ
   청소를 한 경우라면 가능하다.
   Cheongsoreul han gyeonguramyeon ganeunghada.
   "It's possible in the case that you have cleaned."
2. 연락이 되다 -> 연락이 되+ㄴ

   Handal jeone yeyageul han gyeongueman ganeunghada.
   "It is possible in the case that you make a reservation a month in advance."

CULTURAL INSIGHT

The Power of Social Networks in Korea

Social networks can do anything in Korea. They can make the impossible possible. Korean society is based more on people than on a system. If you ask someone who works at a hospital or service center, you can get tickets, access, and other things easily enough. Although many companies and organizations are banning those shortcuts, people still use their social circles to get privileges. How can you take advantage of this? Korean people base their social circles on the alumni networks of high schools and universities. If you can find an academic match, you've just made an important addition to your network!

VOCABULARY PHRASE USAGE

도리 (*dori*) "duty"
도리 (道理) means "duties or responsibilities for specific roles." It describes everything from the attitude or mind-set that goes into the role to the results that come out of it. For example, a student's responsibilities are 학생의 도리 (*haksengui dori*, 學生의 道理). This includes not only his results, such as his grades, but also the attitude he brings to his studies.

시간표현: 밤중 / 대낮 / 한낮 / 새벽 (*sigan pyohyeon: bamjung, daenat, hannat, saebyeok*) time expressions: "middle of the night"/"middle of the day"/"noon"/"dawn"
Korean has many words for the time of day that don't follow the familiar 1시, 2시 format. Here are a few of them:

1. 밤중 (*bamjung*, 밤中): "during the night," when people are asleep" (eleven P.M... to four A.M.)
2. 대낮 (*daenat*): "early afternoon," "when the daylight is brightest" (twelve to three P.M...)
3. 한낮 (*hannat*): "right in the middle of the day," another word for "noon" (twelve P.M...)

4. 새벽 (*saebyeok*): "dawn," "when the sun comes up" (sunrise to six a.m.)

봐주다 / 넘어가다 (*bwajuda*/*neomeogada*) "to overlook a mistake," "to forgive"
봐 주다 and 넘어가다 both mean "to overlook and forgive" someone's mistake. 봐주다 comes from the phrase 사정(事情)을 봐주다 ("to look around at the situation"); once you've seen the big picture, you'll realize that the mistake wasn't so serious and decide to forgive it. The verb 넘어가다 literally means "to go across" an obstacle, like a mountain or a hill; the idea here is that you skip across the wrongdoing and pardon it.

일요일인데도 꼼짝도 안하다.
Iryoirindedo kkomjjakdo anha da.
"I was about to have a meeting with the clients."

To emphasize something, you can simply add special particles to another particle. The other particle shouldn't have 받침 as the last consonant. If the first particle doesn't have the 받침(as the last consonant), you can use the particle 도 to emphasize nouns. If it has 받침, you can use the particle 은.

1. Particle 도
If you add the particle 도 to another particle, you can emphasize the noun just before.

For Example:

1. 일요일인데도 꼼짝도 안하다.
   "He doesn't even do anything even though today is SUNDAY." (emphasized)

When comparing 일요일인데도 to일요일인데, you can emphasize the noun 일요일 by adding the particle 도 to 인데, meaning "although."
If you want to say that your husband should at least do one thing, such as especially washing the dishes, you can use this particle to emphasize the noun.

For Example:

1. 설거지만이라도 하고 가.
   Seolgeojimanirado hago ga.
   "You can go after at least finishing washing the dishes." (emphasized)

2. Particle 은/는 (*eun*/*neun*)

If the first particle has the 받침, you can use the particle 은 or 는 for emphasis. The function is the same as that of the particle 도.

For Example:

1. 이번만은 좀 넘어가줘라.
   Ibeonmaneun jom neomeogajwora.
   "Please let me go at least this one time."

You can simply say 이번만 좀 넘어가줘라 to ask, but if you add the particle 은, it emphasizes the noun 이번. It adds the meaning of "at least" to this sentence.

If your husband doesn't do anything, you can give him a final warning using the particle 은 by emphasizing some special tasks.

For Example:

1. 그것조차도 안 하면은 남편 자격이 없다.
   Geugeotjochado an hamyeoneun nampyeon jagyeogi eopda.
   "If you don't do at least this one thing, you don't even deserve to be my husband."

Examples from This Lesson

1. 일요일인데도 꼼짝도 안 하면 남편의 도리가 아니잖아.
   Iryoirindedo kkomjjakdo an hamyeon nampyeonui doriga anijana.
   "Doing nothing even though it's SUNDAY is a breach of your duties as a husband."
2. 그럼 설거지만이라도 하고 가.
   Geureom seolgeojimanirado hago ga.
   "You should at least WASH THE DISHES before you go."

Sample Sentences

1. 노래조차도 제대로 못한다고?! 잘 하는 게 도대체 뭐야?
   Noraejochado jedaero mothandago?! jal haneun ge dodaeche mwoya?
   "Did you say that you are not even good at singing? Is there one little thing you can do?"

CULTURAL INSIGHT

Dividing Household Chores

Up until the end of the nineties, the Korean husband was the king of his household but not anymore. Now he has to do at least half of the chores. Some couples even make a chart before they get married about the respective duties of husband and wife. Under the wife's name, you might see "cooking," "washing the dishes," etc.; beneath the husband's, "mopping," "playing with the kids," and so on.

VOCABULARY PHRASE USAGE

안쓰럽다 (*ansseureopda*) "pityful", "to feel bad"
You can use this adjective when you feel sorry for someone. Instead of saying "I feel sorry for" before the object of your pity, as you would in English, you say that the person is 안쓰럽다. As with any other Korean adjective, though, it is possible to put in front of the noun you're describing. Because the ㅂ at the end of 안쓰럽다 follows an irregular conjugation (불규칙 활용/不規則 活用), the adjective changes to 안쓰러운 before a noun. Please make sure it is different from 안타깝다 which is literally means you feel sorry for someone.

For Example:

1. 다큐멘터리 속 아이들이 안쓰러워.
   Dakyumenteori sok aideur-i ansseureoweo.
   "I feel sad and pitiful for the kids in the documentary."

상: 울상 / 화상 (*sang: ulsang, hwasang*) facial features: "crying face"/"anger-inspiring face"
Among the many meanings of the Chinese character 相 (read 상) is "facial features." This is not the same thing as facial expressions; while your expressions change with your mood, your features are the ones you were born with—what your face looks like all the time! So the Korean phrases 웃는 상 and 우는 상 don't mean that someone is actually crying or smiling; they mean that the person's face is built to LOOK as though it's crying or smiling all the time. In Korean idiom, the sad-looking face is often abbreviated to 울상, and 화상 stands for someone you hate (화 火 means "fire" and by extension "anger," so a 화상 is a face that makes you angry just to look at!).

낙하산 (*nakhasan*) "parachute"
Ever have a co-worker who didn't deserve his job but got it anyway because of nepotism or other connections from the top? Koreans call these people "parachutes." While others have to hike their way to the top of a mountain, these undeserving folks float down to the summit in seconds. So "parachute," when you hear it at work, is definitely not a compliment.

GRAMMAR

The Focus of This Lesson Is Exaggerative Expressions with the Verb 죽다, Meaning "to Die."
매일 볼 때마다 어머니 걱정때문에 죽을 것 같은 표정이어서 보기 안쓰럽더라구.
"I feel sorry to see him dying every day of worry for his mother."

In Korean, you can find many exaggerative expressions with special verbs such as 죽다, meaning "to die," or 미치다, meaning "to be crazy."
죽 다 literally means "to die," and Koreans use this word to describe their feelings. When something is so hard that you cannot tolerate it any longer, you can use the phrase 죽을 것 같다, meaning "I feel like dying."

1. 죽을 것 같다.
Jugeul geot gatga.
I feel like dying.

You can see many Koreans saying the phrase 죽을 것 같다 when they describe their feelings. When some feeling is worse (or better) than usual, you can use this phrase. For example, you can say 죽을 것 같아, which means "it's so bad/good that it'll make me dead." Although it sounds extreme, you can use this phrase even in formal situations.

2. 죽을 것 같이 + Verb about Feeling.

You can use this phrase with a verb to describe more about your feeling in this form.

죽을 것 같이 + Verb about feeling.

For Example:

1. 죽을 것 같이 아프다.
   "It hurts so much that feels like dying."

You can use this phrase in any situation that is worse than usual. You can say 죽을 것 같이 배고프다, which means "I feel so hungry that it will make me dead." If you are in extremely good condition, you can also use this phrase to describe your feeling, as in 죽을 것 같이 기쁘다, which means "I feel so happy that it will make me dead."

3. ㅇㅇ여서 죽을 것 같아.

You can mention the reason making you feel terrible by putting verbs or nouns first.

Verb Stem + 여서/어서 죽을 것 같아.
"I have a difficult time because of [something]."

Noun + 때문에 죽을 것 같아.
Literally, it means "I feel like dying because of [something]."

If you hurt so much, then you can say the following sentence.

For Example:

1. 아파서 죽을 것 같아.
   아픈 것 때문에 죽을 것 같아.
   "I have a difficult time because it hurts a lot."

If someone else makes you feel bad, you can also put his or her name in the sentence.

For Example:

1. 사장 때문에 죽을 것 같아.
   "I have a difficult time because of my CEO."
2. 남자친구 때문에 죽을 것 같아.
   "I have a difficult time because of my boyfriend."

In some cases, you can use the phrase in a positive situation.

For Example:

1. 남자친구 때문에 좋아서 죽을 것 같아.
   "I'm very happy because of my boyfriend."

In this case, it's better to say 보고싶어 (보고싶다+어서), 좋아서 (좋다+어서) or 기뻐서 (기쁘다+어서) before 죽을 것 같다 so that others can understand it correctly.

Examples from This Lesson

---

1. 매일 볼 때마다 어머니 걱정때문에 죽을 것 같은 표정이어서 보기 안쓰럽더라구.
   Maeil bol ttaemada eomeoni geokjeongttaemune jugeul geot gateun pyojeongieoseo bogi ansseureopdeoragu.
   "I feel sorry to see him dying every day of worry for his mother."
2. 매일 매일 내가 보고 싶어 죽겠다는 와이프도 있고 말이지
   Maeil maeil naega bogo sipeo jukgetdaneun waipeudo itgo mariji
   "I even have a wife who wants to see me every day, you know."

Sample Sentences

1. 죽을 것 같은 표정이다.
   Jugeul geot gateun pyojeongida.
   "You look terrible." (literally, "You have a face of someone dying soon.")
2. 죽을 것 같이 힘들다.
   Jugeul geot gachi himdeulda.
   "It feels so terrible as if I'll be dying because of this."

CULTURAL INSIGHT

"I Love You" Is Not Enough

Although Korean people say "I love you" very often compared to people in other Asian countries, they want more. So boyfriends and girlfriends use plenty of over-the-top endearments with each other, such as "I'm dying of love for you" and "I'm out of my mind by the love for you." Your Korean significant other may even be angry if "I love you" is all you say.

VOCABULARY PHRASE USAGE

차다 (*chada*) "to kick," "to break up with"
When a boyfriend and girlfriend break up on mutual terms, the verb for that is 해어지다 or 이별(離別)하다. If one party dumps the other, however, we call that 차다 ("to kick") in Korean. One person kicks the other out of the relationship. If you're the one who got dumped, the verb for that is 차이다/차였다, meaning "to get kicked."

-둥 (-*dung*) "..., for example"
You can use the particle 둥 to give specific examples of an action. Suppose your friend is a nice guy who compliments everyone he meets.

You could describe him simply using this sentence: 그 사람은 친찬을 많이 해 ("That guy praises people a lot"). Or you could be specific about some of the compliments he gives out: 최고라는 둥, 멋지다는 둥, 그 사람은 칭찬을 많이 해 ("That guy praises people a lot, stuff like 'You're the best!' and 'You're so great!'"). See the difference 둥 can make?

To use it with a verb or adjective, attach 둥 to the plain -다 form (like 멋지다는 둥 above). To use it with a noun, add 라는 to the noun and put 둥 after that (like 최고라는 둥 above).

인간 (*ingan*) "dude," "guy" (insulting)
Literally, 인간 (人間) is just an anthropology term for "human being." But you can use it in a self-consciously over-the-top way to describe someone you don't like.

For Example:

1. 저 인간을 내가 가장 싫어하는 사람이다.
   Jeo inganeul naega gajang sireohaneun saramida.
   "That's the guy I hate the very most."

While 사람 shows our common humanity-we're all in this flesh (살) together, after all-인간 is more coldly scientific. It suggests that the object of your distaste may be human in a BIOLOGICAL sense, but that's as far as it goes; beyond that, he's not so human, as far as you're concerned.

GRAMMAR

The Focus of This Lesson Is Exaggerative Expressions with the Verb 미치다, Meaning "to Be Crazy."
화가 나서 미치겠다.
Hwaga naseo michigetda.
"This anger is making me crazy."

You can use the verb 미치다 or 미치겠다, which means "to be crazy," in the same way that you used 죽겠다. Although it sounds exaggerative, Korean people use it just to mean "too much." Especially when you have a lot of stress and it seems like it will drive you crazy, you can use this verb.

1. The Phrase 미칠 것 같다.

The meaning is "I feel like getting crazy." When you feel like you'll be out of control or literally getting crazy, you can use this phrase to describe your situation or feeling.

2. 미칠 것 같이 + Verb about Situation.

You can use the verb 미치다 to describe the situation making you feel a lot of stress. In this situation, you can use the phrase like this.

미칠 것 같이 + Verb about situation.

For Example:

1. 미칠 것 같이 바쁘다.
   Michil geot gachi bappeuda.
   "I'm so busy that it will make me crazy."

When you talk about love, you can use this phrase for positive situations. You can say 미칠 것 같이 사랑한다 to mean "I'm so falling in love with someone who will make me out of my mind" or simply "I'm crazy in love."

3. ㅇㅇ여서 미칠 것 같아.

If you want to say the reason or situation from which you get a lot of stress, you can put the reason before the phrase 미칠 것 같다.

Verb Stem + 여서/어서 미칠 것 같아.
"I'm so [verb stem] that it will drive me crazy."

Noun + 때문에 미칠 것 같아.
"I will be crazy because of [something]."

For Example:

1. 바빠서 미칠 것 같아.
   Bappaseo michil geot gata.
   "I'm so busy, and it drives me crazy."
2. 일 때문에 미칠 것 같아.
   Il ttaemune michil geot gata.
   "I will be crazy because of the work. "
3. 사장 때문에 미칠 것 같아.
   Sajang ttaemune michil geot gata.
   "My boss is giving me so much stress that it will make me go crazy."

Examples from This Dialogue

1. 아 생각만해도 화나서 미쳐버릴 것 같아.
   A saenggangmanhaedo hwanaseo michyeobeoril geot gata.
   "Even thinking about it drives me nuts."
2. 처음에는 하루라도 못 보면 미칠 것 같다는 둥, 미치도록 사랑한다는 둥 했었잖아.
   Cheoeumeneun harurado mot bomyeon michil geot gatganeun dung, michidorok saranghandaneun dung haesseotjana.
   "At first, he was always saying he'd go crazy if he didn't see me every day and that he was so crazy in love with me."

Sample Sentences

1. 내 동생때문에 화가 나서 미치겠다.
   Nae dongsaengttaemune hwaga naseo michigetda.
   "My younger brother is making me crazy."

CULTURAL INSIGHT

If You Are My Best Friend, Tell Me Everything.

If your Korean friend asks you a too-private question, don't be surprised or be mad. It means he or she considers you as a best friend. When you become someone's best friend, you're qualified to hear almost everything about his or her life at work and home: especially men-to see them naked in a public bath.

VOCABULARY PHRASE USAGE

한 / 대충 / 대강 (*han*/*daechung*/*daegang*) "approximately"

When you have a general idea of the quantity but don't know the exact number, you can use the adverbs 한, 대충, and 대강 (大綱) to mean "about" or "roughly." They go before the estimate, and the word 정도 (程度 "extent") often comes afterward.
For Example:

1. 한 5년 정도?/대충 5년 정도?/대강 5년 정도?
   "Han o-nyeon jeongdo?/Daechung o-nyeon jeongdo?/Daegang o-nyeon jeongdo?"
   "About five years?"

허하다 (*heo-hada*) "to feel empty"
허 (虛)하다 means "to feel empty." Most often, people use it to mean "I'm hungry": in other words, "I feel empty in my stomach." But it can also describe emotion. For example, you can say 마음이 허하다 ("My heart is empty") to show your heartbreak after the end of a relationship or when someone leaves and you have to say good-bye, so you feel empty. It means you feel a hole inside of your heart.

여한이 없다 (*yeohani eopda*) "no regrets"
한 (恨) is a common Sino-Korean word for a deep sadness full of regret, and 여 (余) means "left over." 여한, then, means "lingering regret." So, 여한이 없다 is a way to state that there are no regrets lingering in your mind.

GRAMMAR

The Focus of This Lesson Is Exaggerative Expressions with the Verb 살다, Meaning "to Be Alive."
죽다 살아났다.
"I was almost dying but am now alive."

---

1. 잘 먹고 잘 살아라. ("Eat well and live well.")

This sentence literally means "eat well and live well," as in wishing someone good luck. But it also sounds like you are saying good-bye to someone you won't see anymore. That's why Korean people use this idiom when they are in a serious fight. If you see someone saying this phrase after the fight, you can guess it means that "I'm not going to be there whenever you need me, so I hope you stay well without me." You cannot use this phrase in daily conversation.

For Example:

1. 그래. 더 이상 참을 수 없어. 잘 먹고 잘 살아라. 다시는 연락하지 마.
   "Okay. I cannot stand this anymore. Eat well and Live well. (Good luck with everything.) Don't call me anymore."

2. 산 송장 ("living corpse")

It's rhetorical, but people use this a lot in desperate situations. When you see someone who looks terribly desperate or disappointed, you can describe him or her as 산 송장. It means someone seems almost like a corpse since there is no expression left but sadness.

For Example:

1. 그의 아내가 죽은 뒤 그는 산 송장이 되었다.
   "He became a living corpse after his wife passed away."

3. 죽다 살아났다 ("I was almost dying but am now alive.")

As you learned in Lesson 8, Korean people use the verb 죽다 ("to die") when they describe a terribly bad situation or feeling. For the opposite situation, they use the verb 살아나다, meaning "to be alive."

For this reason, you can hear many people say 죽다 살아났다. It literally means that they were almost dying but are alive again, and people use this phrase to mean "I was miserable, but now it's okay." You can use this phrase for any situation, such as "I had too much stress, but now I feel okay." You can also use the phrase's literal meaning in a situation where you had a car accident and you were almost dying, but you are now okay.

For Example:

1. 나는 우울증때문에 죽다 살아났다.
   'Naneun oo-ooljeung taemunae jukta salanatta.'
   "I was miserable because of the depression, but now it's okay."

Examples from This Dialogue

1. '잘 먹고 잘 살아라'라고 말하면서 헤어졌지만, 처음 한달 동안은 죽을만큼 외로웠어.
   'jal meokgo jal sarara'rago malhamyeonseo heeojyeotjiman, cheoeum handal donganeun jugeulmankeum oerowosseo.
   "Even though I wished him the best, I was dying of loneliness for that first month."
2. 처음 한달간은 집 밖에도 잘 안 나왔다니까. 산 송장이었어. 말그대로 죽다 살아났어.
   Cheoeum handalganeun jip bakkedo jal an nawatdanikka. san songjangieosseo. malgeudaero jukda saranasseo.
   "I barely left my house for the first month. I was a living corpse. I literally felt like dying."

CULTURAL INSIGHT

Why Koreans Wish Good Luck in a Fight

If you fight with someone and you think you don't want to see the person again, wish the person good luck with 얼마나 잘 되자 보자 ("Let's see how well you fare") or 잘 먹고 잘 살아라 ("Live well and eat well"). Then you'll get a similar statement in return, and the fight will be over. When you see people fighting, listen carefully, since that's the best time to learn Korean phrases for well-wishing.

VOCABULARY PHRASE USAGE

찾아뵙다 (*chajaboepda*) "to visit" (humble)

You can use 찾아가다 to mean "to visit to see" someone in general situations. If you'd like to be polite, however, you can use a slightly different verb: 찾아뵙다. 뵙다 is the humble form of the verb 보다 (to see), so it makes the verb more polite.

For Example:

1. 내일 부장님을 찾아뵙겠습니다.
   "Naeil bujangnim-eul chajaboepgesseumnida."
   "I'll come in to see the department leader tomorrow."

아드님 / 따님 (*adeu-nim/dda-nim*) "your son"/"your daughter" (honorific)
아 드님 and 따님 are the honorific forms of the nouns 아들, meaning "son," and 딸, meaning "daughter." Use them when speaking to someone who outranks you about that person's children. It's okay if the children are younger than you; the key is that they belong to someone older or higher in the pyramid than you are.

제대 / 복학 (*jedae bokhak*) "leaving the army"/"returning to school"
제 (除) means "to exclude," and 대 (隊) is short for 군대 (軍隊), meaning "army."
제 대 looks like it would mean getting kicked out of the army, and in some unfortunate cases it does, but in general it just means leaving the army after one's term is up. No dishonor is necessary. The opposite of 제대 is 입대 (入隊), which means "entering the military."

For students who've taken a leave from college to do their military service, the next step after 제대 is 복학 (復學), which means "returning to school." 復 means "to return," and 學 means "school," so that makes perfect sense. Can you guess then what it's called when you enter a school for the first time? 입학, of course, and it's probably the biggest sigh of relief in any Korean's life, especially high school.

GRAMMAR

The Focus of This Lesson Is Set Phrases Frequently Used in Formal Greetings
아드님은 건강하시구요?
"Is your son in good health?"

When you meet someone older than you or someone in a business meeting, you can greet the person in a formal way. In this case, you can use different verbs and form sentences in indirect way to be more polite.

1. 여기 제 명함입니다. ("This is my business card.")

When you give something to the other person in a formal situation, you can give the item using both hands and say 여기 제 [something] 입니다 (*yeogi je something ipmida), which means "*Here is my [something]."

For example, you can give the other person your business card and say 여기 제 명함입니다 *(yeogi je myeonghamipmida), which means "*Here is my business card."

For general cases, the younger or lower-ranked person should give something first to the other person.

In the same way, you can say the following sentences.

For Example:

1. 여기 제 결혼식 초대장입니다.
   yeogi je gyeolhonsik chodaejangipnida.
   "Here is my wedding invitation."
2. 여기 제 아들 사진입니다.
   yeogi je adul sajinipnida.
   "Here is my son's picture."

2. -님은 건강하시구요? ("Is someone in good health?")

If you know someone else well, you can greet the person and ask things about the person's family. That's a good way to show your respect and interest in the person. In this case, you can say [Someone] 은 건강하시구요? (*someone eun gunganghashiguyo?), which means "*Is [someone] in good health?"

Since this sentence is honorific, you should use a different set of pronouns, such as the following: 아드님 (아들), 따님(딸), 사모님(부인), 아내 되시는 분 (부인), 남편 되시는 분 (남편), 어머님 (어머니), 아버님 (아버지).

Generally, people call the other person's parents 아버님 or 어머님 instead of saying 아버지 or 어머니. That's why a wife calls her father-in-law 아버님, not 아버지. You can also use this pronoun when you ask about someone else's parents.

3 . -도 같이 뵈면 좋을 것 같습니다. ("It would be great if we see someone together.")

When you say '- 하고 싶습니다, meaning "want to do something-," in a polite way, it's best to say it indirectly, as in -하는 것이 좋을 것 같습니다, which means "I think it will be better if we do something-."

If you'd like to suggest something, it's great to say Verb + Stem +으면/면 좋을 것 같습니다, which means "I think it will be better if we do something."

For example, you can say 같이 가면 좋을 것 같습니다 to mean "Let's go there together" in a polite way, instead of saying 같이 가고 싶습니다.

When you choose the verb, choose the honorific one if possible, such as 뵙다 for 만나다, meaning "to meet," or 하시다 for 하다, meaning "to do."

Examples from This Dialogue

1. 아, 여기 제 새로 나온 명함입니다.
   A, yeogi je saero naon myeonghamipnida.
   "Ah, this is my new business card."
2. 감사합니다. 아드님은 건강하시구요?
   Gamsahapnida. adeunimeun geonganghasiguyo?
   "Thank you so much. Is your son in good health?"
3. 혹시 다음에 기회가 되면 아드님과 같이 뵈면 좋을 것 같습니다.
   Hoksi daeume gihoega doemyeon adeunimgwa gachi boemyeon joheul geot gatgeupnida.
   "I think it would be great to have dinner with you and your son if we get a chance."

Sample Sentences

1. 여기 제 명함입니다.
   Yeogi je myeonghamipnida.
   "Here is my business card." (honorific)
2. 아드님은 건강하시구요?
   Adeunimeun geonganghasiguyo?
   "How's your son doing?" (honorific)
3. 아드님도같이 뵈면 좋을 것 같습니다.
   Adeunimdo gachi boemyeon joheul geot gatgeupnida.
   "It would be great to see you and your son." (honorific)

CULTURAL INSIGHT

Newly Employed at 28

In Western countries, people get their first jobs in their early to middle twenties. In Korea, it's more often at age twenty-seven or twenty-eight. Although Korean students generally take four years to graduate college, they often take a one- or two-year leave of absence to study abroad. People these days see study-abroad experience is quite important, so they often postpone their graduation to get study-abroad chance. Besides, men must also serve in the military for two or three years. Most of all, obtaining a graduate degree has also become very popular in Korea, and a lot of people attend graduate school after graduating college. That's why the average age of new recruits is going higher and higher.

VOCABULARY PHRASE USAGE

약주 (*yakju*) "alcohol" (honorific)
약주 (藥酒) is one of the popular polite words in Korean. 약 (藥) means "medicine," and 주 (酒) means alcohol, so 약주 sounds like "alcohol that's good for health." There are actual calcohols with medicinal purpose but most alcohols don't really fit this description. In this context, using 악주 in place of 술 is to bring a positive atmosphere for a night out.

굳이 (*guji*) "you don't have to do this"
굳 다 is an adjective that means "hard" or "stiff." We often use this 굳이 to thank people for doing something above and beyond the call of duty, as in 굳이 그렇게 하지 않아도 되는데, which means "You didn't have to go to all that trouble. It was unnecessary...!"

뒤따르다 (*dwittareuda*) "to follow" or "to do [something] after [someone else does it]"
뒤 means "behind" and 따르다 means "to follow," so 뛰따르다 is "to follow behind someone." This can literally mean chasing (or stalking) someone on the street, but it can also mean to wait for someone else to start eating before you do. Korean culture mandates that older people eat first, so you can often hear the younger ones at the table saying 제가 뒤따르겠습니다.

Though you probably wouldn't say "follow" for this figurative meaning ("You eat first; I'll follow"-odd, right?), "follow" seems to be the official English translation of 뒤따르다, which might explain why Koreans often use "follow" in English in ways that native English speakers wouldn't (to mean "imitate," for example; Koreans often say "follow" where you might say "copy" or "by order").

GRAMMAR

The Focus of This Lesson Is Formal Phrases Frequently Used at the Table.
사장님 먼저 드십시오.
Sajangnim meonjeo deusipsio.
***"*Please have some first, sir."**

---

1. 아/어/여 주십시오 Meaning "Please Do Something."

At the Korean table, it's important to say something politely even when you're in a casual meeting. For example, it's better to use the verb ending -십시오 because it has a higher politeness level than -세요. When you ask something of someone older than you or of someone in a higher social status, you can use the verb 주십시오 instead of 주세요.

For example, you can ask someone to do something with the following structure:
Verb Stem + 아/어/여 주십시오.

For Example:

1. 와 주십시오. (오+아 주십시오)
   Wa jusipsio.
   "Please come here."
2. 전달하여 주십시오. (전달하+여 주십시오)
   Jeondalhayeo jusipsio.
   "Please pass it for me."

It's much better than simply saying 와주세요 or 전달해주세요, especially at the table.
Here are some tips for the verbs ending with -십시오: when you read it, pronounce it as 십시요, not 십시오, although it doesn't match the spelling.

2. 좋아해서 하는 건데요. , Meaning "I'd Like to" or "No Problem"

When someone says "thank you" in a formal situation, you can say 좋아서 하는 건데요 to mean "it's no problem." It literally means "That's just what I'd like to do."
You can also say 별 일 아닌걸요, the phrase literally meaning "it's nothing," or 아닙니다, the phrase literally meaning "no; polite."

Examples from This Dialogue

1. 사장님 먼저 드십시오.
   Sajangnim meonjeo deusipsio.
   "Please have some first, sir."
2. 그럼 제 잔도 받아주십시오.
   Geureom je jando batajusipsio.
   "Sir, please have mine too."
3. 아닙니다. 좋아서 하는 건데요.
   Anipnida. johaseo haneun geondeyo.
   "No, sir. That's what I'd like to."

CULTURAL INSIGHT

The Oldest Pay; the Youngest Serve.

If you are invited to a dinner with people older than you, don't bring your wallet or purse. You won't need it, because your seniors are going to pay for you. But here is one thing to remember: in return, it is traditional to treat them good by helping serve them. Even though there are waitresses around to do these jobs, it is customary to take care of your seniors by keeping their glasses filled and having they have everything they need.

이번 사건과 관련해서 여러 추측이 나오고 있습니다. *ibeon sageongwa gwallyeonhaeseo yeoreo chucheugi naogo itseumnida.* "There has been much speculation about this incident."	

VOCABULARY PHRASE USAGE

여쭤보다 (*yeojjweoboda*) "to ask" (humble)
If you break down the verb 여쭤보다, you can see 여쭙다 and 보다. 여쭙다 is the humble form of the verb 묻다 ("to ask"), so 여쭙다 alone is not a bad way to ask something politely. But if you tack on the helping verb 보다 ("to try"), you can make it even more polite! That's why Korean people prefer using 여쭤보다 to using 여쭙다 alone.

결재: 전자 결재 / 결재 올리다 (*gyeoljae: jeonja gyeoljae/gyeljae ollida*)
"approval: "electronic approval"/"submit for approval"
결재 (決裁) means approval, as in the official kind you need on your documents at work. Here are some examples of how we use it:

For Example:

1. 상사가 문서를 결재하다.
   Sangsaga munseoreul gyeoljaehada.
   "My supervisor approved the document."
2. 나는 상사에게 결재를 부탁했다.
   Naneun sangsaege gyeoljaereul butakhaetda.
   "I asked the supervisor to approve the document."
3. 전자 결재
   Jeonja gyeoljae
   "electronic approval"
4. 결재 올리다
   Gyeoljae ollida
   "submit ('send up') for approval"

Be warned: there's another 결재 out there that we pronounce the same way, but it uses different Chinese characters (決濟). That one means to pay a bill, usually by credit card. Don't confuse the two!

제안서 (*jeanseo*) "proposal" (business)
제안(提案)하다 means "to propose" (提 = "offer" and 案 = "plan"). Add 서 (書 "writing," "document") and you get a proposal of the written sort you see all the time at work. You can also add 서 to other words to get their written versions: 진단 (診斷 "diagnosis") + 서 = 진단서 ("medical certificate"), and 설명 (說明 "explanation") + 서 = 설명서 ("user manual").

GRAMMAR

The Focus of This Lesson Is Formal Phrases Frequently Used at Work.
부장님. 바쁘신데 시간내서 확인해 주셔서 감사합니다.
Bu jangnim. bappeusinde sigannaeseo hwaginhae jusyeoseo gamsahapnida.
"Thank you for taking the time from your busy schedule to check it for me."

1. -도 괜찮으시겠습니까?
-Do gwaenchaneusigetseupnikka?
"Is that okay if I do something?"

When you ask someone who is older than you if you would like to do something for them, you can use this form.

Subject + Verb Stem + 아/어/여 도 괜찮으시겠습니까?

괜찮으십니까? literally means "Is that okay?" but it's a polite way to ask permission to do something.

For Example:

1. 제가 봐(보다+아)도 괜찮으시겠습니까?
   Jega bwa(boda a)do gwaenchaneusigetseupnikka?
   "May I see this?"
2. 제가 들어가도(들어가+아)도 괜찮으시겠습니까?
   Jega deureogado(deureoga a)do gwaenchaneusigetseupnikka?
   "May I come in?"

In these sentences, you should say 제가 instead of 나는 because the sentences are formal.

If you add the supporting verb 보다 ("to try") to the main verb, you can make it more polite.

For Example:

1. 제가 들어가봐도 (들어가+아+보+아)도 괜찮으시겠습니까?
   Jega deureogabwado (deureoga a bo a)do gwaenchaneusigetseupnikka?
   "May I ask to come in?" (literally, "May I ask you that I can try to come in?")

It's more polite than 제가 들어가도 괜찮으시겠습니까?
In that way, you can combine the supporting verb 보다.

For Example:

1. 사용해보다 (사용하+여+보다) -> 제가 사용해봐도 괜찮으시겠습니까?
   Sayonghaeboda (sayongha yeo boda) -> jega sayonghaebwado gwaenchaneusigetseupnikka?
   "May I use this?"
2. 먹어보다 (먹+어+보다) -> 제가 먹어봐도 괜찮으시겠습니까?
   Meogeoboda (meok eo boda) -> jega meogeobwado gwaenchaneusigetseupnikka?
   "May I eat this?"

2. 죄송하지만 Noun 부탁드립니다.
Joesonghaji man Noun butakdeuripnida.
"Pardon me (for asking), but please do something."

When you ask for something politely, such as asking for approval or review, you can use this form:

죄송하지만, Noun 부탁드립니다.
Joesonghajiman, Noun butakdeuripnida.
"Pardon me (for asking), but please do something."

For Example:

1. 죄송하지만 확인 부탁드립니다.
   Joesonghajiman hwagin butakdeuripnida.
   "Pardon me for asking, but please check it out."
2. 죄송하지만 명함 부탁드립니다.
   Joesonghajiman myeongham butakdeuripnida.
   "Pardon me for asking, but may I have your name card, please?"

3. 바쁘신데 [something] 아/어/여 주셔서 감사합니다.
Bappeusinde [something] a/eo/yeo jusyeoseo gamsahapnida.
"Thank you for taking the time from your busy schedule to do something for me."

This is the polite way to say "thank you." When someone takes his or her own time to help you, you can use this phrase.

바쁘신데 시간 내서 Verb Stem 아/어/여 주셔서 감사합니다.

For Example:

1. 바쁘신데 확인해주셔서 감사합니다.
   Bappeusinde hwaginhaejusyeoseo gamsahapnida.
   "Thank you for taking the time from your busy schedule to check it for me."
2. 바쁘신데 와주셔서 감사합니다.
   Bappeusinde wajusyeoseo gamsahapnida.
   "Thank you for taking the time from your busy schedule to come here for me."

CULTURAL INSIGHT

Dual Signing System at Work

In Korea, many twenty- and thirty-somethings are digitalized. They love doing things on computer. But if your supervisor is older than forty, he may prefer working in the old-fashioned way. Despite pressure from the company to check proposals online, he might prefer print-outs. If your boss is like that, you'll need to submit your proposal for approval twice: once online as the company asks, and another on paper to your boss.

그 남자는 손에 든 것이 없었다. *geu namjaneun sone deun geonni eopseotda.* "He didn't bring any presents."	

VOCABULARY PHRASE USAGE

손에 든 것 (*son-e deun geot*) "gift," "presents"
Literally, 손에 든 것 means "something you hold in your hands." In most cases, though, it's understood to mean gifts or presents. When people bring gifts to a party, they usually put them in paper bags and hold them in their hands. The likely recipient will see this and ask 손에 든 건 뭐야? ("What's that in your hands?") The person will probably not ask 그것 선물이야? ("Is that a gift?"), as this sounds too direct.

오른팔 (*oreunpal*) "right-hand man"
Your right-hand man in English would be your "right arm" in Korean. He's your most important supporter. And if you're lucky, he's not the only one you have. The next guy down is 왼팔, your "left arm."

For Example:

1. 저는 사장님의 오른팔입니다.
   Jeoneun sajangnimui oreunparipnida.
   "I'm the president's right-hand man."
2. 팀장님은 사장님의 오른팔이고, 저는 사장님의 왼팔입니다.
   Timjangnimeun sajangnimui oreunparigo, jeoneun sajangnimui oenparipnida.
   "My manager is the president's right-hand man, but I'm the guy the president trusts most after him."

비행기를 태우다 (*bihaengi-reul tae'uda*) "to flatter"
"To put on a plane" is a rather creative image for flattery. Perhaps because planes fly high above the normal course of life, or perhaps because people feel nice and relaxed on a flight, the metaphor calls to mind an inappropriate or undeserved level of luxury.

For Example:

1. 비행기 태우지 마.
   Bihaenggi taeuji ma.
   "Don't flatter me."

팀장님처럼 나이드는 게 소원입니다. (*Timjangnimcheoreom naideuneun ge sowonipnida.*) "I hope one day to age gracefully as you are."
It's a polite way to show your respect to someone older than you. 나이들다 is the honorific verb meaning "to age."

GRAMMAR

The Focus of This Lesson Is Set Phrases Frequently Used at a Birthday Party.
앞으로도 건강하고 행복하게 오래오래 사세요.
"I hope you live forever with good health and happiness."

---

1. 생일 축하드립니다. *Saengil chuk hadeuripnida.*
"Happy Birthday"

If you have anything to celebrate in a formal situation, you can simply use the phrase

[Noun] + 축하드립니다. "Congratulations on [Noun]."

For Example:

1. 생일 축하드립니다. *Saengil chukhadeuripnida*
   "Happy Birthday."
2. 승진 축하드립니다. *Seungjin chukhadeuripnida.*
   "Congratulations on the promotion."
3. 결혼 축하드립니다. *Gyeolhon chukhadeuripnida.*
   "Congratulations on the wedding."
4. 출산 축하드립니다. *Chulsan chukhadeuripnida.*
   "Congratulations on childbirth."

Note: For informal situations, you can simply say [Noun] + 축하해 when you have something to celebrate with your friends or family.

2. 오래오래 행복하게 사십시오. *Oraeorae haengbokhage sasipsio.* "Please live long, in happiness for long."

When you make a wish to someone older than you, you can use the phrase **Verb Stem + 게 사십시오. "Please live long, in [something]."**

1. 건강하게 사십시오 (건강하+게) *Geonganghage sasipsio*
2. "Please live in a good health."

4. "Please live in happiness."
5. 즐겁게 사십시오 (즐겁+게) *Jeulgeopge sasipsio*
   "Please live full of joy."

cf. When you walk around Korea, you will see a lot of signs saying 주십시요 instead of 주십시오. It is a typo, but actually many mistakenly use it because it is pronounced the same way as the former one. So don't get confused!

1. 오늘 팀장님 생신이시잖아요. 생신 축하드립니다.

VOCABULARY PHRASE USAGE

와중 (*wajung*) "in the middle of" or "although"
To indicate a "while," the time it takes to do something, it's usually fine to say 동안. But when the "in the middle of" belongs to someone older or higher ranking, it's better to use the honorific form 와중 (渦中). This literally means "in the middle of a whirlpool." What a great way to show you understand how crazy someone's schedule is!

For Example:

1. 바쁘신 와중에 와주셔서 감사합니다.
   Bappeusin wajung-e wajusyeoseo gamsa-hamnida.
   "Thanks for taking time from your busy schedule to come."

식사자리를 마련하다 (*siksajari-reul maryeon-hada*) "to take care of a meal"/"I'd like to see you again"
식사 (食事) means "meal," 자리 means "site," and 마련하다 means "to prepare," so the phrase 식사자리를 마련하다 literally means "to prepare a place for the meal" or, more simply, "to set the table." But we can also use it in a broader, figurative sense when arranging meals outside one's own kitchen. In this sense, it covers everything from inviting people to making the reservation at the restaurant or even arranging the food.

Despite the 식사 part, 식사자리를 마련하겠습니다 isn't always a promise to take care of the next meal. Though it does literally mean this, what's important in this usage is the feeling behind the words: "Good-bye, and I hope to meet again."

더없이 (*deo'eopsi*) "beyond measure" or "as much as one can be"
더 means "more," and 없이 means "without," so the combined adverb 더없이 means "in a way there can be no more than" or "to the greatest extent possible." It emphasizes positive feelings, as in 더없이 기분 좋다 ("to feel the best that nothing else could be better"). 더 없이 means much the same as 매우 ("very much"), but to a greater and happier degree.

GRAMMAR

The Focus of This Lesson Is Set Phrases Frequently Used in E-mail.
이번 한 주도 좋은 일 가득하시기 바랍니다.
"I hope all your work goes well this week." (Honorific)

When you send e-mail in Korean, you can use this form.

[Receiver] 님 안녕하십니까.

[Company name] 의 [Sender] 입니다.

이번 한 주도 좋은 일 가득하시기 바랍니다.

늘 건강하십시오.

[Date]

[Company Name] [Sender's name] [Job title] 올림.

1. 이번 한 주도 좋은 일 가득하시기 바랍니다.

When you close an e-mail, you can use phrases like the following:

For Example:

1. 이번 한 주도 좋은 일 가득하시기 바랍니다.
   Ibeon han judo joheun il gadeukhasigi barapnida.
   "I hope all your work goes well this week." (honorific)
2. 늘 건강하십시오.
   Neul geonganghasipsio.
   "Please be always in good health." (honorific)

Like the phrase 좋은 일 가득하시기 바랍니다, you can use the form Verb Stem + 시기 바랍니다 to mean "I wish you to do something."

For example, you can say:

1. 건강하시기 바랍니다 [건강하+시기] *Geonganghasigi barapnida.*
   "I wish you are in good health."
2. 행복하시기 바랍니다. [행복하+시기] *Haengbokhasigi barapnida.*
   "I wish you are in happiness."
3. 결혼 잘 하시기 바랍니다. [결혼 잘 하+시기] *Gyeolhon jal hasigi barapnida.*
   "I wish you have a nice wedding."

Also, you can add the adverb 늘 to mean "forever."

For Example:

1. 늘 건강하시기 바랍니다. [건강하+시기] *Neul geonganghasigi barapnida.*
   "I wish you are in good health always."

2. 2011년 4월 9일.

When you write a date in e-mail, you can write it down as year/month/date.

For example, 2011년 4월 9일.

You should always write the date as year, month, and then day.

3. [Sender's name] 올림.

As you also write "Sincerely yours, Sender's name" in English, you can also say [Sender's name] 올림.

올림 is the noun form of the verb 올리다, meaning "to send up." It literally means the sender is sending up the e-mail/letter to someone higher.

When you want to add a job title or a company's name, you can say [Company Name] [Sender's name] [Job title] 올림.

For Example:

1. 이노전자 김성근 팀장 올림.

You can replace 올림 with 드림, which also means "sent from" (humble).

Examples from This Dialogue

1. 이번 한 주도 좋은 일 가득하시기 바랍니다.
   Ibeon han judo joheun il gadeukhasigi barapnida.
   "I hope all your work goes well this week." (honorific)
2. 이노전자 김성근 팀장 올림.

CULTURAL INSIGHT

Why Korean People Make a Phone Call After Sending an E-mail

However politely you write an e-mail to someone in a higher position than you, you should make a phone call to let the person know you sent an e-mail. Although writing takes more times than speaking, the other person may prefer to talk and consider the phone as a more polite option. And some people don't check their e-mail very often, so it's good for you to confirm that they've seen it, especially when it is an urgent or important message.

VOCABULARY PHRASE USAGE

[얼굴이 / 일이] 풀리다 ([*eolgul-i*/*il-i*] *pullida*) "to get easier/lighter"

The verb 풀리다 means "to come untied" and suggests that a gnarly situation has gotten easier. So 일이 풀리다 means that one's work, which was pretty tough for a while, has recently become more manageable. In the same way, 얼굴이 풀리다 says that someone's mood (as observed on his face) has lightened up from the serious state it was in before.

For Example:

1. 일이 잘 풀려서 얼굴이 잘 풀렸어요.
   Iri jal pullyeoseo eolgur-i jal pullyeosseoyo.
   "My work is going well now, so I'm feeling better."

쏘다 (*ssoda*) "treat [someone] [to a meal]"
The literal meaning of 쏘다 is "to fire" or "to shoot," as in 총을 쏘다, meaning "to fire a gun." These days, it also often means "to pay for [a meal]." So if you hear someone in a restaurant say 내가 오늘 다 쏠게, you don't have to worry about getting shot-or about buying your meal, since it's taken care of.
Saying "shoot" for "buy" is innately casual, so in formal situations you're better off using 사다: 내가 살게 or 제가 살게요, meaning "I'll buy this."

더치페이 (*deochipei*) "going Dutch"
Traditionally, Koreans don't go Dutch. One person pays for the whole meal, and his companions take turns paying for the next few meals. These days, though, separate checks are becoming more common. While English speakers call this "GOING Dutch," Koreans call it "Dutch pay." For students, it is general. 더치페이 is a noun, so it's ready to use with 하다: 오늘은 더치페이할까? Meaning "Shall we go Dutch today?" If you want to be more literal about it, you can also ask 오늘은 각자 낼까? meaning "Shall we pay separately today?" 각자 (各自) means "each for oneself," and 내다 is one way to say "to pay" (probably from the concept of putting out your money).

GRAMMAR

The Focus of This Lesson Is the Idiomatic Expressions That Use 짜다 ("Salty") to Mean "Tightwad" and 싱겁다 ("Tasteless") to mean "Boring."
우리 사장님은 너무 짜서 한 번도 식사를 사준 적이 없어요.
"My boss is so stingy: he hasn't bought me a single meal so far."

---

1. 그 사람은 짜다. *Geu sarameun jjada.*
"The guy is salty (cheap)"

If you see someone not spending money even when he or she needs to, you can call the person a "tightwad." In Korean, you can say 그 사람은 짜다, which literally means "the guy is salty."

For Example:

1. 그 사람은 너무 짜서 나한테는 아무것도 사주지 않았다. *Geu sarameun neomu jjaseo nahanteneun amugeotdo sajuji anatda.*
   "The guy is too salty to buy me anything so far."

You can also use the noun 짠돌이 (*jjandori*) to mean "the tightwad."

For Example:

1. 그 사람은 짠돌이이다. *Geu sarameun jjandoriida.*
   literally, "The man is such a salty guy" or "The man is a tightwad."

In Korean, guys spend more than their girlfriends do on dates. If you don't spend more than your girlfriend or go Dutch every time, you would be called 짠돌이.

2. 그 사람은 싱겁다. *Geu sarameun singgeopda.*

"The guy is tasteless."

싱겁다 is the verb meaning "not salty or not tasteless." Korean people like to have foods with strong tastes. If they don't find any strong tastes, they call it 싱겁다, which we can translate as "not salty."

When someone doesn't make good jokes, you can call them싱겁다.

For Example:

1. 내 남자친구는 싱거운 농담만 해. *Nae namjachinguneun singgeoun nongdamman hae.*
   "My boyfriend is always making bad jokes."

You can also use the noun 싱거운 사람 to mean "the unfunny guy."

For Example:

1. 그 사람은 싱거운 사람이다. *Geu sarameun singgeoun saramida.*
   literally, "The man is a tasteless guy" or "The man is not so fun."

This verb is not only for people: you can also use this verb to talk about jokes.

For Example:

1. 그 농담은 싱겁다. *Geu nongdameun singgeopda.*
   literally, "The joke is tasteless" or "The joke is not funny."

Also, you can use the verb 싱겁다 to mean "someone with no character."

Examples from This Dialogue

---

1. 짜도 짜도 그런 짠돌이가 없어. 매일매일 더치페이에다가 선물 한 번 없고. 가끔은 내가 돈을 더 많이 쓴다니까?

   "I've never seen such a tightwad (literally, "someone so salty"). Every day, we went Dutch. He never gave me any presents. And sometimes, I spent more than he did!"
2. 게다가 싱겁기는 얼마나 싱거운지. 농담이라고 하는게 죄다 재미없고 썰렁하기만 했다니까.
   Gedaga singgeopgineun eolmana singgeounji. nongdamirago haneunge joeda jaemieopgo sseolleonghagiman haetdanikka.
   "On top of that, he was boring (literally, "not salty enough"). His jokes were so unfunny, they left me frozen."

Sample Sentences

---

1. 우리 사장님은 너무 짜서 한 번도 식사를 사준 적이 없어요.
   Uri sajangnimeun neomu jjaseo han beondo siksareul sajun jeogi eobeoyo.
   "My boss is a tightwad: he hasn't bought me a single meal so far."
2. 싱거워서 농담이 다 재미없다.
   Singgeowoseo nongdami da jaemieopda.
   "He's not funny, so all his jokes are boring."

CULTURAL INSIGHT

When You Should Not Be Salty

As product prices are going up, more people are trying to save their money as much as possible; they become salty or cheap. However, there's one exception if you are a man. Don't be salty when dating someone. Korean women don't like to pay separately. They expect for a boyfriend to buy their meals. They usually pay for things that cost less than a meal, like coffee and desserts.

VOCABULARY PHRASE USAGE

결승 (*gyeolseung*) "final round"
결 (決) means "decide," and 승 (勝) means "victory," so 결승 means "the final round, when victory is decided." To indicate the previous round, the "semifinal," add 준 (準 meaning "second" or "alternative") to get 준결승.

명함을 꺼내다 (*myeongham-eul kkeonaeda*) "to pull out someone's business card" or "to show what someone's best skill"
The idiom 명함을 꺼내다 literally means to pull out your business card. This is an act that shows off your name and specialty or what you're best at. Figuratively, the phrase means to humble someone by being better at an activity. If you're the one getting schooled, you can describe your loss to a rival with 명함도 못 꺼내다, meaning literally, "I couldn't even pull out my business card."

얼마든지 / 누구든지 (*eolma-deunji/nugu-deunji*) "as much as you like" or "whoever"
The particle -든지 means "no matter..." or "-ever" (든= meaning "whether," and 지 makes it indefinite). Two common expressions are 얼마든지 ("as much as you like" or "it doesn't matter how much") and 누구든지 ("whoever" or "it doesn't matter who"). Others include 어떻게든지 ("however"), 언제든지 ("whenever"), 무엇이든지 ("whatever"), and 어디든지 ("wherever").

GRAMMAR

The Focus of This Lesson Is Idiomatic Expressions That Use the Phrase 나 [My Full Name] 야 Before Saying "I'm Good at Something."
왜 그래? 나 김성근이야. 노래하면 자신있어.
"What's the matter? My name is Kim Sung-geun. I'm good at singing, as all know."

If you are good at something, and the other knows it, you can simply say **나 [one' s name] 야.**

It means that "As you know, I'm good at something." When your friend talks about a singing contest that you are attending and asks you whether you can beat the others, you can simply say 나 [one's name] 야. It means "I'm good at singing, as you know."

You can also replace it with your job title, such as 나 가수야 to literally mean "I'm a singer" or 나 의사야 to literally mean "I'm a doctor." It means that "As you know, I'm [Job title], so I'm good at this." You can use this phrase only for casual conversation.

   "I'm Choi Ji-Hye, whom guys are dying to love. I can get as many as I please, so don't worry."

CULTURAL INSIGHT

Finally, I Am a Singer

The TV survival program titled "I Am a Singer" was rated the most popular TV program of 2011 in Korea. Top singers compete on this show for the highest scores. Those who score low get replaced, but those who pass all seven rounds can proudly say, "I am a singer!" and have honorable retirement since it is quite stressful for them to prepare for every performance as well to compete with other singers with their reputations or to prepare for their new albums or concerts.

VOCABULARY PHRASE USAGE

마구 (*magu*) "a lot" (casual)
마구 means "wildly" or "recklessly," but between friends, it's a casual way to say "a lot."

For Example:

1. 햄버거를 마구 먹다.
   Haembeogeo-reul magu meokda.
   "I eat hamburgers a lot."

얼굴색 (*eolgulsaek*) "face color," "the way you seem to be feeling"
In Korean, you can comment on the mood someone seems to be in by noting the color of his face: 얼굴색이 좋다 ("You seem to be feeling good") or 얼굴색이 나쁘다. For Koreans, using facial color as a stand-in for mood is more polite than commenting on the mood directly. "You seem to be in a bad mood" may come off as rude and presumptuous, but "the color of your face is bad" is an appropriate way to comment on the person's emotional state. Perhaps this way sounds ruder to Westerners?

GRAMMAR

The Focus of This Lesson Is Idiomatic Expressions That Use the Words 머리 ("Head") and 얼굴 ("Face").
정말 머리가 저절로 숙여졌어.
"I felt I owed her my respect (literally, "that I should hang down my head")."

---

1. 얼굴이 어둡다/ 얼굴이 붉어지다. 얼굴색이 돌아오다, Meaning "to Have a Dark Face"/"to Have a Red Face"/"to Have Someone's Face Color Returned"

When Korean people want to talk about someone's feelings, such as "Why do you look sad?" or "Why are you in a bad mood?" they talk about the color of the face instead.

얼굴이 어둡다 literally means "to have a dark face." When someone is depressed or not in a good mood, you can use this phrase.

For Example:

1. 오늘은 왜 이렇게 얼굴이 어두워?
   literally, "Why is your face dark today?" meaning "Why are you in a bad mood?" or "Why do you seem like you are full of sadness?"

얼굴이 붉어지다 literally means "to have a red face." When someone gets mad, you can see someone's face is getting red. So, you can use this phrase when you want to say "someone is angry."

For Example:

1. 그 사람은 팀장때문에 얼굴이 붉어졌다.
   literally, "The man got the red face because of the team manager." or "The man becomes angry because of the team manager."

얼굴색이 돌아오다 literally means "to have someone's face color returned." When someone gets back to the good mood, you can use this phrase.

For Example:

1. 그 사람은 어제 얼굴이 어두웠지만 지금은 얼굴색이 돌아왔다.
   "Yesterday, he had a dark face (in a bad mood), but now his face color returned today (in a good mood)."

2. 머리가 울리다, Meaning "to Have Ringing in One's Head"

If any noises make your ears ring, you can use this phrase.

For Example:

1. 스피커 소리때문에 머리가 울린다.
   literally, "Because of the sound from speakers, my head rings." or "My ears ring because of the sound

from speakers."

Also, when you have a headache, you can also use this phrase.

For Example:

1. 감기 때문에 머리가 울린다.
   literally, "Because of the cold, my head rings." or "I have a headache because of the cold."

3. 머리가 땅에 닿다 / 머리가 숙여지다. Meaning "to Make One's Head Touch the Ground"/"to Hang Down One's Head"

머리 or the "head" also means "oneself" or "one's confidence." In the past, people made their head touch the ground to show that they were apologizing sincerely by putting down their confidence, represented by the head. So, even now people use this phrase 머리가 땅에 닿다 to mean "to apologize sincerely." Usually, you can use the particle -을 정도로, meaning "as if."

For Example:

1. 머리가 땅에 닿을 정도로 사과했다.
   "I apologized as if my head touched the ground."

Also, you can say 머리가 숙여지다 to mean "to show respect." Historically, people bowed their head to show respect. So now you can say 머리가 숙여질 정도로 존경하다 to mean "I respect someone as if I hang down my head."

Examples from This Dialogue

---

1. *자기 얼굴이 왜 그렇게 어두워? 고개도 못 들고. 무슨 안 좋은 일 있었어?*
   Jagi eolguri wae geureoke eoduwo? gogaedo mot deulgo. museun an joheun il isseosseo?
   "Why do you look so sad (literally, "so dark")? You can't even hold up your head. Did something bad happen?"
2. *사무실에 오자마자 얼굴이 붉히면서 마구 화를 내더라고.*
   Samusire ojamaja eolguri bulkimyeonseo magu hwareul naedeorago.
   "She was so mad that her face glowed red as soon as she came into the office."
3. *처음에는 어찌나 큰 소리로 말하든지 머리가 울렸다니까.*
   Cheoeumeneun eojjina keun soriro malhadeunji meoriga ullyeotdanikka.
   "She raised such a clamor that my ears rang."
4. *우리 잘못이니까 당연히 머리가 땅에 닿도록 사과했지.*
   Uri jalmosinikka dangyeonhi meoriga ttange datorok sagwahaetji.
   "We were at fault, so I apologized to her over and over (literally, "so my head touched the ground")."
5. *그러니까 나중에는 화가 풀렸는지 얼굴색이 다시 돌아오더라.*
   Geureonikka najungeneun hwaga pullyeotneunji eolgulsaegi dasi doraodeora.
   "Her color returned to normal as her anger melted away."

6. *정말 머리가 저절로 숙여졌어.*
   Jeongmal meoriga jeojeollo sugyeojyeosseo.
   "I felt I owed her my respect (literally, "that I should hang down my head")."

CULTURAL INSIGHT

How to Say Apologies Properly in Korean

Unlike in Japanese culture, you don't have to bow at a ninety-degree angle when you apologize. What you say is more important than how you act. If it's not a serious issue, you can bow a little bit and say 죄송합니다 (*joesonghamnida*) to mean "I'm sorry." If you bow too much, the offended party may think you're overdoing it to get off the hook. So please focus less on the bow and more on the words.

DIALOGUE - KOREAN

MAIN

1. (집에서)

2. 김팀장 : 자기는 고객서비스팀에 있으면 누가 얼마나 화가 났는지 어떻게 알 수 있어?

3. 아내 : 그럼. 당연하지. 먼저 눈꼬리를 체크해야돼.

4. 김팀장 : 눈꼬리?

5. 아내 : 응. 아무리 눈꼬리가 내려가 있는 사람이라도 화가 나면 눈꼬리가 올라가잖아. 그 눈꼬리 끝이 바들바들 떨리면 화를 참고 있다는 의미지.

6. 김팀장 : 더 심각한 경우는?

7. 아내 : 화를 참지 않고 폭발하는 사람들? 눈이 뒤집힌 사람들도 많아. 눈이 뒤집혀서 눈에 보이는 게 하나도 없는 사람들 있잖아. 그런 사람들은 가끔 욕도 한다니까? 물론 이해는 해. 눈에 넣어도 아프지 않을 아이들이 다친 경우니까. 나같아도 눈이 뒤집힐거야 아마.

8. 김팀장 : 그래도 눈을 뗄 수 없을 정도로 예쁜 우리 자기인데, 자기 얼굴 보고 화 풀리는 사람들도 있지 않아?

9. 아내 : 그러면 좋겠지만, 대부분 엄마들이 오니까 그런 일은 없어. 그래도 자기 덕에 기분은 좋네 뭐.

ENGLISH

2. Kim : Working on the customer service team, can you tell who'll get angry—and how much?

3. Wife : Sure. Of course. The first thing to check is the outside corners of their eyes (literally, "eye tails").

4. Kim : The corners of their eyes?

5. Wife : Yes, even people whose corners usually point down raise them when they get angry. And if the corners of the eyes are trembling, it means the person is holding in his anger.

6. Kim : What about more serious cases?

7. Wife : You mean when people lose their tempers (literally, "explode")? Some people go blind with anger (literally, "can't see anything because their eyeballs roll back in their heads"). Sometimes they even insult us. I can certainly understand them; after all, their lovely children (literally, "children who wouldn't cause pain even if they poked you in the eye") have gotten hurt. I'd probably react the same way.

8. Kim : But you're so lovely that people can't take their eyes off you. Surely a few of them cool down after seeing your face?

9. Wife : I wish, but it's usually moms who come in, so that's never happened. Still, I feel better thanks to you.

VOCABULARY PHRASE USAGE

바들바들 (*badeulbadeul*) "trembling"
The adverb 바들바들 describes a small shaking in part or all of someone's body.

화를 폭발하다 (*hwa-reul pokbal-hada*) "to blow up with anger"
In many cases, the expression 화가 나다 is enough to show how angry a person is. But if that person has been holding it in for a while and finally can't, the ensuing eruption is better described as 화가 폭발하다. 폭발 (暴發) is an explosion, an apt metaphor to show how serious the situation has become.

눈꼬리 (*nunkkori*) "outside corners of the eyes"
눈 means "eye" and 꼬리 means "tail," so 는꼬리 literally means the "tail of the eye." It's the outside corner of each eye.

In Korea it's felt that the outside corners of a person's eyes point up when he or she is angry and get a little lower when he or she smiles. As a result, there are several Korean expressions with 눈꼬리 that use the position of someone's eye corners to describe his or her emotional state.

GRAMMAR

---

1. 눈꼬리가 내려가다 / 눈꼬리가 올라가다. *Nun kkoriga naeryeogada / nunkkoriga ollagada.*
Meaning "to Have Lower Eye Tails"/"To Have Higher Eye Tails"

Besides the color of the face, you can also talk about someone's emotion by talking about the eye tails (or the corner of each eye).

눈꼬리가 내려가다means "to have lower eye tails." You can see someone's eye tails getting lower when they are smiling. We can use this phrase to mean "someone looks happy or comfortable."

눈꼬리가 올라가다 has the opposite meaning. It means "to have higher eye tails." When someone is angry, you can see his or her eye tails are getting higher. You can use this phrase to mean "someone looks angry."

2. 눈이 뒤집히다/눈에 보이는 게 없다. *Nuni dwijipida/nune boineun ge eop da.*
Meaning "to Have Eyes Rolling Up"/"Not to See Anything Through Their Eyes."

When someone is getting angry too much, it's not see things around you. You can only see just one thing that made you mad. That's when you can use the phrases 눈이 뒤집히다 ("to have eyes rolling up") and 눈에 보이는 게 없다 ("not to see anything though their eyes"). You can use those phrases to describe the people who are out of temper or yourself.

For Example:

1. 화가 너무 많이 나서 눈이 뒤집혔다.
   "I'm so angry that I have eyes rolling up."
2. 그는 눈에 보이는 게 없어져서 그 사람을 때리려고 하고 있다.
   "He's about to hit the guy because he cannot see anything though his eyes."

3. 눈에 넣어도 아프지 않다. / 눈을 뗄 수 없다. *Nune neoheodo apeuji anta. / nuneul ttel su eopda.* Meaning "It Won't Hurt Even If I Put Someone on My Eyes"/"Not to Take Someone's Eyes Off"

You can use the idioms using the word 눈 to describe someone whom you love.

If you have someone you love such as a boyfriend, girlfriend, wife, husband, or your children, you can take any risks under the name of love. Also, they are so lovely that you can do anything for them. When you talk about this kind of love, you can use this phrase 눈에 넣어도 아프지 않다. It literally means "it won't hurt even if I put someone on my eyes." It means "someone is so lovely that I can take any risk."

눈을 뗄 수 없다. means that you cannot take your eyes off someone because he or she is so lovely or beautiful. You can use this phrase especially when you talk about someone's appearance such as face, fashion, or anything that you can see. You can translate it as "cannot take one's eyes off someone."

For Example:

1. 그 여자는 너무 예뻐서 눈을 뗄 수 없다.
   "The woman is so beautiful that I cannot take my eyes off her."
2. 당신은 너무 사랑스러워서 눈을 뗄 수 없어.
   "You are so lovely that I cannot take my eyes off you."

CULTURAL INSIGHT

How Koreans Control Their Anger

When Korean people feel angry, they express it right there. A few of them will contain it in a passive-aggressive way, but they're rare. So if you've done something wrong, you'll usually know right then and there. You may think your Korean friends are being too emotional, but at least you'll never have to worry what they're really thinking. If you're feeling angry in Korea, don't be afraid to let it out; as long as you can give a reason for it, people will understand.

요즘 다이어트 용품 판매가 증가하고 있다.

yojeum daieoteu yongpum panmaega jeunggahago itda.

"These days, weight-management products are selling like hotcakes."

VOCABULARY PHRASE USAGE

재시작 (*jaesijak*) "restart"
The Chinese character 再 (read 재) means "again" or "re-." Stick it on 시작 (始作 "start") to get 재시작 ("restart"). You can also attach it to 출발 (出發 "departure") to make a fresh start with 재출발, or with 도전 (挑戰 "challenge") to have another go at something with 재도전.

도도하다 (*dodohada*) "brimming with confidence"
도도하다 is an adjective for people, mostly women, who are full of self-confidence. Its English translations-"haughty," "uppity," or "conceited"-don't sound very nice, but the word 도도하다 in Korean has a nicer connotation. For this reason, we often use it to describe women in their thirties who are sure of themselves and want the world to know it.

아줌마 (*ajumma*) "middle-aged woman"
아줌마 traditionally means any married woman in her thirties or above, but the word has taken on many connotations over the years. To those discovering Korean culture, it suggests a boisterous attitude, an imperious approach to parenting, and an uncannily universal hairstyle. To Koreans, it connotes a lack of sex appeal or sexual desire. For this reason, it's usually better to avoid calling a woman 아줌마, even if she seems to fit the traditional description. If you want to address a woman of this age and don't have a title to call her by, you can use 아줌마's honorific equivalent, 아주머니 (note that one of the ㅁs falls out when you make this word). A possible exception is restaurant staff: it's usually okay to call them either 아주머니 or just 아줌마.
Note that while we often translate this word into English as "auntie," it has nothing whatsoever to do with family relations. That's just a Korean attempt to convey the slight air of intimacy with strangers that the word 아줌마 is felt to carry.

GRAMMAR

The Focus of This Lesson Is Idiomatic Expressions That Use the Word 코, Meaning "Nose."
코를 납작하게 만들어 버릴거야.
"I'm gonna knock your nose in!"

1. 코웃음 치다, Meaning "to Laugh at Someone Through One's Nose"

코웃음 literally means "laughing at someone through your nose" or "sniff." When you laugh at someone, you can use it as 코웃음을 치다, meaning "to laugh at someone."

For Example:

1. 나의 만든 그 실수에 대해서 그 사람이 코웃음을 쳤다.
   Naui mandeun geu silsue daehaeseo geu sarami kouseumeul chyeotda.
   "He laughed at me through his nose about the mistake that I made."

2. 콧대가 높다, Meaning "to Have a Higher Nose Bridge"

We can use the idiomatic term 콧대, meaning "nose bridge," to mean "confidence." If you say 콧대가 높다, meaning "to have a higher nose bridge," it means that someone has a higher confidence level" or "someone is overconfident." For example, you can see someone looking down on others because he or she is overconfident. In this case, you can say 그 여자는 콧대가 높다to mean "she has higher expectations." For most cases, people use this phrase with a negative meaning, such as 콧대가 높아서 사람들을 무시한다, meaning "He looks down at people because he has a higher nose bridge."
For the opposite meaning, you can say 그 사람은 콧대가 낮다 to mean "someone has lower confidence."

3. 코를 납작하게 만들다, Meaning "to Make Someone's Nose Flat" or "to Knock the Stuffing out of a Person"

In this case, 코 means the "confidence" and 콧대 means "nose bridge." If someone is going to make the other's nose flat, it means that person is going to make the other's confidence go down by beating the other up.

For Example:

1. 나는 이 일을 꼭 성공해서 그 사람의 코를 납작하게 할 거야.
   Naneun i ireul kkok seonggonghaeseo geu saramui koreul napjakhage hal geoya.
   "For sure, I'm going to make it so I can make his nose flat."

4. 코평수가 커지다, Meaning "to Have Wider Nostrils"

평수 (*peyognsu*) is the one of the well-known, traditional size-measuring units. 1평 (*peyong*) is the size of one sheet of newspaper.

You can use the word 코평수 to mean "the size of nostrils." When someone's losing his or her temper, you can see his or her nostrils are getting wider because he or she needs more air to breathe. This word is not only useful for this situation, but you can also see people in the same situation when they are excited as well. That's when you can use this phrase.

For Example:

1. 화가 나서 코평수가 커지고 있다.
   Hwaga naseo kopyeongsuga keojigo itda.
   "My nostrils are getting wider as I'm getting angry."
2. 그 아이는 선물을 받은 뒤 기분이 좋아서 코평수가 커지고 있다.
   Geu aineun seonmureul bateun dwi gibuni johaseo kopyeongsuga keojigo itda.
   "The kid's nostrils are getting wider because he's getting excited after receiving gifts."

Examples from This Dialogue

1. 코웃음 치는거야?
   Kouseum chineungeoya?
   "Are you teasing me (literally, "laughing at me through your nose")?"
2. 옛날에는 콧대 높고 도도한 자기였는데, 이제는 완전 동네 아줌마같아
   Yetnareneun kotdae nopgo dodohan jagiyeotneunde, ijeneun wanjeon dongne ajummagata
   "You used to be super-confident (literally, "have a high nose bridge"), but now you seem like a typical married woman."
3. 꼭 다이어트 성공해서 코를 납작하게 만들어 버릴거야.
   Kkok daieoteu seonggonghaeseo koreul napjakhage mandeureo beorilgeoya.
   "I'm going to make it and knock your nose in!"
4. 눈꼬리가 올라가고 코평수가 커지는 거 보니 제대로 화났나본데?
   Nunkkoriga ollagago kopyeongsuga keojineun geo boni jedaero hwanatnabonde?
   "Corners of the eyes go up, nostrils flare-no mistake: you're getting angry!"

CULTURAL INSIGHT

Koreans' Acceptance of Plastic Surgery

Nose jobs are just one of the many forms of plastic surgery Koreans often get. Because so many do it, they don't mind if someone's had some work done; far from it, they'll usually praise the person as better looking. They often trade information on which plastic surgery clinic is good for which parts. It's the same for TV stars. Even the most beautiful of them will often get an operation and talk about it on TV right after. So prepare to be confused when you see a completely different person with the same name!

너 이제 큰일 났어! *neo ije keunil nasseo.* "You are in big trouble now."	

VOCABULARY PHRASE USAGE

마당발 (*madangbal*) "someone having a lot of friends"
마당 means "garden," and 발 means "foot," so 마당발 means "enough feet to fill a garden"-a way of saying someone has a lot of friends! As you'd expect, this is usually a positive thing. However, you can also use 마당발 for someone who's a bit too interested in what other people are doing.

큰일 나다 (*keunil nada*) "We've got ourselves a situation."
Since 크다 means "big" and 일 means "fact" or "event," a 큰일 is literally a "big event." How can you tell whether it's a good event or a bad event? Simple: If it were good, it'd be called a 경사 慶事 ("event to celebrate"). So if you hear 큰일이 났다, you'll know there's been an unexpected—and unpleasant—accident.

입단속 (*ipdansok*) "caution in keeping secrets"
단 (團) means "group" and 속 (束) means "bundle," so 단속 suggests a tight tying-up of something that might otherwise come apart. In Korean we use it for any attempt to control the unruly, from the discipline of children to police crackdowns. It also has a more physical application in 문단속, meaning "door lock." Without a 단속 to keep it closed, the door might hang open on its own.

That last image is a handy one for understanding the meaning of 입단속 as, roughly, "mouth lock"—the care you take to avoid telling a secret. If a Korean friend confides in you, he might ask 입단속 부탁한다 at the end to keep your mouth from leaking the information, as mouths are wont to do.

GRAMMAR

The Focus of This Lesson Is Idiomatic Expressions That Use the Word 입, "Mouth."
입이 심심하다.
"My mouth is getting bored."

---

1. 입이 가볍다 / 입이 무겁다, Meaning "to Have a Light Mouth"/"to Have a Heavy Mouth"

When someone is good at keeping others' secrets, you can say 그 사람은 입이 무겁다 to mean "she/he has a heavy mouth." It means someone's mouth is so heavy that no one can open it to tell the secret.

For the opposite meaning, you can say 입이 가볍다 ("to have a light mouth") when you talk about someone who talks about everything without trying to keep secrets. If you see someone talking about all rumors or all stories about another's private matter/secret, you can say 그 사람은 입이 가볍다 to mean "she/he has a light mouth" or "he/she is a rumor-monger." Usually, this kind of person makes up rumors, so people don't like someone who has a light mouth.

For Example:

1. 그 사람은 입이 가벼우니까 그 사람에게는 어떤 비밀도 말하면 안 돼.
   "He has a light mouth, so you don't have to tell him any secrets."

2. 그 사람은 입이 무거워서 어떤 것이든 이야기해도 괜찮아.
   "He has a heavy mouth, so you can tell anything to him."

2. 입이 심심하다, Meaning "to Have a Bored Mouth"

입이 심심하다 literally means "to have a bored mouth" or "the mouth is bored." It means "I need something to eat to entertain my mouth" or "I need to eat something."

For Example:

1. 입이 심심한데 우리 스낵 먹을까?
   "My mouth is bored, so why don't we have snacks?"

3. 입이 닳다, Meaning "to Have a Worn-Off Mouth"

Literally 입이 닳다 means "to tell something over and over again." If you use something often, you can see it will get worn-off. That's why people use this phrase to mean "to say something over and over again." You can use this phrase in any cases, but you can see many people use this phrase in the past tense to say they warned something or they advised something before something bad happened.

For Example:

1. 입이 닳도록 이야기했지만 결국 그 사람은 내 조언을 듣지 않았다.
   "Although I talked about it over and over again until I had a worn-off mouth, he didn't listen to my advice."

Examples from This Dialogue

1. *아, 소희씨 유명하지. 입이 가벼워서 하늘을 둥둥 떠다닌다는.*
   A, sohuissi yumyeonghaji. ibi gabyeowoseo haneureul dungdung tteodanindaneun.
   "Sohee's famous. She's quite the rumor-monger (literally, "her mouth's so light that it floats in the sky")."
2. *소희씨가 입이 심심하다며 저녁을 사달라는 거에요.*
   sohuissiga ibi simsimhadamyeo jeonyeogeul sadallaneun geoeyo.
   "So she asked us to buy her dinner because she was feeling hungry (literally, "her mouth was bored")."
3. *저녁 같이 먹으면서 입이 닳도록 입단속 부탁했어요.*
   jeonyeok gachi meogeumyeonseo ibi dalngorok ipdansok butakhaesseoyo
   "Over dinner, we begged her over and over (literally, "wore out our mouths") not to tell."
4. *왜 우리 회사에는 입이 무거운 사람이 없는거죠?*
   wae uri hoesaeneun ibi mugeoun sarami eopneungeojyo?
   "Is there no one here who can keep a secret (literally, "whose mouth is heavy")?"

CULTURAL INSIGHT

Beware Those with Light Mouths

As you know, you can talk about almost everything with your friends. But you should be careful of people whose mouths float-in other words, people who talk about other people a lot. They love spreading stories around. These people don't win much goodwill from others, but they do get pity, as propagating rumors seems to be their only way of making friends.

1. 김팀장 : 이번 신제품 프리젠테이션 준비는 잘 돼가?
2. 이대리 : 그게.. 사실 다음 기회에 프리젠테이션해도 괜찮을까요? 이번 말고 다음에요.
3. 김팀장 : 왜? 무슨 일 있어?
4. 이대리 : 그게.. 제가 무대공포증이 있거든요. 프리젠테이션하려고 사람들 앞에 나가기만 하면 손에 땀이 흥건할 정도로 긴장을 해요. 대학때부터 친구들이 도와주려고 노력했지만 정말 다들 두 손 두 발 들고 포기했었어요.
5. 김팀장 : 지난번 프리젠테이션은 잘 했잖아.
6. 이대리 : 그 땐 사실 긴장을 없애려고 술을 조금 마셨어요. 그래서 프리젠테이션에 대한 기억이 없어요. 필름이 끊겼었거든요.
7. 김팀장 : 그 정도야..? 심각한데? 그렇다고 언제까지 프리젠테이션에 손도 안 댈 수는 없잖아. 게다가 우리팀에 손도 부족하고..
8. 이대리 : 죄송합니다. 이번 한 번만 부탁드릴게요.
9. 김팀장 : 알았어 생각해볼게. 근데 TV에 저건 무슨 뉴스야? 비가 많이 오더니 물난리라도 난 건가?

ENGLISH

1. Kim : How's the presentation preparation going?

2. Lee : About that...could I do the presentation next time? Not this time, but next?

3. Kim : Why? What's going on?

4. Lee : You see...I have stage fright. Whenever I stand in front of people, sweat starts pouring from my hands—that's how nervous I get. My friends have tried to help me with this since college, but they've given up (literally, "raised their hands and feet").

5. Kim : But you gave a good presentation last time.

6. Lee : Actually, I had some alcohol before that one to calm my nerves. So I can't remember anything about it. It's like I blacked out (literally, "my film got cut").

7. Kim : It's that big of a problem? Seems serious. Even so, you can't avoid presentations forever (literally, "You'll have to put your hands on a presentation."). Our team's short on manpower as it is.

8. Lee : I'm sorry. Please excuse me this one time.

9. Kim : OK, I'll consider it. Anyway, what's the news about on TV? Flooding due to heavy rain this morning?

경기를 보면서 손에 땀이 났다. *gyeonggireul bomyeonseo sone ttami natda.* "I got nervous watching the match."	

VOCABULARY PHRASE USAGE

필름이 끊기다 (*pilleum-i kkeunkida*) "to black out while drinking"
The 필름 in this expression is your mental film: the record in your memory of what's happened to you. If you drink too much, this film gets cut, and you won't be able to remember the details of your night the next morning.

For Example:

1. 어제 술을 너무 많이 마셔서 필름이 끊겼어.
   Eoje sur-eul neomu mani masyeoseo pilleum-i kkeunkyeosseo.
   "I drank too much last night, so I don't remember anything now."

물난리 (*mulnali*) "flood" or "tsunami"
난 리 (亂離) means "disaster." 亂 means "panic," and 離 means "separate," so a 난리 is a panic you want to separate yourself from. Put 물 in front of it, and you get a water disaster, such as a "flood" or "tsunami."

흥건하다 (*heung-geon hada*) "soaked"
The adjective 흥간하다 means "to be wet"-really wet, not just a little wet- "soaked." If you're in a slightly nerve-wracking situation, your palms might start to sweat: 손에서 땀이 난다. But if things get really out of hand, the sweat might start pouring out: 손에 땀이 흥건하다, meaning "My hands are soaked with sweat."

There are a couple of things to note about 흥건하다. First, while we can translate it as "to be wet," it's grammatically more flexible than that in Korean. For example, you can say 손이 흥건하다, meaning "My hands are soaked," or 손에 땀이 흥건하다 (which you might translate more grammatically as "The sweat in my hands is very wet."). Either pattern is fine. This kind of flexibility is common in Korean adjectives, a fact that can frustrate people who like logical explanations. Second, while 흥건하다 may look like a Sino-Korean word, it's not; it's native Korean and thus has no *hanja*.

GRAMMAR

The Focus of This Lesson Is Idiomatic Expressions That Use the Word 손, Meaning "Hands."
대학때부터 친구들이 도와주려고 했지만 정말 다들 두 손 두 발 들고 포기했어요.
"My friends have tried to help me with this since college, but they've given up (literally, "raised their hands and feet")."

---

1. 손에 땀이 나다. Meaning "to Have Sweat Come Out of Someone's Hands"

When you get nervous, you can see sweat come out of your hands. So, 손에 땀이 나다 means "to be nervous."

For Example:

1. 시간 뒤면 프리젠테이션이야. 손에 땀이 나네.
   "I have the presentation in one hour. I have sweat coming out of my hands ("I am getting nervous.")."

Also, you can see many people use this phrase for sports. When the game is exciting, you can also see sweat is coming out of your hands. In this case, you can say 그 게임은 손에 땀이 나게 하는 경기였다. "The game made me have sweat come out of my hands" or "The game was so exciting that it makes everyone have sweat in their hands."

2. 두손 두발 다 들다. Meaning "to Raise Both Hands and Feet"

손, meaning "hands," and 발, meaning "feet," mean methods or ways to do something or "to give up." If someone raises all hands and feet, it means that he couldn't find any ways to do something so he gave up trying. If you cannot find any solution although you've put in all efforts to find one, you can use this phrase: 두 손 두 발을 다 들다.

For Example:

1. 이 문제를 해결하기 위해서 모든 친구들이 노력했지만 결국 두손 두발 다 들었다.
   "All my friends tried hard to find the way to solve it, but they gave up (literally, "raised all hands and feet")."

3. 손이 부족하다. Meaning "Not to Have Enough Manpower"

손, meaning "hands," means "people" as well. So, when someone says 손이 부족하다, it means "he/she has not enough people." You can replace the word 손 with 사람, meaning "men" or "people."

For Example:

1. 우리 팀은 늘 손이 부족하다.
   "My team always has not enough hands (or "people")."

1. 프리젠테이션하러 사람들 앞에 나가기만 하면 손에 땀이 나서요.

Powerful PowerPoint at Work!

At Korean companies, PowerPoint is the most powerful tool for work. It's OK if you don't know how to use Excel or Word. People at work like to see PowerPoint slides not just for presentations but for simple reports as well; they like nice, simple designs, even if the slides won't be presented.

VOCABULARY PHRASE USAGE

망연자실 (*mang'yeonjasil*) "blank with shock"
Like most four-character compounds, this phrase comes from a Chinese idiom. The first half, 망연 (茫然), means "shocked," in the sense of staring blankly at something because you're just too surprised to do anything else. The second half, 자실 (自失), means "to lose oneself." Someone in a state of 망연자실, then, is so shocked that he's lost himself. This idiom comes up a lot in news stories about big accidents.

산사태 / 눈사태 (*sansatae*/*nunsatae*) "landslide"/"avalanche"
Like 난리, 사태 (沙汰) also means "disaster," but it's more specific. 沙 means "sand" and 汰 means "scrape," so a 사태 is a disaster that involve pieces of nature coming loose and sliding or falling. While we can use 난리 on its own to indicate a general disaster, 사태 needs a prefix to specify what kind of thing is sliding or falling. The two you'll hear most often are 산사태, meaning "landslide," when mud or rocks rush down a mountain, and 눈사태, meaning "avalanche," when chucks of snow come tumbling down.

당국 (*dang-guk*) "officials"
It means the "authorities," that is, the people who work at these "justice bureaus." You can use 당국 in many contexts to talk about different levels of authority, from 시당국 (市當局) meaning "city official" to 정부당국 (政府當局) meaning "government official." Neither of these is a very specific term, so words with 당국 can be handy if you just want to talk about officials in general without getting bogged down in their job titles.

GRAMMAR

The Focus of This Lesson Is Useful Expressions for Watching the News.
16명이 목숨을 잃고 3명이 실종되었습니다.
"Sixteen lost their lives, while three are missing."

In Korean news, you can see anchorpersons or reporters are using the verbs and nouns that you haven't learned in classroom. They use the different set of expressions only for the news. If you know those phrases, verbs, or nouns, you will understand the Korean TV news easier. TV news is all written in formal Korean, while newspapers only use informal Korean.

1. [NumberA]명이 목숨을 잃고, [NumberB]명이 실종되다.

It means [NumberA] people lost their lives, while [NumberB] are missing. Korean people don't use the direct word 사망, meaning "death," in the Korean TV news. They use the indirect phrase 목숨을 잃다, meaning "lost someone's life." Even though someone got murdered, it's not easy to hear reporters use the word 살해당하다 (*salhaedanghada*). However, for some cases that didn't end up with death, you can see they use the word 실종 (the direct word meaning "missing").

For subtitles, you can see 사망자, meaning "people killed," and 실종자, meaning "people missing.".

2. Subject + A라고 밝혔다.

"Subject announced A."

Korean people are very active in showing their opinion, even in TV news. You can see people on different sides are claiming different things. Since most TV news is about those issues, you can see reporters using those phrases.

밝히다 literally means "to brighten up something." On TV news, they use this verb to mean "someone confirmed something" because confirmation can brighten up more truth.

For Example:

1. 그 정치인는 그 문서가 사실이라고 밝혔습니다.
   "The politician confirmed the document is based on the fact."

When you use this phrase, you can combine the verb stem of the last verb with the particle -라고. Then you can say 밝혔다.

3. Subject + [Sentence] +고 주장하고 있다.

주 장 means "opinion," and 주장하고 있다 means "to insist that." When two or more groups are claiming different things on the same issue, you can hear this phrase a lot on the TV news related to the issue.

For Example:

1. 시민단체들은 그 사건을 해결해야한다고 주장하고 있습니다.
   "NGOs insist that this issue should be solved."

When you use this phrase, you can simply combine the sentence including opinion with the particle 고 and the verb "주장하고 있다."

[시민단체들은 그 사건을 해결해야한다]고 주장하고 있습니다.

4. [Subject + Verb Stem]라고 지적했다.

"to point out"

When one side says A on the issue, and the other says that's not right, you can use this verb: 지적하다. It means "to point out."

Verb Stem + 라고 지적했다.

For Example:

1. 시민단체는 이번 정책은 그 점이 문제라고 지적했다.
   "NGOs pointed out that this is the main issue of the policy."

You can simply combine the phrase "라고 지적했다" with the verb stem of the last verb of the sentence including opinion.

5. [Subject+ Verb Stem]+ㄹ/할 것으로 전망됩니다.

"Subject is expected to"

Korean TV news often shows how they expect things are going. In this case, they use the phrase "ㄹ/할 것으로 전망됩니다."

You can combine it with the verb stem of the sentence to include insights.

For Example:

1. 주가가 더 하락할 것으로 전망됩니다.
   "The stock price is expected to drop more."

When you use the phrase, you can add "ㄹ 것으로 전망됩니다" to the verb stem of the sentence.

CULTURAL INSIGHT

How Koreans Get Their News

Major news outlets are losing their power. Now Twitter delivers all breaking news. Since more people have smartphones, now they take pictures and share stories when something big comes up. Deeper discussions happen in podcasts. When landslides battered Seoul in 2011, people tweeted their fears and shared Youtube video of houses getting buried.

5. 이대리 : 휴.. 선개발 정책땜에 여기저기 아파트 가격이 너무 많이 올라갔어요. 결국 고소득자들만 살 수 있는 저런 고층건물만 있네요. 아파트 값도 급상승하고 말이죠. 중산층들도 시내에서 살 수 있어야하는데 말이죠!

6. 김팀장 : 그러게. 그런데 왜 이렇게 흥분했어? 고혈압으로 쓰러지겠네 이러다가. 중심가에 아파트 살 생각이라도 있었던거야?

3. Lee : Isn't that the area where department director Park lives? Near a mountain?

4. Kim : Oh, he used to live there. But that area's being redeveloped now. He moved to another newly developed city because the high-rise apartments in his old area raised housing prices too high.

5. Kim : Phew...the redevelopment policy has raised apartment rent a lot. Now there are only high-rises for high earners. The price has jumped so steeply. Middle-class people have to live in this city, too!

6. Kim : Of course. But what are you getting so worked up for? You look about to pass out from high blood pressure. Were you planning to buy an apartment or something in the middle of the city?

7. Lee : No, never. I don't want to, but my girlfriend does.

VOCABULARY PHRASE USAGE

재개발 (*jaegaebal*) "redevelopment"
As we've already learned, 재 (再) means "again." Put it on the word 개발 (開發), meaning "development," and you get 재개발, meaning "redevelopment."

중산층 (*jungsancheung*) "middle class"
There are several handy Korean prefixes based on Chinese characters that denote order or rank. For example, 초 (初) means "first," 중 (中) means "middle," and 고 (高) means "high," as you can see in the three levels of Korean public school: 초등학교, 중학교, and 고등학교. (The 등, if you were wondering, is 等 and means "grade.")

The word 중산층 (中産層) begins with the prefix for "middle." 産 means "production" and 層 means "layer" or "class," so a 産層 is a production layer, someone's class in society based on how much he produces. It's interesting that while most people may think of social class in terms of income, the Korean word actually points at what a person gives to society rather than what he gets from it. Putting 중 in front of the word for production class gives 중산층 ("middle class").

선개발/후복지 (*sungaebal/hubokji*) "Development first, welfare next"
The Chinese characters 先 (선), meaning "beforehand," and 後 (후), meaning "afterward," show up in a lot of Korean vocabulary. The news media like to make new words and phrases to express priorities with 선 and 후. An example is 선개발후복지 (선 + 개발 "development" + 후 + 복지 "welfare"), which urges, "Focus on development before worrying about welfare."

GRAMMAR

The Focus of This Lesson Is the Chinese-Based Prefixes Frequently Used in Korean Words.
최근에 재개발 되었잖아. 새롭게 고층아파트 들어온대.
"The area's being redeveloped now. New high-rise apartments will be there."

Those are the Chinese-based prefixes that we frequently use in Korean words. Those prefixes are based on the meaning of Chinese characters. You can simply add them before nouns to add additional meaning or limit them.

재(再) is the Chinese character-based Korean character meaning "again." It's like the English prefix "re-." You can add it with other nouns like 재 + 개발(再開發) to yield "redevelopment" or "develop the area" or 재투자 (再投資) to mean "reinvestment."

선(先) means "forehand" or "before." It's like the English prefix "pre-." You can add it as 선개발 (先開發) to mean "pre-development" or "development first before doing something else") or 선수금 (先受金) to mean "pre-acceptance money," "the money you pay before the full payment," or "deposit."

고(高) means "high." You can use it as 고층 (高層) to mean "high floor" or "high-rise," 고소득 (高所得) to mean "high income," or 고혈압 (高血壓) to mean "high blood pressure."

중(中) means "middle." You can use this for the words like 중산층 (中産層) "middle-class").

저(低) means "low." You can use the character as 저층 (低層) to mean "low floor" or "low building,", 저소득 (低所得) to mean "low income," or 저혈압 (低血壓) to mean "low blood pressure."

급(急) means "fast" or "rapidly." So, you can use this word for 급상승 (急上昇) to mean "fast increase") or 급성장 (急成長) to mean "fast growth."

신(新) means "new," which you can use for the words like 신도시(新都市), meaning "new city."

CULTURAL INSIGHT

Apartment City, Seoul

Most houses in Seoul are apartments. Since the 1970s, many traditional houses have been replaced with apartment complexes. Korean people like to have a nice view, so still they prefer a multi-story apartment to a house. That's why your first sight of Seoul from an airplane will be full of apartment buildings.

4. 김팀장 : 뭐.. 결혼 이야기하면 다들 요즘엔 이해타산적으로 바뀌긴 하지만, 유리씨까지 그럴 줄 몰랐네.
5. 이대리 : 이번 주에는 잠깐 결혼식 준비 비용 알아봤거든요. 왜 다들 상업적인지 모르겠어요! 심지어 돈 주면 친구 대행으로 결혼식을 축하해주는 서비스도 있더라구요. 결혼식 맞춤형 서비스는 더 비싸구요. 지금이라도 의대가서 의사가 될까봐요.
6. 김팀장 : 그런 식이면 나는 결혼 못했을거야. 우리 와이프는 그런 투정은 안 했지. 작은 집에서 시작해도 괜찮다고 했으니까.
7. 이대리 : 아, 부럽습니다.

2. Kim : Why? What happened?

3. Lee : You know, I'm dating Yuri from the next team over. But she expects too much (literally, "her eyes are high"). She says I shouldn't even dream of marrying her unless I have an apartment in Seoul. A Seoul apartment is a prerequisite to marriage these days.

4. Kim : Well, I've heard that more people are approaching marriage like a business deal, but I didn't know Yuri was that way.

5. Lee : I've checked out the cost of wedding preparations this week. I had no idea it was so commercialized! There's even a service where you pay to have people come to the wedding and act like your friends. And custom services are more expensive. I'll have to go to med school and become a doctor just to afford it.

6. Kim : I couldn't get married that way. My wife didn't complain at all. She didn't mind starting out in a small house.

7. Lee : Oh, I envy you.

8. Kim : Mm, this makes me want to call my lovely (literally, "won't hurt even if I put her in my eye") wife. I'm dying to hear her voice. You stay put.

VOCABULARY PHRASE USAGE

걱정이 태산이다 (*geokjeong-i taesan-ida*) "to be worried a lot"
태산 (泰山) is the name of a big mountain in China (there, the locals call it "Tai Shan"). In Korean, people often use this mountain as a metaphor for something one has too much of, such as work or, in this case, worry. (Ironically, the 泰 character means "easy" or "peaceful." Definitely not the case here! This is a funny coincidence; Koreans reference the mountain for its size, not for the meaning of its name.)

꿈도 꾸지 마라 (*ggumdo ggujimara*) "Don't even dream of ...!"
When something is completely beyond the realm of possibility, you can emphasize that it will never happen with the command 꿈도 꾸지 마라. It's as simple as putting 는 after the inconceivable noun and following with 꿈도 꾸지 마라.

For Example:

나랑 결혼은 꿈도 꾸지 마라.
Na-rang gyeolhon-eun kkum-do kku-ji mara.
"Don't even DREAM of marrying me."

GRAMMAR

The Focus of This Lesson Is Chinese-Based Suffixes Frequently Used in Korean Words.
왜 다들 상업적이던지 모르겠어요!
"I had no idea it was so commercialized!"

For written Korean, you can see some suffixes frequently.

1. 적(的) is the suffix that changes nouns to adjectives.

For example, 필수적 (必需的) means "essential" and is the combination of the noun 필수 (必需), meaning "essence," and the suffix 적 (的), which is like the English prefixes "-ary," "-tial," or "-lized."

You can see this combination in many words such as 상업적, meaning "commercial," which is the combination of 상업, meaning "commerce," and the suffix 적.

2. 형 (型) literally means "format."

Many commercials make new words by adding this suffix.

For example, the word 맞춤형 (맞춤), meaning "customized," is the combination of 맞춤, meaning "an order," and 형 (型), meaning "format."

주문형 (注文型), meaning "on demand," also has the same form: 주문 (注文), meaning "an order" + 형 (型), meaning "format."

Usually, those words meet the product name, such as 맞춤형 냉장고, meaning "customized refrigerator," or 주문형 비디오 (注文型 비디오), meaning "video on demand."

Examples from This Dialogue

1. 요즘 아파트 하나는 결혼에 필수적인거 아니냐고.
   Yojeum apateu hananeun gyeolhone pilsujeogingeo aninyago.
   "A Seoul apartment is an essential to marriage these days."
2. 결혼 이야기하면 다들 요즘엔 이해타산적으로 바뀌긴 하지만, 유리씨까지 그럴 줄 몰랐네.
   gyeolhon iyagihamyeon dadeul yojeumen ihaetasanjeogeuro bakkwigin hajiman, yurissikkaji geureol jul mollatne.
   "I've heard that more people are approaching marriage like a business deal, but I didn't know Yuri was that way."
3. 왜 다들 상업적이던지 모르겠어요
   wae dadeul sangeopjeogideonji moreugesseoyo
   "I had no idea it was so commercialized!"

4. 결혼식 맞춤형 서비스는 더 비싸구요.
   gyeolhonsik matchumhyeong seobiseuneun deo bissaguyo.
   "And customized services are more expensive."

CULTURAL INSIGHT

Save Money, Then Marry Me.

Love is not enough to get married. You have to prepare more—your bank account, particularly. People expect more and more when they consider getting married. This trend has pushed up the average marrying age to thirty-five for both men and women. Some people date good-looking people while seeking financially stable people as marriage prospects. Although many oppose this trend, it only gets worse, forcing people to wait longer and longer to marry.

1. (술집에서)

2. 경진 : 보현이랑 술 마신지 정말 오랜만이네. 요즘 어떻게 지내?

3. 보현 : 음.. 지난 달에 전근 온 부장이 있는데 좀 완고한 스타일이어서 조금 일하기 힘들어.

4. 경진 : 뭐 보통 나이가 많아지면 머리가 굳어지는 거야 다 그렇잖아.

5. 보현 : 그래도, 우린 영업팀에 있으니까 고객이 요구하는 게 있으면 유연해져야 할 필요가 있잖아, 안 그래? 게다가, 그 부장이란 사람, 조금이라도 전과 다르게 일을 처리하려고 하면 그런 전례가 없다면서 그냥 내버려 두지를 않아.

6. 경진 : 그렇구나.. 고객이랑 상사 사이에 끼여서 머리가 아프겠다.

7. 보현 : 모두들 그 부장 때문에 골머리를 앓고 있어.

8. 경진 : 맞아. 상사 때문에 부하직원들이 고생하는 경우는 자주 있잖아. 내 어시스턴트도 분명 나 때문에 요즘 회사 생활이 힘들거야. 그 사람 참 머리가 잘 돌아가거든. 하나를 들으면 열을 알아듣는.. 그런 스타일이란 말이지. 내가 실수한 것도 전부 알아서 처리해줄 정도라니까. 정말로 얼굴을 내밀 수 없을 정도야.

9. 보현 : 와.. 진짜 좋잖아. 넌 사람 복 하나는 정말 타고났구나.

10. 경진 : 뭐.. 솔직히 말하면, 그 여자, 나에 대한 불만도 분명히 있을테고 나 때문에 머리에 열이 나는 경우도 있을거야. 그래도, 난 언제나 내가 고마워한다는 걸 보여준다고.

11. 보현 : 그렇구나. 경진이 너가 그렇게까지 생각하니 머리가 절로 숙여지는 걸. 난 말이지, 이제 좀 화가 날 때면 머리를 먼저 식힌 다음에 상사랑 관계를 좋게 만들려는 노력 좀 해봐야겠어.

ENGLISH

1. (At a bar)

2. KyeongJin : It's been a long time since I've gone drinking with you, Bohyeon. How's everything going lately?

3. Bohyeon : Well...the manager who transferred to our office last month is a stubborn guy, and I'm having a hard time.

4. KyeongJin : You know, everyone gets a little strong-headed as they get older.

5. Bohyeon : Yeah, but us guys in sales have to be really flexible when it comes to dealing with the customers' demands, right? Even so, when we try to deal with something in a different way, he doesn't let us do it, saying that it's unheard of and stuff like that.

6. KyeongJin : I see...being torn between the manager and the customers has got to be a headache.

7. Bohyeon : Yeah, everyone's really agonizing over him.

8. KyeongJin : That's right. I think you hear a lot of stories about subordinates having a tough time with their superiors. I'm sure my assistant is having a hard time too. She's got a good head on her shoulders, though. Really quick on the uptake, that kind of person. She takes care of any mistakes I make. I really owe her a lot.

9. Bohyeon : Wow, that's really nice. You're always lucky when it comes to relationships.

10. KyeongJin : Well, to be honest, I'm sure she's got some issues with me, and I'm sure there are times she gets angry. But I'm always trying to show my appreciation.

11. Bohyeon : Right. I really respect you thinking that way. I guess I should cool down a bit first when I'm mad, and try and make an effort to make things right between me and my manager.

VOCABULARY PHRASE USAGE

전근 (*jeongeun*) "transfer to a different section"
Most Korean companies hire their employees as college graduates, and have them work in the same company for decades. Instead of having the employees work in the same team, the companies usually transfer employees to a different section once every two or three years. When that happens, the transfer is known as 전근. It's a combination of 전 which means "to move" and 근 which means "work." So it literally means "to move the work." You can use the verb 가다 meaning "to go" or 오다 meaning "to come" when talking about 전근. When someone from outside comes into your team, you can say 전근을 오다 using the verb meaning "to come." When someone is moving from your team to the outside, you can say 전근을 가다 using the verb meaning "to go."

전례 (*jeonrye*) "precedent"
전 is from the Chinese character meaning "before/past" and 례 is the word meaning "examples." So this word 전례 literally means "examples from the past." For some Korean companies, it's important to know if there were any precedents for making decisions so that they can reduce risks. Therefore, you might hear your boss rejecting your idea by saying 전례가 없다. The word 전례 already has a meaning related to the past, so you can use the present tense when you use the verb 없습니다 meaning "not to exist." 전례가 없었습니다 is not the right usage of this word because it uses the past tense twice.

하나를 들으면 열을 안다. (*hanareul deureumyeon yeoreul anda*) "One word is enough to the wise."
This literally means "Understanding ten things after hearing about only one." People use this phrase when describing someone very smart.

For Example:

1. 쇼핑도 하고 저녁식사도 할 겸 백화점에 갈거야.
   Syopingdo hago jeonyeoksiksado hal gyeom baekhwajeome galgeoya.
   "I will go to the department store for shopping as well as for having dinner."

GRAMMAR

The Focus of This Lesson Is Idiomatic Expressions That Use the Word 머리 or 얼굴, Meaning "head."
난 그 프로젝트 때문에 골머리를 앓고 있어.
"I'm getting a headache because of the project."

You can see many idiomatic expressions using the word 머리 (*meori*) or 얼굴 (*eolgul*), meaning "head," in both positive and negative forms.

Point 1: "Head" meaning "Brain" or "The way of thinking."

머리가 굳다 (*meoriga gutta*) "to become stiff" or "not to be flexible."

You can say 머리가 굳다 when someone is not flexible, or when someone's way of thinking is hardened. For example, you can call someone 머리가 굳은 사람 when someone doesn't think in a different way but only the way he's been thinking of. Also, you can use this phrase for yourself when you are having a hard time learning something new. For example, you can say 나이가 드니까 머리가 굳었다. "As I'm getting older, my head is becoming stiff." when you cannot memorize new Chinese words as well as you used to be able to.

머리가 잘 돌아가다 (*meoriga jal doragada*) "to be very smart."

When someone is smart, you can say 머리가 잘 돌아가다. It literally means "someone's head is spinning well."

For Example:

1. 나이가 드니까 머리가 굳어서 새로운 중국어 단어를 외우기 힘들어.
   "As I am getting older, it's getting harder to remember new Chinese words because my head is becoming stiff."

Point 2: Using the word "Head" to Describe Your Emotion."

골머리를 앓다. (*golmeorireul alta*) "to have a headache from stress."
When you have a headache, you can say 두통이 있다. using the noun 두통 meaning "headache." However, when you're so troubled it's also giving you a headache, you can use the phrase 골머리를 앓다. 앓다 means "to sick" and 골 means "brain." So it literally means "My head with a brain is sick." Korean people use this phrase when describing a situation and not symptoms to emphasize that something is so stressful that it also gives him or her a headache.

For Example:

1. 모두들 그 부장 때문에 골머리를 앓고 있어.
   "Everyone's really agonizing over him"

머리에 열이 나다. (*meorie yeori nada*) "to get mad."
When you're getting more and more stressed, you get mad. When that happens, you can say 머리에 열이 나다. When you touch your face after getting mad, you can feel the heat. This phrase literally describes the situation by saying "Someone's head is burning up."

For Example:

1. 그 부장 때문에 머리에서 열이 나고 있어.
   "My head is burning because of the manager." Or "I'm mad at the manager."

Examples from This Dialogue

1. 뭐 보통 나이가 많아지면 머리가 굳어지는 거야 다 그렇잖아.
   "You know, everyone gets a little hard-headed as they get older."
2. 그 사람 참 머리가 잘 돌아가거든.
   "She's got a good head on her shoulders."
3. 이제 좀 화가 날 때면 머리를 먼저 식힌 다음에 상사랑 관계를 좋게 만들려는 노력 좀 해봐야겠어.
   "I should cool down a bit first when I'm mad, and try and make an effort to make things good between me and the manager."

CULTURAL INSIGHT

Family Conflicts in South Korea

If you've watched a Korean drama, you will often find a character who has a hard time between his wife and mother. In Korean culture, it's not easy to talk directly to a mother-in-law when there are conflicts. Therefore, a son needs to deliver messages from his wife to his mother. To describe his plight, you can say 부인과 어머니 사이에 끼었다. which means "He's gotten caught in the middle of conflicting demands from the mother-in-law and the wife." A와 B 사이에 끼었다. literally means "Someone has been squeezed between A and B" or it can be translated as "Someone got caught in the middle with conflicting demand from A and B." When the are two different demands and someone has to deal with both of them directly, you can use this phrase to describe the situation.

8. Wife : Even though he went there with a strong will, surely when he got there and gave it a try he simply found that he just couldn't compete?
9. KyeongJin : Would he really quit for such a pathetic reason?! If you're a man, then you have to try harder even if you are feeling afraid. Besides, what is this press conference supposed to be? He doesn't give any reasons, does he? What is he trying to say with these excuses?
10. Wife : You're right. That's not like him. When he was in Korea, he was one of the players that spoke very well and he gave a clear speech that time, so...what happened there?

VOCABULARY PHRASE USAGE

은퇴 (*euntoi*) "retirement, retire"
The word 은퇴 can be used only when you're retired AND you're not going to work in the same field anymore. For example, when a soccer player announces that he's going to stop playing soccer, the news media will use this word in the news articles. When you simply quit the company but will keep working in the same field, you can sue the word 퇴사. 퇴 is the word meaning "to get out" and 사 is the word meaning "company," so it literally means "to get out of a company." When you're fired by a company, you can use the word 해고. For example, you can *sya* 우리 부장이 해고 되었다 to mean "My manager has been fired." Make sure to use the verb 되다 to convert the sentence in a passive form.

이적 (*i-jeok)* "transfer of a person's name in the register"
The word 이 means "to move" and 적 means "to register." The word 적 comes from the word 국적 meaning "Nationality." 국적 literally means "the country that you're registered." You may hear the word 이적 in the sports news when a player moves to another team. It literally means "to move the place where you're registered." But it can be used only when you're talking about sportpeople. When you're moving to another company, you can use the word 전직. 전 means "to transfer" and 직 means "title" or "work." So it means "to transfer your work to somewhere else."

GRAMMAR

The Focus of This Lesson Is Idiomatic Expressions That Use the Word 이 or 이빨, Meaning "tooth."
이빨이 잘 안 들어갈 정도로 질긴 고기였지만 이를 악 물고 요리해서 맛있게 만들었다.
"Although the meat was tough, I've clenched my teeth and cooked very hard and finally made it delicious. "

Point 1: Using "Tooth" to Show A Strong Will

이를 악 물다 (*ireul ak mulda*) "to clench someone's teeth."

악 means "firmly" so this expression literally means "to clench one's teeth firmly." When you're working hard on something, you might see yourself clenching your teeth and focusing on it. That's the case when Korean people use this expression to describe someone (or themselves) working hard. When you use this expression, you can emphasize that someone was working so hard to achieve the goal, without worrying about anything else. Make sure not to use the word 이빨, because this can be used generally for any animate objects, not only the human beings. Since this expression is about strong will, it sounds natural to use the word 이 which can be only used for human beings.

For Example:

1. 시험에서 좋은 성적을 받기 위해서 이를 악 물고 공부했다.
   "To get a good score, I clenched my teeth and studied hard."

Point 2: Using the Word "teeth" to Talk about Someone's Ability to Talk in A Negative Way

---

이빨이 세다. (*ibbari seda*) "to speak well"
When someone is speaking well but you have a negative feeling about it, you can use this expression to describe that person's ability. For example, when you see someone who speaks very well, but you're jealous of their abillity or looking down them, this expression will work better than the phrase 말을 잘 하다 which means "to speak well." Also, people often use this expression when giving advice to someone else, for example 그 사람은 이빨이 세니까 조심해야돼 ("Be careful; he's good at talking about something.") It has a hidden meaning that implies he's going to use his ability to gain an advantage over you.

For Example:

1. 상대편 변호사가 이빨이 센 사람이라 이빨이 덜덜 떨릴 정도로 두려웠지만 이를 악 물고 법정에 들어갔다.
   "I came into the court with my teeth clenched, although I was scared of the lawyer on the other side, who's very good at speaking."

Examples from This Dialogue

1. 이빨이 잘 안 들어갈 정도로 질긴 데다가 맛있지도 않잖아.
   "It's so hard to chew that I cannot put my teeth into it."
2. 이를 악 물고 가봤지만 결국 자기 실력으로는 이길 도리가 없다고 생각한 거 아닐까?
   "Even though he went there with a strong will, surely when he got there and gave it a try he simply found that he just couldn't compete?"
3. 이가 덜덜 떨릴 정도로 두려운 게 있어도 이를 악 물고 더 열심히 노력해야지!
   "If you're a man, then you have to try harder even if you have some fears in your mind."
4. 한국에 있을 때는 이빨이 센 선수 중에 한 명이어서 여러가지 자신 있게 잘 이야기하던 사람이었는데.. 무슨 일이 있었던 걸까?
   "When he was in Korea, he was one of the players speaking very well and he gave a clear speech that time...what happened there? "

CULTURAL INSIGHT

The Korea-Japan World Cup in 2002

If you're talking about soccer with Korean people, you might hear them start to talk about the Korea-Japan World Cup game in 2002. It was the first World Cup match held in an Asian country, and also the first game that Korea made the four-team stage. When there were games involving the Korean team, people wore red t-shirts, and gathered in a public place—like a park, and also restaurants or bars—where they could watch the game together on a big-screen TV. This spurred a soccer boom in Korea, and since then soccer has become the most popular sport in Korea. If you get the chance to see a soccer match in Korea, make sure to wear a red t-shirt. It's best to wear one with that has the words "Red Devils" on it, because that's the name of the official cheer squad for the Korean team.

2. 기자 : 오늘은 2008년 시작된 배심원 제도에 대해서 서울대학교 법대 김영하 교수님에게 이야기를 들어보겠습니다. 교수님 간단하게 배심원 제도에 대해서 설명해주시겠습니까?

3. 교수 : 네. 먼저 20세 이상 국민 중에서 무작위로 배심원을 선발합니다. 이 배심원들은 판사와 함께 형사재판에 참여하여 피고인이 유죄인지 또는 무죄인지를 결정합니다. 유죄로 판결되는 경우에는 배심원이 그 형의 내용을 결정하는 제도가 배심원 제도입니다.

4. 기자 : 그렇군요. 그럼 누구든지 배심원이 될 가능성이 있다는 이야기군요.

5. 교수 : 네 맞습니다. 단 국회의원이나 변호사나 검사와 같은 법률 종사자들은 배심원이 될 수 없습니다.

6. 기자 : 그럼 이 배심원 제도가 갖는 특별한 의미는 뭐가 있을까요?

7. 교수 : 법률 지식이 없는 일반 국민들이 재판에 참여하는 것에 그 의미가 있습니다. 지금까지 재판은 판결이 나기까지 꽤 오랜 시간이 걸렸습니다. 그리고 그 내용도 일반 국민들이 이해하기에는 어려운 부분들이 많이 있었죠.

8. 기자 : 하지만 배심원이 참여하게 되면서 배심원 누구나 이해하기 쉽게 판결 내용이 진행돼야 하기 때문에 일반 국민들과 법률 사이의 거리감을 좁힐 수 있겠네요.

9. 교수 : 맞습니다. 그리고 더 빠르게 재판을 진행할 수도 있구요.

10. 기자 : 그렇군요. 일반 시민들이 법정에서 이루어지는 일들을 알기 쉽게 만드는 데 가장 큰 의미가 있겠네요.

2. Reporter : Today I'd like to hear from Professor Kim YoungHa from Seoul National University's Law Department on the subject of the citizen judge system that began in 2008. So, Professor Kim, could you please explain in simple terms what the citizen judge system is?

3. Professor Kim : Yes. First of all, citizen judges are chosen at random from citizens over the age of twenty. The selected citizen judges, together with the judge, preside over a criminal trial and decide whether or not the defendant is innocent or guilty. If the defendant is found guilty, then they decide on the form of punishment.

4. Reporter : So what you're saying is that any one of us could become a citizen judge, is that right?

5. Professor Saga : Yes. However, members of the national assembly and those involved with the dispensation of justice such as lawyers or prosecutors can't become citizen judges.

6. Reporter : Then what is the significance of having citizen judges?

7. Professor Kim : Basically, the significance is the fact that ordinary people with no knowledge of the law are participating in the trials. In the past, it took an extremely long time for trials to come to sentencing. Furthermore, there were also parts that were difficult for the average citizen to understand.

8. Reporter : But with the citizen judge system, they can close the gap between the people and the law because it should be easy enough for citizen judges to understand it.

9. Professor Kim : That's right. Also, we can make trials move forward faster.

10. Reporter : I see. So aiming for a courtroom that the average citizen can easily understand is the most important part of this system.

로또 번호는 무작위로 선정된다. "Lottery numbers are chosen at random."	그 형사재판은 미디어의 주목을 받았다. "The criminal trial has attracted the attention of the media."

VOCABULARY PHRASE USAGE

피고인 (*pigoin*) "defendant"
피 is the word meaning "to get" and 고 means "sentences" or "notice." So this word literally means "someone who gets notice (or will be sentenced.)" For the plaintiff, Korean uses the word 원고.

판사 (*pansa*) "judge"
When you see the job titles of the people working in the Korean legal system, such as 검사 "prosecutor" and 변호사 "lawyer," you'll see the word 사 originally means "classical scholar" or "teacher." In Korean, you can find this word at the end of job titles when the profession is more respected, or is difficult to get into.

For example, 판사 has two words; 판 means "to decide" and 사 means "scholar" or "teacher." That literally means "someone to decide." You can find the same formula in the word 변호사, which has the word 변호 meaning "to defend."

무죄 (*mujoi*) "not guilty"
This word means "innocence" as its first part 무 means "to not exist" and the second part 죄 means "guilt." The opposite word is 유죄 which literally means "to have guilty."

판결 (*pangyeol*) "judicial decision"
This word means "judicial decision" or, "verdict." When it's used in Korean courts, it usually comes with the verb 내리다 meaning "to make something come down." In the old days, people making judicial decisions are considered as on top of other people, so the action was considered as giving something from the top down. For example, you can say 판사가 무죄라고 판결을 내렸다 to mean "The judge hands down the verdict of not guilty."

GRAMMAR

The Focus of This Lesson Is the Conjunction 단 which means "however."
'단' 국회의원이나 변호사나 검사와 같이 법률 종사자들은 배심원이 될 수 없습니다.
"However, members of the national assembly and those involved with the dispensation of justice, such as lawyers or prosecutors, cannot become citizen judges."

The conjunction 단 means "However." You remember that we have 그러나 and 하지만 meaning the same. They can be used for any daily conversation, but for official documents or conversations in very formal situations, it's better to use the conjunction 단. You will see this conjunction in contracts, official announcements, or legal documents.

For Example:

1. 10시부터 12시까지 음료수는 무료입니다. 단, 주류는 제외합니다.
   "From 10 to 12, drinks are free of charge. However, this excludes alcoholic beverages."
2. 피고에게 징역 5년의 판결을 내린다. 단, 집행유예는 2년으로 한다.
   "I declare a sentence of five years for the defendant. However, you're going to have a two-year probation."

Examples from This Dialogue

1. 단 국회의원이나 변호사나 검사와 같은 법률 종사자들은 배심원이 될 수 없습니다.
   "However, members of the national assembly and those involved with the dispensation of justice such as lawyers or prosecutors cannot become citizen judges."

CULTURAL INSIGHT

The Korean Citizen Judge System

South Korea implemented the Citizen Judge system in 2008. Recently some Asian countries such as Japan have started using the system as well. Although more people now know about the system, there are still many Korean people who are not sure how it works. Unlike the American citizen judge system, in the Korean system, the judge can just take the citizen judge's decision as a reference. However, the judge should explain the reasons if their final sentences are going to be different from what the citizen judges decided.

10. 교수 : 사람을 심판하는 일에 대해서 무섭다고 느끼는건 당연한 일이라고 생각합니다. 특히 사형과 무기징역에 대한 판결을 내려야하는 중대한 사건의 경우, 배심원의 심리적 부담이 크겠죠.

11. 기자 : 당연히 시간적인 부담도 크겠구요.

12. 교수 : 그렇습니다. 그런 이유로, 여러가지 면에서 배심원들을 지원할 수 있는 제도를 확립하는 일이 급선무라고 생각합니다.

ENGLISH

1. (TV studio)

2. Reporter : And now, let's watch an interview with someone who actually has presided over a trial as a citizen judge.

3. (Interview on the street)

4. Reporter : Could we hear your thoughts on participating in a trial for the first time as a citizen judge?

5. Citizen judge : My honest impression is that it was scary. If you make a mistake in your judgment, then it could mess up the defendant's life.

6. Reporter : Do you think the sentence reflected the citizen judges' opinions this time?

7. Citizen judge : Yes, I think so. The judge followed what we decided. Also, the judge explained the legal points in a way that was easy to understand and created an atmosphere in which it was easy to express our opinions.

8. Reporter : Thanks for your hard work and the interview.

9. (Studio)

10. Reporter : Professor Kim, could you please tell me your opinions after hearing that interview?

11. Professor : Of course judging another person is a frightening thing, isn't it? I think the psychological burden on citizen judges is particularly heavy, especially in cases in which they must hand down the death penalty or life imprisonment.

12. Reporter : And perhaps it's also a heavy burden on them in terms of time spent?

13. Professor : Exactly. So I think it's imperative that we establish a system for citizen judges that supports them on many different levels.

VOCABULARY PHRASE USAGE

사형 (*sahyeong*) "death penalty"
사 means "death" and 형 means "penalty" or "punishment." The word 형 appears many times in the Korean courts, for example, in 구형 meaning "to demand a penalty."

징역 (*jingyoek*) "prison labor"

When someone gets 징역, he/she has to work from within prison while they are in prison. Most people in Korean prisons have this penalty.

With this word, you can create 무기 meaning "unlimited time." When someone gets 무기징역, it means that the prisoner has to work in prison for the rest of their life until they get a particular pardon.

There's also the word 유기징역 which means "prison labor for a limited time." When someone has to work in a prison for a specific period of time, you can put the word 5년 or 3년 after the word 징역. For example, you can say 징역 5년—"five years imprisonment" and 징역 3년 - "three years imprisonment."

GRAMMAR

The Focus of This Lesson Is Making a Polite Request Using the Phrase 부탁드립니다
배심원으로 처음 참가하신 소감에 대해서 한 말씀 부탁드립니다.
"Could we hear your thoughts on participating in a trial for the first time as a citizen judge?"

When you add the phrase 부탁드립니다 after the noun related to what you're asking, you can make a polite request.

For example, 말씀 부탁드립니다 which literally means "Please give me a speech" sounds more polite than 말씀 해주세요 which literally means "please do a speech" although both can be used in a formal situation. The usage is the same as for the 해주세요 ("please do something") form.

Formation: [Noun related to the request] + 부탁드립니다.

When there's another word with a higher polite level, make sure to use the right word to make the balance. For example, you should say 말씀 부탁드립니다, not 말 부탁드립니다. You can make the request more polite by adding 시간 있으실 때 meaning "when you have time" or 괜찮으시다면 meaning "if that's okay with you" at the beginning of a sentence.

For Example:

1. 결재 부탁드립니다.
   "Could you approve this, please?" (literally, "Please give me your approval.")
2. 괜찮으시다면 결제 부탁드립니다.
   "Could you approve this if that's okay with you?"
3. 퇴근하기 전에 소등 부탁드립니다.
   "Please turn of the lights before you leave the office."

CULTURAL INSIGHT

A Korean Particle that Shows Respect

In Korean, you'll find the particle 님 in some job titles, such as 판사님 meaning "judges" and 변호사님 meaning "lawyers." But it's not just in the legal profession; the particle 님 is used whenever someone working in a particular job gets more respect because of the obligation and sacrifice involved.
For example, we say 선생님 when referring to teachers. Although the word 선생 means "teacher," most people address a teacher as 선생님. This is because people wanted to become teachers in the past had to get more education, hence they were considered to be people who would sacrifice themselves to educate others.

VOCABULARY PHRASE USAGE

전문적 (*jeonmunjeok*) - "professional"

Unlike English, Korean people don't mention their specialities specifically, therefore, they usually use the word such as 전반적 general, or 전문적 professional when they are talking about their specialties. Here the word 적 was used. Its function is to convert nouns to adverbs. For example, the word 전반 meaning "whole" as a noun becomes '전반적' meaning "overall" using this particle.

For example:

1. 전문적인 부분은 제가 담당하겠습니다.
   "Please leave the technical side of things to us."

GRAMMAR

The Focus of This Lesson Is How to Confirm Your Understanding Of Something In A Business Situation.
전반적인 디자인이나 사이트 구성을 검토하고 싶으신 거군요.
"So you'd like to rethink the design and organization of the site on an extensive scale."

---

1. -하고 싶으신 거군요. - "I'd like to do something, wouldn't you?"

When you want to confirm that you understood something correctly, you can use the phrase -하고 싶으신 거군요. It sounds more polite than the other expression -하고 싶군요 because it's more indirect.

군요 is the particle that you can use when you know something clearly, and use it as a question form like "Wouldn't you?" or "Didn't you?" in English.

For example:

1. 그럼 내일 12시 비행기로 예약하고 싶으신 거군요.
   "Then, you'd like to make a reservation for the flight departing at 12 p.m. wouldn't you?"

2. 정리하자면. - "To summarize."

After having a meeting, you can use this phrase for summarizing. You can simply say 정리하자면 meaning "to summarize" or "simply put" before giving your summary.

정리하다 means "to summarize" -면 is the particle meaning "if" so 정리하자면 literally means "If I summarize."

For example:

1. 정리하자면.. 웹사이트를 조금 더 실용적으로 세일즈에 활용하고 싶으시다는 거군요.
   "To summarize, you'd like the site to contribute more practically to sales."

CULTURAL INSIGHT

Doing Business in Korea

In Korean business culture, the relationship between the buyer and the salesperson is sometimes more important than the product itself when making a buying decision. For this reason, the culture of entertaining clients has been one of the main factors in achieving better deals. That is called 접대 문화 in Korean. In the past, companies with stronger financial power have usually landed deals over smaller companies because the salesperson has offered expensive dinners or gifts to their clients to build a better relationship with them and therefore get a better deal. Even though more companies are making policies against getting 접대 from sellers these days, it's still a social issue.

VOCABULARY PHRASE USAGE

와중 (*wajung*) "although," "while," "in the middle of" (honorific)

We can replace this word with the word 동안, which also means "while" or "in the middle of." However, the word 와중 sounds more formal, so you can use this word when having a formal business meeting or asking for some favor respectfully.

When using it with a verb, you can put the particle -는 after the verb stem and then add the word 와중. For example, you can say 기다리는 와중에, meaning "while waiting," with the verb 기다리다, meaning "to wait."

You can also use a noun with this word too. For example, you can say 전쟁의 와중에 to say "in the middle of the war." In that case, you can put the particle 의 between the noun and the word 와중. You can use the particle 에after the word 와중.

본론 (*bonron*) "point," "body"

본 means "main," and 론 means "argument" or "discussion." So 본론 means "body of a text or discussion." When you want to talk about a topic, you can open the conversation by saying 본론으로 들어갑시다, meaning "Let's talk about the topic" or literally "Let's go into the body of this discussion."

After having a discussion or meeting, you can bring it to a conclusion, which is 결론 in Korean. 결 means "ending," so it literally means "the end of a discussion."

GRAMMAR

The Focus of This Lesson Is the Expressions to Greet Someone for the First Business Meeting.
오래 기다리게 해드려서 죄송합니다.
"Sorry to have kept you waiting."

---

1. Expressions Before Introducing Your Name

Business manners are important in Korea, so it's important to use the right expressions when you meet someone for the first time for a business purpose.

When you're invited to a Korean company to have a meeting, you'll be asked to wait in a lobby or waiting room outside the main office, where the client or your business partner will come to meet you. Before introducing your name, you can use the following expressions to open the conversation.

For Example:

1. 오래 기다리게 해드려서 죄송합니다.
   "I'm sorry to have kept you waiting."
2. 오시느라 고생하셨습니다.
   "You must have had a hard time to come all the way here."

Even if you didn't wait for a long time or didn't have to a hard time coming to the client's company, your host will welcome you with one of these expressions. Don't worry about its actual meaning. Usually people will use it for making you feel comfortable and feel more welcome.

To respond to these expressions, it's better to say 아닙니다meaning "No, it's no problem" or 별말씀을요, meaning "Don't mention it," even if you've waited for hours.

Someone might ask you 차 한 잔 드시겠습니까? meaning "Would you like to have a cup of tea?" In that case, it's better to accept the offer even if you won't drink it during the meeting.

2. Expressions Introducing Yourself

When having a meeting with Korean clients, it's mandatory to bring your namecards. You can pull yours first, give it to the other person with both hands, and then say the following expressions.

For Example:

1. ILL 여행사의 홍보부에 다니는 김계진이라고 합니다.
   "I'm Kyejin from ILL Travel's Public Relations department."

2. 저는 코스모스 디자인의 영업 담당 김준영이라고 합니다.
   "My name is Nakata from Cosmos Design's Sales department."

When introducing yourself in a business meeting, it's important to let the other person know which organization or department you're working for as follows: [Company name] 의 [Department name] 에 다니는 [Name] 이라고 합니다.

Instead of saying 입니다 after your name, it's more common to say 이라고 합니다/라고 합니다, which literally means "to be called."

3. Expressions to Open the Conversation

Before talking about the topic, it's better to show your appreciation to the other person.

For Example:

1. 바쁘신 와중에 시간 내주셔서 감사합니다.
   "Thank you for taking the time to see me when you're so busy."
2. 바쁘실텐데 번거롭게 해드려서 죄송합니다.
   "I'm sorry for taking your time when you're busy."

CULTURAL INSIGHT

Visiting Another Company in Korea

If you're working at a Korean company, you'll be asked to attend a great deal of meetings every day. Most companies have regular meetings like weekly or daily meetings. These meetings do not only take place within your company: you'll also be asked to meet with your clients. In that case, someone who is going to purchase your items will ask you to visit his or her company to talk about a proposal or a suggestion. When visiting another company, you'll be asked to call your client from the lobby. As Korean people usually go outside their home to welcome you, they will come all the way to the lobby to escort you to the meeting room inside the office area or in a coffee shop nearby.
When you have a first meeting, it's important to wear formal attire. Even if your client is in a younger generation, he or she will consider people wearing suits as more trustworthy than others wearing jeans or tee shirts.

4. 과장 : 계약은 잘 성사될 것 같아?
5. 준영 : 네. 충분히 가능성 있다고 생각합니다. 하지만 조금 문제가 있는데 말입니다.. 담당자 분이 IT와 관계된 거에 대해서 익숙하지 않아서 말이죠..
6. 과장 : 음.. 준영씨도 뭐 그렇게 경험이 많진 않은걸 생각해보면 IT에 대해서 너무 잘 알고 있는 클라이언트랑 일하는 게 오히려 문제일 것 같은데? 반대로 생각해보면 오히려 잘 풀린 걸 수도 있어.
7. 준영 : 그렇게 생각하면 그렇겠네요..
8. 과장 : 그럼 앞으로 어떻게 하기로 했어?
9. 준영 : 먼저 다음주까지 제안서랑 견적서를 뽑아가기로 했지만.. 뭐부터 시작해야할지 솔직히 잘 모르겠습니다.
10. 과장 : 먼저 ILL 여행사의 경쟁사들 웹사이트부터 잘 살펴봐봐. 그렇게 하면 어떤 사이트가 사용하기 쉬운지 어떤 기능이 필요한지 보일거야. 그런 다음에 제안서를 만들면 되는거지.

2. Manager : Now is fine. How was it?

3. Joonyong : They requested a complete redesign of the website and a system that allows their customers to freely make their own tour itineraries.

4. Manager : Well, do you think we can reach an agreement?

5. Joonyeong : Yes, I definitely think we can. But there's a little problem...the person in charge seems to be unfamiliar with IT-related matters.

6. Manager : Oh, well even you, Joonyeong, don't have much experience with that, so if you had to work with a client who knew a lot about IT, there might be trouble. On the contrary, you should think yourself lucky.

7. Joonyeong : That's true.

8. Manager : So what did you decide to do next?

9. Joonyeong : It's been decided that by next week, the proposal and a quotation will be brought to them. But to be honest, I'm not sure what I should start with.

10. Manager : First, you should research ILL Travel's competitor websites. That way, you can see which sites are easy to use and what functions are needed. Then I think you should try creating the proposal.

11. Joonyeong : Got it! Thank you very much!

성공할 가능성이 있는 사업을 선택해봐 "Choose the business area where you have the ability to be successful."	

VOCABULARY PHRASE USAGE

그 쪽 (*geu jjok*) "the other side"

It literally means "the other side," but Korean people use this word when addressing someone on the other side, such as a client, although you can address him or her using the word 고객, which means "client." People use this word when delivering some facts objectively. Also, when it's not the client's personal suggestion but he or she is suggesting something on behalf of the company, you can make the meaning clear that it's the official suggestion by using the word 그 쪽. Conversely, you can address your company as 이쪽, which means "this side."

-와 관계된 (-*wa gwangedoin*) "things related to something"

관계되다 means "to be related," and 것 means "things." So, it means "things related to something." In the dialogue, we had the line saying "IT와 관계된 것" to mean "IT-related." It means the same as the phrase IT 에 대한 것, which literally means "things about IT," but people prefer using the phrase -와 관계된 것 in a formal report or formal documents. Usually when you have two words or phrases meaning the same thing, you can assume that the phrase using the Chinese-based words such as 관계 meaning "relations" is considered more formal than the other one.

GRAMMAR

The Focus of This Lesson Is the Grammatical Tips That You Need to Know When Reporting At a Company.
과장님, 어제 ILL 여행사와 미팅을 하고 왔습니다만..시간 있으실 때 보고드려도 괜찮으시겠습니까?
"Chief, yesterday I went to a meeting with ILL Travel, and when you have time, I wanted to inform you."

---

1. Use the Particle 다 More Often.

Make sure you use the particle 다 more often when making a formal report to your manager.

For Example:

1. 어제 회의는 잘 진행되었습니다. 계약서에 사인하기로 했습니다.
   "The meeting yesterday was going very well. They decided to sign the contract."

In daily conversation, you will use the particle 요 more often, such as in 잘 진행되었어요. However, in a formal situation, it sounds more professional when you use the particle 다. Although it's better to use 다 and 요 by turns when having a conversation in Korean, it's much better to end sentences with the particle 다 when you're making a formal speech or reports.

But when you're saying something that you feel honestly or try to ask some advice or favors, you can use the particle 요 like the following line from the dialogue.

For Example:

1. 하지만 조금 문제가 있는데 말입니다.. 담당자 분이 IT와 관계된 부분에 대해서는 익숙하지 않아서 말이죠.
   "But there's a little problem...the person in charge seems to be unfamiliar with IT-related things."

Here, the first sentence ended with the particle 다. Although it sounds natural to say 말이죠 or 말이지요 using the particle 요, you can see Joonyeong used the particle 다 by saying 말입니다. Then, he changed the particle to 요, which made the sentence sound softer. This will give a hint to the manager that you're stating the issue to get advice or help. When having a conversation in Korean, it's important to catch how particles like this one change the nuance.

2. Call the Job Title of Your Manager to Get the Attention

To get the attention of someone, it's important to say his or her job title. You may say his or her family name with the job title such as 김과장님 or 이부장님, but some people will consider it as less polite or sometimes rude. So, it's better to say the job title only.

For Example:

1. 사장님. 어제 회의 내용에 대해서 보고드려도 괜찮으시겠습니까?
   "Mr. CEO, would it be okay if I report about the meeting yesterday?"

3. Use -고 생각합니다 to Give Your Opinion

When you give your thoughts when making a report, you can use the following expression.

[Sentence ending with the particle 다]고 생각합니다.], meaning "I think that."

For Example:

1. 회의가 잘 진행되었다고 생각합니다.
   "I think the meeting went very well."

Here, you can put your thought first by saying 회의가 잘 진행되었다 ("The meeting was going very well.") Then put the particle 고 and the verb 생각합니다.

When you're talking about the future and your expectations, you can put a sentence in the future tense and then add 라고 생각합니다 or 이라고 생각합니다.

For Example:

1. 회의가 잘 진행될 거라고 생각합니다.
   "I think the meeting will go very well."

Make sure to take out the particle 다 and then replace it with the particle 라고 when talking about the future.

CULTURAL INSIGHT

Work Relationships in a Company in Korea

If you're working at a big Korean company, you'll see the same people for decades: not only the people who joined the company with you in the same year but also the people in management positions who joined the company years before you but will be there for twenty to thirty more years, much like you're going to be. There are pros and cons about this system. On the positive side, you can see people take care of each other just as they do for their family members. Since they consider the people working at the same company as a family, many are willing to spend their extra time to help the junior staff. But, on the other side, because your seniors will be your managers in the future, people avoid challenging their senior's ideas. Korean people consider that not following an older person or a senior's idea means that you do not respect the person, so it's not easy to make some refutations under this system where you have no chance to be promoted before your senior.

VOCABULARY PHRASE USAGE

홈페이지 (*hompeiji*) "websites"

Although it's following the pronunciation of the homepage in English, Korean people use this word to refer to websites in general. Here are other terms that you'll hear often when talking about Internet sites and communities in Korean.

홈피: In informal conversations, people call "websites" in a simplified form:홈피. It's from the word 홈페이지, meaning "websites."

페북: This is a simplified form of the word "Facebook" or 페이스북. People use this word more often than saying the original name 페이스북.

트윗하다: Twitter is getting popular in Korea, so people came up with a new verb using the word 트윗, meaning "tweet." When you leave a message on Twitter, you can say 트윗하다 or 트윗했다.

저희쪽 (*jeohui jjok*) "we" (humble)

저희 means "we" in a humble way. When some people want to be more humble, they put 쪽, meaning "side," and say 저희쪽 to mean "we" in the very humble way. It literally means "our side."

When you're having a business meeting and want to say something that your company or team is going to do, you can use this word. Unlike 이 쪽 and 그 쪽, which we've covered in the last lesson, its function is to only humble yourself and show your respects.

GRAMMAR

The Focus of This Lesson Is The Expression -ㄹ 생각이다.
지역과 목적별로 여행상품을 검색할 수 있도록 할 생각입니다.
"We're considering making it possible to search by area or by purpose in this search field."

When you're telling someone what you've been considering, you can use the expression -ㄹ 생각이다. You can connect this verb only with verbs, not nouns. Using this expression, you can deliver the meaning that you think it almost looks like you're going to make the decision, but you're not 100 percent sure. In business situations, you can use this expression when being asked what decision you're going to make.

1. When the verb stem doesn't have a batchim, add ㄹ 생각이다 after the verb stem.

For Example:

1. 나는 프로젝트를 추진하(다) + ㄹ 생각이다. -> 나는 프로젝트를 추진할 생각이다.
   "I push the project forward" + "I'm considering" -> "I'm considering pushing the project forward."

2. When the verb stem has a batchim, add 을 생각이다 after the verb stem.

For Example:

1. 나는 그 계획을 접(다) + 을 생각이다 -> 나는 그 계획을 로젝트를 접을 생각이다.
   "I put the plan on hold" + "I'm considering" -> "I'm considering putting the plan on hold."

But make sure that you do not use the expression with nouns such as 나는 프로젝트를 추진을 생각이다. (X) It should be with a verb, so you can use the verb 추진하다 instead of the noun 추진.

For Example:

1. 저는 다음 주에 프로젝트를 마무리할 생각입니다.
   "I'm considering finishing up this project next week."
2. 저는 이번 주 금요일에 고객과 만날 생각입니다.
   "I'm thinking of meeting my client this Friday."

Examples From This Dialogue

---

1. 검색코너에서는 지역과 목적별로 여행상품을 검색할 수 있도록 할 생각입니다.
   "We're considering making it possible to search by areas or by purpose."
2. 메인 화면에서 '맞춤형 플랜' 메뉴를 클릭하면 이곳으로 오게 할 생각입니다.
   "We're considering helping them come to this page when they click the menu 'Customized Plan' on the home page."

CULTURAL INSIGHT

Making Business Decisions in Korean Business Culture

When making business decisions, Korean people are fast. Sometimes, you'll hear an answer during the meeting. If you're not sure whether they are going to make a deal, ask them in person. They will let you know what they think about it.
On the other hand, they might ask you make to decisions right on the spot, even if you need to get approvals from your supervisors or the company. So it's better to make plan Bs when having a meeting with Korean clients in case they ask you to negotiate things during the meeting.

시스템 엔지니어	siseutem enjinieo	systems engineer	noun
귀사	gwisa	your esteemed company (honorific)	noun

견적을 내다.	gyeongjeogeul naeda	to form an estimate	phrase

SAMPLE SENTENCES

벌써 7번이나 금액을 낮췄다. "We've already lowered the price seven times."	어제 저녁 사장님께서 우리 사무실을 찾아와주셨다. "Last night, the CEO visited our office. (honorific)"
아직 여행이 일주일 남아있지만, 지출한 금액이 예산을 벌써 초과해버렸다. "Although I have one more week to travel, the money we spent has already exceeded the budget."	한 시간 안에 프리젠테이션을 준비하는 것은 어렵지 않을까요? "It's not possible to prepare the presentation within one hour, is it?"

견적을 냈지만 거절당했습니다. "Although I formed the estimate, it was rejected."	

VOCABULARY PHRASE USAGE

귀사 (*gwisa*) "your esteemed company (honorific)"

When you call the other person's company honorifically in a document, you can use the word 귀사. Using the same word 귀, which means "the someone/something on the opposite side (honorific)," you can also call someone else as 귀하 honorifically.

Conversely, you can call the name of your company 폐사 when you want to refer to it humbly. Or you can use the word 저희 회사 using the pronoun 저희. 저희 means "we" humbly.

For example:

1. 귀사에서 제안해주신 내용을 폐사에서 검토하였습니다.
   Gwisaeseo jeanhaejusin naeyongeul pyesaeseo geomtohayeosseumnida.
   "Our company has reviewed the contents that your esteemed company suggested."

금액을 낮추다 (*geumaegeul natchuda*) "to lower the price"

금액 is the word meaning the price, or literally the amount of money. 낮추다 means to make something lower. When you talk about lowering the price, you can use the phrase 금액을 낮추다. When you want to rise the price, conversely, you can say 금액을 올리다.

For example:

1. 금액을 낮추려는 우리의 계획은 실패해서, 결국 금액을 올리게 되었다.
   "The plan to lower the price has failed, so we had to increase the price."

초과하다 (*chogwahada*) "to exceed"

초 means "over" and 과 means "passed." So the word 초과 means "something passed over the expectation" or "to exceed" in Korean.

In the dialogue, we had a line saying 예산을 초과하다 to mean "to exceed the budget." When something didn't meet the expectation or was unqualified, you can use the word 미달하다. For example, you can say 예산에 미달하다 "to not meet the limit of the budget." 미 is the word meaning "not" and 달 is the word meaning "to achieve." So it literally means "not to achieve."

For example:

1. 그 프로젝트는 예산을 초과했다.
   Geu peurojecteuneun yesaneul chogwahatta.
   "The project exceeded the budget."

GRAMMAR

The Focus of this Lesson is How to Use the Verb 드리다 to Make a Polite Request or to Inform What You've Done Humbly
저희 회사의 예산액 4천만원 이내로 다시 검토해주실 것을 요청드립니다.
Please reconsider it and keep it under our company's budget of forty million won.

---

1. Describing your action in polite way using the word 드리다.

When you're writing an email for business purpose, it's better to make humble sentences when you inform the other what you've done. Let's compare the following sentences.

A. 제안서 보냈습니다.

B. 제안서 보내드렸습니다.

Both mean "I sent a proposal" but in the second sentence, you can see the verb 드리다 was added to the verb-stem of the main verb 보내다 meaning "to send."

드리다 means "to give (humble)," so when you say 보내드리다 it literally means "to give an action of sending something." With this additional supporting verb, you can make the entire sentence humble, therefore, inform the other what you've done more politely.

To use this support verb 드리다, you can follow the steps below.

A. Take the verb-stem only of the main verb: 보내- (the verb-stem of the verb 보내다)

B. Add the support verb 드리다 to the verb-stem: 보내+드리다 -> 보내드렸다.

C. Conjugate the verb to have the same tense, for example, 보내드리겠다 or 보내드렸다.

For example:

1. 그 결과를 말씀 드리고자 메일 보내드립니다.
   Geu gyeolgwareul malsseum deurigoja meil bonaedeurimnida.
   "I would like to send an email :to inform you of our answer."

Asking Something Politely Using the Verb 드립니다

When you ask something politely, you can describe your action of requesting politely instead of asking what you need directly.

Let's compare the following sentences.

A: 제안서를 보내주십시오.

B: 제안서를 보내주실 것을 요청드립니다.

Both mean "Please send me a proposal." But the second one has the verb 요청드리다 meaning "to give a request (humble)." The first sentence is asking what you need directly, so it might sound too strong, and therefore less polite in business email. So it's better to describe the action that you're requesting something in humble way so that you can deliver your message clearly but also be polite.

When you're making a request, you can use the word 요청드리다 meaning "to make a request" or literally "to give an action of a request." When you have a question, you can say 질문드립니다 which literally means "to give a question (humble)."

For example:

1. 저희 회사의 예산액 4천만원 이내로 다시 검토해주실 것을 요청드립니다.
   "Please reconsider it and keep it under our company's budget of forty million won."

CULTURAL INSIGHT

More About the Korean Business Environment

In the previous lesson, we briefly introduced the words 갑 (*gap*) and 을 (*eul*). In business situations, you'll hear these words a lot when talking about your clients. 갑 and 을 don't mean anything special, so it's like "person A" and "person B" in English. In Korean contracts, these words can be used to call someone to sell and someone to buy. On the contract, a seller will be marked as 을 and a buyer will be called 갑.
In the Korean economic system, even in these days, big companies are usually buying products from the smaller companies. Since there are only a few big companies, while there are many small companies whose business are very dependent on the big companies, the sellers are in unfair economic situation therefore sometimes reduce a great deal of their profit to meet what buyer wants. So 갑을관계 meaning "relationship between buyer and seller" sometimes can be used when describing unbalanced or unfair system between big and small companies.

1. 과장 : 준영 씨. 시스템 엔지니어랑 이야기해봤어?
2. 준영 : 네. 하지만 4000만원 이하는 절대 불가능하다고 합니다.
3. 과장 : 역시. 4000만원 이하로 하자는 건 애초부터 무리였나 보네.
4. 준영 : 아니면.. 여행 플랜 시스템에서 지역을 제한 해보는 건 어떨까요?
5. 과장 : 그러니까 처음 런칭할 때에는 제한된 지역에서 시작해서 나중에 점점 넓혀간다는 거지?
6. 준영 : 네. 그렇게 하면 초기 비용도 줄일 수 있고, 그 쪽에서 원하는 시스템도 구축할 수 있구요.
7. 과장 : 음.. 좋은 생각이야. 그런 경우에는 어느 지역부터 시작하면 좋을까?
8. 준영 : ILL 여행사에서는 일본 여행에 주력하고 있으니까, 일본 지역을 제안해보면 어떨까요?
9. 과장 : 맞아. 아무래도 일본은 여러 번 찾은 사람들도 많으니까 다양한 여행 플랜을 선호하는 사람들도 많을거야.
10. 준영 : 그렇게 되면 ILL 여행사에서도 긍정적으로 생각하고 예산을 늘릴 수도 있구요.
11. 과장 : 좋았어. 그럼 그 쪽에 연락해 봐봐. 마지막까지 잘 해보자.

ENGLISH

1. Manager : Joonyeong, have you talked with the engineer?
2. Joonyeong : Yes, but I was told that keeping it under forty million won is definitely not possible.
3. Manager : Well, keeping it under forty million won was impossible from the beginning, wasn't it?
4. Joonyeong : Well...how about limiting the regions offered by the create-your-own-travel-plan system?
5. Manager : You mean…start with limited regions then expand it later, right?
6. Joonyeong : That's right. In that way, we can reduce the cost of the first stage and also make the system the way they want.
7. Manager : That sounds great. Which area should we start on then?
8. Joonyeong : For now, ILL travel is focused on the travel programs for Japan, so why not suggest Japan?
9. Manager : That's right. Many people visit Japan several times, so there should be more people who prefer making their own trip.
10. Joonyeong : If that goes well, ILL travel will have a positive opinion of the system and then increase the budget.
11. Manager : Okay, then contact them with the idea. Let's do our best 'til the end.

VOCABULARY PHRASE USAGE

애초부터 (*aechobuteo*) "from the beginning"

You can usually use the phrase 처음부터 to mean "from the beginning," but when you need to use this meaning negatively or in a sentence with a negative feeling, you can use the phrase 애초부터 instead.

For example, you can say애초부터 계획이 잘못되었다 to mean "The plan was wrong from the beginning."

If you use the phrase 애초부터 here, you can emphasize that it was "wrong" from the beginning, therefore it turned out as it planned. You can use this phrase only when the outcome turned out in a wrong way.

In the dialogue, both manager and Joonyeong knew that keeping the budget under forty million won seemed impossible, so they used this phrase to emphasize that the request didn't go well because it seemed impossible from the beginning.

주력하다 (*juyrokada*) "to concentrate on"

When you put all your efforts to a specific thing, you can use the verb 주력하다 to mean "to concentrate on." It literally means "to put all power into."

In business situations, the company often uses this word when it is announcing a new main product. It also call it주력상품 (*juyeoksangpoom*) to mean "the main item" or literally to mean "the product with a lot of efforts from the company."

잘 해보자. (*jal baeboja*) "Let's do the best."
When you cheer someone up, you can use the phrase 잘 해보자. It literally means "Let's do it very well." In the dialogue, the manager said 마지막까지 잘 해보자! to mean "Let's do our best to the end."

Please note that you can use this phrase to someone with whom you can use informal Korean. Usually in Korea, this type of cheering message should be coming from the up to down, so people don't say it to their supervisors.

GRAMMAR

The Focus of This Lesson Is How to Make a Proposal in a Business Setting.
여행 플랜 시스템에서 지역을 제한해보는 건 어떨까요?
"How about limiting the regions of the create-your-own-travel-plan system?"

---

1. Using the Phrase 는 건 어떨까요?

When you make a formal proposal, you can use the following sentence structure.
는 건 어떨까요? or 는 건 어떻습니까?

Subordinates often use it in a business setting when making a proposal and asking their bosses what they think.

You can simply state your idea first, then put this phrase to the verb-stem of the first sentence.

Formation

[Clause explaining your proposal] + 는 건 어떨까요?

For Example:

1. 여행 플랜 시스템에서 지역을 제안해보다
   "to limit the regions of the create-your-own-travel-plan system"

Sentence structure: 는 건 어떨까요? ("How about?")

For Example:

1. 여행 플랜 시스템에서 지역을 제안해보는 건 어떨까요?
   "How about limiting the regions of the create-your-own-travel-plan system?"

When you're in a bigger business meeting, where it should be more polite than talking with your supervisor, it's better to use the particle 다. In that case, you can use the phrase 는 건 어떻습니까? instead.

2. Using the Phrase 면 어떨까요?

Formation

[Clause explaining your proposal] + 면 어떨까요?

You can add this phrase to the verb stem of the first sentence, which has the idea. 면 is the particle meaning "if," so it will give a meaning of "what if" to your sentence.

For Example:

1. 일본 지역을 제안해보면 어떨까요?
   "What if we suggest the Japan region?"

Please note that you need to put 으면 when the verb stem does have the batchim.

CULTURAL INSIGHT

Where Do the Korean Businessmen Go?

Do you know which country is where Korean people take business trips the most? It's Japan, and especially the city of Tokyo. Since the two countries are close, Korean and Japanese businessmen take business trips to the other country quite often. In the past, they used the Narita airport in Japan and Incheon airport in Korea to take international flights, but now they can use the Haneda airport in Tokyo and Gimpo airport in Seoul, both of which are located near the downtown areas. Since it takes less than one hour to go from the airport to downtown, and the flight takes only around two hours, many flights are full of businessmen taking trips to the other country.

These days, as the Chinese economy is growing, more people are taking business trips to China too. The flight from Seoul to Beijing or Shanghai only takes about two hours, and shorter to other cities on the east coast of China. It seems like the number of business trip to China in total will exceed the number of trips to Japan gradually.

4. Thank you for your last reply. Keeping your company's response in mind, we've examined things again at our company.

5. I am sending you the revised edition of the proposal document, as well as the quotation we have created, in the attachments.

6. In the revised edition, we suggested limiting the regions offered by the create-your-own-travel-plan system. This is because we spoke to the systems engineer at our company, and that person suggested her opinion was that starting off with a limited area, and then expanding to different regions would be efficient.

7. Additionally, we chose Japan as the first region for the system—the main destination of the tour programs at your company. Of course, it is possible to change it to a different region.

8. Please examine the attached revised proposal for more details. If you have any questions, please contact me.

9. Thank you in advance.

VOCABULARY PHRASE USAGE

견해, *gyeonhae*, "view," "opinion"

견해 has two Chinese characters in it. 견 is the word meaning "to see" and 해 means "to translate," so it means "to see and translate it into my opinion" or simply view. When there's a social issue and people have three or four different views, you can use this word to talk about it.
Not only for the social issues, but also for some issues at the company where each staff member has a different opinion, you can use this word to describe the situation. Please note that Korean people usually use this word for written Korean, or debates on TV where the words should be all formal.

There are also two other words meaning "the opinion" in Korean, but their usages are slightly different. For example, the word 의견 means "opinion." While 견해 can be used mostly for written languages, this word can be used for both written and spoken Korean. Therefore, you can see many people prefer using the 의견 to mean "opinion" during daily conversation.

Some use 주장 to mean "opinion." When someone has a strong opinion, you can use the word 주장 instead of 의견.

For example:

1. 사형제도 폐지에 대해서 여러 견해를 가진 사람들이 자신의 의견을 이야기하고 있다.
   "People with different view about the abolition of the death penalty are asserting their opinions."

효율적, *hyoyuljeok*, "effective"
효율 means "efficiency." And you can put the particle 적, which makes noun into adverbs, to this word to mean "effective." Sometimes, you'll also hear the word 효과적 which means "effective" too. Let's go over what's the difference between the meaning of these two words.

The word 효율적 can be used to mean "effective" when you're evaluating something in progress. For example, you can say 공장이 효율적으로 돌아가고 있다 ("The factory runs effectively") using the word 효율적 because the factory is still running.

But when you use the word to evaluate something already finished, you can use the word 효과적. For example, you can say.. 이번 프로젝트는 효과적이었다. "This project was effective."

GRAMMAR

The Focus of this Lesson is Vocabulary for a Business Email

In this lesson we're going to learn the words that you need to know to write a business email in Korean.

In the upper intermediate series season 1 lesson 15, we covered the set phrases that you can use in the email. In this lesson, let's cover some words that you'll see often in business email so that you can understand them correctly.

1. 첨부하다 *cheombuhada*, "to attach"

This word means "to attach." The attachment can be called 첨부파일 which literally means "attached file."

For examples:

1. 이메일에 PDF 파일을 첨부하였습니다.
   "I've attached the PDF file in this email."
2. 첨부파일 용량이 커서 압축해서 보내드립니다.
   "I'm sending the zipped file because the size of the attached file is too big."

2. 전달하다 *jeondalhada*, "to forward"

This word means "to forward." Please note that sometimes, Korean people use the word 포워딩 "foweoding" following the pronunciation of the English word. Here are the examples.

For example:

1. 어제 보내주신 받은 파일을 부장님께 전달하였습니다.
   "I've forwarded the file that you sent me yesterday to my department manager."
2. 거래처에서 온 파일을 포워딩해주시겠습니까?
   "Could you forward the file from the customer?"

3. 회신하다 *hoisinhada*, "to reply"

회신 is the word meaning "reply," so the verb 회신하다 means "to reply." Please note that this word can be used only in business situations. When you're talking the action of sending a reply to your friend, you can simply say 답장하다 (*dapjanghada*). When you want to use the verb 답장하다 in business situation, you can conjugate it with the verb 드리다 and say 답장드리다.

For examples:

1. 어제 회신한 것처럼, 오늘 사무실에 방문하겠습니다.
   "As I (said in my) reply yesterday, I'll visit your office today."

4. 전송하다 *jeonsongdoida*, "to send"

전송 means "transmission" and you can say 전송하다 to mean "to send" in business email. In casual conversation, you can simply say 보내다 to mean "to send an email." Or you can also say 보내드리다 to mean "to send" in a business email using the supportive verb 드리다.

Examples-

1. 어제 보내드린 이메일은 잘 받아보셨습니까?
   "Have you got the email that I sent you yesterday?"
2. 오늘 오후에 자료를 전송해드리겠습니다.
   "I'll send you the materials this afternoon over the email."

CULTURAL INSIGHT

Methods of Communication in Korean Businesses

Recently, there have been only two major communication channel for business purposes: email and phone calls. Since Korean companies have stopped using fax machines for major communication, these two communication methods are the most used. These days, many businessmen and women have started using instant messengers on the computer and the phone.
Except for some companies which have strict Internet usage policy, many companies are communicating over internet messengers such as MSN or Nate. And these days, some have started using the mobile application named KakaoTalk, the most popular smartphone-based messenger program, to communication with staff outside the office or those from other companies. Don't be surprised if your coworker suddenly send you a message about work to your phone through the messenger applications. It's becoming common in Korean companies.

이렇게 추운 시기에는 집에 있는게 가장 좋아. "It's best to stay at home when it's cold outside."	이 프로젝트를 마감하기까지 앞으로 한 달 남았다. "We have one month left to complete this project."
적절한 시기에 연락주세요. "Please call me at a suitable time."	생존을 위해서는 전사적인 개편이 필요합니다. "For survival, we need to entirely redesign the system at the corporate level."

VOCABULARY PHRASE USAGE

비장의 카드, *bijangui kadeu*, "winning card"
비장 means "hidden" so 비장의 카드 means "the hidden card." When a company or a person has a item or news that can bring them up to the winning point, but it hasn't been revealed yet, they say 비장의 카드를 가지고 있다 ("I have the winning card," or "hidden card.") This word can be also used when talking about the main feature of a new product that can help the product win the market share.

And it's not only for business situations; you can also hear this term when there are some competitions such as sports events.

For example:

1. 이번 제품의 비장의 카드는 지문인식시스템입니다.
   "The winning card of this product is the fingerprint verification system."

납기일, *napgiil*, "due date for payment," "due date for shipping"

납 is the Chinese character-based word meaning "to pay" and 기 is the word meaning "time." So it literally means "the due date for payment." However, you can also use the word to mean "the due date for delivery." Even though you don't have items to deliver to the customers, but a service, you can use this word to mean the due date of the project, since it should be delivered by the service company to the customer over the Internet.

For example:

1. 납기일이 다가오고 있지만, 아직 물건이 완성되지 않았다.
   "Although the due date of delivery is coming, the products have not been made yet."

GRAMMAR

The Focus of This Lesson Is How to Make a Conditional Arrangement
납기일은 11월 1일로 하는 걸로 해서 계약 절차 진행하겠습니다.
"With setting the due date of delivery on November 1st, we will proceed with the contract formalities."

---

1. ~걸로 해서

We can use the phrase ~걸로 해서 to make a conditional arrangement. It means "on the condition that ~." It's a shortened form of the phrase 것으로 해서 which means "by doing something as..."

Please note that this can be used only for the spoken language, and you can use the phrase 조건으로 when it's for written Korean.

Formation

The clause mentioning reservations or conditions comes before the phrase ~걸로 해서

Clause + particle ㄴ or 는 + ~걸로 해서

Make sure to add the particle ㄴ or 은 after the verb-stem of the clause.

For Example:

1. 3월까지 배달하는 걸로 해서 진행하죠.
   "Let's process it on the condition that we get delivery by this March."

2. 조건으로

When making a document stating conditions, you can use the phrase 조건으로 which means "on the condition that" literally. Since 걸로 해서 can be used for only the spoken language, you can use this phrase for written Korean. When it's for a formal meeting, it's better to use this phrase because it sounds more formal than the phrase 걸로 해서.

Formation

Clause + particle ㄴ or 는 + 조건으로

For example:

1. 위약금은 없는 조건으로 계약한다.
   "We signed the contract on the condition that there's no penalty."

CULTURAL INSIGHT

Doing the Impossible in Korea

It's true that sometimes your Korean client will ask you to make something that's impossible possible, expecting that you can do that. In that case, even if you think it's not going to be possible, it's better to show a positive attitude to the request than telling the truth.
Korean people prefer someone trying to do something when looking to do business, even if everything can't be ready. So instead of saying "no," it's better to let your client know that you're going to try it.

6. 소희 : 뭐? 그게 말이 돼? 그렇게 유능한 사원이 구조조정 대상자 명단에 들어갔다고?
7. 성근 : 그러니까 말이야. 그 친구 일은 잘 하지만 아마도 사내 정치에는 능숙하지 않았나 봐. 뭐 들리는 이야기로는 여러 프로젝트를 걱정하지 않게 되어서 어깨가 가벼워졌다고 이야기 한다지만...

2. Sohee : What happened to him? He was riding so high that he was being compared to even top-level managers.
3. Seongkeun : That's true. On top of that, he was given a lot more to do because he was doing such a great job. He's got lots of big projects with great responsibilities too.
4. Sohee : Right. He also has a pretty good reputation, doesn't he? Any other person in that position would be puffed up, but he is pretty humble.
5. Seongkeun : But I heard that yesterday after the restructuring he got put on the short list for being let go?
6. Sohee : What? How could that be possible? How can a competent worker like him become someone subject to being let go?
7. Seongkeun : That's what I'm saying. Even though he's a good worker, he must not be good at internal politics. But from what I've heard, he feels a weight off his shoulders because he doesn't have to worry about all of his different projects, though.
8. Sohee : He can even joke now? He's a big man! His shoulders must be drooped at hearing this totally unexpected news, though.

VOCABULARY PHRASE USAGE

잘 나가다

잘 means "well" and 나가다 is "go forward," so we can use this literally for vehicles that work very well. But we usually use 잘나가다to describe someone being very successful and riding high, gaining fame and popularity. For example, you can say그 사람은 요즘 회사에서 잘 나간다, meaning "he rides high these days at his company."

평이 좋다
평 means a "reputation" or a "review," and 좋다 means "good." You can say 평이 좋다 when someone or something is received favorably. There's another similar phrase, 평판이 좋다. 평판, which also means "reputation," but it's specifically for people, not for things, while we often use 평for both people and things.

들리는 이야기로는 , "from what I('ve) heard..."
들리 는 means "hearing," 이야기 means "a story," and 로는 means "from." 들리는 이야기로는 means "from a story that you hear from others rather than one you directly hear from the person involved in." We use this phrase when talking about something that we are not 100 percent sure of but believe based on the stories that others talk about. It is more like gossip or rumors.

GRAMMAR

The Focus of This Lesson Is Idiomatic Expressions That Use the Word 어깨, Meaning "Shoulder."
뭐 들리는 이야기로는 여러 프로젝트를 걱정하지 않게 되어서 어깨가 가벼워졌다고 이야기 한다지만.
"Well, from what I've heard, he feels a weight off his shoulders because he doesn't have to worry about all of his different projects, though.

어깨가 가벼워졌다 is one of the popular idiomatic expressions that use the word 어깨, meaning "shoulder." 가벼워졌다 is the past tense of 가벼워지다, meaning "becomes lighter." 어깨가 가벼워졌다 literally means "one's shoulders became lighter." We use this phrase when someone feels relieved as he or she gets free from weighty responsibilities.

For Example:

There are many idiomatic expressions that uses the word 어깨, meaning "shoulders," in Korean. Being an important part of the body, the word 어깨 or "shoulders" has implications of someone's status, pride, responsibility, and burden. In this lesson, we look into some other idiomatic expressions that use the word 어깨.

   "Why do you look so down?"

** There are many other expressions that use the word 어깨 in addition to those above.

- 어깨를 펴다

펴다 means "to straighten." 어깨를 펴다 literally means "to have shoulder straightened," meaning "to have confidence."

For example, you can say 어깨 좀 펴고 다녀 to someone who looks like he or she is lacking confidence.

-어깨를 짓누르다

짓누르다 means "to press down or weigh down," so 어깨를 짓누르다 means something weighty and burdensome is pressing someone down emotionally.

For Example:

1. 요즘 나는 어깨를 짓누르는 책임감에 잠을 못 이룬다.
   "I can't sleep these days, as heavy responsibilities press me down."

-어깨를 나란히 하다.

This phrase literally means "to stand shoulder to shoulder." It has a meaning of "to be on a par with or to rank with." It's a pretty similar expression to 어깨를 견주다.

For Example:

1. 한국 기업들은 이제 세계 기업들과 어깨를 나란히 한다.
   "Korean companies can now stand shoulder to shoulder with other global companies."

CULTURAL INSIGHT

Are You in the Right Line?

The workplace is another place where your relationship with others is as important as your work performance, if not more important, in Korea. And there's always internal politics going on within the company, which you might want to pay attention to if you are planning to stay there long. Internal politics can manifest in different ways, but it's usually seen in hierarchical relations. Those who want to survive in the organization usually get close to particular high-ups, making good impressions and maintaining good relations for their interest in the future. For this reason, it's also called 줄서기 or 줄세우기, meaning "getting in line." If you get on the right line, you will be more likely to survive cuts or get promoted with the help of the power you are aligned with. This shows fierce competition in Korean companies and is seen as one of the negative practices in the Korean corporate culture.

VOCABULARY PHRASE USAGE

신세를 지다
신 세 means "debt" or "things that you owe to someone." 지다 is " to owe" or "to be indebted to," and we often pair it with the word 신세.There's another word for "debt," which is 빚. 빚 is usually limited to material things like money, but 신세 is a broader term, including intangible things like kindness and help. So if you happen to stay at someone's house at night, you can say 오늘밤 신세 좀 지겠습니다, meaning "Thank you for letting me stay over tonight. I'll be indebted to you."

사고치다
사 고 is a broad term meaning "misfortune" and "disastrous things that happen." This word includes physical accidents and crashes to smaller trouble and mishaps. 치다 literally means "to hit" or "to strike," and we usually pair up the word with the word 사고, meaning "to make trouble." We also use 사고치다 when describing a couple having a shotgun wedding.

For Example:

1. 사고치면 안돼
   "Don't make trouble."

만사오케이
만 is a Chinese numeric letter meaning "10,000." 사 means "things" or "affairs." 만사 literally means "10,000 things," but we use it to mean "everything." 오케이 comes from the English expression "okay," retaining the same meaning. 만사오케이 is a combination of Korean and English, meaning "everything is fine."

GRAMMAR

The Focus of This Lesson Is Expressions That Mean "to Tell the Truth."

사실대로 말씀드리면, 성격이 그렇게 좋지 않아요
"To tell the truth, he doesn't have the best personality."

We can translate 사실대로 말씀드리면in many ways like "to tell the truth" or "to confess the truth." 사실 means "fact" or "truth" and 대로 is "according to" or "as." 사실대로 becomes an adverb phrase to 말씀드리면, which is an honorific way of saying 말하면. 말하다 means "to speak" and 면 means "if," so 사실대로 말하면 literally means "if I speak according to the truth."

This phrase usually comes at the beginning of the sentence when you want to be honest with someone and reveal the truth.

For Example:

1. 사실대로 말씀드리면 나는 그녀가 싫다.
   "To tell the truth, I don't like her."
2. 사실대로 말하면 용서해 주겠다.
   "I'll forgive you if you tell the truth."

**대로 Is a Particle That Means "As"

대로 is a particle, meaning "as"/"according to"/"the way it is." If it comes after a noun or a pronoun, it should not have a space in between, while there's a space if it comes after a verb or an adjective with some exceptions.

For Example:

1. 사실대로 말해라.
   "Tell me the truth."
2. 그래도 있어라
   "Stay as it is."
3. 그녀를 있는 그대로 사랑한다.
   "I love her as she is." ("the way she is")
4. 내가 말한 대로, 그는 정말 좋은 사람이야.
   "As I said, he is a very nice person."
5. 문자 그대로 (관용구).
   Literally, "to the letter"

*말씀드리면 Is an Honorific Expression

말씀드리면 is an honorific expression of 말하면. 말씀 is a respect form of 말, which means "speaking" or "word." 드리면 is a combination of 드리다, and ~면. 드리다 is an honorific expression meaning "to offer," "to give," or "to speak." 면 is a particle meaning "if." You use this honorific form when speaking to someone older who has a higher social status than you.

For Example:

1. 사실대로 말씀드리면 나는 한번도 그것을 공부한 적이 없습니다.
   "To tell the truth, I've never studied that."
2. 사실대로 말씀드리면 나는 대학을 나오지 못했습니다.
   "To tell the truth, I didn't graduate a university."
3. 솔직히 말씀드리면.. 그 친구 최근에 구조조정 대상자 명단에 들어갔거든요.
   "To be honest with you, he got put on the short list for getting let go after the restructuring."

-솔직히 is an adverb from the adjective솔직하다, meaning "to be honest" or "to be frank." 솔직히 말씀드리면 means "frankly speaking" or "to be honest with you." 솔직히 말씀드리면 and 사실대로 말씀드리면 have quite a similar meaning; therefore, these two phrases can be interchangeable in Korean.

For Example:

1. 솔직히 말씀드리면 매우 부끄럽습니다.
   "To be honest with you, I feel very ashamed."
2. 솔직히 말씀드리면 저는 매우 서운합니다.
   "To be honest with you, I'm very sad."

CULTURAL INSIGHT

What's Your Korean Personality?

There are many different four-character idioms in Korean that describe personalities. We learned 유아독존 in this lesson. It comes from 천상천하 유아독존, literally meaning "in the whole world, only I exist." This phrase depicts those who like to be one's own man. This person's self-independence and self-centeredness are so strong to the point that he or she looks arrogant and conceited. 오만불손 is another four-character idiom that describes a similar personality as 유아독존. 오만불손 describes someone who is extremely rude and arrogant. 우유부단 means a indecisive and irresolute personality. 철두철미 is a thoroughgoing personality, doing things with complete preparation and readiness. 외유내강 is someone who is gentle and meek in appearance but sturdy and tough in spirit. There are many other idioms that describe personalities, and it's fun to know what they mean and where those meanings come from.

2. 엄마 : 음.. 화장품.
3. 아들 : 화장품? 화장품은 어디서나 찾을 수 있잖아, 가까운 백화점에서도 살 수 있고.
4. 엄마 : 얘는 엄마를 뭘로 보고. 얼마 전에 네 이모가 화장품 사왔는데 그거 좋더라. 외국 고급 화장품이라던데? 그런데 이렇게 달러 약세일 때에는 해외에서 사야 이익이지.
5. 아들 : 음… 그건 그래. 최근 들어서 정말 달러가 약해졌어. 얼마 전까지만 해도 1달러가 1,300원이었는데 이번 달 들어서 갑자기 1,100원이 되었으니까. 같은 화장품이라도 원으로 계산하면 더 싸게 살 수 있겠네.
6. 엄마 : 아 맞다. 너 해외에 가려면 은행에 가서 환전할 거 아냐? 그럼 원화를 엔화로도 좀 바꿔놔 봐.
7. 아들 : 왜 일본에 여행가게?
8. 엄마 : 왜 그래. 나 투자의 여왕 장옥자 여사야. 얼마전에 반상회 가보니까 엄마들이 얼마 뒤면 엔고 현상이 다시 생긴다고 하더라. 지금 엔화를 싸게 사두고 나중에 엔이 비싸졌을 때 팔면 이득을 얻을 수 있을거야.

ENGLISH

1. Son : Mom, I'm going to Hawaii for vacation. Do you need anything from the duty-free shop?
2. Mom : Hmm, cosmetics?
3. Son : Only cosmetics? You see cosmetics everywhere here. Even in nearby department stores, you can buy them!
4. Mom : Don't laugh at me. Your aunt recently brought some cosmetics from abroad, and they were really good. I heard they were high-quality cosmetics? And when the U.S. dollar is weak like this, it's beneficial to buy things abroad, you know.
5. Son : Hmm, that's true, I guess. Lately, the dollar has become very weak. One dollar used to be 1,300 Korean won not long ago, but it went down to 1,100 won this month. The same cosmetic products would be cheaper if you paid with Korean won.
6. Mom : Oh, that's right. Don't you have to change money at the bank before going abroad? Then, change some won for yen.
7. Son : Why? Are you planning to go to Japan?
8. Mom : Come on. I am Mrs. Jang, the "queen of investment." I went to the community meeting the other day and heard from the ladies that the strong yen era will be back again. If I buy the yen for a cheap price and sell it when it becomes expensive, I can make a nice profit.

VOCABULARY

Hangul	Romanization	English	Class
달러 약세		weak dollar	noun
면세점		duty free shop	noun
환전	hwanjeon	currency exchange	noun
투자의 여왕		the queen of investment	noun
엔고		strong yen	noun
고급 화장품		high quality cosmetics	noun
엔화		the yen	noun

SAMPLE SENTENCES

달러 약세가 계속될 것이다. "The dollar will remain weak."	면세점에 들릴 시간 있나요? "Do we have time to drop by at the duty free shop? "
여기서 환전 가능합니까? *yeogiseo hwanjeon ganeunghamnikka?* "Do you handle foreign exchanges here?"	그녀는 투자의 여왕이라고 불린다. "She is called the queen of investment. "
엔고 현상은 한국 경제에 어떤 영향을 미치나요? "How does the strong yen affect the Korean economy?"	고급 화장품에 돈 너무 쓰지마. "Don’t spend too much money on high quality cosmetics."
엔화로 환전하고 싶습니다. "I’d like to change some money to yen."	김여사님을 모시러 가는 중입니다. "I’m on my way to pick up Mrs. Kim."

VOCABULARY PHRASE USAGE

투자의 여왕

투자 means "investment," 의 means "of," and 여왕 means "queen." We often use ~의 여왕 to describe a woman who is really good at something.

For Example:

1. 패션의 여왕
   "the queen of fashion" or "a woman who is very fashionable"

2. 춤의 여왕
   "the queen of dance" or "a woman who can dance well"
3. 변장의 여왕
   "the queen of disguise" or "a woman who can disguise well"

For a man, you can say ~의 왕, which means the "king of something," but we usually use ~의 귀재instead of ~의 왕. ~의 귀재 means "a genius" or "master of something." We can use it for both men and women. For example, 투자의 귀재 means "genius of investment," and 경영의 귀재 means "the master of business."

달러 약세

약세 is a shorter form of 약한 시세. 약하다 means "weak" and 약하다 becomes 약한 when the adjective comes before the noun 시세 to modify it. 시세 means a "market price." So, 약세 is a "weak market price."

For Example:

1. 앞으로 두달간 달러 약세는 계속될 것이다.
   "The dollar will remain weak for the next two months."

The opposite expression is 달러 강세, meaning a "strong dollar."

For Example:

1. 달러 강세는 우리나라 경제에 어떤 영향을 미치나요?
   "How the strong dollar affect our country's economy?"

GRAMMAR

The Focus of This Lesson Is the Words and Phrases Related to Currency.
최근 들어서 정말 달러가 약해졌어
"Lately, the dollar has become very weak."

약해지다 is a combination of 약하다, meaning "to be weak," and 지다, meaning "to become." Therefore, 약해지다 means "to become weak." 달러가 약해지다 means "the dollar has become weak."

We can use the phrase ~가 약해지다with other currency names, but we use most of the other currency names with the particle "화," meaning "currency," except the U.S. dollar (**You can still say 달러화, but we usually omit the 화when we're speaking about the dollar.).

For Example:

1. 엔화가 약해졌다.
   "The yen has been getting weak."
2. 위안화가 약해졌다.
   "The yuan has been getting weak."
3. 유로화가 약해졌다.
   "The euro has been getting weak."

달러가 약해졌다 has the same meaning as 달러 약세, which we learned in an earlier lesson.

For Example:

1. 엔화 약세가 언제까지 지속될까?
   "Until when will the Japanese yen stay weak?"
2. 이번 달은 원화 약세를 보이고 있다.
   "The won is getting weaker this month."

The opposite of 달러가 약해졌다 is 달러가 강해졌다, as 강해졌다 means "became strong."

For Example:

1. 유로화가 강해졌다.
   "The euro has been getting strong."
2. 위안화가 강해졌다.
   "The yuan has been getting strong."
3. 너 해외에 가려면 은행에 가서 환전할 거 아냐?
   "Don't you have to change money at the bank before going abroad?"

환전하다 is "to change money." 환전 is a noun, with 환, meaning "to exchange," and 전, meaning "money." The word 환전 is accompanied by the verb 하다, meaning "to do."

A 를 B 로 환전하다 means "to change [currency A] into [currency B]."

For Example:

1. 원화를 국돈(원화)을 미국 달러로 환전해 주세요.
   "I'd like to change Korean won into U.S. dollars."
2. 백만원 엔화로 환전해 주세요.
   "Please change 1,000,000 won into yen."
3. 환전 수수료 얼마인가요?
   "What's the charge for exchanging money?"
4. 그럼 원화를 엔화로도 좀 바꿔놔 봐.
   "Then, change some won for yen."

바꾸다 is a verb meaning "to exchange," and it has the same meaning as 환전하다.

For Example:

1. 달러를 유로화로 바꿔주세요.
   "Can you change these U.S. dollars into euros?"
2. 백만원만 달러로 바꿔주세요.
   "Can you change 1,000,000 won into U.S. dollars?"

CULTURAL INSIGHT

Shop at the Best Duty-Free Store in the Word

Koreans love foreign luxury goods. Popular brands include Prada, Louis Vuitton, Chanel, and the like, and Koreans love to buy purses, shoes, and cosmetics from there. People used to believe that wearing such a luxurious brand of goods shows your social and financial status. However, this phenomenon has widely spread to the "ordinary" people for the past decade, and these days even university students have one or two luxury brand items, regardless of whether they are real or fake. Since most luxury brand items are very expensive in Korea, people like to buy them abroad, either at the duty-free shops or outlets. You can see a lot of Koreans busy shopping at the duty-free shop at the airport, as duty-free shopping has become the must-do thing when going abroad. For this reason, the Incheon International Airport has one of the best duty-free shops in the world, and it has been chosen as the world's best duty-free shop many times.

4. 아들 : 그런 이유로만?
5. 엄마 : 그건 물론이고, 일본 국내 정치 및 경제 상황도 함께 살펴본 결과야. 엔저 현상이 나타나면서 대기업들은 이익을 봤지만 일반 국민들이나 중소기업들은 피해를 입고 있잖아. 그래서 거기에 대한 불만도 높아지고 있고.
6. 아들 : 그러니까 경제 상황은 물론이고 사회적인 상황도 살펴볼 때 엔고 현상이 조만간 나타날 거라고 예측하는 거네? 일리있네.
7. 엄마 : 그러니까 너도 너무 국내 정치 상황만 보지말고, 국내는 물론이고 주변 국가 정황들도 잘 살펴봐 봐. 유심히 살펴보면 환율이 어떻게 변동될건지 예측할 수 있을거야.

ENGLISH

1. (continuing from the previous lesson)
2. Son : How did the people in the community meeting know that the yen will get stronger?
3. Mom : The yen dropped sharply when Japan started injected lots of cash into the market last year. They said it has managed to stay weak till now, but it might reach its limit soon.
4. Son : Is that the only reason?
5. Mom : Not only that, but also it's from observing domestic politics and the economic situation in Japan. Although large companies benefit from the weak yen, ordinary citizens and small- and medium-sized businesses are suffering from it. There have been growing complaints about that.
6. Son : So the strong yen is being predicted from not only watching the economic situation but also at the social situation? That makes sense.
7. Mom : That's why you should pay close attention to what's going on in the surrounding countries as well as in your own country. Then you will be able to see how currency rates will change.

VOCABULARY PHRASE USAGE

뚝 (*dduk*), meaning "sharply"

뚝(*dduk*) is an adverb, and we use it to describe when something like grades or numbers drop remarkably.

For Example:

1. 이번 달 성적이 뚝 떨어졌다.
   "My grades did a nosedive this month."

We also use 뚝 to describe when something that has been continuous stops all of a sudden.

For Example:

1. 비가 뚝 그치다.
   "The rain suddenly stopped."
2. 아기가 울음을 뚝 그쳤다
   "The baby stopped crying all of a sudden."

일리있다. (*illi-itta*), meaning "to make sense"

일리 has a meaning of "reason" or "sense," but we almost never use it by itself. We usually use it with a verb, 있다 or 없다, meaning "to be" or "not to be," respectively. 일리 있다 means "it's reasonable," "it makes sense," or "you have a point," agreeing with someone you talk to. For example, you can say 네 말에도 일리가 있다, meaning "you've got a point there." If you use the word 일리 with the verb 없다, it means "that doesn't make sense" or "that's not reasonable."

(돈을) 풀다 (*doneul pulda*), meaning "to inject money"
풀다 literally means "to untie," "to loosen up," or "to release." 돈을 풀다 is an economic term meaning "to release," "to inject," or "to pump money."

For Example:

1. 미국 정부는 많은 돈을 시장에 풀었다.
   "The U.S. government has pumped lots of money into the market."

GRAMMAR

The Focus of This Lesson Is How to Use the Expression [A]은 물론이고 [B], Meaning "Not Only A, But Also B."
그러니까 경제 상황은 물론이고 사회적인 상황도 살펴볼 때 엔고 현상이 날 거라고 예측하는 거네?
"So the strong yen is predicted when looking not only at the economic situation but also at the social situation?"

물론 is both a noun and adverb. 물 means "not" and 론 means "to discuss," together meaning "not to discuss" or "not to mention." Here in the dialogue, we used the word 물론as a noun, followed by the particle 이고, forming the phrase of A 은 물론이고 B. The phrase means "not to mention A, and B~ ," "B as well A," or "not only A but also B."

Sample Sentences

---

1. 경미는 영어는 물론이고 중국어도 할 줄 안다.
   "Kyungmi can speak Chinese as well as English."
2. 그는 공부는 물론이고 운동도 잘 한다.
   "He is not only a good student but also a good athlete."
3. 우리 회사는 안전은 물론이고 서비스에도 최선을 다합니다.
   "Our company does our best to provide the best service as well as focus on safety."

   "That's why you should pay close attention to what's going on in the surrounding countries as well as in your own country."

****You can omit the particle 이고 and use 물론 alone too, as in A 은 물론 B, with the same meaning.**

For Example:

1. 나는 영어는 물론 한국어도 잘 못한다.
   "I can't speak Korean well, not to mention English."

2. 물론 운동도 중요하지만 무리하지는 마세요.
   "Of course, working out is important, but don't overdo it."

CULTURAL INSIGHT

The Power of the Korean Won

What happens when the Korean won gets stronger? The strong won will affect many people in the country, especially those who are involved in the trade industry.

A strong won means that the value of the won gets higher, and you will need fewer Korean won to buy U.S. dollars. But this will make it more difficult to export Korean products abroad because the price of the same Korean products will become higher outside of Korea. This will definitely have a negative impact on the country's economy as its economy is heavily dependent on exports.
On the other hand, imports of foreign goods to Korea will increase as the strong won makes foreign products cheaper. Also, it will help stabilize the consumer price as many of the products in Korea are either from abroad or made with imported materials. A strong won will also encourage people to travel abroad more and spend more money there.
As mentioned earlier, Korea's is a strongly export-based economy, and a strong won will have a great impact on its whole economy. For this reason, the Korean government always pays close attention to the currency fluctuations and actively engages in the currency policy.

VOCABULARY PHRASE USAGE

손맛이 좋다. (*sonmat*) meaning "to be a natural cook"
손 is a "hand" and 맛 is "taste." 손맛 means a sort of inherent skill that makes the food taste good. We use the expression 손맛이 좋다 to describe a natural cook or someone who has been cooking for a long time like mothers or grandmothers. You might use the same ingredients and the same recipes, but 손맛 is another thing that would make things taste very different.

For Example:

1. 우리 어머니는 손맛이 좋다.
   "My mom is a natural cook."

장모님 / 시어머니 (*jangmonim*/*sieomeoni*), meaning "a mother-in-law"
Although we use a single word, "mother-in-law," to refer to your spouse's mother in English whether you are a man or a woman, there are two different words used in Korean, depending on your gender. If you are a man, you call your wife's mother 장모님. And if you are a woman, you call your husband's mother 시어머니.

갈팡질팡 (*galpang-jilpang*), meaning "to be at a loss"
갈 팡질팡 is an expression that describes someone who is at a loss or not able to decide which direction to take. If someone is 갈팡질팡, that person is indecisive over two opinions and seems to be at a loss. We usually use갈팡질팡 with the verb 하다.

For Example:

1. 나는 그가 조금 갈팡질팡 하는 것 같다.
   "I think he's sort of at a loss."
2. 갈팡 질팡 하지 말고 빨리 결정해
   "Stop going back and forth and make a decision quickly!"

GRAMMAR

The Focus of This Lesson Is Idiomatic Expressions That Use the Word 팔, Meaning "Arm."
그렇기도 하지만, 내가 요리 교실 있기 전부터 팔 걷어 붙이고 열심히 요리 연습을 한 결과라고도 할 수 있지
"That could be part of it, but I rolled up my sleeves and worked hard as well."

The arm is a very important part of our body, and there are many idiomatic expressions in Korean that use the word 팔, meaning "arm." We will look at the expressions used in this lesson's dialogue and more.

In the sentence above, we see the expression 팔 걷어붙이다. 팔 here means "sleeves," and 걷어붙이다 is "to roll up." 팔 걷어 붙이다 describes when you roll your sleeves up to set out to work, being fully ready to work very hard.

For Example:

1. 그는 도울수 있을 때마다 팔 걷어붙이고 나선다.
   "He rolls up his sleeves whenever he can help."
2. 팔 걷어 붙이고 한다는 사람이 많아 든든하다.
   "I feel relieved that we have so many people who rolled up their sleeves for this work."
3. **그나저나 요리를 너무 열심히 했더니 팔이 떨어질 것 같네. 팔 좀 주물러 줘.
   "Anyway, my arms are about to fall off from cooking so hard. Can you massage my arms?"

In the last example, we have the expression 팔이 떨어질 것 같다. 떨어지다 is "to fall off," and 것 같다 is "to feel like." Thus, 팔이 떨어질 것 같다 means "arms feel like falling off." If you work on something very hard that requires to move your arms a lot, you can say 팔이 떨어질 것 같다. This is quite an exaggerated expression though as it's impossible to lose your arms just because you work hard.

For Example:

1. 청소를 너무 열심히 했더니 팔이 떨어질 것 같다.
   "I cleaned so hard that my arms feel like falling off."
   열심히 피아노 연습을 했더니 팔이 떨어질 것 같다.
   "I practiced piano so hard that my arms feel like they are going to fall off."

그런데 팔은 안으로 굽는다고

But like the expression "the skin is nearer than the shirt," 팔이 안으로 굽는다 is a Korean saying that literally means "arms of course bend inward." A similar English expression would be something like "The skin is nearer than the shirt" or "Blood is thicker than water."

For Example:

1. 역시 팔은 안으로 굽는다더니 김사장님이 자기 동생을 뽑을 줄 알았어.
   "Just like the saying 'blood is thicker than water,' I knew that Mr. Kim would pick his brother."

CULTURAL INSIGHT

Are You Good With Your Hands?

Koreans love massages. Korean parents ask their children to give massages often, especially when the kids are young. Usually, dads ask their kids to step on their back and walk around on it. When the children grow, they give a massage to their parents, usually on the parents' shoulders, arms, or legs. Married couples also give massages to each other, and particularly, when the husband gives a massage to his pregnant wife.
But what about those parents who don't live with children who can give them a massage? For them, there is a special chair designed to give massages. The chair has all different kinds of massage settings, and it could be better than the one your untrained child can give. Massage chairs are quite expensive, but they are a popular item as a parent's birthday present.

MAIN

1. 성주 : 누나 누나, 나 큰일났어. 집사람이 집을 나가버렸어.
2. 성은 : 뭐? 올케가 집을 나갔다고? 무슨 일이야?
3. 성주 : 실은 말이야, 요즘에 집사람이 밤 늦게 들어오길래 의심하는 마음에 핸드폰 통화이력을 훔쳐봤거든. 근데 그걸 집사람이 알아채고는 '자기 부인을 의심하는 사람과는 함께 있을 수 없어!'라고 말하면서 집을 나가버렸어.
4. 성은 : 너도 참. 전에도 올케 일기장 훔쳐보다가 걸려서 크게 싸움 나더니. 그 때 내가 발 벗고 나서서 올케 설득시켜서 집에 돌아오게 한게 엊그제 일이잖아. 너 의처증 아니야?
5. 성주 : 나도 잘 모르겠어.. 어떻게 하지?
6. 성은 : 올케가 발이 넓은 사람이라 여기저기 약속이 많아서 늦을 수도 있잖아. 의심하지 말았어야지.. 처가에는 연락해봤어?
7. 성주 : 아직. 이 일을 장모님이 아시면 또 노발대발 하실텐데..
8. 성은 : 발만 동동 구르지 말고 빨리 전화해봐. 그리고 올케 보면 손이 발이 될 때까지 빌어.

ENGLISH

1. Seong-ju : My sister, I'm in big trouble. My wife left home.
2. Seong-eun : What? The sister-in-law left home? What happened?
3. Seong-ju : To tell you the truth, she had been coming home quite late recently, so I got suspicious and looked at her cell phone history. But she found out later and left me after saying, "I can't be with someone who doesn't trust his wife!"
4. Seong-eun : Oh boy. You guys also had that big fight because you snuck a peek at her journal not long ago. It was only a few weeks ago that I threw myself in there and I gave everything I had to persuade her to come back. Maybe you really have a delusional jealousy of your wife?
5. Seong-ju : I don't know… What should I do?
6. Seong-eun : She has a large circle of acquaintances (literally has a large foot) so she probably just came home late after hanging out with people. You shouldn't have suspected her of doing something wrong. Have you called your in-laws yet?
7. Seong-ju : Not yet. The mother-in-law would hit the ceiling again if she finds out about this.
8. Seong-eun : Stop pacing up and down and call her now. And when you finally meet your wife, get on your hands and knees and beg.

SAMPLE SENTENCES

고객을 설득시키기 위한 특별한 전략이 있나요? "Do you have any specific strategies to persuade customers?"	우리가 결혼했던 게 바로 엊그제 일 같은데 말이지. "I feel like that we married just a few days ago."

jipsaramhante heorageul badaya jibeseo patireul hal su iseoyo.

"I can have a party at home only when my wife says it's OK."

VOCABULARY PHRASE USAGE

엊그제 일 (*eogeuje il*) "something that feels like it happened a few days ago"

엊 그제 is a shorter form of 엊그저께. 엊그저께 means "a couple of days ago" or "a few days ago." 일 means "happening," "event," or "incident." Thus, 엊그제 일 literally means "something that happened a couple of days ago," but this expression usually refers to "something that happened not long ago, but you feel like it just happened a few days ago."

For Example:

1. 차를 고친지가 엊그제 일인데 또 사고를 내고 말았다.
"It was only a few days ago that I had my car fixed, but I had another car accident."

We often use엊그제 일with ~같다, meaning "seems to be." If you say 엊그제 일 같다, it means "it's so vivid that you feel like it just happened only a few days ago although it happened a long time ago." You can omit 일, and just say 엊그제 같다.

For Example:

1. 대학교 같이 다니던 것이 마치 엊그제 일 같다.
"It seems like only yesterday that we were in college."

2. 대학교에 입학한게 엊그제 일 같은데 벌써 졸업이라니.
"It seems like I started the university just a few days ago, but it's already time to graduate."

노발대발 (*nobaldaebal*) "to hit the ceiling because of anger"

노발대발 is an expression that describes when someone is very upset and hits the ceiling. 노 means "anger," 발 means "to let something out/release," and 대means "big." So 노발대발 is when someone is so mad and boiling over. The verb 하다 comes after 노발대발, and we usually use it to refer to elderly people.

For Example:

1. 오늘 지각했더니 상사가 노발대발했다.
"I went to work late today and my boss hit the ceiling."

2. 내가 학교를 그만두겠다고 하자 아버지께서 노발대발 하셨다.
"My father was enraged when told him I would quit the school."

GRAMMAR

The Focus of This Lesson Is Idiomatic Expressions That Use the Word 발, Meaning "Feet."
올케가 발이 넓은 사람이라 여기저기 약속이 많아서 늦을 수도 있는데 그걸 의심이나 하고..
"You shouldn't suspect her of doing something wrong. She probably just came home late after hanging out with people because you know that she just has so many friends."

There are many idiomatic expressions that use the word 발, meaning "feet." In the first example that we see in the dialogue, we have the expression 발이 넓다.

넓다 means "to be wide/broad," and if you say someone's feet are wide, it means that person has lots of friends and acquaintances and is very well-connected. Of course, that person is probably very outgoing and social. For people like that, we say 발이 넓은 사람.

For Example:

1. 우리 엄마는 정계에 발이 넓다.
"My mom knows lots of politicians."

2. 그는 정말 발이 넓은 사람이야.
"He is so well-connected."

3. 신랑이 발이 넓어서 결혼식에 많은 손님이 왔다.
"So many guests came to the wedding because the bridegroom knows lots of people."

발만 동동 구르지 말고 빨리 전화해봐.
"Stop pacing up and down and call her now."

In this sentence, we find the expression 발만 동동 구르다. 동동 is an adverb that describes when someone is jumping up and down out of cold, anger, or anxiety. 구르다 is a verb meaning "to stamp one's feet." Thus, 발말 (발을) 동동 구르다 describes when someone is stamping his or her feet anxiously. Here in this sentence, the subject was pacing up and down anxiously, not knowing what to do.

For Example:

1. 그녀는 초조한 얼굴로 발을 동동거렸다.
"She looked nervous and paced up and down."

2. 그는 표를 못 구해서 발만 동동거리고 있었다.
"He could only pace around nervously because he was not able to get a ticket."

3. 동생은 화가 나서 발을 동동 굴렀다.
"My brother stamped his feet in anger."

그리고 올케 보면 손이 발이 될 때까지 빌어.
"And when you finally meet your wife, get on your hands and knees and beg."

In this sentence, we see the expression 손이 발이 될 때까지 빌다. 손 means "hands," 될 때까지 means "until it becomes," and 빌다 means "to beg." Thus, 손이 발이 될 때까지 빌다 literally means "to beg till your hands become your feet." Of course, it is impossible for hands to become feet, so the expression means "to beg and plead earnestly" or "to get on one's hands and knees and beg." Instead of 될 때까지, you can also say 되도록, meaning "to become." They both have the same meaning.

For Example:

1. 나는 그에게 손이 발이 될때까지 빌어보았지만 용서받지 못했다.
"I got on my hands and knees and begged, but he didn't forgive me."

2. 그는 손이 발이 되도록 빌며 용서를 구했다.
"I got on my hands and knees and begged, asking for forgiveness."

**In addition to the expressions from the dialogue, there are other expressions that use "feet."

발을 끊다
"to stop visiting or end relations"

For Example:

1. 술집에 발을 끊은지 오래다.
"I have long stopped going to bars."

2. 우리는 가족들과 발 끊고 산다.
"We don't go visiting our families anymore."

발 쭉 뻗고 자다.
"to have a good night's sleep"

For Example:

1. 이번 프로젝트만 끝나면 발 쭉 뻗고 잘 수 있을 것 같다.
"Once the project is over, I will be able to have a good night's sleep."

2. 이제 발 쭉 뻗고 잘 수 있겠다.
"Now I can sleep well without worry."

한발 늦다.
"to miss it by a second"

For Example:

1. 내가 한 발 늦었다.
"I missed it just by a second."

2. 죄송합니다만 한발 늦으셨네요. 버스는 이미 떠났습니다.
"Sorry, you missed it by a second. The bus just left."

CULTURAL INSIGHT

What Is There to Fight About in Korea?

For what reasons do married Korean couples fight? According to recent surveys on why married couple fight and divorce, the number one reason is financial problems (according to surveys done in 2013). Husbands and wives might have a different perspective on money or spending habits, and many times this leads to divorce or separation.

The second reason why they fight is because of the wife's conflicts with the husband's family. This is a surprising result although this provides the glimpse into Korean culture that each other's family is very important once you are married. Many Koreans believe marriage is to unify the two different families beyond two individuals, and high expectations from each other's families cause lots of conflicts between the couple.
Married couples also argue over other issues, such as raising children, dividing house chores, and unfaithfulness.

이번 달 취업률이 2 % 상승했다. "The employment rate has gone up by 2 percent this month."	발 디딜 틈이 없을 정도로 많은 사람이 왔다. "So many people came here that there’s no place to rest my feet."

나는 당신을 도울 여력이 없어요. "I can’t afford to help you."	오늘 신입사원 2명이 들어올 거예요. "We will have two new employees today."

VOCABULARY PHRASE USAGE

발 디딜 틈이 없다. (*bal didil teumi eopda*), meaning "to be crowded"

발 디디다 means "to place one's feet," and 틈 means "chance." Thus, 발 디딜 틈이 없다 means "it's so packed that there's no place to put one's feet." You use this expression to describe a place that has so many people or stuff.

For Example:

1. 내 방은 발 디딜 틈이 없을 정도로 지저분하다.
   "My room is so messy that there's no place to put my feet."
2. 영화관에 사람이 너무 많아 발 디딜 틈이 없다.
   "The theater is so packed with people."

스펙 (*seupek*), meaning "qualification"

스펙 is a shorter form of "specification." Unlike the common usage of the word "specification" in English, 스펙 in Korean is a word used among those who look for a job. 스펙 refers to the elements of your resume that prove your abilities, such as test results and awards history. We could translate it as "resume," but they are not exactly the same as 스펙 is something that you can measure. If you have a good resume including a big name university, good GPA, foreign language skills, internship experience, and so on, you have a good 스펙. We can roughly translate 스펙이 좋다into "to have a good resume" or "to be highly qualified."

For Example:

1. 너 스펙이 어떻게 되는데?
   "How is your resume looking?"
2. 스펙을 쌓으려면 어떻게 해야 하나요?
   "How can I build up my resume?"
3. 요즘은 스펙 좋은 사람들이 너무 많아.
   "There are so many people who have great qualifications these days."

울상이다 (*ulsang-ida*), meaning "to look about to cry"

울 comes from 울다, meaning "to cry." 상 is "look" or "face." If you say someone is 울상이다, it means someone has a sad look and is about to cry.

For Example:

1. 네 아내 왜 오늘 하루종일 울상이야?
   "Why does your wife look sad all day long?"
2. 택시 기사들은 울상을 짓게 될 것으로 보입니다.
   "Taxi drivers won't be happy."

GRAMMAR

The Focus of This Lesson Is How to Use the Auxiliary Verb 수도, Meaning "Might Do Something."
경기 침체로 인해 내년에는 상반기 채용을 하지 않을 수도 있다는 소식에 취업설명회장을 찾은 대학생들로 건물 안 역시 발 디딜 틈이 없습니다.
"As expected, the inside is totally packed with university students who visited the site after news that companies might not do recruiting for the first half of next year due to the recession."

~수도 is an auxiliary verb meaning "might do something" or "might be possible to do something."

In the sentence above, we used 수도 in the phrase 상반기 채용을 하지 않을 수도 있다는 소식에. When you break down the phrase 하지 않을수도 있다, it becomes 하지 않을, meaning "not to do"/conjugation of 하지 않다 + 수도 있다, meaning "might do...," which together mean "it might not do."

When you want to use the auxiliary verb 수도, use the stem of verb + 을 수도. But the stem of the verb here should have a batchim like 하지 않+ 다.

For Example:

1. 올해 시험을 보지 않을 수도 있다.
   "I might not take a test this year."
   내일 운동하러 나오지 않을 수도 있다.
   "I might not come to work out tomorrow."

If the stem of the verb has no batchim, like 못하 +다, use the stem of verb- ㄹ+ 수도.

For Example:

1. 내년에 결혼을 못할 수도 있다.
   "I might not do the wedding next year."
2. 내일 여행을 가지 못할 수도 있다.
   "I might not go on a trip tomorrow."

For Example:

1. 내년에는 올해보다 더 취업하기 어려워질 수도 있다고 해서 찾아왔어요.
   "I came because I heard it might be more difficult to get a job next year than this year."
2. 취업을 하지 못할 수도 있다는 불안감 때문에 조금이라도 차별화된 이력서를 만들려고 하는 학생들도 많아지고 있습니다.
   "More and more students are trying to make their resumes more unique as they worry that they might not be able to get a job."

Use 수도 when you guess or say something with possibility.

Sample Sentences

1. 마음먹기에 따라 쉬울수도 있고 어려울수도 있어요.
   "It might be easy or difficult, depending on how you think about it."
2. 될 수도 있고 안 될 수도 있으니 기다려보자.
   "It might work or not, so let's just await."

How to Get an Edge in the Korean Job Market

The job market is extremely competitive in Korea, especially if you are college graduates. More than eight out of ten high school students go to college in the country, and this tendency makes the job market more imbalanced. Just like high school students who are under great pressure to go to big name universities, college graduates also have high pressure to get a job at big companies like Samsung and LG. But if you are not from a big name school, it's hard to get in those companies mainly because there's just so much competition. Due to high competition, many students make a great effort when they are in school to make their resume look good, from acquiring all kinds of skill sets to taking lots of tests that could benefit them at the interview. Some people even do a plastic surgery as many believe being beautiful would increase the chance of getting a job.

VOCABULARY PHRASE USAGE

대두되다 (*daedudoida*) "to rise" or "to surface"
대 in Chinese means "to rise/ emerge/ rear" and 두 means "head." 되다 is a verb meaning "to become" or "be." Thus, 대두되다 has a meaning of "to rear its head/ to emerge/ to loom up/ to rise/ to surface." We use this expression to describe when a phenomenon or a force newly emerges. We usually use it when a new phenomenon becomes a problem or issue.

For Example:

1. 쓰레기 처리가 심각한 문제로 대두되고 있다.
   "How to dispose of garbage is looming as a serious problem."
2. 비만이 최근 심각한 사회 문제로 대두되었다.
   "Obesity has emerged as a major social issue lately."

낙방 (*nakbang*) "to fail a test"

낙방 is quite an old Korean word. In the past, there was a noble exam for those who wanted to serve the government during the Koryo and Chosun Dynasty. We call the test 과거, and if you fail the test, we say 낙방하다. 낙 here means "to fall" and 방 means "to post/notice." The results of 과거 test were posted on the walls around the country, so 방 refers to the test result. Although the 과거 test no longer exists in Korea, we widely use the word 낙방, meaning "to fail a test, interview, election, etc."

For Example:

1. 딸이 대학입학시험에 낙방해 무척 실망했다.
   "I was so disappointed that my sister failed the college entrance exam."
2. 시험에 낙방했다고 너무 좌절하지 마세요.
   "Don't be too disappointed that you failed the test."

GRAMMAR

The Focus of This Lesson Is Using the Expression -을(ㄹ) 바에는, Meaning "I'd Better Do Something."
이렇게 불합격 통지를 받을 바에는 그냥 포기하는게 나을까란 생각도 들구요.
"I sometimes think it would be better to give up applying for jobs if I keep being rejected."

In 을 (ㄹ) 바에는, 바 is a dependent noun meaning "It would be better to do~, if it's like~/"I would rather~ than~."

We use this expression when we think it's better to do something if the situation is like that.

In the sentence above, the speaker keeps being rejected by companies, so she wonders whether it would be better to stop trying.

For Example:

1. 맛없는 음식을 먹을 바에는 차라리 안 먹고 말겠다.
   "I would rather not eat than eat bad food."
2. 그런 대접을 받을 바에는 그냥 집에 머무르는게 낫겠다.
   "I would rather stay home than be treated like that."

To conjugate ~ 바에는, you need to look at the stem of the verb. If the last syllable of the stem has a batchim, you use 을 바에는.

In the sentence from the dialogue, the stem of verb 받다 is 받, and it has the batchim ㄷ. Therefore, you use 을 바에는 after the stem 받, forming 받을 바에는.

For Example:

1. 어차피 매를 맞을 바에는 먼저 맞겠다.
   "I would rather be punished first if I'm going to be punished anyway."

If the last syllable of the stem of the verb doesn't have a batchim, you use ~ㄹ바에는. For example, if you use the verb 하다, its stem 하~ is without a batchim, so you give the batchim ㄹ and put 바에는 afterward, forming 할 바에는.

We used this structure in another sentence later in the dialogue.

For Example:

1. 취업을 하지 못할 바에는 스스로 취업을 포기하자는 젊은이들이 크게 늘어나면서 새로운 사회 문제도 대두되고 있습니다.
   "The issue has surfaced as a new social problem as a rising number of young people say they would rather give up their job searches than keep failing to get a job."

Sample Sentences

1. 도둑질할 바에는 차라리 굶어 죽겠다.
   "I would rather starve to death than steal."
2. 법을 어길 바에는 차라리 안 하는게 낫다.
   "I would rather not do something than break the law."
3. 그를 이기지 못할 바에는 도전 하지마.
   "Don't challenge him if you can't win."
4. 그럴 바에는 차라리 사표를 쓰겠다.
   "I would rather quit my job than be that way."

CULTURAL INSIGHT

What's an Internet Cafe (or Forum) and How Do People Use Them?

There are many kind of online communities that Korean Internet users use. People who have the same interest or hobby like to create a community online and share information. We usually call it 카페, meaning café, in Korean. The word came from the name of the service that a popular internet company provided at first.
There are lots of "cafés," including a "job search café," "diet café," "parenting café," "cooking café," etc. Some cafés that have lots of members actually provide quite useful and high quality information. But most of the time, café posts are available only to the members, so you have to join the membership first. Once you become a member, there is a sort of ladder system that you can climb up, depending on the level of your contribution to the café. The higher you get to, the more benefits you get from the café. Some members also meet offline after they build a relationship online.

1. 미나 : 선배. 이제 더 이상 나 괴롭히지 마요. 쥐도 궁지에 몰리면 고양이를 문다고요. 지금까지 얌전하게 있었지만 나도 더 이상 당하지 만은 않을거에요.

2. 선배 : 뭐? 이거 봐라. 쥐뿔도 모르던 너를 이 회사에 들어오게 해준 게 누군데 그래?

3. 미나 : 그 땐 제가 순진했으니까 선배가 고마운 사람인 줄 알았죠. 하지만 이렇게 선배가 날 괴롭힐 줄은 몰랐어요. 이렇게 참고 있다 보면 쥐구멍에도 볕들 날이 있는 것처럼 언젠가는 좋은 일이 있을거야라고 생각하면서 있었지만, 그런 날은 내게 오지 않을 거라는 걸 깨달았아요. 선배도 그렇게 살지 말아요. 나중에 후회할 거에요.

4. 선배 : 고양이가 쥐 생각 한다고 어디서 훈계야, 훈계는?! 너 그러다가 내가 쥐도새도 모르게 널 이 회사에서 쫓아내 버리는 수가 있어. 이 회사에 있는 한 넌 그냥 독 안에 든 쥐야. 너가 할 수 있는 건 아무것도 없다고.

5. 미나 : 그런다고 내가 무서워할 줄 알아요? 두고 봐요. 내가 선배를 꼭 물에 빠진 생쥐처럼 만들어버릴테니까.

ENGLISH

1. Mina : Sir, don't harass me anymore. A mouse can bite a cat if it's cornered. I have been good until now, but I won't let you keep harassing me.

2. Co-worker (senior) : What? Look at you. Who was it that helped you, who were totally clueless, to get in to this company in the first place?

3. Mina : I thought you were a really nice person at the time because I was naive. But I had no idea you would be so mean to me like this. I've been putting up with it thinking every dog has his day, but I realize that's never going to happen for me. You can't live life like that. You will regret it later.

4. Co-worker (senior) : How dare you lecture me? I could kick you out of this company without anybody knowing. You are like a rat in a trap as long as you are here. There's nothing you can do about it.

5. Mina : You think that scares me? You wait and see. I'll make you like a drowned rat!

VOCABULARY

Hangul	Romanization	English	Class
쥐뿔	juippul	something very tiny, something worth nothing	noun
얌전하다	yamjeonhada	to be good, to be gentle	verb
순진하다	sunjinhada	to be naive	verb
생쥐	saeng-jui	rat	noun

독	dok	pot, jar	noun
궁지	gung-ji	corner, dead-end	noun
볕들 날	byet-deul nal	to have one’s day	phrase
훈계	hungye	lecture, preach	noun

SAMPLE SENTENCES

그는 쥐뿔도 모르면서 아는 척 한다. "He is full of it."	엄마 없는 동안 얌전하게 있어. "Be good while your mom is gone."
그는 정말 순진한것 같다. "I think he is really naive."	생쥐가 식탁 아래에 있다. "A mouse is under the table."
독에 물을 부어 주세요. "Please fill the jar with water."	나를 궁지에 몰아넣지 마세요. "Don’t push me into a corner."
걱정하지마. 쥐구멍에도 볕들 날이 있잖아. "Don’t worry. Every dog has its day."	훈계 좀 그만해. "Stop preaching at me."

VOCABULARY PHRASE USAGE

훈계 (*hungye*) "lecture," "preaching"

훈 means "to teach," and 계 means "to warn," so 훈계 means "to teach and warn." It's like a lecture or preaching that an older person gives to a younger person.

For Example:

1. 아버지는 밤마다 식구들에게 긴 훈계를 하신다.
   "My father always gives a long lecture to my family at night."
2. 훈계 좀 그만 하시죠.
   "Stop preaching at me."

생쥐 (*sanejui*) "rat"
생쥐 is a "mouse," a smaller animal that is being used in experiments or raised as a pet.
쥐 is a "rat" and is usually bigger than a mouse.

Although mice and rats are different kinds of animals in English, in Korean, 생쥐 is a part of 쥐 as 쥐 tends to refer to all kinds of rats. We often use the word 생쥐to describe someone who runs away swiftly and does things secretly.

For Example:

1. 그는 일만 시키면 생쥐 같이 잘도 빠져 나간다.
   "He runs away like a mouse whenever he is given work to do."

쥐뿔
쥐 is a "rat," and 뿔 means a "horn." Thus, 쥐뿔 literally means a "horn of a rat," which doesn't exist. We use this word figuratively to mean something "very small" or "worth nothing."

For Example:

1. 그는 쥐뿔도 모르면서 아는 체를 너무 한다.
   "He doesn't know Jack but always pretends to know everything."
   그녀는 쥐뿔도 없으면서 있는 척 한다. e
   "She doesn't have a penny but pretends to have it all."

GRAMMAR

The Focus of This Lesson Is Idiomatic Expressions That Use the Word 쥐, which Means "Rats."
쥐도 궁지에 몰리면 고양이를 문다고
"A mouse can bite a cat if it's cornered."

There are lots of idiomatic expressions that use the word 쥐, meaning "rat," and you can find many of them in this lesson. 쥐 in Korean has the connotation of something tiny, weak, and helpless. We also use it to describe someone who is cunning and deceitful and doing something in secret.

In the sentence above, 쥐 refers to something "weak." 쥐도 궁지에 몰리면 고양이를 문다 means "even a weak and helpless person can be wild and dangerous if he or she is pushed into a corner."

For Example:

1. 쥐도 궁지에 몰리면 고양이를 문다고 내 여동생 자꾸 놀리지마.
   "Stop picking on my sister. A mouse can bite a cat if it's cornered."

이렇게 참고 있다 보면 쥐구멍에도 볕들 날이 있는 것처럼 언젠가는 좋은 일이 있을거야라고 생각하면서 있었지만, 그런 날은 내게 오지 않을 거라는 것을 깨달았아요.
"I've been putting up with it thinking every dog has his day, but I realize that's never going to happen for me."

쥐구멍 is a "rat hole," and again it means something very tiny and hopeless.

쥐구멍에도 볕들 날이 있다 means "a good day will come even to somebody who is so hopeless," or "every dog has its day."

For Example:

1. 쥐구멍에도 볕들 날 있다고 포기 하지마.
   "Don't give up, and remember that every dog has its day."

2. 고양이가 쥐 생각 한다고 어디서 훈계야,
   "Don't be such a hypocrite! How dare you lecture me?"

고양이 is a "cat," and a cat is a predator of a mouse. Therefore, a cat would be never sympathetic to a mouse, and if so, it would be rather hypocritical, because eventually the cat would kill the mouse. In that sense, we use 고양이가 쥐 생각한다 when someone pretends to be nice outside while thinking about harming another person inside.

For Example:

1. 고양이가 쥐 생각 한다더니, 내 생각 하는 척 하지마.
   "Don't play the hypocrite; I know you don't care about me."
2. 너 그러다가 내가 쥐도새도 모르게 널 이 회사에서 쫓아내 버리는 수가 있어.
   "I could kick you out of this company without anybody knowing."

새 is a "bird," and if you say 쥐도 새도 모르게 ~하다, it means "to do something without even a mouse and a bird knowing." In other words, you do something very secretly so that nobody would know.

For Example:

1. 그녀는 쥐도 새도 모르게 사라졌다.
   "She vanished without a trace."
2. 이 회사에 있는 한 넌 그냥 독 안에 든 쥐야.
   "You are like a rat in a trap as long as you are here."

쥐 here is also something very helpless, especially the rat that is caught in a trap. Although 독 means a "jar," which could have the same function as a trap in the past, we can translate 독안에 든 쥐into "a rat in a trap," meaning someone who is trapped somewhere and has no way out.

For Example:

1. 나는 독안에 든 쥐처럼 아무것도 할 수 없었다.
   "I couldn't do anything like a rat in a trap."
2. 내가 선배를 꼭 물에 빠진 생쥐처럼 만들어버릴테니까.
   "I'll make you like a drowned rat!"

물에 빠진 is "to be drowned," and 물에 빠진 생쥐 describes someone who is completely wet and soaked. That person could be literally wet due to rain or water or could be someone who is utterly helpless with no hope like a drowned rat.

For Example:

1. 그는 물에 빠진 생쥐 꼴이었다.
   "He looked like a drowned rat."

CULTURAL INSIGHT

Escape Reality With These Korean Dramas

In Korea, there's a very popular kind of TV drama although it's highly criticized. It's called 막장 드라마, meaning "a soap opera that is too farfetched." 막장 literally means a "dead end," and those soap operas have very unrealistic and extreme stories and characters to the point that it feels absurd and ludicrous. For example, a guy falls in love with a girl, who turns out to be his secret sister, and their parents also have a secret relationship going on. Sometimes there's an evil girl who tries to destroy her rival to get the man she wants, but how it happens is very disturbing. These kinds of stories could happen in real life, but it's very unlikely; therefore, it's hard to get sympathy from viewers.
Those soap operas are interesting to watch for sure, and that's why those kinds of shows continue to be made although they are often criticized by media and viewers.

VOCABULARY PHRASE USAGE

애미 (*ae-mi*) "sister-in-law," literally "mother of [someone]"

When parents-in-law call their daugher-in-law, they use this word 애미. This word literally means "mother of someone," so they also sometimes put their grandchildren's names together. For example, they say 경진애미 when their daugher-in-law has a son named Kyeongjin. It literally means "Kyeong's mom."

For Example:

1. 정아 애미는 요즘 바쁜가?
   "Is Jeong-ah's mom busy these days?"
2. 아버지, 진수 어미가 일하느라 오늘 밤 조금 늦게 온다고 합니다.
   "Dad, my wife will be a bit late tonight because of her work."
3. 진영아, 너희 어미 좀 불러와.
   "Jinyoung, bring your mom."

아버님 (*abeonim*) "father-in-law" (respectfully)

아버님 is a respectful name to call a father. Usually, you say 아버님 when addressing your father or the other's father in front of someone else to show honor to the father. Also, you call your husband's father 아버님. You can also call your wife's father 아버님, although the most correct name for your wife's father is 장인어른.

For Example:

1. 저희 아버님은 올해 예순이십니다.
   "My father is sixty years old."
2. 우리 아버님은 정말 무서우신 분이야.
   "My father-in-law is a very scary man."

이름을 떨치다 (*ireumeul ddeolchida*) "to be well-known" or "to make one's name"

이름 means "name" and 떨치다 means "to be well-known." We say 이름이 떨치다 when someone becomes famous and well-known.

For Example:

1. 그녀는 과거에 아름다운 미모로 이름을 떨쳤다
   "She made her name with her beauty in the past."

GRAMMAR

The Focus of This Lesson Is the Idiomatic Expressions That Use the Word 호랑이, Which Means "Tigers."
호랑이도 제말하면 온다더니, 안그래도 네 이야기를 하고 있었다만.
"Speak of the devil. I was just talking about you."

Koreans have special affection toward tigers because they consider a tiger the king of the animals. Tigers have a connotation of being scary, brave, or honorary. In the sentence above, we have the expression 호랑이도 제말하면 온다더니. It literally means a tiger is sure to appear when talking about him, meaning "speak of the devil."

For Example:

1. 호랑이도 제말하면 온다더니 너네 사장님 오신다.
   "Speak of the devil, your boss is coming."

호랑이에게 물려가도 정신만 차리면 산다고
"You know there's always a way out if you keep your head on straight."

If we literally translate this expression, it's "you will survive if you keep your head on straight even if you are caught by a tiger." It means "you will find a way to overcome difficulties as long as you stay focused."

For Example:

1. 호랑이에게 물려가도 정신만 차리면 산다고 한시도 긴장을 놓지마.
   "There's always a way out if you keep your head on straight. You always stay alert."

그리고 호랑이 굴에 가야 호랑이 새끼를 잡는다고, 유학 가는거 적극적으로 격려해주셔서 감사드려요
"And thank you for encouraging us to study abroad from the beginning, saying 'nothing ventured, nothing gained.'"

호랑이 굴 is where a tiger lives, like a cave or den. 호랑이 굴에 가야 호랑이 새끼를 잡는다 means " you have to go into the tiger's den to catch the baby tiger." It means you have to take an action or risk something to achieve a goal," emphasizing proactiveness to get some results.

For Example:

1. 호랑이 굴에 가야 새끼를 잡는다고 했든데, 그렇게 앉아만 있어서는 안되지.
   "Nothing ventured, nothing gained. So, don't just sit around like that."

호랑이는 죽어서 가죽을 남기고 사람은 죽어서 이름을 남긴다고,
"A tiger leaves its skin after death and a man leaves his name."

This expression says a man leaves his name after his death while a tiger leave its skin. Therefore man has to strive to make his name in whatever he does. This expression emphasizes the reputation and fame of man.

For Example:

1. 호랑이는 죽어서 가죽을 남기고 사람은 죽어서 이름을 남긴다고, 훌륭한 사람이 되어 유명해지는게 제 꿈입니다.
   "A tiger leaves its skin after death and a man leaves his name. My dream is to become a great man and make my name."

CULTURAL INSIGHT

Why Many Koreans Prefer to Study Abroad

Many Koreans go abroad to study for different reasons. One of the reasons is that many people think you must get a degree from other countries, especially English-speaking countries if you want to be a serious scholar or professor after coming back. What they study varies from liberal arts to business, art, science, etc. Popular destinations for studying abroad for Koreans include the United States, Australia, the United Kingdom, Canada, China, etc. Where you choose to study depends on what you want to study and how big of a budget you have.
Besides, there are many Koreans who go such countries just to learn the language. It's not difficult to find Koreans who at least spent half a year in foreign countries learning the language. Being able to speak foreign languages, especially English, is highly valued in the country, and that tendency drives more and more people to seek to study abroad.
Another reason to study abroad is that people Koreans don't trust the country's public education system. For this reason, some affluent families send their kids alone or with their mother abroad while the father is left behind in Korea to support the family. These fathers are often called "goose father." This could cost the family greatly because sometime it could break up the family as they live separate too long time.

1. 부장 : 김대리. 며칠 전에 신청한 휴가 건에 대해서 잠깐 이야기할까?
2. 우형 : 네. 지금 시간 괜찮습니다.
3. 부장 : 휴가 희망 일정이 3월 말로 되어 있던데 조금 시기를 늦춰도 괜찮을까? 3월 말은 우리 회사 업무 피크 시즌이잖아. 김대리가 그 때 쉬면 팀에 큰 업무 공백이 생겨버려서 말이지. 김대리가 없는 3월은 생각할 수도 없어.
4. 우형 : 음.. 그럼 언제가 좋을까요?
5. 부장 : 대신 5월은 어떨까? 그 때면 다들 여유 있으니까 무리 없을 것 같은데.
6. 우형 : 그럼 5월에 가겠습니다. 10년 근속 휴가여서 아무 때나 휴가를 갈 수 있을 지 알았는데 제가 너무 생각이 짧았네요.
7. 부장 : 아니, 무슨 그런 말을. 우리 김대리가 생각이 얼마나 깊은 사람인지는 누구보다 내가 잘 알고 있는데. 그러고 보니, 김대리랑 길게 이야기한지도 오래되었네. 생각난 김에 우리 내일 저녁 맥주 한 잔 어때?

1. Manager : Woohyeong, can we talk for a moment about the vacation request that you made a few days ago?
2. Woohyeong : Yeah, I can talk now.
3. Manager : I noticed you wanted to take a vacation in late March, but would it be okay if you have it a bit later? Late March is the peak season time for our company, as you know. If you take time off then, there would be a great void in our team. I can't imagine March without you.
4. Woohyeong : Hmmm, when is a good time then?
5. Manager : What about May, then? I think it will be no problem in that month because others should have time to spare.
6. Woohyeong : Then I'll do it in May. I thought I could just take my vacation whenever I wanted because this is my ten-year anniversary at this company, but I was thoughtless.
7. Manager : No, don't say that. I know more than anybody that you are a thoughtful person. Now that I come to think of it, it has been a while since we had a long talk. As I'm reminded of it, how about we have a beer tomorrow evening?
8. Woohyeong : That sounds good. Thank you for thinking of me.

그런 말을 해서 미안해. 내 생각이 짧았어. "I’m sorry for saying so. I was thoughtless."	저를 생각해 주셔서 감사합니다. "Thank you for thinking of me."

VOCABULARY PHRASE USAGE

근속 휴가 (*geunsok hyuga*) "bonus vacation time for those who work many years consecutively at one company"

근 means "to work" and 속 means "to continue," thus 근속 means " to work many consecutive years for one company." In Korean companies, the longer you stay at one same company, the more benefits you get. For example, you will get more vacation time. Usually, ten, twenty, and thirty years of long service are honored and rewarded and you get something in return for that service.

Some related expressions are 근속년수, meaning "the number of years of service," 근속수당, meaning "the long year of service allowance/seniority allowance," and 장기 근속자, meaning "those who work for a long time at one company."

For Example:

1. 내년에 20년 근속 휴가를 쓸 수 있다.
   "I can get a bonus vacation next year because it's my twentieth anniversary at my company."
2. 그는 장기 근속으로 표창을 받았다.
   "He was honored in recognition of his long service."

피크 시즌 (*pikeu sijeun*) "peak season"

피크 시즌 is an English word that is widely used in Korea, retaining the original meaning in English, meaning the "busiest season." We call 성수기 when it's the peak season, mostly referring to holiday season. The opposite word for 성수기 is 비성수기 or 비수기. 비 here means "not," therefore 비(성)수기 means slower season or off-season.

For Example:

1. 우리 호텔을 7월이 피크 시즌입니다.
   "July is the peak season for our hotel."
   성수기라 비행기 표가 너무 비싸다.
   "Plane tickets are very expensive because it's the peak season."
   요즘은 비수기라 숙박요금이 싸다.
   "Hotel prices are cheap because it's the off-season."

GRAMMAR

The Focus of This Lesson Is Expressions Using the Word 생각 ("Thoughts").
제가 너무 생각이 짧았네요.
"I was thoughtless."

생각 means "thoughts." T the he w u" therefore "d for "hnology? It seems the former would be more powerful, if true.pportunity to l taxes. manual taskhere are various expressions that use the word 생각, and the meaning is quite different depending on what kind of verb or adjective you use.
Here we have the expression 생각이 짧다. 짧다 means "to be short"; therefore, 생각이 짧다means "to be short of thoughts/ to think not deep enough." We used the expression to describe when someone doesn't think about something thoroughly and take immature action or make hasty decisions. There's a very similar expression to this- 생각이 없다.

For Example:

1. 그렇게 말하다니 내가 생각이 짧았어요.
   "I was thoughtless that I spoke that way."
2. 생각 없는 말좀 하지마.
   "Don't say thoughtless words."
3. 우리 김대리가 생각이 얼마나 깊은 사람인지는 누구보다 내가 잘 알고 있는데.
   "I know more than anybody that you are a thoughtful person."

The opposite of 생각이 짧다 is not 생각이 길다, but 생각이 깊다. 깊다 means "to be deep"; therefore, 생각이 깊다 means "to have deep thoughts/ to be thoughtful."

For Example:

1. 우리 남편은 정말 생각이 깊은 사람이예요.
   "My husband is a very thoughtful person."
2. 김대리가 없는 3월은 생각할 수도 없어.
   "I can't imagine March without you."

생각할 수도 없다 literally means "can't think," but here we use this expression as an idiomatic expression, meaning "can't imagine." We use this expression to mean it's hard to think without someone or something because it's so important.

For Example:

1. 당신이 없는 삶은 생각할 수도 없어요..
   "I can't imagine my life without you."
2. 생각난 김에 우리 내일 저녁 맥주 한 잔 어때?
   "As I'm reminded of it, how about we have a beer tomorrow evening?"

~한 김에 means "while/ speaking of~." 생각난 김에 means "as I'm reminded of it/ speaking of that."

For Example:

1. 일어난 김에 물 한잔만 갖다 주세요.
   "Can you please bring a glass of water while you are up?"
2. 여러가지로 생각해주셔서 감사합니다.
   "Thank you for thinking of me."

생각해주다 means "to consider," "to regard," or "to care about." When you think of others with a special care, you can say 생각해주다.

For Example:

1. 나를 항상 생각해 주셔서 정말 고마워요.
   "Thank you so much for thinking of me all the time."

CULTURAL INSIGHT

How Do Korean People Use Their Day Off?

There are two types of Koreans when it comes to using their day off. The first type plans well for the day ahead of time and goes on a day trip or does something special. Korea is not a big country, so you can go and come back to most of the places within a day. But the problem is there are many others who do the same thing, so many people end up spending lots of time stuck in traffic on the road. Some people do things within their cities. For example, they go hiking, go on a picnic to the river or park, or go to watch basketball games or movies.
The second type of people is the ones who don't like doing activities much. Therefore, they just stay home to catch up on their sleep or watch television. Koreans are notorious for working long hours every day, so many people look forward to their days off so that they can get some rest.

VOCABULARY PHRASE USAGE

무기력 하다. (*mugiryeok-hada*) "to be lethargic"

무 is a Chinese letter meaning "not/not to have" and 기력 means "energy," "strength," or "vigor." Thus, 무기력 refers to the state that you have no energy or strength to carry out something. The verb 하다 comes after the word, meaning "to become lethargic."

For Example:

1. 날씨가 그를 무기력하게 만들었다.
   "The weather made him lethargic."
2. 요즘 왜 이렇게 무기력한지 모르겠어요.
   "I don't know why I'm so lethargic these days."

The opposite expression is 기력이 있다. This expression means "to have the energy or strength to do something."

For Example:

1. 그는 기력이 있는 사람이다.
   "He is an energetic person."

처방하다 (*cheobang-hada*) "to prescribe" or "to write a prescription"

처방 is a "prescription" and 처방하다 is "to prescribe" or "to write a prescription." If you receive a prescription from a doctor, you say 처방을 받다, meaning "to get a prescription."
A prescription itself is called 처방전.

For Example:

1. 그는 항생제 처방을 받았다.
   "He was prescribed antibiotics."
2. 처방전을 가지고 약국에 갔다.
   "I brought a prescription to a pharmacist."

검사, meaning "examination" or "investigation"

   "You need to get an examination first."

GRAMMAR

The Focus of This Lesson Is How to Use the Expression 다가도, Meaning "But Then" or "Nevertheless."
아무문제 없다가도 갑자기 기분이 다운되거든요.
"I feel fine but then I just start feeling down without any reason."

The expression -다가도 means "but then" or "nevertheless." You use this expression when things don't go the way that they were going. In other words, something unexpected or the opposite happens.

In the sentence above from this lesson's dialogue, the speaker was doing OK but then he felt down. So, you use the expression ~다가도, expressing a surprise.

For Example:

1. 나는 기분이 좋다가도 갑자기 눈물이 날때가 있다.
   "Sometimes I feel happy, but then I start crying all of sudden."

How to use ~다가도 is quite simple. You only leave the stem of the verb or adjective and add 다가도 to the stem. Or you can just change the word to its most basic ~다 form and just put 가도 at the end.

Here are some sample words.

For Example:

1. 없다- 없다가도
2. 있다-있다가도
3. 먹다-먹다가도
4. 하다-하다가도
5. 싶다- 싶다가도

There are two more places that we used this expression in this lesson's dialogue, which are as follows.

For Example:

1. 제 친구들도 잘 있다가도 갑자기 불안해하는 걸 보고 조울증인 것 같다고 이야기하더니
   "My friends also said I might be bipolar seeing me doing well but then getting anxious all of sudden."
2. 조금 나아지는가 싶다가도 약을 끊으면 오히려 더 조울증이 심해질 수 있어요.
   "You might get better. Nevertheless, don't stop taking the medicine as it could worsen your condition."

Sample Sentences

1. 건강이 좋아지는가 싶다가도 또 다시 나빠진다.
   "My health looks like it's getting better, but then it gets bad again."
2. 그 자매는 잘 지내다가도 갑자기 싸운다.
   "Those sisters get along well, but then they get in a fight all of a sudden."

CULTURAL INSIGHT

Getting Medical Care in Korea

Have you been to a hospital in Korea? Going to see the doctor is quite cheap in Korea thanks to the public health care, and people actually visit the doctor quite often even with minor ailments.
You usually make a reservation before going to the hospital. And when you visit the doctor's office, you get the necessary treatment at the hospital, but you get a prescription from the doctor to get the medicine at a pharmacy.
Pharmacies are usually easy to spot near hospitals. There are several pharmacists in the area if there's a big hospital.
You need a doctor's prescription to be able to get most of the medicine except some simple and emergency drugs including medicines for cold, heartburn, or painkillers. You can get those basic items either at the pharmacy or convenience stores without a prescription.

9. 성근 : 나도 그래. 이번 방학때 계절학기를 들을건지 안 들을건지 아직 결정하지 못했는데. 저번 중간고사때 시험 성적이 너무 안 좋아서 아무래도 몇 개는 재수강해야할 것 같아서.
10. 윤정 : 그렇구나. 남들은 대학교에 가면 인생의 의미에 대해서 논의하면서 낭만적인 대학생활을 한다고 하던데.. 하지만 우릴 봐봐, 당장 성적이 잘 나오냐 안 나오냐를 걱정하고 있잖아. 빨리 기말고사 끝나고 좀 푹 쉬었으면 좋겠다.

7. Seong-geun : If you say so. Anyway, what are you going to do after finals?
8. Yoonjeong : Well, I talked to my mom about that yesterday. She kept asking whether I'm coming home or not during vacation.
9. Seong-geun : Same here. I haven't decided whether I'll take summer classes or not. I might have to retake some classes because I got horrible grades on the midterms.
10. Yoonjeong : I understand. I heard when people go to university, they have a romantic campus life, discussing the meaning of life. But look at us, worrying about whether we can get good grades or not. It would be nice if the finals went by quickly and we got some rest.

이 과목 재수강 정말 하기 싫다. "I really don’t like to retake the course."	

VOCABULARY PHRASE USAGE

기말고사 (*gimalgosa*) midterm exams

기 means a "semester," 말 is an "end" or "final," and 고사 means an "exam." 기말고사. Thus, 기말고사 means the "exam you take at the end of the semester." For a midterm, we say 중간고사 because 중간 means "middle."

We use the verb 치다 with 기말고사 and 중간고사 when we want to say "to take those exams."

For Example:

1. 기말고사를 치다.
   "I'm taking finals."
2. 기말고사 언제 치나요?
   "When do we take the finals?"
3. 요즘 중간고사 치느라 바빠.
   "I'm busy with the midterms these days."

재수강 (*jaesugang*) "retaking the course"

재 is a Chinese word, meaning "again" or "re~." 수강 is "to take a course." Thus, 재수강 means "to retake a course or class."

The verb 하다 usually comes after this word.

For Example:

1. 나는 그 과목에서 F 학점 맞아서 재수강해야 한다.
   "I have to retake the course because I failed it."

밤새 (*bamsae*) "all night long"
밤 is "night" and 새 is a shorter form of 사이, meaning "in between." 밤새 means "throughout the night" or "all night long." "You use 밤새 to describe the "whole night," from the beginning to the end.

For Example:

1. 밤새 잠을 한숨도 못잤다.
   "I couldn't sleep at all the whole night."
2. 나는 밤새 동생을 간호했다.
   "I looked after my brother all through the night."

GRAMMAR

The Focus of This Lesson Is How to Use the Word 느냐, Meaning "Whether A or B."
사느냐 죽느냐 그것이 문제로다!
"To be or not to be? That is the question!"

느냐 is an ending word following a verb when asking a question, but you can also use this word meaning "whether or not."

In the sentence above, the word 느냐 came after two verbs 살다, meaning "to live," and 죽다, meaning "to die," respectively, and together it means "whether to live or to die."

To conjugate 느냐, you just put 느냐 at the end of the stem of a verb, except if the stem of the verb has the batchim ㄹ. If it does, drop the batchim of the stem of of the verb and put 느냐 like 살다-> 사느냐.

For Example:

1. 잘하느냐 못하느냐는 나에게 달려있다.
   "It depends on me whether I do it well or not."
2. 가느냐 안가느냐는 중요한 게 아냐.
   "Whether to go or not to go doesn't matter."

We used 느냐 in other sentences from the dialogue in this lesson.

For Example:

1. 뭐 시험이라는게 얼마나 준비를 열심히 하느냐 아니냐가 중요한건 아니잖아?
   "Well, whether you prepare well or not doesn't actually matter when it comes to the exam. Does it?"
2. 이건 당장 성적이 잘 나오냐 안 나오냐를 걱정해야한다니.
   "But look at us, worrying about whether we can get good grades or not."

~ㄴ지 is a similar expression as ~느냐, meaning "whether or not."

For Example:

1. 고향 집으로 방학동안 내려올건지 아닌지 계속 물어보시더라구.
   "She kept asking whether I'm coming home or not during vacation."

Here, in the sentence above, we used 내려올건지 아닌지 to mean "whether to come home or not." There's one more place that we used this expression in the dialogue.

For Example:

1. 이번 방학때 계절학기를 들을건지 안 들을건지 아직 결정하지 못했는데
   "I haven't decided whether I'll take summer classes or not."

Sample Sentence

1. 나와 같이 살건지 아닌지 정해라.
   "Make a decision whether to live with me or not."

If the stem of the verb doesn't have batchim, you use ㄹ지 instead of ㄴ지.

Sample Sentence

1. 시험 볼지 안 볼지 잘 모르겠다.
   "I don't know whether I will take the exam or not."
2. 돈을 줄지 안줄지 잘 모르겠다.
   "I don't know if I will give the money or not."

CULTURAL INSIGHT

Should You Retake That Korean Class?

Retaking a course is quite common among university students in Korea. One different thing is that many students take the same course again although they didn't fail the class. Most of the students really care about their GPAs, and getting C or below is a big deal. Therefore, many students consider retaking the course if they get grade C or below although it's not an F.

For this reason, many students take summer or winter classes. It obviously takes more money and energy, but many think it's worth it as long as you can get a better grade.

DIALOGUE - KOREAN

MAIN

1. 안녕하세요, 여러분. 선현우입니다. 오늘은 "올빼미 족", 그리고 "아침형 인간"에 대해서 이야기를 해 보려고 합니다.

2. 몇 년 전에, "아침형 인간"이라는 책이 굉장히 히트를 했던 적이 있었는데, 알고 계시나요? 아침형 인간이란, 아침에 일찍 일어나서 하루를 시작하는 사람을 말하는데요.

3. 그렇다면 얼마나 일찍, 몇 시에 일어나면 아침형 인간일까요? 보통, 다섯 시, 여섯 시 정도에 일어나서 부지런히 이것 저것 일을 하거나, 공부를 하거나, 운동을 하거나, 밥을 먹거나, 이렇게 생활을 시작하는 사람이라면, 분명 아침형 인간이라고 할 수 있겠죠? 여러분은 보통 몇 시에 일어나세요? 아침형 인간인가요? 아니면, 절대로 아침에 못 일어나는 사람인가요?

4. 만약 아침보다 밤이 좋다면, 네, 그렇다면 "올빼미 족"이라고 할 수 있겠죠. 여러분, 올빼미가 뭔지 아세요? 올빼미는 바로, (올빼미 소리) 네, 이제 아시겠죠? 올빼미는, 눈이 크고, 머리가 둥글고, 발톱이 날카로운 새이죠. 그런데 올빼미는 낮에는 거의 움직이지를 않죠. 주로 밤에 활동을 시작하고요. 그래서, 낮에는 주로 잠을 자고 밤 늦게까지 깨어 있는 사람을 "올빼미 족"이라고 합니다.

5. 만약 새벽 두 시, 세 시, 네 시까지 잠을 안 자고, 인터넷을 하거나, 영화를 보거나, 일을 하거나, 공부를 한다면 올빼미 족! 그리고 만약 매일 아침 여섯 시에 일어나서 하루를 시작한다면? 그렇죠. 아침형 인간이겠죠.

6. 여러분은 어느 쪽인가요? 아침형 인간? 올빼미 족? 저는 아주 늦게 잠을 자도 일찍 일어나 버리기 때문에, 음, 아마도, 아침형 올빼미 족이라고 할 수 있을 것 같네요. 그러면, 오늘은 여기까지. 다음 주에 뵙겠습니다. 감사합니다.

ENGLISH

1. Hello everyone. This is Hyunwoo Sun.
2. Today, I'd like to talk about "night owl" and "morning person."
3. A few years ago, a book called "Morning Person" was a big hit in Korea. Do you know the book? A morning person means someone who gets up early in the morning to start the day.
4. Then, how early, what time should one get up to be a morning person? Normally, if you get up around five or six o'clock and do this and that very diligently, you can definitely be called a morning person, I think. What time do you usually get up? Are you a morning person? Or, can you just never get up in the morning?
5. If you prefer the night over the day, yes, then you can say you are a night owl. Everyone, do you know what an owl is? Owl is none other than ... (owl sound), yes, you now know, right? An owl is a bird with big eyes, a round head and sharp claws. But owls hardly move during the day. They usually start moving at night. Therefore, we call those who are usually asleep during the day and up until late at night "night owls."
6. If you don't go to bed until two a.m., three a.m., or four a.m. and surf the Internet, watch movies, work or study, you're a night owl! And if you get up at six o'clock every morning to start the day, then yes, you're a morning person.
7. Which type are you? A morning person? A night owl? As for me, I end up getting up early even if I go to bed very late, hmm, maybe I can say I'm a morning owl.
8. OK, I will finish up here for today, and I will see you next week. Thank you.

DIALOGUE - KOREAN

1. 안녕하세요 여러분. 선현우입니다. 지난 일주일, 즐겁게 보내셨나요?

2. 다음 주는 한국의 무슨 명절인지 아시나요? 네, 우선, 한국에서는 두 가지 달력을 사용하죠. 하나는 양력, 그리고 다른 하나는 음력입니다. 보통, 날짜는 양력으로 계산하지만, 한국의 전통 명절은 음력으로 계산합니다. 그리고 옛날에는 생일도 음력으로 계산했었는데요. 그래서 제 생일은 양력이지만, 저희 엄마, 아빠, 그리고 할머니의 생일은 음력입니다.

3. 음력으로 8월 15일은 한국의 아주 중요한 명절인 추석, 네, 추석입니다. 가을이 오고, 새로운 곡식이 수확되는 것을 축하하는 명절이에요. 추석이 되면, 가족들과 아무리 멀리 떨어져 살아도, 아무리 바빠도, 꼭 가족이 모두 함께 한 곳에 모입니다. 다음 주 화요일이 바로 그 추석인데요, 그래서 저도 다음 주에 광주에 가서 부모님과 함께 보낼 계획입니다.

4. 그런데 이번 추석은 정말 좋아요. 왜냐하면, 월요일, 화요일, 수요일이 추석 연휴인데, 바로 앞에 토요일과 일요일이 있으니까요. 그리고 목요일에 수업이 있는 선생님들이 "여러분, 추석 때 멀리까지 갔다 오면 수업하기 힘들죠? 목요일은 휴강 합시다."라고 해 주시면? 하하하. 토, 일, 월, 화, 수, 목, 6일 동안 휴일을 즐길 수가 있답니다.

5. 추석 때는 기차나 버스를 타고 가족을 만나러 가는 사람이 많기 때문에, 기차표나 버스표를 구하기가 힘들어요. 앗! 그러고 보니까, 저도 아직 표를 못 샀는데... 집에 가서 부모님을 만나려면, 지금 빨리 표를 사러 가야 하겠습니다.

6. 자, 그럼 다음 주에 뵙겠습니다. 감사합니다.

7. "저기요, 광주 가는 표 한 장 주세요. 예? 없어요? 아, 안 되는데! 집에 가야 되는데..."

ENGLISH

1. Hello everyone, this is Hyunwoo Sun. Did you have a pleasant week?

2. Do you know what traditional festival it is in Korea next week? Yes, first of all, in Korea we use two types of calendars. One is the solar calendar, and the other is the lunar calendar. Usually, the dates are calculated using the solar calendar, but the traditional festivals are calculated using the lunar calendar. And in the past, birthdays were calculated using the lunar calendar as well. So my birthday follows the solar calendar, but the birthdays of my mother, father, and grandmother follow the lunar calendar.

3. August 15 of the lunar calendar is a very important traditional festival of Korea, Chuseok. It's a festival for celebrating the Autumn and the harvesting of the crops. When Chuseok comes around, no matter how far away from your family you're living, no matter how busy you are, everyone in the family gets together in one place. Next Tuesday is that very day, Chuseok. So I'm planning to visit Gwangju and spend time with my parents too.

4. By the way, this Chuseok is great. Because Monday, Tuesday, and Wednesday are the consecutive days off for Chuseok, and we have Saturday and Sunday right before that! And if the teachers who have classes on Thursday say "Everyone, it will be difficult to come to school to take classes after your long trips on Chuseok, right? Let's have next Thursday off." Hahaha, I can enjoy my holiday starting from Saturday, Sunday, Monday, Tuesday, Wednesday, to Thursday. That's six days!!

5. A lot of people take the train or the bus to go see their family on Chuseok, so it's difficult to get a train ticket or a bus ticket. Oh, come to think of it, I haven't got a ticket yet... If I want to go home and see my parents, I guess I will have to hurry up and go buy a ticket now.

6. Then, I will see you next week. Thank you.

7. "Excuse me, one ticket for Gwangju, please. What? There aren't any left? Oh no! I've got to go home!"

1. 안녕하세요 여러분. 선현우입니다. 지난 일주일 어떻게 보내셨나요?

2. 저는 이번 주에 추석을 가족과 함께 보내기 위해서 광주에 갔다 왔습니다. 다행히 버스표를 살 수 있었거든요. 부모님을 만나서, 평소에는 하지 못한 이야기도 많이 하고 어머니가 만들어 주신 맛있는 음식도 많이 먹었습니다.

3. 추석이 끝나고 나니 이제 거의 9월도 끝났군요. 한국에서는 1학기가 3월에 시작되어서 4월, 5월, 그리고 6월 15일 정도까지이고, 2학기가 9월에 시작되어서 10월, 11월, 그리고 12월 15일 정도까지입니다. 여름방학과 겨울방학을 합치면, 거의 5개월이 되기 때문에, 방학을 잘 보내는 것이 정말 중요하다고 할 수 있죠.

4. 여름방학이 끝나고 조금만 지나면 추석 연휴, 추석이 끝나고 조금만 지나면 10월, 또 조금만 있으면 중간고사, 그리고 대학교 축제, 그 다음에는 11월, 기말고사, 그렇게 또 한 학기가 끝나 버리니까요.

5. 저는 이번 여름에 중국에 갔다 왔는데요. 외국에 나가는 한국의 대학생들이 점점 많아지고 있는 것 같아요. 제 친구들은 여름방학을 어떻게 보냈는지, 한번 물어 봤습니다.

6. "여행도 하고 일도 했어." "저는 여름방학에, 어, TOEIC 공부했고요, 학교에서 아르바이트 했어요." "저는 여름방학 동안, 동아리 활동을 열심히 했고, 어, 여자친구와 함께 바다로 여행을 갔다 왔습니다." "아, 저... 여름방학 때, 두 달 중에 한 달은 계절학기 수업 들었고, 나머지 한 달은 병원에서 아르바이트 했어요."

7. 여러분은 지금 학생이신가요? 여러분은 방학을 어떻게 보내시나요? 만약 학생이 아니라면, 학생일 때, 방학 때 무엇을 하셨나요?

8. 자, 그럼 다음 주에 뵙겠습니다. 감사합니다!

ENGLISH

1. Hello everyone, this is Hyunwoo Sun. How was your week?

2. I came back from Gwangju this week to celebrate Chuseok with my family. Luckily I was able to get a bus ticket. I met my parents, talked with them about a lot of things that we don't usually get to talk about, and enjoyed lots of delicious food that my mother made for me.

3. Now that Chuseok is over, the month of September is almost over too. In Korea, the first semester begins in March and lasts through April and May until around the 15th of June, and the second semester begins in September and lasts through October and November until around the 15th of December. If you combine the summer and winter vacations, it's almost five months. So we can say that it's really important that our vacations are spent well.

4. A little after the summer vacation is over, it's the Chuseok holidays, and a little after Chuseok, it's October, a little later it's the mid-term exams period, and then there's the university festival, and November follows right after, and then the final exams period - one more semester is just over like that.

5. I went to China this summer. And I think there are more and more Korean university students who go abroad. I asked my friends how they spent their summer vacations.

6. "I traveled, and also worked."

7. "During the summer vacation, hmm, I studied for TOEIC, and had a part-time job in school."

8. "During the summer vacation, I was very active in participating in the club activities, and hmm, I went to the sea on a trip with my girlfriend."

9. "Ah, well, during the summer vacation, I spent one of the two months taking the summer course, and the other month working part-time in a hospital."

10. Are you students now? How do you spend your vacation? If you're not a student, what did you do during your vacation when you were a student?

11. Well, then, I will see you next week. Thank you!

4. 저는 서울에서 여동생과 함께 살고 있는데, 주로 집보다는 밖에서 밥을 더 자주 먹습니다. 학교에 다니기 때문에, 그리고 학교의 학생 식당이 아주 싸고 맛있기 때문에, 주로 학생 식당에서 밥을 먹습니다. 보통, 학교 주변에 있는 식당에 가면, 한 끼니에 4,000원, 5,000원 정도 하는데, 학교 식당에서는 2,500원 정도면 충분해요.

5. 하지만 오후 7시에 문을 닫고, 학생 식당을 싫어하는 친구들도 있기 때문에, 다른 식당에 가거나, 집에서 밥을 먹을 때도 가끔 있어요.

6. 사실 저는 요리를 아주 좋아하는데, 시간이 오래 걸리기 때문에 별로 자주 하지 않아요. 여러분은 어떠세요? 제가 여동생과 함께 살고 있다고 하면, 모두가 "우와! 부러워요. 여동생이 요리해 주겠네요?"라고 말하지만, 음, 글쎄요. 꼭 그렇지도 않아요. 하하.

2. In Korea, the weather is getting colder and colder. How is the weather in your country these days? When the weather changes, the food you eat changes too. Since I go to school and the food at the school cafeteria is so cheap and good, I usually eat at the school cafeteria. 5. But since the cafeteria closes at 7 p.m., some of my friends don't really like the school cafeteria. So sometimes I go to a restaurant or eat at home.

6. Actually, I really like to cook, but I don't cook that often because it takes a long time. How about you? When I say I am living with my sister, everybody says "Wow! I envy you. Your sister must cook for you, right?" but, hmm, well.... It's not necessarily like that. Haha.

7. Ah... I'm hungry now. Now it's time to go and eat! I hope you will enjoy your meal too, and I will see you next week. Thank you.

DIALOGUE - KOREAN

MAIN

1. 안녕하세요, 여러분. 선현우입니다. 지난 일주일도 재미있게 보내셨기를 바랍니다.

2. 이제, 다음 주가 되면, 한국의 대부분의 대학교에서는 중간 고사가 시작됩니다. 많은 학생들이 중간 고사 기간이 되면 평소보다 열심히 공부를 하는데요, 이건 여러분 나라에서도 마찬가지이겠죠? 저는 시험을 별로 좋아하지 않는데, 사실, 시험을 좋아하는 사람이 있을까요? 없겠죠?

3. 개인적으로, 저는 그렇게 시험 공부를 열심히 하는 편이 아니에요. 사실, 시험 공부를 거의 하지 않죠. 공부는 매일 매일 하는 것 아니겠습니까? 하하. 초등학교, 중학교, 고등학교, 대학교에서 보는 시험들 외에, 여러분 나라에는 어떤 시험들이 있나요?

4. 다른 나라들에 대해서는 잘 모르겠지만, 한국에는 시험이 정말 많아요. 그래서 평소에 도서관에 가 보면, 시험 공부를 하는 학생들을 많이 볼 수가 있답니다.

5. 사람들이 가장 많이 하는 시험 공부는, 영어 시험인 TOEIC, TOEFL, 일본어 시험인 JPT, JLPT, 중국어 시험인 HSK, 그리고 공무원이 되기 위한 공무원 시험, 공기업에 들어가기 위한 공기업 입사 시험 등이 있어요.

6. 변호사나 판사가 되기 위한 사법 고시, 공무원이 되기 위한 행정 고시, 그리고 외교관이 되기 위한 외무 고시도 있습니다. TOEIC 시험이나 TOEFL 시험도 어렵지만, 그래도 다른 시험들에 비하면 쉬운 시험이라고 할 수 있어요. 사법 고시나 외무 고시는 적어도 3년에서 많게는 5년, 6년까지도 공부를 해야 하니까요.

7. 저도 어렸을 때는 외교관이 되고 싶다는 생각을 했던 적이 있어요. 그래서 고등학교 때에는 부모님이나 주위 사람들한테서 "외무 고시 보는 거 어때?"라는 이야기를 많이 들었어요. 하지만 지금 생각해 보면, 역시 저는 시험을 좋아하지 않기 때문에 그렇게 몇 년 동안 시험 공부는 할 수가 없을 것 같아요. 지금처럼 이렇게 외국어 공부를 계속 하면, 여러 나라 사람들과 친구가 될 수 있고, 많은 나라에도 가 볼 수 있고, 한국의 문화에 대해서 말해 줄 수 있기 때문에, 외교관이 되는 것과 똑같다고 할 수 있죠. 그리고 훨씬 자유롭고 재미있고요.

8. 여러분은 오랫동안 시험 공부를 해 보신 적이 있나요? 여러분은 여러분 나라에서 어떤 시험을 준비해 보셨는지, 그리고 결과가 어떻게 되었는지 알려 주세요.

9. 자, 그럼 저는 중간 고사 시험 공부를 하러, 빨리 가 보겠습니다. 감사합니다.

ENGLISH

1. Hello, everyone. This is Hyunwoo Sun. I hope you had a nice week.

2. Now, when next week comes around, mid-term exams will start for most universities in Korea. A lot of students study harder than usual during the mid-term exam period, and I guess this is probably the same thing in your country, too, right? I don't like exams that much, but actually, is there anyone who likes exams? I guess there isn't, right?

3. Personally, I'm not really the type who studies hard for exams. Actually I hardly study for exams. Isn't studying something you should do everyday? Haha. Apart from the exams that are taken in elementary school, middle school and high school, what other exams are there in your country?

4. I don't know about other countries, but in Korea, we have lots of exams. So when I go to the library, I can usually see a lot of students who are studying for exams.

5. The most popular exams that people study for are TOEIC and TOEFL, which are English tests, JPT and JLPT, which are Japanese tests, and HSK, which is a Chinese test. And there is the civil service examination to become a government employee, and the extrance exam for working in public enterprises, too.

6. We also have the bar exam, which you take to become a lawyer or a judge, the higher civil service exam to work for the government, and the foreign service exam to become a diplomat. TOEIC and TOEFL are difficult too, but we can say they are rather easy compared to the other exams. Because the bar exam or the foreign service exam can take you at least 3 years to 5 or 6 years to study for.

7. When I was younger, there was a time when I used to think that I wanted to become a diplomat. So when I was in high school, I was often asked by my parents and the people around me "Why don't you take the foreign service exam?" But, when I think about it now, just like I've always thought, I don't like exams, so I don't think I can study for a test for many years like that. If I continue studying foreign languages like this, I will be able to make friends from many countries, go visit many countries, and tell them about the Korean culture. So you can say it's the same thing as becoming a diplomat. And I'll have more freedom and more fun.

8. Have you ever studied for an exam for a long time? Please tell me what kind of exams you've prepared for in your country, and how the results were.

9. Then, I will hurry up and go to study for my mid-term exams. Thank you!

CULTURAL INSIGHT

The Korean Education system is one that is based on tests. One must take tests at every major level of education and post education in order to be recognized as one who has completed the respective level of education. For schools, there are countless school entrance exams, starting even from nurseries, all the way till higher education. Even some secondary school (typically called 학원) have entrance exams. Many government jobs require a test as well. Tests are a major part of, not just education in Korea, but also careers.

DIALOGUE - KOREAN

MAIN

1. 안녕하세요, 여러분. 선현우입니다. 시간이 정말 빠르죠? 벌써 일주일이 지났습니다.

2. 여러분, 햄버거 좋아하세요? 한국에도 햄버거 가게, 즉 패스트푸드점이 많이 있어요. 가장 많이 볼 수 있는 햄버거 가게는, 맥도날드, KFC, 롯데리아, 파파이스, 버거킹 등등입니다.

3. 다른 식당과 햄버거 가게는 서비스가 조금 다르죠? 네, 어떻게 다를까요? 가격이 비싸다? 싸다? 아니면, 음식의 종류가 다르다? 물론, 모두 맞는 말이지만, 무엇보다도 가장 큰 차이점은 바로 셀프 서비스가 아닐까요?

4. 예를 들어서, 맥도날드에 가면 "안녕하세요, 맥도날드입니다. 어서 오세요."라고 점원이 인사를 하죠? 그런 다음에, 여러분은 그냥 테이블에 가서 앉으면 음식을 주문할 수 있을까요? 물론 안 돼죠? 카운터에 가서, "무슨 무슨 햄버거와 무슨 무슨 음료 주세요"라고 말하지 않으면, 햄버거를 먹을 수가 없겠죠? 아무도 "뭐 드시겠습니까?"라고 물어보지 않으니까요.

5. 그런데, 요즘에는 한국의 다른 식당들에서도 이렇게 셀프 서비스를 많이 하고 있어요. 옛날에는 식당에 그냥 들어가서 테이블에 앉으면 누군가가 와서 주문을 받아 주는 식당이 대부분, 아니, 거의 100%였어요. 하지만 요즘에는 카운터에 가서 음식을 주문하고 돈을 낸 다음에 밥을 먹을 수 있는 식당들도 많아요. 마치 햄버거 가게처럼요.

6. 또 테이블에서 주문을 받아 주지만, 물을 가져다 주지 않는 식당들도 있어요. "여기는 왜 물을 안 주지?"라고 생각하면서 주위를 둘러보면, 벽에 "물은 셀프"라고 써 있는 거죠. 가끔씩, "반찬은 셀프"라고 써 있는 식당들도 있고요.

7. 며칠 전에, 프랑스에서 온 친구와 함께 밥을 먹으러 식당에 갔었는데요. 사람이 정말 많았어요. "우와... 이 식당, 인기가 참 많네? 음식이 정말 맛있나 보다"라고 생각하면서, 웨이터를 기다리면서 이야기를 하고 있었어요.

8. 그런데, 이야기가 너무 재미있어서 배가 고프다는 것을 잊어 버리고 계속 이야기를 했어요. 20분 동안! 그런데 웨이터가 아무도 안 오는 거예요. 그래서 제가 자리에서 일어나서, 주위를 둘러 보니, 아, 저쪽 벽에 "주문은 카운터에서 해 주세요"라고 써 있는 거예요.

9. 여러분은 이런 경험 있으세요? 여러분이라면 이럴 때 어떻게 하시겠어요? 그 날, 저와 제 친구는 20분 동안 앉아 있던 그 식당에서 나와서, 옆에 있는 맥도날드에 갔답니다. 이번에는 실수하지 않고 100% 셀프 서비스를 했지요.

10. 자, 그럼 오늘은 여기까지. 다음 주에 뵙겠습니다. 감사합니다.

ENGLISH

1. Hello, everyone. This is Hyunwoo Sun. Time passes so fast, right? One week has already passed.

2. Everyone, do you like hamburgers? There are lots of hamburger shops, in other words, fastfood restaurants in Korea, too. The shops that you can see most often are McDonald's, KFC, Lotteria, Popeyes, Burger King, etc..

3. The service at hamburger shops is a bit different from other restaurants, right? Yes, how is it different? The price is high? Or low? Or the type of food is different? Of course, these are all correct, but more than anything, wouldn't the biggest difference be self-service?

4. For example, when you go to the McDonald's, the clerks greet you with "Hello, welcome to McDonald's," right? After that, if you just walk over to the table and sit down, can you order your food? Of course you can't, right? If you don't go to the counter and tell them "I want so and so burger and so and so drink, please", you can't eat a burger. That's because no one will ask you "What would you like to have?"

5. But a lot of other restaurants in Korea have this kind of self-service system too. In the past the restaurants where you can just walk in and sit at the table and someone will come to take your order were a majority, no, almost 100%. But now, there are many restaurants where you have to go to the counter, order the food, and pay the money before you can have your meal. Just like a burger shop.

6. And these days there are restaurants where they take your order from the table, but won't bring you water. You look around, thinking "Why don't they serve water in this restaurant?" and find a sign saying "Water is self-service." Sometimes there are restaurants where "side dishes are self-service" is written.

7. A few days ago, I went to a restaurant with a friend who came from France, and there were so many people. As we were thinking "Wow... this restaurant is so popular. I guess the food is really good," we were talking and waiting for the waiter.

8. But we had so much fun talking that we forgot that we were hungry, and kept talking. For 20 minutes! But there was still no waiter at our table. So I got up and looked around, and I found over there on the wall a sign saying "Please order food at the counter."

9. Have you had this kind of experience? What would you do when something like this happens? On that day, my friend and I came out of the restaurant where we were just sitting for 20 minutes, and went to the McDonald's that was right next door. And this time, we didn't make any mistake and went right into 100% self-service mode.

10. Well, then, that's it for today. See you next week. Thank you!

DIALOGUE - KOREAN

MAIN

1. 안녕하세요, 여러분. 선현우입니다. 벌써 일주일이 지나고, 현우의 오디오 블로그 시간이 돌아왔습니다.

2. 여러분은 영화 좋아하세요? 주로 어떤 영화를 좋아하세요? 저는 영화라면, 뭐든지 다 좋아하는데요, 특별히 액션 영화와 SF 영화, 즉 공상 과학 영화를 좋아합니다. 스파이더맨, 다이하드, 본 얼티메이텀, 엑스맨, 트랜스포머, 그리고 007 시리즈 등이 그 동안 제가 가장 재미있게 본 액션 또는 공상 과학 영화들이에요.

3. 여러분은 영화를 어디에서 보세요? 영화관에서? 집에서 DVD로? 아니면 인터넷에서 다운로드? 물론, 영화는 영화관에서 보는 것이 가장 좋겠죠? 스크린도 크고, 사운드도 좋고, 뭐랄까, '나 영화 보러 간다'하는 기분이 있잖아요. 하지만 보통, 사실, 옳은 일은 아니지만, 인터넷에서 영화를 다운로드 받아서 보는 사람들이 많아요. (그리고 저도 가끔씩 다운로드 해서 봐요.)

4. 하지만 역시, 좋은 영화는, 영화를 만들어 준 사람들에게 고마우니까, 돈을 내고 보는 것이 좋겠죠? 그래서 저는 며칠 전에, 집 근처의 DVD 대여점에 갔습니다.

5. DVD 대여점은 DVD를 빌려서 볼 수 있는 곳이에요. 2000원을 내면, DVD를 다음 날까지 빌릴 수 있어요. 영화관에서 보면 7000원이나 8000원이니까, 훨씬 싸죠?

6. DVD 대여점에서, 제가 보고 싶은 영화를 하나 찾아서, 카운터에 가져갔어요. 하나를 빌리는 것이기 때문에, 2000원을 주머니에서 꺼내서 내려고 하는데, 점원이 말하기를, "아, 연체료가 조금 있네요. 연체료까지 해서, 9000원입니다."라고 말하는 거예요!

7. 아... 지난 번에 빌렸던 DVD를 너무 늦게 반납해서, 연체료가 7000원이 나왔어요. "아, 이럴 줄 알았으면 이 돈으로 영화관에 갈 수 있었는데!"라고 생각하면서, 신나는 액션 영화를 슬픈 마음으로 보았습니다.

8. 여러분은 DVD 대여점에 자주 가세요? 어떤 영화를 주로 빌려 보세요?

9. 그럼, 다음 주에 뵙겠습니다. 감사합니다.

ENGLISH

1. Hello, everyone. This is Hyunwoo Sun. A week has already gone by, and the time for Hyunwoo's Audio Blog has returned.

2. Do you like movies? What kind of movies do you like? I like all kinds of movies, but I especially like action films and SF, to say, science fiction movies. Spiderman, Die Hard, Bourne Ultimatum, X-men, Transformers, and the 007 series are some of the action or sci-fi films that I've enjoyed the most so far.

3. Where do you watch movies? At movie theaters? Or at home on DVD? Or do you download them from the Internet? Of course, movies are best to watch at movie theaters, right? The screen is big, and the sound is great, and what do you call it, you have this feeling of "I'm going to the movies!" But, usually, although it's not actually the right thing to do, there are lots of people who download the movies from the Internet. (And I do that sometimes as well.)

4. Nonetheless, since we're appreciative of the people who've made good movies, we'd better pay for watching them, right? So I went to a DVD rental shop near my house a few days ago.

5. A DVD rental shop is a place where you can rent DVDs. If you pay 2,000 won, you can rent a DVD until the next day. It costs 7,000 or 8,000 won to watch a movie at a movie theater, so it's much cheaper, right?

6. At the DVD rental shop, I found a movie that I wanted to see, and took it to the counter. Since I was renting one movie, I was about to take 2,000 won out of my pocket when the clerk said, "Oh, you have some late fee pending. Including the late fee, it's 9,000 won."

7. Ah... I returned the DVD that I borrowed the last time too late, so the late fee was 7,000 won. Thinking "If I had seen this coming, I could have gone to the movie theater with this money!" I watched the exciting action movie with a sad heart.

8. Do you go to DVD rental shops often? What movies do you usually rent and watch?

9. Then, I'll see you next week. Thank you!

CULTURAL INSIGHT

DVD/Video rental culture in Korea is quite unique, specifically regarding Korean dramas. Korean dramas are usually made in 20 episode series. Stories are completed within these series, and rarely are there plans to continue these series. Because a whole series tells one complete story, many Korean drama fans will rent the whole series at once and watch them in one or two sittings, as Korean drama's can be quite addicting.

1. 안녕하세요, 여러분. 선현우입니다. 아... 점점 추워지고 있습니다!! 계속 가을일 수는 없을까요?

2. 제가 서울에서 여동생과 함께 살고 있다고 한 것, 기억하시나요? 지난 주에는 여동생이 새로운 노트북 컴퓨터를 사고 싶다고 해서, 함께 용산에 다녀왔습니다. 여러분은 '용산'이 어떤 곳인지 아세요?

3. 물론 서울에는 전자제품을 살 수 있는 곳이 정말 많이 있지만, 가장 편리하고 유명한 곳이 용산 전자상가입니다. 보통, 전자제품은 인터넷으로 사면 가장 싸죠? 하지만 용산에 가면, 사고 싶은 전자제품을 직접 손으로 만져 보고, 작동해 보고, 비교해 볼 수 있죠. 그리고 가끔은 인터넷에서 본 가격보다도 더 싸게 살 수 있어요. 그래서 저는 컴퓨터, 컴퓨터 부품, 디카, MP3, 전자사전 등을 사고 싶을 때에는 항상 용산에 갑니다. 그리고 별로 사고 싶은 것이 없을 때에도, 시간이 있으면 '무슨 제품이 새로 나왔나?' 하면서 용산에 가 봅니다.

4. 여동생이 사고 싶은 노트북 컴퓨터를 보기 위해서 전자상가 건물 안으로 들어갈 때, 왼쪽, 오른쪽, 앞, 뒤에서 익숙한 목소리들이 들려 옵니다.

5. "네, 감사합니다. 어서와요." "물어보세요." "물어봐요. 뭐 찾는데요?"

6. 저도 처음에 용산에 갔을 때는, "아, 괜찮습니다." "아니에요. 그냥 보려고요." "아, 아뇨, 됐어요."라고 한 명 한 명에게 다 대답을 했었는데, 이제는 그냥... 제가 가고 싶은 곳까지 한 번에 걸어갑니다. 여러분이라면 어떻게 하시겠어요?

7. 아...! 저는 컴퓨터나 디카를 보면, 다 갖고 싶어서 문제예요. 동생이 새로운 노트북 컴퓨터를 사니까, 어찌나 부럽던지!! 하하. 그래도 저는 제가 지금 쓰고 있는 노트북도 정말 좋아해요!!

8. 여러분은 전자제품을 살 때 주로 어디에 가세요? 그리고 여러분은 주로 어떤 전자제품에 관심이 있으신가요?

9. 그럼, 다음 주에 뵙겠습니다. 감사합니다!

ENGLISH

1. Hello, everyone. This is Hyunwoo Sun. It's gradually getting colder! Couldn't it always be Autumn?

2. Do you remember that I said I was living with my sister in Seoul? Last week, my sister said that she wanted to buy a new laptop computer, so we went to Yongsan together. Do you know what kind of place Yongsan is?

3. Of course, there are lots of places in Seoul where you can buy electronic goods, but the most convenient and famous place is the Yongsan electronics market. Usually, electronic goods are cheapest if you buy them on the Internet, right? But if you go to Yongsan, you can touch, operate, and compare the electronic goods that you want to buy. And sometimes you can even buy them at lower prices than the ones you've seen on the Internet. So whenever I want to buy a computer, a computer part, a digital camera, an MP3 player or an electronic dictionary, I always go to Yongsan. And even when I don't have anything in particular that I want to buy, I go to Yongsan wondering "what new products will there be?" when I have time.

4. As we walk into the electronics market buildling to look at the laptop computer that my sister wants to buy, I hear some familiar voices from my left, right, front and back.

5. "Yes, thank you. Welcome."

6. "Please ask me."

7. "Ask me. What are you looking for?"

8. When I went to Yongsan for the first time, I answered each one of them, saying "Oh, no thanks." "No, I'm just browsing." "No, no, I don't need it," but now I just walk over to the place that I want to go to. What would you do?

9. Ah... whenever I see a computer or a digital camera, I want to have all of them so that's a problem. Oh how jealous I was when my sister bought her new laptop! Haha. But I love the laptop that I am using right now, too.

10. Where do you mostly go when you buy electronic products? And what electronic products are you interested in?

11. Then, I'll see you next week. Thank you!

CULTURAL INSIGHT

용산 (yongsan) is the digital capital of Korea. There are numerous shops selling various kinds of digital goods. Because there is a lot of competition between stores selling the same items, it is almost expected to haggle. Many store owners will say that the prices are already as low as they can go, but with proper haggling techniques, it is possible to bring the prices down lower. Your chances of buying an item at a cheaper price also depends on how much your item is, and if you are buying numerous items.

1. 안녕하세요, 여러분. 선현우입니다. 여러분은 춤 좋아하세요?

2. 한국에는 브레이크댄스, 즉 비보잉을 좋아하는 젊은 사람들이 점점 많아지고 있습니다. 비보잉을 하는 사람을, 비보이라고 하죠? 비보잉은 원래 미국에서 시작되었고, 다른 나라에도 비보이들이 물론 많이 있죠? 하지만 요즘에 세계적으로 큰 대회에서는 한국의 비보이팀들이 정말 많이 우승을 하고 있죠. 왜 그럴까요?

3. 그 이유는... 저도 잘 모르겠어요. 물론, 연습을 많이 하기 때문이겠죠? 몸이 가벼워서 잘 하는 사람들도 있겠고요. 저는 키가 176cm이기 때문에 별로 크지 않지만, 다른 비보이들에 비하면 정말 큰 편이에요. 다들 저보다 키가 작거든요.

4. 여러분은 춤 추는 것 좋아하세요? 그리고 춤 잘 추세요? 저는 고등학생 때까지 춤 추는 것을 전혀 좋아하지 않았어요. 그런데 대학생이 되고 나서 갑자기 춤이 좋아져서 그때부터 비보잉을 하기 시작했습니다.

5. 프로 팀은 아니지만, 학교 동아리에서 친구들과 함께 연습을 하면서 느끼는 기쁨은... 아, 무엇에도 비교할 수 없죠! 춤을 추는 것이 재미있기도 하지만, 비보잉은 여러분도 아시다시피, 어려운 기술들이 많이 있잖아요?

6. 그래서 연습을 열심히 해서, 하나씩 하나씩 새로운 기술을 성공시키면, 정말 기분이 좋아요. 지난 달에는 제가 아주 좋아하는 한국의 비보이팀, Extreme Crew가 독일의 Battle Of The Year에서 우승을 했는데요, 정말 멋있었어요.

7. "And first place goes to..."

8. 직접 독일에 가서 볼 수는 없었기 때문에, Youtube를 통해서 배틀 비디오를 봤는데요. 정말... 믿을 수 없을 정도였어요. 어떻게 그렇게 잘 하는지!

9. 아, 그리고 한국 팀도 잘 했지만, 결승의 상대는 일본 팀이었답니다. 일본 팀도 정말 잘 하더라고요. 내년에는 누가 우승을 할까요?

10. 여러분, 한국에 오시면 저와 함께 비보잉 연습을 하지 않으시겠어요? 자, 그럼 다음 주에 뵙겠습니다. 감사합니다!

ENGLISH

1. Hi everyone. This is Hyunwoo Sun. Do you like to dance?

2. In Korea there are more and more young people who like breakdancing, to say, b-boying. People who b-boy are called b-boys, right? B-boying originally started in America, and of course there are lots of b-boys in other countries. But lately in big international competitions, Korean b-boy teams are winning first place quite often. Why would that be?

3. It's because... I don't know, either. Of course it's because they practice a lot, right? Maybe some of them are good because they have light bodies. I am 176cm tall so I'm not that tall, but I'm on the tall side compared to other b-boys. Because everyone is shorter than me.

4. Do you like to dance? Are you a good dancer? I didn't like dancing until high school, but after I became a university student I suddenly became fond of dancing and that's when I started b-boying.

5. We're not a professional team, but the joy that I feel while practicing with my friends in the school dance club is just... incomparable to anything! It's fun dancing, but b-boying, as you know, has lots of difficult moves, right?

6. So when I practice hard and succeed in mastering one move after another, I feel really good. Last month, a Korean b-boy team that I really like, Extreme Crew, won first place at Battle of The Year in Germany, and it was so cool.

7. I couldn't go to Germany myself to watch it, so I watched the battle video through Youtube. And it was really... just unbelievable.. How are they so good!?

8. Oh, and, the Korean team did well too, but their opponent in the final battle was the Japanese team. The Japanese team did really well too! Who will be the winner next year?

9. If you come to Korea, won't you practice b-boying with me? Well, then see you next week! Thank you!

DIALOGUE - KOREAN

MAIN

1. 안녕하세요, 여러분. 선현우입니다. 현우의 블로그 시간이 돌아왔습니다.

2. 여러분은 버스와 지하철 중에서 어느 쪽을 더 좋아하세요? 저는 단연코 지하철을 더 좋아해요. 지하철은 언제나 시간을 정확하게 지키니까요. 하지만 버스가 더 좋을 때도 있어요.

3. 가끔씩 버스를 타고 가면서 창문 밖으로 보이는 거리나 사람들의 모습을 보면, 기분이 새로워집니다. 하지만 이것도 날씨가 좋을 때만 그렇죠? 비가 오거나 눈이 오면, 버스를 타기가 정말 불편해요. 밖에서 기다려야 하고, 눈이나 비 때문에 버스 바닥이 젖으니까요.

4. 그래서 저는 거의 항상 지하철을 이용합니다. 지하철을 타면 가고 싶은 곳까지 시간이 얼마나 걸릴지를 정확하게 계산할 수 있어서, 약속시간에 미리 도착할 수 있으니까요.

5. 버스나 택시를 타면, 차가 막히는 날에는 평소보다 2배, 3배까지 시간이 걸릴 수도 있죠? 만날 친구한테 "미안해. 차가 막혀서..."라고 말하기도 싫고 말이죠. 그래서 저는 항상 지하철을 탑니다.

6. 그런데, 혹시 한국에서 지하철을 타 보았다면 아시겠지만, 지하철 안에는 플랫폼에서 시민들의 안전을 위해서 일하고 있는 사람들이 있습니다. 지하철에서 일하는 것이 직업인 '역무원'도 있지만, 군 복무를 대신해서 지하철에서 '공익근무'를 하고 있는 사람들도 있어요. 이런 사람들을 '공익근무요원'이라고 부릅니다.

7. 일반 군대에 가는 대신에, 지하철이나 관공서에서 일을 함으로써 군 복무를 대신하는 거죠. 물론, 군대에 가는 것보다는 덜 힘들겠죠? 그래서 사람들은 이런 공익근무요원들이 운이 좋다고 해요. 그런데 지하철 역에서 근무를 해도, 항상 운이 좋은 것은 아닌 것 같아요.

8. 지하철 역 중에는 진짜로 '지하'에 있지 않고, '지상'에, 그러니까, 플랫폼이 바깥에 있는 경우도 있어요. 그런 곳에서 일하는 공익근무요원은 어떨까요? 추운 겨울에도 바깥에 계속 서 있어야 하고, 더운 여름에도 에어컨도 없어서, 제 생각에는 일반 군대보다 더 힘든 것 같아요. 여러분은 어떻게 생각하세요?

9. 여러분은 한국에서 지하철을 타 보신 적이 있나요? 그리고 이런 공익근무요원들을 본 적이 있나요? 혹시 다음 번에 이들을 만나게 되면, "수고가 많으십니다."라고 한마디 해 주는 것은 어떨까요?

10. 자, 그럼 다음 주에 뵙겠습니다. 감사합니다.

ENGLISH

1. Hello, everyone. This is Hyunwoo Sun. The time for Hyunwoo's blog has returned.

2. Which do you like better, the bus or the subway? I definitely prefer the subway. Because the subway is always on time. There are times, however, when I like the bus better.

3. Sometimes when I ride the bus and look out the window at the streets and the people, I feel refreshed. But this is only true for sunny days, right? When it rains or snows, it is really inconvenient to take the bus. Because you have to wait outside and the snow or the rain makes the floor of the bus wet.

4. That's why I almost always take the subway. If you take the subway, you can calculate exactly how much time it will take to reach the place you want to go, so you can be early for your appointment.

5. If you take the bus or taxi when there is traffic, it can take up to twice or three times as long as usual, right? And you don't want to say "I'm sorry, I was in traffic..." to the friend you are going to meet. So I always take the subway.

6. By the way, I'm sure you'll know if you've taken the subway in Korea, but in the subway stations, there are people who are working to keep people safe on the platforms. There are 'subway station employees' whose job is to work for the subway, but there are people who are doing 'public service' in the subway instead of serving their regular military service. We call these people "public service agents."

7. Instead of serving their regular military service, they are serving their military duty by working in the subway or goverment offices. So people say that these public service agents are lucky. But even if they're working in the subway station, they're not always lucky.

8. There are some subways stations that are not 'underground' but 'above ground,' that's to say, where the platforms are outside. What would it be like to the public service agents to work there? They have to stand outside all the time even in the cold winter and they don't have airconditioning in the hot summer, so I think it can be tougher than the regular military service. What do you think?

9. Have you taken the subway in Korea? And have you seen these public service agents? If you get to meet them next time, why don't you try saying to them "Thank you for the good work"?

10. Well, then, I'll see you next week. Thank you!

1. 안녕하세요, 여러분. 선현우입니다. 여러분 모두 앞으로도 계속 건강하시길 바랍니다.

2. 네, 제가 왜 갑자기 건강 얘기를 하느냐구요? 며칠 전에, 헌혈을 할 뻔 했거든요.

3. 헌혈은 교통사고나 수술 때문에 피가 많이 필요한 사람들을 위해서 건강한 사람들이 피를 나누어 주는 것이죠? 여러분은 헌혈을 해 보신 적이 있나요? 여러분 나라에는 헌혈을 하는 곳이 많이 있나요?

4. 한국에는 헌혈을 할 수 있는 "헌혈의 집"도 많이 볼 수 있고, "헌혈의 집"까지 갈 시간이 없는 사람들을 위해서 운행하는 "헌혈 버스"도 있어요. 평소에 헌혈을 하고 싶다고 생각하는 사람은 많지 않겠죠? 하지만, 대학교 캠퍼스 안에, 또는 종로나 명동과 같은 큰 거리에 헌혈 버스가 서 있으면, 왠지, 나도 모르게 "아, 그래, 나도 좋은 일을 해야지!"라는 생각으로 헌혈을 하러 갈 때도 있어요.

5. 저는 지금까지 헌혈을 다섯 번 해 보았는데, 한 번은 고등학교 때, 그리고 한 번은 대학교 때, 그리고 나머지 세 번은 군대에 있을 때 했어요. 그런데... 요즘에는 헌혈을 할 수가 없습니다. 저도... 이유는 모르겠지만, 3년, 4년 전부터, 이상하게도 혈압이 낮아졌거든요. 보통 사람은 혈압이 80/130 정도이죠? 하지만 저는 혈압이 50/90 정도예요. 아주, 아주, 아주 저혈압입니다. 그래서 헌혈을 하면, 머리가 어지러워요.

6. 그래서 며칠 전에도, 사실은, 혈압이 궁금해서, 헌혈 버스에 가서, "저 헌혈 할 수 있어요?"라고 물어보았는데, "혈압이 너무 낮아서 안 되겠는데요."라고 하시더라고요. 하지만 평소에는 괜찮으니까 걱정하지 마세요. 혈압 이외에는 아주 건강합니다. 하하.

7. 여러분은 헌혈을 해 보신 적이 있으세요? 저처럼 어지럽지는 않았나요?

8. 자, 그럼 다음 주에 뵙겠습니다. 감사합니다.

1. Hello everyone. This is Hyunwoo Sun. Everyone, I wish you health in the future.

2. Yes, you ask why would I suddenly speak of health? You see, a few days ago, I almost donated some blood.

3. Blood donation is when healthy people give blood for people who need blood because of car accidents or surgeries, right? Everyone, have you ever donated blood? In your countries, are there a lot of blood donation centers?

4. In Korea, you can see "Blood Donation Centers" where you can donate blood. And there's also "Blood Donation Buses" that are run for people who do not have time to go to "Blood Donation Centers." Typically, there aren't many people who usually think about donating blood, right? But, sometimes, when I see a blood donation bus standing in the university campus or on big streets such as Jongno or Myeongdong, for some reason, without even realizing what I'm doing, I find myself going to donate blood, thinking "Oh, right, I should do something good."

5. Till now, I've donated blood 5 times, once in high school, once in university, and the remaining three times when I was in the army. But... lately I can't donate blood. I don't know the reason either, but three or four years ago, strangely my blood pressure dropped. A person's blood pressure is usually about 80/130, right? But my blood pressure is about 50/90. That's very, very, very low blood pressure. So if I donate blood, my head gets dizzy.

6. So, a few days ago, actually because I was curious what my blood pressure was, I went to a blood donation bus and asked "Can I donate blood?" and they said "Your blood pressure is too low, so it seems like you won't be able to." But don't worry. I'm alright otherwise. I'm very healthy apart from having low blood pressure. Haha.

7. Everyone, have you ever donated blood? Didn't you feel dizzy like me?

8. Well then, I'll meet you next week. Thank you.

DIALOGUE - KOREAN

MAIN

1. 안녕하세요, 여러분. 선현우입니다. 지난 일주일 동안, 안녕하셨죠?

2. 여러분, 수능시험이 무엇인지 아세요? 얼마 전에, 한국에서는, 수능시험이 있었는데요, 수능시험은, 원래는 '대학수학능력시험'이라고 하는데, 짧게 줄여서, 그냥 '수능시험' 또는 '수능'이라고 합니다.

3. 수능시험은 아마도 한국에서 가장 규모가 큰 시험이 아닐까요? 동시에 80만명이 시험을 보니까요. 전국의 고등학교 3학년 학생들이 1년에 한 번, 모두 같은 날에 시험을 보는 거예요. 한국에서는 대학에 들어가기 위해서는 대부분 이 시험을 봐야 합니다. 저도 1998년에 수능시험을 보았는데요, 정말 스릴 있었어요. 하하.

4. 왜 스릴이 있었냐구요? 그 전날, 정말 많이 아팠거든요. 초등학교 6년, 중학교 3년, 고등학교 3년 동안 공부한 것을, 즉 12년 동안 공부한 것을, 하루에, 딱 한 번 보는 시험으로 평가를 받습니다. 수능시험으로 모든 것이 결정되는 것은 아니지만, 그래도 대부분이 결정되기 때문에 정말 중요하죠.

5. 그런데... 그 중요한 수능시험의 전날에 제가 갑자기 아파서 시험을 보러 갈 수 없는 상태가 되었으니, 저희 집에서는 난리가 났겠죠? 저도 "아... 내일 수능시험 못 보겠다..."라고 생각하면서 잠이 들었습니다.

6. 그런데, 다음 날 아침, 그러니까, 수능시험을 보는 날, 눈을 떠 보니 하나도 안 아픈 거예요. 기적이었는지, 아니면 어머니의 정성어린 보살핌 덕분인지, 갑자기 다 나아 버렸어요. 하하. 그래서 저는 그 날 수능시험을 아주 잘 보고 집에 돌아왔습니다. 참 다행이죠?

7. 그런데, 생각해 보면, 해마다 11월, 수능시험이 있을 때, 제가 그랬던 것처럼 갑자기 몸이 아파지는 학생들도 있을 거예요, 그렇죠? 그래서 딱 한 번이 아니라 두 번, 세 번 봐서, 그 중에 제일 좋은 성적으로 골랐으면 좋겠어요.

8. 여러분 나라에도 수능시험이 있나요? 여러분 나라의 대학교 입학 시험은 어떤지 알려 주세요.

9. 자, 그럼 다음 주에 뵙겠습니다. 감사합니다.

ENGLISH

1. Hello, everyone. This is Hyunwoo Sun. Have you been well for the past week?

2. Do you know what the Suneung exam is? A few days ago, we had the Suneung exam in Korea. The original name is "Daehak Suhak Nuengnyeok Siheom (college scholastic aptitude test)", but in short, we just call it the Suneung exam or Suneung.

3. I think Suneung is probably the biggest exam to scale in Korea, since 800,000 people take the exam at the same time. All the highschool third graders in the nation take the test just once in a year, all on the same day. In order to enter a college in Korea, most poeple have to take this exam. I took Suneung in 1998 too, and it was really thrilling. Haha.

4. Why was it thrilling? Because I was very sick the day before. What one has studied for 6 years in elementary school, 3 years in middle school and 3 years in highschool, to say, 12 years in total, is evaluated by the exam that you take just once, on one day. Suneung doesn't decide everything but it does decide many things, so it's really important.

5. But I got sick in bed, and was feeling so bad that I wasn't able to go take the test the next day. Can you imagine the chaos that my family was in that day? I even went to bed thinking "well... I guess I can't take the Suneung exam tomorrow."

6. But the next morning, that is, on the morning of the Suneung exam, I got up to find myself not sick at all. I don't know if it was a miracle or thanks to my mother's careful nursing, but suddenly, I was completely fine! Haha. So I did really well on the exam that day and came back home. What a relief, huh?

7. But come to think of it, every year in November when the Suneung exam is taken, I guess there are students who get sick like I did, right? So I wish they could choose the best grade after taking the exam two or three times, not just once.

8. Do you have Suneung in your country as well? Please tell me what college entrance exams are like in your country.

9. Well, then I will see you next week. Thank you!

1. 안녕하세요, 여러분. 선현우입니다. 여러분은 눈 좋아하세요?

2. 한국에는 산이 많아서, 겨울에 눈이 많이 내립니다. 물론 눈이 거의 내리지 않는, 부산과 같은 도시도 있지만, 전체적으로는 겨울에 눈이 많다고 할 수 있어요. 제가 태어난 도시인 광주도, 지금 살고 있는 서울도, 눈이 많이 내리는 편입니다. 저는 눈을 정말 좋아하지만, 평소에 조금씩 조금씩 내리는 눈은 별로예요. 도로도 지저분해지고, 신발도 젖기 때문에요. 그런데 한꺼번에 많이 내리는 눈 위를 걷는 것은 정말 좋아해요.

3. 그래서 몇 년 전에 저는 친구들과 함께 겨울에 한라산에 갔었는데요. 한라산은 제주도에 있는, 남한에서 가장 높은 산인데, 한라산이라는 이름, 들어 본 적 있으세요? 제주도는 한국의 가장 남쪽에 있기 때문에 겨울에도 따뜻하지만, 한라산은 굉장히 높기 때문에 산 위에는 눈이 많아요.

4. 친구들과 한라산에 간 그 날도 눈이 정말 많이 내리고 있었습니다. 그런데, 처음에는 정말 재미있게 걷기 시작했는데, 가면 갈 수록 너무 추워지는 거예요. 손도 발도 꽁꽁 얼고, 빨리 따뜻한 곳에 들어가고 싶었어요.

5. 그렇게 세 시간을 걸어서 드디어 도착한 휴게소! 모두 춥고 배가 고파서 "아... 라면! 라면! 라면! 따뜻한 라면이 먹고 싶어. 1000원짜리 라면이 3000천원, 5000원 해도, 꼭 사 먹을 거야!"라고 생각하고 있었죠.

6. 그런데! 휴게소에 들어가 보니, 앗, 라면이 겨우 1500원! 저와 제 친구들은 모두 감동의 눈물을 흘리며 라면을 먹었답니다. 아마 지금까지 먹었던 라면 중에 가장 맛있었던 라면이 아니었나, 생각합니다. 여러분은 추운 겨울에 눈 속을 걸으면 가장 먼저 생각나는 음식이 무엇인가요?

7. 자, 그럼 다음 주에 뵙겠습니다. 감사합니다.

ENGLISH

1. Hello, everyone. This is Hyunwoo Sun. Do you like snow?

2. In Korea, there are lots of mountains, so we have a lot of snow in the winter. Of course there are cities like Busan where it rarely snows, but generally, you can say that Korea has a lot of snow in the winter. Gwangju, the city I was born in, has a lot of snow, and Seoul, the city I'm currently living in, has a lot of snow, too. I really like snow, but I don't particularly like the snow that usually falls little by little, because it makes the streets dirty and makes my shoes wet. But I love walking on snow when a lot of snow falls at once.

3. So I went to Mt. Halla with my friends in the winter a few years ago. Mt. Halla is on Jeju Island and is the tallest mountain in South Korea. Have you heard of Mt. Halla before? Jeju Island is in the southernmost part of Korea so it is still warm in the winter, but Mt. Halla is very tall, so there is a lot of snow on the mountain.

4. It was snowing heavily on the day that I went to Mt. Halla, too. Well, at first we enjoyed ourselves as we started walking, but the more we went on, the colder it got! Our hands and feet were freezing and we wanted to go somewhere warm quick!

5. After three hours of walking, we finally arrived at the rest stop. We were all cold and hungry, so we were thinking "Oh, noodles, noodles, noodles! I want some hot ramyeon noodles! Even if the 1000-won ramyeon is 3000 won or 5000 won here, I'm still going to eat it!"

6. But then, as we entered the service station, we saw that ramyeon was only 1500 won! My friends and I were all crying out of happiness as we ate ramyeon. I think it was the most tasty ramyeon noodles I've ever had. What is the food that comes to your mind when you walk in the snow on a cold winter day?

7. Well, then I will see you next week. Thank you.

DIALOGUE - KOREAN

MAIN

1. 안녕하세요, 여러분. 선현우입니다. 현우의 오디오 블로그 시간이 돌아왔습니다.

2. 여러분은 컴퓨터 게임 좋아하세요? 저는 컴퓨터 게임을 싫어하는 것은 아닌데, 별로 할 줄 아는 게임도 없고, 그래서 자주 하지도 않아요. 그런데 한국에는 컴퓨터 게임을 좋아하는 사람이 정말 많고, 집에서 혼자 게임을 하는 것보다 친구들과 다 같이 한 장소에서 게임을 하고 싶어 하는 사람들이 많아서, 어딜 가도 PC방을 찾을 수 있답니다.

3. 예전에는 PC방이 게임만 하는 곳이었어요. 프린트를 할 수도 없고, 게임 이외에는 별로 깔려 있는 프로그램도 없고, 항상 담배 연기가 가득해서, 담배를 안 피우는 사람들은 좀 가기 불편한 곳이었어요.

4. 하지만 몇 년 전부터, PC방들도 달라지기 시작했답니다. 전체적으로 아주 깨끗해지고, 담배를 피울 수 있는 흡연석과 피울 수 없는 금연석으로 자리가 나뉘었어요. 그리고 어느 컴퓨터를 쓰든지, 항상 필요한 문서 작성 프로그램들이 깔려 있어서, 학교 숙제를 하거나 일을 하기 위해서 컴퓨터가 필요한 사람들에게 정말 좋죠. 그리고 보통, PC방에 있는 컴퓨터는 집에 있는 컴퓨터보다 훨씬 빠르고 모니터도 커서 좋아요.

5. 그런데, PC방의 자리가 흡연석과 금연석으로 나뉘기 시작한 후로, PC방에 가면 항상, 들어가자마자 이런 질문을 받습니다.

6. “담배 피우세요?”

7. 저는 처음에 갑자기 무슨 담배 이야기인가 해서, “네?”라고 묻곤 했는데, 이제는 조금 익숙해졌어요. 담배를 피우면 흡연석으로 가고 안 피우면 금연석으로 가라는 이야기를 해 주기 위해서 묻는 거니까요. 여러분도 만약 한국에서 PC방에 갔을 때 점원이 “어서오세요. 담배 피우세요?”라고 물으면, “그걸 왜 물어 보는 거지?”라고 생각하지 마시고 대답해 주세요.

8. 한국의 PC방은 대부분 한 시간에 1000원, 비싼 곳은 1500원이고, 밤 10시가 되면 미성년자는 들어갈 수가 없는데, 여러분 나라의 PC방은 어떤가요?

9. 자, 그럼 다음 주에 뵙겠습니다. 감사합니다.

ENGLISH

1. Hello, everyone. This is Hyunwoo Sun. The time for Hyunwoo's Audio Blog has returned.

2. Do you like computer games? I don't hate them, but I don't know how to play any particular games, so I don't play them often, either. But in Korea, there are so many people who like computer games. And many of them want to play games together with all of their friends in one place, rather than just play them alone at home. So you can find PC Bang everywhere you go.

3. PC Bang used to be places only for games. You couldn't print anything, there wasn't much software installed apart from games, and there was always a cloud of cigarette smoke, so it was a pretty inconvenient place for people who don't smoke.

4. But starting from a few years ago, PC Bangs have started to change, too. They generally became very clean, and the seats were divided into smoking seats where you can smoke and non-smoking seats where you can't smoke. And no matter which computer you use, you always have the necessary word processing software installed, so it's really good for those who need computers for school assignments or work. And generally, computers at PC Bang are better because they are much faster and they have bigger screens.

5. But since PC Bangs started to divide their seats into smoking and non-smoking sections, I always get this question right when I enter a PC Bang.

6. "Do you smoke?"

7. At first I wondered why they were suddenly talking about smoking. So I would answer "Pardon?" But now I'm a little bit used to it. They are asking me so that they can tell me to go to the smoking section if I smoke and to the non-smoking section if I don't. If you happen to go to a PC Bang in Korea and the clerk says to you "Good afternoon. Do you smoke?" Don't wonder "Why is he asking me that?" and give them your answer.

8. Most PC Bangs in Korea charge 1,000 won per hour and some expensive places will charge 1,500 won. And minors cannot enter PC Bangs after 10 pm. What are the PC Bang (Internet Cafe's) in your country like?

9. Well, then, I will see you next week. Thank you.

CULTURAL INSIGHT

Gaming is a very big industry in Korea, particularly computer gaming. There are numerous pro gamers that come from South Korea, as well as a number of television channels dedicated to gaming. Also, there are live showings held at stadiums, or outdoor venues, where pro gamers compete for prizes. Gaming in Korea is viewed very much like a sport to many people.

1. 안녕하세요, 여러분. 선현우입니다. 지난 일주일 어떻게 보내셨어요?

2. 여러분, 요리 좋아하세요? 저는 요리를 좋아해요. 시간이 없을 때는 자주 못 하지만요.

3. 여러분은 배가 고파서 무언가 먹어야 하는데 집에 먹을 것이 없을 때, 어떻게 하세요? 가끔씩 음식을 배달시켜서 먹을 때도 있나요?

4. 저는 보통 한 달에 한 번 정도 배달시켜서 먹곤 하는데, 이번 주에는 이상하게도 너무 바쁘고 집에 음식이 없어서 일주일 동안 세 번이나 음식을 배달시켜서 먹었습니다. 무슨 음식을 배달시켰냐구요? 네, 사실, 배달이 안 되는 음식은 별로 없지만, 한국에서 '배달' 하면 가장 먼저 떠오르는 음식은 바로 자장면입니다.

5. 자장면은 한국에서는 '중국 음식'이라고 말하지만, 사실 제가 보기에는 한국 사람들의 입맛에 맞게 만들어진, 한국 음식인 것 같아요. 어쨌든 자장면을 파는 식당을 한국에서는 '중국집'이라고 부르는데, 중국집에 배달을 시킬 때는 저는 항상 자장면 대신에 볶음밥을 시킨답니다. 1인분에 4000원인데, 정말 맛있고, 무엇보다도 정말 빨라요! 뭐가 빠르냐구요? 만드는 것이 빠른 것도 아니고, 먹는 것이 빠른 것도 아니고, 배달해 주는 속도가 빠릅니다.

6. 며칠 전에 배달을 시킬 때는 "몇 분이나 걸릴까?"라는 생각이 들어서, 시간을 재어 보았는데요, 정말 깜짝 놀랐어요. 저희 학교 근처에 있는 배달이 빠르기로 유명한 중국집에 전화를 했는데, 전화를 끊고 3분 만에 도착했거든요.

7. 여러분도 한국에 오시면, 꼭 한번 중국집에 배달을 시켜서 자장면이나 볶음밥을 먹어 보세요. 그리고 몇 분만에 도착하는지, 시간도 한번 재어 보세요! 여러분은 집에서 음식을 배달시켜서 먹은 적이 있나요? 주로 어떤 음식을 배달시켜 먹는지 이야기해 주세요.

8. 자, 그럼 다음 주에 뵙겠습니다. 감사합니다.

ENGLISH

1. Hello, everyone. This is Hyunwoo Sun. How was your week?

2. Do you like cooking? I love cooking. Although I can't cook when I don't have the time.

3. What do you do when you are hungry and have to eat something but you don't have anything to eat at home? Do you sometimes order delivery?

4. I usually order delivery about once a month, but this week I was unusually busy and I didn't have much food at home, so I made as many as three orders this week. What did I order? Well, in fact, there aren't many types of food that can't be delivered, but the first thing that comes to people's mind when they hear 'delivery' in Korea is none other than Jajangmyeon.

5. In Korea, people say Jajangmyeon is 'Chinese food' but actually, in my point of view, it's Chinese food made to please Korean people. Anyway, in Korea we call the restaurants where they sell Jajangmyeon 'Chinese Houses.' And when I order food from a Chinese restaurant, I always order fried rice instead of Jajangmyeon. It is 4,000 won for one serving, and it is really good and more than anything, really quick! What is quick, you ask? It's not that the food is made quickly, or the food is eaten quickly, but it's delivered quickly.

6. When I made an order a few days ago, I wondered how many minutes it would take, so I tried timing it, and I was so surprised! I was surprised because I called a Chinese restaurant near my school, which is famous for offering fast delivery, and my order arrived three minutes after I hung up the phone.

7. If you come to Korea, please try ordering food from a Chinese restaurant and have some jajangmyeon or fried rice. And try timing it to see how many minutes it takes for them to arrive. Have you ever ordered delivery from home? Please tell me what kind of food you usually order.

8. Then, I'll see you next week. Thank you.

CULTURAL INSIGHT

Valentine's day is celebrated for lovers. In addition to Valentine's Day, there is White Day in Korea, another day for love to flourish. However, for those unfortunate enough to not have received any gifts for those two holidays, there is Black Day. Black Day is the anti-White day. A celebration of singledom (or sometime a rebellion against love), Black Day is a day when single people get together to eat 자장면 (jajangmyeon). As 자장면 (jajangmyeon) is noodles with Black sauce, it is the food that is eaten on Black Day. Valentine's Day is celebrated on 2/14 White Day is celebrated on 3/14 Black Day is celebrated on 4/14

1. 안녕하세요, 여러분. 선현우입니다. 여러분은 신문을 매일 읽으세요?

2. 저는 주로 뉴스를 인터넷으로 확인하는데요, 지하철을 탈 때에는 가끔 신문을 읽습니다. 하지만 물론, 항상 돈을 내고 사서 보는 것은 아니에요.

3. 아침에 지하철을 타러 가면, 무료로 나누어 주는 무료 신문을 볼 수 있는데, 내용도 많고 종류도 많아서 여러가지 정보를 얻을 수 있어요. 서울의 주요 지하철 역에서 나누어 주는 무료 신문은 대략 7가지, 8가지 종류가 있는데, 여러분 나라는 어떤가요?

4. 저는 주로 "메트로"와 "포커스 데일리", 그리고 "AM 7"이라는 신문을 읽습니다. 그리고 가끔씩 더 자세한 이야기를 알고 싶을 때에는 돈을 내고 신문을 사서 보는데, 한국어 신문은 한 부에 500원, 영어 신문은 1000원이나 1200원, 그리고 일주일에 한 번씩 발행되는 진짜 재미있는 영화 잡지도 겨우 1000원이라서, 언제든지 부담없이 읽을 수 있어요.

5. 한국은 책이 비싸기 때문에, 이런 읽을거리가 많이 있는 것은 참 다행이라고 생각합니다.

6. 그런데 재미있는 것은, 아침에 지하철 역 앞에 가면, 무료 신문을 직접 나누어 주는 사람들이 있는데, 주로 아저씨, 아줌마들이에요. 이 분들은 신문을 거의 다 나누어 주고 집에 가기 위해서, 제가 이미 손에 신문을 들고 있어도, 또 주고, 또 주십니다. 그래서, 저는 아침에 일찍 지하철을 타면, 거의 항상 손에 신문을 4부, 5부 정도 들고 있게 된답니다.

7. 뭐, 읽을 것이 없는 것보다는 많은 것이 낫겠죠? 하하. 여러분 나라의 무료 신문은 어떤지 이야기해 주세요.

8. 자, 그럼 다음 주에 뵙겠습니다. 감사합니다.

ENGLISH

1. Hello, everyone. This is Hyunwoo Sun. Do you read the newspaper everyday?

2. I usually check the news on the Internet, but I sometimes read the newspaper when I take the subway. But of course, I don't always pay money and buy one.

3. When I go to take the subway in the morning, I can see some newspapers that are distributed for free. They have plenty of content and come in many kinds, so I can get a variety of information. There are about 7 or 8 different types of free newspapers that are distributed in the subway stations of Seoul. How about in your country?

4. I usually read the newspapers called "Metro", "Focus Daily" and "AM 7." And when I want to know more details, I buy a newspaper. A Korean newspaper is 500 won a copy, an English newspaper is 1000 or 1200 won a copy, and really interesting movie magazines that are published once a week are only 1000 won, so I can always read them without worrying about the cost.

5. Books are expensive in Korea, so I think it's a good thing that there are lots of things to read like this.

6. But what's interesting is, when I go to the subway station in the morning, there are people who distribute free newspapers themselves, and they are usually middle-aged men and women. In order to get most of the newspapers handed out and go home early, they keep giving me newspapers again and again even when I already have one in my hand. Therefore, when I take the subway early in the morning, I almost always end up having 4 or 5 newspapers in my hands.

7. Well, having a lot to read would certainly be better than having nothing to read, right? Haha. Please tell me about what free newspapers are like in your country.

8. Well, then I will see you next week. Thank you.

DIALOGUE - KOREAN

MAIN

1. 안녕하세요, 여러분. 선현우입니다. 여러분 모두 감기 조심하세요!

2. 여러분은 감기에 자주 걸리는 편인가요? 저는 아주 건강해서 잘 아프지 않는데, 가끔씩, 한 번 아프면 심하게 아플 때가 있어요. 감기도 마찬가지이고요.

3. 여러분도 아시다시피, 한국은 겨울에 굉장히 춥습니다. 눈도 많이 내리고, 기온이 영하, 즉 마이너스로 내려갈 때도 있어요. 게다가 계속 추운 것이 아니라 3일은 춥고 4일은 따뜻하기를 반복하는데요, 한국에서는 이것을 "삼한사온"이라고 부른답니다. 그래서 제일 조심해야 하는 것이 감기예요. 만약 여러분이 겨울에 한국에 오시면, “감기 조심하세요”라는 말을 자주 들으실 거예요.

4. 지난 연말에 저는 감기 때문에 정말 심하게 고생을 한 적이 있었어요. 그냥 아무것도 하지 않고 집에서 쉬고 싶었기 때문에, 모든 약속을 취소했지만, 도저히 취소할 수 없는 약속이 두 개가 있었답니다.

5. 만나는 사람에게 아픈 모습을 보여 주고 싶지 않아서, 아침에 약국에 가서 감기약을 샀습니다. 저는 약 먹는 것을 정말 싫어해서 웬만하면 약국에 가지 않는데, 이번에는 어쩔 수가 없었어요.

6. 약국에 들어가서 “감기약 주세요”라고 말하니까, 약사 아저씨께서 어디 어디가 어떻게 아픈지를 물어 보셨습니다. 물론, 약국에서 약을 곧바로 조제할 수 있는 것은 아니에요. 옛날에는 그렇게 했지만, 몇 년 전부터는 먼저 병원에 꼭 가서 처방전을 받아와야 한답니다. 그래서 병원에 가지 않고 약국에 바로 가면, 그냥 증상에 가장 비슷한 약을 살 수 있는 거죠.

7. 4500원을 내고 나니까, 손에는 커다란 약 봉지가 두 개 들려 있었어요. 이틀분의 약인데, 안을 들여다 보니, 조그마한 약 봉지가 18개나 들어 있는 거예요. ‘아! 이걸 언제 다 먹지?’ 하는 생각도 들었지만, ‘그래도 빨리 감기가 나아야 하니까’라고 생각하면서 3가지 종류의 맛없는 약을 입안에 넣고 삼켰습니다.

8. 덕분에 3일 뒤에 감기는 완전히 나았지만, 저는 이틀 동안 시도 때도 없이 찾아오는 졸음과 씨름해야 했어요. 밥을 먹고 약을 먹고 나면 졸려서 견딜 수가 없었거든요. 역시, 안 아픈 게 최고라는 생각을 다시 한 번 했습니다.

9. 여러분은 이번 겨울, 감기 걸리지 않고 잘 지내고 계시죠? 자, 그럼 다음 주에 뵙겠습니다. 감사합니다.

ENGLISH

1. Hello everyone. This is Hyunwoo Sun. Everyone, please be careful of colds!

2. Do you catch colds easily? I'm really healthy so I don't get sick easily, but every now and then when I do get sick, I get extremely sick. It's the same with colds as well.

3. As you may know, Korea is extremely cold in the winter. There's a lot of snow fall, and there's a lot of times the temperature goes below freezing, or in other words, goes into "minus." And on top of that, it's not cold the whole time, but it's cold for 3 days, then warm for 4 days, and then it's a cycle. And in Korea, it's called "samhansaon" (cycle of 3 days cold, 3 days warm). So the thing you have to be careful about the most is catching a cold. So if by any chance you come to Korea in the winter, you'll hear the words "be careful of colds" a lot.

4. At the end of the year, I was really suffering from a severe cold that I caught. And although I canceled all of my plans because I just wanted to stay home and rest, there were two appointments that I absolutely could not cancel.

5. I didn't want the people that I was meeting to see that I was sick, so in the morning, I went to the pharmacy and bought some cold medicine. I don't like taking medicine, so under normal circumstances, I don't go to the pharmacy. But this time, there was nothing that could be done.

6. So I went to the pharmacy and said "Please give me some cold medicine," and the man at the pharmacy asked me what was wrong. Of course they can't simply prescribe and make medicine for you at the pharmacy. It used to be done like that, but starting a few years ago, you have to go to a hospital first and get a prescription. So if you go to a pharmacy without going to a hospital, you can just buy some medicine that is similar to the prescription that will treat your symptoms.

7. So I paid 4,500won and I got two big pharmacy bags in my hand. It was medicine for 2 days, but inside there were 18 small envelopes. I thought "Huh! When am I supposed to take all of this?!" But since I thought "I have to get well soon," I took three different kinds of medicine that tasted terrible, and swallowed.

8. Thankfully, I got totally better in 3 days, but I had to put up with the terrible sleepiness that would strike me so often for two days. Once I had some food and took the medicine, I felt so sleepy that it was almost unbearable. I thought to myself once again, for sure, not getting sick is the best!

9. I hope you are all doing well and not catching a cold.

10. Well, then I will see you next week. Thank you!

DIALOGUE - KOREAN

1. 안녕하세요, 여러분. 선현우입니다. 여러분은 기차를 많이 타는 편이세요?
2. 여러분, KTX라는 이름을 들어 본 적이 있으세요?
3. KTX는 Korea Train Express, 즉 한국 고속 열차를 가리키는 이름이에요. 현재 한국에서 가장 빠른 열차랍니다.
4. 미국이나 중국, 호주, 캐나다, 멕시코와 같은 넓은 나라들에 비하면, 한국은 땅이 그렇게 넓지 않다는 것, 여러분도 잘 알고 계시죠?
5. 주요 도시들 중에서 가장 위에 있는 서울에서 가장 밑에 있는 부산까지 500km 정도 밖에 안 되니까요.
6. 더 밑에 있는 섬인 제주도까지 비행기를 타고 가도, 비행 시간으로 30분이면 갈 수 있어요.
7. 땅이 넓지 않으니까 당연히 비행기보다는 버스나 기차가 더 많이 이용되는데요, 짧다고는 해도 3시간, 4시간 버스를 타는 것이 쉽지는 않죠. 그래서 저는 부모님을 만나러 광주에 갈 때 항상 기차를 타고 간답니다.
8. 한국에는 기차가 크게 세 가지 종류가 있는데, KTX가 제일 빠르지만 비싸고, 그 다음으로 새마을호, 그리고 무궁화호가 있어요.
9. 지난 번에 광주에 갈 때는, '어차피 몇 시간 걸려서 집에 가는 거니까, 돈을 아끼자.'라는 생각으로, KTX를 타는 대신에 버스를 타고 갔습니다.
10. 평소에는 항상, 버스에 비해서 가격은 두 배이지만 1시간 빠르게 도착할 수 있는 KTX를 탔지만, 오랜만에 버스를 타보니 버스도 나쁘지 않다는 생각이 들었어요. KTX나 새마을호를 탈 때처럼 편안하게 책을 읽기는 힘들지만, 음악을 들으면서 창문 밖에 보이는 경치를 감상하는 것도 좋더라구요.
11. 바쁠 때는 KTX가 좋지만, 만약 바쁘지 않을 때는 버스를 타면 절반 가격으로 광주에 갈 수 있고, 부모님을 만나러 가는 길이 여행처럼 느껴지기 때문에 앞으로 자주 버스를 이용하려고 합니다.
12. 여러분은 기차나 버스를 자주 타세요? 여러분 나라의 기차에 대해서 이야기해 주세요.
13. 그럼 다음 주에 뵐게요. 감사합니다.

ENGLISH

1. Hi, everyone. This is Hyunwoo Sun. Do you often take the train?

2. Have you heard of the name "KTX"? KTX refers to "Korea Train Express," which means Korea Express Train. It is currently the fastest train in Korea.

3. I am sure you're well aware that Korea, when compared to big countries like America, China, Australia, Canada and Mexico, is not a country with a lot of land. Among the major cities in Korea, Seoul is on the far north side and Busan is on the far south side, and it's only 500km from Seoul to Busan. Even if you take an airplane to Jeju Island, which is even farther south, the flight only takes 30 minutes.

4. Since we don't have a large amount of land, it is natural that buses and trains are more often used than airplanes. And although it may be a short time, it's still not easy to ride a bus for three to four hours. So I usually take the train when I go to Gwangju to see my parents.

5. There are three major types of trains in Korea. KTX is the fastest but expensive, and the next is Saemaeulho, and we have Mugunghwaho. The last time I went to Gwangju, I thought 'Well, it's going to take me a few hours anyway, so why not save some money?' and took the bus instead of taking KTX.

6. Usually, I almost always take KTX, which is twice as expensive as the bus, but can get there 1 hour earlier. But taking the bus wasn't so bad for a change. It was not easy to read comfortably like I would on a KTX or Saemaeulho train, but it was nice to enjoy the landscape outside the window while listening to music.

7. KTX is good when I'm busy, but unless I'm too busy, I guess I'll take the bus often since I can go to Gwangju for half the price and taking the bus makes me feel like I'm traveling when I go to see my parents.

8. Do you often take the train or the bus? Please tell me about the trains in your country.

9. Then I will see you next week. Thank you.

DIALOGUE - KOREAN

MAIN

1. 안녕하세요, 여러분. 선현우입니다. 벌써 2008년도 두 번째 달이 되었군요.
2. '2월'이라고 하면 더 이상 새해 분위기가 나지 않을지도 모르지만, 한국에서는 1월 1일부터 2월 중순까지 어딜 가나 '새해 복 많이 받으세요'라는 인사를 들을 수가 있습니다.
3. 이것은 2월에 항상 "음력"으로 새해, 즉 "설날"이 있기 때문인데요, 한국에서는 양력 1월 1일보다 음력 1월 1일이 더 중요합니다.
4. 작년에 제가 추석에 대해서 말씀드린 것, 기억나시죠? 2008년에는 음력 1월 1일이, 양력으로 2월 7일이에요.
5. 그래서 한국에서는 2월 6일, 2월 7일, 2월 8일이 설날 연휴가 됩니다.
6. 분명, 많은 사람들이 지금 이 연휴를 손꼽아서 기다리고 있겠죠?
7. "새해 복 많이 받으세요"라는 인사를 거의 두달 동안 하게 되는 이유를 이제 아시겠죠? "설날", 그러니까 올해는 2월 8일이 지나면, 아마 그제서야 새해 복 많이 받으라는 인사를 하는 사람을 보기 힘들어질 거예요.
8. 설날은 한국의 가장 중요한 두 가지 명절 중 하나인데, 다른 하나가 추석이에요. 설날이 되면 가족과 떨어져 사는 사람들도 대부분 가족을 만나기 위해서 고향이나 가족이 있는 곳으로 간답니다.
9. 저는 올해 설은 가족과 함께 못 보내게 되었지만, 엄마 아빠께 전화로 새해 인사를 드릴 계획이에요. 엄마, 아빠, 새해 복 많이 받으세요! 그리고 앞으로도 항상 건강하시고 행복하셔야 해요! 라고요.
10. 아, 그런데 ... 생각해 보니까 올해는 설날에 집에 못 가니까, 부모님과 친척들에게 '세뱃돈'도 받을 수 없겠군요! 하긴... 이제 슬슬, 세뱃돈을 받는 나이에서, 조카들에게 세뱃돈을 줘야 하는 나이가 되어가고 있긴 하지만요.
11. 이 자리를 빌어서 여러분에게 다시 한 번 새해 인사를 드릴게요. 여러분, 새해 복 많이 받으세요! 그리고 내년 설날에 제가 또 새해 인사를 드릴 때까지 계속 한국어 공부를 하셔야 됩니다. 아시겠죠?
12. 그럼 다음주에 뵙겠습니다. 감사합니다!

ENGLISH

1. Hi, everyone. I'm Hyunwoo Sun. We're already in the 2nd month of the year 2008.

2. February might not sound like New Years any longer, but in Korea, between January 1st and mid-February, you can hear people saying "Happy new year" everywhere you go. This is because we always have Seollal in February according to the lunar calendar. In Korea, January 1st on the lunar calendar is more important than January 1st on the solar calendar.

3. You remember what I told you about Chuseok last year, right? In 2008, January 1st on the lunar calendar is February 7th on the solar calendar. Therefore in Korea, it's the Seollal holiday from the 6th to 8th of February.There's definitely a lot of people eagerly waiting for this holiday.

4. Now you know why people end up saying "Happy new year" for almost two months, right? Once Seollal is over, to say, once it's past February 8th, you finally won't be seeing anyone wishing people a happy new year.

5. Seollal is one of the two most important traditional holidays of Korea. The other one is Chuseok. On Seollal, even people who live far away from their families go back to their hometown or wherever their family is to meet them.

6. I won't be able to spend this year's Seollal with my family but I'm going to call my parents and say my new year's greetings. "Mom, Dad, Happy New Year! And please be healthy and happy, always!"

7. Oh, by the way... it just occurred to me that since I can't go back home this Seollal, I won't be able to get "New Year's money" from my parents and relatives! Well, although I guess I'm moving on from an age where I receive new year's money to an age where I have to give new year's money to my nieces and nephews.

8. I'd like to wish you a Happy New Year using this opportunity. Everyone. Happy new year! And until I wish you a happy new year, you must continue studying Korean, okay?

9. Then I'll see you next week. Thanks!

1. 안녕하세요, 여러분. 선현우입니다. 여러분은 병원에 자주 가세요?
2. 저는 아마도 제가 아는 그 누구보다도 병원에 가기를 싫어하는 사람일 거예요.
3. 특별히 이유가 있는 것은 아니지만, 왠지 병원에 가면 없던 병도 생길 것 같고 몰라도 되는 것을 알게 될 것 같은 느낌 때문이에요.
4. 하지만 이제는 그 생각을 바꾸려고 해요.
5. 두 달 전에 처음으로 건강 검진을 받을 기회가 있었는데, 며칠 전에 결과가 나왔답니다.
6. 건강 검진은 그렇게 오래 걸리지 않았어요.
7. 2시간 정도?
8. 피 검사와 X-ray 촬영, 초음파 검사 등을 포함해서 몸의 여러 부위를 검사했습니다.
9. 원래 이런 건강 검진을 받으려면 수십만원이 들고, 좀 더 정밀한 검사를 받으려면 훨씬 더 많은 돈이 들죠.
10. 그런데 이번에는 아버지 회사에서 사원 가족들이 저렴한 가격으로 검진을 받을 수 있게 해 주어서, 그렇게 비싸지 않았어요.
11. 집으로 배달된 건강 검진 결과를 보니, 모든 것이 [정상]이라고 써 있더군요.
12. 너무 기뻤어요.
13. '혹시 어디 안 좋은 곳이 있으면 어떡하지?'라는 생각 때문에 병원에 가는 것을 좋아하지 않았었지만, 이번에 건강 검진 결과를 받고 나니 안심이 되었어요.
14. 그냥 스스로 건강하다고 생각하는 것이 아니라, 공식적인 검사 결과가 '건강합니다'라고 말해 주는 것이 정말 기쁘기도 했고요.
15. 앞으로는 아픈 곳이 생기면 병원에 가서 확실히 검사를 받고, 정기적으로 건강 검진도 받아야겠다는 생각을 했답니다.
16. 무서운 말을 들을까 봐 그냥 가지 않고 참는 것이 아니고 말이죠.
17. 여러분은 정기적으로 건강 검진을 받으세요?
18. 병원에 자주 가시는 편인가요?
19. 아니면 제가 그랬던 것처럼 병원을 별로 좋아하지 않는 편인가요?
20. 이야기해 주시겠어요?
21. 자, 그럼 다음 주에 뵙겠습니다. 감사합니다.

ENGLISH

1. Hello everyone. I'm Hyunwoo Sun. Do you go to the hospital often?

2. I think I probably hate going to the hospital more than anybody I know. There isn't any special reason for that, but somehow I feel as if I might get a new disease that I didn't have or end up learning something that I didn't really have to know if I go to the hospital. But now I'm going to change my way of thinking.

3. I had an opportunity to get a medical check-up two months ago, and I got the results a few days ago. The medical check-up didn't take such a long time. About 2 hours? I had examinations on many parts of my body including a blood check, an X-ray shot, and ultrasonic examination. Taking this kind of medical check-up usually takes hundreds of thousands of won, and much more if I want to get a more detailed examination. But this time, the company my father works for made it cheaper for the family members of its employees, so it wasn't so expensive.

4. The result sheet that was delivered to my house said that everything was "normal." I was very happy. I used to not like going to the hospital because of the thought "What if I hear that there's something wrong with my health?" But I was relieved after getting the medical check-up result this time. I was also happy about the fact that the official results were telling me that I am "healthy" instead of me just thinking that I'm healthy.

5. I made up my mind that I should go to the hospital and get proper examinations when I am sick or hurt from now on, and also get medical check-ups regularly, instead of just trying to be strong and not going to the hospital.

6. Do you get medical check-ups regularly? Or do you go to the hospital often? Or do you not like hospitals that much, just like me? Could you tell me about it?

7. Then I will see you next week. Thanks!

DIALOGUE - KOREAN

MAIN

1. 안녕하세요, 여러분. 선현우입니다. 지난 일주일도 즐겁게 보내셨죠?
2. 벌써 여러번 말했기 때문에 기억하고 있는 분들도 계시겠지만, 저는 서울에서 여동생과 함께 살고 있어요.
3. 부모님은 광주에 계시고요.
4. 그런데 지금 살고 있는 집에 살기 전에는 오랫동안 하숙집에 살았답니다.
5. 여러분 "하숙집"이 뭔지 아세요?
6. 하숙집은 영어로 말하자면 홈스테이와 비슷한 것인데, 하숙집 아줌마가 아침밥과 저녁밥을 해 주신다는 것, 그리고 아줌마의 가족들과 함께 사는 것이 아니라, 대체로 하숙집에 사는 하숙생들만을 위한 층이 따로 있다는 점에서 다릅니다.
7. 지금 여동생과 살고 있는 집은 "전세"로 얻은 집인데, 처음에 이사를 들어갈 때 한꺼번에 돈을 아주 많이 내고, 몇 년 후에 이사를 나갈 때 그 돈을 돌려 받는 시스템이에요.
8. 처음에 냈던 돈이 돌아온다는 것이 정말 좋죠?
9. 하숙집에 살면서 내는 하숙비는 돌아오지 않으니까요.
10. 얼마 전에 지금 살고 있는 집의 계약을 갱신했는데, 벌써 이 집에 산 지도 3년이 되었구나... 라고 생각하니 옛날에 하숙집에 살던 생각이 나더라고요.
11. 하숙집에 있을 때 좋은 점도 있었고 나쁜 점도 있었는데, 지금 생각해 보면 좋은 점이 더 많았던 것 같아요.
12. 처음에는 좁고, 가끔씩 시끄럽고, 화장실과 샤워를 5명, 6명이 함께 쓰기 때문에 기다려야 하는 경우가 많아서 불편한 적도 많았어요.
13. 하지만 그것에 익숙해지고 나니까, 옆방에 사는 후배, 선배, 형, 동생, 친구들, 그리고 아래층에 사는 동생들과 함께 모여서 이야기도 하고, 어려운 일이 있으면 조언도 받을 수 있어서 정말 좋았습니다.
14. 몇 년 전에 함께 살던 친구들과 지금도 가끔씩 연락을 하고 지낸답니다.
15. 하숙집이 좋았다는 이야기만 하는 것을 들으면 지금 같이 사는 동생이 화를 내겠는데요?
16. 물론, 가족과 함께 사는 것만큼 좋은 것은 없다고 생각해요.
17. 하지만 만약 여러분이 한국에 와서 한달 이상 있을 계획이라면, 하숙집에 사는 것을 한번 꼭! 생각해 보세요.
18. 그럼 다음 주에 뵐게요. 오늘도 제 이야기를 들어 주셔서 감사합니다.

ENGLISH

1. Hello, everyone. I'm Hyunwoo Sun. I hope you had another nice week.

2. I already told you many times so I'm sure some of you still remember, but I'm living in Seoul with my sister, and my parents are in Gwangju. But before I started living in my current house, I lived in a hasuk house for a long time. Do you know what a hasuk house is?

3. A hasuk house, to translate into English, is something like a homestay, but it's different from a homestay in that the hasuk house landlady will cook breakfast and dinner for the tenants, and the tenants usually have a separate floor for hasuk tenants only, instead of living with the landlady's family.

4. The house that I'm living in with my sister is on a yearly rent called 'jeonse', and it's a system where the tenant pays a lot of money when they move in and get the money back when they move out in a few years. It is really a good thing that the money that you pay will come back again, right? Because the rent you pay for the hasuk room doesn't come back.

5. I've recently renewed the contract for the house I'm living in now, and I've just realized that it's already been three years since I started living in this house, which got me thinking about the hasuk house that I used to live in a long time ago. There were good things and bad things about living in a hasuk house, and when I think about it now, I think there were more good things about it than bad things.

6. At first it was often inconvenient because it was small, sometimes noisy and I had to share the bathroom and shower with 5 - 6 people. So often I would have to wait. But once I got used to that, I was happy that I could get together and talk with the school juniors, seniors, older friends, younger friends, friends of my age, and younger friends from downstairs, and that I could get advice when I had a problem. I still keep in touch with the friends that I lived with a few years ago.

7. I guess my sister will get angry if she hears me talking about how it was good to live in a hasuk house. Of course, I believe there's nothing better than living with your family, but if you're planning to come to Korea and stay here for more than a month, please be sure to consider living in a hasuk house.

8. Then I'll see you next week. Thank you for listening to my story once again today.

CULTURAL INSIGHT

"하숙집"은 오디오에서 현우가 설명한 것처럼, 주로 대학생들이 함께 모여 살고, "하숙집 아줌마"가 아침밥과 저녁밥을 만들어 주는 숙박 시설입니다. "하숙집"은 다른 무엇보다도 아침과 저녁에 식사가 제공된다는 점이 가장 큰 장점이기 때문에, 만약 아침밥과 저녁밥이 나오지 않는 집이라면, 하숙집이라고 부르지 않고 "잠만 자는 방"이라고 부릅니다. 가족과 함께 사는 것이 가장 좋겠지만, 멀리 있는 도시에서 대학을 다니게 되면 가족이 모두 이사를 할 수도 없고, 한 사람을 위해서 큰 집을 사거나 빌릴 수도 없기 때문에, "방" 하나만 빌릴 수 있고, 누군가가 요리까지 해 주는, 이러한 '하숙집'이 인기가 있습니다. 요즘에는 직접 요리도 할 수 있는 "자취"나 "원룸"을 선호하는 학생들도 많이 있지만, 자취나 원룸은 한꺼번에 많은 돈이 들어가기 때문에, 보증금 없이 매달 돈을 내는 하숙을 선호하는 사람이 여전히 대부분입니다. 하숙집은 도시에 따라서, 그리고 한 도시 안에서도 지역에 따라서 가격이 많이 차이가 납니다. 하지만 2008년 2월 현재, 서울의 일반적인 대학교 근처 하숙집은, 혼자서 방을 쓸 경우에 약 35만원에서 50만원 정도입니다. 몇년 전에는 전혀 모르는 두 사람이 하숙집에서 만나서 룸메이트가 되어 함께 방을 쓰는 경우도 많이 있었지만, 요즘에는 혼자서 방을 쓰는 사람이 많아졌습니다. 하숙집, 또는 하숙방은 넓지 않기 때문에, 들어있는 가구가 거의 없지만, 가끔씩 침대나 책상이 있는 방들도 있고, 학생(또는 하숙생)이 가구를 직접 사야하는 경우도 많이 있습니다. 그래서 하숙집이 많이 있는 곳, 즉 대학교 근처에는 싼 가격에 책상이나 서랍장 같은 작은 가구를 구입할 수 있는 가게들을 자주 볼 수 있습니다.

ENGLISH

1. Hello everybody. I'm Hyunwoo Sun. Do you like traveling?

2. I like traveling a lot. I didn't always use to like it, but starting from 3 years ago I started to think "traveling is a very good thing."

3. Although traveling has both domestic and international travel, I don't travel domestic much. Because I live in a different city from my parents, going to meet my parents is traveling in itself. But when it comes to traveling overseas, I try to travel every chance I get, or in other words, whenever I have enough money.

4. The countries that I've been to so far are England, France, Germany, Netherlands, Switzerland, Austria, Italy, China and Japan. When and if I have opporutnities to travel more, I want to go to other countries. That is, if time and money permit.

5. There are many countries in Asia, and if you take a plane, you can go to these countries in no time. But the closest of these are China to the West, and Japan to the East, because if you take a plane, you can get there in only two hours. Last year I went to China twice, but this time, I took a plane bound for Japan.

6. And although the languages, the way people look, and the climate of Korea and Japan are similar, I think there are many differences between the two cultures. So while I'm in Japan, I hope to to understand the Japanese way of living and thinking. I want to throw away the thought "Of course it'll be fine to do everything like in Korea." I want to see everything with a new perspective. Next week, I will tell you about what I felt while traveling in Japan.

7. Then, I'll see you next week. Thank you.

1. 안녕하세요, 여러분. 선현우입니다. 지난 일주일 어떻게 보내셨어요?
2. 여러분, 지난 주에 제 이야기를 들으셨나요?
3. 기억 나시죠?
4. 네, 저는 지금 일본에 있습니다.
5. 일본 여행을 하면서 보고 느낀 점을 이야기해 드리겠다고 약속했었죠?
6. 일본은 이번이 처음은 아닙니다.
7. 정확히 3년 전에도 한 번 온 적이 있어요.
8. 하지만 그때는 일본어를 전혀 몰랐고, 시간도 너무 짧았어요.
9. 겨우 3일 밖에 안 있었기 때문에, 많은 것을 보고 느끼기가 어려웠습니다.
10. 그래서 이번에는 사진도 많이 찍고, 사람들도 많이 만나려고 노력했습니다.
11. 한국의 서울과 비교했을 때 일본의 도쿄는 물가가 굉장히 비싸요.
12. 한국에서는 보통 식사가 한 끼니에 4000원, 5000원 정도 하는데 일본은 8000원에서 10000원 정도 하니까, 거의 두 배라고 할 수 있겠죠?
13. 이렇게, 음식, 교통, 집값, 책값 등은 한국보다 훨씬 비싸지만, 또 별로 차이가 나지 않는 것들도 있어요.
14. 옷이나 전자제품 등이 그렇죠.
15. 그 외에는, 차이점보다는 비슷한 점을 많이 발견한 것 같아요.
16. 물론 문화적인 차이점은 많지만요.
17. 개인적으로는 한국과 가장 가깝고 비슷한 나라가 일본이라고 생각하고 있는데, 역시, 언어가 다르니까 말하는 방식도, 그래서 생각하는 방식도, 결국에는 행동하는 방식도 달라지는 것 같더라구요.
18. 친구도 많이 사귈 수 있었고, 맛있는 음식도 많이 접할 수 있었고, 작지만 재미있는 문화적인 차이들을 발견할 수 있어서 이번 여행은 굉장히 즐거웠어요.
19. 이제 한국으로 돌아갈 시간이군요.
20. 한국으로 돌아가면, 일본에서 느끼지 못 했던 점들을 다시 느낄 수도 있겠죠?
21. 여러분은 최근에 여행을 다녀오신 적이 있나요?
22. 한국이나 일본으로 여행하실 계획은 없으신가요?
23. 자, 그럼, 다음 주에 뵙겠습니다. 감사합니다!

ENGLISH

1. Hello, everyone. I'm Hyunwoo Sun. How did you spend your last week?

2. Did you listen to my story last week? You remember, right? Yes, I'm in Japan now. I promised you to tell you about what I saw and felt while traveling in Japan.

3. This is not my fist time in Japan. I was here once before, exactly 3 years ago. But back then I didn't know any Japanese, and the time I had spent here was too short. Since I was here only for three days, it was difficult to learn about many things. So this time, I tried to take a lot of photos and meet a lot of people.

4. Compared to Seoul in Korea, the prices in Tokyo are very high. In Korea a meal is about 4000 to 5000 won, and in Japan it's about 8000 to 10000 won, so you could say it's almost twice as high.

5. And just like this, food, transportation, housing, and books are much more expensive than in Korea, but there are things that aren't very different in price either. Clothes and electronic goods are like that.

6. Besides that, I think I found a lot more similarities and differences. Although of course there are many cultural differences. I personally think that the country that is closest and most similar to Korea is Japan. But as expected, it seems like different languages make the way people talk different, thus making the way a person thinks different, and eventually make the way a person behaves different.

7. I was able to make a lot of friends, eat a lot of delicious food, and discover small but interesting cultural differences, so this trip was a lot of fun. Now it's time to go back to Korea. Once I go back to Korea, I guess I'll be able to feel the differences that I didn't feel in Japan, right?

8. Have you been anywhere on a trip recently? Do you have any plans to travel to Korea or Japan?

9. Well, then I'll see you next week. Thanks!

DIALOGUE - KOREAN

MAIN

1. 안녕하세요, 여러분. 선현우입니다. 지난 일주일 어떻게 보내셨나요?
2. 지난 번 오디오 블로그에서 말씀드린 것처럼, 저는 이제 한국에 돌아왔습니다. 일본에 있을 때에는 사실, '한국에 빨리 가고 싶다'라는 생각을 별로 하지 않았어요.
3. 그런데 일본의 나리타 공항에서, 한국으로 오는 비행기를 기다리는데, 정말 한국에 빨리 오고 싶더라고요.
4. 일본에 있는 동안 한국이 많이 그리웠나 봐요.
5. 물론, 일본에서도 아주 즐거운 시간을 보내고 왔지만요.
6. 여러분도 잘 아시겠지만, 일본어와 한국어는 아주 많이 비슷해요.
7. 그래서 일본 사람들도 한국어를 빨리 배우고, 한국 사람들도 일본어를 빨리 배우죠.
8. 그러니까 여러분도, 혹시 주변에 일본어를 공부하고 있는 친구가 있으면, 한국어 공부도 같이 해 보라고 추천해 주는 것은 어떨까요?
9. 자동차가 도로의 왼쪽으로 다니는 일본에 익숙해져 있다가 다시 한국으로 돌아오니, 길을 건널 때 항상 헷갈려서, 어느 쪽을 봐야 할지 모르겠더라고요.
10. 그리고 항상 100엔, 200엔, 그리고 1000엔... 이렇게 돈을 내다가 갑자기 2000원, 3000원, 10000원, 이렇게 돈을 내려고 하니까, 갑자기 돈을 많이 쓰고 있는 것은 기분이 들었어요.
11. 하지만 이렇게 다시 새로운 환경에 적응하는 것도, 여행의 사소한 즐거움이 아닐까 생각합니다.
12. 여러분은 한국에 와 보신 적이 있으세요? 한국에 여행 오실 계획은 없으세요? 한국에 오면 제일 먼저 가 보고 싶은 곳은 어디인가요?
13. 안타깝게도 얼마 전에 있었던 화재로 남대문은 없어졌지만, 한국에는 재미있는 볼거리 맛있는 먹을거리가 정말 많이 있거든요.
14. 한국으로 여행을 오시기 전에는 꼭! 저한테 연락 주세요! 어디에 가면 좋은지, 무엇이 맛있는지, 알려 드릴게요.
15. 그럼 오늘도 오디오 블로그를 들어 주셔서 감사하고요, 다음 주 이 시간에 다시 뵙겠습니다. 감사합니다.

ENGLISH

1. Hello everyone, this is Hyunwoo Sun. How did you spend last week?

2. Like I told you in the last audio blog, I've come back to Korea now. When I was in Japan, in fact, I didn't really think "I want to go to Korea quickly." But as I was waiting for the airplane back to Korea at Narita Airport in Japan, I really felt like coming back to Korea quickly. I guess I missed Korea a lot while I was in Japan. Though of course I had a very enjoyable time in Japan too.

3. I'm sure you know it well, too, but the Japanese language and the Korean language are very similar. So Japanese people learn to speak Korean quickly and Korean people learn to speak Japanese quickly. So if you have any friends around you who are studying Japanese, how about recommending them to try studying Korean too?

4. Now that I came back to Korea from Japan where all the cars drive on the left side of the road, I'm confused every time I cross the road, and I don't know which direction to look. And I would always pay 100 yen, 200 yen, and 1000 yen, and now I'm suddenly paying 2000 won, 3000 won, and 10000 won, which makes me feel like I'm suddenly spending a lot of money. Haha. But I think adapting to a new environment once again like this is also one of the little joys of traveling.

5. Have you been to Korea? Do you have any plans to come to Korea? What's the place you'd like to see first when you come to Korea? Unfortunately Namdaemun disappeared due to a fire some time ago, but in Korea there are a lot of interesting things to see and a lot of delicious dishes to eat. Before you travel to Korea, make sure you contact me. I will tell you about good places to go and what is delicious.

6. Thank you for listening to my audio blog once again today, and I will see you this time next week. Thanks!

ENGLISH

1. Hello, everyone. I'm Hyunwoo Sun. When is your birthday?

2. My birthday is December 29. It's still a long time away, right? But why am I suddenly talking about birthdays? It's because I went to a friend's birthday party a few days ago. It was a lot of fun, but it wasn't a type of birthday party that we always have in Korea. At least in most cases, that is.

3. In Korea, usually, when you invite friends to your birthday party, you don't really invite people who don't know one another. It's mostly separate birthday parties, like a birthday party among college friends only, a birthday party with colleagues only, and and a birthday party with family members only. Because the atmosphere is awkward when people who don't know each other meet.

4. But now, I think more people invite people who don't know one another to a birthday party. The birthday party that I went to a few days ago was also that kind of occasion. Some colleagues of my friend who was celebrating his birthday, some of his school friend, his girlfriend, and his sister were there together. At first the atmosphere was a bit awkward, but after some time passed it was a lot of fun. I thought these kinds of birthday parties are good because everybody can make friends.

5. But one more interesting thing is, in Korea it used to be a custom to open the presents that one received at the birthday party not right away but a while later. But now it seems like more people, when they receive presents, open them up right away on the spot.

6. How do your birthday parties go? Do you invite people who don't know one another to one place? Or do you only invite people who know one another? Could you tell me about the birthday party culture in your country?

7. Then I'll see you next week. Thanks!

1. 안녕하세요, 여러분. 선현우입니다.
2. 여러분은 과일을 주로 어디에서 사세요?
3. 여러분은 어떤 과일을 좋아하세요?
4. 저는 과일을 그렇게 많이 좋아하는 것은 아닌데, 가끔씩 과일을 먹고 싶을 때가 있어요.
5. 과일을 왜 안 좋아하냐고요?
6. 저도 잘은 모르겠어요.
7. 그런데 어렸을 때부터 '과일은 너무 비싸'라는 생각을 해서 그런지, 혼자 있으면 과일을 별로 사지 않아요.
8. 한국에서 가장 많이 먹는 과일은 아마 수박, 귤, 사과, 복숭아, 토마토 정도가 아닐까 생각해요.
9. 그리고 요즘에는 바나나, 파인애플과 같은 열대 과일들도 많이 팔고 있어요.
10. 보통, 이런 과일들은 시장 뿐만이 아니라 집 근처의 작은 수퍼에 가도 살 수 있어요.
11. 가격은 시장이 가장 싸고요.
12. 그런데, 저는 시장에서도 별로 과일을 사지 않고, 수퍼에서도 잘 사지 않아요.
13. 저희 동네에는 가끔씩 트럭에서 과일을 파는 과일 트럭 아저씨가 오시거든요.
14. 시장에서 파는 과일과 비교하면 가격이 더 쌀 때도 있고, 더 비쌀 때도 있는데,
15. 수퍼에서 사는 것보다는 훨씬 싸고, 왠지 더 신선한 것 같은 느낌이 들어요.
16. 그리고 트럭이 항상 집 앞의 골목까지 오니까, 집에 있다가 "과일 사세요"라는 목소리가 들리면 바로 뛰어 나가서 살 수 있으니까요.
17. 트럭에서 물건을 파는 것은 과일 트럭 뿐만이 아니라, 생선 트럭도 있고 야채 트럭도 있는데, 왜인지 모르겠지만 저는 항상 과일만 트럭에서 산답니다.
18. 여러분 동네에는 트럭에서 뭔가를 파는 사람들이 있나요?
19. 여러분은 주로 무엇을 사시나요?
20. 그럼 다음 주에 다시 새로운 이야기와 함께 찾아오겠습니다.
21. 감사합니다!

ENGLISH

1. Hello, everyone. I'm Hyunwoo Sun. Where do you usually buy fruit?

2. What kind of fruit do you like? I don't particularly like fruit that much, but sometimes, there are times when I want to eat some fruit. Why do I not like fruit? I'm not sure either. But maybe because I've always thought 'Fruits are too expensive' since I was a kid, I don't buy fruit that often when I'm alone.

3. The most frequently consumed fruit in Korea are probably things like watermelons, tangerines, apples, peaches, and tomatoes, I think. And these days, a lot of tropical fruits like bananas and pineapples are sold, too. Usually, these kinds of fruits can be bought not only in market places but also in a small grocery shop near my house. The prices are the cheapest in the market.

4. But I don't buy fruit often at the market place nor from the grocery shop. It's because in our neighborhood, this fruit truck man would sometimes come and sell fruit from the truck. The prices can be cheaper or more expensive compared to the market. But it's much cheaper than buying them at a grocery store, and somehow I feel like it's more fresh. And since the truck always comes in the alley in front of my house, I can be at home and just run outside as soon as I hear the voice yelling "Fruit!"

5. It's not just fruit that is sold from a truck but there are fish trucks and vegetable trucks, too. But for some reason I don't know, I always only buy fruit from a truck.

6. Are there people in your neighborhood that sell something on a truck? What do you usually buy?

7. Then I'll come back next week with another new story. Thank you!

DIALOGUE - KOREAN

MAIN

1. 안녕하세요, 여러분. 선현우입니다.
2. 여러분은 나무를 좋아하세요?
3. 제가 왜 갑자기 여러분이 '나무'를 좋아하는지 물었는지 아세요?
4. 그 이유는, 한국에서는 바로 내일이 '식목일'이기 때문이에요.
5. '식목일'이라는 이름을 처음 들으면 무슨 날인지 알기 어렵죠?
6. 하지만 '나무를 심는 날'이라고 하면 좀 알기 쉬울까요?
7. 해마다 4월 5일이, 나무를 심는 '식목일'이에요.
8. 사실 모두가 다 나무를 심는 것은 아니지만요.
9. 진짜로 꼭 4월 5일에만 나무를 심어야 하는 것은 아니지만, 식목일은 나무를 심는 것의 중요성을 다시 한 번 상기시켜 주는 의미를 가지고 있습니다.
10. 2005년까지는 식목일이 공휴일이었기 때문에, 학생들은 학교에 안 가도 되고, 직장인들은 회사에 안 가도 되었죠.
11. 그런데 2006년부터는 공휴일에서 제외되었어요.
12. 사람들이 진짜로 나무를 심지 않아서 그럴까요?
13. 그래도 식목일이 되면 아직도 항상 텔레비전에 대통령이 나와서 나무를 심는 모습을 보여주고, 초등학교나 유치원에서는 학생들에게 나무를 심는 것에 대해서 가르쳐 준답니다.
14. 그런데 재미있는 사실 한 가지.
15. 식목일은 4월 5일, 즉, 4월 초순이죠.
16. 겨울이 지났기 때문에 춥지도 않고, 아직 여름이 아니기 때문에 비도 많이 안 와요.
17. 그래서 아주 건조합니다.
18. 그렇기 때문에 다른 때보다 산불이 많이 나는데요.
19. 4월 초순에는 항상 텔레비전에서 식목일이나 나무를 심는 것에 대한 이야기와 함께, 산불 조심에 대한 이야기도 많이 나온답니다.
20. 식목일에 열심히 나무를 심어도, 산불이 나서 나무가 다 사라지면 정말 안타깝겠죠?
21. 여러분 나라에는 식목일이 있나요?
22. 그리고 식목일에 실제로 나무를 심으세요?
23. 여러분 나라의 식목일에 대해서 이야기해 주세요!

24. 감사합니다. 그럼 다음 주에 뵙겠습니다.

ENGLISH

1. Hello, everyone. I'm Hyunwoo Sun. Do you like trees?

2. Do you know why I asked you all of a sudden if you like 'trees'? The reason is because it's Arbor Day tomorrow in Korea. It's not easy to know what kind of day it is when you hear the word 'Arbor Day' at first, right? But will it be easier to understand if I call it a day for planting trees?

3. The 5th of April every year is Arbor Day, the day when you plant trees. In reality, not everyone plants trees. It doesn't mean that you really have to plant trees only on the 5th of April, but Arbor Day is a reminder of the importance of planting trees.

4. Until 2005, Arbor Day was a public holiday, so students didn't have to go to school and people who work didn't have to go to work. But since 2006 it has been excluded from public holidays. Could it be because people don't really plant trees?

5. But still, when it's Arbor Day, the President always comes on TV and shows himself planting a tree. And in elementary schools and kindergartens, they teach the students about planting trees.

6. But one interesting fact is, Arbor Day falls on the 5th of April, which is early April. It's not cold since it's past winter and it doesn't rain much since it's not summer yet. So it's very dry. Therefore there are a lot more mountain fires than there are in other times of the year. In early April, you can always see on TV both stories about Arbor Day or planting trees and stories about mountain fire prevention.

7. It would be a sad thing to see the trees disappear because of fire, even though you plant a lot of trees on Arbor Day, wouldn't it?

8. Do you have Arbor Day in your country? And do you really plant trees on Arbor Day? Please tell me about Arbor Day in your country.

9. Thank you! I'll see you next week!

1. 안녕하세요, 여러분. 선현우입니다.
2. 오늘은 한국의 결혼식에 대해서 이야기해 드릴게요.
3. 지난 주에 친구의 결혼식에 다녀왔어요.
4. 그래서 한국의 결혼식에 대해서 잠깐 이야기하려고 해요.
5. 사실 한국의 전통 결혼식에 대한 이야기는 아니에요.
6. 한국에서는 요즘에 대부분 서양식으로 결혼을 하거든요.
7. 서양식 결혼식을 하고 나서 다시 한 번 전통 결혼식을 하는 사람들도 있어요.
8. 하지만 사실, 저는 텔레비전에서 본 것 이외에는 한 번도 전통 결혼식에 가 본 적이 없습니다.
9. 언젠가 가서 볼 수 있는 기회가 있겠죠?
10. 그런데 저는 친구들이나 친척들의 결혼식에 갈 때마다, 참 이상하다고 생각을 해요.
11. 아주 개인적인 의견이기는 하지만, 다른 사람들의 결혼식도 아니고 자기 자신의 결혼식인데, 처음부터 끝까지 말을 한 마디도 하지 않고, “신부를 사랑할 것을 맹세합니까?”라는 질문에 그냥 “네”라고 대답하는 것이 전부이니까요.
12. 한국에서는, 결혼식이 끝나면, 신혼 부부는 대체로 곧 바로 신혼 여행을 떠나기 때문에, 사람들과 오랫동안 이야기할 기회가 없어요.
13. 그래서 신랑과 신부가 어떻게 만났고, 앞으로 어디에서 살 것이고, 내 신랑은 어떤 사람인지, 또는 내 신부는 어떤 사람인지 말할 수 있는 시간이 없죠.
14. 그래서 저는 그냥 드레스 입은 모습만 보여 주는 결혼식은 조금... 이상하다고 생각해요.
15. 물론, 제 개인적인 생각이에요.
16. 여러분은 어떻게 생각하세요?
17. 여러분 나라에서는 결혼식을 주로 어떻게 하나요?
18. 혹시 한국 전통 결혼식을 본 적이 있으세요?
19. 여러분 나라의 결혼식 문화에 대해서 조금 이야기해 주시겠어요?
20. 오늘도 제 이야기를 들어 주셔서 감사합니다.

ENGLISH

1. Hello, everyone. This is Hyunwoo Sun. Today I'd like to tell you about weddings in Korea.

2. I went to a friend's wedding last week. So I'd like to talk a little bit about wedding ceremonies in Korea. Actually, it's not about a traditional Korean wedding, because in Korea these days, most wedding are done in the Western fashion. There are some people who do a Western wedding and a traditional wedding one more time. But in fact, except for watching it on TV, I've never even been to a traditional Korean wedding. I'm sure I'll get a chance to go and see one someday, right?

3. But every time I go to a friend or relative's wedding, there's something I always find very strange. It's a very personal opinion of mine, but while it's their own wedding, not anybody else's, they never say anything from start to end, except for answering "Yes" to the question "Do you swear that you will love the bride?"

4. In Korea, after a wedding is over, the newly-weds usually go on their honeymoon trip right away, so they don't have much chance to talk to the people. So there is no time for the bride and the groom to talk about how they met, where they will live from now, or what kind of person their bride or groom is. So I think a wedding where people can just see you wearing a dress is a bit... strange. And of course this is just my personal opinion. What do you think?

5. How are weddings usually done in your country? Have you ever seen a traditional Korean wedding? Would you tell me a little bit about the wedding culture in your country?

6. Thank you for listening to my story once again today. In next week's audio blog, a surprise present is waiting for you. See you!

1. Samgyetang

2. Hello, everyone at KoreanClass101.com. I am Julia.

3. Have you ever felt like your body was really weak before?

4. When I was under the care of my parents, I always ate tasty and nutrient-rich food, and I didn't feel like my body was weak once. After college and beginning to live alone, I often felt like my body was weak or empty.

5. When Korean people feel like they have a weak body, a certain food comes to mind.

6. This food is "Samgyetang."

7. Today, I intend to talk about what kind of food "Samgyetang" is and exactly how it's good for your body.

8. "Samgyetang" is made from a single chicken, ginseng, glutinous rice, a single date, adlay, and chestnut.

9. In Korea, especially during the "Sambok," which means "the start of summer," it is a representative and invigorative food.

10. This food originates from a long ago, where weaker people, mothers, and patients, in an effort to restore their vigor—and those who had no sense of taste—found a restoration to their appetites through eating this food.

11. So, that being said, how is "Samgyetang" good for one's health?

12. First of all, "Samgyetang" is plentiful in protein and necessary amino acids, and the inclusion of ginseng, capable of remedying many adverse symptoms, makes this food great for one's health.

13. Also, not just ginseng but glutinous rice, garlic, and date are additional active ingredients aiding in the balanced nutrition of this food.

14. Thus, one serving of "Samgyetang" can help many people as a supplement to their nutrition and play a role in their increased vigor.

15. As such, Koreans during the summer they can "fight fire with fire" or "go sweat it out" by having a warm "Samgyetang" and while doing so can restore their body to its original state.

5. Does it mean to buy her "Guksu?"
6. If not, does it mean to actually feed her because she hurts her hands?
7. You will never get what this question actually means.
8. In Korea, the question "When are you going to feed me 'Guksu?'" means "When are you going to get married?"
9. It sounds completely not related, doesn't it?
10. Although not many people serve "Guksu" as the main food of a wedding ceremony these days, even when I was young, people thought of "Guksu" when they think of weddings.
11. In Korea, this "Guksu" has various meanings.
12. In the past, Korea didn't have much wheat production, so "Guksu" is said to be a special food only eaten on celebrating days such as birthdays and weddings.
13. Because of its long shape, "Guksu" has a meaning of "long life," so it was said to be a birthday food at one time. And also having it during the reception at a wedding is said to demonstrate a wish for the union between bride and groom to last a long time. That is how "Guksu" became a wedding food.
14. Have I satisfied your curiosity now?
15. Now this "Guksu" has become a meal like "ramyeon" that is popular and simple to eat whenever you feel hungry, so that upscale foods like "Galbi-tang" or buffet foods are known as wedding foods, but as they say, words based on tradition still are conveyed from mouth to mouth.
16. If I ever get married, I would like to make "Guksu" a meal at my wedding to revive my childhood memories.
17. Then good-bye until next time.
18. Talk to Julia!
19. What are the wedding foods in your country?

CULTURAL INSIGHT

Noodles Worth Waiting For

Usually, Koreans don't line up to go to Guksu or noodle restaurants because you can easily make noodles also at your home. However, there is one Guksu restaurant in Myeongdong, at which you have to wait for thirty minutes to get a seat. The most popular dish is *Kalguksu*, which is Guksu sliced with a knife (*Kal*). Thanks to its soup with chickens and dumplings, it is also famous for tourists. But here is a thing that you cannot do at this restaurant: having a conversation after your meal. You should eat as quickly as possible, then leave because many people are waiting outside. If you don't, the waitress will be asking you what you need every minute!

CULTURAL INSIGHT

Are You Allowed to Change the Original Recipe of a Korean Dish?

In some Asian countries, it is rude to add more ingredients or change original tastes of food. They believe this kind of action means the food is not delicious. However, it doesn't apply to Korean foods, especially *ddeokguk*. Since the original taste of *ddeokguk* is a little bit flat, many Koreans make their own *ddeokguk*. You can simply take a slice of seaweed covered with salt and put it in the soup to add a saltier taste. Also, you can put more spicy peppers in the soup for a spicier taste. Then, what flavor of *ddeokguk* would you like to make?

6. 우선, 이 미역국에 관한 설화부터 알아보겠습니다.
7. “초학기”라는 옛 문헌에 따르면, 고려 시대에 새끼를 낳은 고래가 해안에서 미역을 뜯어 먹는 것을 본 사람들이 이를 수상하게 여기고 산모에게 먹이기 시작했다고 쓰여 있습니다.

9. 과연 이 미역국은 산모에게 어떻게 좋은 것일까요?

11. 또한 칼슘 함량이 많아 산모의 부족해진 철분을 보충해 줄 뿐만 아니라 이 칼슘 성분은 아기의 골격과 치아 형성에 도움을 줍니다.

ENGLISH

1. "Miyeokguk" ("Soup with Seaweed")
2. Hello, all in KoreanClass101.com! It's Julia.
3. Today's protagonist is "miyeokguk," a food one must eat on one's birthday. What on the earth could birthdays have to do with "miyeokguk?" First, I will investigate a tale about this "miyeokguk."
4. According to an old piece of literature called "Chohakgi," during the Goryeo period, people saw whales that had given birth to young tear off seaweed and eat it on the shore, and they thought this mysterious and began feeding it to mothers. As in the tale, Korean mothers recuperate after childhood by eating "miyeokguk."
5. How indeed does this "miyeokguk" benefit these mothers? Because "Miyeokguk" contains a lot of iodine, it supplements the blood lost during childbirth, and it clarifies the blood that has thickened.
6. Also, because it contains a lot of calcium, it not only supplements the mother's iron that has been depleted, but this calcium ingredient helps with the child's skeletal and tooth development. For this reason, a custom emerged of giving "miyeokguk" to mothers who have given birth to children.
7. So then why is "miyeokguk" eaten on birthdays? Because what we ate through our mothers was "miyeokguk," a custom emerged of eating "miyeokguk" again on our birthdays. I think we eat "miyeokguk" on the mornings of our birthdays to feel thankful again for the mothers who gave birth to us. I think that this food culture is not just culture but also containing sage wisdom from the experiences of our country's forbears.
8. Today I spoke about "miyeokguk." If you have Korean friends around you, make boiling "miyeokguk" and give it to them as a gift on their birthday. I guarantee you one hundred percent they will be more touched and thankful for the "miyeokguk" you cook for them than for any nice present.
9. Then good-bye until next time.
10. Talk to Julia!
11. What do you eat on your birthdays?
12. Is there any special reason you eat this?

CULTURAL INSIGHT

Can *Miyeokguk* Bring Bad Luck?

Miyeokguk is always welcomed for any meals, but not for the meals just before tests. If some Koreans have upcoming tests, they never have *miyeokguk*. Why? It's because *miyeokguk* or "brown seaweed" is a little bit slippery. The feeling of *miyeok* makes Koreans think that if you have this food, your test will be slippery, which means you won't pass the test. So, please do not ask any Koreans to have *miyeokguk* if they have tests soon.

1. 막걸리와 파전
2. 안녕하세요.
3. KoreanClass101.com 여러분! 줄리아입니다.
4. 여러분 “비 오는 날에는 역시 막걸리에 파전이지!”라는 말을 들어보신 적이 있으신가요?
5. 먼저 막걸리와 파전은 어떤 음식인지에 관해 말씀드리자면 막걸리는 쌀을 발효시켜 만든 한국 전통주입니다.
6. 그리고 파전은 밀가루나 달걀 반죽에 파를 넣고 기름을 두른 프라이팬에 부친 음식으로 한국의 팬케이크로 많이 알려졌지요.
7. 오늘은 ‘왜 한국인들은 비만 오면 막걸리에 파전을 찾을까?’에 대해 이야기해 보려고 합니다.
8. 우선 풍습기원설에 의하면 농경 사회 시대에 비가 내리는 날에는 일을 할 수가 없기에 우리 선조들은 집에서 쉬면서 막걸리와 함께 파전을 먹곤 했답니다.
9. 그것이 지금까지 전해져서 사람들 사이에 관습처럼 자연스럽게 정착되었다고 합니다.
10. 현대에서는 이것을 의학적인 눈으로 보기도 하는데요.
11. 제가 본 기사 하나를 말씀드리면, 비가 오면 사람들은 우울해지고, 본능적으로 자신이 필요로 하는 영양소를 찾게 되고, 그것이 바로 밀가루의 성분과 일치한다고 합니다.
12. 그렇기에 비가 오면 밀가루 반죽인 파전이 먹고 싶어지는 것은 본능이라고 하네요.
13. 그리고 소리공학연구소에서 실제 파전을 부치는 소리와 빗소리를 비교해서 과학적으로 해석하였는데요.
14. 분석 결과에 의하면 “달아오른 프라이팬에 부침개 반죽을 넣었을 때 치이익~하며 나는 소리는 비바람 소리와 비슷했고, 파전이 익으면서 나는 기름 튀는 소리는 처마 끝에서 떨어지는 빗소리와 흡사했다.”라고 합니다.
15. 그래서 빗소리를 들으면 무의식 중에 파전을 부치는 소리가 연상되어서 ‘먹고 싶다.’라는 생각이 드는 것이라고 하네요.
16. 정말로 우리 선조들이 이렇게 의학적 부분을 또는 과학적인 부분을 생각했을지는 모르겠지만, 이번 기회에 저 또한 많은 공부가 되었네요.
17. 여러분! 비 오는 날에 한국인 친구에게 “오늘 비도 오는데 막걸리에 파전 어때?”라고 말해보는 건 어떨까요?
18. 그럼 다음 시간까지 안녕히 계세요.

ENGLISH

1. "Makgeolli" and "Pajeon"
2. Hello, all in KoreanClass101.com! It's Julia.
3. Have you ever heard anyone say "On rainy days, it's always 'Pajeon' and 'Makgeolli?'"
4. To tell you what kinds of food "makgeolli" and "pajeon" are, "makgoelli" is a Korean traditional liquor made by fermenting rice. And "pajeon" is known widely as the pancake of Korea, as a food made with onions put in flour or egg dough and fried in a frying pan covered in grease.
5. Today, I am going to talk about why Koreans look for "makgeolli" and "pajeon" when it's raining.
6. First of all, according to the theory of customs, during the agricultural society days, our predecessors would eat "makgeolli" and "pajeon" while resting at home because they couldn't work on the days it rained. This has been passed down until now, and it is said that it has naturally taken root among people like a custom.
7. This is being looked at from a medical standpoint these days. To tell you about an article I read, people become melancholy when it rains, and they instinctively seek the nutrients they need, and these are said to be the same as the ingredients of flour. So the desire to eat "pajeon" when it rains is said to be an instinct.
8. And also, the sounds of "pajeon" frying and the sound of rain were compared and analyzed scientifically at a sound engineering research center. According to the results of the analysis, the "chi-ik" sound made when the vegetable pancake dough is placed in a heated pan is similar to the sound of rainstorms, and the sound of grease popping as the "pajeon" is cooked resembles the sound of rain falling from the ends of eaves.
9. So, when one hears the sound of rain, one associates it with the sound of "pajeon" frying and thinks "I want to eat it."
10. Although we don't know whether our ancestors considered these medical or scientific aspects, this gave me the opportunity to learn a great deal.
11. Everyone! When it is raining, why don't you ask a Korean friend that "It's raining today. Why don't we have "pajeon" in "makgeolli?"
12. Then good-bye until next time.
13. Talk to Julia!
14. Is there a food that you eat when it's raining in your country?
15. Is there a special reason for eating the food?

How to Drink *Makgeolli*

Makgeolli is not a popular drink with young Koreans. It is known as an old-fashioned drink, so college students usually don't have *makgeolli*. Why? There are several reasons, such as its old-fashioned image, but there is a real reason: it will make you have a terrible headache the next day. So here is a tip so you do not have a headache. Pour *makgeolli* in a cup and wait for five minutes. Then you can have a clear layer of *makgeolli* on the top of the turbid one. Please drink only the upper part, and then you will be okay.

ENGLISH

1. Kimchi

2. Hello.

3. All in KoreanClass101.com! This is Julia. This is the last class on foods.

4. I am going to introduce "kimchi," the food that represents Korea, which is always without fail on the table for meals.

5. It is said that many countries in the world, not just Korea, have been falling in love with "kimchi."

6. To introduce "kimchi" briefly, "kimchi" is a fermented food seasoned with garlic, red pepper flakes, and salted fish after pickling cabbage or radish in salt. There is a wide variety of "kimchi," such as cabbage "kimchi," young radish "kimchi," water-based radish "kimchi," mustard-leaf "kimchi," green onion "kimchi," and cubed radish "kimchi."

7. Around the beginning of December, in Korea, every household is busying themselves in preparations for "Kim-jang." The word "Kim-jang" refers to the task of making a large amount of "kimchi" to be eaten during the winter. Nowadays one can eat vegetables even when cold winter comes, but in the past, people started doing "Kim-jang" before the winter season because they were unable to eat vegetables when the cold winter came.

8. Before winter began, there was always a pile of fifty heads of lettuce for "Kim-jang" in the front yard of our house. Then when the weekend came, my mother and father made "kimchi" in the living room.

9. My father mostly did the physical tasks such as julienning radishes or moving the cabbages, and my mother mixed the seasonings or seasons the cabbages. Then I sat next to her doing the chore of adding salt or salted fish for my mother, who couldn’t use her hands, which were full of spices. When I was young, I stored the fully prepared "kimchi" in the "Kim-jang" jars in the front yard. "Kim-jang" jars refer to the large jars containing "kimchi." We buried the jar, and we used the lid on the jar opening to remove the "kimchi" and ate it. Nowadays, "kimchi" refrigerators meet this function instead of this jar.

10. After "Kim-jang" has been finished this way, we eat numerous foods such as "kimchi jjigae," "kimchi" pancakes, tofu "kimchi," and "kimchi" fried rice, which contain "kimchi" during the cold winter.

11. But it is very interesting that I have never grown tired of "kimchi," despite eating it every day. All Koreans are said to agree with this, not just me.

12. I will now make an end to the Julia’s food talks, with the last episode of "kimchi."

13. Then, good-bye until next time.

14. ^o^Talk to Julia!

15. What foods represent your country?

CULTURAL INSIGHT

Some Suggestions for Traveling around Gyeong-bok Gung

Usually, tourists go into Kyeong-bok Gung from the main gate and get out from the east gate. However, you can choose another route. The palace has the north gate, and it is located just in front of the blue house, the Presidential House. You can easily go up to the north gate by green bus and get off the bus at the gate. You can see the beautiful north gate and also see the blue house. Then you can go to main gate as looking around the beauty of the palace and the downtown area of Seoul. It is also easy because it is all downhill.

1. Dongdaemun Market

2. Hello.

3. All in KoreanClass101.com! It's Julia.

4. Today, we will be going to the Dongdaemoon market as we depart from the bazaar along the Cheonggyecheong Stream to the current shopping center.

5. At first, we will go to Gwangjang Market, the bazaar of Korea, on Jongno-5-street. This place was featured on a show called "One Night and Two Days." I remember the scene in which Gang Hodong of "One Night and Two Days" visits the bazaar and had a very delicious meal.

6. There is such a diversity of goods and types of food that people say "Anything that is not at the bazaar does not exist in Korea." All the prices are wholesale, so things are inexpensive. Shoes, bags, stoves… they really have everything.

7. After walking around Gwangjang Market this way, if you go right along the beautifully decorated Cheonggyechoeng Stream, Dongdaemun comes into view.

8. When you arrive at Dongdaemun, you will be able to see numerous cutting-edge buildings. These buildings are all shopping malls. In the evening, Dongdaemun shopping market starts bustling with people. People from Daejeon, Daegu, Busan, and all over the country come here to Dongdaemun en masse to buy all types of clothes and bags.

9. Yes! Dongdaemun is a wholesale market. At first, it was a wholesale market mainly for small retailers. As the general population gradually started to come here, it is now has the drawback of being a tourist spot for tourists, not just the general public.

10. The reason Dongdaemun draws attention from foreigners is probably because it is a shopping mall that is open for twenty-four hours a day. Unlike most shopping malls that close in the evening, this place starts to get busier in the evening.

11. When you go to Dongdaemun Market, there are a lot of things to see because there are many events, such as outdoor dance competitions. When you go inside the shopping center buildings such as Migliore or Dusan Tower, you can see why Dongdaemun is becoming known as a shopping paradise. It really is a shopping paradise by definition.

12. What you absolutely need to do at Dongdaemun is bargain. I occasionally go with my friends at ten o'clock at night to Dongdaemn. I will tell you my own personal bargaining secret. I tell the staff selling the goods, "Do you hear often that you look like Kim Tae hee? Your skin is very nice. Ms. Tae Hee, can't you lower the price a little bit?" Wouldn't anyone lower the price after hearing such a nice compliment? You give it a try.

13. Today we looked at Dongdaemun Market.

14. Good-bye until next time.

15. ^o^ Talk to Julia!

16. Where are the places famous for shopping in your country?

CULTURAL INSIGHT

A Hint about Shopping at This Korean Market

Dongdaemun is a popular place to find a unique style of clothes. However, it is also known for its low prices. It is not comparable. For some t-shirts with a nice design, you only have to pay one dollar. But here is the thing to know. You can wear it just once. You can put on the t-shirts and have a great day. Then you should say good-bye to the t-shirt. It's not washable. If so, its size will be as small as a baby's. So when you find one-dollar t-shirts at the Dongdaemun market, consider whether it is really cheap or not.

Taking a Break During a Road Trip in Korea

Many Koreans stop by rest stops even if their trip is not very long. In the past, these rest stops were only for having a quick lunch or dinner. The food was not delicious, and the buildings were not clean. However, now it has been changed. You can have a great lunch or dinner with reasonable prices. Also, you can buy some souvenirs or a pack of snacks representing the city. So, if you have any plan to have lunch on the way of your trip, please stop by rest stops and go around the place.

CULTURAL INSIGHT

Humans Can Literally Fly in Korea

If you want to go to Nam-i-seom, you can fly to the island. I am not talking about airplanes. You can literally fly. Nam-i-seom is an island, and many people just go aboard. However, if you go to the left side of the harbor, you can find a bungee-jump style structure. For twenty dollars for each person, you can go all the way up to the tower, take a seat, and fly all the way down to the island. It takes only ten minutes, but you can have the experience of flying to the island.

1. Jeong-dong-jin Train Travel

2. Hello. All in KoreanClass101.com! It's Julia.

3. I introduced you to An-myeon-do in the Yellow Sea in Lesson 13. Today, I am going to introduce the East Sea of Korea.

4. I am going to introduce the closest train station to the sea, Jeong-dong-jin. Jeong-dong-jin is located in Gangneung, and it is a place with an outstretched beach as you go down from Jeong-dong-jin Station, and it is a place where people go to see the sunrise.

5. Although there are several methods of getting to Jeong-dong-jin, such as by car, bus, etc., among those, I would like to recommend that you go by train. As I said at first, Jeong-dong-jin is the closest train station to the sea, so going by train is very convenient. There are trains going to Jeong-dong-jin Station from Seoul Cheongnyangni Station every hour.

6. And because there is a night train that departs at eleven at night and arrives at about five, it is very convenient, especially for the people who are taking a sunrise trip. It is a perfect time for seeing the sun rise. If you arrive at five and wait, you can see the sunrise. However, you absolutely must check the weather forecast before going, in order to see the perfect sunrise. The sun rises every day, but it is not easy to see a perfect sunrise.

7. Do you know when the most people go to Jeong-dong-jin? It is on December thirty-first. Many people gather in Jeong-dong-jin to see the sunrise while greeting the New Year. And they ask for wishes as they greet the New Year.

8. There are many restaurants near the station. Although raw fish is especially famous near the ocean, for the mornings, I recommend the Kongnamul Gookbap or hot bean sprout rice and soup. How does it sound to eat a filling meal of hot bean sprout soup and rice and walk through the areas such as the Hourglass Park, Sculpture Park, and then enjoying the raw fish for dinner?

9. It might be Korean culture, but Korean people think that you absolutely must have something filling for breakfast. After having lunch, many people choose to go back to Seoul as a no-night, two-day trip.

10. And there are many beaches and tourist spots in the area, so I suggest you visit these places.

11. Then good-bye until next time.

12. Talk to Julia!

13. Do you like watching the sunrise too? Where do you go to see the sunrise?

CULTURAL INSIGHT

Why You Should Take the Train to the Korean Beach

When Koreans go to the east seaside of Korea, they usually prefer to take a train, even if they have cars. It's because of a mountain range between Seoul and the east side. The range is high and steep, and you have to slow down your cars for all the curves. To go over the range, you have to drive for three hours, and that is why Koreans just take trains to go there. And so Jeong-dong-jin is famous because that station is the only place where you can see the sea on the train.

1. An-dong Hahoe Folk Village

2. Everyone in KoreanClass101.com! This is Julia.

3. Today we will be going to Gyeongsangbuk-do. The entire village of An-dong Hahoe Folk Village was designated as a UNESCO World Heritage site in 2010. It is said that both English Queen Elizabeth the Second and American President Bush came to Andong Hahoe Folk Village.

4. As you can tell from the name "Hahoe," which is surrounded by the Nakdong River, traditionally built houses in the Joseon Dynasty style and thoughts of classical scholars remain more than in any other villages. This place has a long history as our country's representative scholarly village.

5. There is a place where you can see Hahoe Village in one glance. This place, across the river from Hahoe Village, is called Buyongdae. You will find it if you cross the Nakdong River riding a ferryboat and climb up the mountain a little. If you go there, you can see all at once the entire Hahoe Village surrounded by the Nakdong River. Furthermore, it is said that scholars' games and boat fireworks are performed regularly here for visiting tourists.

6. The Hahoe masks designated as national treasures are also very famous at the Andong Hahoe Village. They were derived from where the people who lived in this region put on masked plays, wearing these Hahoe masks and mimicking morality plays for a very long time. It is said that as these commoners put on Hahoe masks and danced mask dances, they expressed their suppressed feelings about society.

7. When I talk about Hahoe masks, I remember making Hahoe masks in an art class in my middle school. After making a shape of masks with paper clay, you can coat it with glue and apply several coats of Hanji or the traditional paper. Then, after you dry it, draw a face with coloring materials to complete it.

8. It is said there are experiential classrooms for making Hahoe masks in Ahndong.

9. I recommend that you participate in the class.

10. I have never been to Hahoe Village either. I definitely want to go if I get a chance.

Where to Find Traditional Homes in Korea

Andong Village is almost the only place where all the older houses have not been destroyed, even during the Korean War and the period of economic development. Many traditional-style houses had been burned down during the Korean War because they were made with wood. Also, during the economic development period in the seventies and eighties, people preferred modern-style buildings, so all the traditional houses were redeveloped. That's why Andong Village is the only place where you can see a whole village in 1800s style.

1. Moonlight Night of Shilla - Gyeongju

2. Hello.

3. All in KoreanClass101.com! It's Julia. Last time I introduced you to Andong Hahoe Village. If you go a little further down from Andong toward Busan, you'll find Gyeongu of Gyeongsangbuk-do. Today I will introduce Gyeongju, called the roofless museum. Because Gyeongju City is crammed full of historical locations, it is called the roofless museum.

4. Because Gyeongju was the Shilla capital that unified Goguryeo, Baekjae, and Shilla, you can meet Shilla's spirit and culture here. These days, many people go to Jejudo or to abroad for school trips, but when I was young, everyone went on school trips to Gyeongu. It is because this is a place where you can examine firsthand the Shilla that appears in history books.

5. When you go to Gyeongju, there are some things that you absolutely must see.

6. First, Seokgullam and Bulguksa of Gyeongju are representative examples that display the Buddhist art of Shilla. You will be amazed by the size and detail of Seokgullam.

7. Also, Anabji is famous in Gyeongju. Anabji is a large man-made lake inside a main palace built by King Moonmu of the Shilla Dynasty. After magnificently designing Anabji, King Moonmuis said to have used it as a banquet hall. Anabji, which is very elegant when illuminated during the dark night, is said to present a magnificent sight with the lotus complex during hot summer.

8. Besides these, there are many Shilla artifacts such as Cheomseongdae, the historical place of observing the sky and Cheonmacho. You can find in Yandong Village a traditional village of the Joseon Dynasty like the Andong Hahoe Village, and this place is definitely worth a visit. Yangdong Village is famous as a movie and drama shooting location.

9. Many diverse experiential centers were made for tourists in Gyeongju, such as the farmer's village experience, the handicraft experience, the traditional food experience, and the Shilla cultural experience classrooms, and they provide opportunities for tourists to experience Korean culture firsthand. It will probably be cool to try making ceramics with master craftsmen as well.

CULTURAL INSIGHT

The Best Way to Travel around Gyeongju

Although Gyeongju is one of the most popular places to visit, it doesn't have a good public transportation system. Driving is also not a good idea since roads are not wide and difficult to go around. That's why many tourists from abroad take the taxi service. If you make a reservation, you can meet the driver right after getting out of the train, and then he will guide you for six to eight hours. It costs about eighty dollars for one taxi, so it is reasonable if you have friends with you. Also, you can hire a driver speaking Japanese, Chinese, or English, if you ask in advance.

ENGLISH

1. Ulleungdo

2. Hello. All in KoreanClass101.com! It's Julia.

3. Would you like to guess the protagonist for today? First hint, an island. Second hint, the East Sea. Third hint, squid.

4. Do you have an idea? An island on the East Sea and famous for squid? The protagonist for today is Ulleungdo. Ulleungdo is a beautiful island in the East Sea. For going to Ulleungdo, there are two ports…the Gangneung's Mukho Passenger Terminal and Pohang's Pohang Passenger Terminal. To get there from Seoul, you can take a boat from Mukho Passenerger Terminal in Gangneung.

5. As I said at first, Ulleungdo is famous for squid. The half-dried squid in Ulleungdo is especially delicious. Koreans commonly eat dried squid as an appetizer with beer. Unlike dried squid that is hard, half-dried squid is only half-dried, so it is less hard and chewy and tasty.

6. To get back to the point, today I will talk about the Ulleungdo Squid Festival that is held in August. It is not an exaggeration to say that people in Ulleungdo live with squid. At the Squid Festival, you can catch fish with fishermen and experience the squid-drying process. And during the event, there are opportunities to try cooking various types of squid with the ones you fished. Besides these, there are several events such as catching squid bare-handed and squid marathons. They look incredibly fun.

7. There is something that you must see in Ulleungdo. That is a squid boat parade that lights up the sea at night. The squid boats hang bright lights from fishing boats and fish for squid by attracting them to the boat because they like lights. Because several tens of boats are capturing squid all together, the sight of the ocean from Ulleungdo seems so bright as if they are having a party. It is so beautiful and spectacular that the scene is often featured on TV. I wish all of you could visit the place.

8. Good-bye until next time.

9. ^o^Talk to Julia!

10. Are there beautiful places and scenery in your country? Please share with us.

Some Advice for Traveling to Ulleungdo

It will take about around ten hours to get to Ulleungdo from Seoul because you have to go to all the way east of Korea by a bus or train, then take a ship to the island. Why is there is no airport in Ulleungdo, even though it is a very popular tourist destination? It's because there is no place to make the airport. Ulleungdo itself is like a big mountain. There is no flat land at all. In the past, officials of Ulleungdo tried to build an airport, but they couldn't make it. That's why you still should have patience and time to visit this beautiful island.

The Best Ways to Travel Around Jeju Island

As you know, there is no train on Jeju Island. Also, the island doesn't have a good public bus system, so people living in Jeju usually have two or three cars for one family. Then, how can you go around Jeju Island as a tourist? Koreans usually rent a car. The price is very reasonable, especially on Jeju Island. It costs only about seventy dollars for twenty-four hours. There are also no traffic jams, and it is easy to get around. Or you can use taxis. You can simply call a taxi company, and then it will send a taxi within ten minutes.

ENGLISH

1. "Seol-nal"

2. Hello, all in KoreanClass101.com! It's Julia. From today, I will be talking about Korea's national holidays.

3. Now! Let me give a quiz. When is the day when you have "Ddeok-guk?" Yes! The protagonist of today is "Seol-nal." Last time, my topic was all about food. However, I will now be talking more about cultural topics.

4. As you know, "Seol-nal" is "New Year's Day." In Korea, there are two "Seol-nal." Do you know about them? The Solar New Year and the Lunar New Year.

5. The Solar New Year is the first day of January on the calendar, as you all know. The Lunar New Year refers to January first on the lunar calendar. Usually, the Lunar New Year is recognized as the big holiday, and the Lunar New Year is at least one month later than the usual New Year.

6. In Korea, when the new year begins, people greet each other by saying "Receive the blessings of the New Year." These greetings start from the first day of January to the Lunar New Year day. Simply put, when people get together in January and February, they almost always greet with "Receive the blessings of the New Year" instead of "Anneyonghaseyo."

7. On Lunar New Year, or the first day of the first month of the lunar calendar, Korean people make a great trip for the holiday season. Especially, many people go from Seoul to the outer districts.

8. My family has a big house, so everyone comes to my house. My mother, my aunt, and my grandmother all come to our house a few days before holiday and start preparing food for the ancestral rites. And on the morning of "Seol-nal," the memorial rites are held for memorial rights are begun for ancestors.

9. Afterward, the entire family goes to visit the ancestors' graves holding wrapped-up foods. They go to the ancestors' graves and bow again to their ancestors. It seems like very complicated.

10. After we finish, it's time for the "New Year's bows." As I did, this is what children are really waiting for. As we bow, everyone from grandparents to the youngest takes turns giving us New Year's money in amounts of 10,000 or 20,000 won.

11. When I was very young, I went to the arcade or bought delicious snacks with the money.

12. Unfortunately, I don't get any money because I am not a student anymore. The memories keep coming back to me.

13. Today we talked about Korean "Seol-nal." If there are any questions, feel free to ask me.

14. Good-bye until next time.

15. ^o^Talk to Julia! Tell me about New Year's Day in your country.

CULTURAL INSIGHT

Allowances in Korea

If you are a kid, you can get money from your parents and grandparents when you bow to them on New Year's Day. When will be the time that you can get your last allowance? There are no rules on this, but Koreans consider that when you get married, then it's now your turn to give your money back to kids. So if you were married at the age of twenty, then there will be no more allowance for you. What about singles? In this case, there is no regulation, but people think that the age of around thirty-five is the time to stop getting money.

CULTURAL INSIGHT

The Right Gift for Korean Parents

What kind of gifts do Koreans give to their parents? In the past, the most popular items were clothes and heaters because most parents were living in rural areas in which houses didn't have heat inside for the winter season. Then, what about now? In the 2010s, now money is the most popular gift for the Parents' Day so that parents can buy what they need or want to have. It is not rude to just send money to their account without physically visiting the parents' house.

CULTURAL INSIGHT

Why Schools Close on Teachers' Day

Although Teachers' Day is not national holiday, many schools have the day off for the holiday. In the past, it was not a day off for schools. Graduates and their parents often came to school to say thanks to their teachers. However, some parents came to schools on the Teachers' Day and gave a bribe to the teachers for taking care of their kids. This had brought some discrimination and also became one big social problem. That's why schools these days just close their doors so that no teachers can get any bribes.

CULTURAL INSIGHT

Traffic Jams During Chuseok

If you have any plans to visit Korea, you should avoid the Chuseok season. Although more than a half of Koreans live in and around Seoul, many people in their fifties and more are still living in rural areas. For Chuseok season, many young people from Seoul take roads to visit them. The problem is this: Seoul is on the northern part of South Korea, so many of them go in the same direction: south. It brings a lot of traffic jams, so sometimes walking is faster than driving in peak hours. That's why you should be reconsidering visiting Korea during this season.

CULTURAL INSIGHT

How Koreans Handle Their "-Vs" and "-Fs"

Do you know how Koreans write "television" or "fire" in Hangul, although Hangul doesn't have characters for "-v" and "-f" sounds? To write, Koreans choose a character that has a similar pronunciation. For "-v," they use ㅂ(*Bieup*) or ㅍ (*pieup*), and the same for "-f." So, "fire" is 파이어, which sounds like "pire." However, when they read, they use the actual sound, "-v" or "-f." So, don't be surprised when you hear Koreans say "fire" and "television" correctly even though they don't have the characters. Also, you can make the actual sounds when you read English words in Korean sentences. It's okay.

(현우) 아니요. 괜찮아요. 괜찮아요. 요즘에 DVD가 너무 잘 나오고, (네) 네, 여기저기 DVD 가게들이 많이 있잖아요. (네) 그래서 영화관까지 가지 않는 사람들이 많은데 (네) 정은이는 영화를 정말 좋아하나 봐요. 영화관까지 개봉할 때마다 간다고 했어요.
(미현) 네... 정말 대단해요.
(현우) 네. 앞으로도 정은이가 무엇을 좋아하는지, 그리고 무엇을 하는지, 재미있는 이야기를 많이 해 줄 것 같은데 (네) 기대가 됩니다.
(미현) 앞으로 재미있는 이야기 많이 기대할게요. 정은 양.
(현우) 정은 양? 하하하
(미현) 정은 씨? 라고 할까요? 고등학생이니까 (정은 양) 괜찮은 것 같아요.
(현우) 예. 고등학생이니까, 정은 양, 좋은 것 같아요.
(미현) 네.
(현우) 그러면 우리는 정은 양의 이야기를 앞으로 더 기대하면서 (네) 오늘은 여기서 마치죠.
(미현) 진짜 끝난 거예요?
(현우) 네.
(미현) 이렇게 빨리 끝났어요?
(현우) 네.
(미현) 아... 너무 아쉽다!
(현우) 아쉽지만 우린 다음 주에 다시 돌아와야 돼요.
(미현) 아... 뭔가 더 얘기하고 싶은데요?
(현우) 다음 주에 얘기해 주세요.
(미현) 아... 알겠습니다.
(현우) 그런데, 우리가 가기 전에, (네) 여러분에게 하고 싶은 말이 있는데...
(미현) 전 없는데요?
(현우) 아, 진짜요?
(미현) 네.
(현우) 그럼 저 혼자 말할게요.
(미현) 뭐예요?
(현우) 아, 여러분이, 지금 이 오디오 블로그를 듣는 게, 처음일 거예요.

(미현) 음...
(현우) 정은이가 얘기하고, 미현 씨랑 제가 이렇게 해설을 하고.

(미현) 네, 물론이죠.
(현우) 네. 그러면, 여러분, 감사합니다.
(미현) 다음에 봐요!
(현우) 네, 다음 주에 봐요!
(미현) 네!

CULTURAL INSIGHT

현재, 한국의 교육 시스템 안에서 가장 힘든 1년을 고르라고 한다면, 누구나 고등학교 3학년, 즉 '고3'을 고를 것입니다. 열심히 공부를 하지 않아도 되는 학교나 학년은 없지만, 고등학교 3학년, 즉, 고3이 되면, 대학교에 들어갈 준비를 해야 하기 때문입니다. 고등학교 3학년의 11월에 보는 '수능시험'의 점수가, 대학교에 들어가는 데에 아주 중요하기 때문에 많은 학생들은 '수능시험'에서 높은 점수를 받기 위해서 열심히 공부합니다. 그래서 친구들과 만나서 놀거나 취미 생활을 할 시간이 많지 않기 때문에, 보통, '고3'으로서의 생활은 아주 힘들다고 할 수 있습니다.

1. Jeongeun : 안녕하세요 여러분! 오정은입니다.
2. Jeongeun : 오늘은 저희 학교 급식에 대해 이야기해 보려고 합니다.
3. Jeongeun : 여러분은 학생이세요?
4. Jeongeun : 만약 학생이라면, 학교에서 급식이 나오나요?
5. Jeongeun : 여러분 학교의 급식은 맛이 있나요?
6. Jeongeun : 저희 학교 급식은 맛이 없어지고 있습니다.
7. Jeongeun : 고등학교에 처음 들어갔을 때는 정말 급식이 세상에서 제일 맛있다고 생각했는데, 지금은 맛이 없어요.
8. Jeongeun : 나오는 음식 종류도 다양하지 않고, 똑같은 음식이 반복해서 나오고 있어서, 학생들이 불만이 많답니다.
9. Jeongeun : 가끔씩 학교에 항의를 하고 불평을 해도 전혀 달라지지 않네요.
10. Jeongeun : 제 생각에는, 한창 자랄 나이이고 머리를 가장 많이 쓸 나이인데, 영양 보충을 제대로 할 수 있게 골고루 먹어야 되는데 말이죠.
11. Jeongeun : 그래서, 학교 급식을 먹지 않고 도시락을 싸오는 친구들도 있고, 밖에 나가서 사 먹고 들어오는 친구들도 있고 가끔씩 학교로 음식을 배달시켜서 먹는 친구들도 있습니다.
12. Jeongeun : 이런 친구들을 보면 저도 급식비를 내는 대신에, 담임 선생님에게서 외출할 수 있는 외출증을 끊어서, 밖에 나가서 밥을 사 먹는게 더 낫겠다는 생각이 들곤 합니다.
13. Jeongeun : 요즘에는 고등학교 1학년, 2학년보다 공부를 많이 해야 하니까, 스트레스가 쌓일 때 먹을 것을 많이 찾게 되요.
14. Jeongeun : 그래서 학교의 매점을 자주 이용한답니다.
15. Jeongeun : 급식이 맛이 없다고 매점에 가서 빵을 많이 먹다 보니, 계속 허기가 져서 살이 더 찌고 왠지 더 피곤한 것 같아요.
16. Jeongeun : 역시 한국 사람은 밥에서 힘을 얻는다는 말이 맞는 것 같습니다.
17. Jeongeun : 여러분 나라의 학교들은 급식이 어떤가요?
18. Jeongeun : 만약 여러분이 지금 학생이시라면, 학교 급식에 만족하고 계세요?
19. Jeongeun : 아니면 학생이었을 때 급식은 어땠었나요?
20. Jeongeun : 여러분, 밥 거르지 마시고 꼭 제때에 시간 맞춰서 드세요!

21. Jeongeun : 그럼 다음 시간에 만나요. 감사합니다.

ENGLISH

1. Jeongeun : Hello, everyone! I am Jeongeun Oh.
2. Jeongeun : Today, I'd like to talk about the lunch provided at my school.
3. Jeongeun : Are you a student?
4. Jeongeun : If you are a student, does your school provide meals?
5. Jeongeun : Is the food you have in your school good?
6. Jeongeun : The meals provided at my school are becoming less and less delicious.
7. Jeongeun : When I first entered high school, I thought the school lunch was the most delicious food in the whole world, but now it's not good any more.
8. Jeongeun : They don't provide a variety of food and the same kind of meals are coming out repetitively, so the students are complaining a lot about this.
9. Jeongeun : We sometimes make an objection or complaint but there is no change coming out of it.
10. Jeongeun : But in my opinion, since we are at an age when we grow up a lot and use our brains most, we need to eat well and consume a variety of food for good nutrition.
11. Jeongeun : As a result, some of my friends don't eat the school lunch and just bring their own lunch, and some others just go out to eat, and I even have friends who would sometimes order food to school.
12. Jeongeun : Looking at these friends often makes me think that it may be better for me to get permission from my homeroom teacher to go out and eat outside.
13. Jeongeun : Recently, since I need to study a lot more than when I was in my 1st or 2nd year in high school, I often want something to eat when I feel stressful.
14. Jeongeun : So I often go to the store inside my school.
15. Jeongeun : Because the school lunch is terrible and I'm eating a lot of bread at the store , I keep feeling hungry and gaining weight, and somehow feel more tired too.
16. Jeongeun : I guess it is true that Korean people get their strength from rice.
17. Jeongeun : How is the food provided at schools in your country?
18. Jeongeun : If you are a student right now, are you satisfied with your school lunch?
19. Jeongeun : If you are not a student right now, how was your school lunch when you were in school?
20. Jeongeun : Everyone, don't skip meals and please have your meals at the right time!
21. Jeongeun : I will see you next time. Thank you.

[해설 대본] - The following is the complete transcript of the lesson commentary of this audio blog.

(미현) 안녕하세요, 현우 씨.
(현우) 안녕하세요, 미현 씨?
(미현) 네. 일주일 동안 잘 지내셨어요?
(현우) 네. 정말 잘 지냈어요.
(미현) 뭐 하고 지내셨어요?
(현우) 저는 맨날 맨날, 코리안 클래스 레슨 만들고, 공부하고, 어... 사람들 만나고, 바쁘게 지냈어요. 미현 씨는요?
(미현) 저요? 저도... 학교에서 한국어 가르치고, 맛있는 거 사 먹고, 술도 마시고, 하하하.
(현우) 술도! 그런데 정은이는 고등학생이잖아요. (네) 그래서 학교에 하루 종일 있어야 하는데, (음...) 학교에 맛있는 게 별로 없나 봐요.
(미현) 네, 나가면 안 되요? 나가서 사 먹으면...
(현우) 그렇죠? 제 생각도 그런데, 정은이 학교에서, 그리고 일반적으로 한국의 고등학교에서 점심을 어떻게 먹는지 한번 들어 볼까요?
(미현) 네! 오늘의 확인 문제는 뭐예요?
(현우) 오늘의 확인 문제! 오늘의 확인 문제는, 정은이가 있잖아요, 학교에서 나오는 급식이 정말 맛이 없을 때가 있대요.
(미현) 아, 그래요?
(현우) 네... 그럴 때가 가는 곳이 있어요.
(미현) 집에 가요?
(현우) 아니요! 하하.
(미현) 아닌가?
(현우) 미현 씨는 고등학교 때 학교에서 나오는 밥이 맛이 없으면 집에 갔어요?
(미현) 아... 안타깝게도, 제가 고등학교 다닐 때는, 급식 제도가 없었어요.
(현우) 아, 정말요?
(미현) 네.
(현우) 생각해 보니까, 저도 그랬던 것 같아요. (네) 급식이 없었죠.
(미현) 그래서 정은이가 어떻게 급식을 먹고, 또 급식 맛이 어떤지, 빨리 한번 들어 보고 싶네요.
(현우) 네. 저도 궁금해요. (네) 한번 들어 봅시다. 여러분, 정은이가 급식이 맛이 없을 때, 학교에서 나오는 밥이 맛이 없을 때, 어디를 가는지, 한번 집중해서 들어 보세요!
(미현) 잘 들어 보세요!

[정은이의 오디오 블로그]

(현우) 미현 씨, 잘 들어 보셨어요?
(미현) 네. 잘 들었어요. 여러분도 잘 들었어요?
(현우) "네!" 하하하. 목소리가 들리는 것 같아요.
(미현) 네, 그쵸? 급식이 맛이 없을 때, 정은이가 어디에 가는지 다들 잘 들으셨나요? 어디예요?
(현우) 매점에 간다고 했죠.
(미현) 네, 맞아요. 매점이에요.
(현우) 정은이가 요즘에는 공부를 더 해야 하니까, 스트레스가 쌓일 때, 먹을 것을 많이 찾게 되는데, 그래서 학교 매점을 자주 간다고 했어요.
(미현) 네, 그래요.
(현우) 근데 미현 씨! (네) 그... 미현 씨가 고등학교 다닐 때 이야기 좀 해 주세요. 급식이 없었다고 했죠?
(미현) 네, 제가 고등학교 다닐 때는, 학교 급식이 없었어요. 그래서... 엄마가 아침에 도시락을 싸 주시면, 학교에 가지고 가서, 점심 시간에 먹고 그랬어요.
(현우) 네. 그런데, 제 친구들 중에는, 점심 시간에 먹는 게 아니라, 하하, 수업 시간에 먹는 사람도 있던데.
(미현) 네, 저도 알아요. 저도 해 봤어요?
(현우) 진짜요?
(미현) 네.
(현우) 저는, 중학교, 고등학교, 계속 도시락을 싸서 다녔는데, (네) 수업 시간에 밥 먹어 본 적은 한 번도 없어요.
(미현) 아우... 그건 좀 심했다. (진짜요?) 저는 그래도 반반이거든요.
(현우) 반반이요?
(미현) 예. 반반... 그러니까...
(현우) 네, 뭐가 반이고 뭐가 반이에요?
(미현) 하하. 쉬는 시간에 먹은 적 반, (네) 점심 시간에 먹은 거 반, 해서... (반반) 반반. 이럴 때도 있고, 저럴 때도 있고.
(현우) 아... 그렇구나! (네) 저는 워낙에 착한 학생이라서... (저런!) 점심 시간이 되지 않으면, 밥을 안 먹었어요.
(미현) 글쎄요. 그게 착해서 그런 걸까요? 소심? (소심?) 아닌가요? 하하하.
(현우) 넘어 갑시다! (소심 같은데?) 오늘 정은이가, 매점 이야기를 해 줬는데, (네) 어... 저희 학교 다닐 때는 급식이 없었지만, 매점은 있었어요.
(미현) 네.
(현우) 매점, 너무 중요하죠?
(미현) 저희 때도, 예, 있었어요. 매점. 현우 씨 고등학교에서는... 매점에서 뭐 팔았어요?
(현우) 매점에서요?
(미현) 네.
(현우) 어... 주로... 빵, 우유, 아이스크림, 콜라, 사이다, 이렇게 팔았죠.
(미현) 그런 것 밖에 안 팔았어요?
(현우) 예, 그런 것 밖에 안 팔... 아! 컵라면!
(미현) 컵라면... (예) 아, 그런 건 기본이죠! 하하.
(현우) 네? 기본이에요?
(미현) 네! 제가 다니던 고등학교에서는, 떡볶이, 도너츠, 우동! 이런 것들도 팔았었거든요.
(현우) 우와... 무슨, 고속도로 휴게소 같아요!
(미현) 하하하. 네, 그래요. 그래서 쉬는 시간에, 그 10분을 이용해서, (네) 막 뛰어 가서, (우와) 떡볶이 한 그릇 먹고, (네) 올라와서 다시 공부하고, 그랬었죠.
(현우) 쉬는 시간이 몇 분?
(미현) 10분!
(현우) 10분 안에 모든 것을!
(미현) 해결하죠.
(현우) 우와 (네) 대단해요.
(미현) 옛날 이야기예요.
(현우) 그래서 (그리워요), 그래서 오늘날의 미현 씨가 있는 거군요.
(미현) 무슨 뜻이에요?
(현우) 네? 아... 열심히 (네) 공부도 하시고,(네) 밥도 맛있게 먹고 (네) 그래서 이렇게 똑똑한 (어휴) 미현 선생님이 (네) 계시는구나 (고맙습니다), 그런 뜻이지요.

(미현) 네...
(현우) 그럼 오늘도 정말 재미있는 이야기를 잘 들어 봤는데, (음) 여러분은 어떻게 들으셨는지 코멘트 남겨 주세요.
(미현) 꼭 남겨 주세요.
(현우) 네, 그럼 여러분, 다음 주에 봐요!
(미현) 안녕히 계세요!

CULTURAL INSIGHT

10년 전까지만 해도, 한국에는 학교에서 '급식(school lunch/supper)'을 제공하는 곳이 많지 않았습니다. 대부분의 학생들이 '도시락(lucn box)'을 가지고 학교에 갔죠. 그래서 아침마다 엄마들은 학교에 다니는 아들, 딸의 도시락을 준비하기에 바빴습니다. 하지만 요즘에는 도시에 있는 학교들은 대부분 '급식'을 제공하는데, 어떤 의미에서는 편리하지만 어떤 의미에서는 문제도 많이 있습니다. 하지만 많은 학교들이 이런 문제들(위생 문제, 영양 문제, 가격 문제)을 해결하기 위해서 노력하고 있기 때문에, 한국의 급식 상황은 앞으로 점점 더 좋아질 것으로 보입니다.

DIALOGUE - KOREAN

MAIN

1. Jeongeun : 안녕하세요, 여러분. 오정은입니다.
2. Jeongeun : 저는 얼마 전에 친구와 옷을 사러 동대문이라는 곳에 갔습니다.
3. Jeongeun : 동대문은 사람들이 옷이나 신발 등을 많이 사러 가는 곳이에요.
4. Jeongeun : 그리고 동대문은 우리나라 보물 1호랍니다.
5. Jeongeun : 얼마 전에 남대문이 불에 타서 없어져 안타깝지만, 동대문은 남대문과 비슷한 모양으로 되어 있답니다.
6. Jeongeun : 그 날, 동대문에 가려고 집 앞에서 친구와 버스를 탔습니다.
7. Jeongeun : 버스 안에서 친구와 웃고 떠들면서 동대문으로 가고 있었죠.
8. Jeongeun : 웃고 떠들다 보니 어느새 버스가 동대문에 도착해서, 저희는 허겁지겁 버스에서 내렸습니다.
9. Jeongeun : 버스에서 내려서 옷을 파는 건물에 들어갔어요.
10. Jeongeun : 들어가서 옷 구경을 한참 동안 하다가 마음에 드는 옷을 발견했습니다.
11. Jeongeun : 그래서 옷 치수를 말하고, 입어 보고 마음에도 들고 괜찮아서, 돈을 내려고 가방에서 지갑을 꺼내려는데, 분명히 가방에 있어야 할 지갑이 없는 거예요.
12. Jeongeun : 그래서 가방 안을 다시 한 번 천천히 다 꺼내서 찾아 봤는데, 그래도 지갑은 없었어요.
13. Jeongeun : 그래서 친구와 왔던 길을 다시 가면서 지갑을 찾아다녔습니다.
14. Jeongeun : 그렇게 친구랑 한 시간 반 정도를 지갑을 찾으러 다녔지만, 지갑은 어디에서도 찾을 수 없었답니다.
15. Jeongeun : 저희는 할 수 없이 다시 집으로 돌아가는 버스를 탔습니다.
16. Jeongeun : 버스를 타고 한참 집에 가고 있는데, 친구가 자기 가방을 열고는 놀래는 거예요.
17. Jeongeun : 친구가 놀랬던 이유는 친구 가방에 제 지갑이 들어있었기 때문입니다!
18. Jeongeun : 지갑을 찾았다는 것은 기뻤는데, 순간 너무 황당한 기분이 들더군요.
19. Jeongeun : 친구한테 잠깐 제 지갑을 들고 있으라고 했는데, 친구는 지갑을 떨어뜨리고 싶지 않아서 가방에 잠깐 넣어둔 것이고, 두 사람 다 까맣게 잊고 있었던 거죠.
20. Jeongeun : 아휴... 옷도 못 사고, 고생만 하다가 집으로 돌아왔지만, 지갑이 없어지지 않아서 정말 다행이에요.
21. Jeongeun : 여러분도 이런 경험 한 적 있으세요?
22. Jeongeun : 그럼 다음 시간에 만나요. 감사합니다.

4. Jeongeun : And Dongdaemun is Korea's first national treasure.
5. Jeongeun : Recently, it was sad that Namdaemun was set on fire and now it is gone, but Dongdaemun is similar in shape as Namdaemun.

[해설 대본] - The following is the complete transcript of the lesson commentary of this audio blog.

(현우) 안녕하세요, 미현 씨.
(미현) 안녕하세요, 현우 씨.
(현우) 반갑습니다.
(미현) 네, 반갑습니다.
(현우) 네, 지난 일주일동안 잘 지내셨죠?
(미현) 네, 잘 지냈어요.
(현우) 요즘에 날씨가 정말 좋은 것 같아요.
(미현) 이제 거의 여름인 것 같아요.
(현우) 그렇죠. (네) 날씨도 정말 더워지고 있고, (네) 이럴 때는 옷을 좀 사야죠. 여름 옷으로.
(미현) 그렇지 않아도, 제가, 이번 주에, 쇼핑을 좀 하려고 해요.
(현우) 아, 정말요?
(미현) 네.
(현우) 미현 씨는, 비싼 백화점에서 옷을 사세요? 아니면 동대문 같은 곳에서 옷을 사세요?
(미현) 저는 동대문도 가끔 가구요, (네) 쇼핑 몰...? 인터넷 쇼핑몰도 이용을 하구요.
(현우) 아, 그렇구나. (네) 저는 인터넷 쇼핑 몰에서 옷을 사 본 적이 한 번도 없어요.
(미현) 한 번도 없어요?
(현우) 옷을 입어 보고 사고 싶어서...
(미현) 아... 저도 치마나 바지는 인터넷 쇼핑몰에서 사지 않구요, (네) 직접 가서 사는 편이에요. (아...) 입어 보고 사야지, 맞지 않으면 되게 불편하거든요.
(현우) 그렇죠, (네) 그런데 만약에, (네) 동대문에 가실려면, (네) 오늘 정은이가 동대문 이야기를 해 주는데, 이 오디오 블로그를 듣고 가는 건 어떨까요?
(미현) 아, 그래요? 그럼 빨리 들어 볼까요?
(현우) 아, 그 전에, 우리 확인 문제 봐야죠?
(미현) 아, 맞아요. 오늘의 확인 문제는, 여러분, 잘 들어 보세요! 정은이가 동대문에 가다가, 무언가를 잃어버렸어요. 무언가, 정은이 물건이 없어졌어요. (네) 굉장히 중요한 무언가가. (네) 무엇이 없어졌는지, 무엇을 잃어버렸는지 (네) 한번 주의해서, 잘 들어 보세요!
(현우) 잘 들어 보세요!
(미현) 네!

[정은이의 오디오 블로그]

(현우)
(미현) 아... 정은이가, 지갑을 잃어버렸네요!
(현우) 네... 지갑을 잃어버렸죠?
(미현) 네.
(현우) 오늘 확인 문제의 정답은 지갑!
(미현) 지갑을 잃어버렸어요. 정은이가 동대문 시장에서 옷 치수를 말하고, 입어 보고, 마음에도 들고 괜찮아서, 돈을 내려고 가방에서 지갑을 꺼내려는데, 분명히 가방에 있어야 할 지갑이 없는 거예요... 다시 찾아 봐도 없었어요. 그럼 어디 있었을까요? 지갑은?
(현우) 예, 친구 가방 속에 들어 있었다고 했죠?
(미현) 네... 맞아요.
(현우) 이럴 때 정말 황당하겠어요.
(미현) 진짜!
(현우) 미현 씨는 이런 경우 있어요? 뭔가 없어졌는데, (네) 친구 가방에 있거나 아니면 내 가방 안에 있거나, 이럴 때.
(미현) 저는 이거보다 더 황당한 경험이 있어요.
(현우) 뭔데요?
(미현) 하하하. 제가 지갑을 계속 찾았거든요.
(현우) 네.
(미현) 지갑을 가지고 나가서 물건을 사야했는데 (네) 지갑이 없는 거예요! (네) 계속 찾았어요. (네) 나중에... 결국엔 발견했죠!
(현우) 어디서요?
(미현) 제가... 계속 찾았거든요? (네) 결국 어디에 있었는지 아세요?
(현우) 어디 있었어요?
(미현) 아... 그게 좀... 황당한데요.
(현우) 네.
(미현) 그... 겨드랑이에 이렇게 끼고 있었어요.
(현우) 진짜요?
(미현) 네! 보이지 않는 거예요. (네) 보이지... 그냥 어디 있어? 어디 있어? 계속 찾았는데... 아, 제가 그... 지갑을 발견하고는 정말! 그... 정은이처럼, 정말 황당했어요!
(현우) 하하하.
(미현) 아... 건망증이 진짜 심하죠?
(현우) 정은이보다 훨씬 심한데요?
(미현) 네, 정은이는 아직 고3이니까!
(현우) 네... (하하하) 저는 지금까지 태어나서 지갑을 잃어버린 적이 한 번도 없는데, (네) 핸드폰은 한 번 잃어버린 적인 있어요.
(미현) 아, 왜요?
(현우) 핸드폰을, 통화하다가, (네) 계단에 앉아서 통화를 하고 있었거든요? (네) 밖에서? 통화를 하고, 잠깐 계단에 내려놓고, 수업을 들어갔어요. (네) 세 시간 뒤에 찾으러 가니까 (네) 계단 위에 그대로 있는 거예요! (아...) 운이 좋았죠!
(미현) 글쎄요... 사람들이 보고, 별로... 좋은 핸드폰이 아니구나! 이러면서 안 가져간 거 아니에요?
(현우) 아... 아무튼! (하하하하) 괜히 얘기했다!
(미현) 네... 괜찮아요.
(현우) 네, 이 뒤로 정은이가, (네) 다시 동대문에 가서 옷을 샀을까요?
(미현) 글쎄요?
(현우) 다시 시간 있을 때 동대문에 가서 예쁜 옷을 샀으면 좋겠네요.
(미현) 네.
(현우) 그러면, 우리 다음 주에 정은이가 또 무슨 이야기를 해 줄지 기다리면서, 다음 주까지 작별인사를 할까요?
(미현) 여러분, 일주일 동안 한국어 공부 열심히 하세요!
(현우) 네, 알겠습니다!
(미현) 하하하.
(현우) 여러분 열심히 하세요!

(미현) 안녕히 계세요!
(현우) 안녕히 계세요!

CULTURAL INSIGHT

동대문은 오래 전부터, 옷, 신발, 악세사리(장신구) 등 패션 상품을 싼 값에 살 수 있는 것으로 유명한 지역입니다. 예전에는 길가에서 옷 등을 살 수 있는 , '노점'들이 대부분이었고, '동대문 운동장(Dongdaemun Stadium)' 근처에 이러한 노점들이 모두 위치해 있었지만, 지금은 노점보다는 백화점처럼 큰 패션 쇼핑몰을 찾는 사람들이 더 많아졌습니다. 보통 백화점과 비교했을 때 30%~40%의 가격에, 비슷한 디자인의 옷을 살 수 있기 때문에 젊은 사람들이 많이 찾고 있습니다. 하지만 백화점에서 파는 옷만큼 품질은 좋지 않기 때문에, 여전히 백화점에서 사는 물건과 동대문에서 사는 물건을 구분해서 쇼핑하는 사람들도 많이 있습니다.

DIALOGUE - KOREAN

MAIN

1. 안녕하세요, 여러분. 오정은입니다.
2. 여러분도 아시다시피, 저는 고등학교 졸업반이에요. 그래서 얼마 전에 졸업사진을 찍었답니다.
3. 개인 사진은, 학교 교실에서 마치 증명사진을 찍는 것처럼 찍었는데요,
4. 사진을 찍기 전에, 저와 제 친구들은 아침부터 분주하게 움직였습니다.
5. 화장도 하고 머리에 파마도 하거나, 생머리처럼 곱게 매직기로 펴고 오는 친구들도 있었어요.
6. 물론 저도 그 중 한 명이었는데요, 딱 한 번 찍는 졸업사진이니까 예쁘게 나오고 싶은 욕심이 있는 것 당연하겠죠?
7. 학교에 가니, 친구들은 어제의 고3의 모습은 온데간데 없고, 모두 정말 못 알아 볼 정도로 정말 예쁘게 꾸미고 나와서 거울을 보고 있더라구요.
8. 졸업 사진을 찍는다고 하니 이렇게 달라진 친구들의 모습에 깜짝 놀랐어요.
9. 그리고 나서 야외 사진을 찍으려고 어린이 대공원에 갔습니다.
10. 어린이 대공원은 학생들이 그림을 그리거나 글을 쓰러 잘 가는 곳입니다 .
11. 어린이 대공원에서 반 단체 사진을 찍으려고 최대한 예쁘게 포즈을 잡고 있었지만 햇빛이 너무 강해서 그만 눈을 감고 찍어 버리고 말았습니다.
12. 그래도 저만 눈을 감은 것이 아니라 눈을 감고 찍은 친구들이 많이 있어서 다행이라고 생각해요.
13. 사진을 찍고 나서, 오랜만에 친구들과 함께 공원 안을 돌아다니고, 김밥도 먹으면서 놀았더니 정말 피곤해서, 그날은 아주 일찍 잠들었습니다.
14. 졸업 사진이 예쁘게 나왔으면 좋겠네요!
15. 여러분은 사진 찍는 것을 좋아하세요? 아니, 찍히는 것을 좋아하세요?
16. 그럼 다음 시간에 봐요. 안녕!

ENGLISH

1. Hello, everyone. This is Jeongeun.

2. As you know, I am a senior high school student. So I took graduation photos a few days ago. The individual photos were taken in the classroom as if we were taking ID photos. Before we took this photo, my friends and I were moving around like busy bees since the morning.

3. Some of my friends put on makeup and curled their hair or some others straightened their hair with a straightening machine. And of course I was one of them, and since it was a once-in-a-life-time photograph, and I think it's natural to want it to come out pretty, isn't it?

4. When I went to school, all my friends didn't look like senior highschool students at all and all looked so different, almost to the point where I couldn't recognize them. They were so prettily dressed up and looking at their mirrors. I was surprised to see my friends looking so different because of the graduation photo.

5. After that, we went to Children's Park to take some outdoor photos. Children's Park is a place that students often go to draw pictures or to write.

6. I was pose nicely to take a class photo in the Park but the sun was shining too brightly that I closed my eyes and had my picture taken. I'm relieved that there were many other friends who had the picture taken with their eyes closed as well, so it wasn't only me who closed my eyes.

7. After taking photos, I hung out with my friends in the park. It had been so long since I last did that. And we ate gimbap and had a lot of fun, so I got so tired that I felt asleep very early that day. I hope that the graduation photos will come out nicely!

8. Do you like to take photos? Or do you like having your pictures taken ?

9. Thank you for listening. Talk to you next time!

(현우) 아, 졸업 사진이요?
(미현) 네.
(현우) 졸업 사진이 뭐예요?
(미현) 졸업 사진은... 졸업 앨범 있죠? (네) 졸업 앨범에 들어가는 사진을 찍는 거예요.
(현우) 그렇죠. 졸업 앨범에는 개인 사진, 혼자서 찍는 사진 하나 들어가고,
(미현) 음... 단체 사진 하나 들어가구요.
(현우) 다 같이 찍은 거?
(미현) 네.
(현우) 음... 그래요. 그러면, (네) 정은이에게 무슨 일이 있었는지 한 번 들어 볼까요?
(미현) 듣기 전에, 확인 문제!
(현우) 네. 오늘의 확인 문제는 뭐죠, 미현 씨?
(미현) 네, 정은이가 사진을 어디에서 찍었나요? 여러분 잘 들어 보세요!
(현우) 그냥 사진관 아니에요?
(미현) 아니에요! 학교... 졸업 사진이잖아요?
(현우) 아, 뭔가 다르군요?
(미현) 네.
(현우) 한 번 들어 봅시다.
(미현) 들어 보세요.
(현우) 네!

[정은이의 오디오 블로그]

(현우) 아... 사진관에 가서 찍은 게 아니었구나!
(미현) 그렇죠! 어디에서 찍었어요?
(현우) 어... 개인 사진은 학교 교실에서 마치 증명 사진을 찍는 것처럼 찍었대요.
(미현) 네.
(현우) 그리고 단체 사진은 어린이 대공원에 가서 찍었다는대요?
(미현) 아, 그랬구나!
(현우) 네.
(미현) 그런데 왜 어린이 대공원에서 찍었어요?
(현우) 모르겠어요. 하하하.
(미현) 네, 그 이유는 여기 나오지 않았네요.
(현우) 네, 정은이한테 코멘트로 물어 보세요.
(미현) 진짜. 왜 거기 가서 찍었을까요?
(현우) 아마, 학교 소풍 날이 아니었을까요?
(미현) 맞아요. 보통 졸업 사진은 5월에 찍는데요, (네) 5월에 공원에 가면 꽃도 많이 피어있고, 날씨도 좋으니까요, (아하) 그래서 소풍도 갈 겸, 사진도 찍을 겸, 공원에 가는 것 같아요.
(현우) 아... 겸사겸사!
(미현) 네, 겸사겸사!
(현우) 그런데 오늘 정은이가 어린이 대공원에 가서 되게 재미있었던 것 같아요. (네) 뭐, 사진도 찍고, 사진 찍은 다음에, 친구들하고 김밥도 먹으면서 놀았다고 하고 있죠.
(미현) 네, 근데 너무 재미있는 게 있어요.
(현우) 아, 뭔데요?
(미현) 어, 사진을 찍기 전에 친구들하고 정은이는 분주하게 움직였다고 했잖아요?
(현우) 네.
(미현) 화장도 하고, 머리에 파마도 하고, 매직기로 머리를 곱게 펴고!
(현우) 매직기가 뭐예요?
(미현) 매직기는 ... (네) 이렇게... 기계인데요. 하하하. 그러니까, 머리를 펴 주는 기계예요. (아, 머리를) 뜨거운 열로 머리를 곱게 (스트레이트로?) 네! 곱슬 머리이면 좀 부시시하고 예쁘지 않잖아요? (네) 근데 매직기로 눌러서 펴 주면 되게 예쁜 생머리가 되요.
(현우) 아, (네) 미현 씨도 매직기 있어요?
(미현) 전 없어요.
(현우) 그렇군요. (네) 다 있는 건 아니군요.
(미현) 있는 사람도 있고, 없는 사람도 있구요. 귀찮아요.
(현우) 아하... 하하하. 귀찮아요?
(미현) 네.
(현우) 중요한 포인트! 귀찮아요!
(미현) 귀찮아요! 지금 졸업 사진을 찍기 때문에, 이렇게 한 번! 정말... 몇 년만에 한 번 하는 걸 거예요!
(현우) 아, 그렇군요!
(미현) 네.
(현우) 오늘 이야기도 너무 재밌었는데 (네) 아, 이 이야기 들으니까 막 공원 같은 데 가고 싶지 않아요?
(미현) 네... 그래요! 내일 가야지! 하하하.
(현우) 네, 재미있게 놀다 오세요!
(미현) 네!
(현우) 그러면, 여러분, 여러분도 일주일 재미있게 보내시고, 다음 주에 우리는 다시 찾아 오겠습니다.
(미현) 네, 시간 있으면 공원에도 한 번 갔다 오세요!
(현우) 네, 그리고 혹시 사진 찍으시면, 코리안클래스 포럼에 오셔서 올려 주시는 건 어떨까요?
(미현) 아, 그렇게도 할 수 있어요?
(현우) 물론이죠!
(미현) 예, 저도 여러분 사진 보고 싶어요!
(현우) 네, 저도 보고 싶어요. 우리 집 근처에는 이런 공원이 있어요 라고 올려 주시면 정말 좋을 것 같아요. (네) 그러면 여러분 다음 주에 뵙겠습니다.

(미현) 다음 주에 만나요.
(현우) 안녕

CULTURAL INSIGHT

한국에서는 1학기가 3월에 시작되고 2학기가 9월에 시작됩니다. 그리고 졸업식은 다음 해의 2월에 있는데, 졸업식을 하기 한참 전에 졸업 사진이 담긴 앨범이 준비됩니다. 졸업 사진은 보통 5월에 찍는데, 꼭 5월에 찍어야 할 이유가 있는 것은 아닙니다. 하지만 5월은 겨울이나 여름보다 날씨가 좋고, 마찬가지로 날씨가 좋은 9월에니 10월에 사진을 찍기에는, 고3들이 시험 준비로 너무 바빠지기 때문입니다.

7. 친구들을 아침 일찍 만나서 그런지, 아니면 생일이라서 그런지, 친구들이 장난을 쳐도 기분은 좋았습니다.

9. 남산에 올라가면 서울 경치를 한 눈에 볼 수 있습니다.

ENGLISH

1. Hello, everyone. This is Jeongeun.

2. This past 18th of May was my birthday. So, in the morning, I had some seaweed soup that my mother made for me. As you're probably well aware of it, in Korea, traditionally, we have seaweed soup for breakfast on birthday.

3. So I ate seaweed soup for breakfast, and met my friends in a very happy mood, and got some birthday presents and a cake. Maybe because I met my friends so early in the morning, or maybe because it was my birthday, I was happy even when my friends were teasing me. And then I met my boyfriend and went up Mt. Nam.

4. If you go up Mt. Nam, you can get a view of the entire landscape of Seoul. My legs were a bit tired because you have to walk a lot to go up there, but I was happy that I could see the great landscape. We came back down from the mountain again in the evening, and when I came down, my friends had prepared a surprise birthday party for me. I got a phone call from my friend and I was so happy when I went to the place where my friends were gathering. I was so moved by my friends who prepared the party. I was really happy because I got some presents and I could also spend meaningful time with the people who are precious to me.

5. More than any present that I got so far, what I was happiest about was the fact that my friends had gathered for me. What was the present that you were happiest about so far? Would you please tell me about it?

6. Then, I will be back next week! Take care!

GRAMMAR

(해설 대본) The following is the complete transcript of the lesson commentary of this audio blog.

(현우) 안녕하세요, 미현 씨.
(미현) 안녕하세요, 현우 씨.
(현우) 미현 씨 정말 오랜만이에요.
(미현) 네, 이게 얼마만이죠?
(현우) 진짜 오랜만인 것 같은데, (네) 사실 일주일만이에요.
(미현) 아, 그래요? 그런데 시간이 정말 일주일보다 길게 느껴졌어요.
(현우) 네, 아, 특별히, 뭐, 저와 녹음을 하고 싶어서라기보다는, 우리 KoreanClass101.com 방송을 듣고 계시는 분들과 빨리 이야기를 하고 싶어서 그랬겠죠?
(미현) 네, (네) 그렇죠.
(현우) 음... 당연히 그렇겠죠? (네) 하하하. 그런데, 미현 씨, 미현 씨는 생일이 언제예요?
(미현) 저는 3월 11일이요. 지났어요.
(현우) 아, 그렇군요.
(미현) 네.
(현우) 저는 안 물어 보세요?
(미현) 아, 현우 씨는 언제예요? 저보다 빨라요?
(현우) 저는... 아니요, 12월 29일이에요.
(미현) 어, 한참 뒤에 있네요? (네) 그럼... 현우 씨가 제 동생?
(현우) 네. 미현 누나!
(미현) 하하하하. 아 잠깐, 괜히... 이야기 했네요? 생일.
(현우) 하하. 아니에요. 그런데 제가 왜 갑자기 미현 씨한테 생일을 물은 줄 아세요?
(미현) 글쎄요? 왜요?
(현우) 모르시겠어요? 왜 물었는지?
(미현) 정은이가 혹시 생일 이야기를 하나요?
(현우) 당연하죠. 정은이가 생일 이야기를 했기 때문에 잠깐 물어 보았는데, 생일이 언제라고 하셨죠, 다시 한 번?
(미현) 3월 11일이요.
(현우) 여러분, 미현 씨 생일, 3월 11일 꼭 기억하시고요.
(미현) 네. 저는 특히... 아, 뭘 좋아하지? 내가?
(현우) 특히? 아 됐습니다. 됐습니다. 하하.
(미현) 아, 네... 말하고 싶은데요?
(현우) 뭘 원하세요, 생일 선물로?
(미현) 아, 네, 아니에요. 사실 아무거나 다 좋아요.
(현우) 네. 앞으로 10개월 남은 미현 씨 생일, 여러분이 기억해 주시면 정말 감사하겠고, 자, 그러면, 이제 정은이의 이야기를 들어볼 시간인데요. 들어 보기 전에 오늘의 확인 문제가 무엇인지 말씀해 주시겠어요, 미현 선생님?
(미현) 아, '선생님'? 하하하.
(현우) 네, 생일이 10개월 남으신 미현 선생님.
(미현) 아... 네! 네, 오늘 확인 문제는요, 생은이가 '생일날 아침에 무엇을 먹었어요?' 이거예요.
(현우) 아, 그렇군요. (네) 하나 밖에 없어요?
(미현) 아니요. 오늘은 하나 더 있습니다. (네) 정은이가 남자친구를 만나서 어디에 갔는데요, 어디에 갔을까요? 생각하면서 들어 보세요.

[정은이의 오디오 블로그]

(미현) 현우 씨는 정은이한테 생일 축하 해 줬어요?
(현우) 물론 해 줬죠! 삼촌인데!
(미현) 아, '삼촌'! (네) 아저씨!
(현우) 예? 아, '삼촌'!
(미현) 삼촌? 삼촌이 아저씨죠. 오빠는 아니잖아요?
(현우) 오빠는 아니지만, 하하하. 이게 중요한 것은 아니고, (네, 아, 네, 미안합니다.) 네, 그런데, 생일 축하는 해 주었는데, 아직 선물은 못 줬어요.
(미현) 음... 정은이가 섭섭해 하겠어요.
(현우) 네, 아직, 벌써 생일이 지났는데도 선물을 못 줘서 미안하지만, 다음 번에 만날 때 주려고요.
(미현) 무슨 선물이요? 준비해 놓은 거 있어요?
(현우) 음... 글쎄요? 정은이한테 한 번 물어 봐야 되겠는데요?
(미현) 그런데 제 생각에는, 생일 선물은 깜짝 놀라게, 미리 이야기하지 않고 주는 것이 좋을 것 같아요.
(현우) 아... 그래서 정은이가, 오늘 이야기에서 친구들이 파티를 깜짝 파티로 해 주어서 더 감동을 받았나 봐요.
(미현) 네, 맞아요. 그게 가장 중요해요.
(현우) 정말요?
(미현) 예, 저도, 예상하지 못 했는데, 친구가 어떤 깜짝 선물이나, 깜짝 파티를 해 주면, 정말 기쁘거든요.
(현우) 우와, 친구들이 깜짝 파티도 많이 해 주고 그래요?
(미현) 많이는 아니구요. 한두 번 있긴 있어요.
(현우) 아, 그래요?
(미현) 네.
(현우) 저는 친구들이 저한테 깜짝 파티를 해 준 적이 한 번도 없었는데. (아...) 미현 씨 다음 번에 깜짝 파티 해 주세요!
(미현) 아... 안 들려요!
(현우) 하하하.
(미현) 귀가 이상해요. 언젠가 해 드릴게요.
(현우) 네, 기다리고 있겠습니다. 매일 매일.
(미현) 앗. 아... 네... 부담은 주지 마시고.
(현우) 네, 네, 그래요. 좋아요. 그러면 우리 확인 문제의 답을 알아 볼까요? 미현 씨, 첫번째 확인 문제의 답은 뭐죠?
(미현) 네, 정은이는, '아침에 엄마가 미역국을 끓여 줘서 먹었습니다.'라고 이야기했어요.
(현우) 아, 그렇죠. (네) 생일날 아침에는 역시 미역국이죠!
(미현) 미역국이죠! 엄마가 미역국 안 끓여 주시면 섭섭하죠!
(현우) 음... 그래요. 그리고, 사실 엄마가 안 끓여 주는 것이 섭섭하기 전에, (네) 엄마들은 반드시 끓어 주실 것 같아요.
(미현) 맞아요.
(현우) 미현 씨는 지금 혼자 사시죠?
(미현) 네.
(현우) 혼자 사실 때, 생일날 아침에 미역국 직접 끓여 드세요?
(미현) 아니요. 끓여 먹지는 않았구요. (네) 요즘은 편의점에 가면, 간편하게 먹을 수 있는 미역국을 팔아요.
(현우) 아... 알아요!
(미현) 아, 알죠? (네) 모 회사에서 나오는 '미역국', 예, 물만 부어서 먹으면 되요. (네) 그래서 그걸 먹었답니다. 혼자.
(현우) 아, 조금 슬퍼요.
(미현) 혼자... 네, 물을 부어서. 하하하.
(현우) 하하. 그런데 저보다는 괜찮아요. (왜요?) 저는 뭐... 그런 인스턴트 미역국조차도 먹지 않는 경우가 많아요.
(미현) 음... 그래도 저는 혼자 꿋꿋히 챙겨 먹어요.
(현우) 네, 아! 멋집니다. 특별한 의미를 자신에게 부여해 주는 것!
(미현) 아, 네, 저는 소중하니까요!
(현우) 하하하하하. (네) 아마, 방금 이 멘트는, (네) 한국에 살고 계시는 분들이라면 (네) 어디선가 TV에서 들은 적이 있을 거예요.
(미현) 음... 그쵸! (네) 제가 처음 이야기한 건 아니에요!
(현우) 네, 그러니까 용서해 드리겠습니다!
(미현) 네!

(현우) 그러면, 두 번째 확인 문제의 답은 뭐죠? 정은이는 남자친구와 함께, 생일날, 도대체 어디에 갔죠?
(미현) 헉, 어디에 갔을까요?
(현우) 네, 어디에 갔다고 했죠?
(미현) 네, 남자친구를 만나서 남산에 올라갔어요.
(현우) 남산은 어디에 있어요?
(미현) 네, 서울에 있죠?!
(현우) 하하하.
(미현) 죄송합니다...
(현우) 네, 괜찮아요. 서울 어디에 있죠?
(미현) 서울... 중심부에 있어요.
(현우) 남산에 가려면, 지하철 역 어디에서 내려야 남산에 갈 수 있죠?
(미현) 아, 사실, 남산에 대중교통을 이용해서 가기에는 좀 힘들어요.
(현우) 그렇죠. 저는 주로 남산에 갈 때, 지하철 3호선 '동대입구' 역에서 내려서 걸어가곤 했어요.
(미현) 아, 그래요?
(현우) 네, 걸어가면 좀 멀긴 한데, 그래도 재미있더라고요.
(미현) 3호선 '동대입구' 역에서요?
(현우) 네, 그러니까 혹시, 서울에 살고 계시는 분들은, 대중교통을 이용해서 남산에 가실 때에는, 3호선 동대입구에 가셔서 한번 찾아가 보세요!
(미현) 네! 저도 한번 그렇게 가 볼게요.
(현우) 남산에 올라가면 서울 경치가 정말 멋지죠?
(미현) 네.... 밤에!
(현우) 밤에! (네!) 맞아요.
(미현) 밤에 가면 특히 예뻐요.
(현우) 낮에는 음... 그냥, 그럭저럭. (네, 그럭저럭) 네, 그냥 서울이 이렇게 생겼구나, 라는 걸 알 수 있어요. (네) 저 앞에 한강이 있고, 저 뒤쪽에 북한산이 있고,
(미현) 아파트도 정말 많이 보이죠?
(현우) 네, 청와대도 보이고. (네) 그런데 밤에 가면, (음) 어디에 뭐가 있는지는 구체적으로 안 보일 수도 있지만, (음) 정말 예뻐요!
(미현) 네! 그리고 특히 남자친구하고 같이 밤에 남산에 가면, 분위기도 좋고, 네... 데이트하기 참 좋아요!
(현우) 네, 좋아요!
(미현) 남자친구가 없는 사람들은! 그냥 친구들하고 가도, 맛있는 것도 먹고, 사진도 찍고, 재밌을 거예요.
(현우) 네, 꼭 한번 가 보시기를 바라고요! (네!) 이 오디오 블로그를 들어 보니까, 정은이가 정말 재미있는 생일을 보낸 것 같아요. 네, 그리고 이번 5월 18일, 2008년 5월 18일은 딱 일요일이었죠. (흐음) 그래서 이렇게 아침 일찍부터, 엄마가 해 주신 미역국을 먹자마자, 친구들을 만나서, 생일 축하를 받을 수 있었던 것 같아요.
(미현) 네, 부러워요!
(현우) 네, 정말 부럽네요.
(미현) 저도 빨리 생일이 돌아왔으면 좋겠어요! 언제...?
(현우) 생일이 돌아오면, (네) 나이가 한 살 더 (헉) 많아지지 않나요?
(미현) 아, 맞다! 그걸 생각 못 했네요?!
(현우) 네. 우리는 생일이 천천히 돌아오기를 바래야 하는 나이가 되어가고 있답니다, 미현 씨.
(미현) 아, 현우 씨하고 저하고 동갑이에요.
(현우) 하하하.
(미현) 여러분 아셨어요? '동갑'이라는 단어 아시죠?
(현우) 네, '나이가 같다'는 뜻이죠? (네) 네, 나이가 같은데 생일이 미현 씨가 10달이나 빨라요!
(미현) 아, 거의 누나나 마찬가지네요?
(현우) 그렇죠!
(미현) 앞으로 누나라고 부르세요!
(현우) 네, 미현 누나! 그러면 오늘은 여기까지 하고, 다음 주에 다시 돌아올까요?
(미현) 그래, 현우 동생아! 하하하하. 이렇게 얘기하진 않지만, 아무튼!
(현우) 우리 녹음 끝나고 봅시다.

(미현) 그래 현우야, 끝내자!
(현우) 하하하하하. 여러분 안녕히 계세요.
(미현) 안녕히 계세요.

CULTURAL INSIGHT

In Korea, seaweed soup is served at breakfast on birthdays as a rule. But in fact, the seaweed soup itself didn't have the meaning of celebrating birthdays. Seaweed contains a lot of good nutrients that are especially good for mothers who have just given birth to a child. The abundant iron that seaweed contains helps preventing anemia in mothers who just gave birth. So this has become a tradition and now people eat seaweed soup on birthdays. But at the same time, seaweed soup is considered ot be a bad choice for breakfast on a test day, because seaweed is very slippery and some Korean people relate this slipperiness to failure in an exam.

DIALOGUE - KOREAN

MAIN

1. 안녕하세요, 여러분. 오정은입니다.
2. 지난 5월 15일은 한국에서는 스승의 날이였습니다.
3. 그래서 반 친구들과 함께, 담임 선생님을 위한 깜짝 파티를 해 주기로 했습니다.
4. 그래서 그 전날, 반 친구들끼리 돈을 걷어서 케익과 풍선, 그리고 꽃을 샀습니다.
5. 그리고 스승의 날 아침에는 평소보다 조금 빨리 등교했습니다.
6. 아침에 선생님이 오시기 전에 파티를 준비하려고, 다른 친구들도 모두 일찍 와서 풍선을 불고 칠판이랑 천장에 풍선을 붙이고, 선생님에게 쓰는 메세지를 칠판에 예쁘게 써 놓고, 교탁에는 케익과 꽃을 올려 놓았습니다.
7. 그리고 교무실에 가서 선생님 자리에 꽃을 놓고, 친구들이 편지를 써 온 것을 선생님 책상에 예쁘게 놓고 교실로 올라왔습니다.
8. 한참을 그렇게 준비를 하고, 몇 명의 친구들이 선생님이 올라오시는지 안 올라오시는지를 보고 있었습니다.
9. 교실에서 저희는 케익을 들고, 초를 꽂고, 불을 끄고 기다리고 있었습니다.
10. 그러다가 밖에서 기다리던 친구들이, 선생님이 오신다고 하면서 안으로 들어왔습니다.
11. 저희는 폭죽을 터뜨릴 준비를 하고, 케익도 들고, 풍선도 손에 들고, 노래를 부를 준비를 하고 있었습니다.
12. 선생님께서 들어오시자, 저희는 모두 함께, '스승의 은혜'라는 노래를 불렀습니다.
13. 노래가 끝나고 선생님께서 촛불을 끄시고, 저희가 폭죽을 터뜨리자, 선생님께서 저희에게 고맙다고, 그리고 울 뻔 했다고 하셨습니다.
14. 저희는 그 말을 듣고 정말 뿌듯했어요.
15. 학창 시절의 마지막 스승의 날이라서 그런지, 조금 씁쓸하기도하고 섭섭하기도 하고 좋기도 했습니다.
16. 그래도 저희는 남은 학교 생활을 재미있게 열심히 하기로 선생님과 약속했습니다.
17. 여러분 나라에서는 스승의 날이 언제인가요?
18. 그리고 스승의 날에는 무엇을 하시나요?
19. 그럼 다음 시간에 봐요.
20. 감사합니다.

ENGLISH

1. Hello everyone. I'm Jeongeun Oh.

2. This past May 15 was Teacher's Day in Korea. So my friends and I, we decided to throw a surprise party for our homeroom teacher. So the day before, we collected some money among classmates and bought some cake, balloons, and flowers. And we went to school a little earlier than usual on Teacher's Day.

3. In order to prepare the party before our teacher comes, all my friends also came to school early, and we blew balloons, stuck the balloons on the blackboard and the ceiling, wrote messages to our teacher on the blackboard in a pretty manner, and put a cake and flowers on the teacher's desk.

4. And we went to the staff room and put flowers at our teacher's seat and neatly put the letters that all of us wrote on her desk and came back to our classroom.

5. We spent quite a long time preparing like that and a few girls were watching if our teacher is coming upstairs or not. In the classroom, we were waiting with the cake with candles on it and with the light off. And then the girls who were waiting outside came in, saying the our teacher was coming.

6. We got ready to shoot the firecrackers, held up the cake, held balloons in our hands, and we prepared to sing. When our teacher came in, we sang the song called 'Teacher's Kindness' all together. When the song was over and our teacher blew off the candles, we shot the firecrackers, and she told us that she appreciated it, and that she almost cried.

7. We were so glad to hear that. Maybe because it was the last Teacher's Day in highschool, I felt a bit bitter and sad but happy too. But we promised to our teacher that we would enjoy the rest of our school life and do our best.

8. When is Teacher's Day in your country? And what do you do on Teacher's Day?

9. Then I'll see you next time. Thank you.

(현우) 안녕하세요, 미현 씨
(미현) 안녕하세요, 현우 씨
(현우) 그리고, 안녕하세요, 여러분. 반갑습니다.
(미현) 반갑습니다.
(현우) 네, 다시 한 번, 금요일이 찾아왔는데, 금요일은 뭐 하는 날이죠?
(미현) 금요일이요? 금요일은 정은이의 오디오 블로그 하는 날이잖아요.
(현우) 네, 맞아요. 그리고 혹시 이 오디오 블로그를 지금 처음 들으시는 분들이 계신다면, 이 오디오 블로그는 고등학교 3학년인 오정은 양, 저의 조카, 정은이가, 고등학교 3학년 생활에 대해서, 그리고 학교가 끝난 다음에 친구들하고, 가족들하고 하는 일들에 대해서 소개를 해 주는 이야기를 해 줘요.
(미현) 네.
(현우) 그리고 미현 씨와 저는 뭘 하죠?
(미현) 오디오 블로그를 들은 다음에 그 내용에 대해서 이야기해요.
(현우) 맞아요. 이야기하고, 정은이 오디오 블로그를 들어 보기 전에 확인 문제를 드리죠.
(미현) 여러분, 우리 오디오 블로그 재미있게 듣고 계세요? 재미있는 해설 많이 많이 기다리고 있으니까요,
(현우) 그러니까 앞으로도 계속 들으면서 열심히 공부해 주세요.
(미현) 그러면 오늘의 주제는 뭐예요, 현우 씨?
(현우) 네, 오늘의 주제는, 얼마 전에 한국에서는 '스승의 날'이 있었어요.
(미현) 네, 맞아요.
(현우) 네, 그런데 미현 씨, '스승'이 뭐예요? 스승은...
(미현) 선생님!
(현우) 선생님이라는 뜻이죠?
(미현) 네.
(현우) 네, 그래서 선생님의 날, 그리고 한국에서는 공식적으로 스승의 날이라고 부르는데, 스승의 날이 있었죠.
(미현) 네.
(현우) 그래서 정은이가 스승의 날에 대해서 이야기를 해 주는데, 정은이의 이야기를 들어 보고, 그 다음에 미현 씨도 (네) 학교에서 수업을 하시는 선생님이니까 (네) 미현 씨의 스승의 날은 어땠는지 한 번 들어 보시죠.
(미현) 예, 먼저 정은이 이야기 들어 볼까요?
(현우) 네, 들어 보기 전에, 오늘의 확인 문제를 말씀해 주세요, 미현 씨.
(미현) 네, 한국에서 스승의 날은 몇 월 며칠일까요? 그리고 정은이가 스승의 날, 무슨 노래를 불렀나요?
(현우) 아, 정은이가 스승의 날에 노래도 불렀어요?
(미현) 네, 그럼요! 스승의 날 부르는 노래가 있잖아요?
(현우) 아! 뭔지 알겠어요.
(미현) 한국 사람이라면 다 알죠.
(현우) 네. 그러면 정은이의 이야기를 한 번 들어 보시죠.

[정은이의 오디오 블로그]

(현우) 네, 여러분, 잘 들어 보셨나요? 다들 잘 들어 보셨을 거라고 생각하는데, 미현 선생님, 확인 문제의 답을 말씀해 주시겠어요?
(미현) 네, 어! 선생님이라고 들으니까 기분이 좋네요? 하하.
(현우) 네, 오늘은 특별히, '스승의 날 스페셜' 하하하.
(미현) 하하. 네, 미현 씨 아니고 '미현 선생님'이에요.
(현우) 미현 선생님, 확인 문제 첫 번째의 답은 뭐예요?
(미현) 네, 첫 번째 문제는 '한국에서 스승의 날이 언제인가요?'였지요? 한국에서 스승의 날은 5월 15일이에요.
(현우) 네, 5월 15일, 굉장히 외우기 쉬운 날짜예요.
(미현) 네, 그리고 정은이는 스승의 날, 무슨 노래를 불렀나요?
(현우) 네, 정은이는 교실에서 선생님을 기다리다가 선생님이 들어오시자, 친구들과 다 함께, '스승의 은혜'라는 노래를 불렀대요.
(미현) 네, 맞아요. '스승의 은혜'... 이거 스승의 날 꼭 부르는 노래예요.
(현우) 스승의 날에 꼭 부르고, 스승의 날에만 부르는 노래 같아요.
(미현) 네
(현우) 그런데 정은이는 이렇게 친구들하고 함께 준비를 해서, 케익도 드리고, 풍선도 벽에 붙이고, 노래까지 선생님에게 불러 줬는데 미현 씨는 미현 씨 학교에서, 미현 씨 학생들이 이렇게 감동적인 이벤트를 준비해 준 학생들이 있었나요?
(미현) 우리 학교에서는 이 날, 외국인 축제가 있었어요. (아하) 그래서 밖에서, 뭐, 장기자랑도 보고, 요리 대회도 보면서, 반 학생들하고 놀고 있었는데, 어느 두 학생이 없어진 거예요!
(현우) 네.
(미현) '선생님 저희 화장실 좀 갔다 올게요.'(오호)라고 이야기하고 없어졌어요. (네) 그래서 한참 기다리고 있는데, 헉, 저기 멀리서 큰 꽃바구니를 들고 오는 거예요.
(현우) 꽃바구니를?
(미현) 네. (우와) 꽃다발도 아니고 꽃바구니를!
(현우) 우와.
(미현) 네, 알고 보니까 저 몰래 친구들한테 돈을 걷어서 반장이 꽃바구니를 사 온 거였어요. (우와) 그래서 진짜 저도 울 뻔 했어요.
(현우) 우와 정말 감동하셨겠어요.
(미현) 네, 생각지도 못 했는데, 저를 깜짝 놀라게 해 줬어요.
(현우) 우와, 역시 그럴 때, (네) 가르치는 보람을 느끼시죠?
(미현) 네, 진짜!
(현우) 네. 하하.
(미현) 기대도 못 했는데, 너무 고마웠어요.
(현우) 네, 미현 씨도 정말 감동하셨던 것 같은데, 정은이의 선생님도 (네) 정말 기뻤을 것 같아요.
(미현) 네, 정은이 선생님도, 학생들에게 고맙다고 이야기했구요, 그리고 울 뻔 했다고 하셨네요?
(현우) 아, 우와!
(미현) 저하고 똑같아요.
(현우) 네.
(미현) 현우 씨는 스승의 날에 뭐 했어요?
(현우) 저는 스승의 날에, 어, 사실, 선생님들을 만나 뵙고 싶었지만, 한 분도 못 뵀어요.
(미현) 네, 저두요.
(현우) 네, 그래서 사실은 예전에 저의 선생님이었던 분한테 전화를 했어요.
(미현) 아, 전화하셨어요?
(현우) 네, 전화를 했는데, '고객님의 사정으로 서비스가 정지되었습니다'라고 하시는 거예요!
(미현) 하하. 네.
(현우) 그래서, 아, 선생님이 외국에 가셨거나 (네) 아니면 핸드폰 번호를 바꾸셨나, 생각하면서, 연락은 결국 못 드렸어요.
(미현) 이메일이라도 보내지 그랬어요?
(현우) 네, 그런데... 음... 못 보냈네요. 선생님 죄송합니다!
(미현) 현우 씨는 스승의 날에 아무것도 못 했으니까, 우리 한국에서는 스승의 날, 꼭 부르는 노래가 있잖아요. 스승의 은혜.
(현우) 네. 맞아요. 스승의 은혜라는 노래를 정은이도 선생님에게 불러 줬죠.

(미현) 네, 찾아뵙지 못 하고, 또 연락도 못 드렸으니까, 자, 이 자리를 빌어서, 스승의 은혜라는 노래를 불러 보는 거 어때요? 제가 현우 씨한테 시켜 보겠습니다. 여러분! 하하. 들어 볼까요?
(현우) 아! 네? 진짜 노래를 해야 돼요?
(미현) 그렇죠! 아휴, 죄송합니다. 여기 반주는 없는데, (네) 피아노도 없고, 기타도 없어서, 그냥 혼자 부르세요.
(현우) 네 좋아요. 부를게요. 대신에 미현 씨도 같이 불러 주세요.
(미현) 왜요? 저는 선생님인데요.
(현우) 그래도 미현 씨도, 선생님들 생각하면서.
(미현) 맞아요. 저도 옛날 선생님들이 있죠...
(현우) 네. 옛날 선생님들을 생각하면서 (맞아요) 같이 노래를 불러 볼까요?
(미현) 네.
(현우) 시작!

----------♬ 스승의 은혜 ♬----------

스승의 은혜는 하늘 같아서
우러러 볼 수록 높아만지네
참 되거라, 바르거라 가르쳐 주신
스승은 마음의 어버이시다
아아아 고마워라 스승의 사랑
아아아 보답하리 스승의 은혜

(미현) 하하하. 드디어 끝났어요! 드디어!
(현우) 네, 여러분 잘 들으셨죠?
(미현) 저희, 연습도 없이 한 번에 이렇게 다 불렀어요.
(현우) 그렇죠. 절대 연습 안 했어요.
(미현) 네, 절대!
(현우) 네, 잘 들으셨길 바라고요. PDF를 보시면 저희가 방금 부른 스승의 은혜라는 노래의 가사가 들어 있습니다. 한 번 확인해 보시고, 여러분도 연습해 보세요.
(미현) 저희 부르는 거 따라서 부르세요.
(현우) 네, 그리고, 만약에 내년에도 KoreanClass101.com의 방송을 듣고 계시면 내년 스승의 날에 저희한테 이 노래를 불러 주시면 얼마나 감사할지 , 아, 정말 기대가 됩니다.
(미현) 네, 진짜 좋은 생각이에요! 저 내년 5월 15일까지 계속 기다리고 있을게요!
(현우) 네, 저도 기다리고 있겠습니다.
(미현) 네, 열심히 연습하세요!
(현우) 네, 여러분 그러면 저희는 다음 주에 다시 돌아오겠습니다.
(미현) 네, 여러분 오늘 수고하셨고요. 다음 주에 봐요.
(현우) 안녕히 계세요.
(미현) 안녕히 계세요.

CULTURAL INSIGHT

한국에서는 스승의 날에 주로 선생님 가슴에 카네이션을 달아 드리는 것 외에도, 꽃다발과 선물을 드리는 경우가 많습니다. 스승의 날 아침에는 수업을 다 하지 않고 학생들과 선생님이 편하게 이야기할 수 있는 시간을 갖는 학교도 있고, 수업을 쉬는 학교도 있어요.

ENGLISH

1. Hello, everyone. This is Jeongeun.

2. Do you know what a jjimjilbang is? Yesterday, I went to a placed called 'jjimjilbang' with my friend. Jjimjilbang is very popular in Korea. It is similar to a sauna. You can go there to sweat and get some rest from fatigue, and some women go there in order to lose weight.

3. My friend and I went to the jjimjilbang and we paid the fee, and we received clothes to change into and went into the women's compartment. In a jjimjilbang, the bath area is divided so that women go to the ladies' compartment and men go to the men's compartment. After changing clothes, we came down to the place where we could enjoy a sauna. Jjimjil areas are open for both men and women to enjoy a sauna together.

4. Usually if you go to a jjimjilbang, there are about 3 rooms where you can have a sauna, and there's a place where they sell beverages and food, and there's a place where you can play video games and watch movies. You can watch movies for free and the movies are played according to the hourly schedule, and you can play video games after putting in some money.

5. And there is also a fitness center where you can exercise, but I don't really like exercising so I don't really go to fitness center. And in a corner there is a massage chair. My friend and I put coins into the massage chairs and got a massage, but the machine's massage was so strong that my back felt numb for a while. After that, we went to the salt room to sweat. In the salt room, there is a sand glass with which you can measure the time, and there is some lumps of salt on the floor. After we sweat enough in the salt room, we drank sikhye, and it was really good.

6. After drinking sikhye, we watched a movie and went to the charcoal room to sweat again. The charcoal room is the same as the salt room, but instead of salt lumps, there are charcoals pasted on the surface of the entire ceiling.

7. After we were done with sweating, we went to the women's compartment and took a shower, and we left the jjimjilbang. It had been a while since I went to a jjimjilbang, so I felt very good because I could rest a lot, and I felt refreshed and pleasantly tired, so I came back home and went to bed early.

8. As far as I know, I heard that jjimjilbangs are only in Korea, but by any chance, are there jjimjibangs in your country too? If you are living in Korea, when you are tired from work or studying, how about trying going to a jjimjilbang?

9. See you next time. Thank you.

GRAMMAR

The following is the complete transcript of the lesson commentary of this audio blog.

(현우) 안녕하세요, 미현 씨.
(미현) 안녕하세요, 현우 씨. 에... 오늘 녹음실이 왜 이렇게 더워요?
(현우) 죄송합니다. 다음 주에는 정말 시원하게 만들어 놓을게요.
(미현) 네, 찜질방 같아요, 지금!
(현우) 찜질방 같죠?
(미현) 땀을 막 흘리고 있어요!
(현우) 네, 그래서, 오늘의 주제도 찜질방이에요.
(미현) 그래요?
(현우) 예, 그래서 제가 일부러 (네) 일부러 이렇게 덥게 만들었죠.
(미현) 하하하. 아휴, 그러지 않아도 되는데, 굳이 이렇게...
(현우) 하하하. 네, 오늘은 정은이가 (네) 찜질방에 갔다 온 이야기를 해 주고 있는데, (네) 우리, 이 방송을 듣고 계시는 여러분이 찜질방이 무엇인지 아실까요?
(미현) 글쎄요.
(현우) 여러분, 찜질방이 뭔지 아세요?
(미현) 아세요?
(현우) 아세요? 아세요? 아마 한국 문화에 관심이 많으신 분들은 찜질방을 알고 계실 거예요.
(미현) 네, 그리고 한국에 와 보신 분, 찜질방에 가 보셨을 것 같아요.
(현우) 그렇죠. 워낙 유명하고 (네) 인기가 있으니까 (네) 한국 친구가 '우리 찜질방 가자'해서 (네) 같이 갔을 수도 있을 것 같아요.
(미현) 예, 제 친구, 제 외국 친구가 한국에 왔을 때도 저는 찜질방에 꼭 데려 갔어요.
(현우) 아, 진짜요?
(미현) 네.
(현우) 우와, 저도 이제 제 친구들이 한국에 오면 (네) 찜질방에 같이 가야겠어요.
(미현) 예, 다들 좋아하더라고요.
(현우) 아, 그렇군요. 그러면, 정은이는 찜질방에 가서 무엇을 했는지, 들어 볼까요?
(미현) 네.
(현우) 그런데 그 전에,
(미현) 확인 문제!
(현우) 확인 문제. 하하.
(미현) 확인 문제가 있죠?
(현우) 네!
(미현) 정은이가 찜질방에서 땀을 빼고, 뭘 먹었죠?
(현우) 아, 저는 알 것 같아요.
(미현) 저도 알 것 같은데요? (네) 제가 좋아하는 거! 하하하.
(현우) 네, 저도 정말 좋아하는데.
(미현) 네, 그리고 특히 찜질방에서 먹으면 제 맛이에요.
(현우) 누구 맛이요?
(미현) 제 맛. 아주 맛있다는 뜻이죠.
(현우) 그렇죠. 하하. 들어 볼까요?

[정은이의 오디오 블로그]

(현우) 아, 역시. 제가 생각했던대로예요.
(미현) 네, 저도요. 하하하.
(현우) 네, 정은이는 찜질방에서 땀을 많이 빼고 난 다음에 식혜를 마셨죠?
(미현) 네, 식혜예요.
(현우) 식혜.
(미현) 식혜.
(현우) 식, 혜.
(미현) 식, 혜인데, 발음할 때 아무도 그렇게 얘기 안 해요. 식, 켸. 하하하.
(현우) 식혜.
(미현) 식혜.
(현우) 어, 식혜 이러니까, (네) 이상해요.
(미현) CK? CK? CK?
(현우) 하하. 식혜를 먹으니까 정말 시원했다고 했는데, (네) 식혜가 뭐죠?
(미현) 식혜는, 쌀로 만든 한쿡의... '한쿡'? 하하하. 저 '미쿡'에서 왔어요. 하하. 네, 쌀로 만든 한국의 전통 음료라고 할 수 있죠.
(현우) 그렇죠.
(미현) 여러분 드셔 보셨나요?
(현우) 아마 드셔 보신 분들도 있을 것 같아요.
(미현) 이렇게 캔 음료로 많이 팔거든요. (네) 외국에서도 사먹을 수 있어요.
(현우) 아, 그렇군요. (네) 식혜는 그런데, 원래는 따뜻하게 만들지만 (네) 냉장고에 넣어서 시원하게 만들잖아요.
(미현) 그럼요.
(현우) 시원하기 때문에 (네) 찜질방에서 땀을 많이 뺀 다음에, '아, 더워. 더워.'하면서 식혜를 딱 마시면? 진짜 행복하죠?
(미현) 네, 하하. 지금 상상을 했더니, 네.
(현우) 그렇죠. 상상만 해도 시원하죠?
(미현) 저기 여기 찜질방인데 식혜는 준비해 놓으셨겠죠?
(현우) 아... 저 밖에 준비해 놨습니다.
(미현) 아, 네. 이따가 주세요.
(현우) 네! 하하. 그런데 보통 찜질방은 얼마예요?
(미현) 네, 찜질방마다 조금씩 다른데요, (네) 제가 자주 가는 찜질방은 보통 만원이에요. (만원?) 네, 그런데, 낮에 가면 8000원이요.
(현우) 음... 밤에 가면 10000원이죠?
(미현) 네.
(현우) 그리고 찜질방의 좋은 좀 또 한 가지! 24시간 오픈! (네) 그게 정말 좋은 것 같아요.
(미현) 맞아요.
(현우) 그래서 저도 저번에, 작년에, 신촌에 갔어요. (네) 제가 사는 곳에서 신촌까지 30분. 지하철로 30분이 걸려요. (네) 그런데, 지하철이 끊길 때까지, 마지막 지하철이 다 끝날 때까지 (네) 친구들하고 같이 있었어요. (네) 그래서 택시를 타고 집에 오면 (네) 만원 정도 들어요. 그런데 친구들하고 더 놀고 싶잖아요?
(미현) 네. 그럼요.
(현우) 그래서 택시를 타고 집에 올 그 돈으로 (네) 찜질방에 갔어요.
(미현) 아니 근데 그렇게 늦게까지 뭐 하셨어요?
(현우) 음, 뭐... 같이 공부도 하고...
(미현) 공부...를?
(현우) 예... 뭐...
(미현) 좀 이상한데요?
(현우) 예, 술을 마시고 있었죠.
(미현) 네, 솔직하게 얘기하셔야죠.
(현우) 네, 신촌에 정말 좋은 바나 술집이 많이 있는데, 분위기 좋은 곳들이 많아요. 그래서 작년에 찜질방에 갔었는데 (네) 정말 좋았어요.
(미현) 찜질방도 많아요, 신촌에?
(현우) 어... 그렇게 많지는 않은데, (네) 다른 곳보다는 적어요. 그런데 있기는 있어요.

(미현) 있기는 있어요?
(현우) 네. 여러분도 만약에 한국에 오셔서 잘 곳이 없다, (네) 네, 물론 저희 집에 오셔도 되지만, 저희 집에 오기 싫으시면 (네) 찜질방에 가세요.
(미현) 진짜 좋은 생각이에요.
(현우) 그렇죠?
(미현) 네, 그런데, 술 먹고 가지는 마세요. 사실 술 먹고 찜질방에 가면 위험할 수도 있어요.
(현우) 맞아요. 찜질방이 사우나 같은 곳이니까 술을 많이 마시면 (네), 음, 그 다음에 이렇게, 혈압, (그렇죠) 혈압이 올라가죠.
(미현) 건강에도 좋지 않아요.
(현우) 그러니까 조심하시고, (네) 그냥, 낮에 친구들하고 (네) 갔다 오는 것은 정말 좋답니다. 여러분 혹시 최근에 찜질방에 가 보신 분이 계시면, 저희한테 알려 주세요.
(미현) 네, 코멘트 꼭 남겨 주세요.
(현우) 네, 어디가 좋은지도 알려 주세요.
(미현) 네.
(현우) 그리고 얼마인지, 싼 곳 있으면 알려 주세요.
(미현) 네, 싸고 좋은 곳. 저도 갈 거예요. 나중에 찜질방에서 한 번 만날까요? 단체.. 모임... 하하.
(현우) 하하하. 잘 다녀오세요.
(미현) 아, 같이 갑시다.
(현우) 하하. 무서워.
(미현) 무서워요? 하하. 제가 뭘...
(현우) 그러면 다음 시간에 만납시다.
(미현) 네, 안녕히 계세요.
(현우) 안녕히 계세요.

CULTURAL INSIGHT

땀을 빼다 means literally to get a lot of sweat out or to sweat a lot (usually in saunas), and Korean people think of it as a way to get the bad stuff out of their bodies and make the body refreshed and clean.

DIALOGUE - KOREAN

MAIN

1. 안녕하세요, 여러분. 오정은입니다.
2. 여러분은 학교 다닐 때, 수업 시간에 항상 집중을 해서 공부를 하셨나요?
3. 혹시 졸거나 잠이 든 적도 있으세요?
4. 저희는 학교 등교 시간이 아침 7시반이기 때문에, 새벽에 일어나서 학교에 갈 준비를 해야 합니다.
5. 학교 등교 시간이 너무 빠르기 때문에, 아침에 밥도 못 먹고 거의 학교 매점에 가서 빵을 먹을 때도 많습니다.
6. 아침 일찍 일어나서 학교에 왔기 때문에 너무 졸려서 1교시부터 졸고 있는 친구들도 많이 있어요.
7. 물론 저도 가끔 졸아요.
8. 그런데 가끔씩 수업 시간에 책상에 엎드려서 자는 친구들도 종종 있는데요, 수업시간에 이렇게 학생들이 잠을 자면, 선생님들 중에는 깨워서 수업을 받으라고 하는 선생님도 있고, 그냥 잠을 자게 놓아 두는 선생님들도 있어요.
9. 책상에 엎드려서 자고 나면 목과 허리가 조금 아프지만, 이렇게 자고 일어나면 나중에 잠이 안 와서, 오히려 수업을 더 잘 들을 수 있을 때가 많습니다.
10. 저는 고3이라서, 수업은 별로 하지 않고 문제집을 푸는 시간이 거의 대부분입니다.
11. 이러한 자습 시간이 주어지면, 학생들은 문제집을 풀거나 영어 단어를 외우거나, MP3로 노래를 듣거나, 인터넷 강의를 보기도 합니다.
12. 선생님들은, 저희가 노래를 들으면서 공부를 하면 집중이 잘 안 되고 산만해진다면서 되도록 노래를 못 듣게 하시지만, 저희는 긴 시간 이어지는 공부가 지루하기 때문에 노래를 들으면서 조금이라도 더 재미있게 공부를 하려고 노력하는 거죠.
13. 여러분은 노래를 들으면서 공부해 본 적이 있으세요?
14. 그리고 여러분은 요즘 무슨 공부를 하고 있으세요?
15. 그럼 다음 시간에 다시 만나요.
16. 안녕히 계세요.

ENGLISH

1. Hello, everyone. This is Jeongeun.

2. When you were in school, did you always concentrate on your studying? Or were there times when you somtimes dozed off or fell asleep?

3. We have to go to school by 7:30, so we have to get up really early in the morning and get ready to go to school. Since I have to go to school so early, I usually can't eat breakfast in the morning and just go the store in the school and eat some bread.

4. Since we got up and came to school so early in the morning, I find my of my friends dozing even during the first class of the day. Of course I sometimes doze too. But sometimes I see some friends who lie prone on the desk during the class, and when students sleep like this during the class, some teachers wake them up so that they can take the class and some other students just let them sleep.

5. After sleeping on the desk for a while, your neck and back hurt a little, but after getting some sleep like this, you don't feel sleepy anymore, so, on the contrary, more often than not, you can even do better in classes. Since I'm in my last year in highschool, I don't have many classes going on but I just spend most of the time on studying with exercise books. When given this kind of self-study time, students work on their exercise books, memorize English words, listen to the music with their MP3 players or watch Internet lessons.

6. My teachers think that we cannot concentrate and will get distracted if we study while listening to the music, and they try to keep us from doing so as much as possible, but we are trying to make studying less boring by listening to the music because we study for such a prolonged period of time.

7. Have you ever studied while listening to the music? And what are you studying these days?

8. Then I'll see you next time. Bye.

GRAMMAR

[해설 대본] - The following is the complete transcript of the lesson commentary of this audio blog.

(미현) 안녕하세요, 현우 씨. 현우 씨!
(현우) 네?
(미현) 아니, 말을 하세요, 말을!
(현우) 네, 안녕하세요.
(미현) 아휴, 왜 그러세요?
(현우) 졸려서... 하하하. 안녕하세요, 여러분. 선현우입니다.
(미현) 네, 아까부터 계속 졸더니... 인사할 때도! 아휴!
(현우) 아니에요, 아니에요. 오늘의 컨셉! (컨셉...) 네, 오늘의 주제가 (네) 어... 정은이가 오늘 학교에서 (네) 조는 이야기를 해 주고 있어요.
(미현) 아, 그래요? 현우 씨도 많이 졸았어요?
(현우) 저는 고등학교 다닐 때 거의... 하루에 한 시간씩 (네) 수업 시간에 잤어요.
(미현) 헉? 공부는 언제 해요? 하하하.
(현우) 나머지, 나머지 수업 시간에.
(미현) 아... 꼭 집에 가서 혼자 공부하는 친구들이 있더라고요.
(현우) 아... 학교에는 맨날 잠만 자고, 나 공부 안 했어, 공부 안 했어 하면서, 집에 가서 열심히 공부해서 (그렇죠) 시험 1등 하는 친구?
(미현) 네... 바로 그 사람이 제 앞에 있네요. 그런 사람이. 음...
(현우) 그렇군요. 하하. 과연 정은이는 저처럼 수업 시간에 많이 조는 학생인지 아니면 정말 피곤할 때 (네) 가끔씩 조는 그런 착한 학생인지 (네, 가끔은 괜찮아요) 네, 한번 들어 봐야 할 것 같아요.
(미현) 네.
(현우) 그런데 들어 보기 전에, 확인 문제! 네, 오늘의 확인 문제는 뭐예요?
(미현) 네, 정은이는 공부가 지루할 때, 어떻게 하나요?
(현우) 아하! 간단하죠!
(미현) 어떻게?
(현우) 공부 안 하면 되죠!
(미현) 하긴... 지루하면 그냥 안 하는 게...
(현우) 하하하. 그런데 정은이는 (네) 고등학생이고 (네) 해야 될 공부가 많잖아요. 그래서 지루해도 공부를 해야 돼요.
(미현) 네, 그래서 어떤 방법을 사용해서?
(현우) 네, 방법! 어떤 방법이 좋을지 (네) 정은이의 한번, 조언을, 어드바이스를 한번, 들어 볼까요?
(미현) 네!

[정은이의 오디오 블로그]

(현우) 미현 씨.
(미현) 네!
(현우) 어떻게 생각하세요? 이 방법 어때요?
(미현) 네, 괜찮은 것 같아요.
(현우) 무슨 방법을 썼죠, 정은이는?
(미현) 네, 노래를 들으면서, 조금이라도 더 재미있게 공부를 하려고 노력을 해요.
(현우) 아하.
(미현) 네.
(현우) 그러면 노래가 재미있는 노래여야 하겠네요?
(미현) 그렇죠, 좀 신나는 노래?
(현우) 아하...
(미현) 아마도 그럴 것 같아요. (댄스 뮤직?) 네, 지루하니까, 그런 지루한 분위기, 지루한 느낌을 없애 주는, 그런 신나는 노래가 좋을 것 같은데요?
(현우) 그런데 (네) 저는 노래 들으면서 공부를 못 해요.
(미현) 사실 저도 그래요.
(현우) 네... 노래를 들으면 (네) 노래만 듣고 있어요.
(미현) 저도 노래를 들으면 집중이 안 되고, 잠만 와요. 하하하하. 그래서 잘 안 돼요. 사실.
(현우) 그런데 정은이는 (네) 노래를 들으면서 공부를 정말 잘 하는 것 같아요.
(미현) 네, 대단한데요?
(현우) 대단한데요, 정말? 그만큼 집중력이 센가 봐요.
(미현) 네, 집중력이 뛰어난 것 같아요.
(현우) 네, 훌륭한 학생입니다.
(미현) 네.
(현우) 미현 씨는 지루할 때 어떻게 공부를 하셨어요, 고등학교 때?
(미현) 저는 지루하면 그냥 안 했어요. 하하하.
(현우) 음... 저도... 하하하. 그랬었는데, (예) 해야만 할 때?
(미현) 음... 해야만 할 때는, 정말 집중을 해서, (오호) 짧은 시간 확! 공부를 하고, 또 놀 때는 놀고! (아하) 저는 집중력이 그래도... 쫌 뛰어난 학생이었죠?
(현우) 그렇군요! 믿을게요, 믿을게요!
(미현) 아니! 잘 들어 보세요.
(현우) 네. 하하
(미현) 계속 책상 앞에 앉아 있는다고 해서, 시간을 많이 들인다고 해서, 공부를 잘 하는 건 아닌 것 같아요.
(현우) 음... 그건 확실히 맞아요!
(미현) 네, 집중이 좀 중요하죠! 집중을 하는 것!
(현우) 네, 집중! (네) 이 오디오 블로그 들을 때, 집중하세요 집중! (집중하세요!) 예, 집중! (네) 아... 좋아요! 그래서 저희 오디오 블로그가 그렇기 길지 않잖아요.
(미현) 네.
(현우) 여러분이 집중할 수 있게! 짧고 굵게!
(미현) 하하. 짧고 굵게?
(현우) 네. 짧고 굵게, 집중해서! 좋죠?
(미현) 재미있게!
(현우) 재미있게, 재미있는 건 당연하죠?
(미현) 아, 당연하고, (네) 거기에 플러스 (네) 짧고 굵게! 동의하시나요, 여러분? 하하하.
(현우) 동의하신다면 코멘트 남겨 주시고요, (네) 오늘은 정은이에게 고등학교에서 (네) 수업 시간에 너무 피곤해서 조는, 가끔씩 자는 이야기를 들었는데 (네) 한국의 고등학교 학생들이 항상 수업 시간에 잠만 자는 것은 아니에요.
(미현) 네, 얼마나 열심히 공부하는데요!
(현우) 네... 학교에 있는 시간이 길기 때문에 (네) 아침 7시부터 밤 10시까지 있는 경우도 있기 때문에 (맞아요) 안 졸 수가 없어요!
(미현) 학원도 (네) 가지 않나요? 10시에 학교 끝나고 새벽까지 학원에서 공부하는 학생들도 있어요.
(현우) 네, 그래서, 안 졸면 그게 이상해요.

(미현) 아... 불쌍해요!
(현우) 미현 씨도 다 하셨잖아요?
(미현) 저는... 네, 그런데 좋았던 기억들만 생각나고...
(현우) 네, 저도 그래요. 저도 이렇게 다 했지만, 좋았던 기억들만 남아 있는 것 같아요.
(미현) 네.
(현우) 네, 오늘은 정말 옛날 생각을 해 보면서 오디오 블로그를 마치겠군요.
(미현) 네. 저도 이렇게 공부했다는 게 믿기지가 않아요.
(현우) 하하하. 저는 믿습니다. 다음 주에도 와서 같이 공부 가르쳐 주실 거죠?
(미현) 네. 그래요!
(현우) 네. 그러면 다음 주에 뵐게요!
(미현) 수고하셨습니다!
(현우) 네, 수고하셨습니다.
(미현) 네.

CULTURAL INSIGHT

중학교보다는 고등학교에서 수업 시간에 조는 학생들을 많이 볼 수가 있습니다. 학교에 있는 시간이 아주 길기 때문이지요. 집에서 충분히 잠을 잘 수 없는 학생들은 수업 시간에 조는 경우가 많은데, 선생님들도 이것을 잘 알기 때문에 그냥 학생들이 잠을 자도록 놓아 두는 경우도 많습니다.

1. 안녕하세요, 여러분. 오정은입니다.
2. 저는 어제 친구들과 함께 생과일 전문점에 다녀왔습니다.
3. 생과일 전문점은 과일로 만든 음식을 파는 곳입니다.
4. 대부분의 다른 식당에 들어가면 종업원이 와서 주문을 받지만, 생과일 전문점은 손님이 직접 카운터에 가서 주문을 하고 돈을 미리 내는, 셀프 서비스 형식입니다.
5. 메뉴판이 따로 있는 것이 아니라, 테이블에 깔려 있는 유리판 밑에 메뉴가 들어가 있습니다.
6. 생과일 전문점에서 파는 음식에는 여러 가지 종류가 있는데, 과일빙수, 케이크, 음료수, 아이스크림 등 정말 많이 있어요.
7. 저와 제 친구는 어제 레몬에이드와 과일 빙수를 시켜서 먹었습니다.

18. 이야기를 하면서 소화가 다 되나 봐요.
19. 여러분 집 근처에는 이렇게 예쁘게 꾸며져 있는, 애인이나 친구와 오랫동안 이야기를 하기 좋은 가게들이 많이 있나요?

21. 그리고 한국에 오시면, 생과일 전문점에 꼭! 가 보세요!
22. 그럼 다음 시간에 만나요.

23. 감사합니다.

ENGLISH

1. Hello, everyone. This is Jeongeun.

2. Yesterday I went to a fresh fruit cafe with my friends. A fresh fruit cafe is where they sell food made with fruits. When you go to most other restaurants, waiters come and take your order, but these fruit cafes have a self-service system, so customers have to go to the counter themselves and make an order and pay in advance.

3. They don't have separate menu boards but have their menus printed and put under the glass cover on top of the tables. In fresh fruit cafes they sell a wide variety of dishes, such as fruit ice flakes, cakes, beverages and ice creams. My friend and I ordered lemonade and fruit ice flakes yesterday.

4. If you go to the counter and make an order and pay money, they give you a receipt. On the receipt a number is written, and when the food is ready, they call out your number. Then you can go to the counter and get the food.

5. After we ordered and paid, we waited for a while in our seats, and then our food was finally ready. A good thing about fresh fruit cafes is that if you order something, it always comes with toasted bread and fresh cream. On top of that, you can ask for more bread and fresh cream infinitely.

6. And in fresh fruit cafes, the chairs are a lot of fun. They have rocking chairs and swing chairs, so you can have a lot of fun just by sitting there. And the interior design is pretty too so a lot of couples and girl students go there.

7. When I go to a fresh fruit cafe with my friends, we sit down there for a long time and talk about a lot of things, so there are times when we become hungry again even after eating all the food that we ordered so we order a cake again. I guess we just digest everything while talking.

8. In your neighborhood, are there some stores that have pretty decorations like this and are good for talking with your girlfriend or boyfriend or friends for a long time? Would you tell me about it? And if you come to Korea, please make sure you try going to a fresh fruit cafe!

9. Then I'll see you next time. Thank you.

(현우) 안녕하세요 미현 씨.
(미현) 안녕하세요 현우 씨.
(현우) 오랜만이에요.
(미현) 네.
(현우) 그동안 잘 지내셨죠?
(미현) 저는 뭐... 그럭저럭 잘 지냈습니다.
(현우) 그럭저럭?
(미현) 네.
(현우) 아... 왜요?
(미현) 그냥, 뭐... 특별한 재밌는 일은 없었지만, 잘 지냈다구요.
(현우) 아... 저는 그럭저럭이라고 하셔서 (네) 아, 요즘에 날씨가 더워서 그런가 했어요.
(미현) 아, 아니에요.
(현우) 괜찮아요?
(미현) 네.
(현우) 그런데, 혹시 날씨가 더우면 (네) 오늘 정은이가 이야기 해 주는 생과일 전문점에 가 보면 좋을 것 같아요.
(미현) 생과일 전문점이요?
(현우) 네, 혹시 생과일 전문점에 가 본 적 있으세요?
(미현) 흠.. 과일을 파는 곳이에요?
(현우) 어... 이름을 보면 (네) 그래야 하는데 (네) 사실 조금 다른 것 같아요.
(미현) 전 잘 모르겠는데요.
(현우) 그래요?
(미현) 네.
(현우) 그러면 정은이의 이야기를 빨리 들어 봐야겠어요.
(미현) 네, 들어 보고 나서 다시 얘기할까요?
(현우) 네. 그런데 들어 보기 전에, 오늘의 확인 문제는 뭐죠?
(미현) 확인 문제는... 정은이가 어제 친구하고 무엇을 먹었을까요?
(현우) 네, 여러분. 정은이가 생과일 전문점에 가서 무엇을 시켰는지,
(미현) 무엇을 주문했는지,
(현우) 잘 들어 보세요.
(미현) 들어 보세요.

[정은이의 오디오 블로그]

(현우) 미현 씨, (아하) 이제 생과일 전문점이 어딘지 아시겠죠?
(미현) 과일만 파는 곳이 아니군요?
(현우) 네.
(미현) 어제 정은이는 친구하고 레몬에이드하고 과일 빙수를 시켜서 먹었습니다.
(현우) 네. 그렇죠?
(미현) 네.
(현우) 그러면, 과일 빙수는 생과일이 아니죠?
(미현) 그렇죠?
(현우) 네, 그래서 저는 생과일 전문점에 가서 사실 생과일보다는 (음) 다른 것을 더 많이 먹거나 마시는 것 같아요.
(미현) 네. 아, 저는 커피숍에서 주로 과일 빙수를 먹었었어요.
(현우) 진짜요?
(미현) 생과일 전문점에는 한 번도 안 가 봤어요.
(현우) 진짜로 안 가 봤어요?
(미현) 네.
(현우) (이렇)게, 그네 달린 의자 있고, 흔들의자 있고, 한 번도 안 가 봤어요?
(미현) 아, 거기가 생과일 전문점인... 하하하.
(현우) 그렇죠, 지금. 가 봤는데도 잘 모를 정도로... 그렇지만 공식적인 이름은 생과일 전문점이라는 거! 그런데 미현 씨가 갔는데도 몰랐잖아요?
(미현) 네.
(현우) 갔을 때 어땠어요? 마음에 들었어요?
(미현) 글쎄요, 의자... 의자가 참 특이했어요. 그네 의자가 있어서요. (네) 사람들이 이렇게 흔들흔들 하고 있었어요.
(현우) 흔들흔들.
(미현) 네, 흔들흔들 (앞으로 뒤로) 앞으로 뒤로...
(현우) 네.
(미현) 그래서 우리도, 친구하고, 아, 저기 앉아 보자!
(현우) 네.
(미현) 앉았는데, 조금 후회했었죠.
(현우) 왜요? 왜 후회하셨어요?
(미현) 아니, 그냥 보기에는 재미있을 것 같았는데 (네) 막상 앉아 보니까, 어지러웠어요. 그리고 바닥도 딱딱해서 (네) 저 같은 이런... 나이가 많은 사람에게는 좀... 하하. 불편한 자리였어요.
(현우) 아... 그래요? (네) 아... 그렇군요.
(미현) 네. 정은이보다 쫌 많죠? 나이가 많죠? 하하.
(현우) 이쯤 되면, 미현 씨 나이가 어느 정도 되는지 우리 듣고 계신 분들도 아실 것 같은데,
(미현) 모르실 거예요. (네) 목소리를 들어서는 어디... 아시겠나요?
(현우) 넘어갑시다. 하하. 그런데 한 가지 재미있는 이야기가 있었어요.
(미현) 네.
(현우) 이... 식당이나 카페는 돈을 낸 만큼 음식이 나오죠?
(미현) 네.
(현우) 돈을 안 내면 음식이 안 나오죠?
(미현) 네, 아! 그래도 김치는... 김치나 반찬은 계속 리필 해 주곤 해요.
(현우) 그렇죠. 리필!
(미현) 리필!
(현우) 다른 나라에도 리필 문화가 있을까요?
(미현) 글쎄요... 없을 것 같아요.
(현우) 별로 없겠죠.
(미현) 네.
(현우) 커피는 ... 리필 해 줄 수 있겠는데, (네) 잘 없는 것 같아요. 그렇죠?
(미현) 네.
(현우) 그런데, 이 생과일 전문점은 빵과 생크림을 무한 리필!
(미현) 헉. 무한 리필...!

(현우) 무한 리필이 무슨 뜻이에요?
(미현) 그냥 먹을 수 있을 때까지 계속 계속 주는 거예요.
(현우) 아... 근데 이 무한 리필이라는 단어 웃기지 않아요?
(미현) 재미있어요.
(현우) 무한은 한자어.
(미현) 음, 한자어!
(현우) 리필은?
(미현) 영어!
(현우) 영어.
(미현) 무한 리필...
(현우) 네. 무한 리필.
(미현) 재미있어요.
(현우) 네.
(미현) 아, 현우 씨, 그런데요.
(현우) 네.
(미현) 현우 씨 사는 곳 근처에는, 이렇게 애인이나 친구와 오랫동안 이야기를 하기 좋은 가게들이 있나요?
(현우) 어... 저는 대학교 근처에 살기 때문에 (네) 정말 많이 있는데 (네) 시끄럽고, 그런 곳들도 많아요.
(미현) 네...
(현우) 그래서 저희 집 근처에도 생과일 전문점이 있거든요.
(미현) 네.
(현우) 그래서 예전에는 가끔 갔었어요.
(미현) 음... 요새는 안 가요?
(현우) 요즘에는... 네, 바빠서 못 가고 있어요.
(미현) 아... 공부하느라 바쁘시죠?
(현우) 네... 제가 나중에 소개해 드릴 테니까 (네) 혼자 가서,
(미현) 하하하.
(현우) 생과일, 과일 빙수, 케이크, 음료수, 아이스크림 다 드세요.
(미현) 돈 주세요!
(현우) 네, 드릴게요.
(미현) 그러면 혼자 갈게요.
(현우) 네, 그럼 잘 다녀 오시고, (네..) 다음 주에 꼭 오세요.
(미현) 네...! 화 났어요. 하하하. (현우) 네. (미현) 네.
(현우) 그러면 다음 주에도 꼭 오셔야 되요!
(미현) 네...
(현우) 네... 하하. 수고하셨습니다.
(미현) 안녕히 계세요, 여러분, 다음에 봐요!
(현우) 네!

CULTURAL INSIGHT

'생과일 전문점'은 몇 년 전에 가장 인기가 많았고, 지금은 스타벅스나 커피빈 등과 같은 커피숍들이 많아지면서 인기가 줄어들었습니다. 하지만 천정에 매달려 있는 그네의자나 앞뒤로 움직일 수 있는 흔들의자를 좋아하는 사람들이 있어서 여전히 생과일 전문점을 여기저기에서 쉽게 찾을 수 있습니다.

7. 친구와 영화표를 끊고 보니, 영화가 시작하기까지 시간이 좀 남아서 영화관 아래에 있는 테크노 마트에 가서 구경을 하기로 했습니다.

ENGLISH

1. Hello, everyone. This is Jeongeun.

2. I recently went to a cinema called CGV with a friend. CGV is the most famous movie theater in Korea, and it has a lot of regular customers. So there is at least one CGV theater in each region of Korea.

3. Inside the movie theater is very big and the lighting is blue but a little dark. There are places where they sell popcorn and drinks, and on the screen over the ticket counters, the type of movies and the hours are displayed.

4. We bought our movie tickets and we still had some time left before the movie was to start, so we decided to go and have a look around Techno Mart which is right below the movie theater. Techno Mart is in an area called Gangbyeon in Seoul, and is a place where they sell electronic products, and it is the second-most popular place for shopping for electronic goods after Yongsan.

5. My friend was thinking of changing cellphones, so we looked at some cellphones. There were a variety of pretty phones, but nothing that we really liked. And after a while, it was time that the movie was to start, so we went into the theater.

6. Inside the movie theatre, the ceiling is very high, the chair red, and there's a screen in front. It's a really comfortable place for watching movies. After watching the movie, we went downstairs and went to a restaurant to eat, and went outside to a place where we could enjoy the night view.

7. The place is made for people to watch the night view, so there were a lot of people taking photos and the flowers and the trees were beautifully decorated. After having a good look around with my friend, I took the subway to go home. And once again I thought that there couldn't be anything as convenient as the subway when you go somewhere in Seoul.

8. There were a lot of people in the subway since it was the weekend, but it was fun and I was very happy to have watched an interesting movie. When did you see a movie recently? If it's been a long time since you've watched a movie, how about going to watch a movie this weekend?

9. Then I'll see you next time! Thank you.

(미현) 현우 씨는 무슨 영화 좋아하세요?
(현우) 저요? 저는 상상력을 키워 주는... 그, 액션도 좋아하지만 액션보다는, 공상 과학 영화, SF 영화 정말 좋아해요.
(미현) 아... 그렇구나.
(현우) 미현 씨는요?
(미현) 저는 사랑 이야기가 있는 로맨스 영화를 좋아해요.
(현우) 로맨스 영화? 낭만적인?
(미현) 네, 잔잔하고, 사랑 이야기가 꼭 있어야 돼요.
(현우) 아, 정말요?
(미현) 네.
(현우) 음~! 저도 그런 영화 좋아하는데, 어... 그래도 조금, 기분 전환... 기분을 바꾸고 싶을 때에는 잘 찾지 않게 되는 것 같아요, 저는.
(미현) 네... 그럼 현우 씨는 보통 어디에 가서 영화를 봐요?
(현우) 어... 저는, 영화관에 갈 때도 있지만, (네) 요즘에는 영화관에 잘 안 가고, DVD를 빌려서 보거나, 컴퓨터로 볼 때도 있구요.
(미현) 아! 왜 그런지 알아요.
(현우) 왜요?
(미현) 같이 갈 여자가 없어서. 하하하.
(현우) 많이 있습니다. 많이 있지만!
(미현) 어? 그래요? 극장에 남자끼리 가면 좀 이상하지 않아요?
(현우) 넘어갑시다, 넘어가고... 오늘은, 하하...
(미현) 왜 이렇게 좋아하시죠?
(현우) 아니에요.
(미현) 하하. 네.
(현우) 정은이가 (네) 극장에 다녀온 것 같아요 (네) 우리가 영화 얘기를 했지만 (네) 정은이가 좀 더 자세히 이야기를 해 줄 수 있을 것 같아요.
(미현) 네, 그래요.
(현우) 네.

(미현) 요즘 영화관 근처에 (네) 쇼핑몰 등등 놀 곳이 많죠?
(현우) 네, 정말 그래요. 그래서 영화관만 있는 게 아니라, (네) 영화관, 무슨... 쇼핑몰, 뭐... (네) 식당... (네) 다 있어요. 그런데 오늘 정은이가 갔다 온 곳도 (네) 그런 곳인 것 같아요.
(미현) 아, 그래요?
(현우) 네, 극장 이름이 뭐죠?
(미현) CGV!
(현우) 하하하. 좋아요. 그러면 (네) 정은이 이야기를 한번 들어 볼까요?
(미현) 네, 들어 보기 전에 확인 문제 먼저 볼까요?
(현우) 네, 오늘의 확인 문제는, 정은이는 영화를 본 다음에 무엇을 했나요? 입니다.
(미현) 네, 여러분. 확인 문제 잘 생각하면서 들어 보세요!
(현우) 네!

[정은이의 오디오 블로그]

(현우) 아, 미현 씨. 잘 들어 보셨어요?
(미현) 네. CGV라는 영화관에 다녀왔군요?
(현우) 네. CGV는 저도 가끔 가는데, (네) 물론 한국에 CGV 말고도 (네) 다른 큰 영화관들이 많이 있어요.
(미현) 많이 있죠...
(현우) 많이 있는데 아마 CGV가 지점이 제일 많은 것 같아요.
(미현) 네, 많이 본 것 같아요.
(현우) 네... 한... 서울에만 해도 10개 넘게 있죠?
(미현) 아, 그렇게 많이 있어요?
(현우) 네, 정말 많이 있어요, 그래서...
(미현) 오... 조사해 보셨나 봐요?
(현우) 어... 조사도 해 봤고 (네) 저도 한 5군데는 가 본 것 같아요.
(미현) 아, 그렇구나.
(현우) 네. 오늘 확인 문제의 답은 뭐예요?
(미현) 네, 답은요... 정은이는 영화를 본 후에, 식당에 가서 밥을 먹고, 밖으로 나가서 야경을 봤습니다.
(현우) 우와. 그런데 (네) 야경은 다른 말로 뭐라고 하죠?
(미현) 밤의 풍경,
(현우) 또는 밤의 경치 (경치, 그렇죠) 예, '야'가 밤을 뜻하죠?
(미현) '경'은 경치.
(현우) 미현 씨 사는 곳은 야경이 어때요?
(미현) 아주 좋습니다. 저는 18층에 살거든요.
(현우) 18층?
(미현) 네.
(현우) 우와... 18층이면, (네) 몇 미터예요? 50미터 되는 거 아니에요?
(미현) 아, 그런가요?
(현우) 우와...
(미현) 예, 아무튼 18층이고 앞에 산도 있고 그래서 야경이 좋습니다.
(현우) 우와...
(미현) 네.
(현우) 제가 사는 곳도 야경이 나쁘진 않아요.
(미현) 네...
(현우) 그런데 18층에서 보이는 야경하고는 (네) 저는 2층에 살거든요 (네) 그래서 많이 다르죠.
(미현) 근데, 요즘에 (네) 높은 아파트가 많이 지어지고 있으니까요 (네) 돈 많이 벌어서 하나 사세요.
(현우) 네, 알겠습니다.
(미현) 집 하나 딱 사서 나중에 살면 되죠.
(현우) 음. 오케이. 앞으로 20년, 10년? 5년! 5년을 목표로 (네) 열심히 하겠습니다.
(미현) 우와... 화이팅! 하하하.
(현우) 그런데 오늘 정은이가 블로그에서 이야기해 준 것들 중에, 재미있는 지명이 나왔어요. '강변'이라는 지명.
(미현) 네, 맞아요.
(현우) 아마 한국에 와서 지하철을 타 보신 분이라면, 2호선을 타고 쭉 가다 보면 (네) 잠실에 가기 전에 강변이 있을 거예요.
(미현) 네, 저도 많이 가 봤어요. (네) 강변...
(현우) 강변이 다른 것은 유명하지 않은데, 테크노마트가 (네) 유명하죠.
(미현) 네, 테크노마트에 가려고 강변에 많이 가죠.
(현우) 네, 옛날에는 터미널이 있어서, 지금도 있지만, 터미널에서 버스를 타려고 가는 사람들이 많았는데 (네) 터미널 옆에 테크노마트가 생겼죠, 11층.
(미현) 한 10여 년 전에 생긴 것 같죠?
(현우) 네, 맞아요. 제가 대학교 들어갔을 때 (네) 테크노마트가 정말 인기가 많았어요. 지금도 인기가 많은데 (네) 그 때는 테크노마트 같은 곳이 별로 없었어요.
(미현) 어, 맞아요.
(현우) 네. 음. 테크노마트, 여러분 한번, 한국에 오시면 (네) 테크노마트에 꼭 가 보세요.

(미현) 네, 전자제품을 한번 사 보세요.
(현우) 네, 전자제품도 좋고, 영화를 보셔도 좋고,
(미현) 네.
(현우) 네. 저도 다음 주 주말에 친구랑 영화를 보기로 했는데 (네) 다른 데가 아니라 테크노마트에 있는 CGV에 한번 가 봐야겠어요. 이 오디오 블로그를 생각하면서.
(미현) 아, 그래요?
(현우) 네.
(미현) 그럼 저도 데리고 가...
(현우) 그거는 (네) 제가 친구한테 한번 물어 볼게요.
(미현) 어휴, 그냥 데리고 가 주시면 안 돼요? 꼭 물어 봐야 되나?
(현우) 하하. 한번 물어 보고 연락 드릴게요.
(미현) 네, 남자예요, 여자예요?
(현우) 남자도 있고 여자도 있어요.
(미현) 아, 네, 꼭 다시 연락해 주세요. 저한테...
(현우) 네, 꼭 연락 드리겠습니다. (미현) 네. (현우) 그러면 다음 주까지 잘 지내시고, (네) 오늘도 수고하셨습니다.
(미현) 네, 현우 씨도 수고하셨고, 여러분도 수고하셨습니다.
(현우) 네, 여러분도 만약에 영화 볼 계획이 있으시면, 어떤 영화를 봤는지 그리고 어땠는지, 코멘트 남겨 주세요.
(미현) 네, 안녕히 계세요.
(현우) 안녕히 계세요.

CULTURAL INSIGHT

CGV는 한국에서 가장 많은 지점을 갖고 있는 영화관 체인 중 하나입니다. 그래서 젊은 사람들 중에서는 거의 모르는 사람이 없지요. 옛날에는 극장들이 '체인' 형태로 되어 있지 않고 모두 독립적으로 영업을 했었는데, CGV가 생기면서 영화관에도 '체인점'이라는 개념이 생기기 시작했습니다. 그래서 서울의 CGV에서 영화를 보면서 만족한 사람은 부산에 가서도 CGV를 가게 되는 것이지요. 요즘에는 특히 신용 카드를 쓰거나 특정 핸드폰 요금 제도를 사용하면 영화를 할인해 주는 서비스가 많아서, 아주 싸게 영화를 볼 수 있습니다.

1. 안녕하세요, 여러분. 오정은입니다.
2. 저는 어제 친구들이랑 명동에 다녀왔습니다.
3. 명동은 외국인들이 한국에 오면 꼭 한 번씩은 가 보는 곳입니다.
4. 명동에는 먹을 것도 많고, 옷과 화장품 등을 파는 가게가 많고, 그 외에도 구경할 것들이 많기 때문입니다.
5. 안 가 본 지도 오래 되기고 했고, 살 것도 있고 해서 친구들과 명동에 갔습니다.
6. 집에서 한 시간 정도 지하철을 타고 명동에 도착했습니다.
7. 명동에는 영화관도 있고, 가끔 야외 공연도 볼 수 있어서 친구들과 가기에 정말 좋아요.
8. 물론, 명동의 이곳저곳을 돌아다니면서 옷 구경을 하는 것도 정말 재미있지요.
9. 항상 사람이 많은 곳이라서, 친구들과 무리를 지어 다닐 수가 없어서 셋으로 나누어 다녔습니다.
10. 옷이 예쁜 것이 있어서 옷가게 안으로 들어갔습니다.
11. 하지만 사람들이 너무 많아서 오랫동안 구경하지도 못하고 옷을 사야 했어요.
12. 옷을 겨우겨우 사고 다시 나와서, 이번에는 신발을 사러 명동에 있는 ABC 마트에 들어갔습니다.
13. 친구와 신발을 사려고 돌아다니는데 마음에 드는 것이 너무 많았습니다.
14. 마음 같아서는 다 사고 싶지만... 너무 비싸서 다 살 수는 없고... 마음에 드는 것을 한 번씩 신어 보고 어울리는지 알아봤습니다.
15. 어떤 것은 맞는 사이즈가 없고, 어떤 것은 예쁘긴 한데 저랑 어울리지 않아서, 결국 저는 신발을 사지 못하고 친구들만 신발을 샀습니다.
16. 한참을 그렇게 구경을 하고, 이것저것 물건을 사고 돌아다니니까 다리도 아프고 배도 고파서 저희는 피자집에 들어갔습니다.
17. 피자도 먹고, 이야기도 하고, 사진도 찍으면서 즐거운 시간을 보냈답니다.
18. 여러분은 친구들과 길거리 쇼핑을 자주 가시나요?
19. 주로 어디로 가서 무엇을 사세요?
20. 이야기해 주세요.
21. 그럼 다음 주에 만나요. 안녕!

ENGLISH

1. Hello, everyone. My name is Jeongeun Oh.

2. I went to Myeongdong with my friends yesterday. Myeongdong is a place that foreigners go to at least once when they come to Korea. It's because there are a lot of things to eat, a lot of shops that sell clothes and cosmetics, and a lot of other things to see there.

3. I went to Myeongdong with my friends since it had been a while and we also had some stuff to buy. It took me an hour to get there by subway.

4. In Myeongdong, there is a movie theater and occasional outdoor performances that you can see, so it's a really good place to go to with friends. Of course, it's also a lot of fun to walk around here and there in Myeongdong and look at some clothes.

5. It's a place that's always crowded, and we couldn't walk around all together so we made two groups of three and hung around. We found some pretty clothes so we went into a clothes shop, but there were too many people so we had to buy clothes without being able to look around for a long time. We managed to buy some clothes and went back outside, this time heading toward ABC Mart in Myeongdong to buy some shoes.

6. My friends and I walked around to buy some shoes but there were so many shoes that we liked. We would have bought them all... but they were too expensive so we couldn't, and just tried some shoes on that we liked to see if we looked good in them. Some shoes of my size were out of stock and some were pretty but didn't suit me, so I ended up not buying any shoes and only my friends did.

7. After looking around and walking around buying this and that for quite some time, we got hungry, so we went into a pizza place. We had a good time eating pizza, talking, and taking some pictures.

8. Do you go street shopping with your friends often? Where do you usually go and what do you buy? Please tell me about it.

9. Then see you next week. Bye!

GRAMMAR

[해설 대본] - The following is the complete transcript of the lesson commentary of this audio blog.

(현우) 안녕하세요, 미현 씨.
(미현) 안녕하세요, 현우 씨.
(현우) 요즘에 날씨 더운데, 어떻게 지내세요?
(미현) 저는 여름을 좋아하거든요.
(현우) 아, 정말요?
(미현) 네. 그래서 재미있게 잘 지내고 있어요. 친구들이랑 밖에 나가서 걸어다니기도 하고, (우와) 아니면, 네, 밖에 옷가게도 많잖아요? (네)
(현우) 옷가게 구경도 하고요.
(미현) 음. 확실히 겨울보다는 여름이 밖에서 돌아다니기에 정말 좋은 것 같아요. (네) 겨울에는 너무 추워서 (맞아요) 막 움츠리게 되고, (네) 건물에 들어가도 바로 따뜻한 게 아니잖아요?
(현우) 네. 귀찮아요.
(미현) 네 귀찮죠.
(현우) 네.
(미현) 그런데 여름이면, (네) 에어컨 틀면 되고, (그럼요) 에어컨이 없으면 선풍기. (네)
(현우) 그리고, 옷을 시원하게 입을 수도 있고. (네) 정말 좋은 것 같아요.
(미현) 네. 아무튼 겨울보다는 여름이 좋아요. (네) 저는.
(현우) 저도 그래요. 그런데 제 주변에 더위를 많이 타서 여름을 정말 싫어하는 사람들이 많아서. (아) 같이 다니면 저는 괜찮은데, 아 더워. 아 더워. 더워
(미현) 하하. 맞아요. (네) 땀도 많이 흘리죠? 그런 사람들은.
(현우) 네. (네) 그런 분들은 (네) 사람들이 많은 곳에 가면 정말 힘들어 하더라고요. (그렇죠) 아, 더워. 더워, 하면서 빨리 집에 가자, 빨리 집에 가자.
(미현) 하하하, 맞아요.
(현우) 그런데 오늘 정은이가 이렇게 사람들이 많은 곳들 중에서도 사람이 가장 많은...
(미현) 그 곳...
(현우) 예, 바로 그 곳...
(미현) 그 곳에 다녀왔습니다.
(현우) 외국인들이 한국에 관광을 오거나 여행을 오면 가이드북에 꼭 써 있는 그 곳...
(미현) 네, 맞아요. 그 곳에 가면 외국 사람들을 정말 많이 볼 수 있어요.
(현우) 그 곳이 이름이 뭐죠?
(미현) 여러분, 어디인지 아시겠어요? 명동입니다. 하하하.
(현우) 네, 명동. 명동은 드라마에도 많이 나오고 영화에도 많이 나와서, 아마 명동의 거리를 보신 분들이 많이 있을 거에요.
(미현) 네, 좀 좁고 사람이 많죠? (네) 그런데 좁은 거리에 많은 가게들이 있잖아요?
(현우) 네, 정말 많아요.
(미현) 그게 명동의 특징이자 매력인 것 같아요.
(현우) 네, 가게도 있지만, 가게가 아닌 가판대에서 (아) 음식을 파시는 분들.
(미현) 네, 맞아요.
(현우) 수레나 이런... 트럭 (트럭), 리어카, 같은 곳에서 음식을 파시는 분들이 정말 많이 있죠? 정말 재미있어요.
(미현) 네, 정말, 명동은 정말, 활기찬 곳이에요.
(현우) 네, 그 활기찬 명동에 가서, 정은이가 친구들과 무엇을 하고 왔는지 한번 이야기를 들어 볼까요?
(미현) 네, 그 전에 확인 문제는 뭐예요, 현우 씨?
(현우) 네. 오늘의 확인 문제는, 정은이가 집에서 명동까지 갔겠죠? (네) 집에서 명동까지 가는 데 시간이 얼마나 걸렸는지 한번 들어 보시고, 또 하나의 확인 문제는 정은이가 오늘 명동에 갔는데, 신발을 사고 싶었는데 사지 못했어요. 신발을 못 샀는데 (네) 왜 못샀을까요? (음)그 이유를 생각하면서 한번 들어 보세요.
(미현) 네. 빨리 알고 싶어요. 왜 못 샀을까요?
(현우) 네. 빨리 들어 봅시다.
(미현) 네.

[정은이의 오디오 블로그]

(미현) 아. 그래서 못 샀군요.
(현우) 네. 신발을 안타깝게도 신발을 못 샀는데, 일단 시간이 얼마나 걸렸는지. 그리고 왜 신발을 못 샀는지 답을 좀 말해 주시겠어요?
(미현) 네. 정은이는 지하철을 타고 갔는데요. (네) 한 시간 정도 지하철을 타고 명동에 도착했다고 했죠?
(현우) 아, 네. 그래서 한 시간, 한 시간이 정답이죠.
(미현) 네. 한 시간 걸렸습니다.
(현우) 네, 그리고 두 번째 질문. 왜 신발을 못 샀죠?
(미현) 네. 신발을 신어 봤는데, (네) 어떤 것은 맞는 사이즈가 없고, 어떤 것은 예쁘긴 한데 정은이랑 어울리지 않아서, 결국 못 샀죠.
(현우) 네. 정말 안타까워요. 친구들은 신발을 샀는데, (네) 정은이만 못 샀네요.
(미현) 친구들이 얼마나 부러웠을까요!
(현우) 네. 예쁘고 잘 어울리는 신발은 사이즈가 없다. (네) 사이즈가 없다는 말은 무슨 말이에요? 정은이 발이 너무 작아서 없는 거예요?
(미현) 아니에요. 정은이 발에 맞는 사이즈가 다 팔려서. (아) 네. 그 사이즈의 신발이 없는 거예요.
(현우) 그 사이즈의 신발이 그 가게에 없는 거죠?
(미현) 네. 이럴 경우 현우 씨는 어떻게 해요?
(현우) 저는 그냥 집에 가요. 정은이처럼.
(미현) 포기하고?
(현우) 네.
(미현) 근데 제 친구 중에는요. (네) 마음에 드는 신발이 있어요. (네) 사이즈가 없으면, 정말 사이즈 맞는 것 찾을 때까지
(하하) 다른 가게, 다른 가게 계속 찾아다녀요.
(현우) 우와 . (네) 정말 끈기 있는 분이네요?
(미현) 아, 네. 끈기가 너무 많아서 탈이에요.
(현우) 네. 정말 탈이군요. (네)
(미현) 하하.
(현우) 아, 그런데, 정은이는 신발을 못 산 것은 안타깝지만, 재미있는 시간을 보낸 것 같아요.
(미현) 네. 정은이가 또 무엇을 했나요?
(현우) 네. 옷을 사러가고 (네), 옷을 산 다음에 신발을 사러 갔죠. 그렇지만 신발은 못 샀고, 신발을 못 산 다음에 배가 고파서 피자집에 들어갔대요. 그런데 저는 재미있다고 생각한 부분이 있는데.
(미현) 어디요?
(현우) 피자도 먹고 이야기도 하고 좋은데. 사진도 찍으면서. 이 부분.
(미현) 왜요? 이게 왜 재미있어요?
(현우) 저는 친구들하고 피자집에 가면, (네) 사진은 안 찍거든요.
(미현) 아. 맞다. 남자들은 그렇죠. 여자들은 음식점에 가서 사진 많이 찍어요. 음식도 찍고, 친구들하고도 같이 찍고. (음) 뭐 이렇게요?
(현우) 네. 특히 한국이 그런게 많은 것 같아요.
(미현) 네, 맞아요.
(현우) 셀카.
(미현) 셀카. (네) 제 미니홈피에는 먹는 것만 집중적으로 찍어놓은 그 폴더가 있어요.
(현우) 아, 정말요? (네) 한번 가 볼게요.
(미현) 네. 꼭 와서 한번 보세요. 진짜 배고파지실 거예요.
(현우) 하하. 알겠습니다. 한번 초대해 주세요.
(미현) 네.
(현우) 아, 그런데 생각해 보니까 (네) 저도 명동에 가 본지 꽤 오래된 것 같아요.
(미현) 저두요.
(현우) 네, 정은이의 이야기를 듣고 나니까 명동에 가고 싶어졌어요.
(미현) 네. 이제 여름이 왔으니까 여름 옷도 많이 살 겸, 친구들하고 명동에 가 보는 건 어떨까요?
(현우) 좋습니다. 한번 (네) 생각해 보겠습니다. 친구들에게 연락을 해 봐야겠어요. 저는 쇼핑은 별로 안 하는데 (네) 어, 명동에 가면 (네) 길거리에서 파는 음식들 있잖아요.
(미현) 아, 맞아요.

(현우) 네. 맛있는 게 너무 많아요.
(미현) 많아요.
(현우) 네. 여러분도 한국에 오시면 명동 꼭, 빠뜨리지 말고 가 보세요.
(미현) 꼭 가서 맛있는 것도 드시고 예쁜 물건도 사세요.
(현우) 네, 그리고 만약에 지금 한국에 살고 계시는데 아직 명동에 못 가 보신 분들은 한번 꼭 가 보세요.
(미현) 에이. 한국에 살면서 명동에 못 가 보신 분 안 계실 거예요.
(현우) 진짜요?
(미현) 네. 얼마나 유명한 곳인데. 외국분들 다 가 보셨을 거예요.
(현우) 아. 여러분 어떤지 한번 코멘트 남겨 주세요.
(미현) 다 가 보셨죠?
(현우) 안 가 보신 분 분명히 있을 거예요.
(미현) 없다니까요.
(현우) 있을거에요.
(미현) 없어요.
(현우) 있어요.
(미현) 내기. (내기?) 내기할까요? 얼마 내기?
(현우) 어, 천원 내기.
(미현) 어, 약하다. 오천원, 하하. (하하 오천원) 그게 그건가요?
(현우) 좋아요, 좋아요.
(미현) 네. (그러면) 여러분이 코멘트를 꼭 남겨 주셔야지 알 수 있거든요?

(미현) 천원? (네) 아, 아쉽지만 그럼 천원으로 하겠습니다.
(현우) 네. 건전한 방송 문화.

(현우) 네. 안녕히 가세요.
(미현) 네.

CULTURAL INSIGHT

명동에는 다양한 물건이 많아서 사람들이 쇼핑을 가는 곳이기도 하지만 사람들이 모이는 또 다른 이유도 있습니다. 한국에서 대표적인 성당, 명동성당이 그 곳에 있습니다. 명동성당은 아주 크고 아름답고 역사도 깊어서 사람들이 찾아갑니다. 또, 명동에서 사람들은 돈을 환전하기도 합니다. 외국인들이 많이 오는 곳이다 보니 여러 종류의 화폐를 쉽게 구할 수 있기 때문입니다. 그리고 명동에서 조금만 걸어가면 서울 시청과 청계천에 갈 수 있는데 그 곳에서 여러가지 행사가 있기 때문에 사람들이 모여들고는 합니다.

DIALOGUE - KOREAN

1. 안녕하세요, 여러분. 오정은입니다.
2. 저희 학교에서는, 그리고 저희 학교 뿐만이 아니라 한국의 많은 고등학교에서는, '야자'라는 것을 합니다.
3. '야자'는 '야간 자율 학습'을 줄인 말입니다.
4. 수업이 모두 끝난 후에도 학교에 남아서 공부를 하는 것입니다.
5. 밤에 하기 때문에 '야간'이고 선생님 없이 혼자서 공부를 하기 때문에 '자율 학습'이지요.
6. '자율'이라는 말이 있는데도 불구하고, 많은 고등학교들에서는 이것이 '의무'인 경우도 많이 있습니다.
7. 저희 학교에서도 예전에 그랬었는데, 이제는 의무로 하지 않게 되었습니다.
8. 학교 안에는 큰 독서실이 있습니다.
9. 고등학교 3학년은 야자를 독서실에서 하고, 1학년과 2학년 학생들은, 야자를 하는 학생들만 교실 하나에 모두 모여서 공부를 하는데, 선생님 한 분이 앞에서 감독을 하고 있습니다.
10. 저는 평소에 야자를 하지 않지만, 그 날은 그냥 야자를 하고 싶어서, 선생님께 그 날 하루만 야자를 하겠다고 이야기를 하고 공부를 했습니다.
11. 수업이 모두 끝나고 급식실에 가서 저녁 급식을 먹고, 밖에 나가서 음료수를 사와서 학교 독서실로 갔습니다.
12. 독서실에는 책상이 있고, 앞에서 선생님이, 학생들이 떠들거나 잠을 자지 못 하게 감독을 합니다.
13. 수업 시간과 달리, 산만하지도 않고, 잠을 자는 학생들도 없고, 다들 굉장히 열심히 공부를 하고 있었습니다.
14. 그 모습이 왠지 낯설었지만, 그래도 친구들이 열심히 하는 모습을 보고, 저도 친구들보다 열심히 해야겠다는 생각이 들어서 아주 열심히 공부를 했습니다.
15. 공부를 하다 보니 종이 쳤습니다.
16. 야자 1교시가 끝났다는 종이였어요.
17. 종이 치고 학생들이 화장실에 가거나 먹을 것을 사 먹고 있으면, 십분 뒤에 다시 야자 2교시의 시작을 알리는 종이 칩니다.
18. 다시 공부를 하다가, 모르는 문제가 있을 때 친구를 잠깐 밖으로 불러서 물어보고, 다시 들어가서 공부를 하고 나서는 밤 10시가 돼서야 야자가 끝났습니다.
19. 학교에 이렇게 오래 남아서 공부를 하니 힘도 들었지만, 공부하는 분위기가 좋은 것 같습니다.
20. 하지만 빨리 이런 고3 생활이 끝났으면 좋겠네요!
21. 여러분의 나라에는 야자라는 것이 있나요? 고등학생은 학교에 몇 시까지 남아서 있나요?

22. 그럼, 저는 다음 주에 다시 올게요.

23. 감사합니다.

ENGLISH

1. Hello, everyone. I'm Jeongeun.

2. In our school, and not only in our school but also in many other high schools in Korea, we do something called 'Yaja'. 'Yaja' is an abbreviation for 'yagan jayul hakseub' (night self-study). It's when we stay at school and study after all the classes are finished. It's 'yagan' because it is at night, and 'jayul hakseub' because we study by ourselves without teachers.

3. Although the word 'jayul' is used, there are many highschools where this is 'euimu' (mandatory). It used to be like that in our school too, but not it is not mandatory anymore.

4. There is a large library inside the school. The third graders do yaja inside the library and the students who do yaja in first and second grade gather in a classroom and study. A teacher stays infront of the class and watches over them.

5. I don't usually do yaja but on that day I just wanted to, so I told the teacher that I'd do it just for one day and studied. After all the classes were finished, we went to the school cafetaria and ate the school dinner, went outside and bought a drink and went into the school library.

6. In the library there are desks, and at the front the teachers watch so that students don't chat or sleep. Unlike in class, it's not distracting, students don't sleep, and everyone was studying very hard.

7. The picture was somewhat unfamiliar, but seeing my friends studying so hard, I felt I should study harder than them and studied very hard. The bell rang while I was studying. It was the bell which meant the first period of yaja was over.

8. After the bell rings and students go to the bathroom or outside to buy things to eat, the bell notifying the beginning of the second period rings.

9. I studied once more, called my friend out when there was a problem I didn't get and asked about it, went back inside to study, and finished yaja at ten at night.

10. It was hard to stay at school and study until so late but the studying atmosphere seemed good. But I hope this kind of third grade life is finished soon!

11. Is there a thing like yaja in your country? Until what time do highschoolers stay at school?

12. Well then, I will be back next week. Thank you.

GRAMMAR

[해설 대본] - The following is the complete transcript of the lesson commentary of this audio blog.

(미현) 안녕하세요, 현우 씨.
(현우) 안녕하세요, 미현 씨.
(미현) 네.
(현우) 우와 미현 씨, 오늘 그런데, (네) 가방이 왜 이렇게 무거워요?
(미현) 제 가방을 언제 들어 보셨나요?
(현우) 예, 아까 잠깐 들어 봤는데, 하하.
(미현) 언제...?
(현우) 아까 잠깐 들어 봤는데, (네) 굉장히 무거운 것 같던데.
(미현) 네, 저... 당연하죠. 책이 많이 들었거든요.
(현우) 아하, 책이 많이 들었어요?
(미현) 네.
(현우) 먹을 것이 많이 들어있는 건 아니고?
(미현) 헉. 한 번 보시겠어요?
(현우) 아니오, 괜찮아요. 괜찮아요. 하하.
(미현) 네.
(현우) 믿습니다.
(미현) 네. (네) 저는 언제나 이렇게 책과 함께 하는 그런 삶을 살고 있습니다.
(현우) 저와 굉장히 다른 삶을 살고 계시는군요.
(미현) 네, 이렇게 다를 수가!
(현우) 네! 하하하. 그런데, (네) 어, 한 가지 질문이 있어요.
(미현) 해 보세요.
(현우) 네. 미현 씨는 공부하실 때 (네) 어... 30분씩 공부하고 10분씩 쉬고, 이렇게 짧게 짧게 집중해서 (네) 짧고 강하게 (네) 이렇게 공부를 하는 스타일이세요? 아니면, 한... 네 시간, 다섯 시간 동안 한 자리에 쭈욱 앉아서 (네) 길게 공부를 하는 스타일이세요?
(미현) 헉... 네 시간 의자에 앉아있는다... 이야기만 들어도 엉덩이가 아픈 것 같아요. 하하하. 저는 짧게 짧게 집중을 해서 공부하는 편이에요.
(현우) 아, 그렇구나.
(미현) 네.
(현우) 저는 그렇게 길게 공부하는 걸 좋아하는 편인데 (네) 그럼에도 불구하고 (네) 고등학교 때는 (네) 정말 힘들었어요.
(미현) 왜요?
(현우) 네 시간, 다섯 시간이 아니라 (네) 열 두시간 씩 앉아있잖아요.
(미현) 아... 맞다!
(현우) 그렇죠, 기억나시죠?
(미현) 네.
(현우) 아침에 학교에 가서, 밤까지...
(미현) 생각나요.
(현우) 지금 생각해 보니까, 12시간이 아니라, 14시간 정도?
(미현) 네, 학교에 살았었죠.
(현우) 그렇죠. 학교에서 살고, 집에서 잠만 자고.
(미현) 정말로.
(현우) 예, 정말 힘들었는데, 물론 지금 생각하면, 재미있었어요.
(미현) 재미있는 추억이 되었어요.
(현우) 네, 그런데 그때는 쉽지 않았죠?
(미현) 네.
(현우) 그래서 오늘 정은이에게 우리가 들어 볼 이야기는, 아침부터 그렇게 밤 늦게까지 학교에 있으면, 무엇을 하는지.
(미현) 무엇을 하는지...
(현우) 예, 선생님들이 밤 늦게까지 계속 수업을 할까요?
(미현) 설마! 수업은 안 하겠죠!
(현우) 네, 수업은 안 하는데 (네) 그러면 학교에 학생들이 남아서 무엇을 하는지, 정은이의 이야기를 들어 볼까요?
(미현) 빨리 들어 봅시다!

(현우) 네, 들어 보기 전에, 오늘의 확인 문제 두 개를 드릴게요.
(미현) 첫 번째는 뭐예요?
(현우) 첫 번째는, 정은이가 말하는 '야자', '야자'가 무슨 뜻인지 생각해 보세요!
(미현) 두 번째는요?
(현우) 두 번째는, 정은이가 야자가 끝나고 그날 몇 시에 집에 돌아갔는지, (네) 한 번 생각해 보시면서 이야기를 들어 보세요.
(미현) 네! 빨리 들어 봐요!
(현우) 네!

[정은이의 오디오 블로그]

(현우) 네, 미현 씨 잘 들어 보셨어요?
(미현) 네, 아... 좀 우울한데요?
(현우) 우울해요?
(미현) 네.
(현우) 어쩔 수 없죠.
(미현) 네, 어쩔 수 없는 한국의 교육 현실인가요?
(현우) 네... 그런데 점점 좋아지는 것 같아요.
(미현) 이제는 의무로 학교에 남아있는 게 아니라, 자기가 하고 싶으면 남아있는 거, (음...) 남아서 공부를 할 수 있거든요.
(현우) 맞아요. 그래서 오늘 정은이가 '야자'에 대해서 이야기를 해 줬는데 (네) 첫 번째 질문의 대답이 여기 나오겠죠?
(미현) 네, 야자는 뭐예요, 현우 씨?
(현우) 야자는 줄임말이에요.
(미현) 음. 줄임말.
(현우) 네, 줄임말인데, 원래는 '야간 자율 학습'이에요.
(미현) 네.
(현우) 그래서 야간의 '야', 자율 학습의 '자', 해서...
(미현) '야'는 '밤'이라는 뜻이죠?
(현우) 네. 그리고 '자'는 '스스로'
(미현) 음... 스스로 하다.
(현우) 네, 그래서, 밤에 스스로 공부를 하는 거예요.
(미현) 네.
(현우) 밤에 스스로 공부를 하면, 몇 시까지 스스로 공부를 할까요?
(미현) 사람마다 다르겠죠.
(현우) 네. 그런데 정은이는 몇 시에 집에 갔죠, 이 날?
(미현) 네, 평소에는 이렇게 늦게까지 남아있지 않는데, 이 날은 밤 열 시가 되어서야 집에 갔죠?
(현우) 우와, 열 시까지! (네) 미현 씨는, 고등학교 다닐 때 야자 했어요?
(미현) 네, 했어요. 저희 때는 말만 야간 자율 학습이었지, 야간 '의무' 학습이나 마찬가지였어요.
(현우) 음, 사실 저희 때도 그랬어요. (네) 그런데 요즘에는 선택할 수 있다고 그랬는데 (네) 참 좋은 소식인 것 같아요.
(미현) 네, 자기가 공부하고 싶을 때, 집중이 잘 될 때, 자기가 선택해서 하는 공부가 진짜 공부인 것 같아요.
(현우) 네, 저도 그렇게 생각해요.
(미현) 네.
(현우) 그런데 저는 고등학교 1학년 때 (네) 고등학교를 들어갔는데 학교에 10시 반까지 남아있으라는 거예요.
(미현) 헉... 10시 반...
(현우) 네, 그래서 선생님한테, '선생님 저 10시 반까지 못 있겠어요.'
(미현) 어! 이야기했어요?
(현우) 네.
(미현) 그 다음에는요?
(현우) 선생님이 이렇게 말씀하셨어요. (네) '시끄러워.'
(미현) 하하하하. 한 마디! 한 마디...
(현우) 그래서, 네, 알겠습니다, 하고...
(미현) 음...
(현우) 사실은 1년 동안 계속 10시 반까지 남아서 공부를 했어요.
(미현) 네.
(현우) 그런데 정규 수업은 5시에 끝나잖아요?
(미현) 네, 맞아요.
(현우) 끝나고 저녁 밥을 먹고, (다시) 다시 교실에 앉아서 쭈욱 공부를 했는데 (네) 1학년 때 1년 동안 그렇게 공부를 해 보니까 너무 재미가 없는 거예요.
(미현) 생각만 해도 정말....!
(현우) 네, 그래서 2학년 때, 새로운 담임 선생님을 만났을 때, (네) 다시 말을 했어요.
(미현) 오호! 끈기가 있으시군요.
(현우) 네, 하하하. 제가 좀 끈기가 있는데, (네) '선생님, 저는 1학년 때 야간 자율 학습을 해 보았는데, 너무 효율이 없어요.

공부를 해도 해도 공부가 안 돼요.' (그렇죠!) 라고 말을 한 다음에, '저는 야간 자율 학습 하고 싶지 않습니다'라고 말했어요.
(미현) 그랬더니 선생님이...?
(현우) '그래. 집에 가라' 하셨어요.
(미현) 우와! 2학년 때 선생님은 굉장히 좋은 분이신 것 같아요.
(현우) 네, 정말 좋으신 분이었어요. 지금도 정말 감사하게 생각하고 있어요.
(미현) 그래서 집에 가서 스스로 열심히 하셨어요?
(현우) 네. 저는 2학년 때 1년 동안 (네) 항상 여섯 시에 집에 가서 (네) 열심히 영어 공부를 했어요.
(미현) 아... 맞아요. 자기가 좋아하는 공부 하셨구나.
(현우) 네. 그래서 고등학교 때 (네) 학교 수업은 학교 수업대로, 그리고 집에 가서는 제가 하고 싶은 공부, 열심히 할 수 있어서 정말 좋았어요. 미현 씨가 다녔던 학교는 어땠어요? 고3 때 밤 몇 시까지 공부를 했어요?
(미현) 음... 저는 정은이보다 조금 일찍 끝났어요.
(현우) 진짜요?
(미현) 네.
(현우) 우와!
(미현) 9시 반... (9시 반) 하하하. 그게 그건가요?
(현우) 예, 별 차이는 없지만 (네) 그래도 기분은 많이 달라요.
(미현) 네.
(현우) 9시 반에 집에 가면 아직 10시잖아요.
(미현) 네.
(현우) 근데 10시에 끝나서 집에 가면, 10시 반, 11시, 정말 하루가 다 끝나잖아요.
(미현) 네, 집에 가서 잠만 자네요?
(현우) 네, 안타까워요. 하지만 이렇게 열심히 공부해서 한국의 고등학생들이 모두 좋은 대학도 들어가고 (네) 공부를 통해서 많은 것을 얻을 수 있었으면 좋겠어요.
(미현) 네. 물론 이렇게 남아서 밤 늦게까지 공부하는 게 힘들 수도 있지만, 좋은 점도 물론 있을 거예요.
(현우) 네. 아마도.
(미현) 아마도? 전 믿습니다! (현우) 네, 확실히! (미현) 네. 하하하. (현우) 그러면 정은이에게 화이팅을 외치면서 (네) 저희는 다시 다음 주에 찾아오겠습니다.
(미현) 네. 화이팅 할까요?
(현우) 네.
(미현) 하나, 둘, 셋, 화이팅! 하하.

CULTURAL INSIGHT

한국에서는 '야간 자율 학습'이라는 말을 줄여서 '야자'라고 하는데, 사실 이름은 '자율' 학습이지만, '의무'로 공부를 해야 하는 경우가 많이 있습니다. 10년 전에는 거의 모든 학교들이 학생들에게 '야자'를 시켰지만, 요즘에는 학생들이 원하지 않으면 하지 않게 해 주는 학교들도 많이 늘어났습니다. 하지만 대학교에 들어가기 위한 경쟁이 심해지면서, '야자'를 하지 않아도 결국에는 학원에 가야 하는 경우가 많습니다. 그래서 학생들이 하루에 공부를 하면서 보내는 시간은 변함없이 아주 깁니다.

DIALOGUE - KOREAN

MAIN

1. 안녕하세요, 여러분. 오정은입니다.
2. 여러분도 아시다피시, 저는 고등학생입니다.
3. 얼마 전에 1학기 기말고사를 보았는데요.
4. 시험이 끝났다는 생각에 기분은 정말 좋지만, 한편으로는 결과가 별로 좋지 않은 것 같아서 걱정이 됩니다.
5. 그리고 시험은 끝났지만, 사실 마음을 놓고 놀 수는 없어요.
6. 이제 수능시험이 얼마 남지 않았거든요.
7. 대학교에 가기 위해서는 수능시험을 잘 봐야 하는데, 걱정이에요.
8. 어떤 사람들은 세상에서 공부가 제일 쉽다고 하지만, 저에게 있어서 공부는 세상에서 가장 어려운 일인 것 같습니다.
9. 1학년, 2학년 때까지는 시험 기간에만 공부를 많이 하다가, 3학년에 되어서 항상 공부를 열심히 하려고 하니, 많이 지치고 피곤하기도 해요.
10. 책상에 오래 앉아 있으면 집중력도 많이 떨어지는 것 같아요.
11. 하지만 수능시험이 너무 중요하기 때문에, 열심히 하는 수 밖에 없겠죠?
12. 기말고사는 1학기 때 배운 것을 체크하는 시험인데, 예체능 과목은 시험을 보지 않아요.
13. 하루에 한 과목 또는 두 과목씩, 1주일동안 시험을 본답니다.
14. 시험을 보는 기간에는 학교가 일찍 끝나기 때문에 좋지만, 아침에 일찍 시험을 보기 때문에, 항상 밤 늦게까지 공부를 하고 아침 일찍 일어나서 시험을 보려니, 가끔은 시험을 보면서 조는 친구들도 볼 수가 있어요.
15. 그리고 가끔씩은, 아침 밥도 먹지 못하고 빈 속으로 와서 긴장을 한 상태로 시험을 보기 때문에, 시험이 끝나고 나면 긴장이 모두 풀려서 너무 배가 고파요.
16. 이렇게 일주일 동안 똑같은 날들이 반복되다 보니 시험 기간이 더 짧았으면 좋겠다는 생각이 많이 들었어요.
17. 시험이 끝나고 나면, 조금 더 공부를 열심히 하면 좋았을 텐데, 하는 후회가 들곤 하지요.
18. 여러분 나라에서는 학교에서 시험을 자주 보나요?
19. 여러분에게 있어서 가장 어려웠던 시험은 무엇이었나요?
20. 이야기해 주시겠어요?
21. 그럼 다음 주에 또 만나요.
22. 안녕히 계세요.

ENGLISH

1. Hello, everyone. This is Jeongeun.

2. As you know, I am a high school student. I took my final exams a few days ago. I am very happy that the exams are over but on the other hand, I am worried because I don't think the results aren't so good.

3. And even though the exams are over, I can't relax and hang out. There is not much time left now before the nationwide college entrance exam. I have to get a high score on this exam to enter a university, and I am worried. Some people say that studying hard is the easiest thing in the world, but for me studying seems to be the hardest thing in the world.

4. Until my 1st and 2nd year in highschool I used to study only during the exam periods, and now that I'm in my 3rd year and trying to study hard all the time, I get very tired and exhausted. Sitting at the desk for a long time seems to make me lose my concentration power. But the college entrance exam is really important, so I guess I have no other choice but to study hard, right?

5. Final exams are exams to check what we learned during the 1st semester, but we don't take exams for sport and art subjects. We take one or two subjects a day, and the exams go on for a week.

6. It's good that school finishes early during the exam period, but since we take the exams early in the morning, we always study till very late at night and get up really early to take the exam, sometimes I can even see some people falling asleep during the exams. And sometimes, I can't even eat breakfast and go to school on an empty stomach and get very nervous during the exam, I get really hungry when the exams over and I get all relaxed.

7. Since the same kind of days are repeated like this for a week, I often wish that the exam period were shorter. After the exams are over, I start regretting that I should have studied a little harder.

8. Do you take exams often in school in your country? What was the most difficult exam to you? Could you tell me about it?

9. Then I'll see you next week. Good bye.

[해설 대본] - The following is the complete transcript of the lesson commentary of this audio blog.

(현우) 안녕하세요, 미현 씨.
(미현) 안녕하세요, 현우 씨.
(현우) 네, 오늘도 돌아오셨군요.
(미현) 네, 왔습니다.
(현우) 네, 잘 오셨구요. (네) 아... 요즘에 너무 힘들어요.
(미현) 왜요? 뭐가 힘들어요?
(현우) 요즘에... (네) 공부가 너무 재밌어요?
(미현) 헉! 공부가 재밌어요?
(현우) 예, 공부가 너무 재밌어서, 공부를 하고 싶은데 시간이 너무 없어요.
(미현) 하하하하.
(현우) 농담이에요.
(미현) 아, 네... 깜짝이야!
(현우) 네, 제가 왜 이런 얘기를 하냐면 (네) 오늘 정은이가 기말고사 얘기를 하거든요.
(미현) 아... 시험이요?
(현우) 네, 시험 좋아하는 사람 없죠?
(미현) 아무도 없죠. (네) 혹시... 있을라나?
(현우) 혹시 여러분 중에 시험 좋아하시는 분?
(미현) (저요 저요...) 하하.
(현우) 없는 것 같아요.
(미현) 네, 조용하네요.
(현우) 네, 그런데, 그냥 시험이 아니라, 무슨 시험이죠?
(미현) 기.말.고.사.
(현우) 기말고사.
(미현) 네...
(현우) 기말고사가 뭐예요?
(미현) 기말고사는 한 학기 중 마지막에 보는 시험이에요.
(현우) 아, 마지막에?
(미현) 네, 중간에 한 번 또 보거든요? 그 시험은 중간고사. 학기 끝날 때 마지막에 보는 시험은 기말고사예요.
(현우) 아, 기말고사랑 중간고사랑 어떤 게 더 중요하죠?
(미현) 당연히 기말고사죠?
(현우) 그렇겠죠?
(미현) 네.
(현우) 음... 그래요. 그런데 정은이한테 무슨 일이 있었을까요?
(미현) 글쎄요.
(현우) 오디오 블로그를 들어 봐야 알겠죠?
(미현) 네, 빨리 들어 볼까요?
(현우) 네, 그런데, 오늘의 확인 문제, 두 가지가 있습니다.
(미현) 네, 정은이 학교에서는 시험을 며칠 동안 볼까요?
(현우) 하루 아니에요?
(미현) 하루요? 헉. 과목이 몇 과목인데, 하루 동안 다 볼 수 있어요?
(현우) 아... 그렇군요.
(미현) 네.
(현우) 그리고 두 번째 문제는 뭐예요?
(미현) 두 번째 문제는... 정은이가 시험 보러 가기 전에, 무엇을 먹고 학교에 갈까요?
(현우) 아... 당연히 밥 먹고 가겠죠.
(미현) 아닌 것 같은데요? 한번 들어 봐야지 알 것 같아요.
(현우) 아... 그렇구나...
(미현) 네.
(현우) 예, 빨리 들어 봐요!
(미현) 넵!

[정은이의 오디오 블로그]

(현우) 우와... 시험을 일주일 동안 봐요?
(미현) 일주일 동안... 그래도 한 과목 또는 두 과목 씩 일주일 동안 보니까...
(현우) 아, 맞아요. (네) 이렇게 보면, 시험 공부 안 해도 되겠어요.
(미현) 네, 하루 하루는 힘들지 않을 것 같아요. 일주일 동안 보지만, 한 과목 씩 두 과목 씩 보니까 하루에 한 과목 씩 공부하면 되겠네요?
(현우) 네, 그래서, 미리 시험 공부를 할 필요가 없을 것 같아요.
(미현) 네.
(현우) 제가 고등학교에 다닐 때는 3일 동안 봤어요.
(미현) 어, 저두요.
(현우) 네, 3일 동안, 아침에 네 과목, 그리고 오후에는 집에 가고, 그 다음 날 또 네 과목, 또 집에 가고, 그 다음 날 네 과목, 이렇게 열두 과목을 봤었는데... 그래서 네 과목 씩 보니까, 하룻밤에 네 과목을 다 공부하기 너무 힘들죠?
(미현) 네! 미리 미리 공부를 해 놔야 돼요.
(현우) 예, 그런데 이렇게 한 과목 두 과목 씩 보면 미리 공부 안 해도 괜찮을 것 같은데요?
(미현) 네, 더 수월할 것 같은데요?
(현우) 네, 그래도 시험은 여전히 힘든 것 같아요.
(미현) 네.
(현우) 그리고 정은이가 아침에 무엇을 먹고 간다고 했죠?
(미현) 밥을 먹지 못 하고, 빈 속으로 학교에 가요.
(현우) 빈 속으로?
(미현) 네... 먹지 못 했으니까 속이 비어 있겠죠? 하하하하. 너무 당연한 얘기를 했나요?
(현우) 네. 하하하. 그런데, (네) 우와... 저는 아침에 밥을 안 먹으면 시험을 볼 수가 없는데...
(미현) 저두요. 집중력이 떨어져요.
(현우) 맞아요. 아... 배고파, 배고파 이러면서, (네) 시험 문제가 눈에 안 보여요.
(미현) 그렇죠.
(현우) 네.
(미현) 그런데 정은이는 왜 아침 밥을 안 먹고 학교에 가서 시험을 봐요? 정은이한테 물어 봐야겠어요.
(현우) 네, 코멘트에서 한 번 꼭 물어 봐 주세요.
(미현) 네, 그리고 혼내야겠어요.
(현우) 아침 먹고 가란 말이야!
(미현) 네, 아침 먹고 가!
(현우) 하하하. 근데 시험 보는 사람 혼내면 안 돼요.
(미현) 아, 스트레스를 받나요?
(현우) 스트레스!
(미현) 음...
(현우) 자, 그러면 시험 끝내고 혼냅시다, 우리.
(미현) 아, 네, 그래요. 언제 끝나요? 하하하.
(현우) 일주일 후에!
(미현) 아, 일주일 후에요?
(현우) 그러면 우리 정은이 시험이 끝나는 일주일 후까지 기다릴 수 밖에 없겠어요.
(미현) 네, 그때 정은이한테 이야기 많이 해 주세요.
(현우) 네, 그러면 여러분 다음 주에 만나요.
(미현) 안녕!

CULTURAL INSIGHT

한국의 고등학교에서는, 학교에서 받는 성적도 정말 중요하지만, 시험이 끝났다고 안심을 할 수가 없습니다. 가장 큰 시험인 수능시험이, 고등학교 3년의 마지막 즈음에 기다리고 있기 때문이죠. 수능시험이 끝날 때까지는 누구도 완전히 '편하게' 마음을 놓을 수는 없어요.

MAIN

1. 안녕하세요, 여러분. 오정은입니다.
2. 저는 얼마 전에 학교에서 경복궁이라는 곳에 다녀왔습니다.
3. 경복궁에 다녀온 이유는 봉사활동을 하기 위해서입니다.
4. 경복궁은 우리나라 사적 제117호인 문화재입니다.
5. 경복궁은 밖에서 볼 수는 있지만 들어가진 못하게 되어 있어서, 안은 그렇게 화려하지 않지만 고급스럽게되어 있습니다.
6. 건물이 전체적으로 화려하기보다는 차분한 분위기입니다.
7. 경복궁 안에는 여러 개의 궁이 있는데, 굉장히 넓고 나무들이 많이 있어서 아주 예쁩니다.
8. 학교에서 반 전체가 경복궁에서 쓰레기를 줍는 봉사활동을 하러 갔는데, 경복궁이 너무 커서 쓰레기를 줍는 것이 너무 힘들었습니다.
9. 친구들도 선생님도 힘들어 하고 있을 때 점심 시간이 되어서, 친구들과 벤치에 앉아서 밥을 먹었습니다.
10. 김밥과 유부 초밥, 과일, 과자 등, 도시락으로 싸온 것을 함께 나누어 먹었습니다.
11. 바람이 불어서 시원하고, 나무가 많아서 햇빛을 다 가려 주어서, 그대로 누워서 낮잠을 자고 싶었지만 봉사활동 중에 잠을 자면 선생님께 혼이 날 것 같아서 참았습니다.
12. 한참 봉사활동을 하다보니, 외국인 관광객이 정말 많았습니다.
13. 특히 일본인 관광객이 가장 많은 것 같았습니다.
14. 저는 일본어나 영어를 잘 못 하지만, 그냥 간단한 인사말을 건네니 모두 친절하게 인사를 해 주었고, 같이 사진도 찍어 주었습니다.
15. 영어로 말을 자유롭게 하지 못해서 온몸을 움직여서 대화를 해야 했지만 그래도 좋은 경험이었고, 외국인들에게도 우리가 좋은 추억이 되었으면 좋겠습니다.
16. 여러분이 사시는 곳에도 관광객이 많이 오나요?
17. 만약 말이 통하지 않을 때에는 어떻게 하시나요?
18. 그럼 다음 주에 또 만나요! 감사합니다.

ENGLISH

1. Hello, everyone. This is Jeongeun.

2. Recently, I went to Gyeongbok Palace with everybody from school. The reason we went to Gyeongbok Palace is to do some volunteer work. Gyeongbok Palace is a cultural asset that is Korea's 117th national relic.You can see Gyeongbok Palace from outside but you can't go in, so the inside of the Palace is not very fancy but it is made in a high-class fashion. The building on the whole is very calm rather than fancy.

3. Inside Gyeongbok Palace are many palaces, and it's very wide and there are many trees so it's very beautiful. Our entire class went there as a group to do volunteer work of collecting garbage, but the Palace was too big so collecting garbage was very tiring. By the time both my friends and my teachers were tired, it became lunch time, so I sat on a bench with my friends and had lunch.

4. We had brought gimbap, yubu chobab (vinegared rice stuffed in fried bean curd), fruits and snacks in our lunch boxes and we shared the food together.

5. The blowing wind was cool and the abundant trees blocked the sunlight from us so I I just wanted to lie down and take a nap right there but I refrained from doing so because I thought I would be scolded by my teacher if I sleep during the volunteer work.

6. I was doing my volunteer work for quite some time and then realized that there were so many foreign tourists. Especially Japanese tourists seemed to be the majority. Although I don't speak English or Japanese so well, I just said a few greetings and everybody kindly greeted me and even took pictures with me.

7. I had to move my entire body to communicate since I couldn't speak English freely, but it was still a good experience and I hope we gave the foreign tourists a good memory too.

8. Do a lot of tourists come to where you live? What do you do when you can't communicate with them? Then I'll see you next week! Thank you.

(현우) 안녕하세요, 미현 씨.
(미현) 안녕하세요, 현우 씨.
일주일동안 재미있게 지내셨어요? (미현) 네... 저는 뭐, 늘 그렇듯이 잘 지냈습니다.
(현우) 네, 저도 늘 잘 지내는데 (네) 이사가고 싶어요.
(미현) 네? 갑자기 웬 이사요?
(현우) 이사를 가고 싶은 이유는 (네) 제가 지금 서울의 북쪽의 동쪽 (네) 그러니까 동대문 근처에 살고 있는데, (네) 동대문 근처는 아니고 동대문에서 가까운 곳에 살고 있는데, (네) 어, 집이 너무 많은 것 같아요.
(미현) 집이 많아서요?
(현우) 그래서 제 창문을 열고 (네) 바깥을 보면 (네) 5m 앞에 다른 사람 창문이 있고 또 반대쪽 창문을 열고 또 바깥을 보면 (네) 10m 앞에 다른 사람 집 문이 있어요.
(미현) 집이 너무 빽빽하게 지어졌군요.
(현우) 네, 여기 동네가 집이 많은데 (네) 여기 뿐만이 아니고 서울은 이렇게 집들이 (네) 많이 모여져 있는 것 같아요.
(미현) 맞아요, 좀 그렇죠.
(현우) 네, 그래서 가끔씩 옛날로 돌아가서 옛날 왕, 왕자, 공주 이런 분들은 (네) 넓은 궁에 살았잖아요, 궁. (네, 그렇죠) 이렇게 궁에 한번 살아 봤으면 좋겠다는 생각을 해요.
(현우) 꿈이 크신데요? 아니, 그래도 궁이 있잖아요.
(미현) 있기는 있지만 (네) 제가 살 수 있는 건 아니잖아요.
(현우) 그래도 가 볼 순 있어요.
(미현) 네, 그래서 정은이가 (네) 오늘 궁에 다녀온 것 같은데 (네) 어떤 궁에 다녀왔죠?
(현우) 경복궁이요.
(미현) 경복궁, (네) 와, 경복궁에 살고 싶어요.
(현우) 경복궁에요?
(미현) 네.
(현우) 너무 넓어서 좀 불편할걸요?
(현우) 아...그렇구나, 제가 좀 길치인데 (네) 길치는 경복궁 같이 넓은 곳에 살면 안 되겠죠?
(미현) 네, 길 잃어버리고 여기가 어디야? (여기 어디야 내방 어딨어) 방, 방 못 찾아갈 거예요.
(현우) 네, 그런데 정은이는 경복궁에 왜 다녀왔죠?
(미현) 그게 오늘의 확인 문제예요.
(현우) 아 진짜요? (네) 경복궁에 갔다왔는데 왜 갔다왔는지?
(미현) 네, 저도 아직 대답을 하면 안 돼요.
(현우) 아, 알겠습니다 (네) 그러면 정은이 이야기를 들어 봐야 하겠군요.
(미현) 네, 이야기 듣고 제가 답 알려드릴께요.
(현우) 네, 여러분, 그러면 정은이가 오늘 경복궁에 왜 다녀왔는지 (네) 잘 생각하면서 들어 보세요.
(현우) 들어 보세요.

[정은이의 오디오 블로그]

(현우) 아 (알겠죠) 그런 이유 때문에 다녀왔군요. 미현 씨, 답이 뭐죠? 설명 해 주세요.
(미현) 네, 학교에서 반 전체가 경복궁에서 쓰레기 줍는 봉사활동을 하러 갔어요.
(현우) 아, 봉사활동 (네) 우와...
(미현) 봉사활동 때문에 경복궁에 갔네요.
(현우) 그런데 (네) 고등학교 3학년이잖아요 (네) 3학년은 봉사활동 잘 안 가는데 (어 진짜) 이 학교는 정말 대단한 것 같아요.
(미현) 어, 좋은 학교예요.
(현우) 좋은 학교예요. 아무리 공부가 중요하지만 (네) 이런 봉사활동도 중요하니까.
(미현) 네, 그리고 제 생각에는 공부도 좋지만 (네) 기분 전환을 위해서 가끔씩 밖에 나가서 이런 활동을 하는 것 좋은 것 같아요.
(현우) 와, 예 (네) 기분 전환 정말 중요하죠.
(미현) 네, 스트레스도 풀 겸 (네) 이렇게 나가면 얼마나 좋아요.
(현우) 그렇죠 (네) 좋은 일도 하고 왔잖아요, 오늘.
(미현) 맞아요, 보람 있을 것 같아요.
(현우) 네, 정은이가 뭘 했죠?
(미현) 쓰레기를 주웠어요.
(현우) 네, 쓰레기. 경복궁에 (네) 사람들이 많이 왔다가다 보니까 (맞아요) 쓰레기들이 땅에 가끔씩 떨어져 있어요.
(미현) 가끔.
(현우) 가끔(네) 아주 가끔 떨어져 있는데 (네) 어, 그런 쓰레기들을 (네) 주워 주면 경복궁이 더 깨끗해지잖아요.
(미현) 맞아요, 다음에 오는 사람들도 기분이 좋겠죠?
(현우) 맞아요, 정은이가 경복궁에 가서 김밥, 유부초밥, 과일, 과자 이런 것들을 도시락으로 싸가서 (네) 맛있게 먹었다고 했는데 (네) 주변에 막 쓰레기가 떨어져 있으면 맛있게 먹을 수가 없겠죠?
(미현) 네, 밥맛 떨어지죠.
(현우) 네, 밥맛이 뚝 (뚝) 떨어져요(네)
(현우) 네, 와, 그런데 정말 정은이 얘기 들으니까 (네) 저도 경복궁에 빨리 가 보고 싶어요.
(미현) 경복궁, 저는 얼마 전에 다녀왔는데요?
(현우) 진짜요?
(미현) 네.
(현우) 아, 누구랑요?
(미현) 그건 비밀이고 (네) 봄에 (봄에) 봄에 갔다왔어요. 봄에 꽃도 피고 날씨도 좋잖아요.(네)그래서 누군가와 갔다 왔습니다.
(현우) 그렇군요. 경복궁이 데이트 하기에는 정말 좋죠?
(미현) 네...
(현우) 사진을 찍으면 (네) 다 예쁘게 나오지 않아요?
(미현) 네, 봄에 사진 찍으면 정말 예쁘게 나와요. 경치가 너무 예쁘거든요.
(현우) 네, 그러다 보니까 경복궁에도 외국인 관광객들이 정말 많이 오는데 정은이도 참 재미있었던 것 같아요. 관광객들하고 이야기도 하고.
(미현) 맞아요, 지난 주에 소개했던 명동과 함께 이 경복궁도 서울의 필수 관광코스죠?
(현우) 아, 필수적인 관광 (필수 예) 필수, 필수! 그런데 우리 Koreanclass101 방송을 듣고 계신 분들이 살고 있는 곳에도 (네) 관광객들이 많이 오는지 궁금하네요.
(미현) 맞아요 (네) 궁금해요.
(현우) 여러분 사는 곳에는 관광객이 많이 오나요? 어떤지 이야기 해 주시겠어요?
(미현) 현우씨.
(현우) 네.
(미현) 현우씨도 돈 많이 빨리 많이 벌어서요 (네) 궁처럼 넓은 집 하나 사세요.
(현우) 아, 그래요!
(미현) 사서 저 좀 초대해 주세요.
(현우) 네, 꼭 초대해 드릴께요.
(미현) 약속했죠?
(현우) 네, 약속!

(미현) 기억하겠습니다.
(현우) 네! 그러면 오늘은 여기까지 하고 (네) 미현씨 수고하셨어요!
(미현) 네, 여러분도 현우 씨도 모두모두 수고하셨습니다!
(현우) 네, 이번 일주일도 한국어 공부 정말 수고하셨구요 (네) 다음주에 또 봐요. 주말 잘 보내세요.
(미현) 주말 잘 보내세요.
(현우) 네, 안녕히 계세요.
(미현) 안녕히 계세요.

CULTURAL INSIGHT

1) 고등학교 성적에는 여러가지가 들어가는데, 시험 점수 외에도, 이렇게 '봉사활동'과 같은 특별 활동을 해야만 채울 수 있는 점수가 있습니다. 이것을 '수행 평가' 점수라고 하는데, 몇년 전부터 수행 평가의 중요성이 강조되어서 학생들은 학교 안에서의 공부 뿐만이 아니라 여러가지 외부 활동을 많이 해야 하는 것이지요. 2) 많은 사람들이 서울로 여행을 가지만, 서울에 살고 있는 사람들은 서울이 '관광지'라는 생각을 갖고 있지 않습니다. 그래서 평소에 지하철이나 버스 등에서 외국인들을 만나면 '관광객'이라는 생각보다는 '서울에서 살고 있는 사람'이라는 생각을 하는 사람이 많습니다.

MAIN

1. 안녕하세요, 여러분. 오정은입니다.
2. 여러분은 학교에 다닐 때, 교복을 입으셨나요?
3. 만약 교복이 있었다면, 어땠나요?
4. 여러분도 아시다시피, 저는 지금 고등학생인데, 한국에서 고등학생들은 교복을 입고 학교에 갑니다.
5. 저희 학교는 교복이 별로 예쁘지 않아서, 이 고등학교에 배정받았을 때, 사실 많이 속상했답니다.
6. 저는 중학교 때에도 교복이 별로 예쁘지 않아서, 교복 입는 것을 별로 좋아하지 않았거든요.
7. 교복에도 유행이 있는데요,
8. 요즘에는 교복을 몸에 딱 맞게 사이즈를 줄여서 입는 것이 유행인 것 같아요.
9. 여학생들은 치마를 조금 짧게 줄이고, 남학생들도 바지가 딱 붙도록 줄이는 경우가 많아요.
10. 제가 중학교에 다닐 때에는 조끼는 짧게 입고, 치마는 길게 입는 것이 유행이어서 저도 그때는 치마를 조금 길게 입곤 했습니다.
11. 지금 생각하면 웃기지만, 그때는 그게 예뻐서, 그리고 친구들이 다 그렇게 입기 때문에, 저도 그렇게 입었었지요.
12. 지금은 저도 교복을 몸에 딱 맞게 줄이고 치마도 조금 짧게 입고 다니는데, 그래서 그런지 겨울에는 항상 추워서 감기에 자주 걸려요.
13. 대부분의 학생들이 학교가 끝나도 교복을 입고 돌아다니기 때문에, 한국에서는 길거리에서 교복을 입은 학생들을 정말 많이 볼 수 있어요.

ENGLISH

1. Hello, everyone. This is Jeongeun.

2. Did you wear a school uniform when you went to school? If you had a school uniform, what was it like?

3. As you know, I am a high school student now, and in Korea, high shcool students wear uniforms to go to school. Our school uniform is not very pretty so I was actually very disappointed when I was assigned to this high school. The school uniform in my middle school wasn't pretty either, so I didn't like wearing school uniforms at all.

4. School uniforms also follow trends. Recently the trend is to wear the uniforms in the way that it's made smaller to be tight on your body. A lot of girls have their skirts shortened a bit, and also a lot of boys have their pants made smaller to be tight.

5. When I was in middle school, the trend was to wear the vest short and the skirt long, so I, too, used to wear the skirt long. It's funny when I think about back then, but at the time it looked so pretty to me and all my friends were wearing their uniforms like that, so I did the same thing. Now I also wear the skirt a bit short and tight, and because of that, I always feel cold in the winter so I catch a cold often.

6. Most of the students still wear their school uniforms even after school finishes, so you can see a lot of students wearing their school uniforms in the streets in Korea. Have you ever seen the school uniforms of Korean students?

7. I only get to wear my school uniform for a few more months and I won't be able to wear it again, so on one hand I'm sad about it and on the other hand I'm excited too.

8. Have you ever worn a school uniform before? Please tell me about your country's school uniforms.

9. Then I'll see you next week. Bye!

(미현) 저요?
(현우) 네.

(미현) 네.
(현우) 우와.
(미현) 이중생활이에요.
(현우) 이중생활... 이중패션
(미현) 아, 이중패션 생활.
(현우) 네, 좋죠. (네) 한 가지 옷만 입고 계속 다니면 (네) 여기에서 이미지 저기에서 이미지 다 같으니까 (네) 옷이 바뀌면 자신의 이미지도 바뀌는 것 같아요.
(미현) 맞아요. 옷이 그만큼 중요하죠.
(현우) 네, 그러면 출근할 때는 어떤 옷을 입으세요, 주로?
(미현) 출근할 때는 단정한 옷을 주로 입죠.
(현우) 아, 단정하다는 것은 어떤 옷?
(미현) 얌전하게 보이는 옷?
(현우) 아, 찢어진 청바지...
(미현) 아, 안 돼죠 청바지는 안 돼요. 노출이 없고 얌전해 보이는 옷이요.
(현우) 아, 그렇군요.
(미현) 단정한 옷이에요.
(현우) 아...(네) 저는 항상 단정하게 입는 편이에요.
(미현) 항상요? (네) 오늘은 왜 이래요? 오늘은 특별한 날이에요?
(현우) 아닙니다.
(미현) 그런데 왜 갑자기 옷 이야기를 해요?
(현우) 아, 다름이 아니라 (네) 오늘 정은이의 이야기에서 정은이가 교복 이야기를 하거든요.
(미현) 네...
(현우) 미현 씨, 교복이 뭔지 간단하게 설명해 주실 수 있으세요?
(미현) 교복은 중학교, 고등학교 다니는 학생들이 학교갈 때 입는 옷이에요.
(현우) 중학생, 고등학교만 입나요?
(미현) 네, 보통 초등학생은 입지 않고요, 대학생도 교복을 입진 않죠.
(현우) 그렇죠.
(미현) 교복 입은 대학생 보셨어요?
(현우) 육군사관학교.
(미현) 아, 거기는 특별한 케이스예요.
(현우) 그렇죠, 군대니까 (네) 군대 말고 보통 대학교에서는 교복을 입지 않죠. (네) 교복은 학교의 옷이죠 (네) 학교할 때 교 (교) 그리고 제복, 단체복, 정복 할 때 그 복 (양복) 양복, 한복 .
(미현) 아, 네... (네) 옷이라는 뜻이에요.
(현우) 네, 옷이라는 뜻이고 교복하면, 영어로 하면 유니폼 같은 게 되는 거죠? (네) 그러면 정은이가 교복에 관련해서 무슨 이야기를 해 주고 싶은지 이제부터 들어 볼 텐데요 (네) 확인 문제를 알려주세요 미현 씨.
(미현) 네, 요즘 교복을 어떻게 입는 것이 유행인지 잘 들어 보세요.
(현우) 네, 요즘 학생들은 어떻게 교복을 입는지 (네) 한번 잘 생각하면서 들어 보시기 바랍니다.

[정은의 오디오 블로그]

(현우) 네, 잘 들어봤는데요. 우와, 재밌었어요.
(미현) 네, 재밌네요 아, 요즘은 이렇게 입는군요.
(현우) 네, 어떻게 입는다고 했죠?
(미현) 요즘에는 교복을 몸에 딱 맞게 사이즈를 줄서 입는 것이 유행인 것 같아요, 라고 했어요.
(현우) 네, 아 불편할 것 같은데 몸에 딱 맞게 사이즈를 줄이면 불편하지 않아요, 움질일 때?
(미현) 네, 공부할 때도 불편할 것 같은데요?
(현우) 네, 그런데 정말 주변에 고등학생들이 걸어다니는 것을 보면 다 옷이 좀 작아요.
(미현) 네...
(현우) 치마도 조금 짧고 치마만 짧은 것이 아니라 남학생들 바지도 짧아요.
(미현) 저는 개인적으로 남학생들이 너무 딱 붙는 바지를 입는 거 좋아하지 않아요.
(현우) 네, 저도 별로. 일단 불편할 것 같아서요.
(미현) 제 눈도 불편해요. 보기에... (그렇죠?) 제가 옛날 사람이라서 그런가요?
(현우) 아니예요. 미현 씨 때의 유행과 지금 유행이 좀 달라서 그런 것 같아요. (네) 미현 씨가 교복을 입고 중학교, 고등학교 다닐 때에는 어떤 스타일의 교복이 유행이었어요?
(미현) 저희는 그 때 뭐... 딱히 유행이랄 것이 없었고요 그냥 뭐 치마를 좀 접어 입는 정도?
(현우) 아, 그렇군요. 저는 중학교 때 교복을 안 입었고, 고등학교 때에만 교복을 입었었는데요. (네) 저희 학교에서도 특별히 유행이라고 할 수 있는 것은 없었어요. 그 당시에 서울은 어땠는지 모르겠는데 제가 고등학교를 다녔던 광주에서는 그랬어요.
(미현) 서울도 뭐 딱히 유행이랄 것이 없었어요.
(현우) 네, 그런데 요즘에는 중학교, 고등학생들도 패션에 좀 더 많은 신경을 쓰는데 중학생, 고등학생이 입는 옷이 주로 교복이다 보니까 (네) 교복에 패션을 적용시켜서 더 예쁘게 더 멋지게 교복을 입고 싶은 것 같아요.
(미현) 네, 맞아요.
(현우) 그런데 정은이가 말한 것처럼 교복이 좀 작은면 겨울에는 추울 것 같아요.
(미현) 네, 그래서 겨울에는 항상 감기에 걸린다고 했네요?
(현우) 네, 아무리 예쁘고 멋진 것도 좋지만 따뜻하게 입었으면 좋겠어요.
(미현) 네, 건강이 가장 중요하죠.
(현우) 네, 미현 씨는 혹시 기회가 주어진다면 (네) 다시 한번 교복을 입어 보고 싶은 생각이 있으세요?
(미현) 있죠. 정말 교복 입고 돌아다니는 학생들 보면 부럽고 나도 옛날 생각이 많이 나요.
(현우) 정말요?
(미현) 네.
(현우) 저한테 한번 물어봐 주세요.
(미현) 현우 씨는요?
(현우) 절대로.
(미현) 왜?
(현우) 저는 고등학교 다닐 때에도 교복이 정말 싫었어요.
(미현) 왜요?
(현우) 첫 번째 이유는 교복이 안 예뻤고,
(미현) 아, 현우 씨 학교의 교복이 안 예뻤어요?
(현우) 네, 정말 안 예뻤고, 그리고 불편했어요. 항상 아침에 일어나서 똑같은 옷을 입어야 한다는 것 자체가 정말 싫었어요.
(미현) 그래도 아침마다 일어나서 무슨 옷을 입을까 걱정하지 않아도 되니까 편하잖아요.
(현우) 네, 그건 사실인데 그래도 가끔씩 제가 입고 싶은 옷을 입고 학교에 가서 수업을 받아 보는 것이 꿈이었어요, 고등학교 때.
(미현) 지금 꿈을 실현하셨네요?
(현우) 꿈을 실현했다고 하면 네, 꿈을 실현한거죠. (네) 그런데 미현 씨가 말한 것처럼 약간, 아주 조금은 그립기도 해요.
(미현) 네, 옛날은 다 그리운 것 같아요.
(현우) 네, 와 우리 오늘 옛날 생각에 잠기면서 이 오디오 블로그를 마치겠는데요.
(미현) 네, 아... 돌아가고 싶다.
(현우) 네, 옛날로. (네) 하지만 우리는 다음 주에도 정은이의 오디오 블로그를 기다려 주시는 여러분들이 있기 때문에 옛날로 아주 돌아가 버리지는 못 하겠는데요?

(미현) 재밌는 이야기예요.
(현우) 네, 그러면 오늘은 여기까지입니다.
(미현) 여러분도 여러분 나라의 교복에 대해서 코멘트 남겨 주세요.
(현우) 네, 안녕히 계세요.
(미현) 안녕히 계세요.

CULTURAL INSIGHT

한국에서는 대부분의 중학교와 고등학교에서 교복을 입는 것이 의무입니다. 패션에 너무 많이 신경을 쓰지 않고 공부에 집중을 하라는 의미입니다. 그리고 가난한 학생과 부유한 학생들 간의 '빈부격차'가 느껴지지 않도록 한다는 목적도 있었지만, 지금은 그런 의미는 많이 사라졌습니다. 정은 양이 블로그에서 말한 것처럼, 어떤 학교의 교복이 예쁜가가 그 학교가 좋은지 싫은지를 결정할 수 있을 정도로, 학생들에게는 교복의 패션이 굉장히 신경 쓰이는 문제입니다. 이렇게 패션에 신경을 많이 쓰는 시기에, 차라리 교복을 없애고 옷을 자유롭게 입게 하면 어떨까 하는 생각이 들기도 합니다.

7. 아는 언니가 밥을 사 준다고 해서, 예쁘게 꾸미고 집에서 나갔습니다.
8. 나가서 제가 항상 타는 지하철을 타고, 버스로 갈아탄 뒤 약속 장소에 도착했어요.
9. 그런 다음 언니를 만나서 샤브샤브 뷔페에 갔어요.

ENGLISH

1. Hello, everyone. I'm Jeongeun Oh. Have you ever had Shabu shabu before?

2. I went to a Shabu shabu buffet today with a friend of mine. Shabu shabu is a food that is similar to fondue. You boil the broth a long time with healthy ingredients and boil vegetables, meat, seafood and dumplings in it, and eat it.

3. You might think it's strange to put a variety of ingredients all together at once, but in fact it's really delicious.

4. A friend of mine said she would buy me dinner so I dressed up nicely and left the house. After I got out of my house, I took the subway that I always take, and I transferred to a bus and arrived at the place I was supposed to meet my friend. And then I met her and went to the Shabu shabu buffet. Whenever I go to a buffet I always put on my plate more food than I can eat, so this time I tried hard to take just the right amount of food that I can eat.

5. I took some meat, seafood, vegetables and mushrooms and put it into the broth and ate them. It was my first time eating Shabu shabu too, so I didn't know what it would taste like, but once I tried it, the sauce was unique and it was really tasty.

6. I thought it was interesting that I could boil the things all together, and I was really happy that I could take a lot of food to my table. After finishing eating, we added some rice, laver, and egg to the broth that was left and we made a porridge with it. I thought it would taste bland but it didn't and it actually tasted good. It was good, so I would love to go to a Shabu shabu restaurant again if someone offers to buy me a dinner. Is there a dish like Shabu shabu in your country as well?

7. Then I'll be back next week. Thank you!

GRAMMAR

[해설 대본] - The following is the complete transcript of the lesson commentary of this audio blog.

(미현) 안녕하세요 현우 씨.
(현우) 안녕하세요 미현 씨.
(미현) 네, 오랜만이에요.
(현우) 오랜만이에요. 꼭 일주일만이죠?
(미현) 네.
(현우) 네.
(미현) 그런데 현우 씨 오늘 왜 이렇게 힘이 없어 보여요?
(현우) 아, 제가요?
(미현) 네.
(현우) 아... 글쎄요?
(미현) 무슨 일 있으세요?
(현우) 아니에요. 그냥, 저녁을 아직 안 먹어서, 배가 고파서 그래요.
(미현) 아... 저녁을 아직 안 먹었어요?
(현우) 네.
(미현) 그러면 오늘 이 이야기 할 때, 더 힘들겠어요.
(현우) 아, 진짜요?
(미현) 네. 오늘 먹는 얘기 할 건데요?
(현우) 아, 맞아요. 아...
(미현) 내가 좋아하는 먹는 얘기! 하하하.
(현우) 저도 먹는 것 이야기 하는 것 좋아하는데, (네) 오늘은 진짜 배가 고픈데, 정말 맛있는 샤브샤브 이야기를 해서 더 힘들 것 같아요. 힘들겠지만 힘을 내서 열심히 해 보겠습니다.
(미현) 네, 그런데 샤브샤브가 뭐예요, 현우 씨?
(현우) 샤브샤브 안 드셔 보셨어요?
(미현) 샤브샤브...
(현우) 네.
(미현) 음... 간판은 많이 봤는데요, 샤브샤브 집에 들어가서 먹어 본 적은 없어요.
(현우) 아, 정말요?
(미현) 네.
(현우) 꼭 한번 가 보세요. 정말 맛있어요. 조금 비싸긴 하지만, 평소에 먹는 음식하고 많이 달라서, 가끔씩 가면 정말 좋아요.
(미현) 네. 저도 오늘 정은이 이야기 듣고 한번 가 볼게요.
(현우) 네, 그럼 여러분. 샤브샤브가 무엇인지... 이름이 한국어처럼 들리지는 않지만, 한국 요리라고 할 수 있어요. 그리고 오늘의 확인 문제! 정은이가 누구와 함께 샤브샤브를 먹으러 갔는지를 잘 생각하면서 오늘의 정은이의 블로그를 들어 보세요.
(미현) 네. 집중해서 들어 보세요.

[정은이의 오디오 블로그]

(현우) 미현 씨, 그리고 여러분, 이제 샤브샤브가 뭔지 확실히 아셨나요?
(미현) 네, 좀 알 것 같아요.
(현우) 네. 샤브샤브는 퐁듀와 비슷한 음식이라고 했죠?
(미현) 네.
(현우) 그런데, 조금 비슷한데, 똑같진 않아요.
(미현) 음...
(현우) 그렇죠? 퐁듀는 치즈를 녹여서 (네) 거기에 빵을 찍어서 먹는 거지만, 샤브샤브는 치즈가 아니라 육수를 끓여서 그 안에 야채, 고기, 해물, 만두 이런 것들을 넣어서 익혀서 먹는 거죠?
(미현) 네. 아, 현우 씨, 그런데, 육수가 뭐예요?
(현우) 육수요?
(미현) 네.
(현우) 육수라고 할 때 '육'은 고기 '육'이죠? 그래서 '고기 국물'이라고 할 수 있어요.
(미현) 네.
(현우) 고기 물.
(미현) 고기 물...
(현우) 네, 고기가 실제로 들어있는 것은 아니지만, 고기를 오랫동안 끓여서, 또는 고기의 뼈를 오랫동안 끓여서 만든 국물, 또는 소스를 육수라고 하죠.
(미현) 아, 네, 설명 감사하구요. 오늘 확인 문제의 답은?
(현우) 네, 누구와 함께 샤브샤브를 먹으러 갔는지, 오늘의 확인 문제에 대한 답은 뭐죠?
(미현) 아는 언니하고 같이 먹었어요.
(현우) 아, 그렇죠. 아는 언니.
(미현) 아는 언니.
(현우) 그런데, 한국어에서 정말 많이 쓰는 표현인데, 아는 언니, 아는 형,
(미현) 아는 사람,
(현우) 아는 오빠, 다 무슨 뜻이죠? 얼마나 아는 거예요?
(미현) 하하하. 그러니까, 나이가 나보다 많으면 친구라고 이야기할 수도 없고, 말할 때 '언니' '형' 이렇게 말하면, 진짜 친언니, 친 형, 이렇게 생각할 수도 있으니까요, '아는 언니'라고 하는 거예요.
(현우) 아, 그러니까, 진짜 언니는 아니고, 친구 중에
(미현) 나이가 많은 사람,
(현우) 그런 사람들을
(미현) 아는 언니, 아는 오빠, 아는 형, 이렇게 이야기하죠.
(현우) 아, 그렇죠. 아는 동생.
(미현) 네, 나이가 나보다 적으면 아는 동생이라고도 하죠.
(현우) 네, 한국에서는 이렇게 친구라는 말 대신에, 아는 누구누구, 아는 아줌마, 아는 아저씨 (하하. 맞아요) 이렇게 '아는'이라는 단어를 써서 (네) 부르는 호칭이 많은 것 같아요.
(미현) 네. 근데 아는 언니, 아는 아저씨라고 해서, 아주 안 친한 건 아니에요.
(현우) 맞아요. 저도 미현 씨를 아는 선생님이라고 해도 되죠?
(미현) 하하. 아는 선생님? 네!
(현우) 네, 또는 뭐... 아는 아줌마? 아는 아가씨.
(미현) 헉. 아, 잠깐만요. 저한테 아는 아줌마라고...?
(현우) 아닙니다. 아는 선생님, (네) 이렇게 말할 수 있는데, (네) 아는 친구는 어때요?
(미현) 아는 친구?
(현우) 좀 이상하죠?
(미현) 네.
(현우) 친구를 대신해서 아는 뭐뭐, 이렇게 말할 수 있죠?
(미현) 맞아요.
(현우) 아는 사람.
(미현) 친구를 그럼 보통...
(현우) 그냥 '친구'
(미현) 친구...

(현우) 네.
(미현) 한국에서는 주로 나이가 같은 사람을 부를 때 친구라고 해요.
(현우) 맞아요. 그래서 나이가 같지 않은 사람들은 '아는' 뭐뭐뭐, '아는' 누구누구 이렇게 말하면 되겠죠?
(미현) 네, 이거 아주 좋은 표현이니까 알아 두세요.
(현우) 네, 꼭 알아 두세요.
(미현) 알아 두시고, 꼭 사용해 보세요.
(현우) 네. 그런데 정은이가 간 곳은 샤브샤브 레스토랑인데, 뷔페 레스토랑이에요.
(미현) 우와.
(현우) 우와. 샤브샤브 뷔페는 정말 좋을 것 같아요. (네) 보통 샤브샤브 비싸잖아요.
(미현) 네, 얼마쯤 해요?
(현우) 보통, 2만원, 3만원? 한 사람에?
(미현) 그렇게 비싸요?
(현우) 네. 정말 비싼데,
(미현) 사 주세요! 하하하.
(현우) 네, 언젠가 한 번 같이 가십시다.
(미현) 언제? 언제?
(현우) 하하. 미현 씨도 배 고프고 저도 배 고플 때.
(미현) 아... 현우 씨 지금 배고파요. 아 힘이 없...
(현우) 지금은 녹음을 해야 되니까. 하하하. 네 여러분, 그런데 이 샤브샤브는 한국 음식만은 아니에요.
(미현) 그래요. 다른 나라에도 이런 비슷한 음식이 있어요.
(현우) 맞아요. 제가 알기로는 중국에도 있고, 일본에도 있는데, 한국에서만 먹는 방식이 한 가지 있어요.
(미현) 네, 뭘까요?
(현우) 뭘까요? 마지막에 육수가 남죠?
(미현) 네.
(현우) 그 육수를 끓여요.
(미현) 네.
(현우) 끓여서 조금만 남긴 다음에 끓여서 밥, 김, 계란을 풀어서, 죽으로 만드는 거예요. 죽. 정말 맛있죠?
(미현) 맛있겠어요!
(현우) 네. 여러분도 혹시 한국에 오셔서 샤브샤브 식당에 가시면, 샤브샤브만 먹고 휙! 하고 가 버리지 마시고, 기다렸다가 죽을 만들어서 먹어 보세요.
(미현) 아, 그런데요. 어떤 식당에서는 죽을 먹기 전에, 칼국수를 국물에 넣어서 먹는다고 들었어요.
(현우) 우와 그것도 정말 맛있겠는데요? 미현 씨 정말, 진짜, 언제 한번 같이 가요!
(미현) 언제요? 언제라고 말하지만 말고, 정확한 시간을 이야기해 주세요!
(현우) 네, 내일 어때요? 내일?
(미현) 내일? 오! 주말이네요?
(현우) 네.
(미현) 좋아요. 어? 약속하신 거예요!
(현우) 네, 약속했습니다. 네, 그러면 샤브샤브 맛있게 먹고, 저희는 또 힘을 내서 다음 주에 다시 돌아오겠습니다.
(미현) 네, 여러분. 제가요, 현우 씨하고 샤브샤브를 먹고, 맛이 어땠는지 꼭 코멘트 남길게요.
(현우) 휴...
(미현) 하하하.
(현우) 그러면 여러분 안녕히 계세요.
(미현) 현우 씨, 힘이 계속 없네요?
(현우) 안녕히 계세요.
(미현) 네, 안녕히 계세요!

CULTURAL INSIGHT

'샤브샤브'는 사실 원래 일본어이지만, 한국에서도 그 이름이 그대로 쓰이고 있어요. 처음에는 별로 인기가 없었지만, 요즘에는 동네마다 하나씩 샤브샤브 레스토랑이 있을 정도로 인기가 많습니다.

ENGLISH

1. Hello, everyone. I'm Jeongeun Oh.

2. I went to a swimming pool with a friend last weekend. I've been to the sea a lot of times but it was the first time I've ever gone a swimming pool since elementary school. It hadn't worn a swimming suit in a long time so I was a little embarrassed.

3. I am not good at swimming so I learned how to swim from a friend. I heard that women get bigger shoulders from swimming, so up until now, I didn't learn it although I wanted to, but once I learned it from my friend, it was more fun than I thought.

4. I was really excited just by the fact that we were in a swimming pool in such a long time.

5. Swimming was fun, but it was in fact more difficult than I thought. Even just floating on water wasn't easy. And when I floated on water for the first time, I was too happy to keep myself from screaming. People looked at me and I was very embarrassed so I hid into the water.

6. While I was learning how to swim, I sometimes teased my friend by throwing water at my friend's face. After we kept playing in the water like that, we took a shower and changed, and got out of the swimming pool. We were hungry after we finished swimming, my friend and I ate hamburgers. It really tasted good since we were eating after working out.

7. Are you good at swimming?

8. Then I'll see you next time. Thank you.

GRAMMAR

The following is the complete transcript of the lesson commentary by 현우 and 미현.

(현우) 안녕하세요, 미현 씨.
(미현) 안녕하세요, 현우 씨.
(현우) 네, 아... 요즘에 날씨 정말 덥죠?
(미현) 네, 더워 죽겠어요. 하하하.
(현우) 저는 더운 날씨가 좋아요. 좋은데, 요즘에는 좀 ... 너무 많이 더울 때가 있는 것 같아요.
(미현) 네, 무덥죠.
(현우) 네, 굉장히 무덥고, 이럴 때 딱, 생각나는 곳이 한 군데 있는데...
(미현) 바다!
(현우) 네, 맞아요. 바다.
(미현) 네.
(현우) 저는 바다에 가면 모래 사장에서 사람들하고 공 놀이도 하고 이렇게 노는 게, 물 속에 들어가는 거보다 더 재밌더라고요.
(미현) 네. 또 모래 사장에서 찜질도 할 수 있잖아요.
(현우) 찜질이요?
(미현) 네, 한국 사람은 찜질 좋아하잖아요.
(현우) 네, 맞아요. 모래 찜질 말씀하시는 거예요?
(미현) 네, 모래 뜨끈뜨끈하니까, (네) 그 안에 들어가서 찜질할 수 있어요.
(현우) 네, 모래를 파고, 그 안에 누워서 모래로 다시 덮는 거죠.
(미현) 네, 저도 옛날에 그렇게 해서 사진 찍었어요.
(현우) 하하하
(미현) 와, 그 얘기 하니깐 정말 지금 당장 아니면 내일이라도 바다에 가고 싶은 생각이 드는데, 같이 가실래요?
(현우) 언제요?
(미현) 내일.
(현우) 내일? 내일은 제가 시간이 없는데요.
(미현) 예, 저 혼자 갔다 올게요.
(현우) 내일 모레?
(미현) 내일 모레는 제가 시간이 없으니까 됐고요.
(현우) 어...
(미현) 상처 받으셨나요?
(현우) 네.
(미현) 그런데 바닷가는 사실 지금 당장 가기에는 멀어요. 너무 멀지만 바닷가와 비슷하게 물놀이를 할 수 있는, 수영을 할 수 있는 곳이 어디죠?
(현우) 수영장이죠.
(미현) 네, 그런데 때마침 이렇게 수영장에 가고 싶어하는 바닷가에 가고 싶어하는 저희 마음을 정은이가 대신해 준 것 같아요.
(현우) 네, 정은이가 수영장에 갔다 왔어요.
(미현) 우와 정말 재밌었던 것 같은데, 정은이 얘기를 한번 들어 보죠. 그리고 들어 보기 전에 미현 씨, 확인 문제 부탁합니다.
(현우) 정은이가 지금까지는 배우고 싶어도 수영을 배우지 않았어요. 왜 수영을 배우지 않았을까요? 생각하면서 들어 보세요.

[정은이의 오디오 블로그]

(현우) 아, 정은이가 이런 이유 때문에 수영을 지금까지 안 배웠군요.
(미현) 네, 제 생각하고 똑같아요.
(현우) 네, 정은이가 수영을 하면 여자는 어깨가 너무 넓어진다, 라고 해서 지금까지 수영을 배우고 싶어도 안 배웠데요.
(미현) 네, 저도 옛날에 친구들한테 이런 얘기 많이 들었어요. 수영을 하면 어깨가 넓어진다고 해서 저도 수영을 배운 적은 없어요.
(현우) 아, 진짜로 어깨가 넓어지는 게 걱정이 돼서 수영을 안 배우신 거예요? 시간이 없거나 관심이 없거나 그래서가 아니고?
(미현) 사실 그런... 어깨가 넓어진다고 해서 그런 이유도 있고…
(현우) 네.
(미현) 사실 운동을 별로 좋아하지 않아요. 하하하
(현우) 아... 네 그렇군요. 그런데 여자분들은 정말로 어깨가 넓어질까 봐 수영을 안 하겠다고 하시는 분들이 정말 많은 것 같아요. 제 주변에도 제 여동생들도 수영 안 하고 싶어해요.
(미현) 수영을 배워서 이렇게 운동처럼 하는 건 싫은데 수영장에 가거나 바다에 가서 물놀이 하는 건 좋아요.
(현우) 네, 저도 그래요. 남자들은 주로 수영을 하면 어깨가 넓어지기 때문에 넓어지고 싶어서 수영을 하죠.
(미현) 맞아요. 수영 선수들 보면 어깨가 진짜 떡 벌어졌잖아요.
(현우) 네, 맞아요.
(미현) 진짜 넓어요.
(현우) 그런 어깨를 좋아하시나 보군요.
(미현) 네.. 하하하... 음흉한 목소리…
(현우) 그런데 궁금한 게 한가지 있어요.
(미현) 네, 뭔데요.
(현우) 수영은 배우지 않아도 할 수 있는 사람이 있고 배워도 못하는 사람이 있는데 미현 씨는 수영 할 수 있어요?
(미현) 네, 수영 정식으로 배운 적은 없고요. 그냥 저 혼자 물에 뜰 수 있는 정도예요.
(현우) 우와. 물에 뜨면 팔만 움직이면 그리고 다리만 열심히 저으면 앞으로 뒤로 갈 수 있으니까..
(미현) 조금은 할 수 있죠.
(현우) 네, 저도 제대로 배운 적은 없는데 그냥 조금 조금씩 할 수 있어서 수영장 가면은 정말 재미있게 놀아요. 그런데 저만 그런지 모르겠는데 수영장 하면 사실 그렇게 재밌지는 않고 “캐리비안 베이” 이런 인공 폭포, 인공 파도, 물 미끄럼틀 이런 것들이 있는 “캐리비안 베이” 같은 곳에 가서 노는 게 너무 재밌는 것 같아요.
(미현) 캐리비안 베이 같은 곳에는 사람이 워낙 많으니까 수영복 입은 여자 보러 가시는 거 아니에요?
(현우) 아...
(미현) 왜요?
(현우) 네?
(미현) 생각하고 있어요? 하하하
(현우) 사실은... 하하하
(미현) 네.
(현우) 사실은이 아니라, 물론 수영복 입은 분들도 많이 있지만 노는 게 재미있어서…
(미현) 아...
(현우) 저를 이상한 사람으로 보지 마세요.
(미현) 수영복 입은 여자도 보고 놀기도 하고 여러 가지...
(현우) 물론이죠. 겸사겸사.
(미현) 저도 마찬가지예요.
(현우) 넓은 어깨. 하하하
(미현) 네… 하하하 넓은 어깨도 보고
(현우) 네, 물놀이도 하고
(미현) 물놀이도 하고
(현우) 네.
(미현) 사실 물놀이 하는 것도 재미있고 사람들 보는 것도 재미있는 것 같아요.
(현우) 네, 그래서 수영장 가는 게 되게 재미있는 일이죠?
(미현) 네, 저도 조만간 계획을 짜서 한번 가 봐야겠어요. 아니면 수영장을 못 가겠으면 아예 바다를 가야겠어요. 빨리 물속에 풍덩 하고 빠지거나 모래 사장에서 공놀이 하고 이런 것들을 하고 싶어요.

(현우) 네, 맞아요.
(미현) 네, 그러면 오늘은 여기까지 하고 다음 주에 다시 돌아 오겠고요. 만약에 제가 그 동안에 바닷가를 다녀오면 여러분들에게 이야기해 드릴게요.
(현우) 네, 여러분 오늘도 수고하셨고요. 여러분 나라도 요즘 날씨가 더운지 그리고 날씨가 더울 때 여러분은 수영장에 가시는지 KoreanClass101.com에 오셔서 코멘트 남겨 주세요.
(미현) 네, 그러면 여러분 KoreanClass101.com에서 뵙겠습니다.
(현우) 네, 다음에 봐요.

CULTURAL INSIGHT

한국에서 여자들은 어깨가 넓어진다는 이유로 수영을 많이 안 했었는데, 요즘에는 수영이 건강에 좋다는 이유로 많은 사람들이 수영을 시작하고 있어요. 실내 수영장이 많지는 않지만, 비싸지 않기 때문에 여가 시간에 수영 수업을 듣는 사람들이 많습니다.

5. 노래방에 간 것은 정말 오랜만이었는데, 이번에 간 곳은 일반 노래방과는 조금 다른 특이한 노래방이였습니다.
6. 노래방 안에 들어가니, 여러 가지 특이한 방들이 있었는데, 침대가 있는 침대 방, 콘서트장처럼 되어 있는 콘서트 방, 그리고 클럽처럼 조명이 화려한 클럽 방이 있었습니다.
7. 침대 방에는 더블 침대가 있는데, 여자만 들어갈 수 있게 되어 있고, 콘서트 방에는 기타, 드럼 등의 진짜 악기가 놓여져 있고, 무대도 있었습니다.
8. 저와 제 친구들은, 콘서트 방이 재미있을 것 같아서 콘서트 방에 들어갔습니다.
9. 안에 들어가니, 밖에서 본 것보다 훨씬 넓더라고요.
10. 다른 방보다 조금 비싸긴 했지만, 무대에서 노래를 부르면서 악기 치는 흉내도 내 볼 수 있어서 재미있었어요.
11. 친구들 8명이서 갔는데도 충분히 넓어서 아주 재미있게 놀았어요.
12. 마치 우리가 밴드를 만들어서 무대 위에서 공연 하는 것 같은 기분이 들었어요.

14. 여러분이 사시는 곳에도 이런 색다른 놀이 공간이 있나요?
15. 혹시 있다면, 이야기해 주세요.
16. 그럼 다음 시간에 만나요. 감사합니다.

ENGLISH

1. Hello everyone. My name is Jeongeun Oh. Do you like noraebang(singing room)?

2. I went to a noraebang with my friends a few days ago. When I'm getting stressed out from my studies, it really feels good if I go to a noraebang sometimes and sing there.

3. I hadn't gone to a noraebang for a very long time, and the place that we went to was a unique one, a bit different from the usual noraebang's. We went into the noraebang and there are various types of unique rooms. There ws a room with a bed, a concert room that has been made like a concert hall, and a club room that has fancy lights like a club.

4. In the room with a bed, there was a double bed and only women could enter it, and in the concert room, there were real musical instruments like guitars and drums, and there was even a stage.

5. My friends and I thought that the concert room looked interesting and we went into the concert room. Once we entered the room, it was much more spacious than when we were looking at it from outside. It was a little bit more expensive than the other rooms, but it was fun because we could imitate playing the instruments while singing on the stage.

6. There were eight of us but the room was still large enough so we had a very good time. It felt as if we had made a band and were performing on the stage. I was thinking this must be what it feels like to be a singer, as I was singing.

7. Is there any unique recreation place like this where you live? If there is, please tell me about it.

8. Then I'll see you next week. Thank you.

(현우) 어, 미현 씨, 뭐 하세요?
(미현) 보면 모르세요?
(현우) 네, 봐도 알겠는데. 하하하 뭐 하세요?
(미현) 하하하 노래해요. 그냥 심심해서요. (네)
(현우) 무슨 노래에요? 누구 노래예요?
(미현) 이승철의 “소리쳐”. (우와)
(현우) 혹시 이 노래 아시는 분 계세요?
(미현) 이 노래 아시는 분 많을 거예요. 유명한 노래인데.
(현우) 네. 저도 이 멜로디는 많이 들어 본 거 같아요.
(미현) 네.
(현우) 미현 씨 노래 정말 좋아하시나 봐요.
(미현) 네. 좋아하는데 요즘 노래방 안 간 지 진짜 오래 됐어요.
(현우) 저도요. 저도 몇 달 전에 가 보고 그 뒤로 못 갔어요.
(미현) 그렇구나.
(현우) 그런데 제 생각에 한국 사람들은 특별히 유달리 노래방에 많이 가는 것 같아요.
(미현) 네. 저도 일주일 못 갔더니 또 가고 싶어요. (하하하)
(현우) 정말요? (네) 우와.
(미현) 아, 그리고 특히 한국 사람들은 술을 마신 후에 노래방을 꼭 가죠.
(현우) 맞아요. (음) 술을 마시고 2차, 3차까지 가고 나면 마지막 코스는 항상 노래방으로 결정이 되어 있죠.
(미현) 맞아요. 그런데 정은이는 고등학생이니까 술을 마시지 않았을 거예요.
(현우) 네. 술을 마시지 않고 정은이도 노래방에 다녀왔다고 했는데요. (네) 정은이는 노래방에 가서 미현씨가 방금 부른 노래를 불렀을까요?
(미현) 글쎄요? 물어볼까요?
(현우) 네. 물어보기 전에 (네) 한번 이야기를 들어 보죠.
(미현) 아, 그래요. 들어 보면 알겠네요.
(현우) 네. 그런데 오늘의 확인 문제는 뭐예요, 미현 씨?
(미현) 네. 정은이는 친구들하고 노래방에 갔는데요, 모두 몇 명이 갔을까요?
(현우) 그리고 두 번째 문제는?
(미현) 정은이는 노래를 하면서 무슨 생각을 했을까요?
(현우) 네, 그럼 한번 들어 보죠.
(미현) 들어 봅시다.

[정은이의 오디오 블로그]

(현우) 네. 잘 들어 봤는데요. 정은이는 미현 씨가 부른 노래는 불렀는지 안 불렀는지 이 오디오 블로그에서는 말하지 않았지만 한 가지 확실한 것은 노래를 정말 재미있게 하고 온 것 같아요.
(미현) 네. 아, 그리고요. 저는 깜짝 놀랐어요.
(현우) 왜요?
(미현) 이렇게 많은 종류의 방이 있는지 몰랐어요.
(현우) 저도 처음 알았어요.
(미현) 이야... 요즘 세상 좋네요. 하하하.
(현우) 하하하 맞아요. 요즘 세상이 좋은지 모르겠지만, 노래방은 좋네요.
(미현) 네. 하하.
(현우) 그럼 확인 문제 정답을 알아볼까요?
(미현) 네. 먼저 알아보고 다른 이야기 해요.
(현우) 네. 몇 명이 같이 갔죠?
(미현) 정은이하고 친구들, 모두 8명이서 갔어요.
(현우) 네. 8명이서 갔다고 했고요. 재미있는 질문이 하나 있었는데 (네) 정은이는 노래를 부르면서 무슨 생각을 했어요?
(미현) 마치 정은이와 정은이 친구들이 밴드를 만들어서 무대 위에서 공연을 하는 것 같은 기분이 들었대요. 가수들은 이런 기분이겠구나라는 생각을 하면서 노래를 불렀대요.
(현우) 맞아요. 아, 이런 넓은 콘서트장 같은 무대를 갖춘 곳에서 악기도 치면서 노래를 부르면 노래방에 왔는데, (네) 이런 시설이 있으면 정말 가수가 된 것 같은 기분이 들 것 같아요.
(미현) 네. 현우 씨는 여기 있는 많은 방들 중에서 어디에 가장 가 보고 싶으세요?
(현우) 저는... 클럽방도 좋을 것 같고, 춤추면서, 보통 노래방에 가면 너무 좁잖아요. (맞아요) 소파 있고, 탁자 있고, 일어서면 탁자에 무릎을 “쾅” 하고 부딪히는...
(미현) 네. 그래서 너무 좁아서 탁자 위에 올라가기도 하죠. 하하하.
(현우) 하하하 네. (네) 어떤 사람들은 그렇죠.
(미현) 네. 극소수의 사람들.
(현우) 극소수, 아주 적은 수의 사람들만 그렇지요. (네) 그래서 저는 클럽방 좋을 것 같고, (네) 침대방은 좀 이상할 것 같아요.
(미현) 네. 좀 이상해요. 침대방이 왜 있어요?
(현우) 네. 노래를 부를 기분이 별로 안 날 것 같아요.
(미현) 네. 누워서 부르나요?
(현우) 모르겠어요. 그런데 (음) 참 특이한 침대방 같은 노래방을 원하는 사람들도 분명히 있을 거예요.
(미현) 네. 아무튼 재미있는 거 같아요.
(현우) 네. 미현씨는 이렇게 가수가 된 것 같은 기분을 느껴 보고 싶으세요?
(미현) 네. 좋은 노래가 있다면요.
(현우) 아, 정말요? (네) 이 방송을 듣고 계시는 분들 중에 (헉) 혹시 작곡가가 계시면 (음) 미현씨에게 노래를 보내 주세요. (네) 미현씨가 여러분을 위해 가수가 되어 줄 거예요.
(미현) 진짜? (네) 진짜예요? (우와)
(현우) 혹시 모르죠.
(미현) 아, 진짜 노래를 만드는 분이 계세요? 혹시 계시면 보내 주세요. 저 노래 잘해요. 하하하
(현우) 그런데 그 전에 오디션부터 보셔야죠.
(미현) 저 잘해요.
(현우) 네. 믿겠습니다.
(미현) 네 (하하하)
(현우) 그러면 오늘은 여기까지 하고 다음 주에 또 정은이가 무슨 재미있는 이야기를 해 줄지 기대하면서 일주일 동안 잘 지내세요, 미현씨.
(미현) 여러분, 수고하셨습니다.
(현우) 네. 수고하셨습니다. 그리고 여러분 나라에도 이러한 색다른, 특이한 놀이공간이 있는지 놀 수 있는 장소가 있는지 코멘트 남겨 주시기 바랍니다.
(미현) 안녕히 계세요.

CULTURAL INSIGHT

노래방은 방이 좁고 어두운 것이 보통이었지만, 요즘에는 여러가지 스타일의 노래방이 많이 생기고 있어요. 아주 방이 넓어서 비싸지만 인기가 많은 노래방도 있고, 노래하는 사람의 모습을 비디오 카메라로 찍어주는 노래방도 있고, 길거리에서 보면 안이 보이는 노래방도 있어요.

1. 안녕하세요, 여러분. 오정은입니다.
2. 여러분은 청소하는 것을 좋아하세요?
3. 저는 청소하는 것을 싫어해서, 학교 청소 시간에 가끔 청소를 안 하기도 합니다.
4. 저희 학교에서는 수업이 끝난 후에 청소를 합니다.
5. 청소는 일주일마다 5명씩 출석 번호대로 순서를 정해서 청소를 하고, 그 날 지각한 학생들도 같이 청소를 해야 합니다.
6. 2, 3명은 빗자루로 바닥을 쓸고, 3명은 대걸레로 바닥을 닦습니다.
7. 그리고 저희 학교에서는 일주일마다 출석 번호 순서대로 2명씩 골라서 주번을 합니다.
8. 여러분, 주번이 무엇인지 아세요?
9. 주번은 아침에 일찍 학교에 와서 교실 문을 열고, 쉬는 시간마다 칠판을 닦고, 청소할 때에는 책상 줄을 맞춰 놓고 칠판 아래를 걸레로 닦아야 합니다.
10. 그리고 주번들은 청소 당번들이 청소를 다 끝내고 나면 교실 문을 잠그고 출석부와 열쇠를 교무실에 가져다 놓고 집에 가야 합니다.
11. 저희 반 담임 선생님은 워낙 깨끗한 것을 좋아하는 분이여서, 청소를 게을리하면 깨끗해질 때까지 청소를 시키십니다.
12. 그래서 저희들은 처음에는 열심히 했었는데, 요즘은 슬슬 게을러지기 시작해서 청소를 대충 할 때가 많아요.
13. 하지만 그럴 때마다 저희 선생님은, 직접 빗자루와 대걸레를 잡고 학생들과 같이 청소를 하셔서, 학생들이 청소를 게을리 할 수 없게 만드십니다.
14. 교실은 깨끗해져서 좋지만, 솔직히, 그렇게까지 열심히 청소를 해야 할 필요가 있나 하는 생각이 들 때도 있어요.

ENGLISH

1. Hi everyone. I'm Jeongeun Oh.

2. Do you like cleaning? I hate cleaning, and sometimes I don't clean during the cleaning time at school. In my school, we clean after the classes are over. We choose the order by selecting 5 people to clean each week according to the students' attendance call numbers, and those who are late for school on that day have to clean as well.

3. 2 or 3 people sweep the floor with a broom and 3 people wipe the floor with a mop. And in my school, we choose two people by the attendance call order and assign them to be the 'duty students of the week.'

4. Do you know what a duty student of the week is? The duty students have to come to school early and open the classroom doors, clean the blackboard between classes, align the desks during the cleaning time and wipe below the blackboard with a wet cloth. And after the student in charge of cleaning finish cleaning the classroom, the duty students lock the classroom doors and take the attendance book and the key to the staff room before going home.

5. My homeroom teacher just loves keeping things clean, and if we are lazy in cleaning, he keeps making us clean until the classroom is clean. So in the beginning we used to be very diligent about it, but these days we've started to become more and more lazy, and we often just do a rough job.

6. But whenever we do that, my teacher joins the students with a broom and a mop and cleans with us, so he makes it impossible for the students to be lazy in cleaning. It's a good thing that the classroom gets cleaner, but to be honest, sometimes I wonder if we have to work this hard to clean the classroom.

7. Are you a type of person who clean your room, office or classroom very diligently, and every day? I really don't like cleaning!

8. Then I'll see you next time. Thank you.

GRAMMAR

The following is the complete transcript of the lesson commentary by 현우 and 미현.

(미현) 안녕하세요. 미현입니다.
(현우) 안녕하세요. 현우입니다. 여러분 일주일 만에 돌아왔습니다. 정은이의 오디오 블로그입니다. 미현 씨, 지난 일주일간 재미있게 잘 지내셨죠?
(미현) 일주일이요? 아... 시간이 진짜 빨리 흘러간 거 같아요.
(현우) 뭐 특별한 일은 없으셨어요?
(미현) 아... 워낙 바빠서요...
(현우) 아... 뭐 하느라 그렇게 바쁘세요?
(미현) 그냥 이것저것 일하고, 친구들 만나서 놀고, 일주일이 그냥 금새 가버렸어요.
(현우) 네, 맞아요. 저도 한 3일 지났나 싶으면, 일주일이 가있더라고요.
(미현) 네, 맞아요.
(현우) 그러면 오늘은 정은이가 블로그에서 어떤 주제에 대해서 이야기 하고 있나요?
(미현) 청소요. 그런데 집에서 하는 청소가 아니고요, 학교에서 친구들하고 같이 하는 청소예요.
(현우) 아, 맞아요. 다른 나라는 어떤지 참 궁금해요. 다른 나라에서도 학생들이 직접 청소를 하는지 궁금한데, 한국에서는 따로 청소를 해 주는 사람이 없죠?
(미현) 네, 학생들이 협동해서 같이 청소를 하곤 하는데요. 이것도 어떻게 보면 교육의 한 부분이죠.
(현우) 네, 맞아요. 그런데 참.... 반갑지 않은 교육이죠. 학생들 입장에서 보면, 왜냐하면 공부하는데도 힘든데, 공부가 다 끝나고 청소시간이 되면, 굉장히 싫어했던 기억이 나요. 미현 씨는 어땠어요? 청소하는거 좋아하셨어요?
(미현) 네, 싫기도 했지만, 막상 시작해서 청소하다 보면, 친구들하고 수다도 떨고 나름대로 재미있었어요.
(현우) 아... 하긴 저도 재미있었던 기억도 있는 거 같은데, 정은이는 청소할 때 어땠는지, 정은이는 지금 학생이잖아요.
(미현) 네, 그렇죠.
(현우) 그래서 정은이는 지금 학교에 다니면서 매일매일 청소시간이 돌아올텐데, 청소시간에 어떤 기분으로 청소를 하고 있는지, 한번 들어 볼까요?
(미현) 아... 그 전에 확인 문제 안 알려주실 거예요?
(현우) 아... 맞아요. 확인 문제 알려드려야죠. 여러분, 확인 문제 첫 번째, 첫 번째는 정은이 학교에서는 수업이 끝난 후, 청소를 하는데 몇 명씩 골라서 청소를 하나요? 그리고 두 번째 문제, 두 번째 문제는 미현 씨가 말씀해 주세요.
(미현) 주번이 뭐예요? 주번이 뭔지 잘 들어보세요.
(현우) 네, 몇 명씩 청소를 하는지, 그리고 주번이 무엇인지 생각하면서 잘 들어보시기 바랍니다.

[정은이의 오디오 블로그]

(현우) 아.. 듣고 나니까 전 참 궁금한게 생겼는데,
(미현) 뭐요?
(현우) 제가 학교 다닐 때에는 그러니까 초등학교, 중학교, 고등학교 이렇게 학교 다닐 때, 청소 시간이 되면 반 전체가 모여서 청소를 했는데, 정은이 학교에서는 몇 명이 청소를 한다고 했죠?
(미현) 다섯 명이요.
(현우) 네, 다섯 명 플러스 지각한 학생들까지 청소를 한다고 했는데, 지각한 학생들까지 합하면, 한 열 명?
(미현) 네, 그 정도 학생이 그 넓은 교실을 다 청소할 수 있을까요?
(현우) 혹시, 정은이 학교 학생들은 교실을 굉장히 깨끗하게 쓰는 거 아니에요?
(미현) 음, 글쎄요. 제가 학교 다닐 때도 다 같이 했거든요. 다 같이 한 삼십분 청소하고 집에 갔는데.
(현우) 정은이 학교는 학생들이 교실을 깨끗하게 쓰는 것 같아요. 열 명 안으로 청소가 가능한 것을 보면요. 그리고 두 번째 확인 문제 답은 뭐죠? 미현 씨. 주번이 뭐예요? 주번.
(미현) 네, 주번은 아침에 일찍 학교에 와서 교실문을 열고, 쉬는 시간마다 칠판을 닦고, 청소할 때는 책상 줄을 맞춰 놓고, 또 칠판 아래를 걸레로 닦는 학생들을 주번이라고 해요.
(현우) 누가 주번이 되는 거죠?
(미현) 일주일마다 출석 번호 순서대로 두 명씩을 골라서, 주번을 시켜요.
(현우) 아... 맞아요. 저도 학교 다닐때, 이거 정말 싫어했었는데, 미현 씨는 어땠어요?
(미현) 네, 저도 이건 싫었어요. 다 같이 하는 것도 아니고, 아침 일찍 와야 하니까, 좀 귀찮기도 하고요.
(현우) 네, 맞아요. 그러니까 예를 들어서, 반에 오십 명이 있으면, 이번 주에는 두 명 1번과 2번. 다음 주에는 3번과 4번, 그리고 그 다음 주에는 5번, 6번 학생이 아침에 일찍 와서 문도 열고, 수업이 끝나면, 열심히 달려가서 칠판도 닦고, 선생님이 글씨 쓴 것을 닦아야 해요. 정말 귀찮죠.
(미현) 맞아요.
(현우) 그런데 그 덕분에 나머지 학생들은 편하다는 거.
(미현) 어떻게 보면, 이런 걸 하면서 서로 돕는 걸 배울 수 있는 것 같아요.
(현우) 네, 맞아요. 그런데 저는 가끔씩 이 주번이라는 것이 그렇게 자주 돌아오는 것은 아니잖아요? 한 두 달, 세 달에 한 번씩 돌아오니까 잊어버릴 때가 있어요.
(미현) 아... 그래요? 선생님이 그 전에 얘기해 주지 않나요?
(현우) 얘기를 해 주는데, 토요일날 집에 가서 쉬고, 일요일날 놀다가 보면 월요일날 아침에 학교를 일찍 가야 되는데, 깜빡 하고 평소랑 다름없이 가는 거예요. 똑같이. 그러면 다른 학생들이 기다리고 있죠.
(미현) 네, 그래서 무슨 일이 있었는데요?
(현우) 특별히 큰 문제가 있었던 적은 없었어요. 그런데 주번인데, 수업이 끝나면 칠판을 깨끗이 닦아야 하는데 매점에 가고, 또 선생님이 쓰는 분필이 없으면 분필도 가져와야 되는데, 분필이 없으면 선생님이 부르죠. “야, 주번 누구야?”
(미현) 맞아요. 저도 그렇게 불려간 적 있어요. 하하.
(현우) 네, 그래서 저도 수업시간에 갑자기 나와서, 교무실로 분필을 가지러 간 적도 있어요.
(미현) 그런데 여기 정은이 담임 선생님은 학생들하고 같이 청소를 한다고 하셨잖아요.
(현우) 네.
(미현) 정말 대단한 것 같아요.
(현우) 왜요? 왜 대단한데요?
(미현) 그냥 선생님은 시키기만 하시는 분들이 많은데, 이렇게 학생들하고 같이 하면, 학생들이 더 힘이 날 것 같아요.
(현우) 네, 제 생각에는 힘도 나겠지만, 또 가끔씩 학생들이 좀 게으름을 피우고 싶을 때 있잖아요. 천천히, 선생님이 안 보니까 대충대충 하고 싶을 때 있잖아요. 그럴 때, 선생님이 나타나서 열심히 청소를 하면 대충대충 할 수가 없으니까 정말 ‘아. 우리 선생님 왜 또 오셨지?’ 이렇게 생각하는 학생도 있을 것 같아요.
(미현) 네, 선생님이 이렇게 먼저 모범을 보여서 하시면, 학생들이 좀 투덜거리면서도 선생님을 존경할 것 같은데요.
(현우) 아... 그런가요? 그렇게 맨날맨날 청소를 열심히 해서 다섯 명, 열 명만 있어도 청소를 할 수 있나 봐요.
(미현) 네, 그런가 봐요.
(현우) 네, 아... 오늘 정은이의 이야기를 듣고 나니까, 저도 오늘 집에 가면 청소를 좀 열심히 해야겠어요.
(미현) 지난 번에 봤는데, 방 좀 열심히 청소하셔야 겠더라고요. 하하하하.
(현우) 네, 알고 있습니다. 네, 가서 열심히 청소, 대청소를 하겠습니다.
(미현) 꼭 대청소 하시길 바랍니다.
(현우) 근데 미현 씨 방은 청소 잘 하세요?
(미현) 와 보지 않았으면 말을 하지 마세요.

(현우) 아... 그 말 뜻은 깨끗하다는 자신감의 표현으로 받아들여도 되겠죠?
(미현) 네, 제 이미지를 보면 아실 거예요.
(현우) 네, 미현 씨의 좋은 이미지를 제가 망치지 않도록 하겠습니다. 그러면 여러분 오늘도 수고하셨고요. 이 오디오 블로그 해설 들은 다음에 KoreanClass101.com에 오셔서 PDF 확인하는 거 잊지 마시고요. PDF를 열어 보시면, 미현 씨와 저의 대화 전체 내용이 적혀 있습니다. 그러니까 꼭 참고하면서 들어보시고요. 제가 추천하는 공부 방법은 처음 들을 때에는 PDF를 보지 않고 듣고, 그 다음 두 번째 들을 때에는 PDF를 보면서 어디를 못들었는지, 어떤 단어들을 이해하지 못했는지, 확인하면서 들어 보시면, 도움이 많이 될 거예요. 그러면 여러분 웹사이트에서 뵙겠습니다.
(미현) 네, 열심히 공부합시다.
(현우) 네, 안녕히 계세요.

CULTURAL INSIGHT

한국의 중학교, 고등학교에서 청소 시간은 주로 4시에서 5시 사이예요. 정규 수업이 끝나고, 청소를 한 다음에, 보충 수업을 하는 학교도 있어요. 청소를 다 같이 하면 열심히 안 하는 사람들이 많이 있기 때문에, 정은이의 학교에서처럼 '담당'을 정해서 청소를 하는 경우도 있고, 부분으로 나누어서, 10명은 교실, 10명은 복도, 5명은 빗자루, 5명은 대걸레... 이렇게 나누어서 청소를 하는 경우도 있어요.

1. 안녕하세요, 여러분. 오정은입니다.
2. 저는 얼마 전에 친구들과 함께 웨딩 카페에 다녀왔습니다.
3. 웨딩 카페는 일반 카페와 다르게 웨딩 드레스를 입을 수 있는 카페입니다.
4. 웨딩 드레스에 따라 가격이 모두 다르게 진열되어 있어서, 커플들도 가지만, 여자들끼리 가는 경우도 많습니다.
5. 친구들과 웨딩 카페에 들어가서 마실 것을 시키고 나서, 조금 있다가 웨딩 드레스를 입어 봤습니다.
6. 처음으로 입어 보는 거라서, 입고 나서는 많이 어색했습니다.
7. 하지만, 어색해도 친구들과 다 같이 웨딩 드레스를 입으니, 정말 예뻤습니다.
8. 키가 큰 친구들은, 드레스를 입으니 진짜 신부 같았습니다.
9. 저는 키가 작은 편이라서, 드레스 길이가 조금 길어서 걸어다닐 때 불편했어요.
10. 하지만 입어 보고 싶었던 웨딩 드레스를 입었다는 것만으로도 기분이 좋았습니다.
11. 드레스를 입고, 사진을 찍어서 보니, 옷이 날개라는 말이 맞더군요.
12. 그렇게 친구들과 웨딩 사진을 찍는 포즈로 사진을 찍으면서, 한참을 웃고 떠들다가 카페를 나왔습니다.
13. 한국에는 이런 이색 카페가 많은 것 같아요.
14. 저는 친구들과 이색 카페를 찾아다니는 것을 좋아해서 이렇게 친구들과 자주 돌아다니면서 색다른 곳을 잘 찾습니다

ENGLISH

1. Hello everyone. I'm Jeongeun Oh.
2. A few days ago I went to a wedding cafe with my friends. A wedding cafe, unlike normal cafes, is a cafe where you can wear a wedding dress. The displayed prices are different from dress to dress, and as well as couples who are going there, a lot of women go there together as well.
3. We went into the wedding cafe and ordered something to drink, and after a while, we tried the wedding dresses on. It was my first time wearing one, so I felt very awkward after I put it on.
4. But, although it felt awkward, it really looked pretty when all of us wore the wedding dresses all together. Some of my friends who are taller looked like a real bride in their dresses. I'm on the smaller side, so the dress was a bit too long for me so it was uncomfortable for walking. But I was just happy with the fact alone that I was wearing a wedding dress and I had wanted to wear it so much.
5. I think there are a lot of unique cafes like this in Korea. I like to go looking for unique cafes with my friends, so I often go to places like this with my friends and find unique places well.
6. What kind of unique cafes are there in your country? Please tell me about them.
7. Then I'll be back next week. Thank you.

GRAMMAR

The following is the complete transcript of the commentary by 현우 and 미현.

(현우) 안녕하세요. 미현 씨.
(미현) 안녕하세요. 현우 씨.
(현우) 네. 반갑습니다.
(미현) 네.
(현우) 미현 씨.
(미현) 네.
(현우) 결혼하셨어요?
(미현) 네? 결혼이요?
(현우) 네.
(미현) 제가 결혼한 것처럼 보이나요?
(현우) 네.
(미현) 네? 아.... 슬퍼요
(현우) 아. 농담이고요
(미현) 네.
(현우) 결혼을 하실 나이는 되어가고 있지요?
(미현) 됐죠.
(현우) 됐죠. 하하하.
(미현) 하하하. 됐습니다.
(현우) 됐나요?
(미현) 네.
(현우) 아.. 그런데 결혼이라고 하면 여자분들은 제일 먼저 떠오르는 것이 뭐예요?
(미현) 음.... 웨딩드레스요.
(현우) 그렇죠.
(미현) 네.
(현우) 저도 사실 결혼하면 남자의 웨딩 턱시도, 웨딩 드레스가 아니라 여자의 웨딩 드레스가 떠올라요.
(미현) 네. 저도 빨리 입어 보고 싶어요.
(현우) 아. 정말요?
(미현) 네.
(현우) 저는 입어 보고 싶진 않지만, 그 웨딩 드레스가 참 예쁘다고 생각하는데,
(미현) 네.
(현우) 어, 미현 씨처럼 이렇게 입어 보고 싶은 사람들을 위해서
(미현) 네.
(현우) 입어 볼 수 있는 곳이 있나봐요.
(미현) 아. 그래요? 결혼하지 않아도 되요?
(현우) 네. 결혼할 필요 없어요.
(미현) 오. 저한테 딱인데요.
(현우) 네.
(미현) 결혼할 계획은 지금 당장 없지만, 웨딩 드레스만 입어 보고 싶은 그런 사람들한테 좋을 것 같아요.
(현우) 네. 맞아요. 그런데 이런 웨딩 드레스를 입어 볼 수 있는 곳, 입어 볼 수 있는 장소에 우리 정은이가 갔다온 것 같아요.
(미현) 아. 벌써요? 고등학생이잖아요.
(현우) 네. 정은이가 한국 나이로 열아홉살이죠.
(미현) 네.
(현우) 열아홉살인데, 결혼에 관심이 많나봐요.
(미현) 하하하. 아. 근데 웨딩 드레스는 결혼에 관심이 있고 없고에 상관없이 여자들이라면 한 번쯤 입어 보고 싶을 꺼예요
(현우) 아. 저도 그 기분이 조금은 이해가 되는 것 같아요. 그러면 오늘의 오디오 블로그에서 정은이가 웨딩 드레스를 어떻게 입어 봤는지, 어디에 가서 입어 보았는지, 이야기를 해 줄 텐데, 한번 들어 보시죠. 그리고 들어 보기 전에, 미현 씨, 오늘의 확인 문제는 무엇인가요? 무엇을 생각하면서 들어야 하나요?
(미현) 네. 정은이가 웨딩 드레스를 입어보고, 좀 불편하다고 했어요. 왜 불편했는지 잘 들어 보세요.
(현우) 네. 잘 들어 보세요.

[정은이의 오디오 블로그]

(미현) 아. 현우 씨, 정은이가 웨딩 드레스를 입고, 왜 불편하다고 생각했어요?
(현우) 아. 정은이는 키가 조금 작은 편이예요. 아주 작지는 않지만, 조금. 그래서 키가 작은 편이라서, 드레스 길이가 상대적으로 길죠.
(미현) 네.
(현우) 그래서 드레스 길이가 조금 길어서, 걸어다닐 때 불편하다고 했어요.
(미현) 음. 그래도 정은이가 웨딩 드레스를 입고 많이 좋아한 거 같죠?
(현우) 네. 좀 불편해도 웨딩 드레스, 결혼하기 전까지 한번도 못 입어 보는 사람도 많은데, 정은이는 입어 봐서 정말 기분이 좋았을 것 같아요.
(미현) 네. 그리고 드레스를 입고 사진을 찍었네요.
(현우) 우와.
(미현) 입기만 하는게 아니라 사진도 찍을 수 있으니까 얼마나 좋아요. 기념으로 사진을 남길 수 있잖아요.
(현우) 그런데 그런 사진을 찍어서 미니홈피나 블로그에 올리면 친구들이 “너 결혼했어?”하고 오해할 것 같아요.
(미현) 어. 재미있는 오해일 것 같은데요.
(현우) 네. 정은이는 이렇게 공부를 하다가 지칠 때, 친구들하고 만나서 이야기도 하고, 바람도 쐬고 하는데, 이런 이색 까페, 이런 이색적인 곳, 좀 특이한 곳을 잘 아는 것 같아요.
(미현) 네. 저도 모르는 이런 곳을 많이 소개해줘서, 너무 재미있고 저도 한 번 가보고 싶어요.
(현우) 네. 정은이한테 어떻게 이런 곳들을 이렇게 많이 아는지 물어봤더니, 정은이도 관심이 있고,
(미현) 네.
(현우) 친구들도 이런 곳들에 관심이 있어서 항상 정보를, 새로운 정보를 잘 입수한다고 하더라고요.
(미현) 아. 그렇구나. 고3이지만, 너무 공부만 하는 것보다 이렇게 공부가 힘들 때, 그리고 기분 전환하고 싶을 때, 이런 이색적인 공간을 찾는 것도 좋은 것 같아요.
(현우) 네. 제가 고3 때, 이런 재미있는 장소들이, 이런 가게나 까페들이 있었더라면 자주 갔을 것 같은데, 저는 안타깝게도 하나도 알지 못 하고, 고등학교를 졸업했네요
(미현) 네. 맞아요. 저도 고등학교 때 이런거 몰랐던 거 같아요. 그런데 우리가 고등학생일 때는 이런 게 없지 않았나요?
(현우) 네. 많지 않았죠. 그리고 거의 없었죠. 그런데 요즘에는 많이 생긴 것 같아요.
(미현) 네.
(현우) 요즘에 고등학생들, 물론 힘들기도 하지만, 부러운 면도 있네요.
(미현) 네. 그래요.
(현우) 네. 그러면 오늘도 여러분, 공부하시느라 수고 많으셨고요. 다음 주에 정은이가 또 어떤 재미있는 이야기를 해 줄지 기대하면서, 앞으로 일주일도 한국어 공부 열심히 하시기 바랍니다.
(미현) 그리고 여러분 집 근처에도 이런 재미있는 까페들이 있나요? 있으면 코멘트 꼭 남겨 주세요.
(현우) 네. Koreanclass101.com 홈페이지에 오셔서 코멘트 남겨 주시고, 그리고 여러분도 아시다시피 저와 미현 씨의 이 모든 대화 내용 역시 PDF에 기록이 될 꺼니까 참고해 주시기 바라고요. 한국어 공부 재미있게 하세요. 여러분, 그럼 다음 주에 뵙겠습니다.
(미현) 다음 주에 또 만나요.
(현우) 안녕히 계세요.
(미현) 안녕히 계세요.

1. 안녕하세요, 여러분. 오정은입니다.
2. 여러분은 체육시간에 무엇을 하세요?
3. 저는 주로 강당에서 친구들과 베드민턴을 치거나, 농구를 하거나, 앉아서 이야기를 합니다.
4. 학교는 남녀공학이지만 반은 남녀 각반이여서 체육 시간에 비가 오지 않는 한, 남학생들은 운동장에서 축구나 농구를 하고, 여학생들은 강당에서 간단한 체조를 한 뒤에 10-15분 정도 운동을 합니다.
5. 그리고 나머지 시간은 친구들과 구석에 앉아서 얘기를 하면서 보냅니다.
6. 저는 주로 구석에 앉아서 친구들과 이야기를 하는데, 체육 시간에 하는 운동을 별로 안 좋아하거든요.
7. 하지만 가끔 친구들과 두 명씩 편을 갈라서 베드민턴을 할 때도 있습니다.
8. 베드민턴에서 진 팀이 아이스크림이나 빵을 사 주는 규칙을 정합니다.
9. 그래서 체육시간에 열심히 운동을 할 때는 베드민턴을 할 때 뿐입니다.
10. 이렇게 항상 체육시간이 돌아올 때만 오랜만에 운동을 하면, 다음날 온몸이 아파요.
11. 그래도 체육 시간에 시험을 보는 날에는, 시험이라는 생각에 긴장을 해서 그런지 아주 열심히 해요.
12. 얼마 전에는 농구 시험을 보았는데, 조금은 재미있었어요.
13. 여러분은 운동을 좋아하세요?
14. 만약 좋아하신다면 어떤 운동을 좋아하세요?
15. 그럼 다음 시간에 만나요. 감사합니다.

ENGLISH

1. Hello, everyone. I'm Jeongeun Oh.

2. Everyone, what do you do during physical education? Most of the time I go to the auditorium and play badminton, or play basketball, or sit and talk.

3. My school is co-ed, but the classes are split, so during physical education, if it doesn't rain, the boys will play soccer or basketball in the gym, and the girls will do some exercise for about 10 to 15 minutes in the auditorium after doing some simple warm-up exercise. And for the rest of the period, I go to a corner and pass the time by talking with friends.

4. I usually sit in the corner and talk with my friends. I don't really like the exercises we do during gym class.

5. But sometimes with my friends, with 2 people per team, we'll play badminton. We'll make a rule that the losing team will have to buy ice cream or bread. So the only time I really exercise is when I play badminton.

6. When I try really hard like that after a long time only when the physical education class comes around, my whole body hurts the next day. But on the day of our physical education test, I don't know if it's because I think it's a test, I get really nervous and try really hard. I had a basketball test Not too long ago, and it was a little fun.

7. Everyone, do you like exercise? If you do like exercise, what kind of exercise do you like?

8. Then, I'll see you next time. Thank you.

(미현) 안녕하세요 미현입니다.
(현우) 안녕하세요 선현우입니다. KoreanClass101.com의 정은이의 오디오 블로그에 오신 것을 환영합니다. 미현 씨, 오늘 정은이의 오디오 블로그에서는, 우리가, 아주 재밌는 이야기를 할 거예요.
(미현) 네, 무슨 이야기죠?
(현우) 제가 아주 좋아하는 거.
(미현) 공부?
(현우) 공부도 좋아하지만
(미현) 여자? 하하.
(현우) 아... 네... 하하하. 그것도 있지만, 또, 제가 아주 좋아하는 거.
(미현) 운동!
(현우) 맞아요. 제가 운동을 아주 좋아하는데, 사실, 고등학교 때까지는 별로 좋아하지 않았어요.
(미현) 왜요?
(현우) 모르겠어요. 대학생이 된 다음에 운동을 정말 좋아하기 시작했는데, 고등학교 때까지는 운동을 스스로, 좋아서, 재미있어서 하기보다는, 그냥 해야 하니까, 체육 시간이 돌아왔으니까, 그냥 억지로 하는 정도였어요. 미현 씨는 어땠어요? 고등학교 때 체육 시간 재미있었어요?
(미현) 음... 저는 고등학교 때는 별로 재미있었던 기억이 없어요. 왜냐하면, 하하하. 이유는 되게 단순한데...
(현우) 뭔데요?
(미현) 음... 체육 시간이 되면, 교실에서 체육복으로 갈아입어야 되거든요.
(현우) 맞아요. 옷 갈아입는 거 정말 귀찮죠. 그리고 혹시, 깜빡하고 체육복을 집에서 안 가져온 날에는, 다른 반에 있는 친구한테 빌리러 가야 되죠?
(미현) 네, 저는 쫌 어렸을 때부터 건망증이 심해서, '체육시간'하면, 체육복 빌리러 다녔던 생각 밖에 안 나요.
(현우) 저도 체육복 빌리러 다녔던 적 많은데, 어... 운이 나빠서, 제가 알고 있는 모든 친구들이 동시에 체육 시간일 때가 있어요. 그럴 때는 빌릴 수가 없어서, 선생님한테 혼 나죠.
(미현) 하하하. 네, 맞아요.
(현우) 아, 체육 시간 하니까 벌써 이렇게 많은 이야기들이, 많은 생각들이 나오는데, 정은이가 지금 고등학교 3학년이죠? 정은이가 학교에서 받고 있는 체육 수업은 어떠한지, 한번 정은이의 이야기를 들어 볼 텐데요, 그 전에 확인 문제를 보고 넘어갈까요?
(미현) 네, 첫 번째, 정은이가 체육 시간에 주로 하는 일은 무엇인지 잘 들어 보세요. 두 번째, 정은이가 얼마 전에 체육 시간에 시험을 봤는데요, 무슨 시험을 봤는지, 잘 들어 보세요.
(현우) 네, 그러면 그 두 가지. 정은이는 주로 체육 시간에 무엇을 하는지, 그리고 얼마 전에 무슨 시험을 보았는지, 생각하면서 잘 들어 보세요.

[정은이의 오디오 블로그]

(현우) 우와, 정은이는 원래 운동을 좋아하지 않나 봐요, 그렇죠?
(미현) 네, 주로 구석에 앉아서 친구들과 이야기를 하네요?
(현우) 네, 그런데 저는, 제가 다녔던 고등학교는 남녀공학이 아니라, 남학생 여학생 다 다니는 학교가 아니라, 남학생만 다니는 남자 고등학교였어요. 그래서 잘은 모르지만, 나중에 친구들한테 얘기 들어 보면, 여학생들은 이렇게 구석에 앉아서 이야기만 하고 있는 경우가 많았다고 친구들한테 얘기를 들었는데, 미현 씨 학교는 어땠어요?
(미현) 저희 학교는 체육 시간에 좀 엄격한 편이었어요. 그래서 체육 시간이니까, 쉬는 시간처럼 그렇게 수다를 떨거나 할 수 없었어요.
(현우) 아하, 그러면 체육 시간이 시작되면, 처음부터 끝까지, 열심히 체육을, 운동을 해야 되는 거였어요?
(미현) 네, 교과서에 나온 운동이나... 아니면 학교에서 배우게 하는, 운동을 다 배웠어요.
(현우) 예를 들어서 어떤 것들을 배우셨어요?
(미현) 저희 학교는... 많이 배운 것 같아요. 구기 종목 많이 배웠는데요.
(현우) 아, 잠깐만요. 구기 종목이 뭐예요?
(미현) 공을 가지고 여러명이 하는 스포츠요. 예를 들면, 배구나, 농구, 핸드볼.
(현우) 야구, 축구, 이런 것도 구기 종목이 되나요?
(미현) 네, 그렇죠?
(현우) 네. 맞아요.
(미현) 아, 이건 중학교 때 얘긴데요. 저희 학교는 핸드볼을 정말 열심히 배워서, 체육 대회 때 핸드볼 대회도 했어요.
(현우) 아, 전학생이 팀을 만들어서?
(미현) 예, 그렇게 토너먼트로 대회를 해서, 저희 반이 결승에 올랐거든요? 그런데 대표 선수들이, 저도 그 때 선수였는데, 하하.
(현우) 우와 상상이 안 돼요.
(미현) 하하. 네, 옛날에는 제가 쫌 운동을 잘 했거든요.
(현우) 네.
(미현) 옛날에는. 그래서 그때 결승전에서 져서, 같이 막, 친구들하고 울고 그랬던 기억이 나네요.
(현우) 우와, 그래도 지금 생각해 보면 참 재미있는 추억일 것 같은데, 저희 학교에서는 남자 고등학교인데도, 그렇게 열심히 체육을 하지 않았어요. 1학년, 2학년 때에는, 축구, 그냥 축구... 아니면 농구를 할 수 있도록 공을 주고, 그리고 3학년 때에는 수능 시험 준비를 해야 되기 때문에, 공부가 많이 부족하기 때문에, 계속 공부를 하라고, 수업을 하지 않았어요.
(미현) 네... 그래요. 저도 지금 생각해 보니까, 고3 때는 체육을 1주일에 한 번 정도 밖에 안 한 것 같아요.
(현우) 아, 그렇군요. 그러면 두 번째 확인 문제로 넘어가서, 정은이는 얼마 전에 체육 시간에 어떤 시험을 봤나요?
(미현) 네, 농구 시험을 봤어요.
(현우) 농구 시험. 어떤 농구 시험이었는지는 정은이가 얘기를 하지 않았지만, 제 생각에, 아마 농구 시험을 봤다고 하면, 공 드리블, 아니면 슈팅인 것 같은데, 어때요?
(미현) 네, 저도 시험을 봐서 아는데요, 여자 학교라서 아마 드리블 하는 것까지는 시험을 안 봤을 거예요. 저희는 그때 그냥 슈팅하는 것만 시험을 봐서, 몇 개 들어가면 몇 점, 이렇게 시험을 봤거든요.
(현우) 아하, 그렇군요.
(미현) 예, 너무 단순하죠?
(현우) 네. 하하. 농구라고 하기는 좀 부족한 것 같은데, 그래도 교실에 앉아서 공부만 하는 것보다는 재미있는 것 같아요. 아. 아까 말씀드렸듯이 제가 운동을 정말 좋아하는데, 체육 시간 얘기가 나오니까, 또 운동을 하고 싶어지네요.
(미현) 나가세요. 하하.
(현우) 네, 그러면 오늘은 여기까지 하고, 저희는 다음 시간에 다시 찾아 뵐게요. 그리고 여러분, 이 방송을 들으신 후에, KoreanClass101.com에 찾아 오셔서, 첫 번째 코멘트를 열어 보시면, 정은이의 오디오 블로그 대본이 적혀 있고요, PDF를 열어 보시면, 저와 미현 씨가 나눈 대화, 그리고 단어들, 다 적혀 있으니까, 천천히 읽으면서, 재미있게 공부하시기를 바랍니다.
(미현) 네, 평소에 한국에 공부하다가 질문이 있으면, 저희한테 오셔서 질문 남겨 주세요.
(현우) 네, 그러면 바로바로 답변 드리겠습니다. 여러분 그러면 오늘도 수고하셨고요, 저희는 다음 주에 다시 찾아 오겠습니다. 미현 씨 수고하셨어요.
(미현) 네, 모두 수고하셨습니다. 안녕히 계세요.
(현우) 네, 안녕히 계세요.

MAIN

1. 안녕하세요, 여러분. 오정은입니다.
2. 얼마 전에 저희 학교에서는 학교 축제가 있었습니다.
3. 저는 3학년이기 때문에, 오후 4시까지는 학교 축제에 참가하지 못 했습니다.
4. 원래 고3은 축제 때에도 해야 할 공부가 많기 때문에, 학교 수업이 끝나야 참가할 수 있답니다.
5. 그래서 보통은 1학년, 2학년들이 축제에 참가하고, 다른 학교 학생들이 많이 오기도 한답니다.
6. 물론 고3들도, 점심 시간에 밥을 빨리 먹고 선생님 몰래 잠깐 가서 축제를 보고 오기도 해요.
7. 저희 학교에서는 동아리 활동을 할 수 있어서, 음식을 만들어 파는 곳도 있고, 한 교실에 오락기를 가져다가 오락실을 만드는 곳도 있고, 저녁에는 오락기 기계를 치우고 클럽을 만들어 돈을 내고 들어가서 놀기도 해요.
8. 저녁에는 강당에서 장기자랑도 하고, 낮에는 밴드부의 공연을 하고 마술쇼 같은 것도 한답니다.
9. 아침에는 1학년들이 강당에서 공연을 보고 2학년들은 운동장에서 퀴즈를 맞추어서 상품을 받습니다.
10. 그리고 3학년은... 음악 소리와 다른 학생들이 소리 지르는 소리 등을 들으면서 수업을 들어야 합니다.
11. 나가서 축제를 즐기고 싶은 것을 꾹 참고 공부를 해야 하는 거죠.
12. 작년에 제가 2학년일 때는 몰랐는데, 3학년이 되어 축제날에 이렇게 교실에 앉아 있으니, 정말 축제라는 것은 너무 너무 좋은 것이더군요.
13. 수업이 끝나고, 조금 남은 축제의 마지막 부분을 즐길 수 있었는데, 고등학교에서의 마지막 축제라 그런지, 1학년, 2학년 때보다 훨씬 더 재미있었던 것 같아요.
14. 여러분은 학교에 다닐 때 축제에 참가한 적이 있으세요? 혹시 있다면, 이야기해 주세요.
15. 그럼 저는 다음에 다시 찾아올게요. 감사합니다.

ENGLISH

1. Hello everyone. I'm Jeongeun Oh.

2. Some while ago, there was a school festival at my school. Because I am a 3rd grader I couldn't participate in the school festival until four in the afternoon. Usually, 3rd graders have a lot of studying to do, so they can only participate after classes. So only the 1st and 2nd graders participate in the school festival and also many students come from other schools. But of course the 3rd graders go too and watch the festival by sneaking out during the lunch time after eating quickly.

3. My school allows students to have club activities, so they make and sell food, or bring some game machines and turn a classroom into a game room. And they clean up the game machines at night and make it into a club so students can pay and go in to hang out. During the night in the auditorium, there are talent shows and during the afternoon there are concerts by bands and magic shows.

4. In the morning the 1st graders go to the auditorium to watch the performances and the 2nd graders go to the school field to take quizzes to get prizes. And the 3rd graders have to study while hearing the music and screaming from other students. We have to stand the envy to go out and enjoy the festival. I didn't know when I was a 2nd grader but now that I became a 3rd grader and I'm sitting in the classroom like this, I realize that the school festival is a really good thing.

5. After the class, I was about to enjoy the last bits of the festival and I guess maybe because it was my last school festival, it seems like it was more fun than the ones that I had in 1st and 2nd grade.

6. Have you ever participated in school festivals when you are a student? If you have, please tell us about it.

7. I will come back next week, then. Thank you.

GRAMMAR

The following is the entire transcript of the commentary by 현우 and 미현.

(미현)
(현우) 안녕하세요 미현 씨.
(미현) 안녕하세요 현우 씨.
(현우) 네, 일주일 동안 어떻게 지내셨어요?
(미현) 네, 그냥... 그럭저럭 지냈어요.
(현우) 네? 아... 그래요? (네) 좀 더 재미있는 일이 많이 있었으면 좋겠는데, 오늘은 정은이가 고등학교에서 아마도 가장 재미있는 이벤트라고 할 수 있는, 학교 축제에 대해서 이야기해 줄 건데, 이 이야기를 듣고 나면 좀 더 재미있지 않을까요? 신나지 않을까요?
(미현) 아, 그래요?
(현우) 네.
(미현) 아... 기대 되는데요?
(현우) 그렇죠?
(미현) 네.
(현우) 그런데 미현 씨는 이미 대학에서 졸업을 하셨지만, 미현 씨도 대학교 다닐 때에는 축제 같은 거에 많이 참가하고 그러셨나요?
(미현) 대학교 때는 제가 동아리 활동을 하지 않아서요, 제가 준비를 하거나 하지는 못 했어요. 그냥 다른 동아리에서 준비한 것들을 보거나 맛있는 것을 사먹거나 그랬어요.
(현우) 네, 뭐... 그렇게, 준비를 하지 않고 참가만 하더라도 충분히 재미있는 것이 학교의 축제인 것 같아요.
(미현) 네, 현우 씨는요?
(현우) 네, 저는 해마다 축제가 있을 때 항상 참여했었는데요, 제가 속해 있는 곳이 춤을 추는 춤 동아리이기 때문에, 어... 해마다 축제 때에는 항상 공연을 했어요. 무대에 올라가서.
(미현) 공연이요?
(현우) 네.
(미현) 우와.
(현우) 정말 재밌어요.
(미현) 멋있어요!
(현우) 네... 다음 번에 제가 공연 할 때 꼭 초대할 테니까, 보러 오세요.
(미현) 다음에 공연이 있어요?
(현우) 네. 가을에 공연을 할 거예요.
(미현) 아... 지금 좀 보여 주세요.
(현우) 마음 같아서는 지금 춤을 보여드리고 싶지만... 일단 정은이의 이야기에 대해서 우리가 먼저 이야기를 끝내고 춤을 추던지 노래를 하던지 해야겠죠?
(미현) 네, 그럼 빨리 들어 보고, 현우 씨 춤 보여 주세요.
(현우) 네, 그러면 들어 봐요. 들어 보기 전에 확인 문제를 미현 씨가 먼저 알려주세요.
(미현) 오늘의 확인 문제는, 정은이가 학교 축제 때 무엇을 했나요입니다.
(현우) 네, 그러면 정은이가 학교 축제 때 무엇을 했는지 잘 생각하면서 들어 보세요.

[정은이의 오디오 블로그]

(현우) 아, 정말 안타깝군요.
(미현) 네, 이렇게 안타까울 수가요.
(현우) 그렇죠. 그래도 마지막에 조금이라도 축제를 볼 수 있어서 다행이에요.
(미현) 네, 정은이가 뭐 했어요?
(현우) 네, 정은이는 고등학교 3학년이죠?
(미현) 네.
(현우) 고등학교 3학년이기 때문에 학교 축제를 하는 날에도 수업이 끝나고 나서 늦게서야 축제에 가서 잠깐 축제를 즐길 수 있었다고 했는데, 조금이라도 볼 수 있어서 정말 다행이네요.
(미현) 네, 다행이에요. 그런데 정은이 학교에서는 정말 화려하게 열린 것 같아요.
(현우) 네, 정말 그렇죠? 이벤트가 정말 많았어요.
(미현) 네, 음식을 만들어서 파는 곳도 있었고요, 한 교실에 오락기를 가져다가 오락실을 만든 곳도 있고,
(현우) 네, 이게 정말 놀라워요.
(미현) 네... 더 놀라운 건, 저녁에는 오락실 기계를 치우고, 클럽을 만들어서 놀았다는 거예요.
(현우) 네, 우와... 평소에는 공부를 열심히 하는 학생들이 이렇게 축제 날에는 확실히 논다는 것, 참 멋지다고 생각해요.
(미현) 네, 공부 스트레스도 풀고, 다른 친구들도 만나고, 재미있을 것 같아요.
(현우) 네, 맞아요. 방금 미현 씨가 정말 중요한 점 한 가지를 이야기해 주셨는데,
(미현) 뭐요, 다른 친구?
(현우) 네, 다른 친구를 만난다는 것.
(미현) 음... 그렇죠.
(현우) 네. 미현 씨는 남녀공학 나오셨어요? 아니면, 여자고등학교 나오셨어요, 아니면 남자고등학교 나오셨어요?
(미현) 남자고등학교? 헉... 하하하. 네. 저는 여자입니다. 그래서 여자고등학교를 나왔어요.
(현우) 네.
(미현) 우리 때는 남녀공학이 흔치 않았어요.
(현우) 그렇죠. 저도 남자고등학교를 나왔는데,
(미현) 그렇죠?
(현우) 네. 축제 때에는 평소에는 제가 여자고등학교에 들어가려고 하면, 경비 아저씨가, “너 뭐야?” “너 왜 왔어?” 이렇게 물으시겠죠?
(미현) 맞아요.
(현우) 그런데 축제 날에는 학교 교문이 활짝 열리고, 아무나 학교 안에 들어갈 수 있죠?
(미현) 네.
(현우) 그래서 남학생들도 여자고등학교에 들어갈 수 있고, 여학생들도 남자고등학교에 들어갈 수 있고요, 중학교도 마찬가지예요.
(미현) 네, 그래서 다른 학교 친구에 갔다가, 이성친구를 만날 수도 있어요.
(현우) 우와... 이것은, 분명 미현 씨의 경험에서 우러나오는 설명인데, 미현 씨는 그러면 남자고등학교, 또는 남자중학교 축제에 가서 멋진 이성친구를 사귄 적이 있어요?
(미현) 네, 제 친구 얘기예요. 하하하.
(현우) 아... 네. 알겠습니다.
(미현) 네, 정은이 얘기로 다시 돌아가서요.
(현우) 네.
(미현) 이렇게 재미있는 날인데, 3학년이라서, 다른 학생들이 소리 지르는 거, 음악 소리, 다 들으면서 수업을 들어야 했어요.
(현우) 네, 아, 정말 힘들었을 것 같아요.
(미현) 너무 안타깝죠?
(현우) 네. 마치 제가 2002년 한국-일본 월드컵 때, 군대에 있었기 때문에 텔레비전을 보지 못 하고, 주변 동네 사람들이 ‘와!!’하는 것을 보고 아, 골이 들어갔구나, (아... 어떡해) 라고 생각했던 것과 비슷한 슬픈 마음이었을 것 같아요.
(미현) 아... 현우 씨가 더 슬펐을 것 같아요.
(현우) 아니에요. 그때는 군인이었으니까, 당연히 그러려니 했어요.
(미현) 어, 정말 우리나라 군인들 대단합니다.
(현우) 네, 하지만 저는 군인들보다도 고3이 더 대단하다고 생각해요.
(미현) 하하하. 네.

(현우) 그러면 정은 양, 축제 후유증을 빨리 극복하시고, 다시 재미있게 신나게 열심히 공부하시길 바라고요, 저희는 다음 주에 다시 찾아올게요.
(미현) 네. 여러분도 학교에 다닐 때 재미있는 축제에 참가한 적이 있으세요? 있으면 코멘트 남겨 주세요.
(현우) 네. 감사합니다.
(미현) 안녕히 계세요.

CULTURAL INSIGHT

한국의 중학교, 고등학교의 축제는, 학생들이 자신의 재능을 보여줄 수 있는 좋은 기회이기도 하지만, 평소에는 들어가 볼 수 없었던 여자 학교, 남자 학교에 가서 친구들과 함께 놀 수 있는 좋은 기회이기도 해요. 예전과 비교했을 때, 대부분의 학교들이 학생들의 이러한 '동아리' 활동을 점점 더 많이 지원해 주고 있기 때문에, 중학교/고등학교 축제의 수준도 점점 높아지고 있어요.

1. 안녕하세요, 여러분. 오정은입니다.
2. 한국의 고등학교에는 '가정'이라는 과목이 있습니다.
3. '가정'은 뜨개질이나 바느질이나 요리를 배우는 과목입니다.
4. 남학생들은 거의 '기술'이라는 과목을 배우고 여학생들은 '가정'이라는 과목을 공부합니다.
5. 가정 수업 시간에는 가사실이라는 곳에 갑니다.
6. 가사실은 음식을 만들어 먹을 수 있는 곳입니다.
7. 가정 수업 시간은 일주일에 한 번 있는데, 스파게티도 만들어 먹고, 샌드위치나 비빔밥을 만들어 먹은 적도 있습니다.
8. 5명에서 6명씩 조를 짜서, 조끼리 음식을 만들어요.
9. 수업이기 때문에, 학교에서 재료를 다 주니까, 저희는 만들고, 먹고, 치우기만 하면 되요.
10. 가사실에 가면 음식을 만드는 조리 방법이 쓰여 있는 종이들이 있어요.
11. 앞치마를 하고 역할을 나누어서 요리를 하고, 마지막에는 다 만든 음식을 접시에 예쁘게 놓고, 선생님에게 평가를 받습니다.
12. 저는 매일 요리를 하지는 않아서 아직 요리하는 것이 서툴지만, 맛있게 만들려고 노력을 하고, 다른 공부와는 다르게 가정 수업은 재미있게 들을 수 있어서, 좋아하는 수업 중에 하나예요.
13. 여러분은 학교에서 요리 수업을 받아 본 적이 있으세요?
14. 여러분은 요리를 좋아하세요?
15. 그럼 다음 시간에 만나요. 감사합니다.

ENGLISH

1. Hi everyone. I'm Jeongeun Oh.

2. We have a subject called 'Home Economics' in Korean high schools. Home economics is a subject in which we learn to knit, to sew, or to cook. Boys usually learn a subject called gisul (skills) and girls study the subject home economics.

3. For the home economics class, we go to the home economics classroom. The home economics classroom is a place where you can make food and eat. We have home economics classes once a week. We've made spaghetti, sandwich, and bibimbap, too.

4. We make groups of 5 to 6 people, and cook in groups. Since it is a class, the school gives us all the ingredients, so we just have to cook, eat, and clean up. In the home economics classroom, there are pieces of paper that has cooking recipes written on them.

5. We wear aprons, divide roles and cook, and in the end we put the food that we finished making on the plates very neatly, and get an evaluation from our teacher. I don't cook everyday so I'm still not that good at cooking, but I try to make it delicious and I can have fun taking the home economics class unlike other studies, so it's one of the classes that I like.

6. Have you ever taken cooking classes in school? Do you like cooking?

7. Then I'll see you next time. Thank you.

GRAMMAR

The following is the complete transcript of the commentary by 현우 and 미현.

(미현) 안녕하세요. 미현입니다.
(현우) 안녕하세요. 현우입니다. 여러분 일주일 동안 잘 지내셨죠? 미현 씨 잘 지내셨어요? 일주일 동안?
(미현) 네, 저도 덕분에 잘 지냈습니다.
(현우) 네, 미현 씨가 잘 지낸 건 제 덕분 맞죠?
(미현) 네, 언제나 걱정해 주셔서. 하하하.
(현우) 네..특별히 걱정하는 것은 없지만 그래도 잘 지내셨다니 다행이고요. 오늘은 정은이가 어떤 이야기를 가지고 왔나요?
(미현) 네, 고등학교에 가정이라는 과목이 있는데요.
(현우) 아, 가정이요. 저는 사실 가정이라는 과목을 공부해 본 적이 없어요.
(미현) 아, 맞다. 여자 학교에서는 가정을 배우고요. 남자 학교에서 남자들은 다른 거 배운다고 들었어요.
(현우) 네, 맞아요. 남학생들은 가정이라는 과목을 배우지 않고 기술이라는 과목을 배우는데, 왜 여학생들은 가정을 배우고 남학생들은 기술을 배우는지 그리고 가정이 뭔지 기술이 뭔지 한번 들어 볼까요?
(미현) 아, 그런데 들어 보기 전에 우리 확인 문제 이야기 해 주셔야죠!
(현우) 네, 맞아요. 오늘의 확인 문제는 가정이라는 과목이 무엇인지 그래서 가정시간에 무엇을 배우는지입니다. 그러면 여러분 가정이라는 수업시간에 무엇을 배우는지 생각하면서 잘 들어 보세요.
(미현) 네, 잘 들어 보세요.

[정은이의 오디오 블로그]

(현우) 네, 잘 들어 보셨어요 미현 씨?
(미현) 네, 잘 들었어요. 그런데 저는 좀 못 마땅한 게 있어요
(현우) 아, 못 마땅해요? 뭐가 못 마땅해요? 뭐가 아쉬워요?
(미현) 현우 씨 이렇게 여자는 가정만 배우고 남자는 기술만 배우고 이렇게 하는 거 남녀차별 아니에요?
(현우) 음... 남녀차별이라고 할 수 있을 것 같아요. 저도 사실은 고등학교 때에는 이렇게 당연히 과목이 나뉘어져 있기 때문에 기술 밖에 없었어요. 학교에 가정이라는 과목 자체가 없었어요. 그래서 생각을 못 했는데, 어 나중에 생각 해보니깐, 음… 남자들도 요리를 배우고 여자들도 이렇게 공구를 다루고 못도 박을 줄 알고 톱으로 나무도 자르고 이런 것도 배울 수 있으면 좋을 텐데 라는 생각이 들었어요.
(미현) 요즘 남녀공학에서는 두 개 다 가르친다고 들었어요.
(현우) 음.. 그렇군요. 남녀공학 학교들이 많아지고 있죠.
(미현) 네.
(현우) 제가 다니던 중학교도 원래 제가 다녔을 때에는 남자 중학교였어요. 그랬는데 제가 졸업하고 1년뒤에 제 여동생이 들어갔어요. 그래서 제가 다닐때에는 여학생이 한 명도 없었는데 지금은 반반, 남학생 반 여학생 반 남녀공학이예요. 네, 그러면 확인 문제 정답을 확인해 볼까요? 정은이가 가정시간에 배우는 것은 뭐죠? 미현 씨?
(미현) 네, 뜨개질, 바느질 그리고 요리예요.
(현우) 바느질하고 뜨개질은 비슷한데 미현 씨는 뜨개질 아니면 바느질 둘 중에 하나 아니면 요리 어떤 것을 가장 좋아하세요?
(미현) 아, 이 셋 중에서 고르라고 하면 저는 요리요.
(현우) 음.. 저도 요리 좋아하는데 요리는 재미있는데 나중에 치울때가 귀찮죠?
(미현) 치울 때는 요리는 해주고 먹은 사람한테 '치우세요' 라고 하면 돼요,
(현우) 아 그래요? 그런데 문제가 있잖아요. 혼자 살면 요리 하는 사람도 나, 먹는 사람도 나, 치우는 사람도 다 나잖아요. 그럴 때는 어떻게 해요?
(미현) 그럴 때는 간단하게 요리를 하면 돼요. 하하.
(현우) 아… 치울 것이 없도록. 네... 알겠습니다. 그래서 이렇게 학교에서 요리를 가르쳐 주고 요리를 할 수 있는 교실이 있다는 것이 참 좋은 것 같아요. 말씀 드렸듯이 저는 기술이라는 수업을 들었고 가정 수업을 안 들었잖아요. 그래서 학교에서 요리를 해 본 적은 한번도 없어요. 미현 씨는요?
(미현) 저는 가사실에서 요리 해 본 적 있어요. 가면 가스레인지 뭐 냄비 그릇 뭐 아니면 재료, 음식 만드는 재료도 다 준비돼 있어서 가서 선생님 시키는대로 맛있게 만들기만 돼요.
(현우) 그러면 일주일에 한 번씩 가는 거예요?
(미현) 아, 이 요리 실습은 그렇게 자주 있진 않고요. 매과마다 뜨개질, 바느질, 요리가 나오면 그때 가서 요리를 하는 거예요.
(현우) 그러면 한 학기에 한 번이나 두 번 정도 가겠네요.
(미현) 네, 사실 그래요.
(현우) 알겠습니다. 와, 저도 만약에 고등학교로 돌아 갈 수 있다면 남녀공학을 다니고 싶어요. 여학생들이 있는 곳에서. 하하하
(미현) 같이 이렇게 다정하게 음식도 만들고 하하하… 좋아하는 여자 친구한테 선물도 하고
(현우) 어.. 음식을 만드는 거는 사실 모르겠어요. 음식을 만들 필요가 있는지. 그런데 수업을 남학생들만 있는 교실이 아니라 여학생들도 있는 교실에서 들을 수 있으면 더 재미있었을 것 같아요. 그냥 생각해 보기에. 실제로 어떨지는 모르겠지만요.
(미현) 네, 저도 좀 그래요. 저도 여자학교를 다녀서 남녀공학에 대한 약간 환상이 있어요. (현우) 환상… 무섭죠…
(미현) 네, 모르니까... 하하하
(현우) 네, 좋아요. KoreaClass101.com 방송을 듣고 계시는 여러분들도 혹시 학교에서 이렇게 요리 수업을 받아 본 적이 있는지 아니면 뜨개질 수업, 바느질 수업 또는 남학생들의 경우에는 집안에 고장난 물건을 고치고 의자를 만들고 책상을 만들고 이러한 것들을 수업시간에 배워 본 적이 있는 지 이야기 해 주세요. 이것이 한국에만 있는 것인지 아니면 다른 나라에도 있는지…
(미현) 아니면 남녀공학인지 한국처럼 남자 여자 학교가 따로 있는지 코멘트 남겨 주세요.
(현우) 네, KoreanClass101.com 웹사이트에 오시면 정은이의 오디오 블로그의 대본을 첫번째 코멘트에서 보실 수 있고 저와 미현 씨의 대화를 PDF에서 확인하실 수 있습니다. 네, 그러면 저희는 다음 주에 다시 찾아올게요.
(미현) 네, 이번 주 코멘트 정말 기대가 되는데요. 다음 주에도 재미난 이야기 갖고 올게요. 안녕히 계세요.
(현우) 네, 안녕히 계세요. 다음 주에 만나요.

1. 안녕하세요, 여러분 오정은입니다.
2. 지지난 주에는 한국의 가장 큰 명절 중의 하나인 추석이 있었어요.
3. 원래 추석에는 시골에 가서 친척들과 만나서 차례도 지내야 하지만, 저희 가족은 이번 추석에 아무데도 가지 않았어요.
4. 왜냐하면, 여러분도 아시다시피 저는 고등학교 3학년이기 때문입니다.
5. 이제 수능 시험이 얼마 안 남아서, 공부를 많이 해야 해서, 아무데도 가지 않기로 했지요.
6. 다만, 추석에는 학교에 가지 않아서 좋았어요.
7. 올해는 학교에 안 가도 계속 공부를 해야 하기 때문에 별 차이는 없지만요.
8. 추석인데, 명절인데 방에서 계속 공부만 해야 하는 것이 참 힘들었어요.
9. 하지만 어쩔 수 없지요.
10. 게다가 친척들을 만나면, 공부는 잘 되고 있는지, 어느 대학에 갈 것인지 질문을 많이 받을 것이 뻔하기 때문에, 집에서 이렇게 조용히 공부를 하는 것도 좋았어요.
11. 작년까지만 해도 추석은 정말 즐거운 명절이었고, 친척들 그리고 친구들을 만나서 신나게 놀 수 있는 연휴였는데, 올해는 수능이 얼마 남지 않아서 그런 재미를 별로 느끼지 못 하고 지나갔네요.
12. 내년에는 다시 즐거운 추석을 맞이할 수 있겠죠?
13. 여러분도 저와 비슷한 경험이 있으세요?
14. 재미있게 놀고 싶은데, 공부나 일을 해야 했던 경험이 있었다면 말씀해 주세요.
15. 저는 그럼 다음 주에 다시 찾아올게요.
16. 감사합니다. Click here to listen to the entire blog.

ENGLISH

1. Hi, my name is Jeongeun Oh. The week before last week was Chuseok, one of the biggest traditional holidays in Korea. In principle, on Chuseok, we have to go to the countryside and meet our relatives and also do the ceremony, but this Chuseok, my family didn't go anywhere. That's because, as you know, I'm in my 3rd year in highschool. Now I haven't got a lot of time left before the college entrance exam, so we decided not to go anywhere.

2. But on Chuseok I was happy because I didn't go to school. Although there wasn't much difference because I had to keep studying even though I didn't go to school. It was Chuseok, it was a holiday, and it was really frustrating to have to keep studying in my room. But I couldn't help it. In addition, if I met my relatives, it would be obvious that they would ask me whether I'm doing well in my studies and what college I will go to, so it wasn't so bad just staying at home to study quietly.

3. Only until last year, Chuseok was a very exciting holiday, and I was able to meet my relatives and my friends and have fun, but this year, since I don't have much time before the college entrance exam, I couldn't have that kind of fun while it was passing by. I guess I can enjoy a merry Chuseok once again, right?

4. Do you have a similar experience like mine? If you have an experience of having to study or work when you wanted to have fun, please tell me. I'll come back next week then. Thank you.

The following is the complete transcript of the commentary by 현우 and 미현.

(미현) 안녕하세요, 미현입니다.
(현우) 안녕하세요, 선현우입니다. 정은이의 오디오 블로그에 오신 것을 환영합니다. 미현 씨, 잘 지내셨죠? 지난 일주일 동안?
(미현) 네, 현우 씨는요? 어디 갔다오셨다면서요?
(현우) 네, 집에 다녀왔어요. 집에 다녀왔는데, 사실 지난주에 다녀온 것은 아니고, 그 지지난주에 다녀왔는데, 오늘 정은이가 정은이의 오디오 블로그에서 한국에서 가장 큰 세 가지의 명절 중에 하나, 어, 한국에서 가장 큰 세 개의 명절이 뭐죠?
(미현) 설, 추석, 두 개 아닌가요?
(현우) 네, 사실은 가장 큰 명절은 설, 추석인데, 크리스마스도 (아) 굉장히 크죠. 한국에서는...
(미현) 명절인가요?
(현우) 명절은 아닌데, 그냥 예, 명절 중에 끼워줄 수 있죠. 제 생각엔 그래요. 아무튼, 설날, 추석, 크리스마스에 사람들은 가족들하고 모여서 시간을 보내곤 하는데, 추석이 지지난주에 있었죠? 그래서 정은이도 추석을 보냈는데, 저도 추석 때, 부모님을 만나러 그리고 친척들을 만나러 광주, 제 고향인 광주에 다녀왔어요.
(미현) 아, 그러셨구나. 저는 이번 추석에는 아무 데도 못 갔어요. 그냥 서울에 계속 있었어요.
(현우) 아, 왜요? 어디 안 가셨어요?
(미현) 네, 제 고향은 대구인데, 원래 가야 되요. 가야 되는데, 미리 기차표를 예약해서 갔어야 하는데, 너무 늦게 알아보는 바람에 좌석도 없고 입석표도 없고, 갈 수가 없었어요.
(현우) 아. 그렇군요.
(미현) 아. 그런데 우리 얘기만 하지 말고, 정은이는 추석 때 뭐 했는지 빨리 한 번 들어 봐요.
(현우) 네, 아주 좋은 생각입니다. 그러면 정은이의 오디오 블로그를 한 번 들어 보시고요. 정은이의 오디오 블로그를 들을 때, 생각하실 확인 문제. 어, 미현 씨는 서울에 계속 있었고, 저는 광주에 다녀왔는데, 정은이는 올해 추석에 어디에 갔다왔는지 생각하면서 잘 들어 보세요.
(미현) 네, 들어 보세요.

[정은이의 오디오 블로그]

(현우) 아, 정은이가 어디에 갔다왔죠?
(미현) 아무 데도 가지 않았대요.
(현우) 아, 진짜요? 미현 씨처럼?
(미현) 네, 집에만 있었나봐요.
(현우) 그러면 정은이도 기차표를 못 구해서 아무 데도 못 갔나요?
(미현) 아니요. 정은이는 여러분도 아시다시피 고등학교 3학년이잖아요. 이제 수능이 얼마 안 남아서, 공부를 많이 해야 해서, 아무 데도 가지 않고, 공부만 한 것 같아요.
(현우) 네, 수능이 얼마나 남았죠?
(미현) 한 달이요.
(현우) 네, 한 달 정도 남았는데, 이제 정은이도 마지막 정리라고 할 수 있을까요? 정은이도 열심히 공부를 하기 때문에, 사실 하루 이틀 정도 쉬어도 괜찮죠. 괜찮은데, 그런 마음이 무겁기 때문에, 정은이 부모님도 어, "어디 가지 말고, 계속 공부하자." 이렇게 말씀하신 거 같아요. 미현 씨 생각은 어때요?
(미현) 네, 명절 때, 친척들이 많이 모이잖아요. 그 때 친척들이 이것저것 질문하면, 그것도 좀 부담이 될 거 같아요. 그래서 공부하는 시간이 부족하다기보다는 여러 가지 부담을 줄이기 위해서 그냥 집에 있었던 것 같아요.
(현우) 네, 맞아요. 친척들을 만나면 고등학교 3학년에게 자연스럽게 할 수 있는 질문들 있죠? 어떤 질문들이 있죠? 만약에 고등학교 3학년을 만났어요. 미현 씨는 어떤 질문들을 하시겠어요?
(미현) 아... 좀 부담스러운 얘기이긴 한데요. 음... "어디 대학 들어갈 수 있겠냐?" (하하)
(현우) 네, 원하는 대학에 들어갈 수 있는지, 그리고 지금 점수가 얼마나 되는지, 공부가 잘 되고 있는지, 열심히 하고 있는지, 여러 가지 질문들이 있을 수 있겠죠. 그런 질문들을 받으면 사실 아무리 공부를 잘 하는 학생도, 아무리 성적이 좋은 학생도 부담을 느끼겠죠. 그래서 정은이 부모님의 배려, 그리고 정은이의 바램으로 집에 있었던 것 같아요.
(미현) 너무 정은이의 마음에 대해서, 그리고 수능을 앞둔 고삼들에 대해서 정리를 잘 해주셨어요.
(현우) 네, 근데 이것은 고삼 수험생 생활을 경험해 본 사람이라면, 너무나 잘 아는 이야기가 아닌가 싶어요. 미현 씨도 잘 아실 것 같고, 정은이도 이번 추석에는 이렇게 아무 데도 못 가고, 그냥 공부 생각을 하면서 보냈지만, 내년에 대학생이 되고 나면, 자유롭게 친척들 만나러 가고, 명절에는 시골에 가서 친척들도 만나고, 또 기념할 일이 있으면, 놀면서 기념도 하고, 그럴 수 있었으면 좋겠네요.
(미현) 네, 그래요. 이제 한 달만 있으면, 그런 자유를 누릴 수 있을 꺼예요. 조금만 기다리세요. 정은 양.
(현우) 네, 그러면 정은 양. 앞으로 힘내시고, 계속 열심히 공부해 주세요. 그리고 여러분은 추석을 어떻게 보내셨는지, 혹시 다른 나라에 있지만, 한국의 문화에 관심이 많아서 또는 한국인 친구가 있어서, 한국의 추석 문화를 경험해 보신 분이 계신다면, 코멘트 남겨주시고요. Koreanclass101.com 웹사이트에 오시면 미현 씨와 저의 대화를 적은 PDF를 보실 수 있습니다.
(미현) 네, 질문 있으신 분들은 언제나 좋으니까 코멘트 남겨주시고요. 그리고 PDF 보면 저희의 대화가 그대로 적혀있으니까 정말 많이 도움 되실 꺼예요. PDF 꼭 보시고 공부하세요.
(현우) 네, 그러면 저희는 오늘 여기까지 하고, 다음 주에 다시 찾아오겠습니다. 다음 주는 정은이의 마지막 이야기이죠?
(미현) 네, 마지막 이야기, 수능에 관한 이야기이죠.
(현우) 네, 지금 정은이가 고등학교 3학년, 1년 동안 정은이의 이야기를 들어왔는데, 다음 시간에 정은이가 수능 시험을 보기 전에 마지막으로 저희에게 이야기를 해 주고, 작별 인사를 해 줄 거예요. 다음 시간에 오디오 블로그 절대 놓치지 마시고요. 저희는 다음 주에 뵙겠습니다.
(미현) 네, 다음 주에 뵐게요.
(현우) 네, 안녕히 계세요.

1. 안녕하세요, 여러분. 오정은입니다.
2. 저는 얼마 후에 수능 시험을 봅니다.
3. 수능 시험은 대학교에 가기 위해 보는 시험이에요.
4. 초등학교, 중학교, 고등학교에 다니면서 본 시험 중에서 가장 중요한 시험이라고 할 수 있어요.
5. 수능시험을 보기 전날, 학교에서 수험표를 나눠주고, 시험 보는 장소를 가르쳐 줍니다.
6. 거의 대부분의 수험생들은, 자기가 다니는 학교에서 시험을 보지 않고 자기가 다니는 학교 주변 또는 자기 집 주변에 있는 학교에서 시험을 봅니다.
7. 수험생들은 아침 일찍 7시 30분까지 배정된 학교에 가야 하기 때문에, 그 날에는 전국에 있는 학교들의 등교 시간과 회사들의 출근 시간이 1시간 정도 늦춰집니다.
8. 수험생들이 지각을 하지 않게 하기 위해서이죠.
9. 시험 과목에는, 언어, 수리, 외국어, 사회, 과학, 그리고 제2외국어가 있습니다.
10. 제2외국어는 선택한 사람만 보는 과목이에요.
11. 시험이 한 과목 한 과목 끝날 때마다, 여러가지 생각이 들겠죠?
12. 만약 시험을 잘 못 보면, 후회도 많이 할 것 같아요.
13. 그래서 저도 후회를 하지 않도록, 공부를 더 열심히 해야겠어요.
14. 이제 수능 시험이 앞으로 한달 남았어요.
15. 이제 저는 조금 더 열심히 공부를 하기 위해서, 여러분에게 여기에서 작별 인사를 드릴까 합니다.
16. 지금까지 저의 오디오 블로그를 들어 주셔서 정말 감사합니다.

ENGLISH

1. Hi everyone. I'm Jeongeun Oh.

2. I will take the university entrance exam, Suneung, soon. Suneung is a test to go to university in Korea. It is the most important exam all through out Elementary, middle and high school exams. The day before exam day, school hand out the examination tickets and tell us where the exam hall is. The most of students do not take this exam in their school. They take it at a school around their schools or their house. The examinees go to the place where they take the exam at 7:30 in the morning, so all the schools and companies' attendance time is moved an hour late. So that Suneung examinees wouldn't be late for this important exam.

3. The subjects for examination are language, mathematics, foreign language, social studies, science, and 2nd foreign language. The 2nd foreign language is for the people who chosen it personally. After every exam there will be many thoughts go by. And if I don't do well on it, I will regret deeply. So I should study hard not to regret about doing bad on the test.

4. The Suneung is a month left now. And I am going to say good bye to everyone so I could study more hard. Thank you very much for listening to my audio blog. Keep up the good works with your Korean studies. And wish me luck on my exam!

5. Thank you very much and bye.

(미현) 안녕하세요. 미현입니다.
(현우) 안녕하세요. 선현우입니다. 정은이의 오디오 블로그에 오신 것을 환영합니다. 그리고 지난 주에 말씀드린 것처럼 안타깝게도 이번에 정은이 오디오 블로그의 마지막입니다. 마지막. 미현 씨 소감이 어때요?
(미현) 아... 소감이요?
(현우) 예... 기분이 어때요?
(미현) 모... 정은양의 이 오디오 블로그 나름대로 재미있었고, 또 옛날 고등학교 시절 생각도 나고 그랬는데, 이제 끝난다니까 좀 아쉽네요.
(현우) 네, 아쉽지만 당연히 정은이는 이제 수능을 봐야 되기 때문에 계속 “정은아, 우리에게 얘기를 해 줘.”, “우리에게 많은 이야기를 들려 줘.” 라고 말하면서 정은이를 잡아놓을 수는 없을 것 같아요.
(미현) 네. 이제 시간이 없을 거예요.
(현우) 네. 정말 저도 생각해 보면 고등학교 때 수능 시험 한 달 남았을 때, 정말 정말 긴장하고, 열심히 공부했죠.
(미현) 네.
(현우) 네. 아마 이렇게 농담하잖아요. 고등학교 3학년 동안에 할 공부를 고3 1년에 다 하고, 고3 1년에 할 공부를 수능 전 한 달에 다 한다.
(미현) 네. 저도 들어본 거 같아요.
(현우) 네. 맞아요. 그래서 정은이는 아마 이제부터 한 달 동안 정말 정말 열심히, 아마 태어나서 가장 열심히 공부를 (하하하) 하지 않을까라는 생각이 듭니다.
(미현) 아니, 계속 스트레스를 주는 것 같아요. (앗, 아니에요)계속 하라고. 평생 태어나서 할 공부 지금 다 해. 하하하.
(현우) 아. 다행히 정은이는 이 오디오 블로그를 들을 시간도 없어요. 열심히 공부를 해야 되기 때문에 괜찮아요.
(미현) 네.
(현우) 네. 그럼 오늘은 정은이가 어떤 이야기를 할까요? 미현 씨, 오늘은 정은이가 무슨 이야기를 해 주나요?
(미현) 네. 정은이가 마지막이라고 또 수능시험 이야기를 해 주고 갔네요.
(현우) 네. 수능 시험에 대해서 혹시 수능 시험을 잘 모르시는 분들을 위해서 설명을 해 주고 있습니다. 한 번 들어 보실텐데요. 그 전에 오늘의 확인 문제는 뭐죠, 미현 씨?
(미현) 네. 수능 시험을 보는 날, 전국에 있는 학교들의 등교 시간과 또 회사들의 출근 시간이 한 시간 정도 늦춰진다고 했는데.
(현우) 음... 맞아요.
(미현) 그 이유가 뭘까요?
(현우) 이유가 뭘까요?
(미현) 생각하면서 들어 보세요.
(현우) 네. 들어 보세요

[정은이의 오디오 블로그]

(현우) 아... 수능 시험 이야기를 들으니까 제가 마치 10년 전으로 돌아가서, 고등학교 3학년이 된 것 같아요.
(미현) 아... 네. 우울하죠. 하하하.
(현우) 네. 그런데 스릴 있어요. '스'릴'. 하하하.
(미현) 아... 저는 이 때 한 하루종일 시험을 봤잖아요. 5시 반까지
(현우) 맞아요.
(미현) 아... 숨이 좀 막히는 줄 알았어요.
(현우) 네... 저는 시험 때는 잘 몰랐지만, 어... 시험이 끝나고 나니까, 시험 보러 간 학교가 있잖아요. 저희 학교 말고, (네), 다른 학교.
(미현) 배정 받은 학교.
(현우) 배정 받은 학교에 가서 시험을 보고, 시험이 다 끝나고, 밖에 나왔는데, 그 전날까지는 그 시간이 되면, 열심히 공부를 하고 있었잖아요.
(미현) 네.
(현우) 무엇을 해야 할지, (아) 무엇을 하고 싶은지, 생각하지 않고 공부를 했었는데, 수능이 끝나고 나니까 집에 가야 되는데.
(미현) 예.
(현우) 지금 집에 가야 되는 건지, 학교에 가야 되는 건지, 아니면 친구들하고 놀러 가야 되는 건지, 집에 가면 무엇을 해야 되는 건지, 아무 것도 모르겠더라고요. (음) 그런 기분이 들었어요. 버스를 타야 되는데, 버스를 안 타고, 세 정거장, 네 정거장을 그냥 걸어서, 가다가 '아, 집에 가야지.' (하하) 하면서 집에 갔던 기억이 나요. (아...) 미현 씨는 어땠어요? 수능 끝나고.
(미현) 수능 끝나고? 저는 그냥 끝났으니까 좋았던 것 같아요. 무작정. "해방이다. 아, 이제 해방이다."
(현우) "아. 이제 자유다."
(미현) "끝났다." (네네) 하하. 이런거.
(현우) 네네. 맞아요. 저도 그랬던 거 같은데, 정은이도 이 수능 시험이 끝난 다음에, 음 그런 뭐랄까? 자유, 해방감을 느낄 수 있기를 바랍니다.
(미현) 네.
(현우) 맞아요. 그럼 아까 확인 문제 정답을 확인해 보죠. 미현 씨, 왜 회사들이 출근 시간을 한 시간 늦춰서 출근을 하고, 학교들도 왜 한 시간 늦춰서 학교에 가는지.
(미현) 음... 수험생들이요. 그 날, 수능 시험 날 아침 일찍, 7시 30분까지 배정된 학교에 가야 하기 때문이예요.
(현우) 아. 그렇군요. 차가 막혀서 못가면...
(미현) 네. 수험생들이 지각을 하면 안 되기 때문에, 이렇게 한 시간 늦춰서 출근하고, 또 등교하도록 하는 거예요.
(현우) 맞아요. 그런데 한국에 사시는 외국인 분들이 정말 놀라게 되는 것이 이 수능 날 아침에 가끔씩 아침에 일찍 일어나서 준비를 하지만, 그래도 꼭 늦는 학생들이 있어요.
(미현) 맞아요.
(현우) 네, 전날 너무 떨리고 긴장돼서 잠을 못 자서, 새벽 3시, 4시까지 덜덜덜덜덜 떨면서 있다가, 늦게 잠을 잔거예요. 그래서 아침에 지각을..... 엄마, 아빠도 다 같이 지각을 (맞아요) 해서... 늦으면, 시험을 못 보면, 1년 동안 더 공부를 해야 되죠. 그래서 원하는, 가고 싶은 대학에 갈 수 없기 때문에 어, 절대로 지각을 하면 안 되잖아요. 그래서 경찰차가 학생들을 시험을 보는 장소에 데려다 주기도 하죠.
(미현) 네. 뉴스에서 많이 볼 수 있어요.
(현우) 네. 그래서 저희들은 익숙한데, 외국인 친구들이 한국에 와서 학생들이 시험보러 가는데, 경찰차가 시험보는 학교에 데려다 준다라고 하면, 정말 신기하다고 생각하더라고요.
(미현) 네, 경찰차면 또 다행이게요. 경찰 오토바이를 타고 가는 학생도 많이 봤거든요.
(현우) 맞아요. 저는 다행히 일찍 가서, 별 문제 없었는데, 가끔씩 뉴스에서 보면, 경찰 오토바이 타고, 그렇게 해도 늦어서, 1교시 시험을 못 보고, 이런 학생들이 있더라고요. 안타깝지만.
(미현) 수능 시험을 한 달 정도 앞두고, 공부 열심히 하는 것도 중요하겠지만, 그 시험 당일날 컨디션을 위해서 좀 컨디션 조절하는 것도 되게 필요할 것 같아요.
(현우) 맞아요. 맞아요. 스트레스를 많이 받기 때문에 건강해야겠죠. 네, 그래서 정은이와 저희와의 대화, 그리고 정은이와 여러분과의 이런 대화는 여기서 끝이 나구요.
(미현) 다음에는 그럼 어떤 내용이 기다리고 있나요?
(현우) 아직은 비밀입니다. 비밀이고요. (우와) 그렇지만 걱정하지 마세요, 여러분. 여러분은 여전히 미현선생님의 목소리를 들으실 수 있을 테니까 걱정하지 마시고요.

(미현) 음. 걱정 안 하실 것 같은데요. 미현 선생님은 왜 안 바뀌지? 이러고 계신 거 아닌가요?
(현우) 네, 혹시 그런 생각을 하고 계시는 분들도 코멘트에 알려 주시고요.
(미현) 아. 안 됩니다.
(현우) 하하. 네. 그럼 저희는 또 다른 레슨에서 찾아올 텐데요. 정은이에게 여러분 작별인사 부탁드립니다. 혹시 지금까지 25번의 이야기를 들으면서, 정은이와 한 번도 이야기를 하지 않으신 분은 Koreanclass101.com에 오셔서 정은이에게 하고 싶은 이야기를 코멘트로 남겨 주시고요. Koreanclass101.com 웹사이트에서 정은이의 블로그 PDF를 보시면, 저와 미현 씨가 이렇게 나누는 대화의 한 단어 한 단어 모든 내용이 다 적어져 있습니다.
(미현) 우와, 좋습니다. 진짜.
(현우) 네. 많은 분들이 지금까지 정은이의 오디오 블로그를 들으면서, 미현 씨와 저와의 이런 대화가 한 단어 한 단어 다 적혀 있어서 너무 좋았다라는 이야기를 해 주셨어요. 미현 씨 어떻게 생각하세요?
(미현) 네. 보면서 표현 같은 거 익히면 도움이 많이 될 것 같아요.
(현우) 네. 맞아요. 자연스러운 표현들을 많이 익힐 수 있어서 좋을 거라고 생각이 됩니다.
(미현) 네.
(현우) 그래서 이번 정은이의 오디오 블로그는 여기서 끝나지만, 시간이 날 때마다 복습해 보시면서, 재미있는 표현들 많이 배우시길 바라고요. 예전 레슨에도 저희가 코멘트가 달리면 바로바로 답을 해 드리니까 걱정마시고 와서 질문 또는 의견 남겨 주세요.
(미현) 네. 그럼 여러분 수고하셨구요. 이번 마지막 오디오 블로그도 열심히 듣고 공부하세요.
(현우) 그러면 저희는 다른 레슨에서 다시 찾아뵙겠습니다. 안녕히 계세요.
(미현) 네. 다음 레슨도 많이 기대해 주세요.

MAIN

1. 안녕하세요. 여러분, 여승혜입니다.
2. 저는 일본에서 유학 생활을 하고 있는 대학교 3학년 여승혜입니다.
3. 이렇게 여러분과 만나게 되어 반갑습니다.
4. 지금은 일년에 두 번, 방학 때마다 한국으로 돌아갑니다.
5. 아직 방학이 되어 한국으로 돌아가려면 한참인데도, 벌써부터 돌아갈 생각에 설레이네요.
6. 오늘은 저, 승혜에 대해서 이야기 해 볼까 합니다.
7. 저희 집은 요즘은 흔치 않은 할머니, 할아버지와 함께 살고 있는 대가족입니다.
8. 지금은 할머니, 할아버지와 부모님께서 함께 제 고향인 경상북도 구미에서 살고 계시고, 저보다 두 살 많은 오빠는 대전에서 대학교를 다니고 있습니다.
9. 원래는 저보다 일찍 대학생이 되었지만, 2년간 군대를 다녀오는 바람에 지금은 저와 같은 학년입니다.
10. 저는 취미가 많은 편입니다.
11. 요리, 영화 감상, 그림 그리기, 등등…
12. 아마 욕심이 많아서 하고 싶은 것도 많은 것 같네요.
13. 가끔씩 한국 요리가 그리워지면, 인터넷에서 레시피를 찾아서 만들어 먹기도 합니다.
14. 가장 자신 있는 메뉴는, 이제는 눈 감고도 만들 수 있는 김치찌개입니다.
15. 영화는 그 전에도 물론 좋아했었지만, 고등학교 때 영화 제작 동아리에서 시나리오를 쓰기 시작하면서부터 영화광이 되었죠.
16. 여러분, 한국어 공부하기 어때요?
17. 저도 지금까지 영어, 일본어를 배우면서 느낀 건데요, 어느 한 나라의 말을 배운다는 것이 쉽지는 않지만, 그만큼 재미있는 공부도 없는 것 같아요.
18. 앞으로 승혜의 '한국인 유학생으로서 일본에서 살아가는 이야기'를 들으시면서 재미있게, 신나게 한국어 공부하기로 해요.
19. 앞으로 잘 부탁 드립니다.

ENGLISH

1. **Hello, everyone. I'm Seunghye Yeo.**

2. My name is Seunghye Yeo. I’m a third-year college student who's studying abroad in Japan. I'm glad to meet you all like this. Now, I go back to Korea twice a year during every school break. We still have a lot of time left before the school vacation comes around and I can go back to Korea, but I'm already excited by the thought of going back.

3. Today, I'd like to talk about me, Seunghye. My family is a big one because we're living with my grandparents, which is not so common these days. Now, my grandparents and my parents are living in Gumi, which is my hometown in Gyeongsang Province. My older brother who is two years older than me is going to college in Daejeon. Originally, he became a college student earlier than I did but since he had to go to the army, he's now in the same year as I am.

4. I have quite a lot of hobbies : cooking, watching movies, drawing pictures and so on. I guess I have a lot of things I want to do, probably because I wish for a lot. Sometimes when I start missing Korean food, I look up the recipe on the Internet and cook for myself. The dish that I'm most confident about is Kimchi stew, which I can now make with my eyes closed. As for movies, of course, I've always liked them. But I became a movie buff when I started writing movie scenarios in the movie making club in my high school.

5. Everyone, what is it like to study Korean? As I've studied English and Japanese so far I’ve thought, although it's not easy to learn the language of a country, I think it's more fun than any other studies. I hope you will enjoy my stories as a Korean student living and studying abroad in Japan, and have fun studying Korean. Thank you.

GRAMMAR

The following is the entire transcript of the blog commentary by 미현 and 현우.

미현: 안녕하세요. 미현입니다.
현우: 안녕하세요. 현우입니다. 승혜의 오디오 블로그에 오신 것을 환영합니다.
미현: 정은이의 오디오 블로그가 끝나서 너무 아쉬웠는데 승혜의 오디오 블로그를 다시 시작해서 너무 신나요.
현우: 네. 저도 정말 신나요.
미현: 현우 씨, 승혜의 오디오 블로그도 정은이의 오디오 블로그처럼 고등학교 생활에 대한 것인가요?
현우: 아, 아니에요. 승혜 씨는 지금 일본에서 공부를 하고 있는 유학생이에요. 승혜 씨는 앞으로, 이 오디오 블로그를 통해서, 외국에서 살면서 느낀 한국에 대해서 말해 줄 거예요.
미현: 아. 너무 재미있을 것 같아요. 전 일본에 한 번도 안 가 봤는데, 현우 씨는 가 봤어요?
현우: 네. 저는 일본 가 봤는데 아주 좋았어요. 일본인 친구들도 만나고 좋은 시간을 보냈어요.
미현: 아 그러면, 저는 이제 일본에 있는 친구가 생기겠네요? 일본에 가면 이제 만날 사람도 있고 너무 좋아요.
현우: 누구요?
미현: 누구긴요. 승혜 씨죠.
현우: 승혜 씨는 미현 씨랑 친구하기 싫을 걸요?
미현: 아니에요! 승혜 씨는 착해서 저랑 친구 할 거예요.
현우: 네. 그럼. 오늘 처음으로 승혜 씨의 목소리를 들을 건데요. 미현 씨, 승혜 씨가 어떤 이야기를 해 줄 거예요?
미현: 제 친구 승혜 씨가요. 하하. 승혜 씨가 오늘은 첫 날인만큼 자기소개를 해 주었네요.
현우: 네. 승혜 씨가 어떤 사람인지 조금 알 수 있는 좋은 기회가 될 것 같아요. 우리 함께 듣기 전에 확인 문제가 있죠?
미현: 네. 승혜 씨가 일본에서 공부를 하고 있는 유학생이라고 했잖아요.
현우: 네. 그렇죠.
미현: 승혜 씨가 일 년에 몇 번 한국에 돌아갈까요?
현우: 일본이랑 한국은 가까워서 가끔 한국에 돌아오나봐요.
미현: 네. 그리고 승혜 씨는 영화광이라고 해요. 승혜 씨가 언제부터 영화광이 되었을까요? 우리 함께 들어 볼까요?
현우: 아, 미현 씨, 잠깐만요!
미현: 왜요? 저 승혜 씨 목소리 빨리 들어보고 싶은데!
현우: 물론 저도 빨리 들어 보고 싶지만, 혹시나 "영화광" 이라는 말의 뜻을 모르는 사람들을 위해서 설명을 해 주고 들어야죠!
미현: 아. 네. "영화광"은 영화를 아주아주 좋아하고 자주 보는 사람을 뜻해요.
현우: 아, 그렇군요. 그럼 이제 승혜의 오디오 블로그를 들어 볼까요?
미현: 네. 그러면 확인 문제를 생각하면서 들어 보세요.

[승혜's Audio Blog]

미현: 와 승혜 씨 가족이 요즘 흔하지 않은 대가족이에요.
현우: 어? 저희 집도 할머니와 함께 살아요. 그럼 대가족인가요?
미현: 음... 옛날에는 할머니, 할아버지와 함께 사는 것뿐만이 아니라 친척들도 다 모여 사는 가족을 대가족이라고 했었는데 요즘에는 다들 따로 살기 때문에 할머니, 할아버지와 살아도 대가족이라고 할 수 있는 것 같아요.
현우: 아 그렇군요. 그럼 미현 씨, 우리 확인 문제부터 볼까요? 먼저, 승혜 씨가 일 년에 몇 번 한국에 돌아가나요?
미현: 음... 승혜 씨는 일 년에 두 번, 방학 때마다 한국에 돌아온다고 해요.
현우: 일 년에 두 번이면 그래도 유학생 치고는 자주 들어오는 편이죠?
미현: 네, 맞아요. 제 친구들은 유학하는 내내 안 들어오는 친구들도 있었어요.
현우: 아무래도 왔다 갔다 하기에는 너무 힘든 거 같아요. 그래도 승혜 씨는 일 년에 두 번 한국에 돌아올 수 있어서 정말 다행이에요.
미현: 네. 맞아요. 일본이라서 가까워서 더 그런 것 같아요.
현우: 네. 그럼 다음 문제. 승혜 씨가 언제부터 영화광이 되었을까요?
미현: 승혜 씨는 원래부터 영화를 좋아하긴 했지만, 고등학교 때 영화 제작 동아리에서 시나리오를 쓰기 시작하면서 영화광이 되었다고 해요.
현우: 아, 그렇군요. 근데 미현 씨도 영화 좋아하지 않으세요?
미현: 네. 저도 영화광이라고까지는 말 할 수는 없지만, 영화를 아주 좋아하고 자주 보러 가는 편이에요. 현우 씨는요?
현우: 저도 영화를 아주 좋아해요. 저는 주로 SF영화를 좋아하는데, 미현 씨는 어떤 영화를 좋아하세?
미현: 음... 저는 무서운 영화를 빼고는 다 좋아해요. 특히 저는 로맨틱한... 하하하 애정영화 좋아해요.
현우: 아, 그래요? 근데 미현 씨도 그럴 것 같지만, 한국 사람들은 영화를 자주 보러 간다고 할 수 있겠죠?
미현: 네. 자주 보러 가는 것 같아요. 친구들이랑 가기도 하고, 아니면 데이트 할 때도 주로 영화를 많이 보죠. 그리고 한국에서는 "입소문"이 많이 나면 그 영화가 흥행에 성공한다는 얘기가 있어요.
현우: 아, 입소문이요? 재미있는 표현인데, 미현 씨, 입소문이 뭐죠? 입소문.
미현: 입소문은 영화를 보고 난 후에 영화가 재미있으면 사람들에게 재미있다고 얘기를 하면서 소문이 나는 거예요. 어, 요즘에는 "입소문" 마케팅도 많이 한다고 해요.
현우: 그러면 입소문이라는 말은 영화에서만 쓸 수 있나요?
미현: 아, 아니에요. 가게, 책, 옷 모든 것에 쓸 수 있어요. 저는 입소문이 많이 난 음식점을 찾아다니기도 해요. 입소문이 많이 난 집은 정말 맛있어요.
현우: 네. 맞아요. 한국에는 인터넷 커뮤니티 사이트들이 많이 발달되어 있어서 많은 사람들이 입소문을 내는 것 같아요. 저도 영화 볼 때 이미 본 사람들이 재미있다고 하면 가서 꼭 보게 되더라고요.
미현: 네. 저도 보통 그래요. 사람들이 얘기 한 것 듣고...
현우: 맞아요. 자신의 판단을 믿을 수 없는 거죠. 사람들이 재미있다고 하면 더 믿을 수 있으니깐.
미현: 네.
현우: 근데 미현 씨는 맛있는 음식점을 찾아다닌다고 했는데 직접 음식도 만드세요?
미현: 음...어떨 것 같아요? 맞아요. 가끔 만들어 먹기는 하는데요. 근데 맛은 보장할 수 없어요. 하하하. 그래서 맛있는 곳을 찾아다닌 거죠. 현우 씨는요?
현우: 저도 가끔 만들어 먹어요. 승혜 씨처럼 김치찌개는 진짜 눈 감고도 만들 수 있어요.
미현: 맛은요? 맛이 중요하죠!
현우: 맛이요? 어... 눈 감고도 만들 수 있을 정도면 당연히 맛있지 않을까요?
미현: 아... 근데 왜 이렇게 멋쩍어 하면서... 하하하 말씀하세요? 그런데 요즘에는 승혜 씨 말처럼 인터넷에서 요리 레시피를 찾을 수가 있어서요. 만들어 먹기도 쉬운 것 같아요. 물론 엄마의 손맛을 내기는 어렵지만 말이죠.
현우: 네 맞아요. 저도 가끔 인터넷에서 레시피를 찾아서 만들어 먹기도 해요. 그런데 아무리 자세히 나와 있는 레시피를 찾아도, 그리고 제가 아무리 잘 만들어도 엄마가 만들어 주시는 음식은 도저히 따라 갈 수가 없는 것 같아요.
미현: 네. 맞아요. 엄마가 만들어 주신 김치찌개 지금 너무 먹고 싶죠?
현우: 네. 저도요. 미현 씨, 승혜 씨 오디오 블로그 어땠어요?
미현: 너무 재미있었어요. 앞으로 또 어떤 재미있는 얘기가 나올지 기대됩니다.
현 우: 네. 저도 일본에서 생활하면서 승혜 씨가 어떤 재미있는 이야기를 해 줄지 기대가 되는데요. 여러분 승혜 씨에게 인사 한마디씩 코멘트로 남겨 주세요. 그러면 승혜 씨가 힘이 나서 더 재미있는 이야기를 많이많이 들려줄 거예요. 그리고 Koreanclass101.com 웹사이트에 오시면 미현 씨와 저의 대화를 적은 PDF를 보실 수 있습니다.
미현: 네, 질문 있으신 분들은 언제나 좋으니까 코멘트 남겨 주세요.
현우: 네, 그러면 저희는 오늘 여기까지 하고, 다음 시간에 다시 찾아오겠습니다.

미현: 다음 시간에 뵐게요.
현우: 안녕히 계세요.

ENGLISH

1. Hello, I'm Seunghye Yeo.

2. How have you been, everyone? I feel as if I have not totally digested the food I ate over New Year's yet and I'm still full. Since my family lives with my grandparents, we don't go to the countryside and my relatives gather in our house. My uncle's family lives in China. They haven't visited Korea in a long time and they stayed in our house for the night. I thought it was a shame that I couldn't spend last Chuseok in Korea, so I wanted to spend a New Year's holiday with many people around in a cheerful atmosphere, so I talked my cousins into playing the Yut game with me.

3. I wonder if you had some rice-cake soups. Since I'm not going to have the chance once I go back to Japan, I had rice-cake soup for all three meals on New Year's Day. Honestly, I feel like having rice again now, but the chewy and tasty rice-cake soup was very good. In Korea, people say that you should eat rice-cake soup in order to get one year older. When I was little, I wanted to grow up really soon, so I would be greedy and eat two bowls at a time on purpose. Well right now, if that were the truth, I would not eat any rice-cake soup at all so that I wouldn't get a year older! However, since I know that I get older whether I eat rice-cake soup or not, I got greedy again and ended up having as many as three bowls of rice-cake soups!

4. I think the first day of the year must be a special day in any country in the world. And I think that the food that people eat and the games they play must be also different from country to country. In fact, in Japan as well, they eat the Japanese rice-cake soup, called *Ojyoni* on New Year's Day. But it's very different from the Korean rice-cake soup. Everyone, what do you eat when the New Year comes around? By any chance, do those foods have special meanings too?

5. Since I've had rice-cake soups and became one year older, I'll need to get more mature this year. Well, have a nice day, and I'll see you next time.

GRAMMAR

Following is the complete transcript of the commentary by 미현 and 현우.

미현: 안녕하세요. 미현입니다.
현우: 안녕하세요. 현우입니다. 승혜의 오디오 블로그에 오신 것을 환영합니다. 미현 씨, 설 연휴 잘 보냈나요?
미현: 네. 저는 집이 대구인데요, 저번 추석 때 못 내려갔기 때문에, 이번에는 미리 기차표를 끊어 놓아서, 다녀올 수 있었어요. 현우 씨는요?
현우: 저도 집이 광주라서요. 광주에 다녀왔어요.
미현: 네, 이렇게 연휴 때 내려 가는 것은 힘들지만 집에 가면 너무 편안하고 좋은 것 같아요.
현우: 네, 맞아요.그리고 설날에는 맛있는 음식이 진짜 많이 있잖아요. 미현 씨, 맛있는 것 많이 먹고 왔나요?
미현: 네. 너무 많이 먹어서 살이 많이 쪄서 속상해요. 새해 다짐이 다이어트였는데...
현우: 미현 씨, 살 뺄 게 하나도 없는데요? 한국 여자들은 이렇게 미현 씨처럼 말라도 다이어트를 하려고 하는 것 같아요.
미현: 하긴 그렇죠. 하하. 맞아요. 제 친구들 새해 다짐이 거의 다 다이어트 하는 거예요. 현우 씨는 맛있는 거 많이 먹었어요?
현우: 네. 저도 떡국 많이 먹고, 전이랑, 고기, 과일, 떡, 술, 이렇게...
미현: 술이요? 설날에 왜 술을 마셔요. 설날에는 어른들만 술을 마시는 거예요.
현우: 저 어른이에요!
미현: 아니요. 결혼하고 아이들이 있는 어른 말이에요. 저희 집은 아버지 큰아버지 이런... 어른들만 명절에 술을 마시는데요?
현우: 저희 집에서는 이제 다 컸다고 한 잔씩 주시는데요?
미현: 현우 씨가 몰래 가져다가 마시는 거 아니에요?
현우: 하하하 아니에요. 진짜로 주시는 술만 마셨어요.
미현: 현우 씨, 코가 아직도 빨개요.
현우: 하하. 아니에요. 미현 씨, 우리 이제 승혜 씨의 오디오 블로그를 들어야죠. 그런데, 우리 들어 보기 전에 들으면서 확인할 문제가 있죠.
미현: 네. 승혜 씨가 설날에 사촌동생들을 만나서 놀았다고 하는데요. 사촌 동생이랑 무엇을 했을까요?
현우: 승혜 씨 집에 친척들이 다 모였나봐요.
미현: 네, 그런가봐요. 그리고 설날에는 떡국을 먹잖아요. 승혜 씨가 이번 설날에 떡국을 몇 그릇을 먹었을까요?
현우: 네, 자 그럼, 이 두 개의 확인 문제, 즉, 승혜 씨가 사촌 동생이랑 무엇을 했는지, 그리고 승혜 씨가 이번 설날에 떡국을 몇 그릇 먹었는지, 생각하면서 들어 보세요.
미현: 네, 들어 보세요.

[승혜의 오디오 블로그]

미현: 승혜 씨는 할머니, 할아버지가 함께 사는 대가족이라서 친척들이 승혜 씨네 집으로 모였네요.
현우: 네. 맞아요. 그러면 너무 편할 것 같아요.
미현: 하지만 음식을 많이 만들어야 해서 편하지만은 않을 것 같아요.
현우: 아, 맞아요. 저는 음식 만드는 거 재미있어서 도와주려고 해도 할머니께서 항상 하지 말라고 하셔서 어쩔수 없이 음식을 만들 수가 없어요.
미현: 진짜예요? 아니! 너무 편하게 사는 거 아니에요? 명절 때 여자들은 얼마나 힘든데요!
현우: 저도 알아요. 전 많이 도와 드린다고요. 자, 흥분하지 마시고. 미현 씨, 우선 확인 문제의 답을 볼까요? 승혜 씨가 설날에 사촌 동생들하고 무엇을 했죠?
미현: 사촌 동생들을 졸라서 윷놀이를 했어요.
현우: 아, 그렇군요. 그럼 승혜 씨는 이번 설날에 떡국을 몇 그릇 먹었어요?
미현: 설날 삼시 세 끼를 다 떡국으로 먹어서 세 그릇이나 먹었어요.
현우: 세 그릇. 하하. 네. 미현 씨는 이번 설날에 윷놀이 했어요?
미현: 네. 저희 집은 명절 때마다 가족들이 팀별로 윷놀이를 해요. 전통 놀이이지만 여전히 재미있는 것 같아요. 현우 씨는 떡국 많이 먹었어요?
현우: 네. 저는 딱 한 그릇만 먹었어요. 더 이상 나이를 먹기 싫어서요.
미현: 하하. 그럴 나이가 된 거죠. 저는 어렸을 때 떡국을 싫어했어요. 그런데 부모님이 떡국을 먹어야 나이를 한 살 더 먹게 되는 거라고 안 먹으면 나이를 먹을 수 없다고 해서 억지로 먹었었어요.
현우: 네. 미현 씨도 승혜 씨처럼 어른이 빨리 되고 싶었나 봐요.
미현: 네. 어렸을 때는 어른이 빨리 되고 싶었어요. 근데 지금은 떡국을 안 먹어서 나이를 더 먹지 않는다면 정말 안 먹고 싶어요.
현우: 맞아요. 아, 근데 미현 씨는 설날에 주로 뭘 해요?
미현: 음... 우선 전날에는 친척들, 엄마나 작은 엄마, 큰 엄마, 이렇게 모여서 음식 만들 때, 좀 도와드려요.
현우: 좀? 많이가 아니고?
미현: 나중에 시집 가면 많이 해야 되니까. 벌써부터 힘 뺄 필요 없잖아요? 또 설날에는 아침 일찍 친척들이 찾아오거든요. 그 때, 같이 차례를 지내요.
현우: 그래요. 저희 집도, 차례를 지내는데, 미현 씨, 차례가 뭔지 설명해 주실 수 있으세요?
미현: 네, 한국에서는 명절 때 조상님들께 맛있는 음식을 차려 놓고 인사를 드리죠. 절을 하죠. 그런 것을 차례라고 합니다.
현우: 네, 한국의 모든 가정에서 명절 때마다 차례를 지낼까요?
미현: 옛날에는 거의 모든 가정이 차례를 지냈는데요. 요즘에는 교회를 다니거나 성당을 다니거나 하는 사람들은 차례를 지내지 않고 그냥 음식만 만들어서 가족끼리 모여서 나눠 먹어요.
현우: 맞아요. 요즘에는 많이 간단해진 것 같죠?
미현: 네, 저희 큰집도 성당을 다니는데 어렸을 때는 차례를 지냈지만 지금은 그냥 음식만 만들어서 친척들끼리 모여서 나눠 먹기만 해요. 그래서 뭐... 저희는 사촌 오빠나, 언니들이랑 나와서 영화를 보러 가기도 해고요.
현우: 네. 맞아요. 아직도 차례를 지내는 집이 많기는 하지만 요즘에는 친척들끼리 오랜만에 얼굴을 볼 수 있다는 그런 의미이기만 한 경우도 많은 것 같아요.
미현: 현우 씨, 이번 설날에 만두 만들어서 먹었어요?
현우: 네, 전 만두 아주 좋아해서 저희 집에서는 만두를 아주 많이 만들어 놓거든요.
미현: 혹시 그런 얘기 들어 봤어요? 만두를 이쁘게 만들면 이쁜 딸을 낳을 수 있대요.
현우: 아, 진짜요? 난 만두 만들면 항상 망가져서 안에 들어 있는 게 튀어 나와요.
미현: 현우 씨는 나중에 딸 낳으면 안 되겠어요. 저는 아주 예쁘게 만두를 만들어요. 그래서 어른들이 항상 "미현이는, 나중에 이쁜 딸 낳겠네. 만두 너무 잘 만들었네." 이러세요.
현우: 그런데 송편 만들 때에도 그러지 않나요?
미현: 네, 맞아요. 추석 때 먹는 송편도 이쁘게 잘 만들면, 이쁜 딸을 만들 수 있다고 하죠. 전 송편도 이쁘게 만들 줄 알아요.
현우: 와. 미현 씨 남편 될 사람은 참 좋겠어요.
미현: 왜요?
현우: 미현 씨가 닮지 않은 이쁜 딸이 생길 것 아니에요.
미현: 안녕히 계세요.
현우: 하하 농담이에요. 미현 씨, 그런데 다른 나라 사람들은 과연 새해의 첫 날을 어떻게 지내는지 궁금하지 않으세요?
미현: 네. 궁금하기도 해요. 다른 나라들도 한국처럼 이렇게 특별하게 먹는 음식이 있는지, 그리고 그 음식에 관련된 그런

이야기들이 있는지 궁금해요.
현우: 네, 맞아요. 승혜 씨도, 미현 씨도, 그리고 저도 너무 궁금해요. 여러분은 설날을 어떻게 보내는지, 그리고 어떻게 보냈는지 어떤 음식을 먹었고, 어떤 놀이를 했고, 어떤 이야기가 있었는지 코멘트로 남겨 주세요. 그리고 KoreanClass101.com 웹사이트에 오셔서 미현 씨와 저의 대화를 모두 적은 PDF를 참고해 주세요.
미현: 네, 그럼 웹사이트에서 만나요 여러분.
현우: 네, 그러면 이번 시간은 여기까지 하고 다음 시간에 또 재미있는 이야기로 찾아오겠습니다.
미현: 승혜 씨가 또 어떤 얘기를 들려줄 지 기대가 되네요. 다음 시간에 또 뵈요.
현우: 네. 다음 시간에 봐요. 안녕히 계세요.
미현: 안녕히 계세요.

DIALOGUE - KOREAN

MAIN

1. 안녕하세요? 여승혜입니다.
2. 사람은 나중에 그리워할 것을 알기에 아쉬워하나 봅니다.
3. 이제 다음 주면 저는 일본에 갑니다.
4. 아직 먹어 두지 못한 한국 음식들이 산더미 같습니다.
5. 감자탕, 삼계탕, 그리고 갈비찜도 아직입니다.
6. 친구들도 좀 더 많이 만나지 못한 것이 아쉽기만 합니다.
7. 한국에 가면 꼭 하겠노라고 수첩에 적어놓은 항목들도 반 밖에 체크되어 있지 않네요.
8. 오늘은 일본에 돌아가기 전에 어머니와 함께 필요한 물건들을 사러 대형 마트에 나왔습니다.
9. 일본에 돌아가면 그리워질 것들을 조금이라도 줄이기 위해서이죠.
10. 제일 먼저 고추장과 고춧가루를 카트에 담았습니다.
11. 이렇게 한 번 사서 가면, 적어도 일년은 두고두고 먹을 수 있습니다.
12. 김도 빠질 수 없습니다.
13. 그리고 한국에서는 손에도 안 대지만 일본에 가면 무조건 먹고 싶어질 것이 확실한 초코파이도 담았습니다.
14. 저희 어머니는 어린 딸이 타국에서 고생할까봐 걱정이 되시나 봐요.
15. 제가 일본으로 유학 간 이후로 어머니는 저한테 쓰시는 돈을 아끼지 않으십니다.
16. 이것저것 필요할 것 같다며 하나 둘 카트에 담으신 것이 벌써 산더미 같이 쌓였습니다.
17. 이미 충분하다는 것을 알면서도 괜히 뭔가 허전한 마음에 두 번이나 마트를 더 돌았습니다.
18. 제 검은 여행가방 옆에 있는 이것저것 가득 담긴 커다란 비닐 봉투 두 개를 보고 있으니 벌써부터 마음이 든든합니다.
19. 일본에 돌아가도 먹을 것이 넘쳐서가 아니라, 한국에서 사 온 물건들, 음식들을 볼 때마다 외로운 유학 생활에 힘이 되어 줄 어머니의 마음을 느낄 수 있기 때문입니다.
20. 저는 이제 슬슬 돌아갈 짐을 싸야겠습니다.
21. 그럼, 여러분, 즐거운 하루 되시고, 다음 시간에 또 만나요.

ENGLISH

1. Hello, I'm Seunghye Yeo.

2. I guess people feel sad about leaving because they know they're going to miss the place. Now next week, I'm going to Japan. I haven't eaten many Korean dishes since I've been here. I haven't had potato stew, ginseng and chicken stew, and not even steamed kalbi yet. It's also a shame that I couldn't meet up with more friends. Less than half of the list of things that I wrote down, thinking I would surely do them when I got to Korea, is marked as done.

3. Today, I went out to a big supermarket with my mother to buy some necessary stuff before I go back to Japan. That way, I would have fewer things that I would be missing about Korea when I'm back in Japan. First, we put pepper sauce and pepper powder in the cart. Once I buy stuff like this, I can keep them and eat them for a year. And I shouldn't forget laver, too. And I've also put in Choco Pie, because I don't even touch it in Korea but I'm sure I'll want to eat it when I go to Japan.

4. My mother seems to be worried that her little girl is going to have a hard time living in a foreign country. Ever since I went to study abroad in Japan, my mother is willing to pay for anything that I need. She started putting this and that in the cart, one after another, saying that I would need them, and the cart was already full of stuff. I knew that I had enough already, but I still felt I needed some more stuff for some reason. So we make two more trips around the supermarket.

5. As I'm looking at the two black plastic bags that have various things inside placed next to my suitcase, I already feel relieved. Not because I have plenty of food that I will eat even after going back to Japan, but because I can feel my mother's love, which will be my strength through those lonely days of studying abroad whenever I look at the stuff that I brought from Korea.

6. I need to start packing things now and get ready to go back. Then everyone, have a nice day, and I'll see you again next time.

GRAMMAR

Following is the complete transcript of the commentary by 미현 and 현우.

미현: 안녕하세요. 미현입니다.
현우: 안녕하세요. 현우입니다. 승혜의 오디오 블로그에 오신 것을 환영합니다. 미현 씨 그동안 잘 지내셨어요?
미현: 네. 잘 지냈어요. 2월이 너무 짧아서 3월부터 어떻게 보낼까를 고민하면서 지냈어요. 현우 씨는요?
현우: 맞아요. 2월은 정말 너무 짧아서 아쉬워요. 저도 잘 지냈고요. 미현 씨는 3월부터의 계획을 잘 짰는지 궁금한데요?
미현: 사실은 계획을 짜다가... 음.. 이제 봄이 되니깐... 봄 맞이 쇼핑을 하다가 사실 시간을 다 보냈어요. (하하)
현우: 봄 맞이 쇼핑이요? 공부를 열심히 하겠다, 운동을 열심히 하겠다, 뭐 이런, 그런 계획을 짠 게 아니고요?
미현: 네. 물론 그런 것도 중요하지만 봄맞이 쇼핑도 중요하다고요.
현우: 그래서 뭘 샀는데요?
미현: 음... 마트에 가서 먹을 음식들도 사고, 봄에 입을 셔츠도 사고, 봄 느낌이 나는 귀여운 악세사리들도 사고...
현우: 아, 그래요? 봄에 입을 티셔츠가 벌써 나와요?
미현: 그럼요! 원래 패션감각이 있는 사람들은 미리 미리 옷을 다 사죠.
현우: 그래요? 근데 이제 2월 초인데 너무 이른 감이 있지 않나요?
미현: 아니에요. 봄이 금방 올 거 같은데요?
현우: 네. 알겠어요. 미현 씨, 그럼 우리 승혜 씨의 이야기를 들어 봐야죠.
미현: 네. 오늘은 승혜 씨가 어떤 이야기를 해 줄 지 너무 궁금했어요.
현우: 네, 저도요. 그럼 승혜 씨의 이야기를 듣기 전에 확인 문제를 내 주세요.
미현: 첫 번째 문제는 승혜 씨가 언제 일본에 돌아갈까요? 그리고 두 번째 문제는 승혜 씨가 마트에 가서 4가지 물건을 샀는데요. 그 4가지가 무엇일까요?
현우: 우와, 4가지씩이나 샀어요? 잘 들어 봐야겠는데요?
미현: 네. 귀 기울여서 잘 들어 보세요.
현우: 그럼 두 개의 확인 문제를 잘 생각하면서 들어 보세요.

[승혜의 오디오 블로그]

미현: 거 봐요. 승혜 씨도 마트에 가서 쇼핑을 했잖아요.
현우: 아, 승혜 씨는 일본에 돌아가기 전에 한국 음식을 사기 위해서 쇼핑을 한 거 잖아요.
미현: 마찬가지지요. 하하. 우리 확인 문제부터 맞춰 볼까요?
현우: 네. 첫 번째 문제, 승혜 씨가 언제 일본에 돌아갈까요?
미현: 승혜 씨는 다음 주면 일본에 돌아가요.
현우: 네, 맞아요. 그리고 두 번째 문제, 승혜 씨가 마트에 가서 산 4가지 물건은 무엇일까요?
미현: 승혜 씨는 마트에서 고추장과 고춧가루, 김, 초코파이를 샀어요.
현우: 맞아요. 일본에서 못 먹는 한국 음식 들이죠. 저도 외국에 길게 나가 본 적이 있는데 고추장과 김만 있어도 한국에 대한 그리움을 조금이나마 해소할 수 있었어요.
미현: 맞아요. 가끔 밥에 고추장만 비벼 먹어도 맛있을 때가 있어요.
현우: 맞아요. 미현 씨는 마트에 자주 가세요?
미현: 네. 저는 자주 가는 편이에요. 살 게 없어도 그냥 재미삼아 갈 때도 있는데 그럴 때는 항상 살 필요가 없는 물건들을 사서 후회를 하곤 해요.
현우: 그래요? 재미삼아서 가세요?
미현: 네. 한국에 있는 마트에는 시식 코너가 있거든요. (아, 시식 코너요?) 네. 조금씩 그 음식들을 맛보다 보면 가끔 배 부르게 먹게 될 때도 있어요. 저는 친구들하고 놀러 가면 꼭 마트에서 음식들을 사 가는데 음식을 사는 시간보다 사실 시식 코너에서 음식들을 맛 보는 시간이 더 오래 걸려요.
현우: 맞아요. 사실 저도 시식 코너는 좋아해요. 고기부터 과일까지 거의 모든 음식들을 맛 볼 수 있잖아요.
미현: 네, 너무 좋아요. 그쵸? (네, 맞아요) 그리고 한국의 마트에는 원 플러스 원이 많아요. 덤으로 물건을 하나씩 더 주는 거요.
현우: 맞아요. 마트에 가면 그런 물건들이 많아서 하나가 공짜로 생기는 거 같아서 기분이 정말 좋죠?
미현: 네. 한국의 덤 문화를 잘 이용한 것 같아요. 그런데 저는 그 덤 문화의 피해자에요.
현우: 어? 피해자요? 왜요? 덤으로 공짜로 주면 좋지 않나요? 저는 한국의 정을 잘 이용한 것이라고 생각하는데.
미현: 좋긴 하죠. 공짜로 모, 하나 더 생기는 기분도 너무 좋고요. 근데 그런 기분 때문에 당장 살 필요가 없는 물건들을 자꾸 사게 되는 거 같아요.(맞아요) 너무 충동 구매를 하게 되요.
현우: 충동 구매요?(네.) 오.. 미현 씨, 충동 구매가 무슨 뜻인지 설명해 주세요.
미현: 아, 충동 구매는 살 필요가 없는 물건을 갑자기 사게 되는 것을 말해요. 현우 씨는 충동 구매를 자주 해요?
현우: 아니요. 저는 절대로 안 해요.
미현: 그럼 현우 씨는 꼭 계획한 물건만 사요?
현우: 아, 저는 살 물건이 무엇인지 계획을 해요, 그리고 안 사요.
미현: 아... 돈이 없어서 그렇구나...
현우: 아니에요! 돈이 없어서 그런 것이 아니고 계획하고 나서 사야 한다는 사실을 잊어버려요. (너무 바빠서) 어쩌면. 하하. 미현 씨는 충동 구매를 자주 하세요? 그렇게?
미현: 자주하는 편은 아니지만, 뭐... 생각했던 것보다 싼 물건들을 보면 꼭 사게 돼요. 꼭 필요하지 않아도 언젠가는 필요할 거야, 언젠가는 쓸 거야, 이렇게 생각하면서요.
현우: 네. 맞아요. 그런데 가끔씩은 충동구매가 도움이 되기도 하는 것 같아요. 제가 지금 입고 있는 이 스웨터도 여름에 놀러 갔다가 너무 싸고 예뻐서 충동구매 했는데 지금 너무 잘 샀다고 생각하면서 입고 있어요.
미현: 오. 이거 정말 예쁜데요. 왠일로 이런 예쁜 스웨터를..
현우: 네? 왠일이라뇨. 저도 나름대로 패션 감각이 있는 사람이에요! 아! 그런데 미현 씨는 시장보다 마트를 더 자주 가시는가봐요?
미현: 네. 저희 집 근처에 시장이 없어져서 요즘에는 마트를 더 자주 가요. 사실 야채나 과일은 시장이 더 싼 것 같은데, 뭐 요즘에는 한국에 큰 마트들이 많이 생겨서 시장들이 많이 없어지고 있어요.
현우: 맞아요. 저는 시장 가는 걸 아주 좋아하거든요. 야채나 과일도 싸고 한국의 그런 문화도 느낄 수 있고 시장에서만 느낄 수 있는 것들이 많이 있잖아요. 시장들이 많이 없어지는 것은 조금 아쉬운 것 같아요.
미현: 저도 그래요. 어렸을 때는 엄마랑 시장에 가면 엄마가 군고구마도 사 주고, 오뎅이나 떡볶이도 사 주고 해서 너무 좋아했었거든요. 근데... 물론 마트에도 오뎅이나 떡볶이를 팔지만 그 느낌은 다른 것 같아요.
현우: 맞아요. 겨울에 시장에 가면 옥수수나, 붕어빵, 같은 것들이 많이 있잖아요. 엄마랑 시장에 같이 가면 저는 무거운 물건을 대신 들어드리고 엄마는 간식거리를 사 주시곤 했었어요, 어렸을 때. 그런 재미 때문에 엄마한테 시장 가자고 졸랐던 경우도 있었어요.
미현: 하하하. 맞아요. 한국의 고유 시장의 모습이기도 하죠.

현우: 네, 맞아요. 그건 그렇고, 승혜 씨가 일본에 돌아가서도 이 마트에서 산, 이 많은 물건들을 맛있게 먹으면서 한국에 대한 그리움을 조금이나마 풀 수 있었으면 좋겠어요.
미현: 네. 맞아요. 외국에 나가 있으면 아무래도 음식 때문에 고생을 많이 하는 것 같아요. 한국 사람들은 특히나 더 심한거 같아요.
현우: 맞아요. 그러면 우리는 승혜 씨의 다음 이야기, 어떤 일이 또 생겼는지, 다음 이야기를 기대하면서 인사를 드릴까요?
미현: 네. 그리고 KoreanClass101.com에 오시면 현우 씨와 저의 대화를 적은 PDF를 보실 수 있습니다.
현우: 네. 대화를 읽으면서 들어 보시고 질문이 있으신 분들은 꼭 코멘트로 질문해 주세요.
미현: 대화를 적은 PDF가 한국어 공부하는데 많은 도움이 될 거예요. 그러면 우리 다음 시간에 또 만나요.
현우: 네. 그럼 다음시간에 다시 찾아오겠습니다. 안녕히 계세요
미현: 안녕히 계세요.

DIALOGUE - KOREAN

MAIN

1. 안녕하세요. 여승혜입니다.
2. 여러분은 아침에 일어나면 무엇을 가장 먼저 하세요?
3. 오늘은 하루 종일 날씨가 참 좋았습니다.
4. 이렇게 날씨가 좋은 날에는 만사 다 제쳐두고 빨래부터 하게 됩니다.
5. 오늘도 아침에 일어나자 마자 창문으로 스며들어오는 햇빛을 보고 기분 좋게 세탁기를 돌렸습니다.
6. 그리고 나서 쓰레기를 내어 놓으러 나가는 길에 무심코 우편함을 보니, 흰색 봉투가 꽂혀 있었습니다.
7. 한국에서 군대에 있는 친구에게서 온 반가운 편지였습니다.
8. 꼬불꼬불 휘갈겨 쓴 글씨체가 예전과 변한 게 하나도 없었습니다.
9. 한국에서는 이미 대부분의 사람들이 편지 대신 이메일을 쓰고 있지만, 유일하게 아직도 편지가 활발하게 이용되고 있는 곳이 군대입니다.
10. 군인들은 자유로이 인터넷을 이용하기 힘들기 때문에 이렇게 시간이 걸리더라도 편지를 쓰게 됩니다.
11. 저도 어릴 적 이후로 편지를 거의 쓰지 않았었지만, 일본에 유학 오고 나서부터 다시 친구들에게 편지를 쓰기 시작했습니다.
12. 외로워서 그런 걸까요?
13. 군인인 그 친구와 저는 가족들과 떨어져 산다는 점이 비슷합니다.
14. 그래서 그런지 우린 서로 잘 통하는 편입니다.
15. 친구의 편지에는 지난 크리스마스에 집에 다녀오지 못하고 군대에 남아 있었다는 이야기, 집이 그립다는 이야기 등이 적혀 있었습니다.
16. 저도 작년 추석, 한국으로 돌아가지 못 하고 일본에 남아, 혼자 추석 음식을 만들어 먹던 기억을 떠올렸습니다.
17. 반가운 친구의 소식 때문이었을까, 오늘은 하루 종일 기분이 좋았습니다.
18. 저에게 이렇게 편지는, 반복되는 일상에 자그마한 활력소가 되어 주네요.
19. 여러분들께서는 편지 자주 쓰세요?
20. 이메일이 그 자리를 대신하고 있나요?
21. 오늘은 보고 싶은 사람들에게 편지를 써 보시는 건 어떨까요?
22. 저도 이제 친구에게 답장을 써야 하겠네요.
23. 그럼, 오늘도 좋은 하루 되시고, 다음시간에 또 만나요.

ENGLISH

1. Hi, my name is Seung-hye Yeo.

2. What do you do first after you get up in the morning? Today, the weather was very good all day long. On a fine day like this, I always leave everything else behind and do the laundry. Today as well, as soon as I woke up after seeing the sunlight coming through the windows, I was very excited to turn on the washing machine.

3. After that, when I stepped outside to take out the garbage, I looked at the mailbox out of habit. There was a white envelope inside. It was a letter from a friend who's doing his military service in Korea. It made me so happy. His poor handwriting hadn't changed at all. In Korea, most people already write emails instead of letters, but the only place where they are still actively using letters is the Army. Since it's difficult for the soldiers to use the Internet freely, they get to write letters like this even though it takes some time. I didn't write many letters as I grew up, but I started writing letters to my friends again after I came to Japan to study. Could it be because I feel lonely?

4. My friend who's in the Army and I share the fact that we live far away from family. Maybe for that reason we understand each other well. In his letter, he talked about how he had to remain in his military unit and couldn't go home for Christmas and how much he missed home. His letter made me think about last Chuseok when I couldn't go back to Korea. I stayed all alone in Japan and made some Chuseok food for myself.

5. Maybe because I heard from my friend I had a very cheerful day today. Just as this one is, letters are like small refreshments to my repeated daily routines. Do you write letters often? Or have emails taken their place? How about writing letters to people you miss today? I'm going to write a letter back to him now. Have a nice day and I'll see you next time.

GRAMMAR

Following is the complete transcript of the commentary by 미현 and 현우.

미현 : 안녕하세요. 미현입니다.
현우 : 안녕하세요. 현우입니다. 승혜의 오디오 블로그에 오신 것을 환영합니다.
미현 : 현우 씨, 현우 씨는 편지 자주 쓰세요?
현우 : 아니요. 저는 자주 쓰지는 않는데, 자주 받아요.
미현 : 오... 뭐죠? 하하 편지를 자주 받는 다고요? (네) 누가 현우 씨한테 편지를 써요?
현우 : 팬레터... 팬들이 많아요.
미현 : .....
현우 : 아... 하하하 미현 씨, 농담이에요. 지금 미현 씨 표정이 확 변했어요. 하하. 미현 씨는 편지를 자주 쓰세요?
미현 : 네... 아까 같은 그런 농담은 재미 없고요... 저는 요즘에는 편지를 정말 안 써요. 주로 이 메일을 쓰고 아니면 항상 핸드폰을 가지고 다니니까 전화를 하거나 문자를 보내게 되는 것 같아요.
현우 : 네. 맞아요. 편지를 쓰거나 받으면 굉장히 기분이 좋잖아요. 그런데도 금방 연락을 할 수 있는 이메일이나 핸드폰이 있으니까 굳이 시간을 내서 편지를 쓰게 되지는 않는 것 같아요.
미현 : 네. 어렸을 때는 친구들끼리 편지를 자주 써서 주고 받았어요. 전 아직도 그 편지들을 가지고 있는데 가끔 읽어 보면 유치하긴 하지만 뭐, 너무 기분 좋고 그 때 추억이 막 생각나는 것 같아요.
현우 : 아, 어렸을 때 쓴 편지들을 아직도 가지고 있어요?
미현 : 그럼요. 편지 뿐만이 아니라 크리스마스 카드하고, 수업 시간에 주고 받은 쪽지도 가지고 있어요.
현우 : 우와. 그런 편지들이나 쪽지, 카드 이런거 보면 정말 기분이 좋아지겠네요?
미현 : 네. 정말 기분 좋아요. 편지는 계속 남아 있게 되니까 이메일이나 핸드폰처럼 이야기가 없어지지 않잖아요.
현우 : 음... 맞아요. 추억을 담고 있는 이런 빛바랜 편지들을 보면 추억이 되살아나서 너무 좋아요.
미현 : 이제 우리의 추억은 잠시 접고 승혜 씨의 이야기를 들어볼까요?
현우 : 네. 좋아요. 승혜 씨는 어떤 추억에 대해서 이야기를 해 줄지 들어 보죠.
미현 : 그리고 들어 보면서 우리가 생각해야 할 것들이 있죠?
현우 : 네. 확인 문제를 생각하면서 들어 봐야죠. 미현 씨, 이번에 들으면서 생각해야 될 확인 문제는 뭐죠?
미현 : 첫번 째, 승혜 씨는 아침에 일어나자 마자 뭘 했을까요?
현우 : 네. 그리고 두번 째 문제는?
미현 : 두번 째, 승혜 씨가 한국에서 유일하게 아직도 편지가 활발하게 이용되는 곳을 말해 줬어요. 그 곳은 어디일까요?
현우 : 그럼 우리 이 두가지 문제를 생각하면서 잘 들어 봐요.
미현 : 네. 잘 들어 봅시다.

[승혜의 오디오 블로그]

미현 : 와, 승혜 씨는 일본으로 편지가 왔네요. 기분이 아주 좋았을 것 같아요.
현우 : 네. 한국에서 편지를 받아도 기분이 좋을 텐데 일본까지 편지를 보냈으니까 더 좋을 거 같아요. 그럼 우리 확인 문제 정답부터 알아볼까요? 첫 번째, 승혜 씨가 아침에 일어나자마자 뭘 했죠?
미현 : 승혜 씨는 아침에 일어나자마자 세탁기를 돌렸어요.
현우 : 네. 맞아요. 그리고 두번 째, 한국에서 유일하게 아직도 편지가 활발하게 이용되는 곳은 어디일까요?
미현 : 군대요. 군대. 현우 씨는 군대 갔다 왔어요?
현우 : 그럼요. 전 갔다 온 지 벌써 6년이나 됐어요.
미현 : 와. 아저씨네요? 원래 군인들은 항상 군인 아저씨라고 부르잖아요.
현우 : 아저씨 아니에요. 이제는 군인들이 저희보다 한참 어리잖아요.
미현 : 아... 맞아요. 정말 너무 어려서 군인 아저씨라는 말이 잘 어울리지만 이상해요. (음, 맞아요.) 그럼 현우 씨는 군대에 있을 때 편지를 자주 쓰거나 받았었나요?
현우 : 그래도 군대에 있을 때 제일 편지를 많이 쓰고 받은 것 같아요. 군대에 있으면 편지가 정말 큰 위안이 되거든요.
미현 : 네. 그럴 거 같아요. 제 친구 중에 남자친구가 군대에 가 있는 친구가 있었는데 편지를 정말 자주 주고 받더라고요.
현우 : 맞아요. 군대에서는 편지를 많이 받는 사람이 제일 부러웠어요.
미현 : 그래서 그런가? 제 친구는 평소에는 연락을 잘 안했었는데 군대에 가자마자 저한테 편지를 쓰라고 계속 조르는 거예요. 하도 졸라서 편지를 썼는데 알고보니깐 모든 친구들한테 편지를 쓰라고 졸랐다는 거예요.
현우 : 어, 사실 저는 그 마음을 조금 이해할 수 있어요. 보통 여자친구가 있는 군인들은 편지를 많이 받는데 여자친구가 없으면 부모님 아니면 편지를 안 써 주잖아요.
미현 : 네. 저도 써 달라고 해서 쓰기 시작하긴 했는데 은근히 편지를 받는 재미가 쏠쏠하더라고요. 그래서 그 친구가 제대하고 나니까 왠지 허전하더라고요. 제가 막 군대에 다시 들어 가라고 했어요. (하하하) 다시 들어가!
현우 : 그 친구가 화내지 않았어요? 남자들한테 군대에 다시 들어가라는 말은 욕이에요, 욕.
미현 : 네. 많이 화냈죠. 하하 아, 그리고 참, 현우 씨, 한국에서는 거의 모든 남자들이 군대를 가잖아요.
현우 : 네. 맞아요. 20살이 넘으면 거의 모든 남자들이 군대를 가죠. 한참 좋은 나이인데 군대에 가니까 저는 그 점이 조금 아쉬운 것 같아요.
미현 : 음... 그런데 남자들은 군대에 다녀와야 사람된다고 하잖아요. 군대에 가야 부모님의 소중함도 느끼고 또 앞으로 어떻게 살아가야 하는지에 대해서 생각도 많이 하는 것 같던데요?
현우 : 그건 맞아요. 군대에 가면 정말 부모님께 효도해야지 라는 생각이 저절로 스스로 들게 되고요. 저도 군대에 있는 동안 배운 것이 정말 많고 그것 덕분에 생각하는 방식도 많이 바뀐것 같아요.
미현 : 네. 제 친구들을 보면 군대에 가기 전에는 항상 놀기만 하고 학점이 엉망으로 나와도 신경 안 쓰고, 막 그랬었는데요, 군대에서 제대하고 나서 정신차리고 공부 정말 열심히 해서 장학금까지 받고 막 그러는 친구 봤어요.
현우 : 어? 제 얘기 하시는 것 같은데요? 저도 그랬어요. 저도 군대에서 제대를 하고 나서 바로 그 다음 학기에 장학금 받았어요.
미현 : 음... 지금 자랑하시는 거죠?
현우 : 네. 자랑하면 안되나요?
미현 : 은근히 자랑.
현우 : 네. 아무튼 군대가 나쁜 점도 많지만 그런 면에서는 정말 좋은 것 같아요. 인생의 이런 반환점, 반환점이 되는 사람들을 많이 봤거든요.
미현 : 그래서 여자들끼리도 '아, 우리도 그런 뭔가가 있으면 좋겠다.' 얘기 하기도 하거든요.
현우 : 그럼 군대 가세요.
미현 : 네? 그건 싫어요. 친구한테 힘들었던 얘기들을 너무 많이 들어서 제가 꼭 갔다 온 것 같아요.
현우 : 한국 남자들은 모이면 군대 얘기를 한다고 하잖아요. 그런데 한국 남자들은 남자가 아니라 여자들이 같이 있어도 군대 얘기를 해요.
미현 : 맞아요. 남자들이 하도 군대 얘기 아니면 축구 얘기를 많이 해서 여자들이 제일 싫어하는 말이 군대에서 축구한 얘기라고 하잖아요.
현우 : 아, 맞아요. 저는 앞으로 군대에서 축구한 얘기는 안 할 테니까 걱정 마세요.
미현 : 다행이에요. 다른 나라 사람들도 아직도 편지를 많이 주고 받을까요?
현우 : 네. 저도 궁금해요. 여러분, 여러분들은 아직도 편지를 많이 주고 받으세요? 코멘트로 남겨 주세요.
미현 : 네. 저희의 궁금증을 조금 풀어 주세요.
현우 : 그리고 저한테 편지도 보내 주세요.
미현 : 현우 씨는 많이 받으니까, 됐고. 저한테 좀 보내 주세요. 주소는... 하하하

현우 : 주소는 저한테 물어 보세요. 그리고 미현 씨와 제가 말한 모든 대화를 KoreanClass101.com에 오시면 보실 수 있습니다.
미현 : 네. 그러면 다음 주에 다시 올게요.
현우 : 그러면 다음 주에 저희는 승혜 씨의 다음 이야기를 가지고 다시 찾아오겠습니다. 다음 주에 만날게요, 여러분.
미현 : 안녕히 계세요.
현우 : 네.

1. 안녕하세요? 여승혜입니다.
2. 여러분은 커피 좋아하세요?
3. 저는 커피를 마시면 밤에 잠을 못 자거든요.
4. 그래서 되도록이면 먹지 않으려고 노력 중입니다.
5. 대신에 코코아나 허브티 등을 마시고 있어요.
6. 오늘은 아침부터 하루 종일 비가 주룩주룩 내렸습니다.
7. 이렇게 비 오고 쌀쌀한 날씨에는 따뜻한 커피 생각이 더욱 간절해지네요.
8. 방과 후에 학교 도서관에서 친구와 공부를 하다가, 지나치게 조용한 분위기가 답답해서 책을 덮고 도서관을 나왔습니다.
9. 가방 속에는 아직 끝내지 못한 과제들이 한 가득이었습니다.
10. 어떻게 할까 고민하다가, 학교 주변에 있는 스타벅스에 들렸습니다.
11. 친구는 카페라떼를 시키고, 전 카푸치노와 코코아 사이에서 한참을 고민하다가, 역시나 코코아를 시켰습니다.
12. 이미 카페에는 공부를 하러 온 학생들이 꽤 많았습니다.
13. 유학생으로 보이는 한국인들도 몇 명 보였고, 교복을 입은 고등학생들도 있었습니다.
14. 코코아를 한 모금 마시고, 책을 펼쳤습니다.
15. 이야기를 나누는 사람들이 몇몇 있었지만 거슬릴 정도는 아니었고, 카페 전체에 울려 퍼지는 차분한 재즈 음악과 기분 좋은 커피 향에 책장이 절로 넘어갔습니다.
16. '카페가 원래 이렇게 공부하기 좋은 곳이었나?'라는 생각이 문득 들었습니다.
17. 글쎄요, 한국에서 카페는 제게 그저 친구들과 수다를 떠는 장소였거든요.
18. 여전히 창 밖에는 비가 주룩주룩 내리고, 아까 선택하지 못한 카푸치노가 눈 앞에서 아른거리네요.
19. 앞으로 왠지 카페에 들를 일이 많아질 것 같습니다.
20. 그리고 가끔씩은 커피도 마셔야겠어요.
21. 조금은 괜찮겠죠?
22. 그럼, 오늘도 좋은 하루 되시고, 다음 시간에 또 봐요.

ENGLISH

1. Hello. I'm Yeo Seung-hye.

2. Do you like coffee? I can't sleep at night if I drink coffee. So I try not to drink it if I can. Instead, I drink hot chocolate or herb tea. It rained all day today since early morning. When it rains and the weather is chilly like today, I really feel like having some hot coffee.

3. I was studying in the school library with a friend after my classes and I couldn't stay very long in the library where it was just too quiet, so I picked up my books and left the library. My bag was still full of homework that I hadn't been able to finish. I thought hard what to do, and I stopped by the Starbucks coffee shop near my school. My friend ordered a cafe latte, and I ordered hot chocolate as usual, after debating between cappuccino and hot chocolate for a while.

4. In the cafe, there were already quite a lot of students who had come to study. I saw some Koreans who looked like students studying abroad and there were some high school students in their school uniforms as well. After drinking a sip of hot chocolate, I opened my books. There were some people talking to each other, but it wasn't too noisy. I was able to concentrate on my studies thanks to the calm jazz music that was filling the entire cafe and the nice scent of coffee. I thought to myself, “was a cafe always such a good place for studying?” Because I always thought a cafe was just a place where I would go to talk with my friends when I was back in Korea.

5. The rain is still pouring outside the window, and I'm thinking about the cappuccino that I almost chose earlier. I think I'll be going to cafes more often, and drink some coffee sometimes, too. I guess just a little would be all right, right?

6. Then, have a good day, and I'll see you next time.

GRAMMAR

Following is the complete transcript of the commentary by 미현 and 현우.

미현: 안녕하세요. 미현입니다.
현우: 안녕하세요. 현우입니다. 승혜의 오디오 블로그에 오신 것을 환영합니다.
미현: 현우 씨, 이거 드세요.
현우: 어? 커피에요? 와... 커피 생각이 간절했는데~ 고마워요. 잘 마실게요. 그런데 미현 씨, 웬일로 커피를 다 사왔어요?
미현: 웬일이라뇨. 가끔 사오잖아요. 그냥 오는데 커피 향이 너무 좋아서 사왔어요.
현우: 오... 처음인데? 처음 아니에요?

미현: 커피 다시 주시겠어요?
현우: 아니에요. 미안해요. 진짜 커피 향이 너무 좋은데요?
미현: 네. 전 커피를 너무 좋아해서 하루에 한... 두, 세 잔씩 마셔요. (우와) 중독? 하하.
현우: 그런데 왠지 미현 씨는 커피 중독 이미지보다, 그런 전통차를 우아하게 마실 것 같은 그런 이미지예요.
미현: 전통차요? 한국 전통차? 왜요? 제 이미지가 그래요?
현우: 네. 한국어를 가르치니까 왠지 커피가 아닌 한국 전통차를 마셔야 할 것 같아요.
미현: 음... 네. 전통차도 좋아해요. 국화차나 유자차 같은 차는 아주 좋아해요. 어제 저녁에도 국화차 마시고 잤거든요. (아, 그래요?) 네. 현우 씨는 커피 많이 마셔요?
현우: 네. 요즘에 커피를 너무 많이 마셔서 줄이려고 노력하고 있어요.
미현: 현우 씨는 잠을 너무 안 자서 그래요. 잠을 자려고 노력하면 커피는 자동으로 줄여질 걸요?
현우: 아니에요. 요즘에는 많이 자는 편이에요.
미현: 얼마나 자는데요?
현우: 진짜 진짜. (얼마나? 몇 시간?) 진짜! 몇 시간은 말 할 수 없지만 진짜 요즘에는 많이 자요. 이제 승혜 씨의 오디오로 한 번 들어가 볼까요?
미현: 네. 좋아요.
현우: 네. 그런데 그 전에 확인 문제 내 주세요, 미현 씨.
미현: 네. 첫 번째 문제, 승혜 씨가 까페에서 뭘 시켰을까요?
현우: 승혜 씨가 까페에 갔나봐요, 그쵸?
미현: 네, 네. 그리고 두 번째 문제, 승혜 씨가 까페에 가서 무슨 생각을 했을까요?
현우: 그럼 우리 이 두 가지 문제를 생각하면서 들어 보실까요?
미현: 네. 잘 들어 봅시다.

[승혜의 오디오 블로그]

미현: 승혜 씨도 커피를 안 마시려고 노력하네요.
현우: 네. 저도 줄여야 되는데... 하하. 우리 먼저 확인 문제의 정답을 알아볼까요?
미현: 네. 그래요.
현우: 첫 번째 문제, 승혜 씨가 까페에서 뭘 시켰어요?
미현: 승혜 씨는 까페에서 코코아를 시켰어요.
현우: 네, 코코아. 그럼 두 번째 문제, 승혜 씨가 까페에서 무슨 생각을 했죠?
미현: 승혜 씨는 '카페가 원래 이렇게 공부하기 좋은 곳이었나?'라는 생각을 했어요.
현우: 네. 맞아요. 미현 씨는 카페에 자주 가세요?
미현: 네. 저는 자주 가는 편이에요. 커피를 좋아해서 그런 것도 있지만, (네) 친구들과 오랫동안 수다떨기에도 좋고, 뭐... 누군가를 기다리고 있을 때도 좋아서 자주 가요. 현우 씨는 어때요?
현우: 저도 자주 가요. 저도 친구들이나 사람들을 만날 때 주로 카페에 가서 만나요. 한국에는 요즘에 카페가 정말 많이 생긴 것 같아요.
미현: 네. 그런 것 같아요. 정말 많아요. 사람이 많이 다니는 곳을 가면 정말 몇 군데나 찾아 볼 수 있거든요.
현우: 네. 요즘에는 사람들을 만나러 카페에 가기도 하지만 승혜 씨 처럼 카페에서 공부하는 사람들도 정말 많이 볼 수 있어요.
미현: 네. 저도 가끔 답답하면 혼자 카페에 가서 공부를 하기도 하고 책을 읽기도 해요.
현우: 저도 그래요. 예전에는 그렇게 공부를 하고 있으면 다들 이상하게 쳐다 봤었는데 최근에는 그런것이 자연스러운 것이 되어서 좋은 것 같아요.
미현: 네. 전혀 이상하지 않죠. (네.) 그리고 요즘에는 모르는 사람들끼리 인터넷을 통해 모여서 스터디를 많이 하잖아요. 카페가 그런 스터디 하는 사람들이 모여서 공부하기에도 좋고, 뭐, 그래서 많이들 가는 것 같아요.
현우: 네. 맞아요. 저도 그런 모임이 있는데 처음 장소는 항상 카페에서 모여요. 부담스럽지 않고 편안해서 사람들끼리 금방 친해질 수 있는 것 같아요.
미현: 그리고 저는 승혜 씨처럼 도서관이 답답하다고 느껴져서 공부가 더 안 될 때가 있더라고요. (맞아요, 맞아요) 그래서 약간 시끄러워도 카페에서 공부를 하게 되면 더 잘될 때가 많아2요.
현우: 네. 저도 카페에서 더 집중이 잘되는 것 같아요.
미현: 음, 이상하죠? (네, 네) 또 여름에는 시원하고 겨울에는 따뜻하니까 시간을 보내기도, 시간을 때우기에도 참 좋은 것 같아요.
현우: 하하 맞아요. 그래서 여름이랑 겨울에는 카페에 사람들이 정말 많죠?
미현: 네. 특히 많죠.
현우: 네, 여름에는 더우니까 다들 시원한 카페를 들어가려고 하는 것 같아요. 그리고 저는 비 올 때도 까페에 자주 가요.
미현: 비 올 때요? 저는 비오는 것은 싫어하는데 카페에서 비오는 거 보면서 따뜻한 커피나 코코아 마시면 너무 좋은 것 같아요.
현우: 오... 분위기 있는데요? 하하
미현: 아... 네. 분위기 있어 보이기도 하지만 비 오는 걸 보는 것은 좋지 않나요?
현우: 네. 저도 비 오는 거 정말 싫어하거든요. 신발도 젖고 축축해져서 정말 싫어요. 그리고 우산 쓰는 것도 싫고요. 그런데 건물 안에서 비 오는 걸 보거나 비오는 소리를 듣는 건 괜찮은 것 같아요.
미현: 빗소리. 맞아요. 저도 비 오는 소리 너무 좋은 것 같아요. 현우 씨는 비오는 날 뭐 하고 싶어요?
현우: 어... 저는 비 오는 날 일단 커피 마시고 싶고, 그리고 라면 먹고 싶고... 그리고 솔직히 말하면 아무 것도 하기 싫어요. 하하.
미현: 모... 저도 사실 그렇긴 해요. 비 오는 날은 그냥 집에서 뒹굴뒹굴 거리는 게 제일 좋은 것 같아요.
현우: 네. 맞아요. 그리고 김치전 먹고 싶어요, 김치전.
미현: 아, 맞아요. 그거 알아요? 한국 사람들은 비 오는 날 부침개를 먹고 싶어 하잖아요.
현우: 네. 맞아요. 이상하게, 전, (전) 비 오는 날은 꼭 부침개, 전이 먹고 싶어지죠.
미현: 그게 비오는 소리하고 부침개를 부치는 소리하고 비슷해서 그렇데요.
현우: 아, 진짜요? 처음 듣는 말인데, 듣고 보니까 그런 것 같은데요?
미현: 맞다니까요. 하하. 사실 저도 들은 이야기예요.
현우: 아, 그래요? 그러면 다음에 비가 오면 까페에서 미현 씨를 만날 수도 있겠네요?
미현: 네. 그럴 수도 있겠네요. 우연히. (우연히) 그럼 만나게 되면 우리 부침개 먹으러 갈까요?
현우: 아, 약속해 주세요. (아, 언제?) 약속.
미현: 만나게 되면.

현우: 만나게 되면. 좋아요. 그러면 승혜 씨가 까페에서 앞으로도 분위기 있게, 즐겁게, 재미있게 공부를 할 수 있기를 바라면서 저희는 이만 물러가 볼까요?
미현: 네, 물러갑시다.
현우: 그러면 저희는 Koreanclass101.com 웹사이트에서 만날게요.
미현: 네. Koreanclass101.com 웹사이트에 오시면 현우 씨와 저의 대화를 적은 PDF를 보실 수 있습니다.
현우: 네.대화를 적은 PDF를 보면서 공부를 하면 정말 정말 빨리 표현들을 배울 수 있을 거예요. 그러면 저희는 다음 시간에 다시 찾아오겠습니다.
미현: 그러면 그동안 다음 이야기를 기대하면서. 네. 다음 시간까지 안녕히 계세요.
현우: 네. 안녕히 계세요

MAIN

1. 안녕하세요. 여승혜입니다.
2. 이제는 날씨도 점점 따뜻해지고, 마음도 한껏 부푸는 봄이네요.
3. 벌써 몇 년째이지만, 새 학기의 시작은 언제나 설레는 것 같아요.
4. 이번 봄학기부터는 졸업논문을 위한 수업을 듣게 되었습니다.
5. 한 학기에 끝나는 다른 수업들과는 다르게, 이 수업은 일년 동안 함께 공부합니다.
6. 오늘은 특별히 서로 친해지기 위한 술자리를 가지게 되었습니다.
7. 아직 이름도 잘 모르고 얼굴도 모르는 학생들이 대부분입니다.
8. 그래서 어디에 앉아야 할 지부터 고민이 되었습니다.
9. 저는 이런 자리를 별로 좋아하는 편은 아닙니다.
10. 마주앉은 학생과 어색한 인사를 나누고, 어서 빨리 음식이 나오기 만을 기다렸습니다.
11. 분위기는 점점 무르익고, “건배”를 외치는 소리와 웃고 떠드는 소리에 시끌벅적 했습니다.
12. 하지만 왜인지 모르게 저희 테이블 만은 침묵이 흐르고 있었습니다.
13. 서로 먹는 것에만 집중하던 도중, 마주 앉은 일본인학생이 이야기를 꺼냈습니다.
14. 하지만 몇 마디 주고 받다가, 다시 또 결국 침묵이 흘렀습니다.
15. 일본인들 사이에 혼자 있으면, 저도 모르게 움츠리게 되는 걸까요?
16. 평소에는 꽤나 수다스러운 저도 적당한 이야기를 꺼내지 못 하고 있었습니다.
17. 그러던 중, 옆 테이블에 앉아있던 한 일본인 학생이 “안녕하세요?”라는 인사로 말을 걸었습니다.
18. 친구 중에 한국인이 있다며, 이번 학기부터 한국어 수업을 듣기 시작했다고 하였습니다.
19. 그 친구는 어색한 발음으로 지금까지 배운 것들을 총 동원해 한국어로 말해 보려 애 썼습니다.
20. 결국 얼마 못 가 바닥이 나긴 했지만, 그래도 노력하는 모습이 고마웠습니다.
21. 이렇게 일본에서 한국어나 한국 문화에 관심을 가져주는 사람들을 만나면, 한국인으로서 참 뿌듯합니다.
22. 오늘은 이 블로그를 들어주시고, 한국에 관심을 가져주시는 여러분들께도 감사하다는 말씀을 전하고 싶네요.
23. 그럼, 오늘도 좋은 하루 되시고, 다음에 또 만나요.

ENGLISH

1. Hello, I'm Yeo Seung-hye.

2. Now we're in the spring when the weather gets warmer and warmer and I feel very excited. I've already spent a few years in school, but I think the start of a new semester always makes me nervous. This spring semester, I'm taking a class for my graduation thesis. Unlike other classes that end in one semester, in this class we study together for one year. Today, we had a drink together to get to know each other better.

3. I don't know the names and even the faces of most of the students. So I didn't even know where to sit at first. I don't particularly like these kinds of occasions. I exchanged some awkward greetings with the student who sat before me and anxiously waited for the food to come out. The atmosphere became more and more comfortable, and the place was noisy, filled with sounds of people shouting "Cheers." But for some reason, only our table was very quiet. We were mostly focusing on the food in front of us, but then the Japanese student sitting across from me started talking. Then after exchanging a few words, there was silence again. Maybe I become very timid against my will when I'm the only Korean among Japanese people. I think I'm usually quite talkative but on that day, I couldn't find the right topic to talk about.

4. But then a Japanese student sitting at the table next to ours said "Hello" to me in Korean. He said that he had a Korean friend, and that he started taking Korean classes this semester. I tried hard to say everything he had learned so far in his unnatural pronunciation. He didn't last very long until he used up all the expressions that he knew, but I really felt grateful that he had tried.

5. I feel very happy and proud as a Korean when I meet people like him in Japan who are interested in the Korean language or the Korean culture. And I would like to say to everyone who's listening to this blog and has interests in Korea that I am really grateful. Well then, I wish you a nice day, and I'll see you again.

GRAMMAR

Following is the complete transcript of the commentary by 미현 and 현우.

미현 : 안녕하세요. 미현입니다.
현우 : 안녕하세요. 현우입니다. 승혜의 오디오 블로그에 오신 것을 환영합니다.
미현 : 현우 씨, 벌써 봄이에요. 밖에 개나리 핀 것 보셨어요?

현우 : 정말요? 전 못 봤어요. 와. 벌써 3월 말이라서 꽃이 폈나봐요. 미현 씨, 미현 씨는 3월하면 뭐가 가장 먼저 떠오르세요?
미현 : 음... 제 생일이요. (하하) 아, 농담이고요, 음... 3월 되면 봄도 시작되고 꽃도 피고 그리고 새 학기가 시작되잖아요.
현우 : 맞아요, 맞아요. 저는 3월하면 항상 새 학기가 되서 신났었어요. 신입생들도 들어오고...
미현 : 현우 씨는 예쁜 신입생들 보려고 신났던 것 아니에요?
현우 : 어... 맞지만. 그것만은 아니고요. 새로운 학기가 시작되면 다시 공부를 할 수 있잖아요. 방학 때는 공부를 못하지만. 그래서 신이 난거죠. 절대 신입생들 때문만은 아니에요.
미현 : 글쎄요. (하하) 그런데 이런 복학생들 있었어요. 신입생들 보려고 엠티에 따라가고 그러잖아요.
현우 : 하하. 저는 절대 그런 복학생은 아니었어요. 미현 씨는 신입생들 들어오면 좋지 않았어요?
미현 : 아, 저도 물론 좋긴 했죠. 하지만 2학년 때는 후배가 생겨서 그냥 좋았는데, 3학년 되니까 나이 든 것 같고 빨리 학교를 졸업해서 취업을 해야 할 것 같아서 걱정만 더 많아지더라고요.
현우 : 맞아요. 3학년 때도 보통 여자들은 23살이잖아요. 근데 지금 생각하면 절대 나이가 많은 게 아닌데 왠지 3학년이라는 느낌이 조금 다른가 봐요. 조금 무거운 느낌? (네) 저는 군대에 있어서 그런 느낌을 못 받았었는데, 여자 동기들은 더 이상 후배들이 들어오는 것이 별로 반갑지 않은 것 같더라고요.
미현 : 네. 맞아요. 저랑 제 친구들도 3, 4 학년 때는 신입생들이랑 잘 안 어울리고, 저희들끼리만 어울려 다녔었어요.
현우 : 그렇군요. 저는 군대에 갔다가 학교로 돌아갔더니 여자 동기들이 다 졸업하고 없어져서 항상 신입생들하고만 친하게 다녔었죠!
미현 : 어우, 좋으셨겠는데요? (네, 좋았어요) 너무 좋아하시는데요?
현우 : 네, 저희가 저희 대학교 이야기를 좀 해 봤는데, 승혜 씨도 이제 일본에서 새 학기가 시작된 것 같은데, 어땠는지 한 번 이야기를 들어 볼까요?
미현 : 네. 그 전에 문제가 있죠?
현우 : 네. 첫 번째 문제.
미현 : 승혜 씨가 봄 학기부터는 일 년 동안 듣는 수업이 있다고 했는데, 그 수업은 무엇일까요?
현우 : 네. 일 년 동안 사람들하고 수업을 같이 들으면 진짜 친해지겠는데요?
미현 : 아... 대학교 때 생각나네요.
현우 : 네, 그리고 두 번째 문제는?
미현 : 두 번째 문제, 승혜 씨는 새로운 사람들을 만나는 자리를 좋아할까요?
현우 : 음... 승혜 씨는 목소리도 너무 좋고 성격도 좋아서 그런 자리 좋아할 것 같은데 한 번 들어보면서 확인 해 보시죠?
미현 : 네.

[승혜의 오디오 블로그]

미현 : 저도 승혜 씨처럼 한국어와 한국 문화에 관심을 가져주는 사람을 만나면, 정말 뿌듯해요.
현우 : 네, 맞아요. 저도 그래요. 한국에 관심을 가져주시는 그리고 한국어를 공부하시는 우리 KoreanClass101 listener 여러분한테도 항상 감사해요.
미현 : 네. 너무 감사합니다. 그리고 저희와 함께 한국어 재미있게 공부해요.
현우 : 네. 그러면 우리 이제 확인 문제를 풀어 볼까요? 첫 번째 문제 뭐였죠?
미현 : 승혜 씨가 봄 학기부터는 일 년 동안 듣는 수업이 있다고 했는데, 그 수업은 무엇일까요?
현우 : 뭐죠?
미현 : 네. 졸업 논문을 위한 수업이에요.
현우 : 졸업 논문. 어려울 것 같아요. (글쎄요. 하하) 그럼 두 번째 문제, 승혜 씨는 새로운 사람들을 만나는 자리를 좋아할까요?
미현 : 승혜 씨는 그런 자리를 별로 좋아하는 편은 아니에요.
현우 : 승혜 씨는 새로운 사람들을 만나는 자리를 좋아하지는 않는다고 했는데, 미현 씨는 어때요? 새로운 사람들을 만나는 자리를 좋아하는 편이에요?
미현 : 어... 어떨 거 같아요?
현우 : 좋아할 거 같아요. 성격도 밝고, 예쁘시고... 사람들이 다 좋아할 것 같은데요?
미현 : 아... 현우 씨 왠일이세요? 하하하. 어제 술 많이 드셨나봐요. 하하 그런데 어쨌든 저는 승혜 씨와는 반대로 새로운 사람들 만나는 것 좋아해요. 현우 씨는요?
현우 : 네. 저도 새로운 사람들 만나는 거 진짜 좋아해요. 다양한 사람들을 만나면 그만큼 다양한 이야기를 들을 수 있잖아요.
미현 : 네, 그래요. 그런데 저도 새로운 사람들 만나는 거 좋아하긴 하지만 가끔 분위기가 쳐져 있을 때는 정말 어떻게 해야 될 지 잘 모르겠어요. (맞아요) 그래서 가끔은 집에만 있고 싶을 때도 있어요.
현우 : 네, 네, 네. 그런데 새로운 사람들을 만나려면 주로 어디에 가야 되죠?
미현 : 동호회나 스터디 같은 모임이 많잖아요. 그런데 가서 자연스럽게 어울릴 수가 있어요.
현우 : 맞아요. 그런 인터넷을 통해서 만나는 동호회나 스터디에 나가면 보통 관심사가 비슷해서 어울리기 쉬운 것 같아요. 그런데, 미현 씨는 그런 처음 만나는 자리에 갔을 때 다른 사람들을 위해서 분위기를 잘 띄워 주는 편이에요?
미현 : 음... 저는 처음에 갔을 때는 사실, 좀 어색해요. 그런데 좀 친해지다 보면 분위기를 잘 띄우지는 못하지만 이렇게, 관심사를 찾아내서 이야기하려고 노력하는 편이에요.
현우 : 아, 그래요? 그런데 왜 저랑 있을 때는 이렇게 어색하세요?
미현 : 아, 그래요? 제가 현우 씨랑 같이 있는 거 싫어하잖아요. 몰랐어요?
현우 : 네... 싫어하는 것까지는 몰랐어요.
미현 : 농담이고요. 그런데 이렇게 이야기거리를 찾아서 말을 걸어도 단답형으로 대답하는 사람들 있잖아요.
현우 : 네, 맞아요. 있어요.
미현 : 네. 이렇게 현우 씨처럼 말이에요.
현우 : 하하. 네. 저도 이렇게 이야기를 걸고, 분위기를 띄우려고 하는데 그냥 짧게 '네. 아니요' 라고 말하는 사람들은 정말 이야기하기 힘든 것 같아요.
미현 : 저는 그냥 그런 사람들은 저랑 말하기 싫다는 걸로 받아들이고 그냥 말을 안 걸어요.
현우 : 네, 근데 거기에 비해서 승혜 씨가 말한 일본 친구처럼 잘 못해도 그 나라의 말을 하려고 노력하는 사람들은 아무리 재미가 없더라도 계속 대화를 나누게 되는 것 같아요.
미현 : 저도 옛날에 그런 적이 있었는데, 한국 문화에 대해서 정말 관심이 많아서 (네) 재미있게 이야기도 하고 그 친구랑 친해졌었는데요, (네) 제가 상대방의 나라에 대해서 아는 게 없어서 미안했어요.
현우 : 맞아요. 우리가 다른 나라 사람들이 한국문화를 알면 기분이 좋은 것처럼, 다른 나라 사람들도 다 마찬가지인 것 같아요.
미현 : 네, 맞아요. 언어를 배우는 것은 문화를 배우는 거잖아요. 그리고 대화를 하는 것도 그들의 문화를 이야기하는 거잖아요.
현우 : 네, 맞아요. 미현 씨랑 저도 앞으로 한국어뿐만 아니라 한국의 문화에 대해서도 많이 이야기를 해 볼까요?
미현 : 네, 좋아요. 승혜 씨도 앞으로 많은 이야기 해 줄 거잖아요. (네, 맞아요) 같이 이어서 하면 될 것 같아요.
현우 : 네, 네. 승혜 씨 다음 이야기 궁금한데, 어, 저희는 여기서 다음 이야기를 기다리면서 인사를 드릴까요?
미현 : 네.
현우 : 그리고 KoreanClass101.com 웹사이트에 오시면 미현 씨와 저의 대화를 적은 PDF를 보실 수 있습니다.
미현 : 네. 현우 씨와 제가 말한 모든 대화를 보실 수 있어요. 질문이 있으신 분들은 꼭 코멘트 남겨주시고요.

현우 : 네. 대화 내용을 모두 적어 놓은 PDF가 한국어 공부하는 데 많은 도움이 될 거예요. 그러면 미현 씨, 우리 다음 시간에 뵈요.
미현 : 네. 다음시간에 만나요. 안녕히 계세요.
현우 : 안녕히 계세요.

1. 안녕하세요? 여승혜입니다.
2. 저희 아버지께서는 출장으로 일본에 자주 오십니다.
3. 워낙 바쁘신 탓에 만난다고 해도 잠시 얼굴 보는 것이 다이지만, 그래도 이번에 오신다는 소식에 저는 며칠 전부터 설레어 있었습니다.
4. 아버지는 오늘 저녁에 도착하셔서, 내일 오전에 회의를 가진 후 바로 돌아가는 1박2일의 빡빡한 일정이셨습니다.
5. 아버지께서 머무시는 호텔까지, 지하철을 타고도 1시간은 걸리는 거리에, 수십 명의 퇴근하는 회사원들 사이에 끼어 낑낑대면서도, 맘속에 쌓였던 그 동안의 고민들, 자랑거리들이 한가득이었기에 그 이야기들을 정리해 보는 것만으로도 시간은 금방 흘러갔습니다.
6. 호텔 로비에서 아버지를 만나서, 잘 지냈냐, 학교는 어떠냐, 라는 간단한 안부를 묻던 중, 아버지의 휴대전화가 울렸습니다.
7. 짧은 통화 후 아버지는 약간은 머뭇거리시며, 곧 간단한 술자리가 있을 것 같다며, 괜찮으면 같이 가자는 말씀을 하셨습니다.
8. 잠시 망설여졌지만, 저는 따라 나섰습니다.
9. 모두들 편히 대해 주신 덕분에 걱정했던 것보다는 나쁘지 않았습니다.
10. 그러나, 술자리가 끝난 뒤에는 이미 막차시간이 다가 오고 있었고, 아쉽지만 돌아와야만 했습니다.
11. 기대하고 설레며 기다려왔던 아버지의 출장인데, 제대로 이야기도 못하고 헤어지게 된 것이 너무 아쉬웠던 탓일까, 막차 시간이 아슬아슬했던 탓에 급하게 인사를 하고 돌아서는 데, 갑자기 눈물이 핑 돌았습니다.
12. 아쉽지만, 어서 방학이 되어 한국으로 돌아가기만을 기다리는 수 밖에 없겠네요.
13. 그럼, 소중한 사람들과 소중한 시간을 보낼 수 있는 좋은 하루 되시고, 다음 시간에 봐요.

ENGLISH

1. Hello. I am Seung-hye Yeo.

2. My father often comes to Japan on business trips. Since he is such a busy person, I only get to see him for a very short time even if I meet him somewhere. But, I've been excited for the past few days after I heard that he was coming to Japan.

3. My father had a very tight schedule of arriving this evening, having a meeting tomorrow morning and going back right after that. Even as I was groaning among dozens of office workers going home on my subway ride to the hotel where my father was staying (which took about an hour), time seemed to pass really quickly just by going through the stories that I'd like to tell my father. I had a lot of things to boast about to my father.

4. After meeting my father in the hotel lobby, as we were exchanging greetings like "How have you been?" and "How is school," my father's cell phone rang. After a short phone call, my father said with a little hesitation that there was going to be a little drinking occasion, and suggested that I go with him if it was alright. I hesitated for a second, but I followed him. Everybody treated me very comfortably so I didn't feel as awkward as I had worried. But after the drinking occasion was over, it was already time for the last train, so I had to go back even though I wanted to stay.

5. I had been anxiously looking forward to my father's business trip to Japan this time, but then we couldn't take our time to talk or say goodbye. Maybe because of that, I suddenly felt tears in my eyes as I was leaving the place after a brief and abrupt goodbye so I wouldn't be late for the last train. Although I'm sad, there's nothing I can do except hope that vacation time will come around soon so I can go back to Korea. Well then, I wish a good day, and I hope you can spend some precious time with precious people, and I will see you next time.

GRAMMAR

Following is the complete transcript of the commentary by 미현 and 현우.

미현 : 안녕하세요. 미현입니다.
현우 : 안녕하세요. 현우입니다. 승혜의 오디오 블로그에 오신 것을 환영합니다. 미현 씨, 오늘 조금 지쳐 보이세요.
미현 : 네. 사실 조금 그래요.
현우 : 어디 아프세요?
미현 : 아니요, 아픈게 아니라, 오늘 유난히 지하철에 사람이 많아서 사람들 틈에서 끼여 오느라고 지쳤어요.
현우 : 아 정말요? (네) 미현 씨는 몇 호선 타고 오시는데요?
미현 : 그 지옥철이라고 들어 보셨어요?
현우 : 아, 2호선이요?
미현 : 네, 네, 네. 지옥철로 유명한 2호선을 타고 다니거든요.
현우 : 2호선이 지옥철이라고 불리는 건 아는데, 왜 지옥철이라고 하죠?
미현 : 2호선은 순환선이고 서울의 중심이 되는 곳을 다 거쳐서 가기 때문에 사람이 정말 많아요. 특히 그... 출퇴근 시간에는 서 있을 틈도 없어서 지옥철이라고 불려요.
현우 : 아, 그렇군요. 저는 2호선을 자주 타지는 않는데, 가끔 강남역에서 사람들을 만나면 사람이 정말 많더라고요, 2호선에.
미현 : 네. 강남, 잠실, 신촌, 홍대 등등 사람들이 가장 많이 가는 곳을 2호선이 다 지나가잖아요. (네, 맞아요) 아침에는 사람이 너무 많아서 가끔 지하철 문이 열려도 못 타는 경우도 많아요.
현우 : 그러면 어떻해요? 지각하는 거예요?
미현 : 그렇죠. 그래서 그런 것 까지 다 계산해서 조금 더 일찍 나와야죠.
현우 : 오... 미현 씨 생각보다 부지런하시네요?
미현 : 아니, 생각보다요? 제가 얼마나 부지런한지 모르시는군요. (아직 모르겠는데요?) 아직, 비 오는 월요일에는 더 일찍 나와야 돼요.
현우 : 비 오는 월요일은 왜요?
미현 : 비 오는 날은 차가 더 많이 막히거든요. 그러면 차를 가지고 다니는 사람들도 차가 막힐까봐 집에 차를 놓고 와서 지하철에 사람이 더 많아지거든요. (아... 그렇군요. 그래서 더 일찍?) 네. 사람이 아주 많아요.
현우 : 미현 씨, 그런데 지금 피곤하지만 승혜 씨의 이야기를 한번 들어 볼 힘은 있죠?
미현 : 네, 그럼요. 승혜 씨의 목소리가 너무 좋아서 금방 힘이 날 거 같아요.
현우 : 좋아요. 그럼 승혜 씨의 이야기를 들어 보기 전에 확인 문제가 뭐죠?
미현 : 네. 첫 번째 문제, 승혜 씨의 아버지는 왜 일본에 오실까요?
현우 : 와. 승혜 씨의 아버지가 오시나봐요. 와, 좋겠어요.
미현 : 네. 그리고 두 번째 문제, 승혜 씨는 아버지를 만나러 몇 시간이나 지하철을 탔나요?
현우 : 네, 그러면 확인 문제를 잘 생각하면서 들어 보세요.
미현 : 네. 잘 들어 봅시다.

[승혜의 오디오 블로그]

미현 : 승혜 씨가 너무 서운했나봐요. 어떡해요.
현우 : 아마 승혜 씨 아버지도 서운하셨을 거예요. 혼자 유학 가 있으면 가족의 소중함을 느끼게 되는 것 같죠?
미현 : 저도 옛날에, 3년 정도 (네) 중국에서 유학 한 적 있었는데 (네) 그 때 가족들이 정말 보고 싶었어요.
현우 : 맞아요. 힘들거나 외로울 때 가장 먼저 생각나는 사람들이 가족이죠. (네, 맞아요) 그러면, 확인 문제의 답을 들어 볼까요?
미현 : 네. 첫 번째 문제, 승혜 씨의 아버지는 왜 일본에 오실까요?
현우 : 네, 왜 오신다고 했죠?
미현 : 승혜 씨의 아버지가 출장 때문에 일본에 오신다고 했어요.
현우 : 네, 맞아요. 그럼 두 번째 문제, 승혜 씨는 아버지를 만나러 가는데, 몇 시간이나 지하철을 탔죠?
미현 : 승혜 씨는 아버지를 만나러 1시간 지하철을 탔어요.
현우 : 네, 우와. 근데 미현 씨, 저 질문이 있는데 미현 씨는 엄마가 더 좋아요? 아빠가 더 좋아요?
미현 : 현우 씨, 제가 꼬맹이도 아니고, 그런 유치한 질문을 하세요.
현우 : 하하. 왜요? 어렸을 때 자주 듣던 질문이잖아요. (너무 유치해요) 알았어요. 그러면 미현 씨는, 더 좋은 질문으로, 어머니하고 아버지하고 누구랑 더 친해요?
미현 : 음... 누구하고 더 친하다고 말하기는 좀 그렇고요. (네.) 어... 엄마하고 얘기하는게 더 편해요.
현우 : 아... 그렇군요. 그러면 엄마하고 이렇게 자세한 얘기 다 해요? 남자친구 얘기, 아니면 직장 얘기.
미현 : 그런 얘기까지는 하지 못하는 것 같아요. 원래 부모님들은 걱정이 많으시잖아요. 그런 얘기는 그냥 친구하고만 해요. 특히 뭐, 남자친구랑 안 좋다, 회사에서 안 좋은 일이 있었다, 안 좋은 얘기는 잘 안하게 되더라고요.
현우 : 맞아요. 저도 그런 것 같아요. 그리고 저는 특히나 첫째라서 그런지, 두 분하고 친하지만 속 얘기까지는 잘 안하게 되더라고요.
미현 : 네, 맞아요. 그리고 원래 남자들은 부모님하고 많은 얘기를 하지 않잖아요. 그런데 제 친구들을 보면 보통 아버지보다 어머니하고 속 얘기를 더 많이 하는 것 같아요.
현우 : 아무래도 아버지들은, 아빠들은 회사에 다니기 때문에 시간이 별로 없어서 그렇지 않을까요?
미현 : 네. 어렸을 때부터 아버지보다는 어머니하고 시간을 많이 보내게 되니까 더 자연스럽게 그렇게 되는 것 같아요.
현우 : 네. 그런데 제 조카들을 보면 엄마보다 아빠를 더 좋아하던데요?
미현 : 네? 아, 그래요? 요즘은 많이 바뀐 것 같네요. 옛날에는 가부장적인 아버지들이 좀 많았고, 또 다들 직장일에 바쁘셨잖아요. 요즘 아버지들은 안 그러신가봐요.
현우 : 요즘에 젊은 아빠들은 아이들하고 정말 잘 놀아 주는 것 같죠?
미현 : 아, 그러고 보니까. 요즘에는 아빠들끼리 모여서 커뮤니티도 만들고, 아이들을 위한 블로그도 만들고, 아이들에게 관심이 많은 아빠들을 많이 본 것 같아요.
현우 : 커뮤니티까지 만들어요? 인터넷에? 우와...
미현 : 예. 그런 다정다감한 아빠들이 많아져서 커뮤니티를 만들어서 아이들 사진도 올리고 육아 정보도 공유하고 그런대요.
현우 : 어떻게 하면 더 좋은 아빠가 될 수 있는지?
미현 : 네. 저도 블로그는 많이 봤어요.
현우 : 우와. 그런데 사실 바람직한 현상이지 아닐까요?
미현 : 네. 그렇죠.
현우 : 네. 그런데 아직도 한국에는 매일 매일 늦게까지 야근을 해야하는 직장인들이 많은데 참 힘들 것 같아요.
미현 : 네. 그런데 아직 직장생활에 매달려 있는 아빠들이 많기는 하지만 요즘은 또 평생 직장의 개념이 사라지면서 직장보다는 자신의 삶을 더 추구하는 아버지들이 많이 늘어나고 있는 것 같아요.
현우 : 네. 좋은 것 같아요. 어쩌면 승혜 씨의 아버지도 다른 아버지들보다 가족을 위해서 더 많이 시간을 쓰시는 분인지도 모르겠어요.
미현 : 맞아요. 승혜 씨가 빨리 한국에 돌아와서 아버지와 많은 시간을 좀 보낼 수 있었으면 좋겠어요.
현우 : 네. 저도 그렇게 생각해요. 그러면 오늘은 승혜 씨의 다음 이야기를 기다리면서 여기에서 인사를 드릴까요?
미현 : 네. 그리고 KoreanClass101.com 웹사이트에 오시면 현우 씨와 저의 대화를 적은 PDF를 보실 수 있습니다.
현우 : 네. 미현 씨랑 제가 한 말을 모두 적어 놓은 PDF이니까 꼭 한번 확인 해 보시고, 질문이 있으시면 코멘트를 남겨 주세요.
미현 : 다음 시간에 만나요.안녕히 계세요.
현우 : 네. 다음 시간에 뵙겠습니다. 안녕히 계세요.

DIALOGUE - KOREAN

MAIN

1. 안녕하세요. 여승혜입니다.
2. 여러분들은 자전거 잘 타세요?
3. 저는 중학교 때 처음 배웠거든요.
4. 그 동안 탈 기회가 없어서 계속 그 실력으로 지내다가, 일본에서 자전거로 통학하기 시작하면서 이제는 고수가 되었지요.
5. 그런데, 제가 지난 여름 방학에 한국에 다녀온 동안, 자전거 혼자서 비바람 속에서 주인만 기다리다 많이 망가져버렸어요.
6. 귀찮은 마음에 한동안은 등교할 때도 그냥 걸어서 다녔습니다.
7. 걸어다니다 보니까 점점 자전거의 존재는 잊혀지고, 무관심 속에 버려져 있었습니다.
8. 그런데, 오늘 새로 쌀을 사러 가는 길에, 도저히 제 힘으로 들고올 자신이 없어서, 드디어 거의 2달만에 자전거를 타보았습니다.
9. 체인에는 녹이 슬어 있었고, 바퀴에도 바람이 약간 빠져 있는 듯 보였습니다.
10. 자전거 위에 올라타, 페달을 밟아보았습니다.
11. '삐걱삐걱' 소리가 바퀴가 돌아갈 때마다 골목길을 울렸습니다.
12. '그동안 너무 무관심했었나…'
13. 갑자기 미안한 마음이 들었습니다.
14. 저는 자전거를 사고 처음으로 자전거 전문점에 갔습니다.
15. 바퀴에 바람을 넣어주고, 주인 아저씨가 잠시 손을 보자, 어느새 새 자전거가 되어있었습니다.
16. 오랜만에 자전거 위에 오르니, 느낌이 새로웠습니다.
17. 특히, 내리막길을 내려갈때의 상쾌함이란!!!
18. 자전거를 타고 슈퍼에 가서 쌀을 사고, 돌아오는 길에 새 자물쇠도 샀습니다.
19. 집에 돌아와 흐뭇한 마음으로 자전거를 세우고, 새 자물쇠를 달아주었습니다.
20. 오늘, 자전거를 수리하면서, 사람뿐만 아니라, 물건들도 애정과 관심이 필요하다는 걸 느꼈어요.
21. 여러분, 주위를 둘러보세요.
22. 무언가가 여러분의 손길을 기다리고 있을 지도 모르니까요.
23. 그럼 오늘도 좋은 하루 되시고, 다음에 또 봐요.

ENGLISH

1. Hello. I'm Seung-hye Yeo.

2. Are you good at riding bikes? I learned to ride bikes for the first time when I was in middle school. Since then, I didn't have any opportunity to ride bikes so my bike riding skills didn't improve. However, ever since I started going to school by bike in Japan, now I've become an expert at riding bikes. But while I was staying in Korea during the last summer vacation, my bike got broken while it was waiting for the owner all alone in the wind and rain.

3. I didn't want to go to the trouble of fixing it, so for a while I just walked when I went to school. Once I started walking to school, I gradually forgot my bike's existence in my head and the bike was just left untouched and neglected. But then today, on my way to buy some more rice, I really wasn't confident that I could carry it home on my own so finally I was back on my bike for the first time in nearly two months.

4. The chains were rusted and the tires seemed a bit flat. I got on the bike and tried pedaling. The squeaking sound echoed through the alleys every time the wheel turned.

5. Maybe I've been neglecting my bike too much... I suddenly felt bad. I went to a bike shop for the first time since I bought it. After the tires had been filled with air and the bike shop owner worked on it for a short while, my bike suddenly became a new bike again. Being on the bike after a long time, it was a very fresh feeling, especially the freshness that I felt as I went down a hill! I rode my bike to the bike shop, bought some rice at a supermarket, and bought a new lock for my bike on my way back. After coming back, I felt very satisfied and happy as I parked my bike and put on the new lock.

6. Today, as I was having my bike fixed, I realized that not only people but also things need affection and attention. Everyone, please have a look around yourselves. Some things might be waiting for your touch. Have a nice day today and I'll see you again next time.

GRAMMAR

Following is the complete transcript of the commentary by 미현 and 현우.

미현 : 안녕하세요. 미현입니다.
현우 : 안녕하세요. 현우입니다. 승혜의 오디오 블로그에 오신 것을 환영합니다.
미현 : 현우 씨, 날씨가 요즘 아주 좋죠. (네) 날씨가 이렇게 좋으니깐 봄 소풍 가고 싶지 않으세요?
현우 : 네. 정말 그래요. 저는 운동하러 가고 싶어요.
미현 : 아... 운동이 뭐예요. 소풍이랑 운동은 정말 다른데...
현우 : 하하 왜요... 운동이 얼마나 좋은데요. 그럼 소풍도 하고 운동도 할 수 있게 한강 고수부지 이런 데 어때요?
미현 : 한강 고수부지에서 어떻게 운동을 해요?
현우 : 한강에 가면 자전거를 빌려주잖아요. 거기에서 자전거를 빌려서 타고 산책도 하고 맛있는 것도 먹으면 그게 소풍 아닐까요?
미현 : 아, 맞다. 자전거 타는 것도 운동이죠. (네) 아, 맞아요. 저도 그런 거 좋아해요. 저도 자전거 살 생각이거든요.
현우 : 아, 정말요? 자전거 탈 줄 아세요?
미현 : 네. 자전거... 진짜 잘 타는데... 옛날에 제가 중국에서 유학했다고 했잖아요. (네) 그 때 매일매일 타고 다녀서 (우와) 그것도 사람이 굉장히 많은데 요리조리 피하면서 (오... 버스 사이로!) 네, 자전거 탔기 때문에 보통 잘 타는 게 아니에요.
현우 : 와, 그렇군요. 근데 때 마침 승혜 씨도 이번 오디오 블로그에서 자전거 이야기를 해 주고 있는데 한번 들어 볼까요?

미현 : 네, 들어 보기 전에... 잠깐만요. 확인 문제가 있잖아요.
현우 : 네.
미현 : 첫 번째 문제, 승혜 씨는 자전거를 언제 처음 배웠을까요?
현우 : 네. 언제 처음 자전거를 배웠을까요? 두 번째 문제는 ?
미현 : 두 번째 문제, 승혜 씨는 자전거를 고치고 슈퍼에서 무엇을 샀을까요?
현우 : 네. 그럼 이 두개의 문제를 잘 기억하시고 들어 보세요.

[승혜의 오디오 블로그]

미현 : 일본에서는 자전거로 통학하기가 쉬운가 봐요. 승혜 씨는 좋겠어요.
현우 : 네. 일본에는 자전거로 출, 퇴근하는 사람도 꽤 많은 것 같아요.
미현 : 아, 출, 퇴근도요? 그런데 정장 입고 자전거로 출, 퇴근하면 조금 이상할 것 같아요.
현우 : 조금. 하하. 그럼 우리 확인 문제 한번 맞혀 볼까요? 첫 번째 문제, 승혜 씨는 자전거를 언제 처음 배웠죠?
미현 : 승혜 씨는 자전거를 중학교 때 처음 배웠어요.
현우 : 네. 중학교 때 처음 배웠다고 했죠? 두 번째 문제, 승혜 씨는 자전거를 고친 다음에 슈퍼에서 무엇을 샀을까요?
미현 : 네. 승혜 씨는 자전거를 고치고 슈퍼에서 쌀을 샀어요. 쌀이 무거워서 자전거를 타고 간 거죠?
현우 : 네. 맞아요. 그런데 한국에서는 사실 자전거를 탈 수 있는 곳이 많지 않잖아요.
미현 : 네. 너무 심해요. 한강 같은 곳 아니면 자전거를 탈 수가 없잖아요. (네) 차도 많고, 아, 무엇보다 전용 도로가 없어요.
현우 : 네, 맞아요. 한국에도 자전거 전용 도로가 생겼으면 좋겠어요. 곧 생긴다고 하는데 그렇게 되면 교통체증도 줄일 수 있을 것 같고, 저도 아마 매일 타고 다닐 거 같아요.
미현 : 다른 나라 가보면 전용도로가 잘 되어있는 나라가 많더라고요.
현우 : 네. 정말 부럽죠.
미현 : 네. 그렇게 전용도로가 생기면 저는 운동을 좋아하는 편은 아니지만 (네) 자전거 타는 것은 좋아하거든요. (네) 그래서 생기면 출, 퇴근도 자전거로 하고 (네) 자전거 타면서 운동도 하고, 그렇게 할 것 같아요.
현우 : 네, 맞아요. 저도 유럽 여행을 갔을 때 자전거 묘기를 하는 걸 보고, 너무 타고 싶어서 묘기용 자전거를 하나 샀는데 타고 다닐 곳이 없어서 요즘에는 안 타고 다녀요.
미현 : 묘기용이 따로 있어요?
현우 : 네. 따로 있어요.
미현 : 재밌네요. 그런 거는 그런데 자전거 도로가 생겨도 하면 안 될 것 같은데요. 조금 위험하지 않나요?
현우 : 어... 사실 생각보다 안전해요. 위험하지만 생각보다 안전한 것 같아요.
미현 : 그러면 현우 씨는 그 작은 자전거에 애정과 관심을 쏟고 있나요? 승혜 씨가 말한 것처럼.
현우 : 아, 아니요. 사실 저는 그냥 방에... (방치?) 예, 방치해 놓고 있습니다.
미현 : 그러면은 가장 아끼는 물건은 뭐예요?
현우 : 어... 아끼는 물건이요? 요즘에는 카메라? 사진 찍는 것을 좋아해서 항상 카메라를 가지고 다녀요.
미현 : 의외네요? 하하하 한국에서는 정말 모든 사람들이 사진 찍는 것 좋아하는 것 같아요. (네, 맞아요) 폰카도 많이 일반화돼 있고... (네) 그렇죠?
현우 : 맞아요. 그리고 요즘에 사진 잘 찍는 사람들이 정말 많아서 인터넷에 올라온 사진들 보면 다 전문가 같아요.
미현 : 네, 맞아요. 제 친구들 이렇게 한 번 모이면 모두 카메라를 꼭 가지고 오는 것 같아요.
현우 : 네, 맞아요. 저도 승혜 씨의 얘기를 듣고 제 자전거에 조금 더 신경을 써야겠다는 생각이 들었는데, 미현 씨는 평소에 항상 소중하게 여기는, 제가 카메라를 소중하게 여기듯이, 미현 씨가 소중하게 여기는 물건은 뭐예요?
미현 : 집에 있는 화분이요.
현우 : 아, 진짜요? (네) 매일매일 물 주세요?
미현 : 그 화분이요, 저희 집에 딱 하나 있는 식물이거든요. (네) 근데 굉장히 소중하게 느껴져요. (아...) 이상해요. 친구한테 선물 받아서 제가 직접 이렇게, 처음 키워 보는 거라서 그것도 생명이잖아요. (네) 그래서 그런 것 같아요.
현우 : 저도 미현 씨한테 좀 배워야 되겠는데요? 저희 사무실에 화분 두 개 있는데 지금 죽어가잖아요.
미현 : 아, 시들시들하네요.
현우 : 네. 물을 좀 더 많이 줘야겠어요. (네) 그러면 오늘도 승혜 씨 이야기 잘 들어 보았고요.
미현 : 네. 잘 들어 보았고요. 다음 시간을 또 기다려 볼까요?
현우 : 네. 다음 이야기를 기대하면서 여기서 인사를 드리겠습니다. 그리고 여러분 잊지 마시고 KoreanClass101.com 웹사이트에 오셔서 미현 씨와 저의 대화를 적어 놓은 PDF를 확인해 보시기 바랍니다.
미현 : 네, 그러면 다음 시간에 또 만나요.
현우 : 네. 그리고 질문 있으시면 언제든지 코멘트 남겨주시고요. 다음 시간에 뵙겠습니다.
미현 : 안녕히 계세요.
현우 : 안녕히 계세요.

DIALOGUE - KOREAN

MAIN

1. 안녕하세요. 여승혜입니다.
2. 오늘은 휴일임에도 불구하고 온 학교가 시끌벅적 했습니다.
3. 왜냐고요?
4. 바로 오늘이 학교 축제이기 때문입니다.
5. 온 학교가 맛있는 음식 냄새와, '어서 오세요~'라는 소리로 가득했습니다.
6. 저 역시 그 '어서 오세요'라는 수 백명의 목소리 중 한 명이었습니다.
7. 오전에는 팝콘을 팔았습니다.
8. 저희 동아리가 피아노 동아리기 때문에 '팝콘'이라는 말 대신, '클래식-콘' 이라는 이름을 지어 주었습니다.
9. 다들, 팝콘을 만드는 것은 처음이라, 참 많이 태워먹었습니다.
10. 시식이라고 나눠주고, 우리끼리 배고프다고 주워먹고, 그러다 보니, 남는 게 있었을지는 저도 잘 모르겠네요.
11. 하지만, 저희 동아리의 진짜 축제는 '클래식-콘'이 아니라, 피아노 음악회였습니다.
12. 저는 피아노 실력이 약간 부족한 관계로 연주는 하지 않았었지만, 무대 스태프였습니다.
13. 그래서 오후에는 정장으로 옷을 갈아입고, 연주회장으로 향했습니다.
14. 저는 안전요원이었습니다.
15. 연주회장이 많이 어두웠기 때문에 관객 분들이 자리를 찾아가면서 넘어지거나 다치지 않도록 주시하고 안내하는 것이 저의 역할이었습니다.
16. 무대에서 연주하는 동아리 친구들은 마치 딴 사람들처럼 보였습니다.
17. 그 동안 얼마나 열심히 연습했을지 보지 않아도 알 수 있었습니다.
18. 모두의 연주가 끝나고, 마지막으로 모든 출연진이 관객들에게 인사를 하는 순서였습니다.
19. 저는 그 자리에 있을 수 없었지만, 오히려 관객들과 같이 있었기에, 그 표정 하나 하나가 너무나도 잘 보였습니다.
20. 몇몇 눈물을 글썽이는 친구들도 보였습니다.
21. 그 마음이 전해진 걸까요?
22. 저도 모르게 코끝이 찡해졌습니다.
23. 작년에는 귀찮아서 축제에 참가하지 않았었지만, 올해는 참가하길 참 잘했다는 생각이 듭니다.
24. 얼마 남지 않은 저의 대학교 생활에 추억의 사진이 또 하나 추가되는 날이었습니다.

25. 그럼, 오늘도 추억에 남을 수 있는 좋은 하루 되시고, 다음에 또 만나요.

ENGLISH

1. Hello, I'm Seung-hye Yeo.

2. Even though it was a public holiday today, the entire school was full of noise and liveliness. Why? That's because today is the school festival day. The whole school was full of delicious smells, and voices saying "Good afternoon. Please come in." My voice was one of the hundreds of voices yelling, "Please come in."

3. We sold popcorn in the morning. Since my club is a piano club, instead of the word "popcorn," we named the popcorn "Classic Corn." It was the first time for all of us to make popcorn, so we ended up burning a lot of it at first. After giving some away as free samples and eating some because we were hungry, I am not even sure whether we made any profit at all.

4. But the real festival for my club was not selling "Classic Corn," but the piano concert. I didn't get to perform because the other members were a little better at piano than me, but I worked as the stage staff. So in the afternoon we changed into suits and headed to the concert place. I was a safety guard. Since the concert place was very dark, it was my role to guide the audience so that they wouldn't fall or get hurt while trying to go to their seats. When they were performing on the stage, my fellow club members looked like different people. I could clearly see how hard they had practiced so far. After everybody's performance was over, it was time for every performer to bow to the audience for the last time. I couldn't be there with them, but since I was among the audience, I could see the looks on each of their faces even more clearly. I could see that some of them were even about to cry. Maybe their feelings were transferred to me. I couldn't stop myself from feeling like crying too.

5. I didn't participate in the festival last year because I didn't feel motivated to, but this year, I'm so glad that I did. Today, I added one more memorable photo to my university life, not much of which is remaining any more. Well then, I hope all of you have another memorable day today and I will see you next time.

GRAMMAR

Following is the complete transcript of the commentary by 미현 and 현우.

미현 : 안녕하세요. 미현입니다.
현우 : 안녕하세요. 현우입니다. 승혜의 오디오 블로그에 오신 것을 환영합니다.
미현 : 현우 씨, 오늘따라 기분이 좋아 보이는데요? 무슨 일 있으세요?
현우 : 그래요? 저는 항상 기분 좋았는데요?
미현 : 아니에요. 오늘은 좀 다른 때보다 신나 보이는데요? 무슨 일 있죠?
현우 : 아. 오늘 저녁 때 동아리에 가서 연습하기로 한 날이거든요.
미현 : 아... 대학 동아리요? (네) 아, 무슨 동아리인데요? 아직도 동아리 활동을 해요? 나이가 몇인데?
현우 : 미현 씨, 저 춤 동아리 활동하는 거 몰랐어요?
미현 : 아, 알았는데, 그게 대학교 동아리에서 하는 거였어요? (네) 그냥 일반 동호회에서 하는 건지 알았는데...
현우 : 아, 아니에요. 대학교 동아리에서 비보잉을 하고 있어요.
미현 : 네... 그랬구나... (네) 근데 아직도 동아리에 가서 춤을 춘다고요?
현우 : 네. 졸업은 했는데 후배들하고 춤추는 게 너무 재미있어 가지고 진짜 열심히 해요. 작년에는 학교에서 하는 공연에 저도 나갔었어요.
미현 : 재밌었겠어요.
현우 : 네, 정말 재미있는데, 저희 동아리가 벌써 회원이 200명이나 되거든요.
미현 : 아, 그래요? 굉장히 많네요.
현우 : 네. 그래서 저희 동아리만 하는 공연이었는데 사람이 정말 많이 왔었어요.
미현 : 그런 공연하면 저한테도 말해서 초대 좀 해 주지 그랬어요?
현우 : 제가 초대했잖아요. 하하하.
미현 : 아, 거짓말 할라고 하니까 안 되네.
현우 : 초대했는데 바빠서 못 왔잖아요.
미현 : 아, 네. 그 때 좀 바빠서 못 갔어요.
현우 : 다음 번에 또 초대할 테니까 꼭 오세요. (네) 근데 미현 씨는 비보잉 좋아하세요?
미현 : 네. 좋아하죠, 비보잉. 보는 거 좋아하죠.
현우 : 물론 보는 거, 하는 거를 좋아하냐고 물은 거는 아니고요. (네, 못 하죠) 비보잉 보는 거 왜 좋아하세요? 그냥 재미있어서?
미현 : 거기 춤추는 남자들이 멋있더라고요. 하하하. 아아아, 근데 현우 씨 빼고! 네... 농담이고요.
현우 : 네. 농담이길 바랍니다.
미현 : 네... 좀 충격 받으신 거 같은데...
현우 : 네. 그런데 이런 학교 동아리들이 요즘에 특히 바쁜 것 같아요. (왜요?) 축제 시즌이 돌아왔잖아요.
미현 : 음.... 맞다. 승혜 씨도 그러면 이번에 동아리 얘기를 해 주나요?

현우 : 네. 승혜 씨가 일본에서 동아리 활동을 하고 있는 것 같은데, 첫 번째 확인 문제가 뭐죠?
미현 : 네. 첫 번째 문제, 승혜 씨의 동아리는 무슨 동아리일까요?
현우 : 네. 그리고 두 번째 문제는?
미현 : 두 번째 문제, 승혜 씨가 축제 때 동아리에서 한 일은 무엇일까요?
현우 : 네. 그러면 이 두 문제를 생각하시면서 들어 보세요.
미현 : 네.

[승혜의 오디오 블로그]

미현 : 와. 승혜 씨 축제를 했네요. 너무 재미있었을 것 같아요.
현우 : 정말요. 근데 승혜 씨랑 동아리가 정말 잘 어울리는 것 같아요. 미현 씨, 첫 번째 문제 답이 뭐죠? 승혜 씨는 어떤 동아리를 들었죠?
미현 : 네. 너무 잘 어울리게도 승혜 씨의 동아리는 피아노 동아리예요.
현우 : 피아노 동아리. 미현 씨랑은 안 어울려요.
미현 : 네. 저는 피아노의 "피"자도 몰라요.
현우 : 그리고 두 번째 문제, 승혜 씨가 축제 때 동아리에서 한 일은 무엇일까요?
미현 : 아, 피아노를 친 게 아니군요. (네) 승혜 씨는 동아리에서 안전요원이었어요. 관객 분들의 안전을 책임지고, 또 관객들을 안내하는 것이 승혜 씨의 역할이었죠.
현우 : 근데 혹시 미현 씨도 피아노 칠 줄 아세요?
미현 : 아, 어렸을 때는 좀 쳤었는데, (네) 지금 안친지 너무 오래 돼서 다 잊어버렸어요. 그래도 언젠가는 다시 치고 싶어요. 현우 씨는요?
현우 : 저는... 당연히 전혀 못 치죠.
미현 : 당연히? 왜요? 어렸을 때 안 배웠어요?
현우 : 예. 안 배웠어요. 그래서 저도 나중에 배우고 싶어요.
미현 : 꼭 배우세요. 피아노 치는 남자 진짜 멋있어요.
현우 : 진짜요? 와, 그럼 내일부터 배울게요.
미현 : 한 곡이라도 외우세요. 외워서 치세요.
현우 : 네. 근데 미현 씨는 대학교 때 동아리 활동 했었어요?
미현 : 네, 했었죠.
현우 : 무슨 동아리 했었어요?
미현 : 저는 학교 동아리가 아니고, 연합 동아리, 아세요?
현우 : 연합 동아리요? 다른 학교랑 같이 연합해서 하는 동아리?
미현 : 네. 전국에 있는 (네) 어떤 대학교 학생도 다 올 수 있는 그런 동아리였거든요? (네) 스포츠 신문 (네) 기자였어요.
현우 : 우와, 정말요? (네) 스포츠 신문 기자를 하려면 (네) 스포츠, 연예 이런 거에 대해서 많이 알아야 되잖아요.
미현 : 아, 그거랑 상관없이 (네) 스포츠 신문에 캠퍼스 면이 있었어요. (아...) 저희가 대학교에서 들었던 소식이나 (네) 대학교에 재미있는 소식이 있으면 기사를 써서 그 면을 채웠죠. (우와) 재밌었어요.
현우 : 아... 얼마동안 하셨어요?
미현 : 제가 1학년 때 들어가서 (네) 4년 동안 했는데 (네) 기사는 그 때만 썼지만 (네) 끝나고 난 다음에, 제가 졸업하고 난 다음에도 자주 만나요. (네) 동아리 선배, 후배, 친구 아직까지 잘 만나요.
현우 : 우와... 그러면 미현 씨가 지금 대선배니까 만나면 항상 밥도 사주고 술도 사 주고 그러셔야겠어요?
미현 : 네. 근데 연락을 잘 안하던데... 너무 대선배라서...
현우 : 네. 저도 동아리에서 활동을 아직 하고 있지만 사실 대선배거든요. (네) 졸업을 했기 때문에. 그래도 여전히 이렇게 어울린다는 건 좋은 것 같아요.
미현 : 네. 좋아요.
현우 : 네. 승혜 씨도 대학교를 일본에서 다니고 있으니까 지금 일본에 있는 동안에 동아리 활동을 통해서 많은 인연을 만들고 오셨으면 좋겠어요. (네) 그러면 저희는 승혜 씨의 다음 이야기를 또 기다리면서 오늘은 여기에서 마치겠습니다.
미현 : 네. 그리고 Koreanclass101.com 웹사이트에 오시면 현우 씨와 저의 대화를 적은 PDF를 보실 수 있습니다.
현우 : 네. 미현 씨하고 제가 한 말을 모두 다 적어 놓은 PDF이니까 꼭 확인해 보시고요. 질문이 있으시면 꼭 코멘트 남겨주세요.
미현 : 네. PDF가 한국어 공부하는데 많은 도움이 될 거예요. 그러면 우리 다음 시간에 다시 만나요.
현우 : 네. 다음 시간에 뵙겠습니다. 안녕히 계세요.
미현 : 안녕히 계세요.

1. 안녕하세요? 여승혜 입니다.
2. 여러분은 인터넷 자주 이용하세요?
3. 저는 한국과 유일하게 자유롭게 소통할 수 있는 수단으로 인터넷을 애용하고 있습니다.
4. 평소에는 홈페이지에 일본에서 지내는 사진이나, 이야기를 올리기도 하고, 메신저를 통해 친구들과 이야기도 합니다.
5. 이번에는 어버이날을 맞아 특별하게 인터넷의 도움을 받았습니다.
6. 작년까지는 일본에 있다는 핑계로 가볍게 전화 정도만 했었습니다.
7. 하지만 올해는 특별히 인터넷 쇼핑몰에서 "감사합니다"라고 적힌 쪽지와 함께 카네이션 한 다발과 커플 핸드폰 줄을 보냈습니다.
8. 왜 이전까지는 이 생각을 못 했을까요?
9. 그냥 한국 인터넷 사이트에서 주문만 하면, 마치 한국에 있는 것과 똑같이 쉽게 선물을 보낼 수 있다는 것을 너무 늦게 깨달았습니다.
10. 인터넷 주문을 하고 딱 삼 일만에 집에서 전화가 걸려왔습니다.
11. 딱 어버이날에 맞추어서 도착한 모양입니다.
12. 어머니께서는 먼데서 뭘 이런 것까지 신경 썼냐며, 첫마디를 여셨지만 내심 많이 기쁘신 모양입니다.
13. 카네이션은 꽃꽂이를 하여 거실에 놔두셨다고, 핸드폰 줄도 당장 바꾸셨다며, 한층 상기된 목소리로 이야기 해 주셨습니다.
14. 사실, 그리 시간이 드는 일도, 돈이 많이 드는 일도 아니었습니다.
15. 하지만, 부모님에게는 딸이 잊지 않고 마음을 표현해 준 것 만으로도 의미가 있는 것 같습니다.
16. 선물은 받는 사람보다 해 주는 사람이 더 기분이 좋다는 말이 전혀 틀리지는 않는 것 같네요.
17. 비록 오늘이 어버이날이 아니더라도, 지금, 여러분도 부모님께 감사하다는 말을 전해 보는 건 어때요?
18. 그럼 좋은 하루 되시고 다음 시간에 만나요.

ENGLISH

1. Hello. I'm Seung-hye Yeo.

2. Do you use the Internet often? I am using the Internet as the only way to communicate freely with Korea. I usually post pictures or stories about my life in Japan on my homepage, and I also talk with my friends through instant messenger software.

3. This time, to celebrate Parents' Day, I got some special help from the Internet. Until last year, I used the excuse that I'm in Japan and just made a simple phone call to say hi. But this week, I took some special efforts to order a bunch of carnation flowers and a pair of cell phone straps for a couple along with a note that says "Thank you" sent to my parents from an online shopping mall. Why hadn't I thought of this before? I realized too late that if I made an order from a Korean website, I could easily send presents as if I were in Korea.

4. Just three days after I made the order online, I got a phone call from my family. It seemed like the present had arrived just in time for Parents' Day. My mother's first words were "You didn't have to go out of your way to send these things from so far away," but it was apparent that she was very happy inside. She told me in a very excited voice that she had trimmed and placed the carnation flowers in the living room, and also changed the cell phone strap right away.

5. In fact, it wasn't anything time-consuming or expensive. But I think it’s meaning enough that I expressed my gratitude as a daughter toward my parents without forgetting to do so. I couldn't agree more that presents make those who give them happier than those who receive them. Even though it's not Parents' Day today, how about giving your parents a call and saying “thank you?” Then have a nice day and see you next time.

Following is the complete transcript of the commentary by 미현 and 현우.

미현 : 안녕하세요. 미현입니다.
현우 : 안녕하세요. 현우입니다. 승혜의 오디오 블로그에 오신 것을 환영합니다.
미현 : 현우 씨, 5월이 벌써 지나가고 있는데요, 너무 아쉬워요.
현우 : 저도요, 5월에는 행사들이 많아서 더 빨리 지나가는 것 같지 않아요?
미현 : 네, 맞아요. 어린이날, 어버이날, 부처님오신날이 있잖아요. 그런데 올해에는 어린이날만 쉬는 날이라서 더 아쉬워요!
현우 : 하하. 원래는 석가탄신일이 쉬는 날인데 이번에 주말이랑 겹쳤죠?
미현 : 네, 올해 그런 날이 굉장히 많죠? 그리고 어린이가 아닌데도 왠지 어린이날이면 너무 좋아요.
현우 : 그거는 어린이날이 쉬는 날이라서 그런 거죠?
미현 : 아, 그런가요? 하하 현우 씨, 현우 씨는 어린이날 주로 뭐 했어요?
현우 : 저는... 뭐 했죠?하하. 기억이 별로 안 나요.
미현 : 아... 너무 옛날이라서...? 하하하 저는 어린이날 주로 놀이공원에 많이 갔어요.
현우 : 근데 어린이날 놀이공원에 가면 사람 정말 많지 않아요?
미현 : 정말 많아도 어린이날에는 특별한 거 하고 싶잖아요. (네) 그리고 또 어린이날에는 부모님이 놀이공원 가자고 하면 꼭 같이 가 주셨거든요.
현우 : 아... 맞아요. 어린이날에는 좀 부모님도 애들한테 약간 관대해지는 것 같아요.
미현 : 네. 그리고 놀이공원에 가는 날은 엄마가 아침 일찍 일어나서 김밥을 싸 주셨거든요. (아...) 그 김밥이 너무 맛있어

서 꼭 일찍 일어나서 또 엄마 주변을 어슬렁거리면 엄마가 "이거 먹어봐!" 하나씩 주시는 거예요. 그게 너무 좋았어요.
현우 : 원래 김밥을 다 싸고 먹는 것 보다 그렇게 만들 때 하나씩 이렇게 얻어서 먹는 게 더 맛있어요.
미현 : 네. 이상하게 그런 게 더 맛있더라고요. 그리고 저희 엄마는 김밥을 쌀 때 항상 맛살을 이용해서 예쁘게 꾸며서 도시락을 싸세요.
현우 : 아, 그 얘기 들으니까 김밥이 너무 먹고 싶어지는데, 승혜 씨는 일본에서 이 5월의 특별한 날들을 어떻게 보냈는지 한 번 들어볼까요?
미현 : 네. 들어보기 전에 먼저 확인 문제, 알려드릴게요.
현우 : 네, 첫 번째?
미현 : 승혜 씨가 부모님께 보낸 선물은 무엇일까요?
현우 : 그리고 두 번째는?
미현 : 승혜 씨의 부모님은 며칠 만에 승혜 씨에게 전화를 걸었을까요?
현우 : 네, 그럼 이 두 가지의 내용을 생각하면서 잘 들어 보세요.
미현 : 네. 잘 들어 보세요.

[승혜의 오디오 블로그]

미현 : 승혜 씨 너무 효녀인 것 같아요. (네, 진짜요) 저는 일본에 있으면 어버이날 선물 보낼 생각은 못했을 것 같은데...
현우 : 미현 씨가 효녀가 아닌 거죠. (네?) 하하.
미현 : 우리 확인 문제 답을 먼저 맞춰 봅시다.
현우 : 네, 알겠습니다. 첫 번째, 승혜 씨가 부모님께 보낸 선물은 뭐죠?
미현 : 승혜 씨는 "감사합니다"라고 적힌 쪽지와 함께 카네이션 한 다발, 커플 핸드폰 줄을 보냈어요.
현우 : 우와... 대단해요. (우와) 그리고 두 번째, 승혜 씨의 부모님은 승혜 씨가 선물을 보낸 다음에 며칠 만에 승혜 씨에게 전화를 걸었을까요?
미현 : 삼일 만에 전화를 걸었어요.
현우 : 네. 맞아요. 저도 이렇게 인터넷으로 선물을 보내면 된다는 사실을 미리 알았더라면 광주에 계신 부모님한테 선물을 보낼 걸 그랬어요.
미현 : 현우 씨는 이번 어버이날에 아무것도 안 해 드렸어요?
현우 : 네. 저는 그냥 전화만...
미현 : 왜 그랬어요? 못된 아들이네요.
현우 : 그럼 미현 씨는 뭐 해드렸는데요?
미현 : 아... 저는 맛있는 거 사 드렸죠.
현우 : 아, 진짜요? 진짜예요?
미현 : 좋은 레스토랑에 가서, 부모님도 모시고 동생도 데리고 가서 맛있게 먹었어요.
현우 : 우와, 저랑 많이 다르시네요.
미현 : 네, 효녀예요, 효녀.
현우 : 알겠습니다. 믿어 드리겠습니다. (네) 그런데 우리 어렸을 때는 돈이 없었잖아요. (네) 미현 씨는 어렸을 때 부모님한테 어버이날에 뭐 해 드렸어요?
미현 : 저는 항상 그... 카네이션, 카네이션을 사고 또 작은 선물도 준비해서 드렸어요.
현우 : 네, 전 그냥 카네이션만 드렸던 것 같은데, 초등학교 때는 직접 만들어서 달아드릴 때도 있잖아요.
미현 : 아, 네. 생각나요. (네) 어버이날이 다가오면 학교에서 색종이로 카네이션 만들기를 꼭 했어요. 매 학년마다. (맞아요) 그렇게서 만들어 드리면 정말 좋아하셨어요. 현우 씨는 부모님한테 사랑한다는 말을 잘 하세요?
현우 : 저는 잘 못하는 편이에요. 한국 사람들은 부모님한테 사랑한다는 말을 잘 안 하잖아요. (네, 저도 그래요) 마음은 있는데 쑥스러워서 말을 안 하는 것 같아요.
미현 : 저도 그렇죠. 편지에도 써 본 적 없는 것 같아요.
현우 : 근데 저희 엄마는 최근에 이렇게 문자를 보내시거든요, 저한테? (네, 네) 문자를 보내는 방법을 최근에 배우셔서 (네) 저한테 가끔씩 닭살 돋는 문자들을 보내시는데 (오...) 너무 귀여우세요.
미현 : 그쵸... 저희 엄마도 닭살 돋는 문자는 아니지만 (네) 이렇게 가끔 문자를 보내세요. (네) 근데 저희 어머니가 경상도 사투리를 쓰시는데 그걸 발음 그대로 (하하하) 사투리 그대로 문자를 찍으니까 (네) 너무 귀여워요. 제가 볼 때...
현우 : "밥 뭈나?" 이렇게요? ("밥 뭈나?") "어디고?"
미현 : "어디서 뭐하노?" (하하하) 그걸 발음 그대로... 귀여워요.
현우 : 저도 한 번 전라도 사투리로 부모님한테 문자를 보내 봐야겠는데요?
미현 : 네. 한 번 꼭 해 보세요.
현우 : 네. 근데 한국에서는 이렇게 어머니 날, 아버지날이 따로 있지 않고 어버이 날로 하나로 합쳐져 있는데, 다른 나라들은 어떤지 궁금한데요?
미현 : 네. 제가 알기로는 어머니날과 아버지날이 따로 있는 나라들도 있다고 해요. 물론 그렇지 않은 나라들도 있겠지만요.
현우 : 네. 여러분, 혹시 여러분 나라에 어버이날이 있는지, 그리고 어버이날이 하나인지, 또는 어머니 날, 아버지날이 따로 따로 있는지.
미현 : 그리고 그런 날이 있으면 그 날을 어떻게 보내는지 코멘트로 꼭 남겨주세요.
현우 : 네. 그러면 저희는 승혜 씨의 다음 이야기를 또 기다리면서 오늘은 여기에서 인사를 드리겠습니다.
미현 : 네. 그리고 KoreanClass101.com 웹사이트에 오시면 현우 씨와 저의 대화를 적은 PDF를 보실 수 있습니다.PDF를 보면 많은 도움이 되니깐 꼭 와서 보세요.
현우 : 네. 그러면 저희는 승혜 씨의 다음 이야기를 가지고 다시 찾아오겠습니다. 다음 시간에 뵙겠습니다.
미현 : 네. 다음 시간에 뵐게요. 안녕히 계세요.
현우 : 안녕히 계세요.

DIALOGUE - KOREAN

MAIN

1. 안녕하세요? 여승혜입니다.
2. 여러분, 식사 하셨어요?
3. 한국인들은 가끔씩 이렇게 '안녕?'이라는 말 대신, '밥 먹었어?'라는 말로 인사를 대신하기도 한답니다.
4. 저는 방금 혼자만의 만찬을 즐기고, 부른 배를 쓱쓱 문지르고 있습니다.
5. 오늘 학교를 마치고 친구들과 돌아오는 길에, 한국 음식에 대해 말을 꺼내게 되었습니다.
6. 특히, '두부김치'란 단어가 제 친구 입에서 나왔을 땐, 입안에 가득 고이는 침이 밖으로 흐를 지경이었죠.
7. 먹고 싶은 한국 음식을 하나 둘 이야기하다 보니, 모두들 어서 방학이 되어 한국에 돌아가고 싶다고 아우성이었습니다.
8. 한국에 대한 그리움 반, 그 매콤한 한국 음식에 대한 그리움 반으로, 오늘 저녁 메뉴는 두부김치로 결정이 났습니다.
9. 집 앞 가까운 슈퍼로 가서, 두부 한 모와 돼지고기를 샀습니다.
10. 물론 가장 중요한 재료는 김치입니다.
11. 대부분의 한국 유학생들은 한국에서 김치를 가지고 오거나, 택배로 집에서 보내 주는 김치를 먹습니다.
12. 일본에도 김치가 있긴 하지만, 한국의 김치와는 미묘하게 다르기 때문입니다.
13. 저 역시, 이전에 한국에서 가져온 김치를 먹고 있습니다.
14. 가끔씩, 깍두기나, 물김치 같은 다른 종류의 김치가 먹고 싶어 지기도 하지만, 배추김치로 만족해야 합니다.
15. 전 일본에 살고 있는 유학생이니까요.
16. 그 나라의 전통 음식이라는 건, 단순히 오래 전부터 먹기 시작했다고 해서 전통 음식은 아닌 것 같아요.
17. 한국인이 김치 없이는 못 사는 것처럼, 오래도록 사람들에게 사랑 받아야 진정한 전통 음식이라고 할 수 있겠죠?
18. 여러분들도 좋아하는 전통 음식이 있나요?
19. 있으면, 저한테 추천 좀 해 주세요.
20. 그럼 좋은 하루 되시고, 다음 시간에 또 만나요.

ENGLISH

1. Hello, I am Seung-hye Yeo.

2. Everyone, did you eat? Like this, Korean people sometimes ask, "Did you eat?" instead of greetings such as "Hi." I just finishing enjoying a feast of my own and I'm rubbing my full stomach.

3. On my way back from school, my friends and I started talking about Korean food. Particularly when the word Tofu Kimchi came out of my friend's mouth, my mouth was watering so much that I almost started driveling. As one by one we were talking about our favorite Korean dishes, everybody was screaming with wishes that the vacation time would come around quickly so that they could go back to Korea.

4. Half out of nostalgia for Korea, and half out of nostalgia for some spicy Korean food, we decided to have tofu kimchi for tonight's dinner. We went to a store near my house and bought a loaf of tofu and some pork. The most important ingredient is of course, kimchi. Most Korean students studying in Japan bring the kimchi they will eat to Japan or eat the kimchi that their family sends to them. It's because although they have kimchi in Japan too, Japanese kimchi is slightly different from Korean kimchi. I'm no exception and I'm eating the kimchi I brought from back home. Although I sometimes feel like having different kinds of kimchi such as kkakdugi or mul kimchi, I have settled for the usual cabbage kimchi. I'm a student studying abroad in Japan, after all.

5. I don't think that we can call something a traditional food just because people started eating it a long time ago. Just as Korean people can't eat without kimchi, I think people must love a food for a long time in order for it to be called a true traditional food, right? Do you have a favorite traditional food? If you do, please recommend one to me.

6. Then have a nice day, and see you next time.

GRAMMAR

Following is the complete transcript of the commentary by 미현 and 현우.

미현 : 안녕하세요. 미현입니다.
현우 : 안녕하세요. 현우입니다. 승혜의 오디오 블로그에 오신 것을 환영합니다.
미현 : 현우 씨, 식사하셨어요?
현우 : 네. 지금 몇 시인데요. 당연히 식사했죠. 미현 씨는요?
미현 : 아... 저는 아무것도 못 먹었어요. (아, 진짜요?) 그래서 너무너무 배가 고파요.
현우 : 왜 아무것도 못 먹었어요?
미현 : 아침에 일어났는데 밥이 하나도 없는 거예요. 그래서 라면을 끓여 먹으려고 라면을 찾아도 없는 거죠.
현우 : 그럼 나가서 사다 먹으면 되잖아요. 밥을 빨리 해먹어도 되고.
미현 : 음... 사실 조금 귀찮아서요. 밥을 해서 먹기에는 또 반찬이 별로 없는 거 있죠?
현우 : 하하하. 그럼 결과적으로 게을러서 못 먹었네요. 어쩔 수 없어요.
미현 : 아, 어쨌든. 제가 지금 배 고프니까 현우 씨가 맛있는 거 사 주세요. 네?
현우 : 아휴... 뭐 먹고 싶은데요?
미현 : 음... 뭐... 간단한 거, 그냥, 간단한 거요.
현우 : 간단한 게 뭐가 있죠?
미현 : 음... 그냥 뭐... 라면에 김밥만 먹어도 좋을 것 같은데요? (네) 그렇지만... 뭐... 굳이 현우 씨가 사주신다면 (네) 삼겹살이나 갈비, 불고기, 뭐... 한정식?
현우 : 됐어요, 됐어. 그냥 굶으세요!
미현 : 네? 힘이 없어서 못 할 것 같아요.

현우 : 안돼요, 안 돼. 빨리 승혜 씨의 이야기를 들어 봐야 되니까, 한번 힘을 내시고, 이야기를 듣다보면 배가 안 고플 거예요.
미현 : 아... 라면에 김밥도 좋아요.
현우 : 됐고요! 그럼 들으면서 확인할 문제들은 뭐죠?
미현 : 네, 너무 냉정하시군요. 첫번 째, 승혜 씨가 저녁 메뉴로 무엇을 결정 했을까요?
현우 : 저녁 메뉴요? (네) 이거 듣고 비현 씨 더 배고파지시겠는데요? (아, 네) 두 번째는요?
미현 : 두 번째, 승혜 씨가 김치를 어떻게 구해서 먹을까요?
현우 : 구해서 먹는 게, 뭐죠?
미현 : 뭐... 사서 먹을 수도 있고... (네) 만들어서 먹을 수도 있고, 다양한 방법이 있잖아요.
현우 : 네. 그래요. 그러면 우리 이 두 가지를 잘 생각해 보면서 들어 보도록 합시다.
미현 : 네. 잘 들어 보세요.
현우 : 네.

[승혜의 오디오 블로그]

미현 : 어... 저도 두부김치 너무 먹고 싶어요.
현우 : 자자. 먼저 확인 문제부터 확인해 봐야죠?
미현 : 진짜 좋아하는데... 두부김치...
현우 : 첫 번째, 승혜 씨가 저녁 메뉴를 뭘로 했죠?
미현 : 두부김치요. 그래서 제가 아까 "두부김치 저도 먹고 싶어요.", 그랬잖아요.
현우 : 두 번째. 하하.
미현 : 승혜 씨가 김치를 어떻게 구해서 먹었냐고요? (네) 네, 택배로 집에서 보내 주는 김치를 먹는대요.
현우 : 그래요. 같은 김치인데도 이상하게 한국에서 파는 거랑 외국에서 파는 거랑 맛이 다른 것 같고, 또, 파는 거랑 엄마가 만들어 주시는 거랑 많이 다른 것 같아요.
미현 : 네. 그렇죠. 저는 또 라면을 먹을 때 김치가 없으면 절대 못 먹어요. (아, 맞아요.) 라면을 김치 맛으로 먹는 거죠. (네) 그런데 김치를 먹어 보면 또 해외에 나가서 먹는 거랑은 맛이 또 달라요.
현우 : 아무래도 해외에서 파는 김치들은 좀 덜 매운 것 같아요.
미현 : 현우 씨, 현우 씨는 한국음식 어떤 음식을 제일 좋아해요?
현우 : 아... 저는 ... 엄마가 해 주시는 거는 다 맛있어요.
미현 : 아... 맞아요. 자취하면은 다 그렇잖아요. 엄마가 해 주시는 음식이 그립고, 엄마가 해 주시는 거 다 맛있고. 그래도 몇 가지만 손에 꼽을 수 있다면?
현우 : 어... 김치찌개랑 된장찌개, 이런 거요. 미현 씨는요?
미현 : 아, 소박하신데요? 저는 고기를 좋아해서요. (네) 하하. 뭐... 갈비, 갈비찜, (오) 또... 뭐가 있지...? (삼겹살?) 삼겹살은 그냥 구워 먹는 거니까... (네) 닭도리탕. (아...) 이런 거 좋아해요.
현우 : 네, 너무 고기만 좋아하시는 거 아니에요?
미현 : 네. 저는 육식... (주의자?) 하하하 네? 육식 주의자? 그런 말도 있나요?
현우 : 그래도 야채도 중요하니까, 야채도 많이 챙겨 드세요.
미현 : 네. 야채도 뭐.. 싫어하진 않아요. 비빔밥이나 김밥 같은 거 (네) 야채 많이 들어있지만 좋아해요. (네) 특히 비빔밥은 건강에 너무 좋은 것 같아요. (맞아요) 반찬으로 따로 먹기에 조금 귀찮거나 잘 안 먹게 되는데, 비빔밥을 먹으면 야채랑 나물을 다 먹을 수 있어서 좋아요.
현우 : 네. 이런 비빔밥 같은 한국 음식들이 맵고 짠 것만 약간 피하면, 야채가 많이 들어있어서 건강에 참 좋은 것 같아요.
미현 : 네, 야채뿐만 아니라 마늘도 많이 들어가잖아요. 마늘이 건강에 정말 좋다고 해요.
현우 : 네, 암도 예방해 주고 혈액 순환도 도와주고 여러 가지 해독 작용도 한다고 들었어요.
미현 : 저도 어렸을 때 부모님께서 마늘 먹으면 건강이 좋아진다는 말을 많이 하셨거든요? (네) 근데 그게 제가 마늘 싫어해서 억지로 먹게 하려고 하는 말인 줄 알았는데 정말 좋더라고요. 그래서 지금은 많이 먹는 편이에요.
현우 : 네. 그리고 김치에 마늘이 많이 들어가잖아요. 그래서 김치를 많이 먹으면 건강에 좋은 것 같아요.
미현 : 네. 맞아요. 그리고 한국 사람들은 고기를 먹을 때도 항상 쌈을 싸서 먹잖아요. (네) 된장을 찍어서 구운 마늘과 함께 고기를 싸서 먹어요. 마늘을 구워서 먹으면 진짜 맛있지 않아요? (네, 정말) 마늘 냄새도 안나요.
현우 : 맞아요, 맞아요. 제 친구들 중에, 외국 친구들 중에서 삼겹살을 좋아하는 친구들이 처음에는 구운 마늘을 정말 싫어하는데, 조금 익숙해지다 보면 진짜 구운 마늘을 한국 사람보다 더 좋아하는 것 같아요.
미현 : 그리고 이건 제가 (네) TV에서 본 건데요. (네) 마늘을 구워서 먹으면 영양 흡수에 더 좋데요.
현우 : 아... 그렇군요. 여러분 참고하세요. 아, 근데 우리 계속 먹는 얘기를 하니까 미현 씨 더 배고프지 않아요?
미현 : 힘이 없어요... 물이라도 좀 주시겠어요?
현우 : 네. 물도 드릴게요. 그런데 녹음 끝나고 제가 삼겹살 사 드릴게요. 갈비? 갈비 어때요?
미현 : 소갈비? 한우 소갈비.
현우 : 제가 일단 지갑에 돈이 얼마나 들어있는지 확인하고 같이 가시죠.
미현 : 아무튼 사 주신다고 하니까 기분이 좀 좋아졌어요. 여러분, 여러분들의 나라에는 어떤 전통음식이 있는지 승혜 씨한테 그리고 현우 씨와 저에게 추천해 주세요.
현우 : 네, 코멘트로 알려주세요.
미현 : 네. 그리고 KoreanClass101.com 웹사이트에 오시면 현우 씨와 저의 대화를 적은 PDF를 보실 수 있습니다. PDF를 보면 많은 도움이 될 테니까요, 꼭 보세요.
현우 : 네, 그러면 저희는 승혜 씨의 다음 이야기를 또 기다리면서 다음 시간에 다시 찾아오겠습니다.
미현 : 다음에 뵈요. 안녕히 계세요.
현우 : 안녕히 계세요.

DIALOGUE - KOREAN

MAIN

1. 안녕하세요? 여승혜입니다.
2. 이제 슬슬 날씨가 더워지려고 하네요.
3. 이맘때쯤 되면 가장 힘든 것이 바로, 아르바이트를 하러 가는 길입니다.
4. 저녁 시간 때에 가긴 하지만, 짧지 않은 거리인데다가 오르막길이어서, 꽤 힘이 듭니다.
5. 한국에서 충분히 돈을 받고 있지만, 하고 싶은 것도 많고 사고 싶은 것도 많은 나이인만큼, 스스로 버는 용돈도 필요하겠죠?
6. 그래서 저는 아르바이트로 벌써 2년 가까이 일본에 살고 있는 '영은'이라는 학생의 수학 공부를 도와주고 있습니다.
7. 오늘은 친구들과 저녁밥을 먹다가 과외에 늦을 뻔 했습니다.
8. 하는 수 없이 굽이 높은 구두를 신고서도 달리는 수 밖에 없었습니다.
9. 가는 길이 오르막길인 데다가 더운 날씨에 뛰어갔더니, 한동안은 손 부채질을 하며 수업을 하였습니다.
10. 영은이도 이미 지친 모습이었습니다.
11. 약간 졸린 듯 눈을 꿈벅꿈벅거리는 모습이 안쓰러워 보였습니다.
12. 얼마 후면 기말고사이기 때문에 어젯밤 늦게까지 공부를 한 모양입니다.
13. 오늘 수업도 기말고사 대비로, 복습하고 문제를 풀어보는 것 중심으로 진행이 되었습니다.
14. 한두 문제씩 틀릴 때마다, 아쉬워하면서도 시험이 얼마 남지 않았기에 불안해 하는 듯 보였습니다.
15. 영은이를 보고 있으면, 고등학교 때 밤 늦게까지 공부하던 기억이 납니다.
16. 지금은 추억이 되었지만, 그때 당시는 수면 부족과 스트레스에 많이 시달렸었죠.
17. 지금 생각해 보면, 한국학생들은 지나치다 싶을 정도로 공부에 온 힘을 쏟습니다.
18. 고3이 되면, 12시가 넘도록 공부하는 것은 예삿일이고, 간단하게 끼니를 때우며, 밥 먹는 시간까지 아껴가며 공부하는 아이들도 많았습니다.
19. '한국 학생들도 좀 더 자유롭고, 즐겁게 학교를 다니며 학창 시절의 추억을 많이 만들 수 있다면 좋을 텐데…' 라는 안타까운 생각이 드네요.
20. 그럼 좋은 하루 되시고, 다음 시간에 또 봐요.

ENGLISH

1. Hello, I'm Seung-hye Yeo.

2. The weather's gradually starting to get hot. When it's around this time of the year, the hardest thing to do is going to my part-time job place. Although I go in the evening, it's not a short distance and it's uphill, so it's pretty tiring. Although I'm getting enough allowance from my parents in Korea, since I'm at an age when I want to do a lot of things and buy a lot of things, I think I need to make some money on my own as well, right?

3. So, for almost two years already, I've been helping a student called "Yeong-eun" with her mathematics as a part-time job.

4. Today, I was almost late for the private lesson with her because I was having supper with my friends a little too long. I had no other choice but to run, even though I was wearing high heels. I had to run uphill and the weather was hot too, so I had to use my hand like a hand fan for a long time during the class to cool myself down. Yeong-eun seemed to be already tired as well. I felt sad to look at her slightly sleepy eyes blinking endlessly. It seemed like she had studied ‘til late at night the night before since the final exams were near. During today's lesson, too, we focused on the preparations for the final exams, did some review, and solved some problems together. Every time she missed an answer or two, she let out a sigh, and then looked nervous because the exams were not far away.

5. Looking at Yeong-eun, I remember when I was studying ‘til late at night when I was a high school student myself. It's all a good memory now, but back then, I had a hard time because of lack of sleep and a lot of stress. Thinking about it now, I realize the Korean students put maybe too much effort into studying. In their last year in high school, it was common for many students to study until after midnight, to skip meals easily, and to save time from their lunch and dinnertime as well. I think it's a pity and I wish that Korean students could be freer, enjoy their school life a little more, and make a lot more nice memories from their school period. Well then, have a nice day, and see you next time.

GRAMMAR

Following is the complete transcript of the commentary by 미현 and 현우.

미현 : 안녕하세요. 미현입니다.
현우 : 안녕하세요. 현우입니다. 승혜의 오디오 블로그에 오신 것을 환영합니다.
미현 : 현우 씨, 벌써 여름이 오려나봐요. 원래 6월 중순부터 더웠나요?
현우 : 네. 지금부터 더워지는 시기 아닌가요? 저는 여름 오는 거 진짜 좋아 하는데, 미현 씨는 여름 싫어하세요?
미현 : 네. 저는 땀 흘리는 것도 너무 싫고, 또 특히 한국의 여름은 조금 습하잖아요. 습한 것도 싫고... 그래요. 현우 씨는 여름이 왜 좋아요?
현우 : 어... 일단 여름은 안 춥잖아요.
미현 : 추운게 싫어서 여름이 좋은 거라고요?
현우 : 아... 꼭 그건 아닌데요. 겨울에 옷을 많이 입고 불편하게 다니는 게 싫어서요. 여름에는 가볍게 티셔츠 하나만 입고 다녀도 되니까 편하잖아요. 그리고 운동하기에도 좋아서 여름을 더 좋아해요.
미현 : 여름에 운동하면 땀이 더 많이 나잖아요? 가만히 있어도 땀이 저절로 나는데...
현우 : 네. 근데... 물론 가만히 있어도 저절로 땀이 나긴 하지만 운동해서 땀이 나면 굉장히 개운해요. 그리고 운동하고 나서 찬물로 이렇게 샤워를 딱 하고나면 얼마나 기분 좋은데요. 미현 씨도 한 번 운동 해보세요. 정말 좋아요.
미현 : 저도 운동하는 거 있어요.
현우 : 정말요? (네) 무슨 운동 하시는데요?
미현 : 숨쉬기 운동이요. (에이....) 걷기 운동도 하고. 왜요?
현우 : 그건 운동이라고 할 수 없잖아요. 그냥 걸어다니는 걸 운동이라고 하다니! 제대로 된 운동을 하셔야죠.
미현 : 아니에요. 걷기가 얼마나 좋은 운동인데요. 모르시는 군요.
현우 : 근데 그나저나, 승혜 씨가 있는 일본도 지금 꽤 더운가봐요. (그래요?) 네. 이 더운 날 승혜 씨가 아르바이트를 가는 이야기를 오늘 오디오 블로그에서 해 주는 것 같은데, 승혜 씨 이야기를 한 번 들어볼까요?
미현 : 네, 그래요. 근데 아르바이트하고 더운 거랑 무슨 상관이죠?
현우 아무래도 더우면 더 일하기 힘들지 않을까요? (아...) 그러면 승혜 씨의 이야기를 들어보기 전에 확인 문제를 알려주세요. 첫 번째 문제는 뭐죠?
미현 : 네. 승혜 씨가 아르바이트로 뭘 할까요?
현우 : 네, 승혜 씨가 일본에서 아르바이트를 하고 있는데 무슨 아르바이트를 하는지 그리고 두 번째.
미현 : 승혜 씨는 언제 밤 늦게까지 공부 했었을까요?
현우 : 지금 아닐까요? 지금 일본어도 공부해야 되고 다른 공부도 많을 거 같은데...
미현 : 음... 네, 정답은 승혜 씨의 이야기를 잘 들어보고 그 때 이야기 해봅시다.
현우 : 네. 이 두개의 문제를 생각하면서 승혜 씨의 이야기를 잘 들어보세요.
미현 : 네. 잘 들어봐요.

[승혜의 오디오 블로그]

미현 : 일본에 있는 한국 학생들도 한국에 있는 학생들처럼 열심히 공부 하나봐요.
현우 : 네. 그런가 봐요. 그럼 먼저 확인 문제를 알아볼까요? 첫 번째, 승혜 씨가 아르바이트로 무엇을 하고 있죠?
미현 : 승혜 씨는 아르바이트로 '영은' 이라는 학생의 수학 공부를 도와주고 있어요.
현우 : 네. 두 번째, 승혜 씨는 언제 밤 늦게까지 공부를 했었을까요?
미현 : 승혜 씨는 고등학교 때 밤 늦게까지 공부를 했어요.
현우 : 맞아요. 미현 씨, 미현 씨는 학교 다닐 때 승혜 씨처럼 이렇게 아르바이트 했었어요?
미현 : 네. 저는 정말 다양하게 여러 가지 해 봤어요. (아...) 음... 현우 씨는요?
현우 : 저도 굉장히 아르바이트를 많이 했죠. 승혜 씨처럼 과외도 했었고, 네, 여러 가지 다른 아르바이트를 했어요. (네) 미현 씨는 어떤 아르바이트 하셨었어요?
미현 : 저는 과외도 했고요. 또... 그런 책 대여점? (아...) 책 대여점에서 만화책을 실컷 보면서 (네) 공짜로 실컷 보면서 아르바이트도 하고 그런 적도 있고 또 커피숍에서 (네) 써빙? 써빙하는 아르바이트도 했었고요.
현우 : 저는 아르바이트를 진짜 많이 해 봤는데 써빙하는 아르바이트만 안해본 것 같아요.
미현 : 아, 그래요? (네) 나름대로 재미있는데...
현우 : 그렇군요. (네) 이제와서 시도 해 보기에는 좀 늦었나요?
미현 : 너무 늙었죠! 하하하
현우 : 아무도 안 써줄까요? (네)
미현 : 저도 하고 싶지 않아요, 지금은.
현우 : 제가 커피숍에서 아르바이트를 하고 있으면 아마 사장님이라고 생각하지 않을까요?
미현 : 아, 그럴 것 같아요. 제가 해도 마찬가지...
현우 : 근데 역시 대학생들은 가장 많이 하는 아르바이트가 과외죠? (네, 과외죠.) 네, 정말 학교에서 수업을 다 듣고 나서도 또 과외 선생님하고 공부를 하거나 학원에 가는 사람이 많은 것 같아요.
미현 : 네, 그래서 과외비로 돈이 많이 들어가는데 (네) 그냥 순수하게 학교 수업만으로 공부를 할 수 있는 그런 시대가 왔으면 좋겠어요.
현우 : 네. 지금 한국에서는 사실 사교육비로 들어가는 돈이 정말 많잖아요. 그런 돈을 조금만 아껴도 정말 여유롭게 살 수 있을 것 같은데 말이죠.
미현 : 네. 그래서 요즘에는 자녀를 많이 둔 사람들은 부자들이다라는 말까지 나오고 있데요. (아, 그래요?) 워낙 그런 사교육비로 돈이 많이 들어가니까요, (네) 그래서 출산율도 낮아지고 있고요. 그 사교육비가 출산율 낮아지는데 영향을 미친 다니까요.
현우 : 네, 그정도군요. (네) 빨리 교육제도가 좋아져서 이런 문제점들이 없어지면 좋겠어요.
미현 : 네, 맞아요. 현우 씨도 나중에 아이를 낳으면 학원에 보내거나 과외를 시킬 생각이세요?
현우 : 아, 아니요. 제가 다 가르칠 거예요.
미현 : 오... 자신감! 시간이 없으실텐데.
현우 : 네. 꼭 제가 다 가르치는 건 아니고 아이들이 공부하기 싫다고 하면 하지 말라고 할 거예요.
미현 : 학원에 안 보내서 (네) 아이들이 공부를 못하게 되면 어떻게 하시려고요?
현우 : 자연스럽게... 아빠를 보고... (아, 보고) 본받기를 바라면서. 자연스럽게. 공부를 하고 싶으면 최대한 써포트 해 주는 아빠가 되고 싶죠.
미현 : 네. 한국의 사교육비 얘기를 하면 끝이 없는 것 같죠?
현우 : 맞아요. 많이 줄어들어야 해요. (네) 그러면 저희는 오늘은 여기에서 마치고 승혜 씨의 다음 이야기를 또 가지고 다음시간에 돌아오겠습니다.
미현 : 네. 그리고 Koreanclass101.com 웹사이트에 오시면...
현우 : 미현 씨와 저의 대화를 적은 PDF를 보실 수 있고요.
미현 : 네. PDF를 보면 많은 도움이 되니깐 꼭 와서 보세요.
현우 : 네. 그리고 질문 있으시면 어떻게 해야 되죠?
미현 : 코멘트를 남겨주세요. 그리고 저희는 다음 시간에 다시 오겠습니다.
현우 : 네.다음 시간에 뵈요. 안녕히 계세요.
미현 : 안녕히 계세요.

DIALOGUE - KOREAN

MAIN

1. 안녕하세요? 여승혜입니다.
2. 오늘은 일어나서 날씨부터 확인했습니다.
3. 햇빛은 쨍쨍하고, 시원한 바람도 불고, 그야말로 걷기에 최고의 날씨였습니다.
4. 아, 왜 날씨부터 확인했냐고요?
5. 오늘은 걷기 대회가 있는 날이기 때문입니다.
6. 20km 가량을 천천히 걸어서 다시 출발 지점으로 돌아오면 되는 단순한 대회이지만, 쉽지만은 않은 일이지요.
7. 이런 날, 날씨까지 안 좋으면 더욱 힘들겠지요?
8. 날씨는 좋으니, 모자하고, 걸으면서 마실 물만 챙기면 완벽합니다.
9. 아침 일찍 시작하는 탓에 평소보다 일찍 일어나 졸린 눈을 비비며 도착한 곳에는, 이미 친구들이 와서 기다리고 있었습니다.
10. 서로에게 선크림을 발라주는 친구들은, 다들 소풍을 가는 아이들처럼, 한껏 상기된 모습들이었습니다.
11. 맑은 공기와 화창한 날씨에 감탄을 하며, 우리는 첫걸음을 시작했습니다.
12. 도심 한복판이기에, 길을 따라 함께 흐르는 시냇물도, 길가에 피어 있는 이름 모를 꽃들도 모두 신기하게만 느껴졌습니다.
13. 중간 지점에서 계곡에 앉아 모두 함께 도시락을 먹었습니다.
14. 작년에도 이 대회에 참가했었지만, 올해는 함께하는 친구들이 더 많아서 그런지, 날씨가 좋아서 그런지, 훨씬 빨리 걷고 있었습니다.
15. 작년에는 거의 대회가 마칠 무렵이 되어서야 도착했었거든요.
16. 역시 한국인은 밥이 보약!
17. 시원한 계곡에 발을 담그고 맛있는 점심을 먹었더니, 지쳤던 다리도 다시 팔팔해지고, 기운도 다시 차려서, 우리는 무난히 제시간 안에 결승 지점에 도착했습니다.
18. 여러분들은 운동 좋아하세요?
19. 저는 운동에 소질도 없는 데에다가 쉽게 지치는 체질이기 때문에, 운동을 좋아하지는 않습니다.
20. 하지만 땀 흘리는 운동은 잘 안 하는 대신에, 오랜 시간 천천히 걷는 것을 좋아합니다.
21. 그런 의미에서 걷기 대회는 저한테 딱인 것 같네요.
22. 그럼 좋은 하루 되시고, 다음 시간에 또 봐요.

ENGLISH

1. Hello. I'm Seung-hye Yeo.

2. Today, I checked the weather as soon as I got up. The sunshine was blazing, the wind was cool, so it was literally the best weather for walking.

3. Oh, why did check the weather before anything? Because today is the day when we have the walking competition. Although it is a simple competition in which you have to walk slowly for about 20km and then come back to the original spot, it is not an easy task. On a day like this, it would be even more difficult if the weather wasn't good either. But since the weather was good today, I just prepared some water to drink while I walk and the preparation was complete.

4. Since the competition started early in the morning, I had to get up earlier than usual and when I got there while still rubbing my sleepy eyes, my friends had already arrived and were waiting for me. As they were helping each other put on sun block, they all looked like little kids, anxiously waiting a picnic.

5. Wondering at the clean air and the fine weather, we started our first steps. Since we were walking in the middle of a city, everything looked so magical - the stream that ran alongside the street and the flowers on the roadside whose name I did not know.

6. We sat down in a valley when we reached the middle of the course. I participated in this competition last year too, but this year, maybe because I had more friends walking with me or maybe because the weather was good, I was walking much faster. Last year, I arrived almost right before the competition came to an end. As they say, rice is the best medicine for Koreans! After eating a delicious lunch with my feet in the water in the valley, our tired legs regained power and we felt energized again, so we were able to reach the final line without a problem.

7. Everyone, do you like working out? I am not so talented at exercise and I get tired very easily, so I don't like working out. But although I don't like to do any exercise that will make me sweat, I like walking slowly for a long time. So that means that this walking competition is just perfect for me. Then everyone, have a nice day and I will see you next time.

GRAMMAR

Following is the complete transcript of the commentary by 미현 and 현우.

미현 : 안녕하세요. 미현입니다.
현우 : 안녕하세요. 현우입니다. 승혜의 오디오 블로그에 오신 것을 환영합니다.
미현 : 현우 씨 오늘은 날씨가 너무 좋은데요. 놀러가기에 딱 좋은 날씨에요.
현우 : 그렇지만 열심히 일 해야죠.
미현 : 사람이 너무 일만 열심히 하면 안되는 거예요. 놀 때는 놀고 또, 일할 때는 열심히 일 하는 거죠. 그래야지 일도 더 능률적으로 할 수 있고요.
현우 : 맞아요. 그러니까 일단 우리는 열심히 일을 하자고요.
미현 : 네. 알겠습니다.
현우 : 미현 씨, 그런데 혹시 여름 휴가 계획 있어요? 벌써 7월 인데 어디 이미 갔다 오신건 아니죠?
미현 : 아니요. 아직 못 갔어요. 지금 친구들하고 계획을 짜고 하는데 휴가 날짜를 맞추기가 너무 힘들어요. 현우 씨는요?
현우 : 저는 일을 열심히 해야 되기 때문에 휴가를 갈 수가 없습니다.
미현 : 네... 일만 하세요.
현우 : 하하 농담이고요. 저도 계획은 짜고 있는데 저도 날짜 맞추기가 힘든 것 같아요.
미현 : 네, 맞아요. 친구들이 다들 다른 일을 하고 또, 바쁘다 보니까 (네) 휴가 날짜가 달라서 너무 힘들어요. (네, 맞아요) 보통 7월 말이나 8월 초에 휴가를 많이 가긴 하지만 저는 그 때는 너무 사람이 많아서 싫더라고요.
현우 : 네, 맞아요. 그런데 요즘 이렇게 날씨가 좋은데 승혜 씨는 이런 여름 날을 어떻게 보내고 있는지 한 번 이야기를 들어볼까요?
미현 : 네. 들어보기 전에 확인 문제(확인 문제) 내주세요.
현우 : 첫 번째.
미현 : 승혜 씨는 왜 일어나서 날씨부터 확인 했을까요?
현우 : 두 번째.
미현 : 승혜 씨는 어떤 행사에 참가했는데 중간에 앉아서 무엇을 했다고 해요. (네) 무엇을 했을까요?
현우 : 자, 그러면 이 두가지를 생각하면서 잘 들어보시죠!
미현 : 네, 잘 들어봅시다.

[승혜의 오디오 블로그]

미현 : 맞아요. 한국인은 밥이 보약이죠.
현우 : 네, 역시 그렇죠. 그렇긴 한데 운동도 해야 되요, 미현 씨.
미현 : 어, 하고 있다니까요. 매일매일, 꾸준히 하고 있습니다. 자, 우리 먼저 확인 문제부터 알아볼까요?
현우 : 네. 첫 번째, 승혜 씨는 왜 일어나서 날씨부터 확인 했을까요?
미현 : 걷기 대회를 하는 날이기 때문이에요.
현우 : 네, 맞아요. 걷기 대회. 두 번째, 승혜 씨는 이 행사에 참여해서 중간에 앉아서 무언가를 했다고 했는데 뭘 했죠?
미현 : 네, 계곡에 앉아서 모두 함께 도시락을 먹었어요.
현우 : 우와. 이렇게 많이 걸은 다음에 친구들하고 도시락 먹으면 정말 맛있겠는데요?
미현 : 네, 정말 꿀 맛이죠? (네) 친구들하고 수다도 떨고 경치도 감상하고 너무 좋을 꺼 같은데요?
현우 : 네. 그러면 미현 씨, 저랑 한 번 마라톤 대회 나갈래요?
미현 : 네? 아니요, 싫은데요. 마라톤대회랑 걷기 대회는 정말 다르잖아요. 저는 걷기는 좋아하지만 마라톤은 절대 나갈 수 없을 것 같아요. 뛰다가 쓰러지면 책임 지실껀가요?
현우 : 아니에요. 안 쓰러져요. 마라톤은 하기 전에 연습을 많이 하기 때문에 쓰러지지 않습니다. 그리고 마라톤 완주하면 얼마나 뿌듯한데요.
미현 : 전 몸이 약해서 연습 하다가도 쓰러질지 몰라요. 제가 제일 싫어하는 게 달리기랍니다.
현우 : 알겠습니다. 그러면 제가 걷기 대회로 알아볼까요?
미현 : 네. 걷기 대회는 뭐... 괜찮아요. 그런데 몇 킬로 미터라고 했죠?
현우 : 20 킬로 미터?
미현 : 20 킬로 미터? 20 킬로 미터라고 하면 감이 안와요. 어느 정도인지 짐작 할 수가 없는데요?
현우 : 아마 한 5시간 걷는 정도?
미현 : 아... 10 킬로는 없어요? 10 킬로
현우 : 알아보겠습니다.그런데 억지로 시키지는 않을게요.
미현 : 10 킬로 미터는 괜찮을 것 같은데요.
현우 : 네. 근데 한국에서는 체육대회를 정말 많이 하죠? 우리 중, 고등학교 때도 많이 했고, 회사를 다니는 사람들은 회사에서도 많이 하잖아요.
미현 : 네. 중, 고등학교 때 체육대회 하는 거 너무 재미있었어요.
현우 : 근데 미현 씨는 운동하는 거 싫어하지 않아요?
미현 : 운동... 좋아하진 않지만 체육대회 때 꼭 운동만 하는 건 아니었어요.
현우 : 아... 맞아요. 응원도 하죠? 그리고 응원을 잘 하는 반은 상품도 주잖아요.
미현 : 네. 대회에서 이기는 것도 좋지만 응원을 잘해서 응원상을 받으면 다들 너무 좋아했어요. (맞아요) 네. 응원 도구도 만들고 응원가도 만들어서 연습하곤 했었어요.
현우 : 오... 공부는 안하고 응원 노래만 연습 한 거 아니예요
미현 : 아... 공부도 하고, 남는 시간에 응원가 연습을 하고 그랬죠. 그렇게 친구들끼리 모여서 뭔가 하다 보면 협동심도 생기고 친구들하고 더 친해지고 되게 좋았던 것 같아요.
현우 : 아... 우와, 반 분위기도 정말 좋아졌을 것 같은데요.
미현 : 네. 서로 고생은 하지만, 고생하면서 더 친해지는 것 같아요.
현우 : 네. 저는 고등학교 체육대회 하면 이어달리기, 릴레이가 생각이 나는데. (네) 항상 체육대회 마지막에는 이어달리기를 하잖아요.
미현 : 네. 하이라이트이죠. 체육대회의 하이라이트. 현우 씨는 이어달리기 선수로 나갔었나요?
현우 : 아니요. 저는 고등학교 때는 운동을 좋아하는 편이 아니어서 안 나갔어요.
미현 : 저는 춤도 좋아하시고 운동도 좋아하셔서 고등학교 때도 잘 한 줄 알았어요.
현우 : 그 때도 좋아하기는 했지만 지금처럼 많이 하지는 않았던 것 같아요.
미현 : 아, 그렇군요. 근데 원래 이어달리기 하는 친구들은 인기가 많은데, 현우 씨는 인기가 없었겠네요.
현우 : 인기는 많았죠. 하하
미현 : 아, 네. 그런데 다른 나라에도 저희 처럼 이렇게 체육대회를 하는지 궁금해요. 학교에서나 아니면 회사에서.
현우 : 여러분, 여러분 나라에서는 학교나 회사에서 체육대회를 많이 하나요?
미현 : 그리고 여러분들은 운동을 좋아하시나요? 코멘트로 남겨주세요.
현우 : 네. 그리고 Koreanclass101.com 웹사이트에 오시면 미현 씨와 저의 대화를 적어 놓은 PDF를 보실 수 있으니까요 꼭 확인해 보시고.
미현 : 질문 있으신 분들도 코멘트 남겨주시고요.

현우 : 네, 그러면 저희는 다음 시간에 뵙겠습니다.
미현 : 네, 다음 시간에 뵈요. 안녕히 계세요.
현우 : 안녕히 계세요.

DIALOGUE - KOREAN

MAIN

1. 안녕하세요? 여승혜입니다.
2. 한국의 대학생들은 벌써 하나 둘 방학을 한 모양입니다.
3. 저는 아직 이렇게 시험기간인데도 불구하고 말이죠.
4. 저도 어서 빨리 시험이 끝나서 한국으로 돌아갈 수 있었으면 좋겠어요.
5. 오늘, 학교 도서관에서 공부를 하고 있는 데, 전화가 울렸습니다.
6. 진동으로 설정해 뒀는 데도 너무 주위가 조용했던 탓에, 꽤나 요란하게 울렸습니다.
7. 당황하며, 핸드폰을 들고 종종걸음으로 밖으로 나왔습니다.
8. “선배! 저 지금 일본이에요!”
9. 수화기 너머로 들리는 목소리의 주인공은 고등학교 때 친하게 지내던 후배였습니다.
10. 반가운 마음에 당장이라도 달려가고 싶었습니다.
11. 하지만 아직 수업이 남아 있었기에 하는 수 없이 저녁 시간 때 만나기로 약속하고, 전화를 끊었습니다.
12. 약속 장소에는 두 명의 후배가 서 있었습니다.
13. 둘이서 같이 방학을 맞아 놀러 온 모양입니다.
14. 거의 1년 만에 보는 후배들은 꽤 늠름해져 있었습니다.
15. 살도 좀 빠진 것 같고, 키도 좀 큰 듯해 보였습니다.
16. 하지만 둘이서 티격태격하는 모습은 제 눈에는 영락없는 어린아이처럼 보였습니다.
17. 저녁을 간단하게 먹고, 카페로 들어갔습니다.
18. 후배들이 괜찮다고 사양했었지만, 멀리서 온 후배들인데 커피 정도는 사 주어야겠다 싶어, 지갑을 열었습니다.
19. 오랜만에 옛날이야기도 하고, 요즘 어떻게 지내는 지도 물어보다 보니, 어느새 헤어져야 할 시간이었습니다.
20. 내일도 만나, 도쿄 시내 가이드라도 해 주고 싶었지만, 학교 일이 워낙 바쁜 탓에 하는 수 없이 아쉬운 마음으로 헤어졌습니다.
21. 작년 이맘때에도 고등학교 때 반 친구들이 놀러 왔었지요.
22. 그 해 겨울에는 엄마랑 오빠가 놀러 왔었고요.
23. 꼭 저를 위해서 일본에 온 것은 아니더라도, 이렇게 일본에 놀러와서 저를 찾아준다는 것이, 한국에서 만나는 것 이상으로 기쁘네요.

24. 여러분들도 저보다 더 기쁘고 좋은 하루 되시고, 다음에 또 봐요.

ENGLISH

1. Hello, I'm Seung-hye Yeo.

2. It seems like some university students in Korea have already started their school breaks, even though I'm still in the middle of my exams. I wish that the exams would be finished soon so that I could go back to Korea.

3. Today, I was studying at the school library and my phone rang. Even though I had set it on silent mode, since it was so quite around me, the vibration made quite some noise. Embarrassed, I quickly walked out of the room to answer the phone. "I'm in Japan now!" By the voice that I heard on the phone, I could tell that it was one of the high school juniors whom I was very close to in high school. I was so glad to hear from her that I wanted to run out to meet her where she was right away. But since I had some classes left for the day, I had no other choice but to hang up the phone, promising to meet her later in the evening.

4. At the meeting point, there were two high school juniors of mine waiting for me. It seemed like they had come to Japan together to travel during their school break. I hadn't seen them for almost a year, and they had become much more mature. They looked a bit thinner and also a bit taller to my eyes. But the two of them having cute quarrels over small things made them look like small kids to me. After having a light dinner, we went into a cafe. Although they said no thanks, I opened my wallet to pay for their coffee, since it was the least I could do for high school juniors that had come a long way. As we were talking about our high school days, and how we were all doing these days, the time flew by and it was already time to say good-bye. I wanted to meet them again the next day and be their guide to show them around Tokyo, but I had to say a reluctant good-bye to them for now since I had a very busy day at school the next day.

5. Around the same time last year, my old classmates from high school came to visit me. And in the winter that year, my mother and my brother came. Although they didn't really come to Japan for me only, I was more glad to see them here than I would be in Korea, because I appreciated the fact that they would take the time to look for me while they are visiting Japan. I hope you will have an even happier time today, and I will see you next time.

GRAMMAR

Following is the complete transcript of the commentary by 미현 and 현우.

미현 : 안녕하세요. 미현입니다.
현우 : 안녕하세요. 현우입니다. 승혜의 오디오 블로그에 오신 것을 환영합니다.
미현 : 현우 씨, 학생들 벌써 방학인 가봐요.
현우 : 네. 제 후배들은 벌써 방학이라고 계획 세우고 하던데요?
미현 : 아. 너무 부럽습니다. 왜 크면 방학이란 게 없어지는지 모르겠어요.
현우 : 대신 휴가가 있잖아요. 휴가동안에 재충전을 하고 오라는 거죠.
미현 : 근데 휴가는 솔직히 너무 짧아요. 그건 뭐 재충전이 아니라 며칠간 잠깐 놀고 오는 거고 그렇게 놀다가 오면 솔직히 더 피곤하기만 해요.
현우 : 맞아요. 월요일 날이 싫은 월요병처럼 휴가를 다녀오면 후유증에 더 시달리는 것 같아요. 더 일하기 싫어지고 놀고만 싶어지는 거죠.
미현 : 네. 맞아요. 저도 월요병, 매 주 걸리는데... 아, 근데 현우 씨도 놀고 싶어 하긴 하는군요. 저는 일하는 거 정말 좋아하시길래 원래 노는 걸 싫어해서 일만 하시는 줄 알았거든요.
현우 : 아니에요. 저도 노는 거 진짜 좋아해요. 방학이나 휴가가 다가오면 얼마나 좋은데요. 저는 여행 가는 거 진짜 좋아하거든요.
미현 : 네. 저도 여행가는 거 진짜 좋아해요. 근데 갔다 오면 후유증에 심각하게 빠지죠.
현우 : 후유증이 어떻게 오는 데요?
미현 : 뭐... 일하기도 싫어지고, 아침에 일찍 일어나기도 싫고 계속 놀러가고 싶은 생각만 들고... 그래요.
현우 : 놀러갔다 온 사진만 보고 있고?
미현 : 네. 아... 그 때 참 좋았었는데...막 이런 생각도 하고요.
현우 : 그럼 미현 씨는 오히려 휴가를 안 갔다 오는 게 좋겠어요?

미현 : 아니에요. 그래도 갔다 와야죠.
현우 : 갔다 와서 녹음하기 싫다고 하면 어떡해요. 리스너 분들이 미현 씨 기다리는데...
미현 : 아... 네... 그래도 뭐, 녹음은 다르죠.
현우 : 그럼 다행이고요. 그러면 저희는 승혜 씨의 이야기를 들어봐야죠.
미현 : 아, 근데 승혜 씨의 이야기를 듣기 전에 확인 할 문제가 있죠?
현우 : 네. 첫 번째 문제,
미현 : 전화가 왔을 때 승혜 씨는 어디에 있었을 까요?
현우 : 네. 그리고 두 번째 문제는요?
미현 : 승혜 씨를 찾아온 사람들은 누구일까요?
현우 : 네, 승혜 씨를 누가 찾아왔는지 그리고 전화가 왔을 때 승혜 씨가 어디에 있었는지 생각하면서 들어보세요.
미현 : 네. 잘 들어보세요.

[승혜의 오디오 블로그]

미현 : 와. 일본에서 친한 사람들을 만나면 정말 기쁠 것 같아요.
현우 : 네. 맞아요. 미현 씨, 우리 우선 확인 문제의 정답을 확인 해 볼까요?
미현 : 네. 좋아요.
현우 : 첫 번째 문제, 전화가 왔을 때 승혜 씨는 어디에 있었죠 ?
미현 : 전화가 왔을 때 승혜 씨는 도서관에 있었어요.
현우 : 네. 맞아요. 그럼 두 번째 문제, 승혜 씨를 찾아온 사람들은 누구였죠?
미현 : 승혜 씨를 찾아 온 사람들은 승혜 씨의 후배들이에요.
현우 : 네. 승혜 씨를 찾아온 사람들이 굉장히 많아요. 부모님 그리고 친구들 그리고 후배들 까지 왔네요.
미현 : 승혜 씨가 목소리만큼 인기도 많은 가봐요.
현우 : 네. 이렇게 외국에 나가 있으면 물론 그 곳에서 좋은 친구들이 생기기도 하지만 한국에서 온 사람들을 만나면, 특히 한국에서 친한 사람들이 오면 그 기쁨이 진짜 두 배, 세 배가 되는 것 같아요.
미현 : 맞아요. 저도 옛날에 중국에 있을 때 친구들이 많이 놀러왔었거든요. 사실 친구들 데리고 가는 곳이 맨날 똑같잖아요. (맞아요) 피곤할 수도 있는데, (네) 전혀 피곤하지 않고 너무너무 반갑더라고요.
현우 : 네. 저도 길게는 아니지만 외국에 가 있을 때, 한국에서 온 이메일만 받아도 진짜 반갑더라고요. (아, 맞아요.) 미현 씨는 중국에 있을 때 친구들이 오면 맛있는 것도 많이 사주고 그랬어요?
미현 : 그럼요. 그래서 애들이 계속 오더라고요, 소문을 듣고. 가면 맛있는 거 사주더라. 소문을 듣고, 많이 왔어요.
현우 : 네. 그러면 미현 씨 다음에 유학 갈 때는 저한테 꼭 말씀하시고 가세요. 제가 찾아갈게요.
미현 : 아, 네. 그러도록 하죠. 네...
현우 : 아, 근데 제가 좋은 생각이 들었어요.
미현 : 어떤 생각이요?
현우 : 승혜 씨한테 이메일을 보내서 제가 일본에 갈 테니까 맛있는 거 사 달라고 하는 거예요.
미현 : 아, 그럼 맛있는 거 먹으려고 승혜 씨를 이용하는 거예요?
현우 : 아니요. 겸사겸사. 가는 김에. 승혜 씨도 보고, 일본도 보고, 승혜 씨랑 같이 밥도 먹고. 어때요?
미현 : 현우 씨가 오빠니까 현우 씨가 가서 사 주세요.
현우 : 어... 좋습니다.
미현 : 승혜 씨, 고맙죠? 제가?
현우 : 네. 그러면 저희는 또 승혜 씨의 다음 이야기를 기다리면서 여기에서 인사를 드리겠습니다.
미현 : 네. 그리고 Koreanclass101.com 웹사이트에 오시면 현우 씨와 저의 대화를 적은 PDF를 보실 수 있습니다.
현우 : 네. 미현 씨와 제가 한 말을 모두 다 적어놓은 PDF이니까 꼭 보시고요
미현 : 질문이 있으신 분들도 꼭 코멘트 남겨 주시고요.
현우 : 네. 그러면 저희는 다음 시간에 뵙겠습니다.
미현 : 안녕히 계세요.
현우 : 안녕히 계세요.

ENGLISH

1. Hello. I'm Seung-hye Yeo.

2. Everyone, today I finally came back to Korea. I can't believe that just yesterday I was taking classes in school. I stayed up late so many nights because I was so excited about coming back to Korea, but I'm not tired at all right now.

3. My airplane flew for about an hour and a half from Tokyo and arrived at Busan International Airport. As I walked past the big glass doors, my mother was waiting for me at the airport. Maybe because my family moved a few days ago, she seemed a lot thinner than before, so I regret not having greeted her more excitedly.

4. So I finally got to see the new house that my family had moved into. I decided to stay in my father's study during the vacation and unpacked my luggage. Even though the house was much bigger than before, I didn't have my own space in the house, so I couldn't help but feel a bit sad. I changed into more comfortable clothes and had a look around the house. Even in this new house that I'm so unfamiliar with, I could still find some memories from the older place that we used to live in. The family picture that is proudly hanging on the living room wall, the sofa that I used to take a nap on from time to time, and the glasses in the kitchen that looked familiar, and the novels in the bookshelf in the study that I enjoyed reading. And then I went into the bathroom without expecting anything. The bathroom was full of new stuff.

5. I was thinking "I thought so..." but then, I saw four toothbrushes hanging on the dryer side by side. On the surface of the toothbrushes were written the names of everyone, and on the new pink toothbrush, my name, Seung-hye, was written. I felt warm at heart because I could really feel how much my father cared.

6. I've only spent a few hours in the new house, and the house looked so unfamiliar at first, but I really like it now. Have you ever moved into a new house before? Even though the new house isn't as comfortable as the old house, I am really excited about it and looking forward to making new memories in the new house. Then have a nice day, and see you next time!

GRAMMAR

Following is the complete transcript of the commentary by 미현 and 현우.

미현 : 안녕하세요. 미현입니다.
현우 : 안녕하세요. 현우입니다. 승혜의 오디오 블로그에 오신 것을 환영합니다.
미현 : 네. 현우 씨, 근데 주말 잘 보내셨어요?
현우 : 네. 잘 보냈어요. 미현 씨는요? 미현 씨는 주말에 뭐 하셨어요?
미현 : 저는 일단 잠도 푹 자고, (네) 그리고 친구들도 만나고... 그냥 그렇게 보냈어요. 현우 씨는요?
현우 : 저는 오랜만에 방 대청소를 했어요. 그래서 지금 너무 개운해요.
미현 : 대청소요? 근데 갑자기 왜 대청소 했어요?
현우 : 저는 가끔 대청소를 하면 그동안 버리지 못했던 것들도 버리고, 잃어 버렸던 것들도 찾아내고 하니까 기분이 너무 좋아지거든요. 그래서 가끔씩 대청소를 하죠.
미현 : 너무 지저분해서, 더 이상 못 봐줄 것 같아서, 청소 하는 거 아니고요?
현우 : 하하. 아니에요. 지저분했던 것은 아니죠? 아닌데, 필요 없는 것들이 점점 쌓여 가서 조금 답답한 기분이 들었었거든요.
미현 : 네... 그럼 그렇다고 치고. (네) 필요 없는 것들이 뭐에요?
현우 : 음... 제가 생각나는 것을 종이에 쓰는 습관이 있는데, 그런 종이들도 점점 쌓여 가고, 택배 할 때 받은 상자, 아니면 안 입는 옷들, 이런 것들이 다 필요 없는 것들이죠.
미현 : 아니, 그러면 그런 것들을 다 버린 거예요?
현우 : 네. 깨끗하게 다 버렸어요. 그랬더니 큰 비닐봉지 두 개가 꽉 찼어요.
미현 : 근데 너무 아깝다. 저는 그런거 아까워서 못 버려요. 왠지 너무 아쉽더라고요.
현우 : 물론 그렇긴 한데 저는 냉정하게 버리려고 노력해요. 솔직히 버리고 나서도 다시 찾지도 않게 되고요.
미현 : 네. 맞아요. 몇 달이 지나도 안 쓰는 것은 평생 안 쓰게 되더라고요. 사실 그래요. 근데 저는 그래도 아깝더라고요. 안 입는 옷들도 많이 쌓여 있고요. 그런데 버리는 것 보다는 뭐... 친구? 옷 같은 거는 친구한테 주는 것도 좋을 것 같아요. (진짜요?) 저는 그렇게 바꿔서 많이 입는데요? (아, 진짜요?) 진짜.
현우 : 우와. 저는 친구랑 옷을 바꿔서 입어 본 적은 한 번도 없어요.
미현 : 아.. 제가 안 입는 것은 친구한테 주고, 아니면 친구가 안 입는 것은 제가 받아서, 마음에 들면 받아서 입고, 그래요.
현우 : 우와. 그래도 저처럼 냉정하게 정리를 하면 짐이 가벼워져요. 가지고 있는 물건들이 별로 없어서 편해요.
미현 : 네. 그것도 좋을 것 같네요.
현우 : 근데 승혜 씨도 최근에 한 번 짐 정리를 한 것 같은데요?
미현 : 아 그래요?
현우 : 한 번 승혜 씨 이야기를 들어볼까요?
미현 : 네. 그런데 듣기 전에 확인 문제 두 개를 내주세요. 첫 번 째 문제,
현우 : 승혜 씨는 일본에서 한국 까지 비행기로 갔는데, 비행기로 몇 시간이 걸렸을까요?
미현 : 두 번째 문제는요?
현우 : 그리고 승혜 씨는 방학 동안 어디에서 지내기로 했나요?
미현 : 그럼 이 두 개의 문제를 잘 생각하면서 들어보세요.
현우 : 네. 들어보세요.

[승혜의 오디오 블로그]

미현 : 승혜 씨네 집이 이사를 갔네요.
현우 : 한국에 돌아왔는데 집이 이사를 가서 굉장히 낯설었겠어요.
미현 : 네. 갑자기 다른 집으로 (네) 들어 간 거니까..(네)
현우 : 짐정리도 다시 하고... 그러면 확인문제부터 알아볼까요? 첫 번째, 승혜 씨는 일본에서 한국까지 비행기로 얼마나 걸렸을까요?
미현 : 승혜 씨는 일본에서 한국까지 비행기로 한 시간 반 정도가 걸렸어요.
현우 : 네. 그럼 두 번째 문제, 승혜 씨는 방학 동안 어디에서 지내기로 했나요?
미현 : 승혜 씨는 방학 동안 아버지 서재에서 지내기로 했어요.
현우 : 와.. 그렇군요. 미현 씨, 근데 미현 씨는 이사 자주 다녔어요?
미현 : 음.. 이사... 어렸을 때는 그렇게 자주 안 다녔던 것 같아요. (네) 한... 두세 번? 두세 번 정도 다니고 (네) 대학교 졸업하고 좀 많이 다닌 것 같아요. 두세 번. 하하하 많이 다닌 건가요?
현우 : 사실 서울에서는 두세 번이면 많이 다닌 것은 아니죠? (네) 저도 한 세 번, 네 번 정도 이사 한 것 같은데 (네) 이사 할 때마다 참 좋아요.
미현 : 왜요? 저는 너무 귀찮던데...
현우 : 귀찮은데, (네) 어... 새로운 생활 터전? 새로운 생활환경에 적응하는 게 너무 재미있어요. (그렇구나...) 물론 불편하긴 하죠. 있던 것도 없고, 주변에 뭐가 있는지도 모르고. 그런데 그냥 살다 보면 정이 들어서 더 좋은 것 같아요.
미현 : 그렇구나. 근데 저는 이사할 때 그 이삿짐을 싸고 또 이사 간 다음에 풀고, 하는 그런 과정들이 너무 힘들어서요.
현우 : 네. 그러니까 짐을 다 버리라니까요.
미현 : 제가 짐이 너무 많나봐요.
현우 : 예. 대청소를 자주자주 해서 필요 없는 건 다 버리세요.(네. 알겠습니다.) 홀가분하게 떠날 수 있어요.
미현 : 오늘 한 번 가서 보겠습니다.
현우 : 네. 그리고 오늘은 승혜 씨의 이야기 이외에도 (네, 다른 소식) 저희가 알려드려야 할 소식이 있죠? (네) 지금까지 미현 씨와 함께 승혜 씨의 오디오 블로그 해설을 해 왔는데, 정말 정말 재미있었고요.
미현 : 네. 저도 재미있었습니다.
현우 : 리스너 분들이 정말 많이 미현 씨 목소리 좋아했던 거 아시죠?
미현 : 아, 그런가요? 정말 감사합니다.
현우 : 그런데 이제 미현 씨가 개인적인 사정으로 너무 바빠져서, 너무 인기가 많아요, 미현 씨. 그래서 저희와 함께 녹음을 하는 것은 이번이 마지막이 되었습니다.
미현 : 네. 여러분 그동안 저희 블로그 열심히 들어주신 거 너무 감사드리고요. (네) 앞으로도 다른 선생님 오셔서 더 재밌게 하실 거니까 매일 매일 들어오셔서 더 재밌게 열심히 들어주시기 바랍니다.
현우 : 네, 알겠습니다. 미현 씨, 지금까지 너무 감사했고요. (네) 승혜 씨 오디오 블로그는 앞으로도 계속 될 거고요. (네) 앞으로는 미현 씨가 아닌 경은 씨와 함께 해설을 하도록 하겠습니다.
미현 : 네. 그 분이 오십니다. 기대해 주세요.
현우 : 네. 그 분을 기다려 주세요. 미현 씨 지금까지 정말 감사했어요.
미현 : 네. 저도 감사드립니다. (네) 현우 씨, 이번 녹음은 마지막이지만 가끔 (가끔 연락하세요.) 네. 연락하고... 또 다음에 파티가 있으면 꼭 참석하겠습니다.
현우 : 네, 알겠습니다.
미현 : 초대 또 해주세요.
현우 : 네, 초대 해 드릴게요. (네) 그러면 여기서 오늘은 인사드리겠습니다.
미현 : 네. 여러분 오늘 수고하셨고요. 다음에... 아, 다음에 다시 만나요, 이거 못하겠네요, 이제. (네) 할 뻔 했어요.
현우 : 아쉽지만, 언젠가 다음에!
미현 : 네. 언젠가 다음에 다시 만나기를 바라면서, 앞으로 한국어 더 열심히 하시고요 그럼 오늘 여기까지 하겠습니다.
현우 : 네. 안녕히 계세요.
미현 : 네. 안녕히 계세요.

1. 안녕하세요? 여승혜입니다.
2. 여러분들은 어떤 책을 좋아하세요?
3. 저는 소설책을 즐겨 읽는 편입니다.
4. 밤에 잠 들기 전에 침대 위에서 책장을 넘기다가 아침 해가 뜨는 것을 보고서야 잠 든 적도 있습니다.
5. 저는 이렇게 매일같이 책을 접하고, 글을 읽으면서도 지금까지는 당연하게만 생각해 왔었습니다.
6. 저희 할머니께서는 요즘 한글을 배우시느라 바쁘십니다.
7. 할머니께서 어렸을 적은 일제 강점기였기에, 한국어 교육이 금지되었었고, 제대로 된 한글 교육을 받으실 기회가 없으셨다고 합니다.
8. 할머니께선 매주 화요일과 목요일에 문화회관에서 한글 강좌를 들으시고, 매일매일 일기 쓰는 숙제를 하십니다.
9. 오늘부터 제가 할머니의 숙제를 봐 드리기로 하였습니다.
10. 할머니의 그 동안의 일기 속에는 가끔씩 제 이야기도 쓰여 있었습니다.
11. 오늘은 아침에 저, 그리고 어머니와 함께 목욕탕을 간 이야기가 적혀 있었습니다.
12. 할머니께서 보여줄 게 있으시다며 편지 봉투 몇 장을 들고 나오셨습니다.
13. 지난 할머니 생신 때 오랜만에 사촌동생들이 편지를 쓴 모양입니다.
14. 제가 어렸을 때 사촌동생들과 할머니께 편지를 쓰고 나면 다 함께 할머니께 낭독해 드렸던 기억이 나네요.
15. 할머니께선 편지를 들여다보시며 어서 빨리 편지를 직접 읽어 보고 싶다고 하셨습니다.
16. 글을 쓸 수 있고, 읽을 수 있다는 것은 얼마나 큰 축복인가요?
17. 세상에는 글을 읽고 씀으로 해서 즐길 수 있는 것이 참 많은 것 같아요.
18. 재미있는 이야기가 가득한 책, 마음을 전해 주는 편지, 심지어 이 블로그까지도 그렇지 않나요?
19. 그럼 오늘은 한글에 감사하는 마음으로 이만 마치겠습니다.
20. 좋은 하루 되시고 다음 시간에 또 봐요. Click here to listen to the entire blog.

ENGLISH

1. Hello. I'm Seung-hye Yeo.

2. What kind of books do you like? I usually enjoy reading novels. There have been even some times when I was reading a book on the bed before going to sleep and eventually ended up sleeping after seeing the sunrise. I've had access to books and reading them, but I've always taken that for granted.

3. My grandmother is busy learning Hangeul these days. When my grandmother was very little, it was the Japanese colonization period, so teaching Korean was banned. Therefore she never had a chance to get proper education on Hangeul. My grandmother takes Hangeul classes in a culture center on Tuesdays and Thursdays, and she does her diary-writing homework every day. And I've agreed to check her homework from today. In the diary that she's been writing so far, there were some mentions about me, too. In today's diary, she wrote about going to the public bathhouse with me and my mother.

4. She said that she wanted to show me something, and brought some letter envelopes. It seemed like my cousins had written letters to my grandmother on her birthday. I remember my cousins and me writing letters to my grandmother and reading them aloud for her. My grandmother used to say, looking at the letters, that she wanted to be able to read the letters herself soon.

5. What a blessing it is to be able to read and write! I think there are so many things in the world that we can enjoy by being able to read and write – books that are full of interesting stories, letters that deliver feelings, and even this blog, don't you think? Then I'll finish here, appreciating the fact that we have Hangeul. Have a nice day, and I'll see you next time.

GRAMMAR

Following is the complete transcript of the commentary by 미현 and 현우.

현우 : 안녕하세요. 선현우입니다. 승혜의 오디오 블로그에 오신 것을 환영합니다. 여러분은 지금 KoreanClass101의 오디오 블로그를 듣고 계시고, 저는 지금 경은 씨하고 녹음을 처음으로 하고 있어요. 오디오 블로그는 처음이죠?
경은 : 네, 맞아요. 안녕하세요. 경은입니다.
현우 : 그동안 Intermediate 레슨에 자주 나왔었는데 오늘은 처음으로 오디오 블로그에 참여를 해 주고 계십니다.
경은 : 네. 제가 너무 좋아했던 승혜의 이야기에 함께 참여하게 되서 너무 기뻐요.
현우 : 좋아요. 오늘은 16번 째 이야기인데요. 시작해 볼까요?
경은 : 네, 좋아요. 근데 현우 씨, 시작하기 전에 저 좋은 책 추천해주세요.
현우 : 책이요?(네) 제가 책 많이 읽는 거 어떻게 알았어요?
경은 : 누가요? (제가요, 제가) 아니요. 됐어요. 그냥 혼자 읽을게요. 제가 알아서 고를게요.
현우 : 아니에요. 경은 씨는 어떤 책 좋아하시는데요?
경은 : 어... 저는 소설 책 좋아해요. 그리고 추리소설도 좋아하고요.
현우 : 그래요? 저는 소설은 잘 안 읽어서 잘 모르겠어요. 자기계발서 같은 것들은 어때요?
경은 : 자기계발서들 좋아했었는데요. (네) 몇 권 읽다 보니깐 내용이 다 비슷하더라고요. (아, 그래요?) 똑같은 내용을 여러 책에서 다룬 느낌이라 별로 안 좋아해요.
현우 : 그래요? 요즘에는 워낙 자기계발서가 인기가 많으니까 쓰는 사람들이 많아서 그런 것 같아요.
경은 : 네. 맞아요. (네) 그래서 저도 두 권 정도 읽을 때는 "아,정말 이렇게 해야겠다." 라고 마음을 먹고 따라 하려고 노력했었는데 사실 잘 안하게돼요. 현우 씨는 자기계발서들을 읽으면 그걸 실천하는 편이에요?
현우 : 당연하죠! (정말요?) 아... 다 실천을 하는 것은 아닌데 그렇게 하려고 노력은 해요. 자기계발서가 비슷하긴 하지만 이렇게 게을러졌을 때 읽으면 정말 효과가 있는 것 같아요. 안 그래요?
경은 : 저는 작심삼일이 너무 심해서 계속 읽고 작심삼일하고 그만두게 되는 거죠. (아, 그렇군요) 네, 심해요.
현우 : 그러면 우리 승혜 씨는 어떤 책을 좋아하는지 궁금하지 않으세요?
경은 : 네, 궁금해요. 승혜 씨는 왠지 소설 책 좋아할 것 같은데요?
현우 : 한 번 들어볼까요?
경은 : 네, 그 전에 우리 확인 문제 알아봐야죠?
현우 : 네, 좋아요. 오늘의 확인 문제는 뭐에요?
경은 : 네, 첫 번째 문제, 승혜 씨는 어떤 책을 즐겨 읽나요?
현우 : 네. 그리고 두 번째 문제는?
경은 : 두 번째 문제, 요즘 한글을 배우는 사람은 누구일까요?
현우 : 네. 그러면 승혜 씨가 어떤 책을 좋아하는지, 그리고 요즘에 한글을 배우는 사람이 누구인지 이 문제를 생각하면서 잘 들어보세요.
경은 : 네. 잘 들어봐요.
현우 : 네.

[승혜의 오디오 블로그]

경은 : 아, 좀 슬펐어요.
현우 : 네. 아무래도 이런 얘기를 들으면 옛날에는 얼마나 힘들었을까 하는 생각이 들어요. 그러면 우리 우선 확인 문제 정답을 알아볼까요?
경은 : 네. 좋아요.
현우 : 첫 번째 문제, 승혜 씨는 어떤 책을 즐겨 읽죠?
경은 : 승혜 씨는 소설책을 즐겨 읽는 편이에요.
현우 : 오... 경은 씨 예상이 맞았는데요? (네, 맞아요) 네. 두 번째 문제, 요즘 한글을 배우는 사람은 누구일까요?
경은 : 요즘 승혜 씨의 할머니께서 한글을 배우고 있다고 했어요.
현우 : 네. 승혜 씨가 말한 것처럼 글을 쓸 수 있고, 읽을 수 있다는 것은 정말 큰 행복인 것 같아요.
경은 : 네. 맞아요. 물론 말로도, 보여주는 것으로도 많은 것을 표현 할 수는 있지만 글로 전달되는 의미는 또 다르잖아요.
현우 : 네. 많이 다르죠. 한 권의 책이 한 사람의 인생을 바꾸기도 하고 그러니까 그 영향력이 정말 대단하죠.
경은 : 네. 그리고 책을 많이 읽은 사람들이 단어도 많이 알고, 말도 잘 할 수 있는 것 같아요.
현우 : 네. 맞아요. 저도 책을 많이 읽어서 이렇게 말을 잘 하는거에요.
경은 : 네? 현우 씨가요? 제가 현우 씨가 책을 많이 읽는 다는 것은 알겠지만...
현우 : 알겠어요? 우와... 그것만으로도 감사합니다. (아, 네...) 알았어요. 제 이야기가 아니고 책을 많이 읽는 사람들 중에는 말을 잘 하는 사람도 많이 있죠.
경은 : 네. 맞아요. (일반적으로) 일반적으로 (네) 그런데 한국에 아직도 한글을 못 읽는 사람들이 많은가요?
현우 : 아니요. 요즘에는 거의 없어서 1.7% 정도라고 들었어요. 굉장히 적죠.
경은 : 아, 진짜 적네요.
현우 : 네. 다른 나라에 비해서 한글은 읽고 쓰는 것을 배우기가 쉬워서, 글을 읽고 쓰지 못하는 것을 문맹이라고 하잖아요. 이런 문맹 (네, 문맹) 문맹률이 굉장히 낮은 것으로 알고 있어요.
경은 : 네, 맞아요. (네) 그런데 요즘 젊은 사람들은 물론 문맹이라고 하는 사람들이 없지만 승혜 씨의 할머니처럼 할머니 나잇대 분들은 좀 글을 읽고 쓰는 것을 못하는 사람들이 많잖아요. 현우 : 네, 맞아요. 사실 저희 할머니도 몇 년 전에 다시 한글을 배우셨어요.
경은 : 저희 할머니는 돌아가셔서 사실 기억은 안 나지만 제 친구 할머니도 이렇게 한글을 다시 배우시는 분들 많다고 들었는데요. 이런 곳들이 많이 생겨서 문맹률이 더 낮아져서 그런 분들도 좋은 책들 많이 읽으셨으면 좋겠어요.
현우 : 네, 맞아요. 그리고 요즘에 한국에도 예전보다 좋은 책들이 정말 많이 나오고 서점에 가면 새로운 책들이 들어오는 속도가 굉장히 빨라진 것 같아요. 그렇죠?
경은 : 네, 맞아요. 진짜 많죠?
현우 : 다 따라갈 수 없을 정도로. (네) 네. 그러니까 좋은 책들이 많이 생겼으면 좋겠고, 승혜 씨도 그리고 저도, 경은 씨도 좋은 책을 많이 읽었으면 좋겠어요.
경은 : 네, 좋아요.
현우 : 네. 여러분도 한국어 공부 하신 다음에 좋은 한국어 책들을 많이많이 읽으시길 바라고, 혹시 "어떤 책이 좋아요?" 라고
추천을 받고 싶으시면 경은 씨한테, 경은 씨가 책을 굉장히 많이 읽으시니까.
경은 : 네. 네. 저한테 꼭 물어보세요. 제가 많이 추천 해 드릴게요.
현우 : 진짜 물어봐도 돼요?
경은 : 당연하죠.
현우 : 아까는 저한테 물어봤잖아요.
경은 : 아, 저한테 물어보세요.
현우 : 네, 알았어요. 그럼 저도 책 추천 받을게요, 경은 씨한테.
경은 : 네.
현우 : 좋아요. 그러면 여러분 우리는 다음 승혜 씨의 이야기를 기대하면서 여기서 인사를 드리겠습니다.
경은 : 네. 그리고 KoreanClass101.com 웹사이트에 오시면 현우 씨와 저의 대화를 적은 PDF를 보실 수 있습니다.
현우 : 네. 경은 씨와 제가 말한 모든 대화를 보실 수 있는데요, 질문이 있으신 분들은 꼭 코멘트를 남겨주시기 바랍니다. 그러면 저희는 다음 시간에 뵙겠습니다.
경은 : 네. 다음 시간에 만나요. 안녕히 계세요.
현우 : 네. KoreanClass101.com 에서 뵙겠습니다.

1. 안녕하세요? 여승혜입니다.
2. 오늘은 아버지가 서울로 출장을 가시는 날입니다.
3. 교통비를 줄일 수 있는 좋은 기회이기에, 친구 한 명과 함께 아버지 차를 얻어 타고, 서울에 놀러 가기로 하였습니다.
4. 친구의 아버지와 함께 먼 길을 가는 것이 불편할 만도 하지만, 고등학교 3년 내내 단짝이었던 제 친구는 마치 자신의 아버지와 함께 하는 듯 편안해 보였습니다.
5. “올라가는 김에 다른 친구들도 만나지 그러니?”라는 아버지의 제안에, 우리는 조금의 망설임도 없이 문자를 돌리기 시작했습니다.
6. 경북외국어고등학교 8기 일어과 반창회가 급 결성된 것입니다.
7. 갑작스럽게 열리게 된 탓에 시간이 맞지 않아서 올 수 없다는 친구들도 많았지만, 약속을 미루고서라도 오겠다는 친구들도 있어서 기뻤습니다.
8. 한동안 보지 못한 친구들도 많았기에 어색할까봐 내심 걱정도 되었습니다.
9. 결국엔 겨우 8명 밖에 모이지 않았지만, 오랜만에 보는 얼굴들인지라, 무척이나 반가웠습니다.
10. 오랜만에 보는 친구들은 언뜻언뜻 어딘가 더욱 어른스러워진 듯 보였습니다.
11. 하지만 같이 식사를 하면서, 열을 올려가며 예전 고등학교 때 기숙사에서 일어났던 사건, 자리에는 없었지만 우리 반을 항상 웃게 해 주었던 친구 이야기를 하고, 맞장구를 치는 모습은 고등학교 때와 하나도 변한 것이 없었습니다.
12. 마치 어색할 것 같다던 걱정을 비웃기라도 하듯, 우리는 어제도 봤던 사람들처럼 웃고 떠들었습니다.
13. 친구들과 함께하는 시간은 언제나 즐겁네요.
14. 그 친구들이 긴 시간과 같은 추억을 공유하고 있다면 더욱이 그렇지요.
15. 여러분들은 옛 친구들과 자주 연락하시나요?
16. 혹시 보고 싶은 친구가 있으시다면, 지금 당장 전화를 걸어 보세요.
17. 분명 그 친구도 여러분을 보고 싶어했을 테니까요.
18. 그럼 좋은 하루 되시고 다음 시간에 또 봐요.

ENGLISH

1. Hello, I'm Seung-hye Yeo.

2. Today, my father's going to Seoul on his business trip. Since it is a good opportunity to save some money on transportation, a friend of mine and I decided to ask my father for a ride and go hang out in Seoul. It would be more than natural to feel uncomfortable to travel a long distance with the father of a friend, but she and I have been best mates throughout our three high school years, and she looked very comfortable, as if she were traveling with her own father.

3. When my father suggested, "Why don't you meet up with some other friends while you are in Seoul?" we began to text all our friends in Seoul without a moment of hesitation. We were organizing a sudden school reunion for the eighth year alumni for Gyeongbuk Foreign Language High School. Many of them could not make it since we called them on short notice, but we were very happy that some of them said they would postpone other arrangements to come and meet us. Part of me was worried that we might have an awkward atmosphere, since some of us hadn't met each other for quite a long time.

4. It ended up being only eight of us getting together, but I hadn't been able to see them for such a long time that I was very happy to meet them again. It had been a while, and my friends sometimes gave me the impression that they had become more mature. But as we were eating together, talking about the incidents that happened in the school dormitory back then, talking about friends who always made us laugh but couldn't make it to the gathering today, I felt like not a single thing has changed since high school. As if we were laughing at our own worries that we might have an awkward atmosphere, we were laughing and talking loudly as if we had met each other the day before.

5. Spending time with friends is always enjoyable. And it is especially so if you've spent a lot of time together and share a lot of common memories. Do you often talk to your old friends? If you have a friend that you miss, how about making a phone call right away? I'm sure your friend must be missing you too. Then have a nice day, and I'll see you next time.

ENGLISH

1. Hello, I'm Seung-hye Yeo.

2. I was enjoying my sweet, late morning sleep since I only had afternoon classes today, but I was awakened by the sudden doorbell. I sprang up from the bed and quickly checked myself in the mirror and opened the door, still in my pajamas. It was a parcel sent from Korea. I guess it was quite heavy, since the box made the delivery man breathless this early in the morning. After signing my name on the box, I couldn't wait to open the box.

3. In the box was another rectangular bag. And next to the bag was a steel box that had some vitamins and some emergency pills. As I opened the box, I could see post-it notes that had the names of the pills and their effects written on them. And then I opened the box. I could feel the spicy smell of Korea. I took out the plastic bags that were in the bag, one by one. "This is...kimchi. And wow, there is kkakdugi, too!" I was very happy and excited taking out the side dishes, all of which were very carefully wrapped. There were a few kinds of kimchi and a few types of side dishes, such as fried anchovies, braised beans, and braised meat in soybean sauce. I couldn't wait for too long, so I even ate a few fried anchovies. It was my mother's taste, which I hadn't had for a long time.

4. I emptied two bowls of white rice just with the new side dishes that I received today. As I was eating, I remembered my mother always humming while she was cooking in the kitchen. I was missing Korea once again.

5. Everyone, do you cook often? I enjoy cooking, but if you are living alone, it's a lot of burden to cook a lot just for yourself. But still I have to eat, and I feel sad when I find myself just eating bread while watching TV. But I guess I'll be a very happy girl for a while with the side dishes that I received today. Then have a nice day, and I'll see you next time.

GRAMMAR

Following is the complete transcript of the commentary by 경은 and 현우.

경은 : 안녕하세요. 경은입니다.
현우 : 안녕하세요. 현우입니다. KoreanClass101.com의 승혜의 오디오 블로그에 오신 것을 환영합니다.
경은 : 현우 씨, 현우 씨는 인터넷 쇼핑을 자주 하세요?
현우 : 어, 저는 옷은 인터넷으로 안사지만 다른 물건은 많이 사는 편이에요.
경은 : 다른 물건들이 뭐가 있어요?
현우 : 컴퓨터 관련 물건들도 있고, 의자나 작은 가구 같은 것들도 인터넷으로 살 수 있잖아요.
경은 : 아, 맞아요. 진짜 거의 모든 것들을 인터넷으로 살 수 있는 것 같아요.
현우 : 네, 사실 저는 물건을 사는 것도 편하고 좋은데, 택배 아저씨가 물건을 가지고 오는 게 너무 좋아요.
경은 : 택배 아저씨가 물건을 가지고 오는 게 왜 좋아요? 물건을 받아서 좋은 거 아니에요?
현우 : 물론 기다렸다가 산 물건이 오는 것 자체도 좋지만, 왠지 누가 가지고 오니까 선물을 받는 것 같은 기분이 들지 않아요?
경은 : 어, 너무 불쌍한데요? 선물을 너무 못 받아서 그런거 아니에요? 인기가 너무 없어서?
현우 : 아니에요. 저 인기 많아요. 하하하 물론 제가 돈을 내고 산거지만 하루, 이틀을 기다렸다가 받잖아요.(네) 그러니까 빨리 받았으면 좋겠다 하는 기대감을 가지고 있다가 택배 아저씨가 오면 왠지, 또는 택배 아가씨가 오면, 왠지 선물을 받는 듯 한 기분이 들어서 좋아요.
경은 : 택배 아가씨 일 경우에만 좋은 거죠?
현우 : 아니에요, 아니에요. 택배 아가씨는 사실 없잖아요. (맞아요, 그래요) 거의 다 아저씨죠? 힘든 일이니까 (네, 맞아요)

경은 : 저는 근데 반대에요. 저는 기다리는 게 싫어서 인터넷으로 사는 것 보다 직접 사는 게 좋아요.(아, 그래요?) 인터넷으로 사면 하루는 기다려야 되잖아요. 저는 바로 이렇게 봤으면 좋겠어요.
현우 : 아... 그렇구나. 근데 이해가 되요. 저도 사실 책은 서점에 갔을 때 한꺼번에 사는 편이에요.
경은 : 네, 맞아요. 저도 서점에서 바로 사는 편인데 요즘에는 인터넷으로 사려고 조금 노력하는 편이에요. (아, 그래요?) 네, 인터넷으로 책을 사니까 더 싸더라고요. (아, 더 싸요?) 네. 할인하는 책들도 굉장히 많고요. (네) 적립도 동시에 되서 나중에 그 적립금으로 책을 한 권 더 살 수가 있어요.
현우 : 아... 직접 서점에서 책을 살 때에도 할인하는 책들이 많이 있는데 인터넷으로 사면 더 싸요? (네, 더 싸요) 아, 그래요. 그래도 저는 책은 산 다음에 기다리기 너무 힘들어서 계속 서점에서 살 것 같아요.
경은 : 책 많이 읽으세요?
현우 : 많이 읽죠. (아, 그런가요?) 아주 많이...
경은 : 자랑하시는 건가요, 지금?
현우 : 뭐, 책 많이 읽는 게 자랑인가요? (아, 그렇군요) 생활 습관 아닌가요? (아, 그래요. 그렇군요) 네. 그럼 경은 씨, 오늘은 승혜 씨가 무슨 이야기를 해 줄지 한 번 들어볼까요?
경은 : 네. 좋아요. 승혜 씨 목소리 빨리 듣고 싶어요.
현우 : 네 . 경은 씨, 그러면 듣기 전에 확인문제 내주세요.
경은 : 네. 첫 번째 문제, 오전에 누가 승혜 씨를 찾아왔을까요?
현우 : 그리고 두 번째 문제는?
경은 : 두 번째 문제, 승혜 씨는 밥을 몇 공기 먹었을까요?
현우 : 네, 그럼 이 두 문제에 대해서 잘 생각하면서 들어보세요.
경은 : 네. 잘 들어봐요.
현우 : 네.

[승혜의 오디오 블로그]

경은 : 와. 승혜 씨의 기쁜 목소리가 들리는 것 같아요.
현우 : 네. 정말 맛있었을 것 같아요. 지금 저도 배가 고픈데요.
경은 : 네, 저도요. 저도 김치하고 장조림, 콩자반이랑 밥 한 공기 뚝딱 해서 먹고 싶어요.
현우 : 네, 그래도 우리는 배고픔을 참고 확인문제부터 다시 한 번 이야기를 해 보죠. 첫 번째 문제, 오전에 누가 승혜 씨를 찾아왔나요?
경은 : 네, 오전에 한국에서 보낸 소포를 가져온 택배 아저씨가 왔어요.
현우 : 네, 두 번째 문제, 승혜 씨는 밥을 몇 공기 먹었을까요?
경은 : 너무 맛있었나봐요. 승혜 씨는 밥을 2공기 먹었어요.
현우 : 네, 저는 승혜 씨가 이해가 되요. 왜냐하면 저도 가끔 광주, 그러니까 제 고향에 내려가면 어머니가 해 주시는 반찬에 밥을 두 공기씩 먹기도 하거든요.
경은 : 네, 저도요. 제가 한 반찬이랑 많이 다른 것 같지도 않은데, 왠지 더 맛있게 느껴지지 않아요?
현우 : 어, 저는 제가 한 반찬이랑 많이 다르지만, 그래도 거기에다가 정성이 더 들어가서 훨씬 더 맛있는 거 같아요.
경은 : 네. 현우 씨는 자주 요리 하세요?
현우 : 저도 승혜 씨처럼 요리를 좋아하는 편인데, 자주 하지는 않아요. 혼자 먹을 때가 많으니까 밖에서 많이 먹어요.
경은 : 저는 집에서 혼자 먹을 때는 그냥 라면 끓여 먹던가, 아니면 굶어요. 그래서 오히려 집에 혼자 있을 때는 살이 빠져요.
현우 : 아... 경은 씨 요리하는 거 안 좋아 하시나 봐요?
경은 : 네. 잘 못하겠어요.
현우 : 네, 그러면 경은 씨는 요리 하는 거 안 좋아하면 뭐 뭐 만들 줄 알아요? (아... 저요?) 네. 혹시 김치 만들 줄 아세요?
경은 : 김치요? (네) 아니요. 김치는 만들기가 세상에서 제일 어려운 것 같아요.
현우 : 아니에요. 별로 어렵지 않아요.
경은 : 현우 씨 만들 줄 알아요? (네) 정말요? 거짓말 하지 마세요.
현우 : 만들 수 있어요. 만드는 건 쉬운데, (만들어 봤어요?) 네. 만들어 봤어요.
경은 : 어... 혼자?
현우 : 어... 혼자는 아니지만, 만드는 건 쉬운데, (네) 만드는 데 시간이 오래 걸려요.
경은 : 맞아요. 그리고 그 고유의 맛이 따로 있는 것 같아요.
현우 : 네, 맞아요. 그냥 김치를 만드는 건 쉽지만, 만드는 데 오래 걸리기 때문에 잘 안 만들고, 저도 승혜 씨처럼 집에서 가끔씩 이렇게 반찬을 보내주시면 정말 정말 "감사합니다." 하면서 맛있게 먹죠.
경은 : 네, 맞아요.
현우 : 네. 그러면 우리 오늘 승혜 씨 이야기를 들어봤는데요. 승혜 씨 정말 기쁘겠어요.
경은 : 승혜 씨 외로우실 텐데 그런 한국 음식들 맛있게 드시고 힘내셨으면 좋겠어요.
현우 : 네. 그리고 여러분도 한국어 공부 힘내시고요. 저희 KoreanClass101.com 웹사이트에 오시면 경은 씨 하고 저하고 지금 이야기 하고 있는 모든 내용을 담은 PDF를 보실 수 있으니 까요, 열심히 공부하세요.
경은 : 대화를 적은 PDF가 한국어 공부하는데 많은 도움이 될 거에요. 꼭 보세요.
현우 : 네. 그러면 저희 다음시간에 다시 돌아오겠습니다.
경은 : 네, 안녕히 계세요.
현우 : 안녕히 계세요.

ENGLISH

1. Hello, I'm Seung-hye Yeo.

2. People say that autumn is the season of high skies and plump horses. The sky gets higher, and it would be nice if only the horses got heavier because of the abundant food, but how come have I gained weight, too? On top of that, the weather has gotten quite chilly these days, so I've almost stopped doing what little walking I used to do, and I've been idling at home. Looking at the mirror, I decided I should do something, so I made up my mind to start going to the gym from today.

3. I was half-excited and half-worried when I knocked on the door of the gym. Although it was late in the evening, the place was crowded with people who had come after work and students who had come after school. Since I rarely work out, I didn't know how to start exercising. But then, as I was not sure what to do, a trainer came up to me and talked to me. He explained to me very kindly the order in which I had to work out and how to use the equipment.

4. Since it was my first day today, I tried not to be excessive and worked out lightly. When I checked the time after working out, one hour had already passed. Usually, I would have spent this time just watching television at home. Pleased with myself, I couldn't help but have a smile on my face.

5. Now that I'm back at my desk in my house, my legs ache a little bit, even though I tried not to overwork. I should give them a little massage before I go to bed. But still, I had always felt that exercise was a pain, but now that I actually started it, it's quite fun and worth the effort. I think it was good idea to start going to the gym. I hope none of you are neglecting exercise for excuses like you don't really feel like doing it or you are too busy. Right now, I'm happy just at the thought of myself becoming healthier and healthier each day. Everyone, let's exercise regularly from now and become twice as healthy as we are now. You're going to join me in doing that, right?

6. Then have a nice day today, and see you next time!

Following is the complete transcript of the commentary by 경은 and 현우.

경은 : 안녕하세요. 경은입니다.
현우 : 안녕하세요. 선현우입니다. KoreanClass101.com의 승혜의 오디오 블로그에 오신 것을 환영합니다, 여러분.
경은 : 네, 여러분, 환영해요. (네) 현우 씨, 이제 정말 가을이에요. 현우 씨는 가을 타세요?
현우 : 아... 제가 가을을 타냐고요? (네) 음... 저는 사실 어떤 계절도 안타요. (아... 그래요?) 네. 경은 씨는요?
경은 : 저도 안타는데, (네) 사실 봄에는 약간 타는 것 같아요. (아, 그래요?) 봄이 되면 기분이 좋아져서 막 나가고 싶거든요. 원래 여자는 봄을 타고 남자는 가을을 탄다고 하잖아요.
현우 : 네. 맞아요. 근데 저는 사실 봄이 더 좋아요. 가을이 오면 또 나중에 겨울이 되잖아요. 금방. (네, 맞아요) 그래서 겨울이 너무 추워서 싫기 때문에 (네) 가을도 사실은 조금 싫어요.
경은 : 그러면 가을 타는 거 아니에요?
현우 : 아니에요. 가을을 탄다라고 하면 보통 외로워하거나 아니면 어디론가 가고 싶다. 이렇게 느껴야 되는데, 저는 항상 어디론가 가고 싶고, 가을이 되어도 외롭지는 않기 때문에 가을을 탄다고는 할 수 없을 것 같아요. 경은 씨는 어떻게 봄을 타요?
경은 : 저는 봄이 되면 아무것도 하기 싫어요. 그냥 놀고 싶어요.
현우 : 그거는 항상 그렇지 않아요? 항상.
경은 : 어... 항상 그렇긴 한데 (네) 봄이 되면 더 심한 것 같아요.
현우 : 네. 그런데 가을이 되면 사람들이 가을을 타는 것도 있지만 낙엽을 보러 산에들 많이 가는 것 같아요.
경은 : 네, 맞아요. 한국에 단풍으로 유명한 산들이 많이 있잖아요. (네) 설악산, 지리산, 이런데로 단풍놀이도 가고, 또 경복궁, 창경궁 같은 고궁에도 낙엽이 굉장히 예쁘게 떨어지거든요.
현우 : 네. 저도 가을에 경복궁에 간적이 있는데 한국의 이런 전통적인 건물의 모습하고 떨어지는 낙엽이 너무 잘 어울려요.
경은 : 네, 맞아요. 한국에 여행 오실 분들은 봄, 가을에 오시면 정말 아름다운 모습들을 볼 수 있을 거예요.
현우 : 네, 맞아요. 여름도 좋지만 여름은 굉장히 덥고 또 겨울은 굉장히 춥죠? (네, 맞아요) 네, 그리고 봄하고 가을에는 축제도 많이 하니까 재미있는 것들을 많이 볼 수 있을 거예요.
경은 : 네, 맞아요. 덥거나 춥지 않아서 돌아다니면서 구경하기 너무 좋아요.
현우 : 네. 정말 그래요. 저는 한국에 봄하고 가을만 있었으면 좋겠어요.
경은 : 아, 그래요? 저는 여름이랑 겨울도 나름대로 좋은 것 같아요.
현우 : 글쎄요. 그런데 우리 승혜 씨는 어떻게 생각하는지 한 번 들어볼까요?
경은 : 네. 승혜 씨 목소리 빨리 들어봐요.
현우 : 네. 그 전에 확인 문제를 한 번 살펴보죠?
경은 : 네. 첫 번째 문제, 승혜 씨가 어디를 다니기로 마음먹었나요?
현우 : 네. 어디를 다닐까요? 궁금한데요?
경은 : 두 번째 문제, 승혜 씨가 얼마나 운동을 하였을까요?
현우 : 아... 운동하고 관련된 장소군요?
경은 : 네. 그런가봐요.
현우 : 네. 그럼 이 두 개의 문제를 잘 생각하면서 들어보세요.
경은 : 네. 잘 들어봐요.

[승혜의 오디오 블로그]

경은 : 아, 진짜... 가을이라 그런지 저도 너무 많이 먹어요.
현우 : 하하 가을이라서 더 많이 먹는 거 맞아요? 원래 많이 먹는 거 아니에요?
경은 : 아니에요. 가을에만 이상하게 입맛이 살아나서...
현우 : 네, 믿어드리겠습니다. 그러면 우리 확인 문제 한 번 볼까요?
경은 : 네. 좋아요.
현우 : 네. 첫 번째 문제, 승혜 씨가 어디에 다니기로 마음을 먹었죠?
경은 : 승혜 씨는 헬스클럽에 다니기로 마음먹었어요.
현우 : 오... 헬스클럽. (와) 그리고 두 번째 문제, 승혜 씨가 헬스클럽에서 얼마나 운동을 했죠?
경은 : 승혜 씨는 한 시간 반을 운동했어요. 우와. 한 시간 반이나 운동을 했데요. 대단한데요?
현우 : 어...근데 보통 헬스클럽에서 운동하면 한 시간 반, 두 시간, 두 시간 반 , 금방 가지 않나요?
경은 : 그건 현우 씨만 그러죠. 여자들은 보통 한 시간만 운동해도 힘들어 하고 뿌듯해 하고 그래요.
현우 : 아, 진짜요? (네) 경은 씨는 헬스클럽 다닌 적 있어요?
경은 : 아.. 예전에... (예전에 언제요?) 예전에 몇 년 전에. (몇 년 전에) 네, 몇 년 전에 진짜 열심히 해야겠다. 마음먹고 헬스클럽에 갔는데 등록을 했어요. 육 개월 치나. (육개월분이요?) 네, 육 개월분 등록을 했는데 (네) 두 달가고 그만뒀습니다.
현우 : 아, 근데 그거는 경은 씨만 그러는 게 아니라, 보통 다들 육개월 등록하면 싸잖아요. (네, 맞아요) 네. 훨씬 싸니까 '육개월 다녀야지!' 생각하고, 등록하고, 사실은 한 달. 두 달이나 갔으면 잘한거에요.
경은 : 두 달 동안 매일가지는 않았다는 게 문제죠.
현우 : 아... 두 달동안 한 다섯 번?
경은 : 아... 아니요. 더 많이 갔어요. 근데 저는 정말 재미없더라고요, 헬스는. (음...) 승혜 씨처럼 트레이너가 알려주긴 하는데... 한 이틀? 이틀정도만 알려주고 안 알려줘요.
현우 : 어... 근데요, 경은 씨. (네) 알려주는 게 중요한 게 아니고 (네) 운동을 하는 게 중요한 거예요.
경은 : 아, 물론 그렇긴 하죠. (네, 네) 그렇지만...
현우 : 사실 트레이너랑 이야기를 하고 싶었던 거 아니에요? 운동이 아니고? 그래서 실망해서...
경은 : 저한테 친한 척을 안 해주시더라고요.
현우 : 아, 그래요? (네) 여러분 헬스클럽은 트레이너하고 이야기하러 가는 곳이 아니고 운동하러 가는 곳입니다. (네) 그리고 요즘에는 헬스클럽에서 다른 것도 많이 가르쳐 주죠?
경은 : 네, 재즈댄스나 요가 같은 것도 많이 가르쳐 주잖아요.
현우 : 네, 맞아요. 요즘에 건강해지기 위해서 운동을 하는 사람들이 정말 많아진 것 같아요.
경은 : 네, 맞아요.
현우 : 네. 네, 그러면 여러분 오늘도 들어주셔서 감사하고요. 가을이라서 (네) 밖에 나가서 놀고 싶으시겠지만 가끔은 한국어 공부도 하면서...
경은 : 네, 한국어 공부도 열심히 하시고, 운동도 열심히 하세요.
현우 : 네, 그렇게 가을을 즐겁게 보내시길 바라겠습니다.
경은 : 네, 그리고 KoreanClass101.com 웹사이트에 오시면 현우 씨와 저의 대화를 적은 PDF를 보실 수 있습니다.
현우 : 네, 경은 씨와 제가 말하는 한 단어, 한 단어가 모두 적혀있는 PDF를 보실 수 있으니까 KoreanClass101.com에 오셔서 승혜 씨의 오디오 블로그를 체크해 보시고요, 질문있으시면 언제든지 코멘트 남겨주세요.
경은 : 네, 그러면 우리는 다음 시간에 뵈요.
현우 : 네, 다음 시간에 뵙겠습니다. 안녕히 계세요.
경은 : 안녕히 계세요.

1. 안녕하세요? 여승혜입니다.
2. 다른 유학생들도 모두 그러리라 생각됩니다만, 일본 같이 물가가 비싼 나라에서 유학하고 있는 저 같은 경우에는 절약이 생활화되어 있습니다.
3. 저는 원래 그다지 돈을 아끼거나, 계획적으로 쓰는 편은 아니었습니다.
4. 하지만 일본에서 혼자 살림을 꾸려나가면서, 계획적으로 절약하는 습관을 기르고 있는 중입니다.
5. 요즘에는 장을 볼 때 특별한 습관을 들이고 있는 중 입니다.
6. 첫째는, 꼭 식사를 한 뒤에 슈퍼에 가는 것입니다.
7. 그러면, 배가 불러서 쓸데없이 사는 음식들이 줄어들거든요.
8. 그럼, 돈도 절약할 수 있을 뿐만 아니라, 소화도 시킬 수 있고, 일석이조입니다.
9. 그리고, 두 번째로 생활비와 사고 싶은 것을 살 때 쓰는 용돈을 나누어서 지갑에 넣어 두는 것입니다.
10. 아르바이트로 번 돈 등은 사고 싶은 것을 살 때 쓰는 용돈이 됩니다.
11. 그러면, 생활비도 좀 더 계획적으로 쓸 수 있고, 충동구매도 줄어들더라고요.
12. 한동안 쇼핑을 하지 않은 덕분에, 지갑 속의 '사고 싶은 것을 살 때 쓰는 용돈'이 꽤나 많이 쌓였습니다.
13. 사실, 지금 저는 얼마 전에 봐 둔 구두를 사기 위해 용돈을 모으고 있습니다.
14. 원래는 사고 싶은 물건이 있으면 그냥 아무렇지 않게 샀었지만, 그 탓에 쓸데없는 물건들이 방안에 가득합니다.
15. 하지만 이렇게 돈을 차곡차곡 모아서 사면, 별로 마음에 들지 않는 물건을 충동적으로 사는 일도 없을 것입니다.
16. 그리고 그 구두를 사는 기쁨도 두 배가 되겠죠?
17. 저는 아직 학생이기 때문에 수입이라고는 아르바이트로 번 돈이 다예요.
18. 하지만, 나중에 직장을 다니고, 좀 더 큰 돈을 관리하게 될 때, 지금 길러둔 작은 습관들이 도움을 주리라고 믿어요.
19. 그럼, 오늘도 좋은 하루 되시고, 다음에 또 봐요.

ENGLISH

1. Hello. I'm Seung-hye Yeo.

2. I'm sure this is the same for the other students who are studying abroad, but since I'm studying abroad in Japan, where the cost of living is very expensive, economizing is already a part of my everyday life. I didn't always used to try to save a lot of money, nor spend money with a plan. But since I came to Japan and started living by myself, I'm in the middle of making it a habit to try to save money with a plan.

3. These days I'm trying to make a special habit for when I go grocery shopping. The first habit is to make sure I go to a store after I have eaten. Then, I get to buy less unnecessary food since I am full. By doing that, I can not only save money, but also digest what I've eaten, so it's like killing two birds with one stone. And secondly, I put the money for living expenses and the money for buying what I want to buy in two separate wallets. By doing that, I can use the money for living expenses more systematically and I get to make less impulsive purchases.

4. Since I haven't done any shopping for a while, the money in my wallet that I've kept for buying what I want to buy has gathered up to be quite a large amount. In fact, I'm saving money now to buy the pair of shoes that I made up my mind to buy a while ago. By nature, I used to just buy whatever I wanted without thinking too much if there was something I wanted to buy, so because of that, my room is full of unnecessary stuff. But if I keep saving money like this and then buy something, I won't impulsively buy anything I don't particularly like. And the joy of buying those shoes would be doubled, as well, right?

5. Since I'm still a student, the only income that I have is the money I make by doing my part-time job. But when I start working later on and get to manage some bigger amounts of money, I'm sure these habits that I am working on now will be helpful.

6. Well, then have a nice day, and I will see you again next time.

Following is the complete transcript of the commentary by 경은 and 현우.

경은 : 안녕하세요. 경은입니다.
현우 : 안녕하세요. 선현우입니다. KoreanClass101.com의 승혜의 오디오 블로그에 오신 것을 환영합니다.
경은 : 현우 씨, 퀴즈 시간!
현우 : 에? 갑자기 퀴즈요? 무슨 퀴즈요?
경은 : 한국의 시내버스 요금은 얼마일까요?
현우 : 하하하 너무 쉽잖아요. 900원이요.
경은 : 네? 땡! 틀렸어요.
현우 : 900원이에요.
경은 : 물론 버스카드가 있으면 900원이지만 현금을 내면 천원이죠.
현우 : 아... 저는 항상 버스카드를 들고 다녀서 현금을 내면 천원이라는 사실을 잊어버리고 있었는데... 어? 근데 왜 갑자기 퀴즈를 내신거에요?
경은 : 요즘 한국의 물가가 정말 많이 올랐잖아요. (네) 예전에는 버스요금으로 동전을 냈었는데 이제는 지폐를 내야 한다는 사실이 갑자기 이상해서요.
현우 : 그렇기는 하지만 그래도 한국의 대중교통은 굉장히 싸잖아요.
경은 : 물론 그렇긴 하죠. 근데 전체적으로 물가가 많이 올랐어요. (음) 현우 씨는 요즘 점심 먹을 때 보통 얼마짜리 먹어요?
현우 : 어... 요즘은... 거의 6천원, 7천 원 정도 하는 것 같아요.
경은 : 거봐요. 예전에는 4천원, 5천 원 정도면 충분히 맛있는 거 먹을 수 있었는데 요즘은 7~8천원 해야 먹을 수 있어요.
현우 : 음... 정말 그러네요. 학생 때는 2500원, 2500원이면 점심을 먹을 수 있었거든요. (네, 맞아요) 너무 심하게 차이 나는데요?
경은 : 그래서 요즘에는 도시락을 싸 가지고 다니는 직장인들도 많이 늘었다고 하더라고요.
현우 : 네... 정말 큰일이에요. 음... 도시락을 싸 줄 사람이 없어서 저는 어떡하죠?
경은 : 빨리 결혼 하세요.
현우 : 네. 경은 씨도... (네? 아... 네) 네. 우리 빨리 승혜 씨 이야기를 들어봐야죠.
경은 : 네. 맞아요. 승혜 씨 이야기 들어봐요.
현우 : 네. 그 전에 확인문제를 내주세요.
경은 : 네. 첫 번째 문제, 승혜 씨가 요즘 기르고 있는 습관은 무엇일까요?
현우 : 네. 그리고 두 번째 문제는?
경은 : 두 번째 문제, 승혜 씨가 일석이조라고 한 방법은 무엇일까요?
현우 : 네. 그러면 우리 이 두 개의 문제를 잘 생각하면서 이야기를 들어보실까요?
경은 : 네. 잘 들어봐요.
현우 : 네.

[승혜의 오디오 블로그]

경은 : 와. 승혜 씨 대단해요. 아주 좋은 방법인데요?
현우 : 예. 학생 때부터 이렇게 좋은 습관을 들이면 나중에 직장 다니면 정말 진짜로 돈 관리를 잘하게 될 거에요.
경은 : 맞아요. 저도 많이 배워야겠어요.
현우 : 네. 저도요. 그럼 우리 먼저 확인 문제의 정답부터 알아볼까요? 첫 번째 문제, 승혜 씨가 요즘 기르고 있는 습관은 뭐죠?
경은 : 승혜 씨는 요즘 계획적으로 절약하는 습관을 기르고 있는 중이에요.
현우 : 네, 맞아요. 그리고 두 번째 문제, 승혜 씨가 일석이조라고 한 방법은 뭘까요?
경은 : 꼭 식사를 한 뒤에 슈퍼에 가는 거예요. 그러면 돈도 절약하고 소화도 시킬 수 있어서, 일속이조라고 했어요.
현우 : 맞아요. 아주 좋은 방법인데요.
경은 : 네. 맞아요. 저도 배고플 때 마트에 가면 정말 다 사고 싶어져서 충동구매를 많이 해요.
현우 : 맞아요. 그리고 간식거리들도 많이 팔잖아요, 마트에는. (네) 네, 저도 마트에는 자주 가지는 않는데 가끔씩 배고플 때 가면 필요이상으로 많이 사요.
경은 : 네, 맞아요. 맞아요. 현우 씨는 현우 씨만의 절약 방법이 있어요?
현우 : 어... 아니요. 저는 사실 돈을 많이 쓰지도 않지만 절약하지도 않는 것 같아요. 필요한 게 있으면 그 때 그 때 그냥 사요. 경은 씨는요?
경은 : 저는 절약 방법은 아니지만 (네) 노력하는 건 있어요. (뭔데요?) 가계부를 쓰려고 노력은 해요. (음...) 그렇지만 항상 작심삼일이라는 게 문제예요.
현우 : 네. 가계부를 쓰는 것도 힘들지만 요즘에는 이런 단어가 있죠? 재테크라고. (네, 맞아요. 재테크) 네. 여러분 재테크, 재테크 아세요?
경은 : 네. 요즘에 굉장히 유행하는 말이잖아요.
현우 : 네, 네. 몇 년 전부터 쓰이기 시작한 말인데요.
경은 : 네. 책들도 참 많고요. 재테크는 '재'는 돈이라는 뜻이고요. (음) '테크'는 테크놀로지에서 온 뜻이에요. (네) 그래서 '돈을 관리하는 기술'을 말해요.
현우 : 음, 맞아요. 예전에는 경제, 이런 돈 관리라고 하면 그냥 안 쓰고 (네, 맞아요. 아끼고) 안사고, 예. 아끼고... 이런 것들이 주라고 생각을 했는데 요즘에는 이런 재테크 책들이 많아져서 (네) 재테크를 잘 하는 사람들이 정말 많은 것 같아요.
경은 : 네, 맞아요. 저도 몇 권사서 읽어보긴 했어요.
현우 : 도움이 돼요?
경은 : 도움은 많이 됐는데 실천을 안하면 소용이 없어요.
현우 : 네. 그럼 경은 씨 실천하시고요. 네.
경은 : 네, 감사합니다.
현우 : 저희는 또 승혜 씨의 다음 이야기를 기대하면서 여기서 인사를 드리겠습니다.
경은 : 네. 그리고 Koreanclass101.com 웹사이트에 오시면 현우 씨와 저의 대화를 적은 PDF를 보실 수 있습니다.
현우 : 네, 저희 대화에서 나온 한 단어, 한 단어가 다 PDF에 적혀 있으니까요, 한국어 공부를 하시는데 많은 도움이 될 거예요. (네) 그러면 저희는 또 다음 시간에 뵙겠습니다.
경은 : 질문이 있으신 분들은 꼭 코멘트 남겨주세요.
현우 : 네. KoreanClass101.com에서 뵙겠습니다.
경은 : 안녕히 계세요.

1. 안녕하세요. 여승혜입니다.
2. 여러분들은 깔끔하신 편이신가요, 아님 그다지 신경 쓰시지 않는 편이신가요?
3. 저요?
4. 글쎄요, 제 방안을 둘러보니, 그다지 깔끔한 편은 아닌 것 같네요.
5. 사실, 요즘에 시험이다 과제다 해서 집을 제대로 정리하지 못한 탓에, 방안이 많이 지저분해졌어요.
6. 이제야 좀 여유가 생겨서, 오늘 방을 좀 청소해 볼까 하고, 일단 책상과 책장부터 정리하기 시작했습니다.
7. 그런데, 책상 서랍에서 고등학교 때 쓰던 일기장을 발견한 거예요.
8. '일본에 들고 온 것도 까맣게 잊고 있었는데……'
9. 반가운 마음에 분주하던 제 손도 멈추어 버렸죠.
10. 저는 일기를 자주 쓰는 편은 아니었어요.
11. 특별한 일이 있거나, 다른 사람에게는 말하지 못 할 고민들이 있을 때, 가끔씩 일기장을 찾았죠.
12. 잠시 의자에 앉아 일기장을 읽어 보기 시작했습니다.
13. 첫 장에는 제 꿈, 장래희망, 목표 등이 적혀 있었습니다.
14. 지금 읽어 보니, 왠지 유치한 것 같기도 하고, 부끄럽기도 해서 얼른 다음 장으로 넘겼습니다.
15. 친구들이 몰래 준비해 준 생일파티, 다 함께 한마음으로 뛰었던 체육대회, 등등 고등학교 때의 추억들이 마치 사진처럼 선명하게 떠올랐습니다.
16. 그리고, 지금 생각해 보면 아무것도 아닌 고민들도 많이 적혀 있었습니다.
17. 그런데, 페이지를 넘길수록, 제 일기 속에는 추억보다 고민이 많아졌습니다.
18. 공부에 스트레스 받고 힘들어 하던 제 모습이 떠올라 왠지 씁쓸하기도 했습니다.
19. 지금 생각해 보면, 정말 예쁜 추억들로 가득한데, 그때는 그런 면은 보지 못하고, 항상 눈앞의 현실에 힘들어 했나 봅니다.
20. 마치 영화나 만화에서처럼, 딱 하루만 고등학교 때로 돌아갈 수 있다면, 지금 아쉬워하고 그리워하는 모든 것들을 다시 해 보고 싶네요.
21. 다시 돌아갈 수 없기에, 추억이라는 것이 더욱 아름다운 것인지도 모르지만요.
22. 그럼, 여러분 오늘도 좋은 하루 되시고, 다음에 또 봐요.

ENGLISH

1. Hello, I'm Seung-hye Yeo.

2. Do you like to keep things around you clean and tidy, or do you not care so much about them? Well, now that I look around my room, I guess I'm not a person who can keep things tidy. In fact, since I have exams and assignments these days, I haven't been able to clean my house very well, so my room has become very messy. Now I have some more free time, so I decided to do some cleaning in my room and started by arranging things on the desk and in the bookcase. But then I found my diary that I used to keep when I was in high school. I had even forgotten that I brought it with me to Japan. I was so glad to find it again that my busy hands stopped working.

3. I didn't really use to write often in my diary. I would sometimes write in it when there was something special that happened or when I had a worry or a concern that I couldn't tell others about. I sat down on a chair for a little bit and started reading the diary. On the first page were written my dreams, things I wanted to become, and my future goals. Reading about them again now, I felt they were a bit childish and I also felt a little bit embarrassed, so I quickly turned the page to the next. The surprise party that my friends threw for my birthday, the field day when we all ran as a team, etc...memories from my high school days came back to me as vividly as photos. And I had also written about a lot of worries that seem to be of no importance now. But the more I turned the pages, the more worries than memories were written about in my diary. I felt a little bit sad thinking about how I was stressed out from studying. Now that I think about it, my life could have been full of beautiful memories, but back then, I couldn't see those happy moments and could only see the reality that was right in front of my eyes.

4. Like in the movies or in the comic books, if I could go back to my high school days just for one day, I would like to do all the things that I miss now and that I feel that I should have done. But I guess memories are beautiful because we can't go back to the past. Well then, everyone, have a great day, and I'll see you soon!

GRAMMAR

Following is the complete transcript of the commentary by 경은 and 현우.

경은 : 안녕하세요. 경은입니다.
현우 : 안녕하세요. 선현우입니다. KoreanClass101.com의 승혜의 오디오 블로그에 오신 것을 환영합니다.
경은 : 현우 씨, 오늘 사무실이 왜이래요?
현우 : 왜요? 똑같잖아요.
경은 : 오늘따라 사무실이 조금 지저분한 것 같아요. 청소 좀 하세요, 제발.
현우 : 그래요? 청소를 왜 제가 혼자 해야 되죠? 아, 사실 요즘에 너무 바빠서... 이렇게 바쁘지 않으면 청소를 잘 하는데, 요즘에 청소를 잘 못했어요. (그래요?) 네. 제가 평소에 얼마나 깔끔한데요.
경은 : 근데 현우 씨 책상보면 책이며, 종이며, 종이컵들이 항상 있던데요? 정말 지저분해요.
현우 : 아니에요. 아니에요. 사무실에서는 바빠서 그런데 집에 가면 청소 잘해요. 경은 씨는 청소 잘 하는 편이에요?
경은 : 저요? (네) 아... 저도 잘하는 편은 아니에요, 사실. 지저분해질 때까지 기다리다가 청소를 해요.
현우 : 네, 그런 것 같았어요. 보면 알 수 있어요.
경은 : 아니요, 사실은 깨끗해요.
현우 : 아, 그래요? (네) 경은 씨 집에 가면 설거지가 이렇게 많이 쌓여 있는 거 아니에요?
경은 : 절대 아니죠. 제가 말은 이렇게 하지만 사실은 나름 현모양처에요.
현우 : 현모양처요? (네) 현모양처가 뭐예요?
경은 : 현모양처는요, 현명한 어머니 좋은 아내를 말하는데요. (네) 보통 이렇게 살림도 잘하고 현명하게 대처를 잘 하는 그런 저 같은 여자를 말해요.
현우 : 어... 그런데 현모양처이라는 거예요? 아니면 현모양처 타입이라는 거예요?
경은 : 현모양처 타입이라는 거죠.
현우 : 아직 어머니도 아니고, 아내도 아니잖아요.
경은 : 그렇죠. (네) 제가 앞으로 결혼을 하면 현모양처가 될 거라는 거죠!
현우 : 아... 그거는 아직 모르는 거니까 확신을 갖지는 마시고요. (네) 오늘 승혜 씨가 어떤 이야기를 했는지 한 번 살펴볼까요?
경은 : 네, 좋아요.
현우 : 네. 승혜 씨가 청소를 한 것 같아요. 방 청소.
경은 : 네. 방 청소 한 것 같죠?
현우 : 네. 그럼 오늘의 확인 문제는 뭐죠?
경은 : 오늘의 확인문제는 승혜 씨가 청소를 했다고 하는데요. 청소를 하다가 서랍 속에서 무언가를 발견을 했다고 해요. (아, 서랍 속에서요?) 네. 그게 무엇일까요?
현우 : 네. 저도 궁금한데요. 한 번 무엇을 발견했는지 잘 생각하면서 들어보세요.
경은 : 네. 잘 들어봐요.
현우 : 네.

[승혜의 오디오 블로그]

현우 : 잘 들어 봤는데요. 승혜 씨가 서랍 속에서 뭘 찾았죠?
경은 : 네, 일기장을 찾았어요.
현우 : 일기장. (네) 경은 씨는 일기 자주 써요?
경은 : 네. 저는 일기 자주 쓰는 편이에요.
현우 : 지금도요?
경은 : 네. 지금도, 물론 이렇게 공책에다가 쓰진 않지만 (네) 웹사이트나 그런 홈페이지 같은데다가 저만 혼자 몰래 볼 수 있게 일기를 쓰고 있어요. (아... 그래요?) 네. 현우 씨는요?
현우 : 저는 안 써요. (안 써요?) 네. 머릿속에 다 담아둬요. (아, 네...) 그게 아니고 음... 쓰고 싶은데 (네) 쓰려고 하면 사실... 어렸을 때는 일기를 쓰는 것이 굉장히 숙제처럼 (네, 맞아요) 느껴지고 안 쓰면 안 되는 것이라고 생각했었는데 (네) 요즘에는 안 써도 할 일이 많으니까...(그렇죠) 안 쓰고 넘어가게 되는데요. 승혜 씨는 일기를 자주 쓰는 편은 아니었다고 했는데 그래도 꽤 많이 쓴 것 같아요. 그렇죠?
경은 : 네, 맞아요. (네) 저도 사실은 어렸을 때는 방학 숙제 때문에 밀려서 20개를 한꺼번에 쓰고, 그래서 굉장히 싫어했었어요.
현우 : 네, 일기가 아니라 소설을 쓰는 거죠?
경은 : 네, 그렇죠. (네) 만들어 내고. (네) 근데 지금은 일기를 쓰면 기분이 좋아져요. (음...) 5년 전에, 4년 전에 제가 어떻게 살았는지 어떤 생각을 했는지 알 수가 있어서 너무 좋은 것 같아요.
현우 : 네, 저도 일기를 쓰는 것은 좋아하지는 않는데 제가 예전에 썼던 글을 읽어보면 굉장히 재미있을 때가 있어요. (네, 맞아요) 특히 고등학교 때 썼던 일기들...
경은 : 고등학교 때요? (네) 짝사랑 했던 이야기들 써 있나요?
현우 : 어... 아니요. 아마도... (아마도...) 안 써 있을 거예요.
경은 : 그렇군요. (네) 한국에서는 이렇게 일기를 많이 쓰고 숙제로 내 주고 그랬었는데 리스너 여러분들은 일기를 쓰시는지 궁금해요.
현우 : 네. 그리고 저는 영어 공부를 한창 많이 할 때 일부러 영어 연습을 하고 싶어서 영어로 일기를 쓰곤 했었는데. (네, 맞아요) 지금 이 오디오 블로그를 듣고 계신 분들은 한국어를 굉장히 잘 하시는 분들이 많으니까 (네) 아마 한국어로 일기를 쓰시는 분들도 계실 것 같은데. (우와, 멋지네요) 네, 궁금한데요.
경은 : 네. 여러분들 코멘트로 남겨주세요.
현우 : 네, 좋은 생각이에요. 그러면 경은 씨 우리는 승혜 씨의 다음 이야기를 또 기다리면서 여기에서 인사를 드릴까요?
경은 : 네, 그리고 KoreanClass101.com 웹사이트에 오시면 현우 씨와 저의 대화를 적은 PDF를 보실 수 있습니다.
현우 : 네. 경은 씨와 제가 지금까지 말한 모든 단어를 보실 수 있는 PDF를 다운로드 받으 실 수 있으니까요, KoreanClass101.com 웹사이트에 오셔서 보시고 질문이 있으신 분들은 꼭 코멘트를 남겨주시기 바랍니다.
경은 : 네. 대화를 적은 PDF가 한국어 공부하는데 많은 도움이 되실거에요. 그리고 한국어 일기를 쓰시면 더 도움이 되실 거고요.
현우 : 네. 그리고 만약에 안 쓰시는 분들은 지금부터 한 번 써 보세요.
경은 : 네. 한 번 해보세요.
현우 : 네. 그럼 다음시간에 뵙겠습니다. 안녕히 계세요.
경은 : 네. 안녕히 계세요.
현우 : 네.

1. 안녕하세요. 여승혜입니다.
2. 여러분, 동물 좋아하세요?
3. 저는 어릴 적부터 동물이라면, 껌벅 넘어갈 정도로 좋아했습니다.
4. 실제로, 애완견도 여러 마리 길렀었고요.
5. 그럼에도 불구하고, 지금까지 동물원에는 한번도 안 가본 거 있죠?
6. 그런데, 드디어 오늘, 생물학 수업 숙제를 하기 위해서이긴 했지만, 너무너무 가 보고 싶었던 동물원을 다녀왔습니다.
7. 같은 수업을 듣는 친구와 함께, 일본에 있는 큰 동물원을 찾아갔습니다.
8. 저희 과제의 주제인, 흰손긴팔원숭이부터 보러 갔습니다.
9. 한 원숭이는 긴팔을 이용해 이리저리 나무를 옮겨다니고, 다른 한 원숭이는 새침하게 유리창 가까이서 뒤돌아 앉아 있었습니다.
10. 작은 우리안에 두 마리만 달랑 있어서, 숙제를 하기에 약간은 부족한듯한 느낌도 들었지만, 일단은 과제를 위해 우리안 모습과 원숭이의 사진을 찍었습니다.
11. 그리고, 지나가는 행인에게 부탁해 친구와도 기념으로 사진을 남겼습니다.
12. 우리는 목적을 달성하고, 뿌듯한 마음으로 새하얀 털이 매력적인 북극곰을 향해 발걸음을 옮겼습니다.
13. 두 마리가 우리 안에 있었지만, 기대가 컸던 탓일까, 새하얗지도 않고, 약간은 초라해 보이는 북극곰에게 실망했습니다.
14. 북극곰 두 마리는 들릴 듯 말 듯한 울음소리를 내며, 계속 같은 자리를 맴돌았습니다.
15. 순간 북극곰이 불쌍하다는 생각이 들었습니다.
16. 동물원에서 사는 것이 야생에서 사는 것보다 편할지도 모르지만, 작은 우리 안에서 과연 행복할까요?
17. 동물원에 대해서 나쁘게 생각해 본적은 없었지만, 실제로 우리 안에 갇혀 사는 동물들을 보니, 마음이 편칠 않네요.
18. 그래도 텔레비전에서나 보던 동물들을 눈으로 직접 보는 것은 정말 신기하고 즐거운 일이었습니다.
19. 여러분은 어떻게 생각하세요?
20. 저는 왠지 싫다고도, 좋다고도 할 수가 없네요.
21. 그럼, 오늘 하루도 즐거운 하루 되시고, 다음에 또 봐요. Click here to listen to the entire dialog.

ENGLISH

1. Hello, I'm Seung-hye Yeo.

2. Everyone, do you like animals? As for me, I have always adored animals so much since I was a little kid. And I have actually had a few pet dogs as well. Nevertheless, I had never been to a zoo before! But finally, today, although it was for my biology homework, I was able to go to a zoo, a place I had always wanted to go.

3. I went to a big zoo in Japan with a classmate. We went to see white-handed gibbon monkeys, which were the topic of our assignment. One monkey was moving from this tree to that one using its long arms, and another monkey was sitting with its back toward us near the glass window. Since there were only two of them in the small cage, I had a feeling that it wasn't sufficient for our assignment, but I went ahead and took photos of the inside of the cage and the monkeys to do our assignment. And I asked someone passing by and had a photo taken of us two together as a souvenir.

4. Happy that we accomplished our goal, we started walking toward the polar bears whose white fur was supposed to be very charming. There were two polar bears in the cage, but maybe because I was expecting too much, I was disappointed in the polar bears that were not so white and even looked a little bit shabby. The two polar bears kept letting out soft cries that I could barely hear and kept moving around the same spot. For an instant, I felt sorry for them. I guess it must be more comfortable for them to live in the zoo than in the wild, but are they really happy in the little cage?

5. I had never thought badly of zoos before, but since I saw the animals that were actually trapped in the cage, I don't feel very comfortable about it. But it was still an amazing and an enjoyable experience to be able to see animals that I had only seen on TV. What do you think? For some reason, I can say neither that I hate it nor that I like it. Well then, have another great day, and I will see you soon.

GRAMMAR

Following is the complete transcript of the commentary by 경은 and 현우.

경은 : 안녕하세요. 최경은입니다.
현우 : 안녕하세요. 선현우입니다. KoreanClass101.com의 승혜의 오디오 블로그에 오신 것을 환영합니다. 오늘은 22번째 승혜의 오디오 블로그입니다
경은 : 현우 씨 가을인데 어디 놀러갔다 오셨어요?
현우 : 글쎄요. 얼마 전에 추석이었잖아요.
경은 : 네, 맞아요. 추석이었는데...
현우 : 네. 그래서 광주에 다녀온 것 빼고는 바빠서 놀러 갈 시간이 없었어요.
경은 : 아, 그래요? (네) 안타깝네요.
현우 : 경은 씨는요?
경은 : 저도 바빠서 사실은 어디 다녀오지는 못했지만 (네) 그래도 주변에 이렇게 나무들이 낙엽 지는 거 보고 그런거 구경하면서 다녔어요.
현우 : 아... 그래요? 주변에 낙엽이 떨어지는 것만 구경하고 다니는 것은 조금 쓸쓸한 것 같은데... (네) 어, 승혜 씨는 잠깐 시간을 내서 동물원에 다녀왔다고 해요.
경은 : 동물원이요? 동물원 정말 좋아해요. (아, 그래요?) 네.
현우 : 사실 저도 예전에 경은 씨 홈페이지에서 (네) 동물원 사진을 본 적 있는 것 같은데 (네) 저도 동물은 좋아하는데 자주 가지는 못해요.
경은 : 저는 그래도 1년에 한 번씩은 가는 것 같아요.
현우 : 아, 그래요? (네) 우와. 근데 지금 승혜 씨가 동물원에 간 것은 한국에서가 아니라 일본에서죠?
경은 : 네. 일본에서 동물원을 간 거죠?
현우 : 경은 씨는 그러면 일본에서 동물원에 가 본 적 있어요?
경은 : 아니요, 일본에서는 가본 적이 없어요. 한 번 가보고 싶은데 (네) 그러면 승혜 씨 이야기 한 번 들어볼까요?
현우 : 네. 승혜 씨가 일본에서 어떤 동물들을 봤는지 궁금한데요.
경은 : 아, 그게 확인 문제예요.
현우 : 아, 그래요?
경은 : 네. 승혜 씨가 동물원에 가서 어떤 동물들을 봤는지 잘 생각하면서 들어주세요.
현우 : 네. 승혜 씨가 동물들 많이 봤지만 여기서는 두 가지 동물들을 이야기 하고 있는데요. 어떤 동물 이야기를 해 주는지 주의 깊게 잘 들어주세요.
경은 : 네, 빨리 들어봐요.
현우 : 네.

[승혜의 오디오 블로그]

현우 : 아, 저는 그냥 승혜 씨가 친구들하고 동물원에 놀러가고 싶어서 다녀 온 줄 알았는데 (네) 사실은 숙제를 하기 위해서 갔다 왔군요.
경은 : 네, 그러네요. (네) 우선 확인 문제 정답 알아볼까요?
현우 : 네, 좋아요. 승혜 씨가 동물원에 가서 여러 가지 동물을 봤겠지만 여기에서 이야기 해 주고 있는 동물은 첫 번째, 뭐죠?
경은 : 원숭이.
현우 : 원숭이. (네) 그리고 두 번째는?
경은 : 북극곰.
현우 : 북극곰.
경은 : 네. 제가 너무 좋아하는 북극곰.
현우 : 네. 근데 저도 일본 여행 갔을 때 느꼈지만 (네) 일본에는 동물원에 가지 않아도 시골에만 가면 원숭이가 많아요.
경은 : 아, 원숭이요?
현우 : 네, 산에 그냥 원숭이들이 돌아다녀요.
경은 : 만질 수도 있나요?
현우 : 만지고 싶으면 만지세요.
경은 : 때릴 것 같아서... 무서워서 못 만질 것 같아요.
현우 : 그렇긴 한데 버스를 타고 시골에 간 적 있었는데 (네) 아주 조그마한 원숭이들 (아...) 이렇게 엉덩이가 빨간 원숭이들이 (정말요?) 네. 돌아다니면서 땅에 떨어진 음식들을 먹고 있었어요.
경은 : 어... 한국에서는 절대 못 보잖아요. (맞아요, 맞아요) 동물원에 가야지만...
현우 : 네, 동물원에서만 볼 수 있는데 그래서 왠지 승혜씨도 원숭이를 보고 별로 신기하다는 느낌을 안 받았을 것 같아요.

경은 : 그랬겠네요, 진짜.
현우 : 맞아요. 그런데 북극곰은 산에 없거든요. (그렇죠) 그래서 동물원에서 밖에 볼 수가 없는데 (네) 북극이 아니라면 (그렇죠) 그래서 참 신기했을 것 같은데...
경은 : 네. 그런데 승혜 씨는 기대를 많이 해서 그런지 초라한 북극곰에 대해서 실망을 했다고 하던데요. (네) 저도 사실은 생각보다는 실망했어요.
현우 : 아, 그래요? (네) 어떤 동물을 봤을 때요?
경은 : 북극곰을 봤을 때 (아...) 정말 새 하얄 줄 알았는데 (네) 좀 때가 타서 이렇게 (아...) 털이 좀 더럽고 그러더라고요.
현우 : 근데 북극곰이 새하얗다고 하는 이미지는 어디에서 ...
경은 : 어... 광고에서?
현우 : 아니면 영화에서?
경은 : 영화에서. 영화에서 많이 봤죠.
현우 : 눈 속에 있으면 (네, 그렇죠) 하얄 텐데. (네) 제가 가지고 있던 이미지하고 달라서 동물원에 갔을 때 실망했던 동물은 (네) 사자,(사자?) 뭐... 치타,(왜요?) 호랑이. 이런...게 야생에서 사냥하고 뛰어다니고 그래야 될 것 같은데 (네) 우리 안에서 (네) 어떤 우리는 뭐... 저희 집만하고 그래서 굉장히 불쌍해 보여서 실망했던 기억은 나요.
경은 : 아... 저도 동물원 갔었는데 호랑이가 계속 자고만 있더라고요.
현우 : 네. 동물원을 통해서 이렇게 야생에서만 볼 수 있는 동물들을 우리가 볼 수 있는 것은 좋다고 생각하는데 (네) 동물들은 역시 야생에 있는 것이 제일 좋은 것 같아요.
경은 : 맞아요, 맞아요. 정말 그런 것 같아요.
현우 : 여러분은 동물원 좋아하세요?
경은 : 여러분 나라의 동물원들은 한국이랑 비슷한지 어떤지 모르겠네요.
현우 : 네, 여러분은 주로 동물원에 가면 평소에 못 보는 어떤 동물을 보러 제일 먼저 달려가시는지 저희 KoreanClass101.com 웹사이트에 오셔서 코멘트 남겨주세요.
경은 : 네, 꼭 코멘트 남겨주세요.
현우 : 그리고 KoreanClass101.com 에 오시면 저와 경은 씨가 지금 나누는 모든 대화를 적은 PDF를 받아 보실 수 있으니까,
경은 : KoreanClass101.com 웹사이트에 들러서 꼭 확인 해 보세요.
현우 : 네. 그리고 질문 있으시면 언제든지 코멘트 남겨주시고요. KoreanClass101.com 웹사이트에서 뵙겠습니다.
경은 : 네, 안녕히 계세요.
현우 : 감사합니다.

MAIN

1. 안녕하세요. 여승혜입니다.
2. 여러분, 지난 밤 안녕히 주무셨나요?
3. 전 어젯밤 거의 해가 뜰 때쯤 되어서야 잠에 들었답니다.
4. 제가 전에, 커피를 마시면 잠을 잘 못 잔다고 했던 말 기억나세요?
5. 사실, 커피뿐만이 아니라, 작은 소리, 빛에도 잠들지 못할 만큼, 예민한 편이거든요.
6. 어제도 침대에는 일찍 누웠는데, 이런 저런 생각을 하다 보니까 잠에 들지 못했습니다.
7. 그런데 잠이 안 온다는 사실을 의식하다 보니까, 더 정신만 말똥말똥해지는 거예요.
8. 이렇게 하루만 늦게 잠들어도, 다음날에도 제시간에 잠들지 못하고, 결국 악순환이 시작되죠.
9. 이대로 가다가는 오늘도 해가 뜨고 나서야 잠이 들것만 같아서, 인터넷에서 '잠 오게 하는 방법'을 검색해 보았습니다.
10. 생각보다, 저처럼 잠 때문에 고생하는 사람들이 많은지, 다양한 방법들이 소개되어 있었습니다.
11. 몇 가지 방법들을 메모지에 옮겨 적어 놓고, 먼저 가장 많은 사람들이 추천한 반신욕을 하였습니다.
12. 따뜻한 물에 몸을 담그고 있으니, 나른해져 금새라도 잠에 들 수 있을 것만 같았습니다.
13. 그 다음에는 간단하게 스트레칭과 체조를 하고, 오랜만에 아로마 향초도 피웠습니다.
14. 은은한 라벤다향이 방안에 퍼지고, 몸과 마음이 차분해졌습니다.
15. 그리고, 마지막으로 따뜻한 우유 한 잔을 마시면서 블로그를 통해 여러분과 이렇게 만나고 있지요.
16. 오늘은 정말 푹 잘 수 있을 것 같은 예감이 들어요.
17. 전 이렇게 여러분들에게 제 고민도 털어놓고, 이런 저런 이야기들을 하고 나면, 마음이 편안해지거든요.
18. 왠지 눈꺼풀이 조금 무거워 진 듯 하네요.
19. 어서 잠자리에 들어야겠어요.
20. 여러분들이 지금 계시는 곳이 밤인지 낮인지는 잘 모르겠지만, 오늘도 좋은 하루 되시고, 밤에는 푹 주무시고, 다음에 또 봐요.

ENGLISH

1. Hello, I'm Seung-hye Yeo.

2. Everyone, did you have a good night's sleep last night? Last night, I got to sleep almost right before the sunrise. Do you remember me talking about how I can't sleep well if I drink coffee? In fact, it is not only coffee that affects me, but I am so sensitive that even the softest sound and the faintest light can keep me awake. I went to bed early last night, but then I started thinking about this and that, and I couldn't get to sleep. But then when I was aware of the fact that I wasn't sleepy, I became even more awake.

3. If I get to sleep late just one day like this, I can't get to sleep at the usual hour the next day, so eventually a vicious circle is begun. I felt that if I let this happen again and again, I would end up getting to sleep after the sunrise, so I looked up "how to fall asleep easily" on the Internet. I guess there are many other people out there who are also having a hard time trying to sleep, because a lot of different methods have been introduced. I wrote down some of the methods on a piece of paper, and I tried the half-depth bath, which the most number of people recommended. As I had my body in the hot water, I felt very sleepy and I felt like I could go to sleep at any minute. After that, I did some light stretching and exercise, and I lit the aromatic candle, which I hadn't used for a while. The light scent of lavender spread throughout the room, and my body and my mind became calm.

4. And lastly, I had a cup of warm milk, and now I'm talking to you like this through this audio blog. I have a feeling that I can really sleep well tonight. I feel very calm and peaceful after I tell you about my worries and also talk about this and that. I think I'm feeling a little bit sleepier now. I have to go to sleep. I don't know whether it is nighttime or daytime where you are, but I wish you a good day, and have a good night's sleep at night, and I'll see you again.

GRAMMAR

경은: 안녕하세요, 최경은입니다.
현우: 안녕하세요, KoreanClass101.com의 승혜의 오디오 블로그, 선현우입니다.
경은: 현우 씨 커피 좀 그만 마셔요.
현우: 하하하. 커피를 많이 마시는 거, 아니면 너무 많이 마시는 거는 많은 사람들이 가지고 있는 안 좋은 습관 중에 하나죠?
경은: 네, 맞아요. 근데 현우 씨는 정말 심한 것 같아요. 얼굴이 까매지셨어요.
현우: 어... 커피를 마시면 얼굴이 까매진다는 말은 처음 들었는데, 음... 경은 씨, 승혜 씨도 사실 요즘에 잠을 잘 못 자고 있나 봐요. 커피를 너무 많이 마시는 거 아닐까요?
경은: 글쎄요? 승혜 씨 커피 못 마신다고 그랬는데?
현우: 아, 그러면 여러 가지 다른 이유들 때문에 승혜 씨가 요즘에 잠을 못 자는 것 같은데,
경은: 네, 맞아요.
현우: 네, 일본에서 잠을 못 자고 있다는 소식을 제가 한국에서 지금, 얼마 전에 들었거든요.
경은: 걱정 되는데요?
현우: 네, 그래서, 한 번 왜 잠을 못 자고 있는지, 들어 보죠.
경은: 네, 그 전에, 우리 확인 문제, 내야죠?
현우: 네, 맞아요. 확인 문제는, 승혜 씨가 잠을 잘 수가 없어서, 잠이 잘 안 와서, 인터넷에서 어떻게 하면 잠을 잘 수 있는지 좀 찾아봤다고 해요.
경은: 아, 그렇군요.
현우: 네, 그런데, 사람들이 많이 추천한 방법이 있어서, 그 방법을 시도해 보았다고 하는데,
경은: 와, 저도 궁금해요.
현우: 네, 어떤 방법을 시도해 보았는지, 잘 생각하면서 들어 보세요.
경은: 네, 빨리 들어 봐요.
현우: 네.

[승혜의 오디오 블로그]

현우: 아, 승혜 씨가 이 블로그를 녹음하고 나서, 좀, 잠을 잘 잘 수 있었을까요?
경은: 그랬을 것 같은데요?
현우: 네, 저도 그랬기를 바라고요.
경은: 네.
현우: 확인 문제의 정답을 알아 보죠. 승혜 씨가 인터넷을 통해서, 이렇게, 잠을 잘 수 있는 방법을 찾아 봤는데, 사람들이 가장 많이 추천한 게 뭐라고 했죠?
경은: 반신욕이요.
현우: 반신욕.
경은: 반신욕.
현우: 반신욕.
경은: 네.
현우: 그래서 승혜 씨는 반신욕을 하고 나니까 잠을 잘 잘 수 있었나요?
경은: 근데 승혜 씨는 반신욕도 했구요, 그리고 스트레칭하고 체조도 했구요, 향초도 피웠고, 따뜻한 우유 한 잔도 마셨대요.
현우: 그러면 아마, 반신욕 때문에 잠을 잘 잔 건지, 아니면, 이 다른 것들 덕분에도 잠을 잘 잔 건지는 모르겠지만, 사람들이 가장 많이 추천한 것이 반신욕이라고 했죠? 경은 씨, 반신욕이 뭐예요?
경은: 반신욕이요?
현우: 네. 쉽게 설명해 주세요.
경은: 현우 씨 그것도 몰라요?
현우: 아, 저 말고... 하하. 저는 반신욕 해 본 적도 있어요.
경은: 해 본 적도 있어요?
현우: 네. 근데 재미없어요. 하하.
경은: 반신욕은요, 욕조에 물을 반만 채우고, 물론 따뜻한 물로요. 하하. 따뜻한 물로 반만 채우고, 들어가서 목욕을 하는 걸 말해요.

현우: 예. 목욕을 한다기보다는 그냥 앉아 있는 거죠.
경은: 네. 앉아 있는 거죠.
현우: 네. 그렇게 하면 그냥 뜨거운 물을 한가득 채우고 앉아 있는 것보다는 오래 앉아 있을 수 있는데,
경은: 네.
현우: 생각보다 몸이 굉장히 더워져서 땀도 많이 흘리고,
경은: 네, 혈액 순환도 잘 돼요.
현우: 네, 땀을 많이 흘리니까 혈액 순환이 잘 된다고 하죠.
경은: 네, 근데 저는 못 견디겠더라고요. 하하.
현우: 아, 더워서?
경은: 네, 더워서.
현우: 저는 더워서 못 견디는 건 아닌데, 심심해서... 하하하. 반신욕을 하면 책을 읽을 수도 있는데, 그런, 특별한 도구가 없으면, 책도 물에 떨어질 수도 있고, 그 다음에 MP3로 음악을 듣거나 오디오북을 들을 수도 있는데, 또 기계다 보니까, 고장날까 봐,
경은: 조심해야 돼요.
현우: 습기 때문에, 네, 그냥 아무것도 안 가지고 들어가게 되는데. 10분, 20분 앉아 있기가 정말 힘든 것 같아요.
경은: 근데 정말 잠이 안 오는 사람한테는 진짜 좋대요.
현우: 그래요?
경은: 네, 여러분들 혹시 잠 잘 못 자시는 분들 있으시면, 꼭 해 보세요.
현우: 잠을 안 자고 싶은 사람들은요?
경은: 잠을 안 자고 싶은 사람들은 커피를 마시던가? 하하. 뭔가 다른 방법이 있겠죠?
현우: 저한테 아주 좋은 방법이 있어요.
경은: 뭔데요?
현우: 커피도 사실 많이 마시면 별로 소용이 없어요. 그래서 추운 겨울 날에 특히, 창문을 열어 놓으면 잠을 잘 수가 없어요.
경은: 어... 싫어요!
현우: 그런데 대신에, 창문을 열어 놓고 있다가 잠이 들어 버리면 감기 걸리니까,
경은: 큰 일 나죠.
현우: 네, 조심하시고, 여러분은 혹시 잠이 잘 안 오시면 반신욕을 시도해 보세요.
경은: 혹시 여러분만의 방법이 있으시면 저희한테 알려 주세요.
현우: 네. 잠이 잘 안 올 때, 잠을 꼭 자야 되는데, 다음 날 중요한 날이 있거나
경은: 네, 그렇죠.
현우: 그러면 잠을 일찍 푹 자야 되잖아요?
경은: 네.
현우: 그럴 때 여러분은 어떠게 하시는지,
경은: 특별한 방법 있으시면, 저한테 꼭 알려 주세요.
현우: 아, 경은 씨는 뭐... 몰라도 되잖아요. 잘 자고 있잖아요. 하하.
경은: 네, 저는 너무 잘 자서... 하하
현우: 네, 잠을 안 자는 방법에 대해서 알려 주세요 경은 씨한테는.
경은: 네, 저한테는 잠을 안 자는 방법, 꼭 알려 주세요.
현우: 네, 그럼 여러분, KoreanClass101.com에 오시면 경은 씨와 제가 나눈 대화의 모든 단어, 한 단어 한 단어가 적혀 있는 PDF가 있으니까 꼭 확인해 보시구요.
경은: 네, PDF가 공부하는 데 도움이 많이 되니까, 꼭 확인해 보세요.
현우: 네, 그러면, 여러분, 저희는 KoreanClass101.com에서 다시 뵙겠습니다.
경은: 안녕히 계세요.

1. 안녕하세요. 여승혜입니다.
2. 여러분들은 점점 추워지는 지금, 어떻게 겨울을 맞이하고 계시나요? 오늘 아침에 일어나는 데 날씨가 너무 추워진 탓인지, 좀처럼 이불에서 나오기가 힘이 들었어요.
3. 저는 본능적으로 허겁지겁 옷을 몇 겹이나 더 껴입고서야, 살 것 같아서 기지개를 켜고, 움츠렸던 등을 폈습니다.
4. 나무들이 겨울이 되기 전에 잎을 다 떨어뜨려 버리고, 개구리는 겨울이 오면 겨울잠을 자듯, 저도 오늘 겨울을 맞이할 준비에 들어갔습니다.
5. 제일 먼저, 에어컨 필터를 깨끗이 씻었습니다.
6. 지난 여름 동안 신나게 돌리고, 한번도 제대로 청소해 주지 않아, 먼지가 가득했습니다.
7. 그 다음엔 창고에서 전기 장판을 꺼내 침대 밑에 깔았습니다.
8. 일본은 한국과 달리 방바닥이 따뜻하지 않기 때문에, 토박이 한국인인 제게 전기 장판은 최고의 난방기구입니다.
9. 시험 삼아 불을 올리고, 이불 속에 들어가 보았더니, 바로 그 그리운 한국의 따뜻함이었습니다.
10. 그리고서 처음으로 도톰한 겨울 코트를 꺼내 입었습니다.
11. 밖으로 나오니, 바람이 쌩쌩 불고 있었습니다.
12. 얼굴이 약간 시리긴 했지만, 그래도 따뜻한 겨울 코트를 입고 있으니, 그 어떤 추위도 이겨낼 수 있을 것만 같이 든든했습니다.
13. 근처 가까운 생활 잡화점으로 가서, 겨울용 실내화를 찾았습니다.
14. 그때 제 눈에 들어온 것이 분홍색 털 실내화였습니다.
15. 발끝 부분에 토끼 얼굴 인형이 달려있었습니다.
16. '조금 나이에 맞지 않나?' 라고 고민하다가, 왠지 초등학교 때 학교에서 신던 털실내화 생각이 나서, '뭐 어때?'하고 사버렸습니다.
17. 저는 지금 분홍색 토끼 실내화를 신고 책상 앞에 앉아있습니다.
18. 거울에 비추어 보니, 조금 유치하긴 하네요.
19. 그래도 더 이상 발은 시리지 않을 듯합니다.
20. 여러분들께서는 추위를 어떻게 이겨내세요?
21. 좋은 방법 있으시면 저한테도 알려주세요.
22. 그럼 좋은 하루 되시고, 다음에 또 봐요.

ENGLISH

1. Hello. I'm Seung-hye Yeo.

2. The weather is getting colder and colder now, and I wonder how you are getting ready for the winter. This morning as I was getting up, perhaps because the weather had gotten too cold, it was not very easy to get out of my bed. Only after I had instinctively put on a few extra layers of clothes in a hurry, I felt like I could move again, so I stretched myself and straightened my shrunken back.

3. Like trees drop all their leaves before the winter comes, and frogs go into their hibernation when the winter comes, I started my own preparation for the winter as well, starting from today. First of all, I cleaned the filters for the air conditioning. I used the air conditioner to its fullest through last summer and never really cleaned it, so the filters were full of dust. Next, I took out the electric heating mat from the storage and put it under my bed sheet. In Japan, unlike in Korea, the floor in the house is not warm, so for a native Korean like me, an electric heating mat is the best heating apparatus. I turned it on to check it and went under the blanket, and I could feel the hot temperature of the Korean floor that I had missed. And after that, I took out and put on a thick winter coat for the first time this winter.

4. When I went outside, a strong wind was blowing. My face was a bit cold, but since I was wearing a warm winter coat, I felt as if I could beat any cold weather. I went to a nearby general store and looked for some winter slippers. And then I found a pair of pink fur slippers. At the toe parts, rabbit faces were attached. I hesitated for a second, thinking "Maybe these don't suit my age," but then I thought about the fur slippers that I used to wear in elementary school, and bought them, thinking "so what?"

5. Now I'm sitting in front of my desk wearing these pink bunny slippers. As I check them in the mirror, well, they do look a little bit childish. But I guess my feet are not going to be cold any more. How do you put up with cold weather? If you know a good method, please let me know too. Then have a good day, and I will see you next time.

경은: 안녕하세요. 최경은입니다.
현우: 안녕하세요. KoreanClass101.com의 선현우입니다. 여러분은 지금 승혜의 오디오 블로그 24번을 듣고 계십니다.
경은: 네, 현우 씨. 오늘 너무 추워요.
현우: 네... 어? 그렇게 춥진 않은데? 하하하.
경은: 정말요?
현우: 조금 추워요. 조금.
경은: 조금?
현우: 경은 씨 엄살 필우는 거 아니에요?
경은: 아니에요. 진짜 추운데?
현우: 아 그래요?
경은: 네. 저는 추위를 잘 타요.
현우: 음... 저도 추위를 잘 타는데, 오늘은 옷을 따뜻하게 입어서, 안 추운 것 같아요.
경은: 아... 그래요?
현우: 경은 씨 다음부터, 내일부터, 옷 따뜻하게 입고 나오세요.
경은: 오늘도 따뜻하게 입은 것 같은데...
현우: 아, 그래요? 요즘에 날씨가 정말 춥긴 추운데, 승혜 씨도 사실 일본에서 지금 추위 때문에 고생을 하고 있는 것 같아요.
경은: 네, 일본도 겨울이니까요.
현우: 네, 맞아요. 저는 어렸을 때, 여기 승혜 씨가 말한 것처럼 겨울잠을 잘 수 있었으면 좋겠다, 라고 생각을 했었는데...
경은: 하하하. 맞아요.
현우: 사람은 겨울잠을 안 자죠?
경은: 네, 그렇죠. 겨울잠 자면 큰일 나죠?
현우: 오... 그래요?
경은: 네. 하하.
현우: 아무튼 그래서 승혜 씨가, 이 추운 날씨를 이겨내기 위해서 일본에서 무언가를 창고에서 꺼냈어요.
경은: 우와... 그게 확인 문제죠, 저희?
현우: 네. 오늘의 확인 문제인데, 승혜 씨가, 창고에서 무언가를 꺼냈는데,
경은: 과연, 무엇을 꺼냈을까요?
현우: 네, 무엇을 꺼내서, 그것으로 겨울을 이겨내려고 하고 있을까요?
경은: 네, 빨리 들어 봐요. 궁금해요.
현우: 네! 들어 보시죠.

[승혜의 오디오 블로그]

현우: 아, 여러분 잘 들어 보셨나요? 승혜 씨가 무엇을 꺼냈죠?
경은: 아, 승혜 씨는 창고에서 전기 장판을 꺼냈다고 하는데요?
현우: 네, 뭘 꺼냈다고요?
경은: 전기 장판이요.
현우: 전기 장판.
경은: 네.
현우: 일단, 전기 장판이 무엇인지 이야기하기 전에, 장판이 뭐죠, 장판?
경은: 장판은, 바닥에 까는 두꺼운 커버를 말해요.
현우: 맞아요. 한국에서는, 아시다시피, 신발을 벗고 집에 들어가잖아요.
경은: 네, 신발 신고 들어가면 큰일 나죠.
현우: 네. 맞아요. 하하하하.
경은: 맞아요. 그래서 꼭 장판이 깔려 있기 때문에 신발을 벗고 들어가게 되어 있는 거죠.
현우: 네, 그래서, 한국 집에 가면, 바닥이 마루도 아니고, 시멘트도 아니고, 이렇게 장판이 깔려 있는 경우가 대부분인데요,
경은: 네, 맞아요.
현우: 네, 그리고 한국에 있는 집들은 대체로, 온돌이라서

경은: 네, 방바닥이 따뜻해요.
현우: 따뜻하죠? 그래서 방바닥이 따뜻한 것을 사람들은 정말 좋아하는데,
경은: 네, 저도 정말 좋아해요.
현우: 맞아요. 그런데 침대를 좋아하시는 분들, 또는 해외에 나가서 생활하시는 분들은 이 따뜻한 방바닥을 이용할 수가 없잖아요.
경은: 네. 맞아요. 그래서 대신에 전기로 따뜻하게 해 주는 거죠.
현우: 맞아요. 조금 두꺼운, 방석 같은, 또는 이불 같은 것을 전기 장판이라고 하는데, 전기 장판을 콘센트에 꽂으면 한... 10분 정도 기다리면 따뜻해져요. 네, 그리고 한 시간 기다리면, 뜨거워져요. 그래서 밤에 잘 때 따뜻하게 잠을 잘 수가 있어요.
경은: 네, 그래서 외국에 유학 간 한국인들은 거의 대부분이 전기 장판을 꼭 사서 가져간다고 하더라고요.
현우: 네, 겨울에 가면.
경은: 네, 겨울에는.
현우: 여름에 가면,
경은: 여름엔 필요 없죠.
현우: 필요 없죠? 네. 경은 씨는 사실 전기 장판은 아니고 전기 방석을 가지고 있잖아요.
경은: 하하하. 네. 한국에서는 전기 방석도 나와요.
현우: 네. 의자에 놓을 수 있는.
경은: 방석.
현우: 조그마한 쿠션인데, 전기 코드를 꽂으면 따뜻해지는 거죠.
경은: 네, 따뜻해져요. 굉장히 좋아요.
현우: 졸리지 않아요?
경은: 조금 졸리긴 한데, 추운 것보다 좋은 것 같아요.
현우: 아. 네... 하하. 저는 한번도 써 본 적이 없어서... 전기 장판은 써 본 적이 있는데, 전기 방석은 사실 필요하다고 느낀 적이 없었던 것 같아요.
경은: 네, 근데, 쓰니까 좋더라고요.
현우: 하하. 네, 알겠습니다. 여러분 나라도 지금 겨울인 나라가 대부분일 텐데, 여러분 나라에서는 날씨가 어떤지 그리고 여러분은 겨울을 나기 위해서 무엇을 하고 있는지,
경은: 추위를 어떻게 견디시는지,
현우: 네, 옷을 따뜻하게 입는지, 전기 장판을 쓰는지,
경은: 저처럼 전기 방석을 쓰시는지,
현우: 네, 아니면, 장갑, 목도리, 귀마개, 이런 것들을 하시는지, 코멘트로 이야기해 주세요.
경은: 네, 저 궁금하니까 꼭 코멘트 남겨 주세요.
현우: 네, 그럼 저희는 KoreanClass101.com 웹사이트에서 뵙고,
경은: 현우 씨와 제가 말한 모든 단어가 적힌 PDF를 KoreanClass101.com에 오시면 확인할 수 있으니깐요, 꼭 확인해 보세요.
현우: 네, 그럼 저희는 웹사이트에서 뵙겠습니다.
경은: 안녕히 계세요.
현우: 안녕히 계세요.

9. 쌍둥이라서 그런지 생각하는 것, 말하는 것 모두 참 많이 비슷해요.
10. 제가 20분 늦게 태어난 동생인데요. 제가 언니한테 “언니” 라고 불러야 한답니다.
11. 제가 언니 이름을 부르면 혼나요. 아버지한테... 우리 아버지는 매우 엄하셔서 비록 20분이지만 언니 대우를 받아야 한다고 생각한답니다. 좀 이상하죠?
12. 비록 20분이지만 나이 많은 사람을 존경해야 한다는 것이 한국 문화를 잘 보여주는 듯 하네요.

ENGLISH

1. Hello, my name is Se Hwa Yoon. Today is my first time to start the blog. It is a pleasure to meet you.
2. First, let me introduce myself. I was born and raised in Jin Ju, Kyung Sang Nam Do, and I worked in Seoul as an English teacher. One year ago, I came to the USA to get a master's degree in education. Currently, I live in New York.
3. I have a sister. Well, don't be surprised: we are twins—identical twins. Probably a lot of listeners don't understand "identical" in Korean because it is a difficult word in Korean.
4. A lot of people get confused because my sister and I look the same and we do have similar voices too. Moreover, my classmates have said "hi" to my sister because they thought she was me. Haha!
5. We think and act in a very similar way because we are identical twins. I am the younger one who was born twenty minutes later. However, I call my sister 언니 ("Sister"), instead of calling her by name. If I call her by name, I am scolded by my father. My father is very conservative. He believes that even twenty minutes older means she is older, and thus she should be treated with respect. Isn't it strange? Haha! This clearly shows one aspect of Korean culture: older people should be respected.
6. All of the other members of my family live in Korea. I miss them a lot.
7. My hobbies are reading books and watching movies. I love to read books and watch movies. Books and movies make me think a lot. They make me realize how different a person's life could be.
8. Listeners, what are your hobbies? Do you have anything you can share with me?
9. I also like jogging and doing yoga in the morning. They make me not just healthy in body but also healthy in mind.
10. What kind of sports do you like to play? I can't play sports that well, but I like to watch them, such as baseball, soccer, football, and basketball.
11. I would love to hear what kind of sports you like. Would you tell me about them?
12. Well, this is it for today! Thank you for listening and I am looking forward to hearing from you. Thank you!

7. In Korea, when I think about parades, there is one famous one. On Buddha's birthday, there is a huge parade in the Jong Ro area, which is in Seoul. A lot of people march in the parade, and you can see a huge dragon, Buddha, and lotus. It is called the Lotus Lantern Festival. If you are in Korea, you should definitely check it out.

ENGLISH

1. Hello, everyone! This is Se Hwa Yoon.

2. Did you have a meal? There aren't any people who will ask you "Did you eat a meal?" as many times as Koreans. In Korea, when people ask you "Did you eat?" it doesn't mean that they are really asking you whether or not you ate, it is more likely that they are saying "Hi" in the Korean way. A long time ago, my ancestors believed they should eat cooked rice every meal. Some foods, such as bread or a sandwich, they thought were more like a snack than a meal.

3. Let me explain why Koreans say "Did you eat?" instead of "Hi." It started around the 1950s and 1960s in Korea. At that time, it was not easy to eat every meal because of difficult economic situations after the Korean War. Thus, people started to ask "Did you eat?" instead of saying "hi." Isn't it interesting?

4. Today, I went to Koreatown in Manhattan. It is one of the best things in New York because I can eat Korean food whenever I want. It was a bit more expensive than in Korea, but I really enjoyed it a lot.

5. What kind of food do you like?

6. Have you ever tried Korean food? I personally love Gal Bi and Sam Gyup Sal. A lot of foreigners know Bul Go Gi, but interestingly they have never heard about Gal Bi and Sma Gyup Sal. Would you like to try them? They are great!

7. Today, I was really happy because I could eat Korean food, and it was very delicious.

8. Koreatown was very interesting. I felt like they moved a little Korea into Manhattan.

9. Well, what kind of exotic food have you ever tried? What kind of Asian food did you try? My foreigner friends don't love just Korean food but also love Japanese food, Chinese food, and Thai food.

10. I would love to hear from you about what kind of Korean food you've tried and what you liked.

11. Thank you so much, and I will meet you next week.

DIALOGUE - KOREAN

MAIN

1. 여러분 안녕하세요? 윤세화입니다.
2. 오늘은 한국사람들이 좋아하는 “온돌방” 에 대해서 말씀 드리려고 해요.
3. “온돌방” 이라는 말 들어보셨나요?
4. 옛날에 한국에서는 방 바닥 밑에 돌이 있어서 부엌 아궁이에서 불을 피우면, 그 방바닥 밑에 돌들이 따뜻해져서 방바닥이 따뜻해졌답니다.
5. “온” 의 의미가 따뜻하다 라는 것이니까 온돌방은 따뜻한 돌 방 정도 되겠지요?
6. 요즘은 돌 대신에 물이 통하는 수로 관을 넣어서 겨울이면 그 물이 따뜻하게 데워지니까 방바닥이 매우 따뜻해요.
7. 겨울이면 방안의 공기뿐만 아니라 방바닥도 매우 따뜻하답니다.
8. 그 방바닥을 한국말로 “온돌방”이라고 불러요.
9. 사실 대부분의 한국사람들이 침대를 사용한 것도 30년, 40년 정도 밖에 되질 않는 것 같아요.
10. 그 전에 많은 사람들이 따뜻한 온돌방에 이불을 깔고 그 위에서 잤답니다.
11. 사실 요즘도 나이 드신 어르신들은, 침대보다는 따뜻한 온돌방을 더 좋아한답니다.
12. 여러분이 한국식 호텔에 가게 될 기회가 된다면요, 어떤 호텔들은 물어볼 거여요, 침대가 있는 방을 드릴까요? 온돌방을 드릴까요?
13. 그럼 그때는 온돌방을 한번 시도해보시지 않겠어요?
14. 옛날에는 그 온돌방에 따뜻한 밥을 지어서 따뜻하게 보관하려고 이불 밑에 넣어두기도 했답니다. 믿겨지세요?
15. 그때는 보온병이나 보온 밥통 이런 것들이 없었으니까 밥을 짓고 나면 겨울에는 금방 차가워 지잖아요.
16. 그래서 아버지나 다른 가족들에게 따뜻한 밥을 드리려고 그 밥을 온돌방위에 얹어두고 이불로 덮어서 보온을 하고는 했답니다.
17. 이런 한국의 옛날 이야기 참 재미있지 않으세요?
18. 저는 처음 미국에 왔을 때 이 온돌방이 참 그리웠는데요.
19. 겨울에 차가운 바닥을 볼 때면 한국의 따뜻한 온돌방에 이불을 깔고 눕고 싶다는 생각을 참 많이 했답니다.
20. 그래서 한국에서는 방에 들어갈 때 신발을 벗고 들어가는 것 다들 잘 알고 계시죠?
21. 아마 한국사람들이 방을 이런 목적으로도 사용해서 그런가 봐요.
22. 지금은 보일러로 대부분의 사람들이 편안하고 따뜻하게 지내고 있지만, 그래도 한국의 온돌방이 참 그립네요.
23. 한국과 다른 나라의 집안 구조는 참 많이 다르던데, 여러분의 나라에서는 어떻게 겨울을 지내나요?

24. 어떤 난방시설을 옛날에는 사용했었는지 참 궁금하네요.

25. 저에게 알려주시지 않겠어요?

26. 그럼 오늘은 여기까지 하고 마치겠습니다. 다음주에 또 뵐게요. 감사합니다.

ENGLISH

1. Hello, this is Se Hwa Yoon.
2. Today, I would like to talk about "On Dol Bang."
3. Have you ever heard about "On Dol Bang?"
4. A long time ago, Koreans put stones under the floor of a room. When they made a fire in the fireplace of kitchen, that fire heated up the stones. In that way, Koreans had a warm floor. 온 means "warm," and 돌 means "a stone," and 방 means "a room," which makes "a warm stone room."
5. These days, Koreans lay water pipe instead of stones, which warms the floor easily and faster. Doesn't it sound great? A room with a warm floor?
6. In the wintertime, Koreans heat up not just the air in the room but also the floor, which is very efficient. Koreans call this kind of floor "On Dol Bang."
7. In fact, it has been only thirty to forty years since Koreans have started to use beds. Before then, most people spread a blanket on the floor and they slept on the blanket.
8. Some older people in Korea still prefer "On Dol Bang" instead of the bed.
9. If you have a chance to visit a Korean-style hotel, they would ask you, "Do you want a room with the bed or "On Dol Bang?" At that time, would you like to try "On Dol Bang?"
10. A long time ago, mothers put cooked rice under the blanket on the warm floor. Can you believe it?
11. At that time, Koreans didn't have a thermos bottle or rice cooker, so the cooked rice became cold after a while. Mothers wanted to serve warm rice for their children or husband, so they put the cooked rice under the blanket on the warm floor. The cooked rice was in a steel bowl, which can be heated up easily by the floor. That floor kept the rice warm.
12. Isn't it interesting?
13. The first time when I came to the USA, I missed On Dol Bang a lot.
14. In the wintertime, whenever I feel a cold floor in America, I really miss lying down on the warm On Dol Bang.
15. I guess that's one of the reasons why Koreans take their shoes off before they get in the room.
16. It is a very different layout in structures between Korean houses and those in different countries.
17. Would you tell me how you spend the wintertime?
18. What kind of warming system did you have? Would you tell me about that?
19. Thank you so much, and have another wonderful week.

1. 안녕하세요? 윤세화입니다. 한 주 동안 잘 지내셨나요?
2. 여러분 MT 라는 말 들어보셨나요?
3. 저는 사실 이게 영어인 줄 알았답니다.
4. Membership training이란 뜻으로 한국에서는 꽤 자주 사용되는 말입니다.
5. 대학교에 갓 들어갔을 때에도 회사에서 하는 것도 MT 입니다.
6. 주로 당일치기나 1박2일 아니면 2박 3일 정도로 함께 근무하고 있는 사람들이나 또는 급우 친구들이 함께 산이든, 바다이든 특정한 장소에 가서 시간을 함께 보냅니다.
7. 사실 training 이라는 훈련의 의미보다는 그냥 즐겁게 논다라는 의미가 더 강한데요. 그렇게 MT 를 가서 사람들 간에 더 친해지는 기회가 되는 거지요.
8. MT를 가면 직접 요리할 재료도 모두 사가지고 가서 야외에서 직접 요리도 다 해서 먹는답니다.
9. 모든 사람들이 각각 일할 분야를 나눠 어서 체계적으로 요리도 하고 설거지도 한답니다.
10. 어떻게 보면 캠핑과 비슷한데요. 그래도 MT는 텐트에서 자기보다는 호텔에서 잔다는 게 조금 다르겠네요.
11. 밥이면 모닥불을 피워놓고 노래도 부르고 재미있는 이야기 또는 무서운 이야기도 하면서 지내고요. 또 즐거운 게임도 함께 한답니다.
12. 대학에 들어가서 아직 아무도 모를 때 MT를 다녀오면 금방 사람들과 친해지고 친구도 많이 사귈 수 있는 기회가 된답니다.
13. 한국의 회사 생활은 능력도 중요하지만 인간관계가 꽤 중요하다고 생각하기 때문에 이 MT를 통해서 더 넓은 인간관계를 만들려고 한답니다.
14. 그래서 회사에서도 종종 MT 를 함께 가곤 한답니다. 재미있겠죠?
15. 한국에 오셔서 MT가고 싶지 않으세요?
16. 저의 첫 MT는 처음으로 대학교에 들어갔을 때인데요. 처음으로 집밖에서 자는 거라 무척 신나고 떨렸답니다.
17. 저의 아버지가 굉장히 엄하셔서 한번도 외박을 해 본 적이 없거든요.
18. MT를 가서 선배들과도 많은 이야기를 나누고 친구들과도 많이 알아가고 잘 몰랐던 학과 공부에 대한 조언도 들을 수 있어서 참 좋았습니다.
19. 여러분이 한국에 갈 기회가 된다면, 또는 한국에 이미 계신다면 “여러분 우리 MT 갑시다!라고 큰 소리로 외쳐보지 않겠어요?
20. 한국사람들이 놀랄 거여요. '저 외국인은 참 한국말 잘하는구나'라고 생각할걸요?

21. 여러분의 나라에서는 어떤 것들이 MT 와 비슷하나요?

22. 회사 사람들이나 학교 친구들과 함께 다른 곳으로 여행가서 시간을 보내는 것을 뭐라고 하나요?

ENGLISH

1. Hello, everyone, this is Se Hwa Yoon.
2. How have you been for a week?
3. Well, everyone, have you ever heard "MT?" I thought that was an English expression at first. MT means Membership Training. Do you understand now? Not yet? Let me explain to you.
4. MT is very popular in Korea. When you first start attending college or working at a new company, you don't know a lot of people. In this situation, Koreans go to MT.
5. For one day, one night, and two days, or sometimes two nights and three days, they spend time together to get to know each other. They go to the beach or mountains. MT training doesn't mean real training. It is more like spending a great time together.
6. When you go to MT, you actually bring all the ingredients of food and cook there. All the people take their roles; some people cook, and some people wash dishes. In some ways, it sounds like camping, but Koreans sleep in a room instead of a tent, which is a bit different.
7. At night, people make a campfire, they sing, and tell fun or scary stories or play a game.
8. When you are a freshman, you don't know anyone; this could be a great chance to get to know classmates.
9. In Korean companies, ability is very important but social relationships are also important. That's the reason a lot of companies hold MT quite often.
10. Doesn't it sound like fun?
11. Would you like to come to Korea and go to MT together?
12. In fact, my first MT was when I was a freshman; I was really excited because that was the first time I slept outside of my house. My father was very conservative; he had never let me sleep outside of his house.
13. I went to MT, and I made many friends and listened to great advice about studying; that was a wonderful time.
14. If you are already in Korea, why don't you suggest to people "Let's go to MT."
15. People will be amazed by how fluent your Korean is.
16. In your country, do you have something like MT? If you do, would you tell me, please?
17. Thank you for listening.
18. Have a wonderful week.
19. I will meet you next week.
20. Thank you.

After a while, I found myself healthy not just in body, but also in mind. Whenever I had a lot of academic stress, I ran to the gym. The feelings after working out are incredible. My body is full of positive energy. It refreshes me and exhilarates me! I love those feelings.

DIALOGUE - KOREAN

MAIN

1. 안녕하세요? 윤세화입니다.
2. 한국 사람만큼 속담을 자주 쓰는 나라도 드물 것 입니다. 오늘은 여러분과 속담 한마디, 한마디를 이야기 해볼까 해요.
3. 한국인들이 자주 쓰는 속담들, 궁금하시죠?
4. 자, 그럼 제가 속담을 먼저 말씀해 드릴 테니까 무슨 이야기인지 한번 추측해 보시겠어요?
5. 첫 번째, “호랑이도 제 말하면 온다.”
6. 이건 무슨 뜻일까요?
7. 제가 호랑이에 관해서 이야기를 하면, 정말 호랑이가 온다는 소리이니까, 이 말은 남의 이야기를 함부로 하지 말라는 뜻입니다.
8. 그 사람이 그 곳에 없다고 함부로 이야기를 했다가 갑자기 그 사람이 오게 되면 당황스럽겠죠?
9. 그럴 때 쓰는 이야기입니다.
10. 두 번째, “빈 수레가 요란하다”는 무슨 의미일까요?
11. 빈 수레는 수레가 비어 있다는 말로, 요란하다는 말은 매우 시끄럽다는 뜻이죠.
12. 그런데 빈 수레가 매우 시끄럽다?
13. 여러분 어떤 말인지 이해가세요?
14. 시끄러워서 쳐다봤는데 사실 수레 속에는 아무것도 없는 빈 수레이니까, 자신의 지식은 크게 뛰어 나지 않은데 괜히 허세를 부려 아는척하고 말이 많은 것을 가르칩니다.
15. 우리는 이런 사람이 되서는 안되겠죠?
16. 세 번째, “아는 길도 물어가라.”
17. 길인데 여러분이 이미 알고 있는 길이예요.
18. 그런데도 또 물어보고 갑니다.
19. 이건 어떤 의미일까요?
20. 아는 길도 확인, 또 확인하고 가는 거니까, 항상 주의하고 조심하는 것이 안전하다는 뜻입니다.
21. 네 번째, “시작이 반이다.”
22. 이것은 많은 분들이 잘 알 것 같아요.
23. 다른 나라에서도 이런 비슷한 속담을 들어본 적이 있는 것 같아요.

24. 시작하는 것은 어떤 일을 시작하는 것이죠?

25. 그런데 그게 벌써 반이 되었답니다.

26. 어떤 의미일까요?

27. 이 말은 무슨 일이든지 마음먹고 시작을 하면 그 일을 끝낼 수가 있으므로 이미 반은 한 것과 같다는 뜻입니다.

28. 그러니까 시작을 하는 것이 매우 중요하다는 이야기이겠죠?

29. 다섯 번째, “남의 떡이 더 커 보인다.”

30. 이 말은 한국말을 잘하시는 여러분이라면 금방 알아낼 듯하네요.

31. 나한테도 떡이 있는데 남이 가지고 있는게 더 커 보인다는 것은 남의 것을 더 좋아 보이고 탐난다는 의미이겠죠?

32. 마지막으로 하나 더, 여섯 번째, “소 잃고 외양간 고친다.”

33. 우리는 소 잃고 외양간 고치면 안되겠죠? 외양간은 소가 살고 있는 곳입니다.

34. 그런데 그 외양간이 부서졌어요. 소가 그 부서진 곳을 통해서 도망을 가버렸답니다.

35. 그럼 주인은 중요한 소를 잃어버렸겠죠?

36. 그리고 난 뒤 후회하면서 그때서야 외양간을 고친다는 이야기 입니다.

37. 그 때서 외양간을 고쳐봤자 전혀 소용이 없는 것이죠. 어떤 일이 일어난 후 후회해 봤자 소용이 없다는 소리입니다.

38. 그래서 미리 미리 잘 방지해야겠죠?

39. 저는 다른 나라 말을 배웠을 때 이런 속담들이 참 재미있었는데 여러분은 어떠셨어요?

40. 오늘은 여기서 배운 속담 한마디 한국인 친구에게 사용해 보세요.

41. 그 친구들이 깜짝 놀랄 겁니다. 한국말을 너무 잘한다고요.

42. 그럼 오늘은 여기까지 하겠습니다.

43. 감사합니다. 여러분, 건강하세요.

ENGLISH

1. Hello, everyone, this is Se Hwa Yoon.
2. Koreans love to say a proverb. They believe a proverb contains a smart idea from their ancestors.
3. Today, let me introduce some Korean proverbs. Would you like to guess what they mean?
4. First, "If you speak of the Tiger, it comes."
5. What does this mean? It means when you speak ill behind someone's back, because he is not there, he suddenly shows up. That means you shouldn't talk ill behind someone's back just because he is not there.
6. It was easy, right? I think it is very similar to "speak of the devil."
7. Second, "An empty cart rattles loudly."
8. You notice the cart because it is noisy, but there isn't anything inside. This means some people who don't have a lot of knowledge pretend to know everything. When you talk to someone who is unaccomplished but brags about everything, you can see he is an empty cart.
9. Third, "Even if you know the way, ask one more time."
10. Can you guess the meaning of this proverb? You ask someone for directions even if you know it. That means being careful and cautious are the best choices. They will lead you to the safe, right direction.
11. Fourth, "Starting is half the task."
12. I think a lot of people can guess this meaning since I heard a similar proverb from different countries. If you are willing to do something, you can finish the task. This means starting is one of the most important steps. Don't procrastinate; start the task now.
13. Fifth, "Someone else's rice cake looks always bigger."
14. This is easy, even you have your own rice cake; someone else's rice cake looks bigger. You envy someone or are jealous of what different people have. Different people's possessions look better than yours do.
15. Last, "After losing a cow, one repairs the barn."
16. You should have repaired your barn before losing a cow, but you regretted not doing so after losing a cow. That means you had a chance to prevent something, and after it happened in your life, you regret later that you didn't prevent it. This means your late changes are useless to prevent what happened.
17. When I learned different languages, learning proverbs was very interesting.
18. How about you? Did you have fun today?
19. Why don't you use one proverb that you learned today? Your Korean friends will be surprised by your fluent Korean.

20. Thank you so much. Take care!

21. I am looking forward to meeting you next week again. Thank you!

DIALOGUE - KOREAN

MAIN

1. 안녕하세요. 윤세화입니다.
2. 어제는 제 미국 친구와 말다툼을 했어요.
3. 그리고 제가 나중에 “미안합니다” 라고 사과를 했는데 그 때 정말 문화의 차이를 많이 느꼈답니다.
4. 한국 사람들은 사과를 할 때 웃으면서 사과할 때가 있어요.
5. 괜히 더 미안하고 멋쩍으니까 웃으면서 “미안합니다”라고 사과하는 건데, 제 미국 친구는 제가 사과를 진심으로 하지 않았다고 생각하더라고요.
6. 제 의도는 그게 아니었는데 어제 일로 정말 문화의 차이를 느꼈습니다.
7. 사실 한국에서는 “실례합니다”라는 말도 잘 쓰지 않아요.
8. 그렇다고 한국 사람이 무례한 거일까요?
9. 아니요. 우리도 서로의 공간에 침해하지 않으려고 노력하는데, 작은 나라에 많은 사람들이 사니까 서로 부딪히거나 가까이 가는 것을 더 자연스럽게 생각한답니다.
10. 그리고 어떤 사람 앞을 지나갈 때 “실례합니다”라는 말보다는 “잠시만요”라는 말을 더 잘 사용하는 것 같아요.
11. 그리고 보통 친구가 “고마워” 라고 했을 때 “뭐 별 말을 다하고 그래~”라는 말은 하지만 “천만의 말씀”라는 말은 잘 쓰지 않는 것 같아요.
12. 그런 말은 오히려 더 영어식 표현인 것 같아요.
13. 차라리 "고마워", "미안해"라고 이야기 했을 때 “괜찮아” 라는 대답이 가장 잘 쓰이는 것 같아요.
14. 아무튼 사소한 말다툼으로 친구와의 사이가 나빠지고 싶지 않았던 제가 먼저 “미안해”하고 사과를 했는데 제가 웃으면서 사과한 행동 때문에 오히려 더 감정을 상하게 만들었더라구요.
15. 그래서 엄숙한 표정으로 다시 “미안해. 진심으로~”라고 사과를 하니 받아주더군요.
16. 지금까지의 제 의견은 충분히 개인적인 의견일 수가 있습니다.
17. 하지만 외국인 친구를 만날 때나 한국인 친구를 볼 때 문화의 차이점들이 느껴졌거든요. 오늘은 그런 점을 말씀드려 봤어요.
18. 여러분은 한국인의 표정과 말, 표현들이 잘 익숙하지 않아서 당황한적이 있었나요?
19. 그랬을 때 어떻게 대처하셨나요?
20. 저 또한 미국에서 문화적인 차이를 느낄 때가 많이 있었는데요. 여러분과 의견 나누고 싶네요.
21. 그럼 오늘은 여기까지 하고 마치겠습니다.

22. 여러분 건강하세요. 다음 주에 뵐게요. 감사합니다.

ENGLISH

1. Hello, everyone. This is Se Hwa Yoon.
2. Yesterday I had an argument with my American friend. When I apologized to her, I really felt cultural differences between her and me.
3. Koreans usually smile when they apologize because they are embarrassed. It doesn't mean they think it's funny.
4. My American friend thought I didn't apologize with the right intention. There was a huge cultural gap between us.
5. In fact, Koreans don't really say "Excuse me" (실례합니다); they say more often "Excuse me" (잠시만요). I think 잠시만요 is a more natural way to say "excuse me" for Koreans.
6. Ninety-nine percent of Koreans were born and raised in Korea. Most people think and act in the same way. We understand quickly and better because there is not a cultural difference.
7. When your friend says "thank you," Koreans don't say "you're welcome." I think this expression is more like Western expressions. When Koreans say "thank you" or "I am sorry," we answer with "it's okay."
8. Anyway, I apologized first because I didn't want to be at odds with my friend. But she thought my apology was not sincere. I apologized again with a serious face. Finally, she accepted it.
9. What do you think, everyone? Have you had any experiences like me?
10. Have you felt embarrassed because of cultural differences?
11. Thank you for listening.
12. I look forward to meeting you next week again.
13. Have a wonderful week. Thank you!

1. 안녕하세요. 윤세화입니다.
2. 오늘은 여러분에게 저의 어떤 부분에 대해서 말씀 드릴까 고민을 하다가, 제가 했던 가장 특별한 경험, 스카이 다이빙에 대해서 말씀 드리려고요.
3. 항상 스카이 다이빙을 하는게 꽤 오래 전부터 꿈이었는데요. 한국에서는 그게 쉽지가 않더라고요.
4. 스카이 다이빙 자격증 같은 것을 따야 한다고 들었습니다.
5. 그래서 재작년에 라스베가스에 갈 기회가 생겼는데요. 물론 라스베가스에 처음으로 가는 거라 무척 떨리고 기대되었지만 무엇보다도 제 꿈인 스카이 다이빙을 할 수 있다는 생각에 더 설레었습니다.
6. 길을 물어 물어 스카이 다이빙하는 곳까지 찾아갔습니다.
7. 일단 먼저 교육을 시키더군요.
8. 떨어질 때 바나나처럼 몸을 뒤로 다 젖혀야지만 다치지 않을 수 있다고 하더군요.
9. 그리고 낙하하는 특수복을 입었습니다.
10. 물론 저 혼자서는 뛰지 못하고 조교를 등에 달고 함께 뛰어야 했지요.
11. 작은 비행기를 타고 하늘로 올라갔을 때 꽤 긴장이 되더라고요.
12. 조교의 팔에 카메라가 부착이 되어있어서, 저의 모든 동작을 다 비디오로 촬영했답니다.
13. 조교가 농담을 하면서 긴장을 풀어주려고 노력했답니다.
14. 막상 첫 번째 사람이 뛰어내리고 나서, 제가 “어머, 어머!”하는 사이에 제 차례가 되었습니다.
15. 뛰어내릴 때 팔을 둘 다 가슴에 붙이고 있어야 했기에 떨리는 마음으로 비행기에 문에 서 있었고요.
16. 눈 깜빡 하는 사이에 비행기에서 떨어졌습니다.
17. “으아아아~”소리밖에 지르지 못 하겠더라구요.
18. 바나나 자세 같은 것은 기억이 전혀 안 나더군요.
19. 사실 처음에는 무서워서 눈을 뜨지 못했는데 나중에는 이렇게 시간을 낭비할 수 없다는 생각에 눈을 떴습니다.
20. 세상의 모든 것들이 매우 작게 느껴지더군요. 얼굴에 부딪히는 바람, 무서운 속도의 낙하, 모든 것들이 제가 생각하는 그대로였습니다.
21. 10초~15초 정도 떨어졌을까요? 드디어 조교가 낙하산을 폈습니다.
22. 평소에도 비행기를 타면 착륙할 때 귀가 잘 아픈 편이였는데, 역시 무서운 속도로 급 강하하다 보니 귀가 많이 아프더군요.

23. 그리고 낙하산을 타고 천천히 내려왔습니다.

24. 대학교 때 패러글라이딩을 꽤 여러 번 했었는데, 그 때와 많이 비슷하더군요.

25. 물론 처음에 낙하산 없이 떨어졌을 때는 완전히 다른 느낌이었지만요.

26. 비록 30초 정도의 시간이었지만 정말 제 기억에 오래 남을 것 같아요.

27. 또 제 꿈을 한번 실현한 거여서 제가 자랑스러웠고요.

28. 여러분은 여러분이 했던 일중에서 가장 특이하고 이상했던 일들은 뭐가 있나요?

29. 그럼 오늘은 여기까지 하고 마치겠습니다.

30. 여러분 건강하세요. 다음 주에 뵐게요. 감사합니다.

ENGLISH

1. Hello, everyone. This is Se Hwa Yoon.
2. Today, I would love to talk about one of the bravest experiences I ever had, skydiving. Skydiving has been one of my dreams for a long time. I tried to do this in Korea, but it was difficult since I had to get a certificate.
3. Two years ago, I had a chance to go to Las Vegas. I was really happy. It was wonderful to visit Las Vegas, but I was more excited because I could skydive.
4. I finally found the place where you can sky dive.
5. First, they educated me. I should make my body like a banana, which will protect me from injury.
6. And I wore protective clothing. I should jump from the airplane with an assistant. His name was Nick. Nick attached a camera on his arm and filmed me all the time. He made a joke to relax me. I was very nervous when the plane started to fly.
7. The first person jumped from the plane. And it was my turn.
8. Ahhhhhhhhhhhhhhh. I couldn't open my eyes at first. But I didn't want to close my eyes all the falling time. Finally, I opened my eyes and saw the world. Everything looked very small. The wind blew into my face strongly. But I really enjoyed the moment—the moment I dreamed of for a long time. Everything was exactly the way I dreamed.
9. After ten to fifteen seconds, the assistant finally opened the parachute.
10. From then, everything was pretty relaxed and quiet.
11. I used to do paragliding when I was a university student. That was a very similar feeling except falling rapidly.
12. I was very proud of myself that I achieved one of my dreams again.
13. What about you?
14. What kind of special experiences did you try?
15. Would you like to share them with me?
16. Thank you for listening.
17. I look forward to meeting you next week again.
18. Have a wonderful week. Thank you!

ENGLISH

1. All About My Name...

2. Hello, KoreanClass101.com friends…

3. These days, saying a shorter form of words is trendy in Korea, so I will say it again in a shorter form, "Hello, hello, KoreanClass101.com friends!" I don't want to be too formal or give you a long introduction of myself on the first day of a new season, but I would like to introduce myself briefly since we're meeting for the first time.

4. My Korean name is Hwang, Young-Hwae, and my English name is Tim. Did you know the sequence of Korean names is read in the opposite order to the sequence of English names? I will briefly explain about that for those who haven't heard about it yet. Using the Korean sequence, Hwang is my family name and Young-Hwae is my given name. Elders in the olden days would use the family name as Hwang and the given name as Young-Hwae.

5. I have so many memories related to my name since my childhood. In fact, my name is actually not a common name in Korea. When I was an elementary school student, there were many girls named Young-Hee. So there were many elementary school teachers who misjudged my gender by misreading my name. On the first day of school every year, my teachers always said, "Hwang, Young-Hee." After comparing my face with my name on the attendance list, many teachers corrected themselves and would smile and say, "Ah! It's not Young-Hee, but Young-Hwae. I am sorry!" Do you have any similar stories? These days, there are many people who want to change their names for personal reasons because changing names has been becoming easier in Korea. Is there anyone who wants to change names? If possible, which name would you like to have?

6. As much as I like my Korean name, I do like my English name, Tim, as well. While studying abroad in Canada, I met a guy named Tim who has deeply influenced me, so I decided to use the name to always remember him. I actually received permission from him to use his name before leaving Canada.

7. Just like Tim did for me, I want to be a good friend to our KoreanClass101.com listeners. Many interesting topics and exciting stories will be unfolded here, so I will ask for your continual support and fervent responses. Then, I will see you again next time. Thanks for listening.

8. Go KoreanClass101.com!!!

4. 저에게도 그런 날들이 많이 있는데요.
5. 오늘은 특히 결코 지울 수 없는 날에 대해서 말해보겠습니다.
6. 2000년 10월 26일.
7. 이 날은 저에게 있어 무슨 날일까요?
8. 제가 태어난 날일까요?
9. 그럼 제가 고작 10살!?
10. 그건 아니겠죠...
11. 그럼 제가 입대를 한 날일까요?
12. 물론 그날도 기억은 하지만, 그날은 기억하기 싫은 날에 더 가깝겠네요…
13. 그럼 제가 제대한 날일까요!?
14. 제가 2000년 8월 6일에 제대를 했으니까 가깝지만 아니네요...,
15. 그럼 도대체 무슨 날일까요???
16. 그날은 바로 제가 캐나다로 공부를 결심하고 첫 캐나다행의 비행기를 탄 날입니다.
17. 그럼 왜 이 날이 저에게 있어 특별한 날일까요?
18. 사실 전 캐나다에 가기 전에 영어 한마디 던지지 못하는 완전 영어 "초짜",즉 초보자였습니다.
19. 공항에서나, 캐나다에 처음 도착해서나, 제가 캐나다 사람들에게 던지는 문장은 아주 간단했었습니다 - “How do you do?”
20. 지금 생각해보면 얼마나 부끄러운지...
21. 어디를 가나, 무엇을 하나, 긴장과 실수의 연속이었습니다.
22. 너무 힘든 나머지 캐나다에 온 제 자신도 원망을 많이 했었고 그런 결정을 한 아들을 말리지도 않은 아무 죄가 없는 부모님을 향해서 원망도 많이 했었습니다.

23. 시간이 지나면서 하나하나 이겨내는 자신을 보며 정체성과 자신감 그리고 삶의 목적을 스스로 깨닫게 되었을 때, 꿈이라고 생각했던 캐나다 대학교의 졸업장을 한 손에 굳게 쥔 자신을 발견하게 되었습니다.

24. 그뿐만 아니라, 캐나다의 언어와 문화 그리고 좋은 인맥까지도 덤으로 얻게 되었지요.

25. 누군가 저에게 “가장 고마운 날이 언제야?”라고 묻는다면 저는 “2000년 10월 26일”이라고 대답을 할 것입니다.

26. 그 이유는 바로 그날, 2000년 10월 26일이, 제가 인격적으로 성장할 수 있게 해준 엄청난 양의 고난과 변화 그리고 자신의 개혁이 시작된 날이기 때문입니다.

27. 한국어에 도전하며 새 언어와 문화를 접하려고 하는 KoreanClass101.com의 많은 청취자분들도 저의 이런 마음을 어느 정도 이해할 수 있다고 봅니다.

28. 여러분이 한국어 공부를 시작하기로 마음먹은 날이 여러분 자신에게 정말 고마운 날이 될 수 있도록 우리 다 같이 힘을 내 보아요.

29. 저도 많은 힘이 되어줄 것을 약속드립니다.

30. 그럼 우리 다같이 화이팅~~!!!

ENGLISH

1. A Day I'll Never Forget

2. Hello, KoreanClass101.com listeners. This is Tim. There are days that we would love to recall and there are days that we wouldn't like to recall…and there are days that we don't want to recall, but they can never be erased from our minds. I also have a lot of those days…but today, I would like to talk about the day I'll never forget.

3. It was October twenty-sixth in the year 2000.

4. Can you guess what day it was?

5. Was it the day I was born? Then I would only be ten years old! So that's not it...

6. Was it the first day of enlisting in the military in South Korea, then? Although I clearly remember that day, it was more likely to be categorized in "a day that I don't want to recall"… Then, was it the day of being discharged from military service? I was discharged from the military service on August 6, 2000. That's actually pretty close, but not really… Then…what on earth was that day?

7. That very day was when I took a plane leaving for Canada after I made a firm decision to study abroad. Then why is that day so special to me?

8. Before going to Canada, I was a complete beginner in the English language and couldn't say a word in English. At the airport when I arrived in Canada for the first time, the only sentence that I used to say to Canadians was simply "How do you do?" I feel ashamed whenever I recall that sentence from my memory. Wherever I went and whatever I did, everything was a series of nervous breakdowns, mistakes, and misfortunes. I blamed myself for making that very decision to come to Canada to study abroad, and I even complained to my parents, who had nothing to do with my decision, for not warning me at all.

9. As time went by, I was able to see myself overcoming numerous obstacles and gained self-respect, self-confidence, and more importantly, an understanding of the purpose of life. At that time, I found myself firmly holding my diploma from the University of Victoria in one hand. I also got to experience living like a Canadian, use the language, and build personal relationships with good Canadian people.

10. If anyone asked me which day I was the most thankful for, I would answer "October 26, 2000." The reason for that is that October 26, 2000 was the very first day that I set out to overcome challenges and obstacles and change and improve myself as a person. As a result, I have matured and grown in many ways.

11. I do think that you guys, as Korean learners, who challenge yourself to learn a new language and culture through KoreanClass101.com would understand how I feel to some degree. Let's work hard together and not give up on learning Korean. I promise you that I will be a great help to you.

12. Go, go everyone~~~!!!

1. "Culture Shock" and "Korean Instant Noodles!"
2. Hello, KoreanClass101.com listeners.
3. How are your Korean language studies going?
4. What do you all think about while you study Korean?
5. Are you only studying the language itself, or are you also thinking about Korean culture, the way Koreans think, and life in Korea while you study?
6. Today, I'll be telling you about my first encounter with culture shock in Canada.
7. I hope you'll understand if I start to tear up a little while I tell you this...
8. This happened to me during my second week in Canada. After my arrival, I didn't set foot out of my room.
9. I refused to eat the food that my study-abroad family cooked for me, and instead I opened a bag of instant noodles I brought from Korea. As I broke off the dry pieces of noodles and ate them, I began to wonder, "What's wrong with me? Am I going crazy?"

11. As the days passed, I came to realize what was making me feel this way.
12. For more than twenty years, I spent my whole life living in Korea and speaking Korean. After I moved to Canada, I couldn't adjust to speaking English and assimilate to the culture. I realized that this was my first culture shock.
13. What was really pitiful was that the culture shock was so extreme that it felt like a disease, so I tried to comfort myself by eating a staple instant noodle from Korea called "Shinramyeon."
14. This rare disease was not something that a hospital or a pharmacy could cure. This was an emotional disease, and I slowly realized that this was something I had to overcome on my own. However, this was easier said than done.
15. Then suddenly, it came to me. "If you can't avoid it, have fun with it!" After I came to that realization, I began to see everything in a new light. I overcame the obstacles I had with speaking English with Canadians and learned to have fun with it as I would with a new toy. What I thought was a cultural difference and a difference in our ways of thinking became something that I wanted to get to know like a friend. I did a complete 180, and eventually, that "Shinramyeon" just became food that satisfied my hunger.
16. KoreanClass101.com listeners, how did you feel when you first tried to learn Korean? Did you have a similar experience and go through a culture shock? What was the most difficult part for you when you first tried to learn Korean? Did you discover a cultural difference between your homeland and Korea?

17. I truly believe that all of you are winners. To be honest, the fact that you're listening to our blog and understanding it isn't something that's acquired for free.

18. Keep up the great work, everyone. And I have one more thing to say before I sign off. "If you can't avoid it, have fun with it!"

19. Thank you for listening.

1. 문제와 해결책 사이!
2. 오늘은 특별히 KoreanClass101.com 여러분을 위해서 저의 삶의 노하우 중에, 가장 중요하다고 생각하는 것을 하나 골라 보았습니다.
3. ‘Between problems and solutions’ 즉, ‘문제와 해결책 사이’라는 주제입니다.
4. 조금 어려운 주제이지만 많은 분이 공감하리라는 생각에 블로그로 만들어 보았습니다.
5. 여러분은 인생에서 벌어지는 Problems 즉, 삶에서 일어나는 문제들에 대해서 어떻게 생각하세요?
6. 모든 사람들은, 물론 저를 포함해서, 인생의 크고 작은 문제를 삶에서 겪게 됩니다.
7. 그럼, 삶을 살면서 그런 문제들 없이 사는 것은 불가능한 걸까요?
8. 제가 아는 답은 ‘불가능하다.’ 입니다.
9. 그럼, 그런 문제들을 줄이는 방법은 있는 걸까요?
10. 제가 아는 답은 ‘가능하다.’ 입니다.
11. 그렇다면 무엇이 그것을 가능하게 하는 걸까요?
12. 저는 오늘 그 ‘무엇’에 관해 이야기해 보려고 합니다.
13. 여러분은 Problem 즉, ‘문제’라는 단어를 들으면 무슨 느낌을 받으세요?
14. 주로 많은 사람들은 ‘문제’가 생기면 당황을 하고, 그 문제에 대한 대처 방안을 생각하게 됩니다.
15. 그런 뒤에, 그 대처 방안에 따라 행동을 하게 되지요.
16. 그리고 그 행동의 결과에 따라서 그 문제가 더 커질 수도, 더 작아질 수도, 아니면 오히려 기회로 만들어지기도 하지요.
17. 그럼, 그 세 가지 부류의 사람들에 대해서 간략히 말해 볼게요.
18. 우선, 문제를 더욱 악화시키는 사람들에 대해서 이야기해 보겠습니다.
19. 이 사람들의 가장 큰 특징은 문제를 회피하는 것에 있습니다.
20. 회피라는 것을 도망치는 것으로 생각해도 좋지만, 가장 큰 회피는 도망치는 것이라기보다 문제가 없는 척하는 행동 즉, 눈 가리기 식의 행동을 하는 것으로 생각합니다.
21. 이런 사람들은 마치 이미 더러워진 집을 내버려두고 대청소는 하지 않은 체 곰팡이가 생긴 벽과 마루에 새로운 색깔로 페인트칠을 다시 하는, 즉 눈 가리기로 문제 해결을 하는 사람들입니다.
22. 여러분도 알다시피 그 후에 집은 더 심한 곰팡이 균과 악취로 더 많은 문제들이 발생하겠지요.

23. 다음으로, 문제를 축소하기 위해 부단한 노력은 하지만, 궁극적인 해결을 보지 못하는 사람들은 어떨까요?

24. 그런 사람들은 '노력하는 방법이 효과적이지 않다.'에 문제가 있습니다.

25. 이 부류의 사람들은 문제에 너무 집중이 되어 있는 나머지 ‘why – 왜’ 와 ‘how - 어떻게’ 를 생각하지 않고 무작정 ‘what - 무엇’에만 집중을 하는 즉, 노력으로서 문제의 해결을 보려는 사람들입니다.

26. 헬스장에서 10여 년 동안 꾸준히 운동해온 저는 많은 부류의 사람들을 봐 왔습니다.

27. 헬스장에서 운동을 하는 사람들은 ‘건강과 자신감’이라는 문제를 풀기 위해 부단한 노력을 하는 사람들입니다.

28. 하지만 80-90% 사람들은 무작정 하루에 1시간 길게는 2시간을 그 ‘무엇’에만 집중을 하지요.

29. 그러나, 정작 그 피나는 노력과 흘린 땀에 비해 몸의 변화가 크지 않다는 것을 깨닫게 되면서 실망을 하게 됩니다.

30. 운동의 비밀은 ‘what – 무엇’을 하는 것에 있는 것이 아니라 그 ‘무엇’을 ‘어떻게’ 하는 것에 달렸다는 것을 깨닫기 전까진 그들의 ‘건강과 자신감’의 문제는 쉽게 해결되지는 않을 것입니다.

31. 마지막으로, 문제를 오히려 기회로 전환하는 사람들이 있습니다.

32. 이 사람들은 문제를 문제로 보지 않고 자신들이 성장할 수 있는 시발점으로 본다는 것에 있습니다.

33. 이 부류의 사람들은 문제를 대할 때 먼저 있는 그대로 직시를 하며 어디에서 문제가 시작됐는지 (where), 무엇이 궁극적인 문제인지 (why), 무엇을 어떻게 할 것인지 (what & how)에 관해서 논리적으로 생각을 합니다.

34. 그리고는 ‘용기와 믿음’을 가지고 순차적으로 하나하나씩 행동을 하지요.

35. 이런 부류의 사람들에게는 “문제란 인생의 친구이며 기회다.”라는 말이 어울리는 사람들입니다.

36. 저는 ‘문제와 해결책 사이'에 한가지 매우 중요한 요소가 있다고 생각합니다.

37. 그리고 그것이 오늘의 주제에 대한 핵심이기도 합니다.

38. 그건 바로, 문제에 대한 틀린 질문을 하게 되면 그에 따른 틀린 답을 얻게 될 것이며, 반대로 올바른 질문을 하게 되면 그에 따른 올바른 답을 얻게 된다는 것입니다.

39. ‘문제와 해결책 사이'에는 ‘질문’이 있으며 그리고 그 질문을 던지는 사람은 그 누구도 아닌 “자기 자신”이라는 것입니다.

40. 저는 KoreanClass101.com 여러분들이 용기있는 질문과 용기있는 행동으로 삶에서 벌어질 수 있는 문제들을 기회의 발판으로 전환 시킬 수 있기를 진심으로 바랍니다.

41. 이건 저 스스로에 대한 바램이기도 하고요.

42. 들어주셔서 감사합니다.

ENGLISH

1. Between Problems and Solutions!

2. I think today's topic is a most important topic for all of our KoreanClass101.com listeners.

3. The topic is "Between Problems and Solutions." It's a difficult topic to discuss, but I think this is something that everyone can sympathize with.

4. What do you think about the problems that you encounter in daily life? Everyone, including myself, always faces big and small problems throughout life.

5. So, is it impossible to go through life without having a single problem? Yes. I think that would be impossible. However, are there ways to minimize the number of problems you can face? This is definitely possible. Then how could this be possible? That's something that I'd like to share with you all today.

6. How do you feel when you hear the word "problem?"

7. People usually become flustered with they're faced with a problem. After they try to figure out how to cope with that problem, they'll act on it. And their actions could either make the problem get bigger or smaller, or it can even become an opportunity for some.

8. I want to go over the three types I just mentioned briefly.

9. First, there are people who can make the problems they're faced with worse. These kinds of people tend to avoid their problems. You can think of avoiding problems as literally running away from them, but I interpret this as people who act like there is no problem or pretend that they don't exist.

10. These people are the kind of people who instead of cleaning a dirty house would just paint over the dirty walls and floors. Thus, the house will obviously get even dirtier and create new problems.

11. Then there are the kinds of people who try hard to reduce the amount of problems but can't. Their problem lies in the fact that they don't think that putting in any effort is effective. These types of people are always focused on the "what" rather than the "why" or "how" of a problem.

12. I was able to meet all different types of people while I worked out in gyms for about ten years. The people who work out at gyms are usually people who want to solve any health and/or emotional problems.

13. And during those one or two hours spent at the gym, eighty to ninety percent of these people are only focused on what the problem is. Then later on, they're disappointed when they realize that all the blood, sweat, and tears put into working out doesn't accurately show the results on their body. The secret to working out isn't focusing on the "what" but rather the "how." And that's when you'll find the solution to your health and/or emotional problems.

14. And finally, there are the kind of people who turn their problems into opportunities. These people don't see problems as actual problems and view them as opportunities to learn and grow from the experience.

15. These types of people face the problem head on, see where the problem started, determine what the actual problem is (why), and then logically figure out what they're going to do and how they're going to solve that problem.

16. Then, with their strength and confidence, they solve the problem. These types of people tend to live by the motto "What doesn't kill you only makes you stronger."

17. I think there is an important theme in today's topic, and it could also be today's main point. And that is, if you ask the wrong questions about your problem, then you'll get the wrong answers. However, if you ask the right questions, you'll get the right answers.

18. There are questions that need to be asked between problems and solutions, and the person to ask those questions doesn't include anyone other than yourself.

19. I hope that all of our KoreanClass101.com listeners will question things and face their problems with the utmost confidence throughout life. This is something I hope for myself as well.

20. Thank you for listening. Until next time! Good-bye!

1. 좋은 고집 VS 나쁜 고집
2. 우리는 누구나 고집을 가지고 있습니다.
3. 하지만 고집이라고 해서 다 같은 고집이 아니지요.
4. 고집에는 크게 2가지 종류가 있습니다 - 좋은 고집 그리고 나쁜 고집.
5. 오늘은 그 2가지 종류의 고집에 대해서 얘기해 보겠습니다.
6. 우선 무엇이 좋은 고집이며 무엇이 나쁜 고집인지 구별해 볼까요?
7. 좋은 고집은 항상 배움의 자세와 같습니다.
8. 배움이란 “새로운 것을 획득한다.”는 뜻도 내포하고 있지만, 제가 생각하는 진정한 배움이란 스스로의 잘못된 생각과 습관을 인정하고 그것들을 과감하게 버리고, 거기에 새롭게 올바른 생각과 습관을 몸과 마음에 습득하는 것이라고 생각합니다.
9. 그러기에 좋은 고집을 가지고 생활하는 사람들은 꾸준한 발전과 성공의 기회를 인생에서 여러 번 경험하게 되지요.
10. 또한, 좋은 고집은 무엇이 옳은지 그른지에 대한 판단을 명백하게 만들기도 해서 스스로의 변명과 타협에 아주 확실한 선을 긋게 하기도 합니다.
11. 반면, 나쁜 고집은 배움의 자세와는 매우 다른 배타의 자세입니다.
12. 스스로의 그릇된 생각과 습관을 고집하며 옳은 것에 대해 매우 부정적입니다.
13. 이들에게 좋은 사람이란 항상 자기편에 서서 그런 나쁜 고집을 이해해주는 사람들을 말합니다.
14. 이 나쁜 고집은 무엇이 옳고 그른 것이며 누가 옳고 좋은 사람인가에 대한 구별을 엉망으로 만듭니다.
15. 그래서 결국엔 자기 자신을 나쁜 것들 그리고 나쁜 사람들과 연결짓게 만들지요.
16. 나쁜 고집은 좋은 고집과 반대로 변명과 타협을 아주 잘합니다.
17. 특히 스스로에 대한 변명과 타협을 아주 잘하지요.
18. 그런 반면, 남들이 하는 변명과 타협에는 아주 배타적입니다.
19. 이 나쁜 고집은 '자기가 하면 로맨스 남이 하면 불륜' 이라는 논리를 갖고 세상을 살게 합니다.
20. 좋은 고집과 나쁜 고집은 절대로 같은 게 아닙니다.
21. 그리고 무엇보다 중요한 것은, 이 둘은 같은 시간과 같은 상황에 함께 존재할 수 없다는 것입니다.
22. 하나의 고집이 다른 하나보다 세져서 결국엔 둘 중 하나의 고집을 선택하게 됩니다.
23. 결국 그 선택된 고집은 자아의 생각, 말 그리고 행동에 영향을 끼칩니다.

24. 그리고 그 하루하루의 행동과 선택은 어느새 습관으로 몸과 마음 속에 자리 잡게 되고 그 습관들은 우리의 운명과 미래를 좌우하게 되지요.

25. 좋은 고집을 가지고 사는 삶과 나쁜 고집을 가지고 사는 삶… 어쩌면 별 차이가 없을지도 모릅니다.

26. 하지만 삶의 가치와 존엄성을 깊게 생각해 본다면 어떤 고집을 선택 해야 하는 지는 더욱 확실해 집니다.

27. 왜냐면 우리는 '믿음과 용서 그리고 존경과 사랑'을 추구하는 인간이니까요.

28. 사람 개개인에겐 자기만의 삶의 목적이 있다고 생각합니다.

29. 물론 저에게도 있습니다.

30. 저의 삶의 목적은 매우 간단하지만 아주 어려운 것입니다.

31. 저의 삶이 다하고 없을 때 제 주위의 사람들이 제 이름과 삶을 존경하고 기억해 주는 것입니다.

32. 특히, 제 가족들로부터 말입니다…

33. 제 몸과 마음 안에는 언제나 좋은 고집과 나쁜 고집이 싸움을 합니다.

34. 하지만 저에게는 언제나 좋은 고집을 선택할 의지가 있으며 여러분도 저와 같은 의지가 있다는 것을 믿어 의심치 않습니다.

35. 나쁜 고집을 하나둘씩 버리고 좋은 고집을 늘려갈 때 그리고 그런 사람들이 많아졌을 때 우리에겐 진정한 삶, 아름다운 미래가 있겠지요…

36. 이것을 잊지 말아 주십시오.

37. 당신의 운명과 미래는 당신의 반려자 그리고 아들, 딸 그리고 당신을 알고 있는 여러 사람들에게 아주 큰 영향을 끼친다는 것을....

38. 그리고 그 운명과 미래는 스스로 선택한 고집으로부터 시작된다는 것을…

39. 경청해 주셔서 감사합니다.

ENGLISH

1. Good Habits vs. Bad Habits

2. We can all be a little stubborn. However, there are different levels of stubbornness. They can be divided into the good and the bad kinds. Today, I'll elaborate on these two different kinds of stubbornness.

3. First, let's differentiate between the two different kinds.

4. The good habits are always the same as your attitude on learning. Learning has a "acquiring new knowledge" connotation, but I think learning is actually what you get from acknowledging your mistakes and bad habits and then throwing them away and acquiring the new and good habits. The people with the consistently good habits tend to continuously experience success throughout their lives. On top of that, people with good habits can distinguish between the good and the bad and draw a clear line between what they'll compromise and their excuses.

5. On the other hand, bad habits are something completely different. People with bad habits are misinformed about their own thoughts and habits and react negatively toward the good. These types of people are the ones who say that the people with bad habits are good and are supportive and understanding of their bad habits. These types of people are terrible when it comes to distinguishing between people with the good and the bad habits.

6. This makes them more connected to the bad things and bad people. Unlike good habits, bad habits blur the lines between what they'll compromise and their excuses, especially when it has to do with themselves. On the other hand, they have a different take on it when it comes to other people. When they do it themselves, it's considered romantic, and when others do it, it's immoral.

7. The good and bad habits aren't alike at all. And what's more important is that these two can't exist at the same time or in the same situation. You'll end up choosing one way or the other. Whatever you choose will influence your way of thinking, speaking, and acting. And eventually, that becomes a habit and influences your fate and future.

8. There may not be much of a difference between living a life with good habits or bad habits. However, if you think about the value of life and a person's dignity, the choice you'll want to make becomes clearer. And that's because we are people who pursue truth and forgiveness and respect and love.

9. Each individual human being has a goal in life. I also have one too. Our life's goal is a simple one, but it's also difficult at the same time—and that's to be remembered once we're long gone, especially by our family.

10. We are always struggling with good and evil. However, I tend to depend more on the good, so I hope that everyone will do the same. I'm sure we'll live a more honest life and have a beautiful future once we rid ourselves of our bad habits one by one and keep acquiring the good ones.

11. Please don't forget this : your fate and future have an influence on the people around you, including your partner and children. And also remember that your fate and future starts with the choices you make for either the good or bad habits...

12. Thank you for listening!

1. 세종대왕의 리더쉽
2. 안녕하세요, KoreanClass101.com 여러분.
3. 레슨 '육' - lesson six - 부터는 한국의 위인들과 리더쉽에 관해서 이야기를 펼쳐보려고 합니다.
4. 한국의 역사와 한국의 위인들을 전함으로서 한국의 언어와 문화라는 두 가지의 배움을 여러분과 함께 해보려 합니다.
5. 우선, 오늘은 한국어를 배우는 우리들에게 있어 가장 중요한 위인을 여러분께 소개해 보겠습니다.
6. 다름 아닌 한국어를 창조한 세종대왕입니다.
7. 오늘 만큼은 경건한 마음으로 여러분에게 한국어와 세종대왕의 리더쉽에 관해서 이야기 해 보도록 하겠습니다.
8. 첫째로, 한글을 창조한 세종대왕에게 우리가 던질 수 있는 질문은 “왜 한글을 창조하였느냐?”입니다.
9. 세종이 한글을 창조한 이유는 세종의 ‘백성에 대한 신임’에서 비롯되었다고 해도 과언이 아닐 것 입니다.
10. 세종에게는 한 국가가 안정하게 존속하려면, 충분한 군사력, 충분한 먹을거리, 그리고 백성의 신임과 마음을 모두 얻어야 한다는 신념과 믿음이 있었습니다.
11. 그러나 만약 부득이 하게 이들 중 하나를 버려야 한다면 먼저 군사를, 그 다음으로는 먹을 것을, 그리고 마지막까지도 지켜야 할 것이 있다면 그것은 백성의 신임과 마음이라 했습니다.
12. 세종은 한 국가의 행복은 본질적으로 백성들과의 대화와 화합 그리고 그들에게서 오는 신뢰와 믿음이라 여겼던 것이였습니다.
13. 그래서 세종은 백성들이 자기 곁으로 다가오길 기다리지 않고 그들 곁으로 먼저 다가가고자 노력을 아끼지 않았습니다.
14. 거기에서 훈민정음, 즉 한글의 창조가 생기게 됩니다.
15. 백성들의 곁으로 다가가고자 했던 세종은 많은 백성들과 쉽게 소통할 수 있는 언어의 필요성을 인지하게 되었습니다.
16. 그리하여 훈민정음 즉, 한글이 창조되게 되었던 것이 였습니다.
17. 둘째로, 세종의 장점은 인재를 선출하고 그들을 경영하는 방법에서 두드러집니다.
18. 왕이라 해서 일을 일방적으로 추진하지 않았으며 심지어 자신과 다른 의견을 가진 신하에게 관대하기까지 한, 그런 대화와 토론을 통해 신하들과 함께 결정을 내리는 왕이였던 것이였습니다.
19. 사람에 대해 편견을 갖지 않고 신하의 작은 재능이라도 칭찬을 아끼지 않았던 세종은 신하의 장점을 취하는 동시에 엄격한 기준으로 신하의 잠재력을 이끌어내는 강과유를 겸비한 즉, 아버지의 마음과 어머니의 마음을 함께 지닌 임금이였습니다.

20. 마지막으로, 세종에게는 어떤 왕도 가지지 못했던 지혜와 미래에 대한 준비력과 통찰력이 있었습니다.

21. 세종 왈, “천하사를 하는 자는 항상 생각이 멀고 깊어야 하고, 불시의 일에 대비하여야 하며, 경계함을 게을리 하지 말아야 하느니라.”라는 믿음으로 끊임없는 독서와 정신수양을 통해서 임금의 사명을 다하는 데 꼭 필요한 지혜와 통찰력 그리고 용기를 갖추는 데 스스로 최선을 다했습니다.

22. 세종은 자기의 안위보다는 백성의 안위를 우선으로 여기는 헌신적인 임금이였으며, 국방의 중요성을 누구보다도 잘 아는 사령관이자 혹독한 훈련을 시키는 엄격한 지휘관이였으며, 겸손과 열정으로 신하를 대하는, 스스로 본이 되고자 준비하고 최선을 다하는 훌륭한 백성의 아버지였습니다.

23. 전 사실 KoreanClass101.com 여러분들에게 진심으로 감사드리고 싶습니다.

24. 여러분들에게 한글의 창시자인 세종대왕에 관한 올바른 정보를 주기 위해 공부를 하면서 제가 오히려 한글의 대한 소중함을 더 깨닫게 되었습니다.

25. 여러분들 덕분에 제가 다시 한번 한글의 고마움을 느끼게 되었으며, 여러분들 덕분에 세종대왕의 마음을 다시 한번 생각하게 되었으며, 여러분들 덕분에 제가 하는 일이 그냥 직업이 아닌 아주 뜻깊은 일이라는 것을 세삼 깨닫게 되었습니다.

26. 세종대왕이 백성과 원활한 소통을 하기 위해 한글을 창조하였다면 제가 여러분에게 해야만 하는 일은 정확하고 명확한 것이라 생각이 드는군요.

27. 여러분의 마음과 입장에서 수업을 만들어 청취자들과 함께 재밌게 대화하며 토론해가는 여러분의 KoreanClass101.com을 만드는 게 아닐까요!?

32. 그럼 다음 시간에 또 만나요.

ENGLISH

1. The Leadership of King Sejong the Great

2. Hello, KoreanClass101.com listeners.

3. I want to start lesson six off with stories about great Korean historical figures and their leadership.

4. By learning about Korea's history and historical figures, you'll get to understand the Korean language and culture a lot better.

5. First, there's a very important person who was a major influence on the modern Korean language. It's none other than the man who created the Korean alphabet, King Sejong the Great. Today, I'm going to go into detail about the Korean language and King Sejong's leadership skills.

6. The first question I would want to ask King Sejong is, "Why did he create Hangul, the Korean alphabet?"

7. The reason why King Sejong created Hangul was because of his "confidence in the Korean people."

8. To King Sejong, Korea needed military strength and plentiful food, and he believed that he had to earn the Korean people's trust and confidence in order for Korea to continue to exist safely.

9. However, if he inevitably had to prioritize these things, he would first do away with military strength and then the food, but above all, he would always fulfill his duty to earn their trust and confidence.

10. According to King Sejong, an essential element to a nation's happiness relied on the people's ability to communicate and unify as well as to build their confidence and trust.

11. He never waited for the people to come to him. Instead, he took the initiative and went to the people and worked hard at winning them over.

12. And from there, the Korean script was born.

13. As he made efforts to get closer to his people, he recognized that the Korean people needed a language where they could communicate easily. And that was how the Korean script, or Hangul, was created.

14. Second, Sejong's remarkable advantage was that he elected competent people into his court and he was able to govern them in the best way possible.

15. As a king, he was never one-sided with his views, and even though his subjects contradicted his opinions, he took them into consideration and made his final decisions based on their discussions and conversations.

16. He wasn't prejudiced against them and was very generous with his compliments, but he was also able to combine that with a strict code to abide by. He was a king who was able to balance the roles of a strict father and an understanding mother.

17. And finally, King Sejong had the intelligence and insight into the future that no other king possessed.

18. "In order for someone to become a king, they must be deep thinkers and be rulers who are ready for the unexpected," King Sejong said. "They must always be alert." He always did his best to fulfill this mission as a king and constantly wrote and spoke about disciplining one's mind through wisdom, insight, and strength.

19. He was a devoted leader who always put the safety of his people before himself. He was also a commander who knew the importance of the national defense system and put his men through rigorous training. He was a model citizen and was humble and passionate toward his subjects. He was a great father who did his best to prepare his people.

20. To be honest, I really want to thank all of the KoreanClass101.com listeners from the bottom of my heart. I came to realize how precious the Korean language was as I was researching and studying about the originator of the Korean language. Thanks to all of you, I was able to appreciate the Korean language once more. Thanks to all of you, I also realized that my job isn't just a job, but it is also a very meaningful process of teaching and learning.

21. If King Sejong was able to create Hangul to communicate more easily with his people, then it's clear what I need to do for all of you now.

22. Wouldn't the best way for everyone to get the most out of KoreanClass101.com be to discuss and converse with each other and to create classes meant for all of you?

23. Just like how King Sejong was able to show his leadership skills, I will also do my best to do that for all of the listeners at KoreanClass101.com. And I will also try to gain your trust and confidence as well.

24. Keep an eye out for more.

25. KoreanClass101.com listeners, thanks again for tuning in.

26. See you again next time.

4. "나의 죽음을 적에게 알리지 말라!"
5. 저는 항상 용기있는 리더들을 좋아합니다.
6. 어려서부터도 그랬지만, 성인이 된 후에는 더욱더 리더들의 삶의 방식과 생각을 이해하려고 노력하고 있습니다.
7. 많은 사람은, 물론 저를 포함해서, 리더의 삶을 마음속 깊이 추구하지요.
8. 그런 리더들을 존경하는 것은 누구나 할 수 있는 것이지만, 리더의 삶의 방식이나 생각을 그대로 실천하려고 노력하는 것은 모든 사람이 하고 있는 것이 아니라고 생각합니다.
9. 리더에겐 다른 사람에게는 없는 무언가가 있으며 그 무언가를 위해 목숨도 버리는 '용기'가 있는 사람들입니다.
10. 저는 오늘 한국의 위인들 중에 이순신 장군, 특히 장군의 훌륭한 네 가지 정신에 관해서 이야기 해 보려고 합니다.
11. 첫째, 모든 위인들이 그렇듯 이순신 장군의 리더쉽에는 이유가 있습니다.
12. 그 이유는 아주 간단하고 명료한 것입니다 – 나라사랑, 백성사랑!
13. 계급이 높고 낮음에 상관없이 항상 자신의 임무에 온 힘을 다하였으며, 임진왜란 발발 이후에는 조선 수군의 수장으로서 나라의 바다를 목숨을 걸고 지켜내었습니다.
14. 상관들의 모함과 시기 그리고 심지어 죄인으로 몰려 처형 직전에 이르는 고난에도 이순신 장군은 나라 사랑과 백성 사랑을 굳건히 실천하였습니다.
15. 오늘날의 많은 정치인들이 꼭 가져야 할 정신이 있다면 아마도 그것은 끝까지 나라를 지키고 백성을 돌보는 그런 나라 사랑, 백성 사랑, 이웃 사랑 정신이 아닐까요…
16. 둘째, 나라 사랑과 백성 사랑이 이순신 장군의 궁극적인 이유였다면 장군의 리더쉽의 방식은 정의실현에 있습니다.
17. 그는 무관으로서 항상 공과 사를 엄격히 구분하였으며, 옳다고 생각되는 일에는 상관이나 권력자에게도 서슴없이 오류를 지적하는 직언을 하기도 하였습니다.
18. 또한, 장군은 공을 세울 기회를 여러 부하 장수들에게 골고루 주고 이들의 공을 높이 평가하기도 하였습니다.
19. 장군은 일평생 본인의 신념에 따라 정의를 실천하는 삶을 살았습니다.
20. 그리고 무엇보다, 정의로써 타인을 평가하기에 앞서 장군 스스로 온전히 정의를 실천하는 솔선수범의 자세를 보여주었습니다.

21. 셋째, 역사적으로 훌륭한 리더들이 그러하듯 이순신 장군의 창의 정신은 오늘날의 젊은 세대에게도 꼭 필요한 정신이 아닌가 생각됩니다.

22. 창의력은 약점을 강점으로, 위기를 기회로, 무에서 유로 변화시키는 힘입니다.

23. 장군은 이 창의력을 바탕으로 예전의 전투함과는 비교할 수 없는, 구조나 그 성능 면에서 아주 창의적이고 우수한 '거북선'을 만들어 여러번의 해전에서 승리를 이끌어 내기도 하였지요.

24. 마지막으로, 이순신 장군은 23번의 해전을 치러 한 번도 패하지 않은 불패의 장수입니다.

25. 장군의 이런 불패 신화는 철저한 준비, 뛰어난 전략, 그리고 자아의 믿음과 용기에서 비롯된 것입니다.

26. 장군의 철저한 준비력은 적의 장.단점을 파악하여 효과적으로 맞설 수 있는 무기를 제작하게 하였고 그것에 맞게 수군을 훈련, 준비시켰으며, 장군의 뛰어난 전략과 전술은 심지어 아군에게 불리한 장소와 상황마저도 기회로 바꾸어 전투를 승리로 이끌었습니다.

ENGLISH

1. The Spirit of General Yi Sunshin
2. Hello, KoreanClass101.com listeners,
3. Do you know who said this?
4. "Do not let my death be known!"
5. I've always looked up to leaders with strength.
6. I was like this since I was a child, but even as an adult, I'm always trying to understand the lives and thoughts of great leaders.
7. Many people, including myself, seek the leaders within us.
8. Anyone can respect leaders, but I don't think putting these words into action is something that everyone can accomplish.
9. A leader possesses a certain quality that no one else has, and leaders are people who have the strength to risk their lives for something.
10. Today, I'm going to talk about the mind and spirit of a great Korean historical figure named General Yi Sunshin.
11. First, like all famous historical figures, there was a reason for General Yi's leadership.
12. And that reason was clear and simple…for the love of his country and the love of his people!
13. He was never concerned with class ranks and was always focused on fulfilling his duties. After the Japanese invasion of Korea in 1592, he became the head of the naval forces and risked his life to protect the country at sea.
14. Despite all of the hardships he endured, such as his superiors becoming jealous of his accomplishments and being accused of crimes he didn't commit, General Yi still firmly believed in his country and the people.
15. Don't you think the modern-day politicians should also possess this spirit of loving the country and its people as well as a willingness to protect their country no matter what the cost?
16. Second, if loving his country and people were what drove General Yi, then his leadership skills were what did them justice.
17. As an officer, he strictly separated his public and private affairs and he also spoke directly (and without hesitation) to his superiors and men of power if they made errors.
18. He also rewarded his followers for their merits and efforts when the chance arose.
19. Depending on his beliefs, the general led a life where he always practiced justice.

20. And above all else, General Yi was able to take the initiative and set an example for giving justice to people before judging them.

21. Third, like all the great leaders in history, I think General Yi's creative spirit is what is needed in today's generation.

22. Creativity helps change the weak into strong, turns a crisis into an opportunity, and creates something out of nothing.

23. Using creativity as a foundation, General Yi was able to devise the "turtle ships," which won many naval battles. These ships had innovative structure and boasted superb performance.

24. Finally, General Yi was also known for being undefeated in all twenty-three of the naval battles he led.

25. In order to have a record of having no defeats, one would need to be thoroughly prepared, come up with a top-notch strategy, and have the trust and confidence of oneself.

26. General Yi's thorough preparation was because he knew his enemies. He figured out what their weaknesses were, produced effective weapons to use against the enemy, and trained the naval forces. He came up with brilliant war strategies and tactics if his troops were at a disadvantage and won many battles that way.

27. He always took the initiative and set an example during battle. He always showed his bravery and strength to his troops and led them to victory.

28. Once again, I was able to reflect on myself as I was writing this.

29. As I have mentioned before, General Yi's spirit - the love for his people, justice, creativity, thorough preparedness, brilliant strategies, and the trust and confidence in himself - is something that I'll do my best to follow and apply it to teaching KoreanClass101.com.

30. I'll end this post with a famous quote from the General.

31. "When you wish to die, you live, when you wish to live, you die!"

32. See you again next time.

33. Good-bye, everyone!

ENGLISH

1. Korea's Confucius – Toegye Yi Hwang
2. Have you heard about China's Confucius?
3. The reason why he is so famous is because there are people who still identify with his thoughts, ideas, and spiritual enlightenment.
4. Korea also has its own Confucius, who was a famous scholar.
5. That is who I am going to be talking about today – Toegye Yi Hwang.
6. I'm going to show you why he is considered Korea's Confucius by talking about his character and the way he lived his life. We'll also learn the morals from his ideas and teachings.
7. Please keep in mind that there may be some difficult words derived from Chinese characters as well as his theories.
8. First, historically, what all famous scholars have in common is that they were noble and wise men. Here, there's a quote that shows Toegye's true character. "What's clear and easy to understand is the teacher's studies. What's just and fair is the teacher's way. What's soft like the spring wind and like an auspicious cloud is the teacher's virtue. What's relevant and candid are the teacher's writings.
9. The importance and depth of his writings were like mountain peaks and ponds, however, when you read his teachings, you'll know that he is a man of virtue."
10. This quote shows how Toegye was a deep character.
11. Second, Toegye's way of life was simple and modest.
12. He preferred simplicity over splendor, and modesty over putting on airs. He wanted to live amongst nature rather than to be rich and powerful. He wanted a life full of virtue and enlightenment rather than exercising power in the real world.
13. This is a poem that shows how Toegye refused wealth and power.
14. In my small and cozy hut…
15. There are only books that line my walls.
16. The people of the past are all gone…
17. However, their words still remain.
18. This poem shows how he avoided a life of wealth and power and how he wanted to lead a life with nature.
19. Third, I will try to briefly explain the main point of his teachings, 'Yigiron' and 'Shimseongjeong'.
20. The Chinese characters 'Yi' and 'Gi' in 'Yigiron' meant the origins of the existence of humans and objects.

21. This especially applied to the human's 'shimseongjeong', nature or disposition.

22. The character for 'shim' means a person's heart, the character, 'seong' means a person's disposition, and the character for 'jeong' means a person's feelings.

23. In other words, 'shimseongjeong' mainly means a person's disposition and feelings. This explains the existence of a person's heart and how disposition is the essence of the heart and feelings are recognized as what drives the heart.

24. Thanks to the listeners, I realize that I learned a lot about 'Yigiron' and 'Shimsengjeong' as I'm writing this.

25. Finally, I'll touch on Toegye Yi Hwang's education theory.

26. Toegye's objective with education theory wasn't knowledge.

27. The most important aspect of this theory was putting things to practice. This kind of education, which included real-life experiences, was what he called real education.

28. He mentioned that not applying what you learn to real life was academically dangerous.

29. Nowadays, the children and adults may have the intellect, but their actions and the way they live their lives do not compare to those people of the past…

30. Toegye was already cautioning and alerting many scholars and people about this societal issue hundreds of years ago.

31. If you get deep into Toegye's character, way of life, thoughts, and educational theories, you can see that was far from ordinary.

32. I personally agree with his teachings and enlightenment.

33. I promise to also be modest and focus on really educating everyone at KoreanClass101.com.

37. It waits for the sky to clear from the clouds.

38. The clean air remains all night in the high mountain.

39. Thank you for listening.

8. 장영실이라는 인물이 대단한 이유는 그 시대에 가장 천대받던 노비라는 신분적인 한계를 깨고 여러 백성들에게 쓰일 수 있는 실용적이고 유용한 한국 과학의 발전을 이뤄냈다는 것입니다.
9. 그럼 장영실의 업적을 하나하나 짚어볼까요...
10. 첫째, 한국의 측각기 - ‘혼천의’.
11. 대대적인 천문의기와 기상의기의 제작사업이 1432년에 세종의 특수한 명에 의해 시작되게 되었습니다.
12. 당시 장영실은 여러 가지 천문의기의 제작을 세종의 엄청난 총애를 받아 지시.감독 하게 되었는데요...

14. 급기야 다음 해인 1433년 한국의 측각기로 유명한 ‘혼천의’ 제작에 착수하게 되었고 이듬해인 1434년에 ‘혼천의’를 완성하게 됩니다.

16. 이 ‘혼천의’로 인해 백성들의 농업 발전에 가속도가 붙게 되었으며 그 덕분에 곡식의 생산량과 노동의 효율성이 극대화되었다는 것은 아주 쉽게 예측할 수 있는 부분입니다.
17. 둘째, 한국의 물시계 – ‘자격루.’
18. 당시 중국에서는 물시계가 이미 있어서 정확한 시간을 측정할 수 있었다고 합니다.
19. 그러나 유감스럽게도 한국에는 이러한 특정한 기기가 없어서 많은 백성들이 일상생활에서의 불편함을 느꼈다고 하네요.

22. 한국의 기록에 의하면 장영실은 모두 3종류의 물시계를 만든 것으로 알려집니다.

23. 첫번째 물시계는 물방울이 떨어지는 양을 측정하여 시간에 따른 부피 변화로서 아주 단순하게 시간을 측정한 것으로 알려져 있습니다.

24. 그 뒤에 두번째로 만든 물시계가 한국의 물시계로 잘 알려진 '자격루'입니다.

25. '자격루'의 작용 원리를 설명하기가 너무 까다롭고 어려워서 자세한 설명은 못 하겠지만 오늘날의 시계와 같이 '눈금'으로 시간을 알 수 있게 하는 장치라고 하네요.

30. 그리고 무엇보다 더 놀라운 것은 오늘날의 WMO (세계기상기구)가 정한 측우기의 기준에도 뒤지지 않는다는 것입니다.

31. 정말 놀랍지 않으세요?

32. 이 측우기로 당시에 많은 백성들은 한국 농업의 발전을 이뤄냈다고 합니다.

33. 청취자 여러분, 전 이 글을 쓰면서 느끼는 바가 큽니다.

36. 여러분, 우리들도 상황과 환경을 탓하지 말고 더욱 열심히 한국어 공부를 하는 것이 어떨까요?

6. Next to King Sejong was Korea's scientist, Jang Yeong Sil.

7. When looking back in history, it's evident that the people with great achievements were people of high status.

8. The reason why Jang Yeong Sil is considered a great historical figure is because he was able to rise above his low status as a servant during his time and even though he was looked down on he was able to provide the Korean people with practical and useful scientific advancements.

9. Then let's start talking about Jang Yeong Sil's achievements one by one…

10. I. Korea's goniometer

11. Large-scale manufacturing businesses related to astronomy and the weather began to form after King Sejong gave special orders in 1432.

12. At that time, Jang's various goniometer inventions were fully supported by King Sejong, so Jang was able to take full command of his creations…

13. The goniometer's production process and completion wasn't an easy task, so King Sejong sent Jang to China for its completion.

14. Finally, a year after, in 1433, the production of the celestial globe began and was completed in 1434.

15. The celestial globe was a kind of goniometer, or in other words an angle meter, predicted the coordinates of the equator and make astronomical observations.

25. The principle function of a 'jagyukru' is difficult to explain in detail, but like the modern clock, it was a device that informed people of the time with gradations.

26. The fundamentals were very particular and minute, so only Jang actually knew how to use the water clock properly.

27. III. The world's first pluviometer – Jang Yeong Sil's rain gauge

28. In 1442, Jang succeeded in creating the world's first pluviometer.

29. What's amazing is that the pluviometer that Jang created was at least 200 years ahead of the pluviometer that Gastelli created in 1639.

30. What's more surprising is that it doesn't fall behind the technology of today's WMO.

31. Isn't that something?

32. At that time, this pluviometer also helped the development of Korea's agriculture.

33. I've felt many things while I was writing this.

34. I feel like he's telling me not to blame my situation and environment, just like how he didn't blame his low social status and as a result, gained King Sejong's favor.

35. I also think he's telling me to make lots of practical and useful Korean lesson for you all, just like how he made all those practical and useful scientific instruments such as the goniometer, water clock, and pluviometer.

36. We should also try to study Korean harder and not blame our situations and environment, right?

37. I will try to do my best, and I hope everyone else will, too.

8. 허준의 대표적인 업적인 '동의보감'에 대해서 말하기에 앞서 우선 허준이란 인물에 대해서 이야기를 해 보도록 하겠습니다.
9. 젊은 시절, 전라도 지역에서 활약했던 허준은 서울의 양반들 사이에서도 의술이 뛰어나다는 칭송을 많이 받았다고 합니다.
10. 그 후, 고향을 떠나 그 시대에 최고의 명의라고 하는 '유의태'라는 스승으로부터 의학을 배웠다고 하는데요...
11. 열심히 의술을 배운 허준은 가난하고 어려운 환자들의 병을 신분에 상관없이 모두 친절하게 치료해 줌으로써 그의 이름을 온 나라 전체에 널리 알렸다고 하네요.
12. 여기 명의 허준과 그의 스승, 유의태, 에 관한 유명한 전설이 있습니다…
13. 여러분 한번 들어보시겠습니까?
14. 지금으로부터 400년 전, 의학 발전에 큰 뜻을 품고 있었던 한 스승은 그의 제자에게 올바른 해부술을 가르치기 위해 자신의 몸을 내줬다고 합니다.
15. 엄청난 슬픔과 아픔을 머금고 제자의 해부는 시작되었으며 스승의 오장육부를 허준은 눈과 손 그리고 마음으로 하나하나 빠짐없이 정성을 다해 해부를 했다고 합니다.
16. 이 전설이 진실인지 거짓인지 판별되지는 않았지만 이 전설만으로도 그 두 사람이 얼마나 한국 의학에 뜻이 깊었는지를 알 수 있을 것 같지 않으세요...
17. 그런 허준이 16년간의 연구 끝에 25권의 방대한 한의서인 '동의보감'을 완성하게 되는데요…
18. 그 '동의보감'은 당시 동양의학 전체를 간편하게 종합해 정리한 '의학 백과사전'이라고 불릴 만한 세계적인 문서라고 하네요.
19. 이 동의보감의 특징은 한국 사람들의 체질에 맞는 치료법과 한국 땅에서 나는 약초 등을 연구하여 한국 한방 의학 발전에도 커다란 영향을 미쳤다고 합니다.

20. 무엇보다도 이 '동의보감'은 일본과 중국에서도 많은 인정을 받기까지 해서 중국에서는 "동의보감은 백성을 보호해 주는 신선의 경전이요, 의사들의 비법을 담은 문서이다"라고 극찬을 했을 정도라네요.

21. 결코 소외된 일반 백성들을 잊지 않았던 명의, 허준.

ENGLISH

1. The Joseon era’s Royal Physician – Heo Jun

2. Hello, KoreanClass101.com!

3. What do you do when you study and you come across a word or grammar you don't know? When I come across a word I don't know, I look it up in a dictionary, and when I don't understand grammar, I read a book on grammar.

4. Then what do you think the people of the past looked to when they didn't know medical terminology? Today's historical figure had the solution to that. He's the Joseon Era's representative and noted doctor, Heo Jun. Heo Jun's most well-known works and achievements were compiled in the medical book "Dongui Bogam" (the title literally means "Mirror of Eastern Medicine"), but before we talk more about that, I want to tell you about him as a person.

5. As a child, he grew up in the Jeolla province, and even among Seoul's aristocrats, he was praised for excelling in medicine. After that, he left his hometown and learned medicine from the best doctor of that era, Yoo Ui-tae. Heo Jun was known all over Korea for treating patients who were poor and did not discriminate against someone's status.

6. There's a famous legend about Heo Jun and his teacher, Yoo Ui-tae. Would you like to hear about it?

7. Around four hundred years ago, Yoo did his best to give his pupil the proper education on anatomy for the progress of medicine. After enduring much sadness and pain, the pupil began his postmortem examination on the internal organs of his teacher. Apparently, he dissected all the parts of his teacher's body from his eyes to his hands with care and sincerity. No one can discern whether or not this legend is actually true, but the legend itself seems to be a testament to their commitment to advancing the Korean medical field.

8. After sixteen years, Heo Jun was able to complete his medical book, "Dongui Bogam," which consists of twenty-five volumes. The book was considered an internationally renowned medical encyclopedia that conveniently put together and organized all of Eastern medicine. A special aspect of the "Dongui Bogam" was that it provided the methods of treatment, which included medicinal herbs grown in Korea that were appropriate for Koreans. It was also a huge influence on the advancement of Korea's oriental medicine. Above all things, the "Dongui Bogam" was acknowledged in Japan and China and was praised as "a new sacred book that protects the Korean people and is a document that contains the secrets of doctors."

9. Heo Jun never forgot or excluded the common Korean people. Even after four hundred years, he is still educating the modern doctors with his lessons and morals.

10. Again, there are many things I've learned and felt from writing about Heo Jun. Heo Jun's passion and love for medicine tells me that I should create the same love and passion toward teaching Korean. Heo Jun's consideration for the Korean people also tells me that I should nurture that same love for the listeners who are trying to learn Korean.

11. I hope all of you become more and more passionate about learning Korean, and I will end this post here for today.

12. Until next time! Bye!

ENGLISH

1. Hello, KoreanClass101.com listeners. I hope you had a good week. I went for a walk over the weekend. While I was going for a walk, I felt the urge to sit down right away and draw the nature, people, and objects around me. However, I ended up giving up on that idea since I can't draw very well.

2. At that time, a famous Korean historical figure popped into my head. He was someone who was very good at drawing and is well known for being Korea's quintessential artist, Kim Hong-do.

3. There were many artists and painters, but Kim was the only one known for showing Korea's true colors as an artist. The reason why he was admired was because he was able to create art that captured the beauty of Korea.

4. Then I'll briefly talk about Kim Hong-do and his works. I haven't witnessed this myself, but apparently Kim Hong-do was a very handsome man. A writer who saw a portrait of Kim once said,

5. "He had handsome features and bright aspirations. Kim Hong-do transcended the world and was different from ordinary people." Another admirer said, "Kim's portrait is better compared to a piece of jade and the lure of an orchid." These descriptions alone show how good-looking he was... More than that, Kim was modest in nature and sociable. This apparently made it easy for many people to get to know him and have a lot of fun.

6. Then I'll start talking about his artwork and achievements. Kim was apparently known for his landscapes, flowers, birds, animals, genre paintings, and portraits, and he was good at painting all different kinds of things. However, being a good artist didn't make him famous in Korea. What he was acknowledged for was his ability to accurately portray Korea in whatever he painted. He was able to shed a lot of insight into Korean life as well as its aesthetics.

7. Without a doubt, Kim is Korea's one and only artist, in both name and reality. His prominent physical features and personality also played an important role for his famed title, but his ability to show Korea for what it was during those times in his artwork was what made him special.

8. If Kim was able to leave behind masterpieces that were definitively Korean and show what Korea is all about, then I want to do the same for all the listeners who are trying to learn Korean and create lessons that are honest and practical as well...I think through these lessons, it's the most beneficial and fun way to learn Korean and about Korean aesthetics and culture for everyone.

9. Then I hope all of you have a great day. Thank you for listening.

37. 그리고 그게 바로 200년 전 다산 정약용의 마음이 아니였을까요…?

ENGLISH

1. Korea’s Leading Politician and Economist – Dasan, Jeon Yak-yong.

2. Hello, KoreanClass101.com listeners.

3. This is already the ninth historical figure. After the ninth one today, the tenth one next week will be the final one on Korean historical figures. Who's the next one? I will let you know who it is next week.

4. Then who will I be talking about today? To put it simply, I think the following will explain everything.

5. For forty years, this man was able to academically study and research ways to clean up Korea's political situation and to improve the lives of Koreans. Between the eighteenth and nineteenth century, he was considered one of the leading politicians and economists in Korea who left behind many literary works.

6. Today I'll be talking about Dasan Jeong Yak-yong. During the eighteenth and nineteenth centuries, there were many historical events that took place in Korea and all over the world, and there were many hardships within society. Then, I will begin to talk about his life, thoughts, works, and achievements that he left behind.

7. First, I'll talk about Dasan's thoughts and ideas. Dasan was someone who came up with the idea of realism in the latter part of the Joseon era, but these days, there is criticism of the inhumane education policy. His ideas of realism argue that all humans are equal, and since each person is an equal, each individual should get special treatment depending on his or her capabilities.

8. Nowadays, people's views on education and life are judged based on what university you graduated from rather than your actual capabilities. If there's anything you can take away from this post, it should probably be his ideas on this…

9. Second, I'll talk about Dasan's life and career. During the nineteenth century, the Korean people were extremely dissatisfied with the irregularities and corruption in their society. Dasan always thought of the farmers and lower class and kept a keen interest and affection for them. Apparently, he didn't hesitate to make strident remarks against the corrupt high-ranking officials and bureaucrats. He said, "If you don't fix the problem now, it'll be too late." He claimed that the only way that society could function was by making the fundamental reformations. However, his intentions were inadequate to make this change. The corrupt officials and bureaucrats went so far as to falsely charge Dasan as a rebel and made him live in exile in an isolated room for eighteen years.

10. Personally, I hope that there will be more people like Dasan involved in Korea's election.

11. However, is there such a person?

12. Third, I'll talk about his works and achievements. His major achievement is writing about five hundred books. When you read his literature on his ideas and opinions, you can really tell how much he truly cared for his own country. In his most famous work, "Mokminshimseo," he narrates how to govern Koreans' behavior and attitudes very well. According to his writings, "A politician who governs the people must first be benevolent and frugal." He specifically emphasized that politicians need to be frugal.

13. I actually debated over many things in order to prepare for writing this post. I was worried that, like Dasan, I might have to live in an isolated room alone for eighteen years after writing this entry. That's because I don't see much of a difference between our current society and the corruption that was rampant in society during the latter part of the Joseon era two hundred years ago, whether it's in education, politics, or the society… Why do they all seem the same to me…?

14. Many people cite the word "hope," but the only thing I know of "hope" is that this is a gift that is given only to those who have intentions to correct the mistakes of the past.

15. I hope that there will be more people who can foresee for themselves how to correct past mistakes rather than people randomly using that word without any meaning.

16. Don't you think that's how Dasan felt two hundred years ago too?

17. Finally, I'll conclude this post with Dasan's famous quote, "If the problem isn't fixed now, it'll be too late!"

18. Thank you for listening.

ENGLISH

1. The Fool of the Century, Cardinal Kim Su-Hwan

2. There's a saying that goes "As a rice plant grows bigger, it begins to weigh down." In Korea, before the person who said this passed away, he humbled himself by calling himself a fool. I'll be telling you about Cardinal Kim Su-Hwan today. I hope all of you will decide for yourselves whether or not he was a fool.

3. There are famous tidbits of advice from Cardinal Kim. They are compiled in a book called "The Virtue of Life." Let's hear what he had to say…

4. I. Speak

5. Talking too much can result in unnecessary chatter. Be careful of what you say.

6. II. Books

7. Spend one percent of your earnings on buying books. When your clothes get worn out and you can't wear them, you can throw them out, but when time passes, books will still hold a lot of value.

8. III. Street Vendors

9. Don't try haggling over prices when you buy something at a street vendor. When you just give the person the money, it could lead to a lazy and idle life, but if you pay however much the person asks for, it'll bring hope and health.

10. IV. Laughter

11. Change your life by practicing how to laugh. Laughter is the best medicine for all kinds of diseases. It keeps the elderly young and the children innocent.

12. V. The Idiot Box

13. Don't spend too much time in front of the television. When you get drunk or get addicted to drugs, you lose your inhibition. When you get addicted to television, you become numb and you become a fool.

14. VI. Anger

15. A person who gets angry is always at a loss. A person who gets angry affects both parties and can become lonely since no one wants to get close to him or her.

16. VII. Prayer

17. Prayer can get rid of the rust on metal and is a beam of light for eternal darkness. A person who prays rather than clenches his or her fists is stronger. Prayer reaches into your feminine side and is effective for summing up one's life.

18. VII. Neighbors

19. Don't turn your back against a neighbor. A neighbor is a reflection of you. When you face your neighbor and you ignore the person or you don't smile, take a bath and reflect on your actions.

20. IX. Love

21. Love from the mind and lips have no fragrance. A genuine person is understanding, tolerant, eager to assimilate, and self-humbling. "It took seventy years for love to go from the mind to the heart."

22. These nine "Virtues of Life" were spoken from Cardinal Kim's heart. The final virtue for love talks about "self-humbling," so can you see why he called himself a "fool" before he passed away?

23. Here are some final words from Cardinal Kim.

24. "It's easy to love a lovable person, but it's difficult to love a person who shares different ideas and is in a different situation from you."

25. And I'll say one final thing.

26. "Thank you. Please love each other."

27. I think what he probably meant was to love, to forgive, and to reconcile, and to come to an agreement.

28. To the KoreanClass101.com listeners…

29. There's a reason why I chose Cardinal Kim as my last subject. That is because I also want to be a self-humbling fool. This is what I keep promising myself over and over again.

30. I really hope all of you will also humble yourselves and apply it to learning Korean and in life and love in general.

31. This has been the final historical figure for this series, and starting next week, I'll be writing about a more light and fun subject. I'll choose my top ten songs and write about them.

32. I'll see you again next time.

11. 저는 사랑이라는 단어를 “믿음”, “용서”, “헌신” 그리고 “희생”이란 단어로 정의를 내립니다.

19. 다음 가사 - “내 맘조차도 사랑 앞에서는 내 뜻대로 안 돼”.
20. 저는 모든 인간은 이기적인 면을 가지고 있다고 생각합니다.

23. 그리고 당신 옆에 사랑하는 사람이 배를 굶주리고 있습니다.

24. 당신은 그 빵을 그 사랑하는 사람과 나누어 먹겠습니까?

25. 당연히 나누어 먹겠지요!

27. 그래서 "사랑을 하면 스스로의 뜻대로 안 된다." 라고 하나 봅니다.

28. 왜냐면 사랑하는 순간, 나라는 존재보다 그 상대방이 자신보다 더 소중한 존재가 되어 버리니까요…

29. 마지막으로, "이럴 줄 알았더라면 첨부터 시작하지도 않았어."

30. 사랑을 잃거나 상실한 사람들은 이런 말들을 많이 합니다.

31. "이럴 줄 알았으면 시작하지도 말걸." 이라고요.

32. 하지만 적어도 그런 말을 하는 당신은 행복한 사람이 아닐까요?

33. 왜냐면, 적어도 당신은 짧게나마 사랑이란 감정을 느껴보았기에…

34. 그 짧은 행복한 시간도 느껴보지 못한, 가져보지 못한 사람들이 많다고 저는 생각합니다.

35. 전 '운명'과 '사랑'이라는 단어 자체가 스스로의 기본적인 노력 없이는 성사되는 일이 아니라고 생각합니다.

36. 그래서 "운명은 스스로 만들어간다!" 그리고 "사랑은 둘이 함께 이루어가는 것이다!"라는 말이 있는게 아닐까요…!!?

37. 여러분은 어떻게 생각하세요?

38. 여러분 다시 한번 노래를 직접 불러드리지 못해 죄송하고요...

I think many of our listeners really enjoyed the Korean TV series "Full House," so that'll be today's topic and I'll be introducing "Fate." I was originally going to sing the song to entertain everyone, but due to copyright problems, I can't play it or sing it for you all. I'll leave the link to the website in the comment section, so you can all listen for yourselves.

3. Then let's talk about what "fate" really means and the lyrics that show that connotation.

4. The first lyric is "I don't know much about love." How would you all define the word "love?" I associate the word "love" with trust, forgiveness, devotion, and self-sacrifice.

5. Don't you think love is difficult?

6. The next lyric is "I didn't know love would come to me like this." I mean...Who would know that? We live our lives by coming into contact with all different kinds of people. With the family, at school, at work, and all different kinds of gatherings...Of all those people, doesn't each person's view on love differ? Of course, even if that relationship doesn't work out, then you'll move onto the next, but one thing's for sure…we'll never know when, how, or in what form love will appear before us.

7. The next lyric is "Love never works out in a way that we want it to." I think all people have a selfish side to themselves. Isn't love being able to overcome that innate selfishness?

8. Let's say that you were fasting for three days, and imagine that there was a piece of bread in front of you. The person whom you love is next to you is also fasting and starving. Would you share that piece of bread with the person you love? Of course you would! The fact that you can control your hunger and share that piece of bread with the person you love would be considered self-sacrifice and devotion, and thus love, right? And that's why when you fall in love, things don't always work out the way you'd want them to. That's because the moment you're in love, that person becomes the most important being in your life.

9. Finally, "If I knew this was going to happen, I wouldn't have started this." People who lose their love say this often. "If I knew it were going to be like this, I shouldn't have even started it," they would usually say. However, people who do say that are at least happy people, right? That's because you were able to experience love even though it was for a short span of time...

10. I think about the people who weren't even able to experience or feel love in that short time. I think fate and love are things that can't be accomplished without putting in your own effort. Isn't that why they say that "You create your own fate" and "Love can only be achieved together?" What do you guys think?

11. I'm sorry I can't sing the song for you once more...

12. Then I'll see you next time.

23. 하지만 이런 기분 때문에 그 사람에게 다시 연락하는 것은 그 사람을 두 번 죽이는 행동이겠지요...

24. 다음, “더 이상 사랑이란 변명에 너를 가둘 수 없다”.

25. 제가 앞에서 말했듯이 ‘사랑’이란 ‘소유’가 아니므로 상대방을 가두려는 마음 또한 ‘사랑’이 아니라고 전 적어도 생각합니다.

26. 사람은 영악하고 이기적이어서 자기가 한 행동과 결정에 ‘변명’을 하길 좋아하고, 책임을 회피하기 위해 스스로를 합리화 시키려고 수단과 방법을 찾습니다.

27. 그것을 하기 위한 가장 쉬운 방법이 바로 ‘변명’을 만들어내는 것이지요.

28. 사랑하는 사람을 자신의 이득과 이기를 위해 가두려는 행동이야 말로 자신의 변명을 합리화시키는 행동이 아닐까요...?

29. 마지막 소절, “이러면 안 되지만 죽을 만큼 보고싶다”.

30. 여러분은 누군가가 죽을 만큼 보고 싶은 적이 있었나요? 아님 현재 있나요?

31. “죽을 만큼 보고 싶은 누군가가 나에게 있다.” 그것 자체로도 행복한 게 아닐런지요…?

32. KoreanClass101.com 여러분, 지금 만약 하고 있는 ‘사랑’이 있다면 “보고 싶다”라는 말을 아끼지 마십시오.

33. 전 말과 행동이 뒤따르지 않는 사랑은 '빈 껍데기'에 불과하다고 생각합니다.

34. 지금 하고 있는 ‘사랑’이 없다고요?

35. 그럼 한 번 더 스스로 힘을 내서 찾아보세요.

36. 분명 당신이 죽고 싶을 만큼 보고 싶은 누군가가 당신 주위에 있을 것입니다.

37. 개인적인 사랑도 한국어 공부도 열심히 하시길 진심으로 바라면서 전 이만 마치겠습니다.

38. 들어주셔서 감사합니다.

ENGLISH

1. I Miss You

2. KoreanClass101.com listeners, how have you been?

3. Before I tell you the title of today's song, has anyone seen the Korean TV series "Stairway to Heaven?"

4. In the TV series, there's a scene where the male lead, Song-ju, played by Kwon Sang-woo, says something to the female lead, Jeongsuh, played by actress, Choi Ji-woo, at an ice skating rink. "Love is something that'll come back…like a boomerang." Just like when a boomerang is thrown and it comes back, so will love.

5. Yes. Today's song is "I Miss You" from the TV series "Stairway to Heaven."

6. There are many people in Korea who like this song… And I am one of those many people. Then, shall we take a look at the lyrics together?

7. "I miss you to the point where I hate it…"

8. "I want to believe that leaving you is the right thing to do…"

9. "I want to relive those moments by remembering our love and memories."

10. "I can't use love as an excuse anymore to keep you locked up in my head."

11. "I shouldn't do this, but I miss you so much."

12. We'll stop here!

13. First is the lyric "I miss you to the point where I hate it…" When you miss someone that much, it seems that both people start to develop hateful feelings. I personally experienced something similar, so I can sympathize with the idea of how someone can start to hate how much you long for this person.

14. Next is "I want to believe that leaving you is the right thing to do…" Isn't another form of love knowing when to let go of or leaving that person you love instead of trying to possess that love?

15. Next is "I want to relive those moments by remembering our love and memories."

16. I'm sure many people who have voluntarily ended their relationship or left someone have felt this way thousands of times. However, if you continue to contact that person, then you could be inflicting more pain on them…

17. Next is "I can't use love as an excuse anymore to keep you locked up in my head." Like I mentioned before about love and possessing that love, I don't think that being possessive is in the least bit "love." People are clever and selfish, so they like to use their actions as excuses for their decisions, and to avoid responsibility, they find ways to rationalize this for themselves. The easiest way to do that is by making excuses for yourself. If you were trying to act possessive of someone you love for your own gain, wouldn't that be another way you're rationalizing your excuses?

18. The final lyric is "I shouldn't do this, but I miss you so much." Have you ever missed someone so much that you felt like you were going to die? Or are you experiencing that right now? If there is someone that you feel this way toward, then couldn't that be happiness in itself?

19. KoreanClass101.com listeners, if you have someone you love, then don't hesitate to say "I miss you." I think a love where the actions don't follow the words is just empty love.

20. You don't have anyone you love? Then just keep trying to search again. There will definitely be someone that you will be head over heels in love with around you. I hope your love life and your Korean studies will all do well, and I'll end it on this note.

21. Thank you for listening.

1. Prayer

2. Have you guys heard of "Autumn's Tale?" I haven't heard of "Autumn's Tale," but I have heard of the Korean TV series "Autumn Tale." Yes. Today's song is "Prayer" from the Korean TV series "Autumn Tale." Shall we learn more about the lyrics?

3. "Even though this sad fate divides us, I won't hurt you ever again."

4. "Nothing can take your place and now do you know that there is nothing more precious to me than you?"

5. Fate divides us? We say these things often throughout our lives.

6. "This is the story of my life...," "This must be fate!"...I personally don't like using the word "fate." Actually, I don't like writing that word. That's because I don't like the meaning of the word "fate"—something that's already pre-decided.

7. If the story of my life has already been written and if everything happens the way that is written, then that would mean that I wouldn't have to make any decisions throughout my life. However, the life that I know is made up of those decisions. That's why my life and fate are based on those decisions. Fate divides us?

8. "I won't let you cry in pain again!" KoreanClass101.com listeners, don't let your loved ones cry in pain… Of course, life can be full of problems and become complicated, so the cause of misunderstandings can lead to even bigger problems, but...Please remember this everyone. Even the big ones started off as little misunderstandings…

9. Hurting your loved ones because of a misunderstanding...Making your loved ones cry from the hurt...If you can stop the misunderstandings from even happening from the start, then it can prevent the big ones, right?

10. "Nothing can replace my love!"

11. I agree entirely with this statement. I agree that wealth, honor, and other amazing things can't compare to the one you love… People who compare love with wealth, honor, and the world's values are probably people who don't know what love is.

12. "Nothing is more precious to me than you!"

13. When you find that person you love, tell yourself and the person you love every day,

14. "There's nothing more precious to me than you..."

15. I think there's only one way to prevent misunderstandings from happening in life.

16. Acting and speaking with consistency! I think people who act and speak with consistency are the only people you can truly love. After you tell the person you love "There's nothing more precious to me than you," and your actions follow your words, then the person you love will definitely say this to you.

17. "You are my fate. I won't every make you cry. Nothing can take your place. Stay with me. There's nothing more precious to me than you."

18. "You are my fate. I won't make you cry ever again."

19. KoreanClass101.com listeners, please do your best when it comes to love and studying Korean. I will pray for your success in both.

11. 감동 그 자체였습니다.
12. 여러분들도 한번 보시면 감탄을 금치 못하실 겁니다.
13. 자~~ 그럼 하나씩 이야기해 볼까요…
14. 먼저, “도대체 알 수가 없어 남자들의 마음, 원할 땐 언제고 다 주니 이젠 떠난대.”
15. 이 노래를 부른 가수도 여자이고 제목이 “여자이니까”이니까 이런 말을 하는 건 아닌가 싶네요...?
16. 사실 남자만 떠나는 게 아닌데…
17. 솔직히 알 수가 없는 건 이기적인 ‘사람’의 마음이 아닐까요…?
18. 다음, “모든 걸 쉽게 다 주면 금방 싫증 내는 게 남자라 들었어, 틀린 말 같진 않아.”
19. 이것도 마찬가지네요, 왜 남자만 나쁜 놈이 되는 것인가요…?
20. 솔직히 여자들의 변덕과 싫증도 만만치가 않은데...?
21. 다시 한번, 이건 남자 여자의 문제가 아닌, 변덕이 심한 사람들의 문제가 아닐까요...?
22. 이건 남자여서도 여자여서도 아닌, 이기적인 사람의 본성 때문이라 생각합니다...
23. 다음, “사랑을 위해서라면 뭐든 다 할 수 있는 여자의 착한 본능을 이용하지는 말아줘.”

24. 전 이 말에 공감을 하기도 안 하기도 합니다.

25. 요즘은 많은 여성분들이 진실한 사람을 찾기보단 모든 조건을 갖춘 남성을 찾는 현상이 잦아지고 있습니다.

26. 만약 정말 여자의 본능이 착하다면 그런 분들이 적어야 하는데 많아지는 것을 보면 “여자의 본능은 착하다”라고 말하기엔 좀 모순이 있지 않나요…?

27. 그리고 사랑을 위해 뭐든 다 할 수 있는 것은 남자도 마찬가지라고 생각합니다.

28. ‘진실한 사랑’을 위해선 성별을 떠나서 최선을 다한다고, 그리고 무엇이든 한다고 저는 생각합니다.

29. 마지막으로, “사랑이 전부인 나는 여자이니까.”

30. 비록 제가 앞에서 "요즘 조건을 찾는 여성분들이 많다"라고 말을 했지만 “여자에게 있어 사랑이 전부다.”라는 말에는 공감합니다.

31. 제가 보기엔 여성분들이 조건을 보고 사람과 사랑을 찾는 것도 사실 아프지 않은 사랑을 하기 위해서라고 생각을 하니까요…

32. 결국 여자에게 있어 “사랑이란 전부다.”라는 말도 절대 틀린 말이 아닌 것 같습니다…

33. 물론 이건 제가 생각하는 한국 여성분들에 대한 저만의 생각입니다.

34. 한국어와 한국의 문화를 좋아하시는 많은 KoreanClass101.com 여성분들...

35. 좋은 사랑과 진실한 사랑 많이 많이 하시고요…

36. 그리고 남성분들, "그런 여자의 착한 본능을 이용하지 마시고" 여러분들도 진실한 사랑 많이 많이 하세요...

37. 이 노래의 뮤직비디오 꼭 보시고요…

38. 들어주셔서 감사합니다.

ENGLISH

1. KoreanClass101.com listeners, how has your week been? While I was debating on which song to choose, I thought about a music video that I watched when I was a kid that made an impression on me. I wanted all of our KoreanClass101.com listeners who like the Korean language and culture to sympathize with my choice—the song is called "Because I'm a Girl" by Kiss.

2. "I can't figure how men think and feel." "They want it all, but if you give them everything, they leave."

3. "I heard that if you give too much of yourself easily to a guy, then they'll get sick of you easily. I don't think that's entirely wrong…"

4. "Don't take advantage of the women who are nice and who are willing to do anything for love."

5. "Even though I'll say bad things about you, I'll still miss you because I'm a girl and love means everything."

6. This song, "Because I'm a Girl" by Kiss, became very famous because of their music video. When I first saw the music video, I also started to get teary eyed…I was completely moved by it. I'm sure when you all watch it, you'll also be awed by it.

7. Okay. Let's take this apart, lyric by lyric…

8. First, "I can't figure how men think and feel." "They want it all, but if you give them everything, they leave."

9. The person who sang this song was a female and because the title is "Because I'm a Girl," I have to wonder whether this is why she's singing about this… Actually, men aren't the only ones who leave… What I honestly can't understand is…wouldn't this be how a selfish person would feel like?

10. Next, "I heard that if you give too much of yourself easily to a guy, then they'll get sick of you easily. I don't think that's entirely wrong…" This is the same. Why are men only portrayed as the bad guys? To be honest, I'm sure women can also be fickle and get sick of guys easily…

11. Again, I don't think this is a matter of being a male or female, but the problem would rather be about a person who has a problem of being fickle, right? I think whether it's a man or a woman, a selfish person's instincts are to blame…

12. Next, "Don't take advantage of the women who are nice and who are willing to do anything for love." I can definitely sympathize with this lyric. Nowadays, it seems more women are looking for men who meet certain requirements rather than looking for honest men. If the women are instinctively nice, then there shouldn't be more women like this, but since this is becoming more and more common, then wouldn't "women are instinctively nice" become a contradiction? I also think that men should also be doing everything for love. I think that for true love, gender shouldn't matter and everyone should do their best.

13. Finally, "Because I'm a girl" and "love means everything."

14. Although I mentioned earlier that nowadays women seem to have a lot of requirements for men, I can sympathize more with love meaning everything to a girl. I think that women who look for these men who meet these qualifications are doing this because they don't want to be hurt… I don't think it's completely wrong to say that love is everything for women… Of course, this is just my opinion on Korean women.

15. To all the female KoreanClass101.com listeners who like Korean and Korean culture….

16. I hope you'll experience a kind of love that's sincere and good… And to the guys…"Don't take advantage of the nice girls." And again, I also hope you'll experience a kind of love that is sincere and good…

17. Please check out the music video for this song.

18. Thank you for listening.

8. ”어깨 위에 무거운 짐은 둘이 함께 나눠보아요. 그런 눈물 보이지 않게 이젠 사랑으로 감싸요.”
9. ”힘겨움에 쓰러졌던 날들 울고 웃던 어제의 기억, 그 모두를 던져 버리고 내일을 향해 맘껏 달려요.”
10. ”우리 사랑과 함께 모든 슬픔 잠시 잊어요. 내 태양보다 밝은 미소 하나로 힘겨운 세상 이겨 낼게요. 사랑해요. 사랑해~요~~.”
11. 어떠세요?
12. 가사가 너무 좋지 않나요…?
13. 먼저, “그대 작은 손을 잡아요. 그대 곁은 내가 있어요. 혼자라는 생각 말아요. 이젠 힘이 되어 줄께요.”
14. KoreanClass101.com 여러분, 곧 있으면 크리스마스와 새해가 다가옵니다.
15. 사랑하는 사람의 손을 포근히 잡아주면서 “너의 곁엔 내가 항상 있어. 힘내~~.” 라고 말을 해 보세요.
16. 아마도 그 말을 듣는 사람보다도 당신이 더 큰 힘을 얻게 되는 것을 느끼실 겁니다.
17. 다음, “어깨 위에 무거운 짐은 둘이 함께 나눠보아요. 그런 눈물 보이지 않게 이젠 사랑으로 감싸요.”
18. 삶의 짐이 무거우면 무거울수록, 힘이 들면 들수록 둘이 함께 나눌 수 있는 짐의 양이 많게 됩니다.
19. 그래서 그 양이 많을수록 사랑은 커질 수도 있는 게 아닐까요?
20. 만약 그 삶의 짐이 가벼워서 둘이 함께 협력할 필요성조차 느끼지 못한다면 차라리 무거운 게 낫지 않을까요...?
21. 삶의 짐이 많고 적고를 떠나서 '협력하는 마음', '사랑으로 감싸는 마음', 전 그 마음을 절대 잃고 싶지 않습니다.
22. 다음, “힘겨움에 쓰러졌던 날들 울고 웃던 어제의 기억, 그 모두를 던져 버리고 내일을 향해 맘껏 달려요.”
23. 나쁜 기억과 좋은 기억, 내일을 향해 달려갈 마음만 있다면 모든 종류의 기억은 좋은 기억이라고 전 생각합니다.
24. 슬프고 힘든 기억은 미래에 있을 수 있는 문제에 대처할 수 있게 끔 자아를 준비시켜줍니다.

25. 그리고 기쁘고 행복한 기억은 미래에 대한 밝은 ‘희망’을 제시해 줍니다.

26. 그래서 그 모든 나쁘고 좋은 기억을 가져야지만 ‘내일’을 향해 맘껏 달릴 수, 맘껏 부딪힐 수 있는 게 아닐까요?

27. 마지막으로, “우리 사랑과 함께 모든 슬픔 잠시 잊어요. 내 태양보다 밝은 미소 하나로 힘겨운 세상 이겨 낼게요. 사랑해요. 사랑해~요~~.”

28. 물론 사랑을 한다고 해서 모든 슬픔과 어려움을 이겨내는 것은 아닙니다.

29. 하지만 한가지 확실한 건, 사랑하는 마음은 슬픔과 어려움을 극복하려는 '삶의 의지'를 준다는 것입니다.

30. 그리고 “사랑합니다”라는 말에는 삶에서 생길 수 있는 오해의 사슬을 풀어주는 마술같은 힘이 존재하기도 하지요...

31. 여러분, 사람은 “함께” 사랑을 하며 살아가야 하는 존재가 아닌가요?

32. 우선 가까운 가족의 손을 잡으면서, “함께여서 고맙습니다.” “사랑해요.” 라고 해 보세요.

33. 여러분, 저도 여러분들과 “함께” 한국어 공부를 하고 있어서 얼마나 즐거운지 모릅니다.

34. 여러분들께 진심으로 감사드리며 그리고 여러분들을 "사랑합니다".

35. 들어주셔서 감사합니다.

ENGLISH

1. Together

2. KoreanClass101.com listeners, how have you been? Thanks to all of you, I'm always having a great time creating lessons for you all. The lyrics for today's song are ones that I personally really like. It's a song called "Together" by Jo Jang-hyuk. Shall we take a look at this "together?"

3. "I hold your small hands. I'm by your side. Don't think that you're alone. I'll be your strength."

4. "I'll help you take the heavy load off of your shoulders. Embrace this love, so that you won't have to shed tears."

5. "Forget about all of the difficult times from the past when you laughed and cried, and strive for tomorrow."

6. "Let's forget our love and all of the sadness. I'm going to get over this difficult time with a smile that's brighter than the sun. I love you. I love you…"

7. What do you think? Don't you think the lyrics are so nice?

8. Let's look at the first lyric. "I hold your small hands. I'm by your side. Don't think that you're alone. I'll be your strength."

9. KoreanClass101.com listeners, Christmas and the New Year's Day are coming up soon. Tenderly hold the hands of the one you love and say, "I will always be by your side. Keep your chin up." You'll probably get more strength from hearing those words rather than the person you said it to.

10. The next lyric is "I'll help you take the heavy load off of your shoulders. Embrace this love, so that you won't have to shed tears."

11. When life's load gets to be too much for you, and as you feel more and more tired, you'll both have more to share. As you have more of the load to share, your love can grow as well, right? If the load gets lighter, then there's no reason to share and rely on each other, so wouldn't it be better if the load were heavier? Forget about whether the load is heavy or light. I don't want to lose these feelings of love and sharing with the other person.

12. Next, "Forget about all of the difficult times from the past when you laughed and cried, and strive for tomorrow."

13. I think if you just keep looking ahead then all of the good and bad memories will seem like good memories. I think the sad and difficult times in life are what prepare us for how to cope with problems in the future. And the happy memories are what indicate hope for the future. And all the bad memories that you encounter can also help you prepare for this future, right?

14. Finally, "Let's forget our love and all of the sadness. I'm going to get over this difficult time with a smile that's brighter than the sun. I love you. I love you…"

15. Of course, love won't solve all of your problems and end the sad times of your life. However, one thing's for sure…a loving heart will help you through all the sad and difficult times throughout life. And the words "I love you" can be magical words that can be useful in life when it comes to misunderstandings.

16. Don't you think that people should be "together" and love one another in life? First, hold a family member's hand and say, "Thank you for being with me. I love you."

17. Also, you have no idea what a pleasure it is for me to be studying Korean with you all "together." I want to thank you from the bottom of my heart, and "I love you" all. Thank you for listening.

22. 그때마다 우리는 그 험난한 삶의 현실과 운명에 인생의 참 쓴맛을 맛보게 되지요...

ENGLISH

1. A Goose's Dream

2. KoreanClass101.com listeners, did you have a good week? I'm always doing well, thanks to you guys. I was debating which song I should choose for this last entry, and I decided to go with the theme of a dream and I chose "A Goose's Dream." Why did I choose this song? After we go over the meaning of the lyrics together, I hope that you'll ask me this question again.

3. A Goose's Dream

4. "I once had a dream...

5. Even though I've been thrown away, torn and shabby, my dream is still buried deep in my heart...

6. Even when people were talking and laughing behind my back, I had to put up with it.

7. No. I could bear it for that day...

8. People always speak to me in a worried tone. 'An empty dream can become poisonous.' 'Everything in this world has already been written.' 'Life is a reality you can't go back to.'

9. That's right. I have a dream.

10. I believe in that dream.

11. Watch over me as I break down his cold wall of fate in front of me.

12. I'll be able to break down any obstacles and I believe that I'll be able to fly toward the clear, blue sky.

13. As long as I have a dream, this rough and intense reality will not hold me back.

14. I believe in my dream.

15. Watch over me!"

16. What do you all think? Can you get a sense of what this song is about?

17. Besides caring about other people's right and wrong, as we live life, as we live our reality, we've been bullied in school, weeded out of society, and we've even been neglected by our friends and family. We've all tasted the bitterness of our fate and reality in our lives during each of those times...

18. Then a "goose" will say this to you after these periods of frustration...(A goose's voice) "Don't stop dreaming!" "Don't ever give up on your dreams!" That's right.

19. The moment you give up on your dreams, that wall you call "fate" will seem more distant and impossible to reach... However, as long as you don't give up on that dream, that wall of "fate," you'll see a long rope coming down from that wall. And as long as you have that long rope...and as long as you grab a hold of that rope and climb it...you'll be able to reach the top.

20. KoreanClass101.com listeners, after a few days, the year 2010 will soon become the past for us. And then the New Year, 2011, and our new fate will be awaiting us. I don't know what 2011 will bring, and I don't know how high the new wall will be. However, I only know this one thing. "I believe in myself!" "I believe in my dreams!" I also believe in you all. Don't you all want to keep running toward your dreams with me? Let's try to go over this wall of "fate" this upcoming 2011...

21. I want to thank you all from the bottom of my heart for reading my blog entries. This was more of a learning experience for me rather than it being instructional. Have a Merry Christmas and a Happy New Year!

ENGLISH

1. Are eggs safe to eat now? Could you also recommend safe sanitary napkins to use?

2. In July 2017, pesticide-contaminated eggs and products containing these eggs became a major concern in Europe. And just a month later, South Korea was hit with its own egg contamination scandal when eggs tainted by pesticides were also discovered in local egg-producing farms.

3. The Korean government ordered that all domestic egg farmers halt production and kicked off a massive contamination assessment.

4. The government announced guidelines that ordered all contaminated eggs and egg-related products be recalled and disposed of.

5. As a result of the assessment, 52 egg farms were labeled unfit to continue production due to their usage of insecticide,

6. and there was outrage when it was revealed that 31 out of the 52 producers had been certified as "eco-friendly" farms, raising concerns about the "eco-friendly" certification system itself.

7. Furthermore, there was criticism that the punishment policy regarding the use of pesticides was too light, with most farms getting away with a mere slap on the wrist. Some voiced the urgency of higher standards regarding the safety certification for livestock production.

8. In accordance with these concerns, the government issued countermeasures to be taken for the production, distribution, and certification of eggs and egg-related products, stating it will introduce a "farm environment label system" from 2019, which would revise the "livestock traceability system" to include chickens and eggs.

9. Egg scandal aside, a domestic research revealed carcinogenic substances in locally sold sanitary napkins. It became a controversial issue when many female citizens spoke out about the side effects they suffered while using the aforementioned feminine hygiene products.

10. However, the health authorities publicized their test results, stating that the domestically sold sanitary napkin products were deemed harmless and safe to use.

11. While concerns about pesticide-contaminated eggs and carcinogenic sanitary pads seem to have settled down, the reality is that many still find themselves distrustful of food safety and the "harmlessness" of female hygiene products.

1. 2017년 9월 3일 북한 조선중앙방송을 통해 중계된 수소탄 실험 성공 보도는 한반도를 비롯한 국제사회에 큰 파장을 불러일으켰습니다.

2. 1993년 북한은 핵확산방지조약(NPT) 탈퇴를 선언한 것을 시작으로 2006년의 첫 핵실험을 거쳐 2016년 9월 5차 핵실험에 이르기까지 수차례 국제사회에 핵문제를 대두시켰는데,

3. 최근 9월 3일 감행한 6차 핵실험 도발과 제 72차 유엔 총회에서 표명한 북한의 핵개발 지속 의사는 국제사회의 불만과 강력한 대북압박 의지를 강화 시켰습니다.

4. 문재인 대통령은 '한반도 내 전쟁 불가 방침'을 명확히 전하며, 다자주의 대화를 통해 북핵문제를 평화롭게 해결해야 할 것을 강조하였습니다.

5. 중국 역시 “한반도 비핵화 실현과 핵불확산 체제유지, 동북아 평화안정 유지는 중국의 확고한 입장이자 국제사회의 보편적인 바람”이라는 의사를 표현하며 북한 핵실험에 일침을 가했습니다.

6. 그에 더해 북한과의 무역 거점인 중국 단둥시 지방정부는 북한인을 신규 고용할 경우 명 당 5000위안(한화 약 86만원)의 벌금을 부과하고 노동자를 강제 소환할 것을 통보하며 실질적 대북제재에 가세했습니다.

7. 북핵 문제에 있어서 국제사회의 안목을 끌고 있는 국가는 바로 미국입니다. 최근 트럼프 대통령과 북한 사이에 오간 설전은 한반도를 둘러싼 긴장감을 극대화했습니다.

9. 이렇듯 한국을 비롯한 국제사회는 북한 동향을 예의주시하며 대응을 논의하고 해결책을 찾으려고 노력하고 있습니다.

1. On September 3rd, 2017, reports from North Korea announcing another successful round of hydrogen bomb experiments threw the Korean peninsula and the world into turmoil.

2. Since withdrawing from the Nonproliferation Treaty (NPT) in 1993, North Korea had implemented five rounds of nuclear weapons tests. Staring with its initial test in 2006 and continuing until recently, its fifth round in September 2016, such experiments by North Korea raised security concerns within the international community.

3. September 3rd's sixth round of nuclear tests and North Korea's announcement at the 72nd UN General Assembly that it has no intention to stop its experiments resulted in the international community strengthening its stance to increase pressure against North Korea.

4. South Korean President Moon Jae-In stressed his ""no war within the Korean Peninsula"" policy, citing that the nuclear issue should be resolved peacefully through multilateral communication.

5. China also strongly reprimanded North Korea's nuclear experiment, stating that the Chinese government ""absolutely believes in a nuclear weapon free Korean peninsula, nuclear nonproliferation, and maintaining peace in Northeastern Asia,"" adding, ""North Korea has ignored the international community's widespread opposition by carrying out nuclear tests.""

6. In addition to these statements, China added weight to the pressure on North Korea. Local government officials in the border city of Dandong, which boasts prolific trade with North Korea, ordered local companies to send back North Korean laborers, warning that hiring new North Korean employees would result in a fine of 5,000 yuan (approximately 860,000 KRW).

7. However, it is the stance taken by the United States on the North Korean nuclear issue that is becoming the center of attention, with the heated debate that took place between US president Donald Trump and North Korea, maximizing tensions surrounding the Korean peninsula.

8. President Trump claimed that diplomatic efforts with North Korea were useless, stating that for the past 25 years, US presidents have tried diplomatic talks with North Korea and offered massive financial support, but that North Korea violated the agreements before the ink was dry on the agreements.

9. Even now, the international community, including South Korea, are closely observing North Korea's movements, while trying to find a solution for the issue.

1. 연명의료결정법이 2018년 2월 4일부터 전면 시행되기로 결정된 가운데 보건복지부는 2017년 10월 23일부터 2018년 1월15일까지 시범사업을 실시한다고 발표했습니다.

2. 논란이 거듭 되어온 연명의료결정법이란 무엇일까요?

3. 회생가능성이 없는 환자가 자기의 결정이나 가족의 동의로 연명치료를 받지 않을 수 있도록 하는 법으로서, 정식 명칭은 "호스피스, 완화의료 및 임종과정에 있는 환자의 연명의료 결정에 관한 법률"입니다.

4. "불필요한 연명의료를 받고 있는 분들에게 품위를 갖추고 생을 마감할 수 있도록 하기위한 절차"를 다루는 법률이기에 이른바 존엄사법으로 명명되기도 합니다.

5. 연명의료는 치료효과 없이 임종 기간만 연장하는 의학적 시술을 의미하며, 현재 본 법률상에서는 심폐소생술, 혈액투석, 항암제 그리고 인공호흡기 착용, 이렇게 네 종류로 명시되어 있습니다.

6. 그렇기 때문에 연명의료 중단을 의미하는 존엄사는 사망시기를 앞당기는 안락사(조력 자살)와 확연한 차이를 둡니다.

7. 이와 같은 존엄사법이 통과되기까지의 과정을 거슬러 올라가보면 본 법률의 초석을 다진 2009년 김할머니 사건을 마주하게 됩니다.

8. 사건의 발달은 이러합니다. 식물인간 상태였던 김할머니는 치료 가능성이 없었고 가족들은 할머니의 품위있는 죽음을 위해 무의미한 연명 치료를 중단할 것을 병원 측에 요청했습니다.

9. 그러나 병원측은 이를 거절하였고 그에 따라 가족들은 병원을 상대로 소송을 제기하였습니다.

10. 이에 2009년 대법원은 "환자가 인간으로서의 존엄과 가치 및 행복추구권에 기초하여 자기결정권을 행사하는 것으로 인정되는 경우에는 특별한 사정이 없는 한 연명치료중단이 허용 될 수 있다"는 판결을 내렸습니다.

11. 이와 같은 판례는 내년 2월부터 본격적으로 시행될 연명의료결정법의 발판이 되었습니다.

1. The Life-sustaining Treatment Determination Act will take effect from February 4th of 2018, and the Ministry of Health and Welfare announced that the corresponding demonstration and implementation project will begin from October 23, 2017 until January 15, 2018.

2. What is the Life-sustaining Treatment Determination Act, which has been such a controversial issue over the years?

3. This is a law that allows patients without any possibility of recovery (or their family) to decide not to continue with life-sustaining treatment for a patient. Its full title is "The Life-sustaining Treatment Determination Act for Near-death Patients Under Hospice and Palliative Care."

4. This law is also referred as the "Death with Dignity Act," because it deals with procedures that allow patients who are receiving life-sustaining treatment to face their deaths with dignity.

5. Life-sustaining treatment is defined as medical treatment with the purpose of delaying death, but which does not improve patients' condition. Cardiopulmonary resuscitation, hemodialysis, chemotherapy, and ventilator treatment are the four types of treatment mentioned in the Life-sustaining Treatment Determination Act.

6. So there is a stark contrast between life-sustaining treatment termination and euthanasia (assisted suicide), which denotes the practice of intentionally ending a life.

7. When we look back to the events that led to passing of the Law, there is a fundamental incident which laid the foundation of this law - Ms. Kim's 2009 Case.

8. This is how the case developed. Ms. Kim was in coma and had no possibility of recovery, so her family requested the hospital to discontinue her life-sustaining treatment, which they considered pointless.

9. However, the hospital rejected their request, and Ms. Kim's family sued the hospital.

10. In 2009, the Supreme Court ruled in favor of Ms. Kim's family with this significant remark: "Life-sustaining treatment can be discontinued if it is approved that such decision is made by a patient on the basis of human dignity and worth and the right to pursue happiness, except under special circumstances."

11. Such a precedent played the role as a crucial stepping stone to the enactment of the Life-sustaining Treatment Determination Act, which will be implemented in earnest starting from February 2018.

1. 2017년 11월 15일, 경북 포항시 북구 북쪽 9km 지역에서 발생한 규모 5.4의 지진이 국민들을 공포에 떨게 했습니다.

2. 중앙재난안전대책본부는 ""포항 지진으로 551억원의 재산피해가 발생했다""는 조사 결과를 밝혔고 정부는 피해복구에 1445억원을 투입하였습니다.

3. 이번 포항 지진은 2016년 9월 12일 경상북도 경주시에서 발생했던 지진보다는 그 규모가 작았지만 진원지의 깊이가 얕아 많은 건물들이 파손되어 수많은 이재민들이 발생하였으며, 대학수학능력시험이 일주일 연기되는 이례적인 일이 있었습니다.

4. 하지만 다행히 이번 지진이 국내 원자력 발전소 운영에 영향을 미치지는 않았습니다. 한국 수력 원자력은 포항 지진 진앙지에서 가장 가까운 경북 경주시 월성 원자력 본부 원전 6기를 비롯한 국내 원전 24기에 모두 이상이 없었음을 밝혔습니다.

5. 그러나 경주와 포항에서 발생한 지진으로 한반도가 더이상 지진에 안전한 지역이 아니라는 점과 앞으로 더 큰 지진이 발생할 가능성을 대비해 체계적인 준비가 시급하다는 의견이 커졌습니다.

6. 그로 인해 신규 원전 백지화 및 노후 원전 수명연장 금지 등을 골자로 하는 문재인 정부의 에너지 탈환 정책이 재조명되었습니다.

7. 찬반 논란이 거세게 불었던 신고리 원전 5,6호기 건설 중단건의 경우, 준비없는 급격한 원전 축소는 안된다는 의견이 반영된 ""신고리 5,6호기 공론화 위원회""의 투표 결과에 따라 건설이 재개되었지만,

8. 그 대신 신고리 5,6호기의 핵심 설비 내진 성능을 규모 7.4로 대폭 강화하기로 결정하였고, 그 외 모든 국내 원전도 2018년 6월까지 7.0으로 내진 성능을 보강하는 원전 안전 기능 강화방안이 발표되었습니다.

9. 이외에도 정부는 신규원전 건설계획을 전면중단하고, 에너지 수급 안전성 확인 후 월성 1호기 가동을 중단하며, 천연가스와 신재생 에너지를 확대하고 원전 해체 연구소를 설립한다는 내용을 담은 탈원전 로드맵을 발표하였습니다.

ENGLISH

1. On November 15, 2017, a 5.4-magnitude earthquake occurred 9 km north of Buk-gu, a district in Pohang in the Gyeongsang Province, and triggered a tremendous amount of fear nationwide.

2. According to the Central Disaster and Safety Countermeasure Headquarters, ""55.1 billion won worth of property damage was caused by the Pohang earthquake,"" and the Korean government announced its plans to inject 144.5 billion won into the restoration project.

3. The magnitude of the Pohang earthquake was smaller than the earthquake that struck Gyeongju on September 12, 2016. However, the epicenter of the Pohang earthquake was more shallow, and as a result, it destroyed numerous buildings and left a great number of people homeless. Due to the earthquake, the College Scholastic Ability Test was unprecedentedly postponed by a week.

4. Fortunately though, nuclear power plants were not affected by the Pohang earthquake. Korea Hydro & Nuclear Power Co., Ltd. (KHNP) reported that all 24 nuclear plants, including the six nearest plants located in the Wolsong Nuclear Power Complex in Gyeongju in the North Gyeongsang Province, were found safe.

5. Nevertheless, the earthquakes in Gyeongju and Pohang made people realize that the Korean Peninsula is not safe from the threat of earthquakes, and raised awareness for the need of systematic preparations for bigger earthquakes that may hit Korea.

6. This shed light on the renewable energy policies of President Moon Jae-in, which prohibit construction of new nuclear plants and suspend extended operations of older nuclear plants.

7. In the case of the controversial suspension of construction for units 5 and 6 at the Shin Kori Nuclear Reactors, construction resumed due to the decision made by the Citizens' Jury, which claimed that nuclear reactors should not be hastily phased out without necessary preparations.

8. But at the same time, the Nuclear Plant Safety Upgrade Policy announced that the Shin Kori reactors unit 5 and 6 will be upgraded to withstand earthquakes up to a 7.4 magnitude, and that others on the peninsula will be upgraded to withstand 7.0-magnitude earthquakes by June 2018.

9. ENGLISH

1. 7,530 won.

2. This is the amount of the minimum wage set for the year of 2018 by the Minimum Wage Commission.

3. The minimum wage in Korea was increased by 16.4% compared to last year, and some think that the raise will result in the decrease of income polarization and stimulation of the domestic market as the overall income of low-wage workers increases.

4. But on the other hand, there are many sole proprietors who are speaking out about the difficulties they are faced with due to the 1,060 won raise, which is considered relatively large compared to past years, workers suffering from "minimum wage tricks", and that citizens are concerned about inflation.

5. Thus it is clear there has been conflicting opinions on the 2018 minimum wage.

6. A part-time job website, Albamon, surveyed 304 sole proprietors regarding the "2018 part-time recruitment plan"; 80.9% of the surveyees answered they view the 2018 minimum wage overly high and 79.3% predicted that recruitment rates for part-time employment will decrease.

7. In fact, when Albacall — a mobile application developed by the recruitment site Incruit — conducted a survey in January asking 189 sole proprietors how the minimum wage affected their business, the most common answer made by 21% of the respondents was that they are considering dismissal of some of their current employees.

8. Also, it was revealed that food and beverage businesses received the largest negative impact from the minimum wage increase, which is reflected in financial difficulties for business owners and difficulties of getting a job for part-time job seekers.

9. In addition to that, a civic group named "Workplace Unfairness 119" stated they had constant reports of "minimum wage tricks" where employers shortened work hours by lengthening unpaid break times without any prior consent,

10. and reduced labor costs by cutting down meal and transportation allowances and counting a bonus as a part of the base pay.

11. Accordingly, the Ministry of Employment and Labor established a Minimum Wage Report Center to counteract such unfair minimum wage tricks schemed by a number of employers,

12. ...and also launched the "Employment Stability Fund" system — which provides 130,000 won per worker to businesses that qualify — in order to ease the burden of paying the increased minimum wage and to stabilize employement.

1. 비트코인, 이더리움, 리플 등등...
2. 근래 국내에서 화제가 되며 연일 기사화되고 있는 암호화폐 중 가장 거래가 활발한 화폐 종류들입니다.
3. 흔히 가상화폐라고도 불리는 암호화폐는 일반 화폐와 달리 각국 정부나 중앙은행이 발행 및 거래내역을 관리하는 것이 아니라, 처음 고안한 사람이 정한 규칙에 따라 가치가 매겨지고 블록체인 기술을 기반으로 거래됩니다.
4. 2009년 1월 발행이 되었고 국내 암호화폐 열풍의 중심에 있었던 비트코인을 한 번 살펴볼까요?
5. 이 암호화폐는 성능이 좋은 컴퓨터로 수학 문제를 풀때 발행이 되며 이 과정을 '채굴'이라고 일컫습니다. 이후 컴퓨터나 모바일기기에 지갑을 설치하고 비트코인 주소를 만들어 거래를 진행할 수 있습니다.
6. 암호화폐는 거래비용과 소요시간이 절감되고, 블록체인기술을 기반으로 하여 강력한 보안이 유지된다는 장점이 있지만,
7. 계좌 소유자에 대한 정보가 공개되지 않아 암시장에서 마약거래나 도박, 혹은 비자금조성을 위한 돈세탁에 악용될 수 있고,
8. 가격 등락폭이 크며, "김치 프리미엄"이라는 말이 생길 만큼 한국 시장에서 암호화폐 투기가 비이성적으로 과열되고 있다는 전문가들의 의견이 모여 정부의 규제가 시급하다는 목소리가 컸습니다.
9. 이에 따라 정부는 2017년 12월 28일 "가상통화 특별대책"을 발표하였으며, 가상통화 거래 실명제를 실시하여 거래 투명성을 제고하고, 가상통화 관련 범죄 집중 단속 및 엄중 처벌을 진행할 것임을 밝혔습니다.
10. 한국사회여론연구소가 지난 1월 전국 성인 1,033명을 대상으로 '암호화폐 규제 찬반'을 놓고 조사를 실시한 결과 69.7%의 응답자가 "정부의 가상화폐 규제 강화방안"에 찬성한다고 답하였습니다.
11. 하지만 타당하지 않은 가상화폐 규제로 한국 경제가 쇠퇴하는 것을 원하지 않는다는 의견에서 비롯된 가상화폐규제반대 청원에 동참한 이가 수십만 명이 넘어 한국의 암호화폐 시장의 동향을 예의주시 하지 않을 수 없습니다.
12. 한국 시장에서 열풍을 불어일으켰던 암호화폐에 대한 여러분의 생각은 어떠신가요?

ENGLISH

1. Bitcoin, Ethereum, Ripple, etc.

2. These are the most actively traded cryptocurrency which have become a hot topic in Korea recently.

3. Cryptocurrency is often also referred to as virtual currency, and unlike flat money that is issued and regulated by the government or central banks, its value is set by the one who developed it, and it is traded based on blockchain technology.

4. Why don't we take a look at one that was issued in January of 2009 and caused the cryptocurrency fever — Bitcoin?

5. Bitcoin is issued when a supercomputer solves a math problem, and this process is termed "mining." Then a user may install a Bitcoin wallet on a computer or a mobile device, create an address, and proceed with transactions.

6. Advantages of cryptocurrency are that it reduces the transfer fee and time consumed, and that it is also safely secured since it is built upon blockchain technology.

7. However, there exists the danger of its misuse in criminal activities — such as drug trading, gambling, and money laundering — to create slush funds due to the inherent anonymity.

8. Also, the price is highly volatile, and experts have found that Korea's market is abnormally overheated with the cryptocurrency investment, even to the point of having the expression "Kimchi premiums," and as a result, many have said it is urgent that the government steps in with the right regulations for cryptocurrency.

9. In turn, on December 28th 2017, the Korean Government enacted a new cryptocurrency regulation and announced that they will require traders to use real-name accounts in order to increase transparency and enforce an intensive crackdown and corresponding punishment on cryptocurrency-related crimes.

10. Korea Society Opinion Institute (KSOI) surveyed 1,033 adult Korean citizens in January on "cryptocurrency regulation Pros vs. Cons," and 69.7% answered they support the "intensified government regulations on cryptocurrency."

11. Nevertheless, the petition against Cryptocurrency Regulations, which was started with concerns on its negative effect on the Korean economy, clocked over a few hundred thousand signatures, so the KSOI could not help but keep a close eye on how things turn out with cryptocurrency in Korea.

12. How do you view the cryptocurrency that has caused such great turmoil in Korea?

President Moon Jae-in, who ran in the election as a candidate of the Democratic Party of Korea, summed up his main policies into the "12 Pledges" including the following - increasing employment opportunities, improving conditions of employment, rooting out corruption, expanding health insurance coverage, and improving the relationship with North Korea.

5. President Moon pledged he would increase job openings, lesson working hours and numbers of contract workers, and improve working conditions to solve employment issues in Korea. The policy which converted contract workers into full-time employees was one of them.

6. Furthermore, he promised to achieve the goal of a 10,000 won minimum hourly wage rate by the year of 2020, and the rate for 2018 has increased by 16.4%, which is quite a big change.

7. The Moon Jae-in Care' is also a hot topic because it deals with reducing the uninsured medical treatment criteria and expanding insurance coverage so that medical expenses may be lessened.

8. While the policy is welcomed by many, it is faced with strong opposition from the Korean Medical Association, thus being an issue to keep an eye on.

9. President Moon also promised to solve the issue of North Korea's nuclear weapon, turn the peninsula into a safer place from war, unify the South and North Korean markets, and take gradual steps towards Korean Reunification.

10. In turn, South and North Korea held official talks and during the Pyeongchang Winter Olympics in February, South and North Korea played ice hockey as a unified team.

11. While there are varied perspectives on policies of President Moon's Administration, many keep on showing keen interest in big or small decisions made by the government.

DIALOGUE - KOREAN

MAIN

1. 어느덧 봄꽃이 지고 녹음이 우거진 5월이 되었습니다.
2. 혹시 한국에서 5월이 무슨 달로 불려지는지 아시나요?
3. 네, 맞습니다. 바로 "가정의 달"입니다. 그래서 5월에는 가족의 중요성을 다시 일깨워 주고 서로 감사함을 표할 수 있도록 제정된 기념일들이 여럿 있습니다.
4. 날짜순으로 살펴보면 5월 5일 어린이날이 제일 먼저 달력에 등장하는데요, 1923년부터 시행되기 시작한 어린이날은 '어린이의 인격을 존중하고, 행복을 도모하기 위해 제정한 기념일'입니다.
5. 그 다음으로는 '어버이의 은혜에 감사하고, 어른과 노인을 공경하는 경로효친의 미덕을 기리는' 5월 8일 어버이 날이 있습니다.
6. 본래 어머니날이었던 이 기념일은, 1973년에 아버지가 포함된 어버이날로 확대되었습니다. 이 날 자녀들은 부모와 조부모에게 카네이션을 달아들이며 선물로 감사를 표합니다.
7. 그 외에도 5월에는 가정의 역할과 책임의 중요성, 그리고 부부관계의 소중함을 일깨우고자 제정된 5월 15일 '가정의 날'과 5월 21일 '부부의 날'이 있습니다.
8. 가정의 달에는 도처에서는 이를 기념하기 위한 다양한 정책들과 행사를 시행하고 있습니다.
9. 하지만 동시에 가정과 관련하여 한국 사회를 달구고 있는 문제가 있는데, 바로 저출산 이슈입니다.
10. 2017년 한국의 출생아수는 전년보다 5만명 가까이 감소하였으며, 여자 1명이 평생 낳을 것으로 예상되는 평균 출생아수인 합계출산율 역시 사상 최저치인 1.05를 기록하였습니다.
11. 현재 수준의 인구를 유지하기 위해서는 합계출산율이 적어도 2.1 이상이 되어야 하는데 출산율이 작년에 비해 증가하기는커녕 최저점을 찍어 인구절벽 가속화에 대한 우려 역시 커지고 있습니다.
12. 혼인 및 출산의 감소 원인으로는 주로 임구감소, 취업난이 꼽힙니다.
13. 이에 정부는 일과 가정 양립제도를 정비해 나가며, 일자리, 주거 문제부터 출산, 보육 문제를 해결하고 출산과 육아 지원을 확장하는 정책들을 추진하고 있습니다.

ENGLISH

1. Spring flowers had disappeared, and May has come with flourishing greeneries.

2. Have you ever heard what May is called in Korea?

3. Yes, that's correct. It is known as a "family month." So in May, there are numbers of anniversaries that are celebrated to remind us of the importance of family and encourage us to show appreciation to each family member.

4. If we consider the anniversaries by date, May 5, or Children's Day, is the first one to appear on the calendar. Children's day was established to "respect children's rights and to promote their happiness," and it was implemented in 1923.

5. The next is Parents' Day, on May 8, where people practice the virtue of "showing respect to seniors and filial piety to parents" by thanking their parents and honoring seniors.

6. This day was first named "Mother's day," but in 1973, it was enlarged and re-established as "Parents' Day," including fathers to be honored. Sons and daughters express their appreciation to their parents and grandparents with gifts and by putting carnations on them.

7. Also in May, there is "Family Day" on May 15 and "Couple's Day" on May 21 to emphasize the importance of family, family responsibilities, and the relationship between married couples.

8. In May, known as "Family Month," there are many events and policies designed to celebrate families in many different places.

9. However, there exists a problem that has been a hot topic in Korean Society lately, which is the low birth rate issue.

10. In 2017, the number of new born babies decreased by 50,000 compared to the year before, and the total fertility rate—the number of children who would be born per woman—was 1.05, which was the lowest record ever.

11. In order to maintain the current population, the total fertility rate has to mark at least 2.1, but the rate hit the lowest (rather than having any increase) in 2017, so the concern over the demographic cliff is being heightened.

12. The main causes for decreasing marriage and birth rates are known to be the population decline and employment crisis.

13. So, in turn, the government is implementing equal employment and support for work-family reconciliation and carrying out policies to solve employment, housing, birthing, and childcare problems and to extend government support on maternity and parenting.

1. 사람과 그릇은 많을수록 좋다는 말이 있습니다.
2. 사람의 노력이나 그릇은 많으면 많을수록 쓸모가 있다는 의미의 속담입니다. 살아가면서 필요한 사람을 곁에 두는 것, 즉 인맥의 중요성에 대한 표현입니다.
3. 인맥을 형성하기 위한 방법은 다양하지만, 그 중 한국에서 오랜 기간 인맥을 구축하는 데 주축이 된 방법은 무엇일까요?
4. 이 속담으로 힌트를 드릴게요. “팔은 안으로 굽는다.”
5. 이 속담에서는 가까운 사람에게 더 유리한 방법으로 일을 처리하는 것이 당연하다는 현실을 반영하고 있습니다. 비슷한 단어로 '연고주의'가 있습니다.
6. 연고주의의 큰 틀은 “연”으로 끝나는 세 단어로 짜여 있습니다.
7. 같은 핏줄로 연결된 관계를 일컫는 혈연, 같은 출신지로 맺어지는 지연, 그리고 출신 학교를 토대로 형성되는 학연입니다.
8. 이런 세 가지 연을 이용해서 인맥을 만드는 경우가 많습니다. 하지만 이런 인연이 없는 사람들의 경우, 자신의 노력으로도 일이 잘 풀리지 않아서 공정하지 못하다고 느낄 수도 있습니다.
9. 물론 긍정적인 면도 있습니다. 예를 들면, “우리 선배님, 우리 후배님, 우리 대학 동기, 우리 조카, 우리 고향 사람” 하면서 쉽게 집단에 소속될 수 있는 점이겠죠.
10. 하지만 부정적인 면도 많습니다. 능력이나 자질과는 상관없이, 자신의 친척이나 같은 학교 동문을 중요한 자리에 앉히는 '낙하산 인사'가 대표적입니다. 또한 능력이 없는데도 가족이나 친척으로만 기업의 중요한 자리를 채우는 재벌가의 기업지배구조 역시 대표적인 문제점입니다.
11. 이런 부정적인 면 때문에 연고주의를 없애려는 노력이 여기저기서 진행되고 있지만, 아직도 혈연, 지연, 학연이 한국사회에서 영향력을 행사하는 것은 사실입니다.
12. 여러분은 현재 있는 자리에서 공정하게 경쟁하고 있다고 생각하시나요? 혹시 연고주의가 여러분 주변에도 아직 강하게 존재하고 있는지 한 번 생각해보세요.

ENGLISH

1. There is well-known saying that the more people and dishes you have, the better things are.

2. It is a proverb that means that just like having dishes if you have more people's efforts, the more useful you are. It is an expression of the importance of networking by keeping the people you need to live with close to you.

3. There are many areas where such connections are formed, but what has been playing an influential role in terms of personal connections in Korean Society?

4. I'll give you a hint, it has something to do with this proverb "Arms are always bent inward." Another way to translate this proverb is "Men are blind in their own causes."

5. This proverb reflects the fact that it is natural to do things in a more favorable way to the nearest person. There is a similar word, 'nepotism'.

6. The big frame of nepotism is composed of three words ending with "yeon."

7. These are 'kinship,' which means 'related by blood'; 'personal networks' or 'regionalism,' which means friends that come from the same hometown; and 'school relations,' which is related to the school of origin.

8. These three relationships are often used to make connections. But for those who do not have an established relationship with people they work with, they may feel that their work is not respected or appreciated, even if they make an effort; therefore, it is not fair.

9. Of course, there is a positive side. For example, you can easily belong to a group by being called "our seniors," "our juniors," "our college motivators," "our nephews," or "our hometown people."

10. But there are many negative aspects. 'Giving nepotism by orders from above (lit. Parachute nepotism)' is one of the common cases that someone seats their relatives or alumni in an important position, regardless of their abilities or qualities. Also, the corporate governance structure of a conglomerate, who fills an important position in a company with only a family member or a relative, is another main problem.

11. Although there have been efforts to eliminate ostracism here and there due to these negative aspects, it is true that blood relatives, delinquents, and scholars still exercise their influence in Korean society.

12. Do you think you are competing fairly in your present position? Think about whether nepotism is making a strong influence around you.

DIALOGUE - KOREAN

MAIN

1. 눈치가 있으면 떡이라도 얻어먹지.
2. 한국에서 사회생활을 하는 데 꼭 알아둬야할 속담일 겁니다.
3. 왜 일까요? 이 속담에는 어떤 숨겨진 의미가 있을까요?
4. 눈치가 빠른 분들이라면 이번 레슨의 제목으로 쉽게 유추했을 거라고 생각합니다.
5. 이 속담은 한국에서 사회생활을 하는 데 '눈치'가 얼마나 중요한지 알려주고 있습니다. 사전을 보면, '눈치'란, 남의 마음을 그때그때 상황을 보고 짐작해서 알아내는 것'을 의미합니다.
6. 자세히 알지 않아도, 눈으로 딱 보면 쉽게 내용을 알 수 있는 사람을 '눈치가 있는 사람'이라고 말합니다. 그렇다면 왜 한국에서 사회생활을 하는 데 '눈치'가 중요할까요?
7. 여러분이 쉽게 이해할 수 있도록 예를 들어 볼까요?
8. 여러분의 사무실에 두 사람이 있다고 생각해보세요. 그리고 상사가 두 사람에게 동시간에 20초간 짧게 업무지시를 합니다.
9. 직원 A는 상사가 지시한 일만 합니다. 하지만 직원 B는 상사가 지시한 일 뿐 아니라, 상사가 더 필요한 내용이 무엇이 있을지 생각한 뒤, 지시하지 않았지만 상사가 필요한 일도 추가로 끝냅니다. 이럴 때 '직원 B는 눈치있다'라고 이야기합니다. 또 다른 표현으로 '하나를 가르치면 열을 아는 직원'이라고도 이야기할 수 있습니다.
10. 식사를 할 때도 마찬가지입니다. 한국에서는 빨리 식사를 하기 위해서, 같은 테이블에 앉은 사람끼리는 같은 메뉴를 시키는 게 일반적입니다. 식사를 하기 앞서서, 부장님이 오전에 넌지시 '오늘은 청국장이 먹고 싶네'라고 이야기한 상황이라고 생각해봅시다.
11. 이럴 때 눈치가 있는 직원이라면 돈가스 같은 다른 음식이 먹고 싶어도 부장님과 같은 메뉴인 청국장을 시킬겁니다. 만약 이럴 때 자기가 먹고 싶다고 다른 음식을 시키면 눈치가 없는 직원이라고 불릴 겁니다. 또 다른 표현으로 '눈치가 바닥이다'라고 말할 수도 있고요.
12. 누가 잘못 했는지 누가 잘 했는지의 문제가 아닙니다. 하지만 한국에서 회사생활을 하거나 사회생활을 할 때에는 눈치가 있는 직원을 선호하는 사람들이 많은 것이 사실입니다.
13. 흔히 말하는 것처럼, 눈치 꽝인 사람보다는 눈치가 있는 센스 있는 사람을 선호하는 것이죠.
14. 물론, 언제나 다른 사람이 어떻게 생각하는지 계산하고, 다른 사람의 눈치를 보느라 주눅이 든 피곤한 생활을 해야 한다는 의미는 아닙니다.
15. 하지만, 눈치있는 사람이 되어서 센스 있게 다른 사람이 무엇을 바라는 지 미리 생각하고, 적재적소에 필요한 행동을 한다면 주변 사람들에게 더 사랑을 받을 수 있을 거예요.

ENGLISH

1. You will at least get a piece of rice cake if you have "nunchi".
2. This is a proverb that you should know to live by in Korea.
3. Do you know why? What is the hidden meaning of this proverb?
4. If you have good "nunchi" or if you are good at guessing quickly, you would have easily guessed it by checking the title of this lesson.
5. This proverb tells us how important "nunchi" is to have a social life in Korea. The dictionary definition of "nunchi" is "tactfully catching another person's thoughts and intentions according to circumstances."
6. If you easily see the hidden meaning, even if you do not know the details, you can be considered someone who has "nunchi." Then why is "nunchi" that important to social life in Korea?
7. Let's take an example so that you can understand easily.
8. Let’s say there are two people in your office. And the supervisor instructs these two people about their work briefly—for twenty seconds—at the same time.
9. Employee A only does what the supervisor instructed. But, employee B not only does the jobs instructed by his supervisor, but also thinks about what his supervisor needs to be done next, and does extra work even though the supervisor did not ask. When this happens, you can say "Employee B has 'nunchi.'" You can also use the expression; "He is that wise man who hears one word and understands ten.”
10. You can apply the same rule when having a meal. In Korea, it is common to order the same menu if sitting at the same table so that you can get the meals fast. Let’s say the department manager had alluded to the staff that “I want to go for fermented bean soup” in the morning, before having the meal.
11. If the staff member has "nunchi," he will order the same menu item—fermented bean soup—as the manager does, even if he wants to have something else, like pork cutlet. If he orders another meal just because he wants to have it, he will be considered “someone who does not have "nunchi." In other words, he may be told “his "nunchi" is all the way down.”
12. It does not matter who did wrong or who did not. However, it is true that many Korean people prefer to be with people who have "nunchi" when they work in the same office or within their own social life.
13. As commonly said, it is more likely that those with quick wits are preferred over those who are totally clueless.
14. Of course, it does not mean that you always be tired of trying to guess what others think or figure out someone else’s mind.
15. However, if you have more "nunchi," think more about what other people want, and do what you need to do in the right place and the right time, you will be loved more by the people around you.

ENGLISH

1. Let’s say you succeeded in finding a job and worked hard for the past couple of months.

5. Where did part of the precious salary go?

6. It is a question that many people who have started working at a company make. But you don’t need to worry. It’s because a part of you salary has been adjusted automatically to pay your social insurances.

7. Four major public insurances are taken out of your salary to pay for social policies established by the government system. These are four public insurances; the national pension, health insurance, workers' compensation insurance, and employment insurance.

8. National pension is a pension scheme supervised by National Pension Service.

9. The monthly insurance fee that you paid while working at a company will be used to calculate the amount of your pension, which you will live off of in your 60s, when you die, or when you are disabled and can no longer earn income.

10. Second is the health insurance, which is overseen by the National Health Insurance Corporation. The more you have in income or assets, the more you will have to pay.

11. A policyholder may receive medical treatment at relatively lower costs than those who do not have health insurance. And you can have regular checkups as well.

12. The third is the workers' compensation insurance, which aims for compensations on work-related accidents. Unlike other social insurances, employees cover all the expenses of the insurance.

13. Finally, there is employment insurance. Those who are unemployed unilaterally or who are unemployed at the end of the term of their contract can receive unemployment benefits. The insurance is also used to give job training so you can easily find your next job.

14. The four premium rates are flexible and change every year. So, if you want to know what percentage of social insurance you pay, you have to calculate and check the insurance rate for each year.

DIALOGUE - KOREAN

MAIN

1. 한국의 직장생활에 대해서 이야기 할 때 빼 놓을 수 없는 단어들이 있습니다. 야근, 상명하복 시스템, 그리고 사축과 같은 직장 신조어들 말이죠.

2. 이런 여러가지 말 중에서, 한국 직장문화를 표현하는 두 가지 대표적인 단어가 있습니다.

3. 바로, 수직적관계와 집단주의입니다.

4. 수직적 관계는, 단체에 있는 사람들을 한 줄로 세워서, 누가 위에 있는지, 누가 아래에 있는지 정확히 나누는 관계를 의미합니다. 흔히 위계질서라는 단어와도 같이 쓰입니다. 오랜 역사동안 한국사회의 근간이 되었던 유교사상에서 비롯되었다고 할 수 있습니다.

5. 수직적 관계는 한국 사회에서 쉽게 찾아볼 수 있습니다. 누가 나이가 더 많은지에 따라서 관계를 결정하는 유교의 윤리규범 장유유서부터, 군주와 신하를 상하관계로 설명하고 있는 군신유의가 대표적입니다. 이런 문화는 직장 생활에도 영향을 주어서, 한국의 직장에서는 쉽게 상명하복 구조를 찾아볼 수 있게 되었습니다.

6. 그래서 상사와 부하직원이 대부분 수직적 관계에 놓여 있다 보니 대부분 본인보다 높은 직책의 사람들을 연장자로 깍듯하게 대하게 됩니다.

7. 일이 빠르게 진행되는데 도움이 된다는 장점도 있지만, 상사의 뜻을 따르는 것이 너무나도 당연한 일로 여겨져서, 상사가 부하직원에게 '고맙다, 미안하다'와 같은 말을 하는 것이 흔치 않기도 합니다. 또한 상사에게 반대의 입장을 표명하는 것은 결코 흔히 있을 수 있는 일이 아닙니다.

8. 수직적 관계와 더불어서, 집단주의 역시 한국 회사 문화를 여실히 보여주는 대표적인 키워드입니다. 집단주의는 개인의 의사나 이익보다는 집단전체의 이익을 우선하는 관점을 말합니다.

9. 같은 회사에서 근무하는 사람들과 강한 집단의식이 있는 한국에서는, 때때로 가족보다 회사 구성원들을 더 중요하게 생각하는 사람들도 보이곤 합니다.

10. 그리고 다 같이 도와가면서 일을 해야한다는 생각 때문에, 자신이 일이 끝나서 퇴근을 할 수 있어도, 아직 사무실에서 일을 하는 사람이 있으면 퇴근을 미루고 야근을 하는 경우가 많습니다. 이런 문화를 좋아하지 않아도 다른 사람들보다 먼저 퇴근 하는 것을 좋게 생각하지 않은 기업 문화가 있을 경우, 정시퇴근을 하는 일은 쉽지 않습니다.

11. 요즘에는 이런 기업 문화에 대해 부정적인 의견을 내는 사람들도 늘어나고 있습니다. 그래서 회사의 가축처럼 일하는 직장인이라는 뜻으로 '사축'이라는 신조어도 나오기 시작했습니다. 또한, 야근을 매우 자주하는 직장인을 일컫는 '프로 야근러', 퇴근 이후에도 카카오톡이나 메신저로 업무 연락을 받는 '메신저 감옥'과 같은 신조어가 직장인들 사이에 매우 자주 사용됩니다.

12. 하지만 자주 회식을 갖고 집단의식을 고취하는 등, 한국 회사의 집단 의식은 쉽게 바뀌지 않을 것 같습니다.

13. 그럼에도, 일과 삶의 균형을 의미하는 '워크 앤 라이프 밸런스'라는 의미의 '워라밸'을 중시하는 사람이 늘어나는 추세이며, 유연근무제가 도입되는 등 한국사회에도 많은 변화가 생기고 있습니다.

14. 강력한 수직적 집단주의에서 수평적 개인주의의 방향으로 변화 해가는 과도기적 단계에 한국 회사 문화에 어떤 변화가 있을지 기대됩니다.

ENGLISH

1. You need to mention these words when you talk about work life in Korea. Overtime, top-down approach, and neologisms like "Sachuk" (working like domestic animals.)

2. Among these various words, there are two words that represent Korean work culture the most.

3. These are 'vertical relationship' and 'collectivism.'

4. Vertical relationship' means to divide people in the same group to clearly distinguish who is above and who is below. It is often used with the word hierarchy. It can be said that it originated in Confucianism, which has been the foundation of Korean society for a long time.

5. Vertical relations are easily found in Korean society. From the Confucian ethical norms that determine relationships depending on who is older, to "Gunsinyu-ui," which explains the king and servants in a top-down relationship. This philosophy has also influenced the work culture in Korea, and you can easily find the structure of the vertical relationship at work.

6. Since the boss and his subordinates are placed somewhere in such vertical structure, they consider those at the higher position as seniors and treat them politely with high respect.

7. This structure helps work get done quickly, but it is not very common for the boss to say "thank you" or "sorry" to the subordinates because their submissiveness is mostly taken for granted. It is also not common to say something against the boss's opinion.

8. In addition to vertical relationships, collectivism is also a representative keyword for Korean company culture. Collectivism refers to a view that gives priority to the interests of the group as a whole, rather than to the will and the interests of the individuals.

9. In Korea, where people are sharing a strong collective consciousness with other people working at the same company, there are people who sometimes think of company members as more important than their family members.

10. And because of the idea that you have to work together to help each other, even if you can get out of the office after finishing all your work, you often put off work and work overnight if others are still working. Even if you do not like this culture, it is not easy to leave work on time, since the corporate culture does not approve of someone leaving earlier than others.

11. Nowadays, more people are giving negative opinions about this corporate culture. Consequently, people started having increased use of neologisms like "Sachuk," or someone working like an animal for the company. They often use words like "Pro-yageunreo," professional overtime worker, and "Message Gamog," meaning message jail where you receive instant messages though you aren't at the office.

12. It is still common to have frequent gatherings after work and encourage collective consciousness, so collectivism in Korean companies seems not to change easily.

13. These days, however, more people have started to put more importance on work-and-life balance or so-called "worabel." This is clearly seen in the changes made by the government, such as flextime arrangement for some employers as well.

14. I am looking forward to the future changes in the corporate culture of Korea after the transitional phase of shifting from strong vertical collectivism to horizontal individualism is complete.

1. 한국의 취업난을 뚫고 당당히 사회생활을 시작하게 되었는데, 축하는 커녕 정규직이 아닌 계약직으로 입사하게 된 점을 우려하시는 분들이 주위에 간혹 있네요. 왜 그런지 그 이유가 궁금하시다구요?

2. 정규직과 비정규직의 차이점과, 그 사이에 존재하는 괴리감, 그리고 그로 인해 발생하는 계약직 근로자의 애환을 살펴보도록 합시다.

3. 정규직은 고용기간이 종료되는 시점을 미리 정하지 않고 전일제로 일하며 고용주와 근로자가 직접 고용계약을 맺는 근로형태를 의미합니다.

4. 그 외의 근로형태는 비정규직으로 칭하며, 크게 한시적근로자, 시간제근로자, 비전형근로자가 있습니다.

5. 그 중 근래에 들어 더욱 핫이슈로 대두되고 있는 것은 한시적 근로자에 속하는 계약직인데, 근로계약기간을 사전에 정한 기간제 근로자를 뜻합니다.

6. 계약직은 정규직과 같은 양의 노동을 하지만 동등한 대우를 받지 못하는 비정규직의 대표적인 형태로서,

7. 정규직보다 현저히 낮은 급여를 받거나, 정규직과 동등한 복지혜택을 받지 못하는 등의 차이를 경험합니다.

8. 또한 계약직은 앞으로 '몇년이고 함께할 사람'이 아니라, '몇년 만 있다 갈 사람'이라는 인식 때문에 사내에서 알게 모르게 차별을 당하기도 합니다.

9. 그에 더해 2년동안의 계약기간 만료이후 정규직 전환, 계약 연장, 혹은 실직의 기로에 서게될 스스로를 걱정하지 않을 수 없는 상황에 놓이게 됩니다.

10. 실례로 '계약직의 애환'하면 윤태호 작가의 작품 "미생"의 주인공 장그래를 언급하지 않을 수 없는데,

11. 정규직으로 입사한 동기들이 인사고과와 승진으로 한창 고민하고 있을 때, 장그래씨는 정규직 전환에 애태우고 결국 계약직이라는 벽에 좌절하고 마는 일련의 과정을 겪게됩니다.

12. 많은 독자로부터 공감을 얻은 이 작품은 한국 계약직 근로자들이 경험하는 낮은 고용안전성의 불안감, 그리고 서러움을 너무나도 잘 꼬집어 전달해주었습니다.

ENGLISH

1. You've successfully found a job and started your corporate life, but some of the people around you are concerned that you are a temporary worker, not a permanent one. What are they worried about?

2. Let us find out the differences between a permanent position and contract jobs, the gap in between, and the struggles of contract workers.

3. Permanent employees, or regular employees, have direct work contracts with the employer and work full-time without specifying the end of their employment.

4. Any forms of employment other than that are called irregular employees and can be classified as temporary, part-time, and non-standard employees.

5. Recently, "temporary contract workers," or those whose period of employment has already been pre-determined on contract, have become a hot issue.

6. Contract employment is a typical form of irregular employment, where contract workers do not receive the same treatment as regular employees, although they burden the same workload.

7. They also receive a significantly lower salary than standard employees, and they do not receive the same welfare benefits as standard employees.

8. In addition, contract workers are viewed as "those who will be leaving one day," rather than "those who will work long term," so they experience subtle discriminations as well.

9. Furthermore, they cannot help but worry about their future after their two-year contract is over, as they have no idea whether they will be accepted as a standard employee, have their contract extended, or will have to leave the office.

10. Speaking of the heartache of contract workers, we must discuss cartoonist Tae-ho Yoon's his cartoon "Misaeng."

11. The main character, Geurae Jang, is a contract worker who must struggle to become a regular worker only to eventually fail, while his colleagues with standard contracts focus mainly on getting promoted by receiving good grades on their personnel evaluations.

12. This cartoon's spot-on portrayal of the anxieties and sorrows that contract workers experience due to the instability of their employment won the sympathy of many readers.

1. 입사하여 해야하는 일 중 한가지는 사내 조직구조를 익히는 것인데,
2. 직위와 직책을 사전에 잘 숙지한다면 호칭으로 인해 발생하는 불필요한 실수를 미연에 방지할 수 있기 때문입니다.
3. 직책은 업무상 구체적인 권한과 책임에 따라 불려지는 것으로 팀장, 실장 등을 예로 들 수 있습니다.
4. 직위는 직책상의 지위를 가리키며, 지위의 명칭이나 순서는 회사마다 조금씩 상이할 수 있지만 대체적으로 다음과 같은 순서로 나뉘어집니다.
5. 사원, 대리, 과장, 차장, 부장, 상무, 전무, 부사장, 사장입니다.
6. 사원에서 대리로, 차장에서 부장으로 직위가 바뀌는 것을 진급하다 혹은 승진했다고 표현합니다.
7. 그런데 단지 '시간이 모든걸 해결해 주겠지'라는 생각으로 안이하게 있다가는 만년 대리, 혹은 만년 과장으로 남아버릴 수도 있기 때문에 승진의 사다리를 오르기 위해서는 부단한 노력이 필요합니다.
8. 진급의 토대가 되는것에는 인사평가인데, 인사평가는 인원 배치 그리고 임금 책정을 위해 근로자의 능력, 실적, 태도를 종합적으로 평가하는 일을 의미합니다.
9. 회사마다 사용하는 고과기법이 각기 다르기는 하나 고과에 좋은 점수를 받는데 보편적으로 외국어 실력은 큰 비중을 차지합니다.
10. 그렇기 때문에 직장인들은 자신의 영어실력을 증명할 수 있는 토플이나 토익스피킹, 중국어능력시험 HSK, 혹은 일본어능력시험 JPT에서 좋은 점수를 받기 위해 많은 노력을 기울이기도 합니다.
11. 업무관련 자격증을 준비하는 것 또한 도움이 됩니다.
12. 하지만 진급이 오로지 개인의 능력 만으로 이루어지는 것이 아니기 때문에 좋은 팀워크와 능수능란한 대인관계 역시 승진에 큰 영향력을 행사합니다.

ENGLISH

1. One thing you must do as a newly hired employee is to get used to the organizational structure of your company.

2. You will be able to avoid making unnecessary mistakes if you are familiar with the various positions and titles in advance.

3. Titles are used to note the authority and responsibility of one's job—team manager and general manager are a few examples.

4. Position denotes the rank of titles. Names of the positions and orders may vary company to company, but the order is usually as follows, from bottom to top -

5. staff, assistant manager, manager, deputy general manager, department manager, managing director, senior managing director, vice president, and president.

6. We say that an employee is promoted when the position changes from a staff member to an assistant manager, or from a deputy general manager to a department manager.

7. You need to make a deliberate effort to climb the corporate ladder---if you don't make an effort but assume that time will take care of everything, you will likely be unable to make any further progress up the ladder, and perhaps remain as an assistant manager for good.

8. Promotions are decided based on personnel evaluations, which sets wages and decides the allotment of personnel according to the employee's overall capacity, work record, and attitude.

9. Methods of personnel evaluation are different per company, but usually, foreign language proficiency is quite important.

10. This is why corporate employees study hard to receive high marks on foreign language examinations such as TOEFL, TOEIC Speaking, HSK (Chinese Proficiency Test), or JPT (Japanese Proficiency Test.)

11. Also, it is good to achieve work-related certifications.

12. But promotions are not based only on individual skills—good teamwork and personal relations within the company also play a huge role.

1. 금요일 저녁입니다. 드디어 주말 시작이네요. 들뜬 마음으로 퇴근준비를 하려던 찰나 부장님이 회식 제안을 하십니다.

2. 다른 볼 사람도 많고 할 일도 많지만 회식에 불참의사를 밝혔다가 자칫 잘못하면 '조직의 배신자'로 낙인 찍힐 수 있기때문에 회식에 군말없이 참석합니다.

3. 쉽게 생각하면 직장 동료와 함께 단순히 고기를 먹으러 가는 즐거운 시간으로 보일 수 있겠지만, 사실상 회식은 긴장을 풀어서는 안되는 자리입니다.

4. 업무와 관련된 지시사항이나 질문이 오갈 수도 있기 때문에 장소만 사무실이 아닐 뿐 업무의 연장이기 때문입니다

5. 하지만 한국에서 회식이다 하면 빠지지 않고 등장하며 우리의 정신을 흐트려 놓으려고 하는 것이 있습니다

6. 네, 바로 술입니다. 주로 회식 1차에서 삽겹살과 함께 상 위에 올려지는 것은 소주와 맥주이죠.

7. 부장님께서 한 주간 수고했다고 잔을 채워주시려고 하는데 이때 필수적으로 지켜야하는 술자리 예절이 있습니다.

8. 먼저 어른에게 술을 받을 때에는 무조건 두 손으로 잔을 받쳐야 합니다.

9. 술을 마실 때에는 어른의 반대쪽 방향으로 고개를 돌려야 합니다.

10. 또한 원치 않더라도 너무나도 완강하게 거절하는 것은 예의상 보기 좋지 않다는 점을 기억해야 합니다.

11. 그리고 술을 받으면 반대로 상대방의 잔을 채워 주는 것이 예의이며 상대가 연장자라면 이 역시 양손으로 해야합니다.

12. 이렇게 고기나 식사를 곁들인 회식 1차가 막을 내리면 집으로 돌아가는 사람도 있지만 주로 2차 3차로 회식이 이어지는 경우가 많습니다.

13. 잦은 회식과 음주가무를 통해 사내 대인관계를 이루어 내는것도 중요하지만, 과도한 음주는 건강에 해로우며 다음날 숙취로 인해 고통스러운 일과를 보낼 수 있기 때문에 지혜롭게 자신의 주량을 지키는 노하우를 익히는 것이 좋습니다.

14. 늦은 시간까지 회식이 이어졌다고 해서 다음 날 지각을 한다거나 업무에 차질이 생기는 것은 있을 수 없는 일이라는 것 역시 기억하시는 것이 좋겠습니다.

1. TGIF! You're getting yourself ready to leave the office, but all of the sudden your boss suggests a company dinner together.

2. You've got friends waiting to go out with you and other appointments on your agenda, but you agree to participate in the dinner in fear of being called a 'traitor' for not participating in a company event.

3. If you don't give any thoughts to company dinners, they may seem like a fun, harmless time to enjoy grilled meat with your colleagues—however, things aren't usually that simple, and you should always be on your guard.

4. People might start talking and asking questions, or give advice regarding your work throughout the dinner, so in actuality, it is an extension of work although it takes place outside the office.

5. However, there is one thing that appears in every dinner gathering which you must watch out for as it will do its best to loosen you up.
